

A screenshot of an iPhone home screen. The dock at the bottom contains the following icons from left to right: Messages, App Store, Safari, Calendar (showing April 20), Photos, Camera, WhatsApp, Telegram, Music, Apple TV, Spotify, Kindle, Settings (with a red notification badge), HomeKit, a folder named 'book wright' containing an envelope icon with a red notification badge showing '4,789', a folder with a calendar icon, a folder with a calculator icon, a folder with a document icon, a folder with a document icon, and the Trash icon. The background is a dark, abstract image.
