

A floor plan diagram showing a living room, kitchen, and bathroom. The living room is a large rectangular space with a fireplace on the top wall and a window on the bottom wall. The kitchen is located at the bottom left, featuring a sink, stove, and refrigerator. The bathroom is at the bottom right, containing a bathtub, toilet, and sink. A closet (CL) and a washer/dryer (W/D) area are situated between the living room and the bathroom.
