- HEADINGS:** Paragraph headings are only for ready reference to the terms of this lease.
- CONDITION "AS IS":** Renter acknowledges inspecting the apartment prior to signing this lease and accepts the apartment in the condition it is in as of such inspection. Renter acknowledges that the apartment is free of defects. Owner warrants that the apartment and building are fit for habitation and there are no conditions dangerous to health, life or safety.
- USE AND OCCUPANCY OF APARTMENT:** The apartment is to be used and occupied for private residential purposes only, as the primary residence of Renter. The apartment may be occupied only by Renter named in this lease, Renter's immediate family, or other occupants in accordance with the applicable provisions of law. Renter agrees that the apartment will be occupied only by the following individuals, in addition to Renter:

NAME	DATE OF BIRTH	RELATIONSHIP TO RENTER

Renter is obligated to advise Owner, in writing, if any additional occupant moves into the apartment. Such notice must be furnished by Renter to Owner within 10 days of the date such additional occupant moves into the apartment. The apartment may not be occupied by more than the number of occupants permitted by §272075 of the Housing Maintenance Code. The apartment may be occupied by one roommate.

- RENTER'S POSSESSION OF APARTMENT:** Owner shall not be liable for failure to give Renter possession of the apartment on the beginning day of the lease term. Rent shall be payable as of the beginning of the term unless Owner is unable to give possession, in which case rent shall be payable as of the date possession is available. Owner must give possession within 30 days of the beginning day of the lease term. If not, Renter may cancel this lease and obtain a refund of money deposited. Owner will notify Renter as of the date possession is available. The ending date of the lease term will not change in the event Owner is unable to give possession as of the beginning of the lease term.
- RENT, ADDED RENT:** a. Rent payments for each month are due on or before the first day of each month at the address above or at a location designated by Owner in writing. Notice from Owner to Renter that rent is due is not required. The rent must be paid in full without deductions. The first month's rent and added rent must be paid when Renter signs this lease. b. Renter may be required to pay other charges and fees to Owner under the terms of this lease. They are called "added rent." This added rent will be payable as rent, together with the next monthly rent due. If Renter fails to pay the added rent on time, Owner shall have the same rights against Renter as if Renter failed to pay rent.
- FAILURE TO PAY RENT ON DUE DATE:** Rent is due by the first day of each month. Payment after the **10th** day of each month shall be considered a "late payment." Renter expressly agrees and understands that three (3) or more late payments in any twelve month period shall be deemed to be a failure to comply with a substantial obligation of this lease and be grounds for the termination of this lease and eviction of Renter by Owner.
- FEE FOR LATE PAYMENT:** Due to administrative inconvenience and costs incurred due to late payment of rent, Renter agrees to pay the sum of **\$50.00** per month in any month in which the rent is tendered after the late payment date,

as added rent. Although Owner is charging a late charge, Owner may commence any action or proceeding with regard to Renter's failure to pay timely rent. This paragraph is not a waiver of Owner's right to collect or demand rent.

- 8. DISHONORED CHECK FEE:** If Renter pays rent by check and such check is dishonored for any reason by the bank on which the check is drawn, Renter will be responsible to pay Owner a dishonored check fee of **\$40.00** in addition to the fee for late payment. This fee is added rent.
- 9. SECURITY:** Renter has given a security deposit to Owner at the time of Renter's signing of this lease in the sum of **\$2,350.00** which is equal to **1 Month's Rent**. If required by law, the account will bear interest at the banking institution's prevailing rate. If Renter carries out all of Renter's obligations under the terms of this lease, an annual payment of accrued interest will be made by the banking institution to the Renter, less 1% interest of the security on deposit, to be tendered by the banking institution to Owner. Owner may use or apply all or any part of the deposit as may be required to pay for damage to the apartment during the term of this lease. If Renter carries out all of Renter's obligations under this lease, and if the apartment is returned to Owner at the expiration of the lease term in the same condition as when rented by Renter, ordinary wear and tear excepted, Renter's security deposit will be returned in full to Renter, with accrued interest thereon, within **14 days** of Renter vacating. If this lease is renewed, and the amount of security deposit Owner is permitted to retain is increased above the amount deposited upon the commencement of this lease term, then Renter shall, upon such lease renewal, pay to the order of Owner such additional sum. If Owner sells or leases the building, Owner may remit the security deposit, as provided by law, to Renter or to the new Owner or lessee, at Owner's election. If Owner remits the security deposit to the new Owner or lessee, Renter agrees to seek the return of the security deposit from the new Owner or lessee, and releases Owner from any claim to the security deposit. Renter shall not use the security on deposit to pay the last month's rent of the lease term. Owner may use security deposit in full or in part if necessary to pay for unpaid rent, damage or loss due to rerenting over the course of this lease.
- 10. SUBLETTING/ASSIGNMENT:** Renter shall not assign the apartment in whole or in part. Renter shall not sublet the apartment in whole or in part without the written consent of Owner, nor permit anyone not specifically indicated in this lease to occupy the apartment. A sublet without consent, or any assignment shall constitute a default of this lease.
- 11. SERVICES:** Owner will provide services which are required by law. The following services and utilities are the responsibility of Renter unless otherwise indicated below:
- | | | | |
|--------------|-----------------------------|--------------|-----------------------------|
| Electricity: | _____ | Cable TV: | _____ |
| Gas: | <u>Paid by Owner</u> | Hot Water: | <u>Paid by Owner</u> |
| Telephone: | _____ | Cooking Gas: | _____ |
| Heat: | <u>Paid by Owner</u> | Other: | _____ |
- 12. OWNER'S INABILITY TO PROVIDE SERVICE:** If Owner is unable to provide certain services as a result of circumstances which are not the fault of Owner, Renter's obligations under this lease, including the obligation to pay rent without abatement, shall remain in effect.
- 13. REPAIRS:** Renter is responsible for the proper maintenance of the apartment. Renter must, at its sole cost and expense, repair or replace anything in the apartment requiring repair replacement as a result of Renter's actions or neglect. If Renter fails to effectuate such repair or replacement Owner may do so at the Renter's expense. The cost of such repair or replacement shall be added rent. Renter will reimburse Owner all costs incurred by Owner to remedy damages to the apartment or the building caused by Renter, members of Renter's family, Renter's guests or Renter's household staff. Such sums shall be added rent.
- 14. ACCESS:** Owner shall be permitted to enter the apartment at all reasonable hours for the purposes of making repairs, showing the apartment to prospective renters, mortgagees, or buyers, making improvements to the building at Owner's sole discretion and for the inspection of the apartment. In the event of an emergency which affects the safety of the renters in the building or which may cause damage to the building, Owner may enter the premises without prior notice to Renter. Failure to provide access is a substantial violation of this lease.
- 15. LIABILITY OF RENTER:** Renter shall pay all sums incurred by Owner, in the event Owner is held liable for damages resulting from any act by Renter. Landlord recommends that tenant secure insurance to protect himself and his property.
- 16. FIRE AND CASUALTY DAMAGE:** Renter is required to advise Owner immediately in the event of fire or other casualty which renders the apartment partially or wholly unfit for occupancy. Owner shall repair the premises as soon as possible subject to any delays due to adjustment of insurance claims or any cause not under Owner's control. If part of the premises is usable, Renter must pay rent for the usable part. If the premises are damaged where Owner feels that the apartment is beyond repair, the term of this lease shall end and Renter must vacate the apartment. If the fire or casualty was caused by Renter's actions the costs of the repairs shall be repaid to Owner by Renter as added rent.
- 17. DEFAULT:** 1) You default under the Lease if You act in any of the following ways: a) You fail to carry out any agreement or provision of this Lease b) You or another occupant of the Apartment behaves in an objectionable manner; c)

You do not take possession or move into the Apartment 15 days after the beginning of this Lease; d) You and other legal occupants of the Apartment move out permanently before this Lease ends; If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within 10 days. You must then either stop or correct the default within 10 days, or, if You need more than 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible. 2) If You do not stop or begin to correct a default within 10 days, Owner may give You a second written notice that this Lease will end seven days after the date of the second written notice is sent to You. At the end of the 7 day period, this Lease will end. You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 17. 3) If You do not pay your rent when this Lease requires after a personal demand for rent has been made, or within three days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: a) enter the apartment and retake possession of it if You have moved out; or b) go to court and ask that You and all other occupants in the Apartment be compelled to move out. Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

18. EARLY TERMINATION OF LEASE: If this lease is canceled as set forth in paragraph "17," Renter must pay "use and occupancy" (in an amount equivalent to monthly rent) until Renter vacates the apartment. If Renter vacates the apartment prior to the expiration of the lease term, Renter shall be liable for "use and occupancy" until the expiration of the lease term or until such time as the apartment is rerented, whichever is sooner. After Renter vacates, Owner may rent the apartment for the remainder of the lease term, or for a period shorter than or greater than the term of this lease at a monthly rental which may be more or less than the monthly rental specified on page one of this lease. If the apartment is rerented for less than the monthly rental specified above, Renter shall be liable for the difference between Renter's monthly rent and the new rental amount, until such time as the balance of the term of this lease expires. In addition, Renter shall be liable for all expenses incurred in connection with the rerented of the apartment, including but not limited to broker's fees, advertising costs and cleaning expenses.

19. LEGAL FEES (Owner's Option):

☐ In the event either Owner or Renter incurs legal fees and/or court costs in the enforcement of any of Owner's or Renter's rights under this lease or pursuant to law, neither party shall be entitled to the repayment of such legal fees and/or court costs.

If the above box is not checked, Renter shall be liable to Owner in the event Owner incurs legal fees in the enforcement of any of Owner's rights under this lease or pursuant to law. Renter shall be liable to Owner for such legal fees and/or court costs as added rent.

20. NO JURY TRIAL: In any legal proceeding arising under the terms of this lease, whether instituted by Owner or Renter, the parties agree to give up the right to a trial by a jury. **The right to a trial by jury is an important right of Renter, and Renter is agreeing not to demand a trial by jury.** The foregoing is not intended to prohibit a demand for a trial by jury in actions for personal injury or damage to property.

21. NO COUNTERCLAIMS: In any action by Owner seeking recovery of the apartment, Renter shall not make a counterclaim against Owner relating to any matter other than a claim that Owner has not properly maintained the condition of the building or apartment. Renter shall be required to bring an independent action on any other counterclaim.

22. REENTRY: If Renter is dispossessed by legal action Owner may enter the apartment without being liable for reentry, and may rerent the apartment. Renter will be liable to Owner for any and all expenses related to the entering, repairing, redecorating and rerenting. Renter waives the right to reenter the apartment after a final order or judgment in any action is signed or after Renter is removed from the leased apartment.

23. ABANDONMENT: The removal of all or a substantial part of Renter's furniture from the apartment or any other indications that the apartment has been vacated shall be deemed an abandonment by Renter and Owner may then reenter and take possession of the apartment, repair and redecorate it for the purpose of rerenting, whether or not Renter has surrendered the keys. Such taking by Owner shall not be deemed to relieve Renter from liability to pay the rent. Renter releases Owner from any and all claims for damages by reason of such reentry.

24. WINDOW CLEANING: Renter shall not allow any windows to be cleaned from the outside unless such service is provided by Owner.

25. COMMON AREAS: Renter shall not place baby carriages, bicycles or any other property in or on fire escapes, sidewalks, entrances, driveways, elevators, stairways, halls or any other public areas. Public access ways shall be used only for entering and leaving the apartment and the building. Only those elevators and passageways designated by Owner can be used for deliveries.

Resident shall sort and separate such items into categories as provided by law, and in accordance with the rules and regulations adopted by Owner for the sorting and separating of such designated recycling material.
- b.) Owners rights if resident fails to comply:** Owner reserves the right, where permitted by law, to refuse to collect or accept from Resident any waste products, garbage, refuse or trash which is not separated and sorted as required by law, and to require Resident to arrange for such collection, at Resident's sole cost and expense, using contractor satisfactory to Owner.

Fines and penalties, indemnification of Owner:** Resident shall pay all costs, expenses, fines, penalties or damages imposed on Owner or Resident by reason of Residents' failure to comply with Paragraphs a and c above, and shall indemnify, defend, and hold Owner harmless from and against any actions, claims, and suits arising from such noncompliance, using counsel reasonably satisfactory to owner, if Owner so elects. Residents' noncompliance with Paragraphs a, b or c shall constitute a violation of a substantial obligation of the tenancy and Owners' rules and regulations. Resident shall be liable to owner for any costs or expenses, including attorneys' fees, of any actions or proceeding by Owner against Resident, based upon Residents' breach of Paragraphs a, b or c.
- 27. KEYS:** Tenant shall furnish a copy of all apartment keys to Owner for entrance in the event of emergency conditions. Tenant may not change apartment unit locks without Landlord's permission. Renter shall be liable for any damage caused to the building or the apartment during such move.
- 43. WAIVER OF FOREIGN SOVEREIGN AND DIPLOMATIC IMMUNITY:** Renter represents that he is not subject to foreign sovereign or diplomatic immunity. Renter expressly waives the doctrine of foreign sovereign immunity and diplomatic immunity and consents to the jurisdiction of the Housing Court and all other courts. Renter expressly represents that in the event a judgment is obtained against him, Owner may enforce the judgment against any property or assets of Renter, wherever they are located.
- 44. MILITARY STATUS:** Renter represents that he is not in the United States military, and is not dependent upon a member of the United States military. Renter must notify Owner within ten days of enlistment in the military.
- 45. PARTIES BOUND:** This lease agreement is binding on Owner and Renter, and on all those who claim a right, or have a right, to succeed to the legal interest of Owner and Renter.
- 46. FORMS:** Renter agrees to complete any and all forms that may be requested by Owner from time to time.
- 47. SUBORDINATION:** The rights of Renter, including all rights granted under the terms of this lease are, and shall be, subject to and subordinate to the terms of any mortgage on the building or the land under the building which now exists, or which may hereafter exist. The foregoing shall include but not be limited to any modification, consolidation or extension agreement of any existing mortgage on the land or building.
- 48. SINGULAR/PLURAL and JOINT/SEVERAL:** The use of the singular shall be deemed to include the plural, and vice versa, whenever the context so requires. If more than one entity is renting the apartment, their obligations shall be joint and several.
- 49. CONDEMNATION/EMINENT DOMAIN:** If the building, or any part of the building, is taken or condemned by a public authority or government agency, this lease will end on the date of such taking. In such event, Renter will have no claim for damages against Owner based upon such taking, and Renter will be required to surrender the apartment to Owner upon 30 days written notice from Owner to Renter of such government taking.
- 50. CONSTRUCTION/CONVENIENCE:** Neighboring buildings may be the subject of construction, renovation or demolition. Owner will not be liable to Renter, nor shall Renter seek to hold Owner liable for interference with views, light, air flow, or ventilation, the covenant of quiet enjoyment, or breach of the warranty of habitability whether such interference is temporary or permanent, if such interference results from activities conducted on adjoining Owners' properties.

- 51. NO WAIVER:** The failure of Owner to insist at any time upon strict performance of any clause in this lease shall not be construed as a waiver of Owner's rights. No waiver by Owner of any provision of this lease can be made unless made in writing by Owner. Acceptance of rent by Owner with knowledge of the breach of any condition or term of this lease is not a waiver of the breach.
- 52. CREDIT REPORTS:** Renter authorizes Owner to use the Social Security number of Renter to obtain any and all credit reports for the purpose of the initial lease or any renewal thereof now and no more than five years after the expiration of this lease or any renewal thereof, and fully understands that these reports will be used by owner in connection with Renter's occupancy of the apartment.
- 53. GUARANTOR:** If Renter has a Guarantor sign the initial lease, Renter agrees to have a Guarantor sign all renewal leases. The guarantee is a material term and condition of the lease. The failure to continue the guarantee negates Owner's obligation to enter into a renewal lease.
- 54. NO RIGHT TO RENEWAL:** Renter acknowledges that there is no automatic right to a renewal lease. If Owner, in its discretion, determines that it will issue a renewal lease, Owner may set a new rent.
- 55. NOTICES:** All notices, which include bills and/or other statements with respect to this lease, must be in writing. Notices to Renter shall be sent to Renter at the apartment by regular mail except that any notice alleging failure to comply with any terms of this lease shall be sent by certified mail. Notices to the Owner shall be sent to Owner by certified mail to the address on this lease, or to such other address as Owner shall advise Renter on writing. Notices will be considered delivered on the date mailed.
- 56. THIS APARTMENT IS NOT SUBJECT TO RENT STABILIZATION:** It is expressly understood that the apartment which is the subject of this lease is not subject to the Rent Stabilization Law or any other rent regulatory laws.
- 57. END OF LEASE:** Tenant shall notify the Landlord in writing no later than forty-five (45) days prior to the last day of this Lease of their intent to either (i) surrender the Apartment as of the last date of this Lease or (ii) renew this Lease. The Tenant understands that this is a material term of this Lease and in the event that the Tenant does not provide the foregoing notice then the same shall be deemed a default under the Lease which is not subject to notice, grace or cure and, accordingly, the Landlord shall be entitled to retain the security deposit as Landlord's remedy for Tenant's breach under this provision.
- 58. ELECTRIC HEATING:** The landlord will maintain the internal temperature of the apartment as required by law. In some apartments, the Landlord has installed electric baseboard heating systems as an additional heating option should the tenant prefer temperatures above what is required by law. If baseboard heaters have been installed in the apartment, Tenant acknowledges they have been installed as a convenience to the Tenant, and usage is strictly at Tenant's discretion. If the tenant chooses to operate the electric baseboard heaters, usage will result in increased electricity charges. The exact cost resulting from usage thereof will be based on rates charged by Consolidated Edison Company of New York ("ConEd"), its successor, or another utility company providing electricity to the building. Tenant acknowledges his/her sole responsibility for any electric related expenses, including but not limited to the additional electric cost resulting from usage of the baseboard heaters.
- 59. ILLEGAL SUBLET/AIRBNB:** Any sublet or assignment of less than 30 days is prohibited and a material, non-curable violation of this lease. Any use of Airbnb.com or any other short-term illegal sublet website for the purpose of advertising this apartment for short term stay is strictly prohibited. Any illegal sublet is strictly prohibited by this lease. Landlord shall be entitled to retain the security deposit as Landlord's remedy for Tenant's breach under this provision.
- 60. CONTACT INFORMATION:** Tenant shall update Landlord with a current personal telephone number and email address in the event that contact information changes during the term of the lease.
- 61. THIRD PARTY GUARANTOR:** If applicable, the tenant renews or extends their Lease with the Landlord, and they do not execute a new Agreement with a third party guarantor with the respect to such renewal or extension term, a security deposit equal to the third party guarantor coverage amount must be paid to the Landlord at least 10 days prior to the first day of such renewal/extension term as a condition precedent to the effectiveness of such renewal (unless waived by Landlord in Landlord's sole and absolute discretion). If the Tenant fails to deliver such security deposit to the Landlord at least 10 days prior to the first day of such renewal/extension term, then, at the option of Landlord, Tenant will be deemed to have not renewed the Lease and if Tenant fails to vacate before the lease expiration date (without taking into account such renewal) then the Tenant shall be in default of the Lease and shall be deemed a holdover tenant. Third party guarantor may refer to companies such as Rhino, The Guarantors or Insurent.
- 62. ENTIRE AGREEMENT:** Owner and Renter have read this lease and agree that it contains the entire understanding of the parties regarding the rental of the subject apartment. The lease can only be changed in writing. The writing must be signed by both Owner and Renter.

If any part of this lease is determined to be unlawful, the remaining provisions of the lease will remain valid and in full force and effect.

IT IS IMPORTANT THAT YOU RETURN THIS FORM TO THE OWNER OR MANAGING AGENT OF YOUR BUILDING TO PROTECT THE HEALTH OF YOUR CHILD. If you do not respond to this notice, the owner is required to attempt to inspect your apartment to determine if a child under six years of age resides there.

If a child under six years of age does not reside in the unit now, but does come to reside in it at any time during the year, you must inform the owner in writing immediately. If a child under six years of age resides in the unit, you should also inform the owner immediately at the address below if you notice any peeling paint or deteriorated subsurfaces in the unit during the year.

Whether or not a child under age six will reside in the apartment, the owner of the building is also required to fix all lead-based paint hazards and underlying defects that may cause paint to peel, make floors, window sills and window wells smooth and cleanable, remove or cover all lead-based paint on friction surfaces of doors and door frames, and remove or cover all lead-based paint on friction surfaces of windows or install window channels or slides. This work should be performed before you move into the apartment, and the owner must properly clean the apartment after the work is completed.

Please complete this form and return one copy to the owner or his or her agent or representative when you sign the lease/commence occupancy of the unit. Keep one copy of this form for your records. Section 12-12.1 of Chapter 12 of Title 28 of the Rules of the City of New York describes conditions under which a combined notice may be used, combining notice of suspected gas leak procedures with notice for smoke detectors and carbon monoxide detectors. A sample of a combined notice is below:

NOTICE FOR SUSPECTED GAS LEAKS, SMOKE DETECTING DEVICES, AND CARBON MONOXIDE ALARMS

The law requires the owner of the premises to notify tenants regarding the following:

Suspected Gas Leak Procedure: When a tenant suspects that a gas leak has occurred, the tenant should take the following actions:

1. Quickly open nearby doors and windows and then leave the building immediately; do not attempt to locate the leak. Do not turn on or off any electrical appliances, do not smoke or light matches or lighters, and do not use a house-phone or cell-phone within the building;
2. After leaving the building, from a safe distance away from the building, call 911 immediately to report the suspected gas leak;
3. After calling 911, call the gas service provider for this building as follows:

Provider _____

Number _____

Smoke Detectors: The law requires the owner of the premises to provide and install one or more approved and operational smoke detectors in each apartment and to periodically replace such devices upon the expiration of their useful life in accordance with article 312 of chapter 3 of title 28 of the New York City Administrative Code. The tenant of each apartment is responsible for the maintenance and repair of the detectors installed in the apartment and for replacing any or all detectors which are stolen, removed, missing or become inoperable during the occupancy of the apartment with a device meeting the requirements of article 312 of chapter 3 of title 28 of the Administrative Code, unless a detector becomes inoperable within one year of being installed due to a manufacturing defect. The tenant of each apartment in this building in which a battery-operated smoke detector is provided and installed shall pay the owner a maximum of twenty-five dollars or a maximum of fifty dollars where a combined smoke and carbon monoxide detecting device is installed for the cost of providing and installing each detector. The tenant has one (1) year from the date of installation to make such payment to the owner.

Carbon Monoxide Detectors: The law requires the owner of the premises to provide a carbon monoxide alarm in each apartment in this building. The carbon monoxide alarm must be placed within 15 feet of the primary entrance to each sleeping room, must be equipped with an end of life alarm, and must be periodically replaced by the owner as necessary when the suggested useful life of the alarm expires. Tenants are responsible for the maintenance and repair of the alarms installed in the apartment and for replacing any or all alarms that are stolen, removed, missing, or become inoperable during the occupancy of the apartment, unless an alarm becomes inoperable within one year of being installed due to a manufacturing defect. The occupant of each apartment in which a carbon monoxide alarm is provided and installed must pay the owner **\$0.00** per alarm, or a maximum of **\$0.00** per device where a combined smoke and carbon monoxide detecting device is installed. This fee covers the cost of the work for the initial installation and each periodic replacement. The occupant has one year from the date of installation to pay the owner.

NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

*To request a reasonable accommodation, you should contact your property manager by calling **718-521-5700**, or by e-mailing Legal@bronsteinproperties.com **. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.*

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:+

Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out);

Changes to your housing provider's rules, policies, practices, or services;

Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.

If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.

If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.

If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of a waiting list if no adjacent spot is available.

If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

Public and common areas must be readily accessible to and usable by persons with disabilities;

All doors must be sufficiently wide to allow passage by persons in wheelchairs; and

All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website.

What Tenants Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

TENANTS SHOULD:

Keep homes clean and dry

Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)

Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags

Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors

Use garbage cans with tight-fitting lids

Let building staff into homes to make any needed repairs

Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes

Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call **311 to learn more.**

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this fact sheet.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments — or buildings of any size where a tenant has asthma — take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

LANDLORDS MUST:

Inspect every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.

Use integrated pest management (IPM) practices to safely control pests and fix building-related issues that lead to pest problems.

- Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
- Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
- Attach door sweeps to all doors that lead to hallways, basements or outside.
- Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
- Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation-licensed pest professional.

Remove indoor mold and safely fix the problems that cause mold.

- Remove any standing water, and fix leaks or moisture conditions.
- Move or cover furniture with plastic sheeting.
- Limit the spread of dust. Use methods such as sealing off openings (e.g., doorways, ventilation ducts) and gently misting the moldy area with soap or detergent and water before cleaning.
- Clean moldy area with soap or detergent and water. Dry the cleaned area completely.
- Clean any visible dust from the work area with wet mops or HEPA vacuums.
- Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
- To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** use a New York State Department of Labor-licensed mold assessor and remediator. These licensed workers must comply with New York City Administrative Code section 24-154 and New York State Labor Law Article 32.

Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.

Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for **indoor allergen hazards**.

Local Law 1 - NYC Lead Poisoning Prevention Law Information for Tenants

The text below is a printer-friendly version of the New York City Department of Health and Mental Hygiene (DOHMH) brochure for tenants entitled, "Fix Lead Paint". For additional information on lead poisoning, go to www.nyc/lead or call 311.

Fix Lead Paint Hazards:

What Landlords Must Do and Every Tenant Should Know

Lead Can Cause Learning Problems

Lead is a poison often found in old paint. Peeling lead paint is the most common cause of lead poisoning in young children. Lead dust from peeling paint can land on window sills, floors, and toys. When children play on the floor and put their hands and toys in their mouths, they can swallow lead dust.

Preventing Lead Poisoning: What the Law Requires

In New York City, Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of young children. This law applies to your apartment if:

- The building was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint), and
- The building has 3 or more apartments, and
- A child under the age of 6 lives in your apartment.

What Are Lead Paint Hazards?

- Dust from lead paint.
- Peeling or damaged lead paint.
- Lead paint on:
 - o Crumbling plaster or rotted wood.
 - o Doors and windows that stick or rub together.
 - o Window sills and any other surfaces that have been chewed on by children.

Things Landlords Must Do

- In buildings covered by Local Law 1, landlords must find out if any children younger than 6 years live in the building and inspect those apartments for lead paint hazards **every year**.
- Landlords must use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Local Law 1 requires landlords to use firms certified by the U.S. Environmental Protection Agency when disturbing more than 100 square feet of lead paint, replacing windows, or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).
- Landlords must repair lead paint hazards **before** a new tenant moves into an apartment.
- Landlords must keep records of all notices, inspections, repairs of lead paint hazards, and other matters related to the law. HPD may ask the landlord for copies of this paperwork.

Before repair work begins, landlords must make sure that trained workers:

Local Law 1 - NYC Lead Poisoning Prevention Law

Information for Tenants

- Post warning signs outside the work area.
- Tell tenants to stay out of the work area.
- Clean the work area with wet mops or HEPA vacuums.
- Remove all items that can be moved from the work area.
- Cover furniture that cannot be moved.
- Seal floors, doors, and other openings with plastic and waterproof tape.

While repair work is going on, landlords must make sure trained workers clean the work area every day with wet mops and HEPA vacuums.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.

After repair work is finished, landlords must:

- Hire only trained workers to clean the work area with wet mops and HEPA vacuums.
- Hire a company or individual trained to take "clearance dust wipes" to make sure lead dust levels are below: 40 mcg/sf for floors, 250 mcg/sf for window sills, and 400 mcg/sf for window wells (mcg/sf = micrograms of lead per square foot). If levels are higher, clean-up must be repeated and the dust wipes taken again.
- Give a copy of clearance dust wipe results to the tenant.

Things Tenants Must Do

- Tenants must fill out and return the ANNUAL NOTICE form they receive each year from their landlord. This form tells your landlord if any children younger than 6 years live in your apartment.
- Wash floors, window sills, hands, toys, and pacifiers often.
- Remind your doctor to test your child for lead poisoning at ages 1 and 2. Ask the doctor about testing older children.
- If a child younger than 6 comes to live with you during the year or if you have a baby, you must notify your landlord in writing.

Tenants should also:

- Report peeling paint in your apartment to your landlord.
- Call 311 if your landlord does not fix peeling paint or if you think repair work is being done unsafely.

Call 311 to

- **Report unsafe work practices.**
- **Learn more about how to prevent lead poisoning.**
- **Find out where to get your child tested for lead poisoning, and for diagnosis and treatment information.**
- **Order more copies of this brochure or other materials on lead poisoning prevention.**

Owners of multiple dwellings (3 or more apartments) must give this brochure to tenants when they sign a lease or move into an apartment if the multiple dwelling was built before 1960, or was built between 1960 and 1978 if the owner knows that the building has lead paint. This brochure contains basic information about Local Law 1 of 2004 and is provided for your convenience only. For a copy of the law and applicable rules go to nyc.gov/hpd.
