PREAMBLE: This Lease contains the agreements between You and Owner concerning Your rights and obligations and the rights and obligations of Owner. You and Owner have other rights and obligations which are set forth in government laws and regulations.

You should read this Lease and all of its attached parts carefully. If You have any questions, or if You do not understand any words or statements, get clarification. Once You and Owner sign this Lease You and Owner will be presumed to have read it and understood it. You and Owner admit that all agreements between You and Owner have been written into this Lease. You understand that any agreements made before or after this Lease was signed and not written into it will not be enforceable.

THIS LEASE is made on **December 20, 2023**
between Owner, **BRE FSC MULTIFAMILY BORROWER LLC**
whose address is **Array Rentals, 276 First Avenue Loop, and New York, NY 10009**
and You, the Tenant, **Jack Forbes**
whose address is **162 E. 61st Street #A1, New York, NY 10065.**

1. APARTMENT AND USE Owner agrees to lease to You Apartment **A1** in the Building at **162 E. 61st Street, New York, NY 10065**, Borough of Manhattan, City and State of New York.

You shall use the Apartment for living purposes only. The Apartment may be occupied by the tenant or tenants named above and by the immediate family of the tenant or tenants and by occupants as defined in and only in accordance with Real Property Law §235-f.

2. LENGTH OF LEASE The term (that means the length) of this Lease is **1 year** beginning on **December 21, 2023** and ending on **December 20, 2024**.

If you do not do everything You agree to do in this Lease, Owner may have the right to end it before the above date. If Owner does not do everything that owner agrees to do in this Lease, You may have the right to end the Lease before ending date.

3. RENT Your monthly rent for the Apartment is **\$1,848.80** until adjusted pursuant to Article 4 below in addition to the monthly or weekly charge in consideration for Your use and occupation of the of building as set forth on any rider annexed to this Lease. You must pay Owner the rent, in advance, on the first day of each month either at Owner's office or at another place that Owner may inform You of by written notice. You must pay the first month's rent to Owner when You sign this Lease if the lease begins on the first day of the month. If the Lease begins after the first day of the month, Tenant must pay when Tenant signs this Lease one (1) full months' rent and for the next full calendar month Tenant shall pay a prorated rent based on the number of days the Lease began after the first day of the month (for example, if the beginning date of this Lease is the 16th day of the month, Tenant would pay for fifteen (15) out of thirty (30) days, or one-half (1/2), of a full months' rent for the second calendar month). In any event, if the lease commencement date shall not occur on the first day of a calendar month, the term shall also include the remainder of the month in which the lease commencement date occurred. If this Lease is a Renewal Lease, the rent for the first month of this Lease need not be paid until the first day of the month when the renewal term begins. Owner need not give notice each month to Tenant to pay the rent. Rent must be paid in full and no amount subtracted from it.

4. RENT ADJUSTMENTS If this Lease is for a Rent Stabilized apartment, the rent shall be adjusted up or down during the Lease term, including retroactively, to conform to the Rent Guidelines. Where Owner, upon application to the State Division of Housing and Community Renewal ("authorized agency") is found to be entitled to an increase in rent or other relief, You and Owner agree: a. to be bound by such determination; b. where the authorized agency has granted an increase in rent, You shall pay such increase in the manner set forth by the authorized agency; c. except that in the event that an order is issued increasing the stabilization rent because of Owner hardship, You may, within (30) days of your receipt of a copy of the order, cancel your lease on sixty (60) days written notice to Owner. During said period You may continue in occupancy at no increase in rent.

Pursuant to Real Property Law Section 238-a(2), You shall be obligated to pay a late fee if payment of rent has not been received within five days of the first day of each month. Late fee shall be the lesser of \$50.00 or five percent of the monthly rent in addition to legal interest at the maximum amount allowable at law. You will also be liable to pay all bank fees and

charges for any check which is dishonored or returned.

- 5. SECURITY DEPOSIT** You are required to give Owner the sum of **\$1,848.80** (such amount not to exceed one (1) months' rent pursuant to The Housing Stability and Tenant Protection Act of 2019) when You sign this Lease as a security deposit, which is called in law a trust. Owner will deposit this security at **JPMorgan Chase Bank** bank at **245 Park Ave Floor 13 New York, NY 10167**.

If the Building contains six or more apartments, the bank account will earn interest. If You carry out all of your agreements in this Lease, at the end of each calendar year Owner or the bank will pay to Owner 1% interest on the deposit for administrative costs and to You all other interest earned on the security deposit.

If You carry out all of your agreements in this Lease and if You move out of the Apartment and return it to Owner in the same condition it was in when You first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty, Owner will return to You the full amount of the Security Deposit and interest where applicable, within fourteen (14) days after the later of (i) the date this Lease ends, or (ii) the date You vacate the Apartment. However, if You are in default of Your obligations under this Lease and/or there are any damages to the Apartment beyond ordinary wear and tear or damage caused by fire or other casualty, Owner may keep all or part of the Security Deposit to cover missed rent payments, other losses or expenses incurred and reasonable repairs of such damage and Owner shall provide You with an itemized statement indicating the basis for the amount of the Security Deposit retained within the aforementioned fourteen (14) day period.

If Owner sells or leases the building, Owner will turn over your security, with interest, either to You or to the person buying or leasing (lessee) the building within 5 days after the sale or lease. Owner will then notify You, by registered or certified mail, of the name and address of the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to You for the security deposit. The new owner or lessee will become responsible to You for the security deposit.

- 6. IF YOU ARE UNABLE TO MOVE IN** A situation could arise which might prevent Owner from letting You move into the Apartment on the beginning date set in this Lease. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Your damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when You can move in, and the ending date in Article 2 will be changed to a date reflecting the full term of years set forth in Article 2. You will not have to pay rent until the move-in date Owner gives You by written notice, or the date You move in, whichever is earlier. If Owner does not give You notice that the move-in date is within 30 days after the beginning date of the term of this Lease as stated in Article 2, You may tell Owner in writing, that Owner has 15 additional days to let You move in, or else the Lease will end. If Owner does not allow You to move in within those additional 15 days, then the Lease is ended. Any money paid by You on account of this Lease will then be refunded promptly by Owner.

- 7. CAPTIONS** In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

8. WARRANTY OF HABITABILITY

- A.** All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law in the form it may have from time to time during this Lease. Nothing in this Lease can be interpreted to mean that You have given up any of your rights under that law. Under that law, Owner agrees that the Apartment and the Building are fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.
- B.** You will do nothing to interfere or make more difficult Owner's efforts to provide You and all other occupants of the Building with the required facilities and services. Any condition caused by your misconduct or the misconduct of anyone under your direction or control shall not be a breach by Owner.

9. CARE OF YOUR APARTMENT; END OF LEASE; MOVING OUT

- A.** At all times during the Term of this Lease, Tenant will take good care of the Apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. Tenant shall, at Tenant's own cost and expense, make all repairs caused or occasioned by Tenant or Tenant's agents, contractors, invitees, licensees, guests or servants (collectively hereinafter "Tenant Parties"). In addition, Tenant shall promptly notify Owner and/or the Building Superintendent/Building Manager in writing upon the occurrence of any problem, malfunction or damage to the Apartment. Tenant will move out on or before the ending date of this Lease and leave the Apartment in good order and in the same condition as it was when Tenant first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty through no fault of Tenant.
- B. Cleaning.** Tenant is required to use only non-abrasive cleaning agents in the Apartment. Tenant is responsible for damage done by use of any improper cleaning agents.
- C.** If Tenant fails to maintain the Apartment or make a needed repair or replacement as required hereunder, Owner may

hire a professional and make such maintenance, repairs or replacements at Tenant's sole cost and expense. Owner's reasonable expense will be payable by Tenant to Owner as additional rent within ten (10) business days after Tenant receives a bill from Owner

- D. When this Lease ends, Tenant must remove all of Tenant's movable property. Tenant must also remove at Tenant's own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment Tenant may have installed in the Apartment, even if it was done with Owner's consent. Tenant must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. Tenant has not moved out until all persons, furniture and other property of Tenant's is also out of the Apartment. If Tenant's property remains in the Apartment after this Lease ends, Owner may either treat Tenant as still in occupancy and charge Tenant for use, or may consider that Tenant has given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at Tenant's expense. Tenant agrees to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.
- E. Within a reasonable time after notification of either party's intention to terminate this Lease, unless Tenant provides less than two (2) weeks' notice of Tenant's intention to terminate, Owner shall notify Tenant in writing of Tenant's right to request an inspection before vacating the Apartment. Tenant shall have the right to be present at said inspection. Subject to the foregoing, if Tenant requests such inspection, the inspection shall be made no earlier than two (2) weeks and no later than one (1) week before the end of the tenancy. Owner shall provide at least forty-eight (48) hours written notice of the date and time of the inspection. After the inspection, Owner shall provide Tenant with an itemized statement specifying repairs, cleaning or other deficiencies that are proposed to be the basis of any deductions from the Security Deposit. If Tenant requests such inspection, Tenant shall be given an opportunity to remedy any identified deficiencies prior to the end of the tenancy (or, at Owner's sole option, if Tenant fails to remedy any such identified deficiencies, Owner may remedy such identified deficiencies at Tenant's sole cost and expense as described hereinafter). Any and all repairs or alterations made to the Apartment as a result of said inspection shall be at Tenant's sole cost and expense. Said repairs must be approved by Owner and shall be performed, at Owner's sole option by (i) licensed and adequately insured Tenant's contractors in a good and skillful manner with materials of quality and appearance comparable to existing materials and approved by Owner or (ii) by Owner's contractor(s).

10. CHANGES AND ALTERATIONS TO APARTMENT

- A. Tenant cannot build in, add to, change or alter, the Apartment in any way, including, but not limited to, installing, changing, or altering any paneling, wallpaper, flooring, "built in" decorations, partitions, railings, paint, carpeting, plumbing, ventilating, air conditioning, electric, or heating systems without first obtaining the prior written consent of Owner which may be withheld in Owner's sole discretion. If Owner's consent is given, the alterations and installations shall become the property of Owner when completed and paid for by Tenant. They shall remain with and as part of the Apartment at the end of the Term. Notwithstanding the foregoing, Owner has the right to demand that Tenant remove the alterations and installations at the end of the Lease Term, and in such case Tenant shall repair all damage resulting from said removal and restore the Apartment to its original condition, including any holes in the wall or damage caused by the removal of any pictures, artwork or TV mounts hung by Tenant on the walls. Any and all work shall be performed by Tenant in accordance with the terms and conditions of this Lease and in accordance with all applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity. Tenant's contractor shall also supply, before performing any such work, a certificate of insurance naming Owner and the Building's managing agent (if applicable) as additional insured.
- B. Without Owner's prior written consent, Tenant cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, Tenant cannot place in the Apartment water-filled furniture.
- C. If a lien is filed on the Apartment or Building due to Tenant's fault, Tenant must promptly pay or bond the amount stated in the lien. Owner may pay or bond the Lien if Tenant fails to do so within ten (10) days after Tenant has written notice about the lien, in which case, Owner's costs shall be paid by Tenant as Additional Rent.

11. YOUR DUTY TO OBEY AND COMPLY WITH LAWS; REGULATIONS AND LEASE RULES

- A. **Government Laws and Orders.** You will obey and comply (1) with all present and future city, state and federal laws and regulations, including the Rent Stabilization Code and Law, which affect the Building or the Apartment, and (2) with all orders and regulations of Insurance Rating Organizations which affect the Apartment and the Building. You will not allow any windows in the Apartment to be cleaned from the outside, unless the equipment and safety devices required by law are used.
- B. **Owner's Rules Affecting You.** You will obey all Owner's rules listed in this Lease and all future reasonable rules of

Owner or Owner's agent. Notice of all additional rules shall be delivered to You in writing or posted in the lobby or other public place in the building, Owner shall not be responsible to You for not enforcing any rules, regulations or provisions of another tenant's lease except to the extent required by law.

- C. Your Responsibility.** You are responsible for the behavior of yourself, of your immediate family, your servants and people who are visiting You. You will reimburse Owner as additional rent upon demand for the cost of all losses, damages, fines, penalties and reasonable legal expenses incurred by Owner because You, members of your immediate family, servants or people visiting You have not obeyed government laws and orders or the provisions and rules of this Lease.

12. OBJECTIONABLE CONDUCT As a tenant in the Building, You will not engage in nor permit family members, guests or invitees to engage in objectionable conduct. Objectionable conduct means behavior which makes or will make the Apartment or the Building less fit to live in for You or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their Apartments, or causes conditions that are dangerous, hazardous, unsanitary and detrimental to other tenants in the Building. Objectionable conduct by You gives Owner the right to end this Lease.

13. SERVICES AND FACILITIES

- A. Required Services.** Owner will provide cold and hot water and heat as required by law, repairs to the Apartment, as required by law, elevator service if the Building has elevator equipment, and the utilities, if any, included in the rent, as set forth in sub-paragraph B. You are not entitled to any rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.
- B.** The following utilities are included in the rent: none.
- C. Electricity and Other Utilities.** If Owner provides electricity or gas and the charge is included in the rent on Page 1, or if You buy electricity or gas from Owner for a separate (sub metered) charge, your obligations are described in the Rider attached to this Lease. If electricity or gas is not included in the rent or is not charged separately by Owner, You must arrange for this service directly with the utility company. You must also pay directly for telephone service if it is not included in the rent.
- D. Appliances.** Appliances supplied by Owner in the Apartment are for your use. They will be maintained and repaired or replaced by Owner, but if repairs or replacement are made necessary because of your negligence or misuse, You will pay Owner for the cost of such repair or replacement as additional rent.
- E. Elevator Service.** If the elevator is the kind that requires an employee of Owner to operate it, Owner may end this service without reducing the rent if: (1) Owner gives You 10 days notice that this service will end; and (2) within a reasonable time after the end of this 10-day notice, Owner begins to substitute an automatic control type of elevator and proceeds diligently with its installation. All non-automatic passenger and service elevators shall be operated only by employees of Owner and must not in any event be interfered with by Tenants. The service elevators, if any, shall be used by servants, messengers and trades people for entering and leaving, and the passenger elevators, if any, shall not be used by them for any purpose. Nurses with children, however, may use the passenger elevators.
- F. Storeroom Use.** If Owner permits You to use any storeroom, laundry or any other facility located in the building but outside of the Apartment, the use of this storeroom or facility will be furnished to You free of charge and at your own risk, except for loss suffered by You due to Owner's negligence. You will operate at your expense any coin operated appliances located in such storerooms or laundries.

14. INABILITY TO PROVIDE SERVICES Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building.

In any of these events, any rights You may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

15. ENTRY TO APARTMENT During reasonable hours and with reasonable notice, except in emergencies, Owner may enter the Apartment for the following reasons:

- A.** To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; to inspect the Apartment and to make any necessary repairs or changes Owner decides are necessary. Your rent will not be reduced because of any of this work, unless required by law.
- B.** To show the Apartment to persons who may wish to become owners or lessees of the entire Building or may be interested in lending money to Owner;
- C.** For four months before the end of the Lease, to show the Apartment to persons who wish to rent it;
- D.** If during the last month of the Lease You have moved out and removed all or almost all of your property from the

Apartment, Owner may enter to make changes, repairs, or redecorations. Your rent will not be reduced for that month and this Lease will not be ended by Owner's entry.

- E. If at any time You are not personally present to permit Owner or Owner's representative to enter the Apartment and entry is necessary or allowed by law or under this lease, Owner or Owner's representatives may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner will not be responsible to You, unless during this entry, Owner or Owner's representative is negligent or misuses your property.

16. ASSIGNING; SUBLETTING; ABANDONMENT

- A. Assigning and Subletting. You cannot assign this Lease or sublet the Apartment without Owner's advance written consent in each instance to a request made by You in the manner required by Real Property Law §226-b. and in accordance with the provisions of the Rent Stabilization Code and Law, relating to subletting. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to request for a Lease assignment properly made, at your request in writing, Owner will end this Lease effective as of thirty days after your request. The first and every other time you wish to sublet the Apartment, You must get the written consent of Owner unless Owner unreasonably withholds consent following your request to sublet in the manner provided by Real Property Law §226-b. Owner may impose a reasonable credit check fee on You in connection with an application to assign or sublet. If You fail to pay your rent Owner may collect rent from subtenant or occupant without releasing You from the Lease. Owner will credit the amount collected against the rent due from You. However, Owner's acceptance of such rent does not change the status of the subtenant or occupant to that of direct tenant of Owner and does not release You from this Lease.
- B. Abandonment. If You move out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended (except as provided by law following Owner's unreasonable refusal to consent to an assignment or subletting requested by You.) You will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease subject to Real Property Law §227-e.

17. DEFAULT You default under the Lease if You act in any of the following ways:

- A. You fail to carry out any agreement or provision of this Lease other than Article 12 of this Lease;
- B. You do not take possession or move into the Apartment 15 days after the beginning of this Lease;
- C. You and other legal occupants of the Apartment move out permanently before this Lease ends.

If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within ten days (the "Cure Period"). You must then either stop or correct the default within the Cure Period, or, if You need more than the Cure Period, You must begin to correct the default within the Cure Period and continue to do all that is necessary to correct the default as soon as possible.

If You do not stop or begin to correct a default in the Cure Period or if You or other legal occupants or guests engage in Objectionable Conduct as defined in this Lease, Owner shall give You a written notice that this Lease will end seven (7) days after the date the written notice is sent to You. At the end of the seven (7) day period, this Lease will end and You then must move out of the Apartment. If you fail to vacate on the date set forth in the termination notice, Owner shall commence an action or proceeding to recover possession. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of the term of this Lease set forth in Article 2 or any renewal thereof, the fair market value of your occupancy, if any, after the end of the Lease, and damages caused to Owner after that time as stated in Article 18 and as permitted by law.

If You do not pay your rent when this Lease requires, Owner or Owner's agent shall send you by certified mail a written notice stating the Owner or Owner's agent did not receive payment for rent within five (5) days of the date specified in the Lease. This does not waive, impair or modify Your obligation to pay rent by the first day of each month. If You fail to pay Owner the rent as demanded in a 14 day statutory written rent demand, Owner may commence an action or summary nonpayment eviction proceeding based upon the non-payment of rent.

Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

18. REMEDIES OF OWNER AND YOUR LIABILITY If this Lease is ended by Owner because of your default, the following are the rights and obligations of You and Owner:

- A. You must pay your rent until this Lease has ended. Thereafter, You must pay an equal amount for what the law calls "use and occupancy" until You actually move out.
- B. Once You are out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the rent in this Lease. Notwithstanding the foregoing, if You vacate the Apartment in violation of the terms of this

Lease, only then shall Owner use reasonable efforts to re-rent the Apartment at the lesser of the fair market value of the Apartment or the rent paid under this Lease pursuant to Real Property Law §227-e.

C. Whether the Apartment is re-rented or not, You must pay to Owner as damages:

1. the difference between the rent in this Lease and the amount, if any, of the rents collected in any later lease or leases of the Apartment for what would have been the remaining period of this Lease except to the extent limited by Real Property Law §227-e if applicable; and
2. Owner's expenses for advertisements, broker's fees and the cost of putting the Apartment in good condition for re-rental; and
3. Owner's expenses for attorney's fees except in the event of a default judgment.

D. You shall pay all damages due in monthly installments on the rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action. If the rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid rent and damages which You owe Owner, You cannot receive the difference. Owner's failure to re-rent to another tenant will not release or change your liability for damages, unless the failure is due to Owner's deliberate inaction.

19. ADDITIONAL OWNER REMEDIES If You do not do everything You have agreed to do, or if You do anything which shows that You intend not to do what You have agreed to do, Owner has the right to ask a court to make You carry out your agreement or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 17 and 18 of this lease.

20. FEES AND EXPENSES

A. Owner's Right. You must reimburse Owner for any of the following fees and expenses incurred by Owner:

1. Making any repairs to the Apartment or the Building, including any appliances in the Apartment, which result from misuse, omissions or negligence by Tenant, the permitted occupants of the Apartment, the Tenant Parties or any other visitors to the Apartment;
2. Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organization concerning the Apartment or the Building which Tenant, the permitted occupants of the Apartment, the Tenant Parties, or any other persons who visit the Apartment or work for Tenant have caused;
3. Preparing the Apartment for the next tenant if Tenant moves out of the Apartment before the Lease ending date without Owner's prior written consent;
4. Any legal fees and disbursements for the preparation and service of legal notices; legal actions or proceedings brought by Owner against Tenant because of a default by Tenant under this Lease; or for defending lawsuits brought against Owner because of the actions of Tenant, the permitted occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment;
5. Removing any of Tenant's property from the Apartment after this Lease is ended;
6. Any miscellaneous charges payable to the Owner for services Tenant requested that are not required to be furnished Tenant under this Lease for which Tenant has failed to pay the Owner and which Owner has paid;
7. All other fees and expenses incurred by Owner because of the failure to obey any other provisions and agreements of this Lease by Tenant, the permitted occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment or work for Tenant.

These fees and expenses shall be paid by You to Owner as additional rent within 30 days after You receive Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, You will still be liable to Owner for the same amount as damages.

B. Tenant's Right. Owner agrees that unless sub-paragraph 4 of this Article 20 has been stricken out of this Lease You have the right to collect reasonable legal fees and expenses incurred in a successful defense by You of a lawsuit brought by Owner against You or brought by You against Owner to the extent provided by Real Property Law§ 234.

21. PROPERTY LOSS, DAMAGES OR INCONVENIENCE Unless caused by the negligence or misconduct of Owner or Owner's agents or employees, Owner or Owner's agents and employees are not responsible to You for any of the following: (1) any loss of or damage to You or your property in the Apartment or the Building due to any accidental or intentional cause, even a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to your property delivered to any employee of the Building (i.e., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to You by actions, negligence or violations of a Lease by any other tenant or person in the Building except to the extent required by law.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or in behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of

land not owned by Owner. Also, Owner will not be liable to You for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the rent or allow You to cancel the Lease.

22. FIRE OR CASUALTY

- A. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under C below or by You under D below. But the rent will be reduced immediately. This reduction will be based upon the part of the Apartment which is unusable.
- B. Owner will repair and restore the Apartment, unless Owner decides to take actions described in paragraph C below.
- C. After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving You written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is usable when Owner gives You such notice, this Lease will end 60 days from the last day of the calendar month in which You were given the notice.
- D. If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in 30 days, You may give Owner written notice that You end the Lease. If You give that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will refund your security deposit and the pro-rata portion of rents paid for the month in which the casualty happened.
- E. Unless prohibited by the applicable insurance policies, to the extent that such insurance is collected, You and Owner release and waive all right of recovery against the other or anyone claiming through or under each by way of subrogation.

23. PUBLIC TAKING The entire building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi-public use or purpose. If this happens, this Lease shall end on the date the government or agency take title, You shall have no claim against Owner for any damage resulting; You also agree that by signing this Lease, You assign to Owner any claim against the Government or Government agency for the value of the unexpired portion of this Lease.

24. SUBORDINATION CERTIFICATE AND ACKNOWLEDGEMENTS All leases and mortgages of the Building or of the land on which the Building is located, now in effect or made after this Lease is signed, come ahead of this Lease. In other words, this Lease is "subject and subordinate to" any existing or future lease or mortgage on the Building or land, including any renewals, consolidations, modifications and replacements of these leases or mortgages. If certain provisions of any of these leases or mortgages come into effect, the holder of such lease or mortgage can end this Lease. If this happens, You agree that You have no claim against Owner or such lease or mortgage holder. If Owner requests, You will sign promptly an acknowledgement of the "subordination" in the form that Owner requires.

You also agree to sign (if accurate) a written acknowledgement to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that you have no present claim against Owner.

25. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT If You pay the rent and any required additional rent on time and You do everything You have agreed to do in this Lease, your tenancy cannot be cut off before the ending date, except as provided for in Articles 22, 23, and 24.

26. BILLS AND NOTICE; ELECTRONIC SIGNATURES

- A. **Notices to You.** Any notice from Owner or Owner's agent or attorney will be considered properly given to You if it (1) is in writing; (2) is signed by or in the name of Owner or Owner's agent; and (3) is (a) addressed to You at the Apartment and delivered to You personally or sent by registered or certified mail to You at the Apartment or (b) sent to You electronically to an email address You have provided to Owner or an email address from which You communicated by email to Owner. The date of service of any written notice by Owner to You under this Lease is the date of delivery or mailing of such notice.
- B. **Notices to Owner.** If You wish to give a notice to Owner, You must write it and deliver it or send it by registered, or certified mail to Owner at the address noted on page 1 of this Lease, or at another address of which Owner or Agent has given You written notice.
- C. An electronic signature on this Lease, rider or any renewal of Owner or Tenant shall be deemed an original document and a binding signature pursuant to the Electronic Signatures and Records Act of the State Technology Law.

27. NO SHORT-TERM RENTAL Under no circumstances shall Tenant put a listing for the Apartment on Airbnb or for other similar short term rental (i.e., a rental for less than thirty (30) days), or use the Apartment for same. If Tenant does so, Owner has the right to immediately terminate this Lease.

TENANT ACKNOWLEDGES AND AGREES THAT THE FOREGOING IS A MATERIAL INDUCEMENT FOR OWNER TO

ENTER INTO THIS LEASE, AND BUT FOR SAID COVENANT, OWNER WOULD NOT HAVE EXECUTED THIS LEASE AGREEMENT. IF TENANT DISREGARDS THIS AGREEMENT, IN ADDITION TO THE RIGHT OF INJUNCTION, AND THE RIGHT TO TERMINATE THIS LEASE ON SEVEN (7) DAYS' WRITTEN NOTICE TO TENANT WITHOUT ANY RIGHT TO A CURE PERIOD, AND ANY AND ALL REMEDIES AVAILABLE UNDER THIS LEASE AND AT LAW OR EQUITY, TENANT SHALL ALSO BE RESPONSIBLE FOR ANY AND ALL FINES AND PENALTIES IMPOSED BY ANY GOVERNMENTAL OR QUASI-GOVERNEMENTAL AGENCY OR BODY.

28. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM Both You and Owner agree to give up the right to a trial by jury in a court action, proceeding or counter claim on any matters concerning this Lease, the relationship of You and Owner as Tenant and Landlord or your use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.

If Owner begins any court action or proceeding against You which asks that You be compelled to move out, You cannot make a counterclaim unless You are claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

29. NO WAIVER OF LEASE PROVISIONS

- A. Even if Owner accepts your rent or fails once or more often to take action against You when You have not done what You have agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of rent does not prevent Owner from taking action at a later date if You again do not do what You have agreed to do.
- B. Only a written agreement between You and Owner can waive any violation of this Lease.
- C. If You pay and Owner accepts an amount less than all the rent due, the amount received shall be considered to be in payment of all or a part of the earliest rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the rent due.
- D. Any agreement to end this Lease and also to end the rights and obligations of You and Owner must be in writing, signed by You and Owner or Owner's agent. Even if You give keys to the Apartment and they are accepted by any employee, or agent, or Owner, this Lease is not ended.

30. CONDITION OF THE APARTMENT; APARTMENT RENTED "AS IS" By signing this Lease Tenant acknowledges that Owner, Owner's representatives or superintendent has not made any representations or promises with respect to the Building or the Apartment except as herein expressly set forth. After signing this Lease but before Tenant begins occupancy, Tenant shall have the opportunity to inspect the Apartment with Owner or Owner's agent to determine the condition of the Apartment. If Tenant requests such inspection, the parties shall execute a written agreement before Tenant begins occupancy of the Apartment attesting to the condition of the Apartment and specifically noting any existing defects or damages. Before taking occupancy of the Apartment, Tenant has inspected the Apartment (or Tenant has waived such inspection) and Tenant accepts it in its present condition "as is," except for any condition which Tenant could not reasonably have seen during Tenant's inspection. Tenant agrees that Owner has not promised to do any work in the Apartment except as specified in a rider to be annexed hereto (if any) and made apart hereof.

31. RENT INCREASE FOR MAJOR CAPITAL IMPROVEMENT Owner advises you that an application for increase in stabilized rent on the ground of a building-wide major capital improvement dated _____ Docket No. _____ is now pending before the State Division of Housing and Community Renewal ("Agency"). Such application involves the following major capital improvements which are now completed or in progress:

You agree that the stabilized rent herein may be increased during the term of this lease by reason of such improvement as of a date and in the amount permitted by an order from the Agency.

32. DEFINITIONS

- A. **Owner:** The term "Owner" means the person or organization receiving or entitled to receive rent from You or the Apartment at any particular time other than a rent collector or managing agent of Owner. "Owner" includes the owner of the land or Building, a lessor, or sublessor of the land or Building and a mortgagee in possession. It does not include a former owner, even if the former owner signed this Lease.
- B. **You:** The Term "You" means the person or persons signing this Lease as Tenant and the successors and assigns of the signer. This Lease has established a tenant-landlord relationship between You and Owner.

33. SUCCESSOR INTERESTS The agreements in this Lease shall be binding on Owner and You and on those who succeed to the interest of Owner or You by law, by approved assignment or by transfer.

34. PUBLIC ACCESS WAYS

- A. Tenant shall not block or leave anything in or on fire escapes, the sidewalks, entrances, driveways, elevators,

stairways, or halls. Public access ways shall be used only for entering and leaving the Apartment and the Building. Only those elevators and passageways designated by Owner can be used or deliveries.

B. Baby carriages, bicycles or other property of Tenant shall not be allowed to stand in the halls, passageways, public areas or courts of the Building.

35. LAUNDRY Laundry and drying apparatus, if any, shall be used by Tenant in the manner and at the times that the superintendent or other representative of Owner may direct. Tenant shall not dry or air clothes on the roof, balcony, terrace or outside the windows of Apartment.

36. KEYS AND LOCKS Owner may retain a pass key to the Apartment. Tenant may install on the entrance of the Apartment an additional lock of not more than three inches in circumference. Tenant may also install a lock on any window but only in the manner provided by law. Immediately upon making any installation of either type, Tenant shall notify Owner or Owner's agent and shall give Owner or Owner's agent a duplicate key. If changes are made to the locks or mechanism installed by Tenant, Tenant must deliver keys to Owner. At the end of this Lease, Tenant must return to Owner all keys either furnished or otherwise obtained. If Tenant loses or fails to return any keys which were furnished to Tenant, Tenant shall pay to Owner the cost of replacing them.

37. NOISE Tenant, Tenant Parties and permitted occupants shall not make or permit any disturbing noises in the Apartment or Building or permit anything to be done that will interfere with the rights, comforts or convenience of other tenants and shall not play a musical instrument or operate or allow to be operated a phonograph, radio or television set so as to disturb or annoy any other tenant in the Building.

38. NO PROJECTIONS An aerial may not be erected on the roof or outside wall of the Building without the written consent of Owner. Also, awnings or other projections shall not be attached to the outside walls of the Building or to any balcony or terrace.

39. NO PETS Dogs or animals of any kind shall not be kept or harbored in the Apartment, unless in each instance it be expressly permitted in writing by Owner. This consent, if given, can be taken back by Owner at any time for good cause on reasonably given notice. Unless carried or on a leash, a dog shall not be permitted on any passenger elevator or in any public portion of the building. Also, dogs are not permitted on any grass or garden plot under any condition. BECAUSE OF THE HEALTH HAZARD AND POSSIBLE DISTURBANCE OF OTHER TENANTS WHICH ARISE FROM THE UNCONTROLLED PRESENCE OF ANIMALS, ESPECIALLY DOGS, IN THE BUILDING, THE STRICT ADHERENCE TO THE PROVISIONS OF THIS RULE BY EACH TENANT IS A MATERIAL REQUIREMENT OF EACH LEASE. TENANT'S FAILURE TO OBEY THIS RULE SHALL BE CONSIDERED A SERIOUS VIOLATION OF AN IMPORTANT OBLIGATION BY TENANT UNDER THIS LEASE. OWNER MAY ELECT TO END THIS LEASE BASED UPON THIS VIOLATION.

40. MOVING Tenant can use the elevator to move furniture and possessions only on designated days and hours. Owner shall not be liable for any costs, expenses or damages incurred by Tenant in moving because of delays caused by the unavailability of the elevator.

41. FLOORS Apartment floors shall be covered with rugs or carpeting to the extent of at least 80% of the floor area of each room excepting only kitchens, pantries, bathrooms and hallways. The tacking strip for wall-to-wall carpeting will be glued, not nailed to the floor.

42. COUNTERPARTS This Lease may be executed in any number of identical counterparts and by scanned or facsimile signature, and each counterpart hereof shall be deemed to be an original instrument, but all counterparts hereof taken together shall constitute but a single instrument.

43. GARBAGE, REFUSE AND RECYCLING Tenant shall comply with the rules and regulations of the Building in all respects, including, but not limited to, those regarding garbage and recycling laws. Tenant shall not place any large articles outside of the Apartment except in compliance with the rules and regulations of the Building in all respects. Carpets, rugs or other articles shall not be hung or shaken out of any window of the Building. Tenant shall not sweep or throw or permit to be swept or thrown any dirt, garbage or other substances out of the windows or into any of the halls, elevators or elevator shafts.

44. TERRACE/BALCONY (IF APPLICABLE) All of the terms and conditions of this Lease apply to the terrace, balcony and/or backyard (as applicable). Tenant's use of the terrace or balcony must comply with any rules that may be provided to Tenant by Owner. Tenant shall clean the terrace or balcony and keep the terrace or balcony free from snow, ice, garbage and other debris. No cooking is allowed on the terrace or balcony except as may be otherwise permitted by law. Tenant may not install a fence or any addition on the terrace or balcony. Tenant is responsible for making all repairs to the terrace or balcony if caused by Tenant, the Tenant Parties or any other visitor to the Apartment, at Tenant's sole expense.

45. TOILETS/PLUMBING FIXTURES The toilets and plumbing fixtures shall only be used for the purposes for which they were designed or built for. No feminine hygiene products or, sweepings, rubbish bags, acids may be discarded in the toilets or plumbing fixtures.

- 46. EMERGENCIES** Tenant will provide Owner with list of persons to contact in the event of an emergency. Emergencies include, but are not limited to: health and safety of Tenant or guests, water damage or fire, or unauthorized persons attempting entry into the Apartment without Owner's knowledge.
- 47. MOVING IN, VACATING APARTMENT AND TERMINATION**
- A. Should Owner become concerned with the inadequate care and/or supervision of Tenant's moving company's crew, Tenant shall instruct moving personnel to comply with Owner's reasonable request for added protection throughout the Apartment. All moving personnel must be fully insured and reasonable proof of such insurance must be supplied to Owner before moving will be permitted on or in the Apartment.

Section 3 - PROVISIONS

INTRODUCTION:

This Rider is issued by the New York State Division of Housing and Community Renewal (“DHCR”), pursuant to the Rent Stabilization Law (“RSL”) and Rent Stabilization Code (“RSC”). It generally informs tenants and owners about their basic rights and responsibilities under the RSL.

This Rider does not contain every rule applicable to rent stabilized apartments. It is only informational and its provisions are not part of and do not modify the lease. However, it must be attached as an addendum to the lease. It does not otherwise replace or modify more exact or complete sections of the RSL, the RSC, any order of DHCR, or any order of the New York City Rent Guidelines Board that govern this tenancy. The owner must comply with all applicable state, federal and local fair housing laws and nondiscrimination requirements.

The Appendix lists organizations which can provide assistance to tenants and owners who have inquiries, complaints or requests relating to subjects covered in this Rider.

Tenants should keep a copy of this Rider and of any lease they sign and carefully review the summary of lawful rent increases described. Any tenant who believes that the rent they are being charged may be unlawful may consider requesting a rent history of their apartment from DHCR (www.hcr.ny.gov). After reviewing the rent history, the tenant can make an informed decision whether to file form RA-89 “Tenant’s Complaint of Rent and/or Other Specific Overcharges in a Rent Stabilized Apartment.”

1. RENEWAL LEASES

The owner is entitled to increase the rent when a tenant renews a lease (“renewal lease”). Each year, effective October 1, the New York City Rent Guidelines Board sets the percentage of maximum permissible increase over the immediately preceding September 30th rent for leases which will begin during the year for which the guidelines order is in effect. The date a lease starts determines which guidelines order applies.

Guidelines orders provide increases for Renewal Leases. The renewing tenant has the choice of the length of the lease. Different percentages are set for rent increases for leases of one or two years. For additional information see DHCR Fact Sheet #26.

2. VACANCY LEASES

The owner is entitled to increase the previous legal regulated rent when a new tenant enters into a lease for the first time and this is referred to as a vacancy lease. The tenant may choose between a one or two-year lease term. The allowable increase is set by the Rent Guidelines Board. However, no more than one guideline board increase may be added per guideline year. Lawful Major Capital Improvement and Individual Apartment Improvements may also be added to the rent.

3. SECURITY DEPOSITS

An owner may collect a security deposit no greater than one month’s rent. When the rent is increased, the owner may charge an additional amount to bring the security deposit up to the full amount of the increased rent to which the owner is entitled. If a preferential rent is being charged, the amount of the security deposit collected can be no higher than the preferential rent.

A security deposit must be deposited in an interest bearing trust account in a banking organization in New York State. The tenant has the option of applying the interest to the rent, leaving the interest in the bank or receiving the interest annually. For additional information see DHCR Fact Sheet #9.

4. OTHER RENT INCREASES

In addition to guideline increases, the rent may be permanently increased based upon the following:

(A) Individual Apartment Improvements (IAI) – When an owner installs a new appliance or makes an improvement to an apartment the owner may be entitled to an IAI rent Increase. Tenant written consent for the improvement and rent increase is only required if the apartment is occupied by a tenant. It is not required for a vacant apartment.

In buildings with 35 units or less, the increase is limited to 1/168th of the cost of the improvement. In buildings with more than 35 units, the increase is limited to 1/180th of the cost of the improvement.

No more than three IAI increases can be collected in a 15-year period and the total cost of the improvements eligible for a rent increase calculation cannot exceed \$15,000. Work must be done by a licensed contractor and there is a prohibition on common ownership between the contractor and the owner. The apartment must be free and clear of any outstanding hazardous and immediately hazardous violations. The written consent provided by the tenant in occupancy must be on a DHCR form. A translated version in

the top 6 languages spoken other than English will be made available for review on the DHCR website. Owners are required to maintain supporting documentation and photographs for all IAI installations, which commencing June 14, 2020 will be submitted to and stored by DHCR in an electronic format. The IAI rent increase is temporary, as it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline increases that were previously compounded on a rent that included the IAI.

The DHCR Lease Rider offered to vacancy lease tenants contain notification to the tenant of the right to request from the owner by certified mail Individual Apartment Improvements (IAI's) supporting documentation at the time the lease is offered or within 60 days of the execution of the lease. The owner shall provide such documentation within 30 days of that request in person or by certified mail. A tenant who is not provided with that documentation upon demand may file form RA-90 "Tenant's Complaint of Owner's Failure to Renew Lease and/or Failure to Furnish a copy of a Signed Lease" to receive a DHCR Order that directs the furnishing of the IAI supporting documentation. (Refer to Rider Section 1, Individual Apartment Improvements.)

IAI rent increases cannot be collected if a DHCR order reducing rent for decreased services is in effect and has an earlier effective date. It can be collected prospectively on the effective date of a DHCR order restoring the rent.

(B)Major Capital Improvements (MCI) – An owner is permitted a rental increase for building-wide major capital improvements, such as the replacement of a boiler or new plumbing. Major Capital Improvement rent increases are prohibited in buildings that contain 35% or fewer rent regulated apartments. The owner must file an application with DHCR and all supporting documentation is audited.

DHCR may issue an order denying the increase or granting it in part or in whole and serve the order on the owner and all tenants in the building. The rent increase approved in the DHCR order is collectible prospectively, on the first day of the first month 60 days after issuance. There are no retroactive rent increases. The collection of the increase is limited to a 2% cap/yearly phase-in. The 2% cap also applies to MCI rent increases not yet collected that were approved on or after June 14, 2012. Upon vacancy, the remaining balance of the increase can be added to the legal rent. In buildings with 35 or fewer units, the cost is amortized over a 12-year period. In buildings with more than 35 units, the cost is amortized over 12 1/2 years. The building must be free and clear of any outstanding hazardous and immediately hazardous violations. The MCI rent increase is temporary and it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline increases that were previously compounded on a rent that included the MCI rent increase.

Vacancy lease tenants are to be notified in their lease about pending MCI applications.

(C)Hardship – An owner may apply to increase the rents of all rent stabilized apartments based on hardship when:

1. the rents are not sufficient to enable the owner to maintain approximately the same average annual net income for a current three-year period as compared with the annual net income which prevailed on the average over the period 1968 through 1970, or for the first three years of operation if the building was completed since 1968, or for the first three years the owner owned the building if the owner cannot obtain records for the years 1968-1970; or
2. where the annual gross rental income does not exceed the annual operating expenses by a sum equal to at least 5% of such gross income.

If an application for a rent increase based on a major capital improvement or hardship is granted, the owner may charge the increase during the term of an existing lease only if the lease contains a clause specifically authorizing the owner to do so.

5. RENT REGISTRATION

(A)Initial

An owner must register an apartment's rent and services with DHCR when the building first becomes subject to the RSL and in adherence to any related regulatory agreements and/or tax benefit programs.

(B)Annual

The annual registration must be filed with DHCR no earlier than April 1st of each year. At the time of such filing, the owner must provide each tenant with the tenant's copy.

(C)Penalties

Failure to register may result in such penalties, rent reductions, and other remedies as permitted by law.

6. RENEWAL LEASES

A tenant has a right to a renewal lease, with certain exceptions (see Provision 10 of this Rider, "When An

Owner May Refuse To Renew A Lease”).

At least 90 days and not more than 150 days before the expiration of a lease, the owner is required to notify the tenant in writing that the lease will soon expire. That notice must also offer the tenant the choice of a one or two-year lease at the permissible guidelines increase. After receiving the notice, the tenant always has 60 days to accept the owner's offer, whether or not the offer is made within the above time period, or even beyond the expiration of the lease term.

Any renewal lease, except for the amount of rent and duration of its term, is required to be on the same terms and conditions as the expired lease, and a fully executed copy of the same must be provided to the tenant within 30 days from the owner's receipt of the renewal lease or renewal form signed by the tenant. If the owner does not return a copy of such fully executed Renewal Lease Form to the tenant within 30 days of receiving the signed renewal lease from the tenant, the tenant is responsible for payment of the new lease rent and may file a "Tenant's Complaint of Owner's Failure to Renew Lease and/or Failure to Furnish a Copy of a Signed Lease" (DHCR Form RA-90). DHCR shall order the owner to furnish the copy of the renewal lease or form. If the owner does not comply within 20 days of such order, the owner shall not be entitled to collect a rent guideline increase until the lease or form is provided.

It is illegal for an owner to require a rent stabilized tenant to provide immigration status information or a Social Security number as a condition to renewing the lease. (For additional information on the rights of foreign-born tenants see DHCR Fact Sheet #45.)

If a tenant wishes to remain in occupancy beyond the expiration of the lease, the tenant may not refuse to sign a proper renewal lease. If the tenant does refuse to sign a proper renewal lease, he or she may be subject to an eviction proceeding.

An owner may add to a renewal lease the following clauses even if such clauses were not included in the tenant's prior lease:

- (A)**the rent may be adjusted by the owner on the basis of Rent Guidelines Board or DHCR Orders;
- (B)**if the owner or the lease grants permission to sublet or assign, the owner may charge a sublet allowance for a sub-tenant or assignee, provided the prime lease is a renewal lease. However, this sublet allowance may be charged even if such clause is not added to the renewal lease. (Subletting is discussed in Provision 9 of this Rider);
- (C)(1)** if the building in which the apartment is located is receiving 421-a (1-15) tax benefits, a clause may be added providing for an annual or other periodic rent increase over the initial rent at an average rate of not more than 2.2 % of the amount of such initial rent per annum not to exceed nine 2.2 percent increases. Such charge shall not become part of the legal regulated rent; however, the cumulative 2.2 percent increases charged prior to the termination of tax benefits may continue to be collected as a separate charge;
- (2)** provisions for rent increases if authorized under Section 423 of the Real Property Tax Law: a clause may be added to provide for an annual or other periodic rent increase over the legal regulated rent if authorized by Section 423 of the Real Property Tax Law.

7. RENEWAL LEASE SUCCESSION RIGHTS

In the event that the tenant has permanently vacated the apartment at the time of the renewal lease offer, family members who have lived with the tenant in the apartment as a primary residence for at least two years immediately prior to such permanent vacating (one year for family members who are senior citizens and disabled persons), or from the inception of the tenancy or commencement of the relationship, if for less than such periods, are entitled to a renewal lease.

"Family Member" includes the spouse, son, daughter, stepson, stepdaughter, father, mother, stepfather, stepmother, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law or daughter-in-law of the tenant.

"Family member" may also include any other person living with the tenant in the apartment as a primary residence who can prove emotional and financial commitment and interdependence between such person and the tenant. Examples of evidence which is considered in determining whether such emotional and financial commitment and interdependence existed are set forth in the Rent Stabilization Code. Renewal lease succession rights are also discussed in detail in DHCR Fact Sheet #30.

8. SERVICES

Written notification to the owner or managing agent should be given but is **NOT** required, before filing a decrease in service complaint with DHCR. Owners who have not received prior written notification from the tenant will however, be given additional time to respond to a complaint filed with DHCR. Applications based

on a lack of heat or hot water must be accompanied by a report from the appropriate city agency.

All emergency conditions do not require prior written notification. These include but are not limited to: vacate order (5 day notification), fire (5 day notification), no water apartment wide, no operable toilet, collapsed or collapsing ceiling or walls, collapsing floor, no heat/hot water apartment wide (violation required), broken or inoperative apartment front door lock, all elevators inoperative, no electricity apartment wide, window to fire escape (does not open), water leak (cascading water, soaking electrical fixtures), window-glass broken (not cracked), broken/unusable fire escapes, air conditioner broken (summer season). Complaints to DHCR on the appropriate DHCR form that cite any of these emergency conditions will be treated as first priority and will be processed as quickly as possible. **It is recommended that tenants use a separate DHCR form for any problematic conditions that are not on this emergency condition list.**

Certain conditions, examples of which are set forth in the Rent Stabilization Code, which have only a minimal impact on tenants, do not affect the use and enjoyment of the premises, and may exist despite regular maintenance of services. These conditions do not rise to the level of a failure to maintain required services. The passage of time during which a disputed service was not provided without complaint may be considered in determining whether a condition is de minimis. For this purpose, the passage of 4 years or more will be considered presumptive evidence that the condition is de minimis.

The amount of any rent reduction ordered by DHCR shall be reduced by any credit, abatement or offset in rent which the tenant has received pursuant to Sec. 235-b of the Real Property Law ("Warranty of Habitability") that relates to one or more conditions covered by the DHCR Order. For additional information see DHCR Fact Sheets #3, #14 and #37.

9. SUBLETTING AND ASSIGNMENT

A tenant has the right to sublet his/her apartment, even if subletting is prohibited in the lease, provided that the tenant complies strictly with the provisions of Real Property Law Section 226-b. Tenants who do not comply with these requirements may be subject to eviction proceedings. Compliance with Section 226-b is not determined by DHCR, but by a court of competent jurisdiction. If a tenant in occupancy under a renewal lease sublets his/her apartment, the owner may temporarily increase the rent by the current rent guidelines board adjustment, regardless of whether the owner has increased the rent by the guidelines board amount within the prior twelve months. This charge may be passed on to the sub-tenant. However, upon termination of the sublease, the Legal Regulated Rent shall revert to the Legal Regulated Rent without such temporary increase. The rent increase is the allowance provided by the NYC Rent Guidelines Board available when the tenant's lease commenced, and it takes effect when the subletting takes place.

A tenant who sublets his/her apartment is entitled to charge the sub-tenant the rent permitted under the Rent Stabilization Law, and may charge a 10% surcharge payable to the tenant only if the apartment sublet is fully furnished with the tenant's furniture. Where the tenant charges the sub-tenant any additional rent above such surcharge and sublet allowance, if applicable, the tenant shall be required to pay to the sub-tenant a penalty of three times the rent overcharge, and may also be required to pay interest and attorney's fees. The tenant may also be subject to an eviction proceeding.

Assignment of Leases

In an assignment, a tenant transfers the entire remainder of his or her lease to another person (the assignee), and gives up all of his/her rights to reoccupy the apartment.

Pursuant to the provisions of Real Property Law Section 226-b, a tenant may not assign his/her lease without the written consent of the owner, unless the lease expressly provides otherwise. If the owner consents to the assignment of the lease, the owner may increase the rent as if the assignee was entering into a new lease following permanent vacancy. Such increase shall remain part of the Legal Regulated Rent for any subsequent renewal lease.

An owner is not required to have reasonable grounds to refuse to consent to the assignment. However, if the owner unreasonably refuses consent, the owner must release the tenant from the remainder of the lease, if the tenant, upon 30 days' notice to the owner, requests to be released.

If the owner refuses to consent to an assignment and does have reasonable grounds for withholding consent, the tenant cannot assign and the owner is not required to release the tenant from the lease. For additional information see, DHCR Fact Sheet #7.

10. WHEN AN OWNER MAY REFUSE TO RENEW A LEASE

As long as a tenant pays the lawful rent to which the owner is entitled, the tenant, except for the specific grounds stated in the Rent Stabilization Law and Rent Stabilization Code, is entitled to remain in the apartment. An owner may not harass a tenant by engaging in an intentional course of conduct intended to

make the tenant move from his/ her apartment.

Below are listed some but not all grounds for eviction:

Without DHCR consent, the owner may refuse to renew a lease and bring an eviction action in Civil Court at the expiration of the lease on any of the following grounds:

- (A) the tenant refuses to sign a proper renewal lease offered by the owner;
- (B) the owner, because of immediate and compelling necessity, seeks to recover the apartment in good faith for personal use and occupancy as a primary residence or for the personal use and occupancy as a primary residence of members of the owner's immediate family; Note that the owner is only permitted to do this for one apartment in a building subject to regulation.
- (C) the tenant does not occupy the apartment as his or her primary residence. The owner must notify the tenant in writing at least 90 and not more than 150 days prior to the expiration of the lease term of the owner's intention not to renew the lease.

With DHCR consent, the owner may refuse to renew a lease upon any of the following grounds:

- (A) the owner seeks in good faith to recover possession of the apartment for the purpose of demolishing the building and constructing a new building; or
- (B) the owner requires the apartment or the land for the owner's own use in connection with a business which the owner owns and operates.

A tenant will be served with a copy of the owner's application and has a right to object. If the owner's application is granted, the owner may bring an eviction action in Civil Court.

11. EVICTION WHILE THE LEASE IS IN EFFECT

The owner may bring an action in Civil Court to evict a tenant during the term of the lease for the grounds stated in the Rent Stabilization Law and Rent Stabilization Code.

Below are listed some but not all grounds for eviction:

- (A) does not pay rent;
- (B) is violating a substantial obligation of the tenancy;
- (C) is committing or permitting a nuisance;
- (D) is illegally using or occupying the apartment;
- (E) has unreasonably refused the owner access to the apartment for the purpose of making necessary repairs or improvements required by law or authorized by DHCR, or for the purpose of inspection or showing. The tenant must be given at least 5 days' notice of any such inspection or showing, to be arranged at the mutual convenience of the tenant and owner, so to enable the tenant to be present at the inspection or showing. A tenant cannot be required to permit access for inspection or showing if such requirement would be contrary to the lease.

Tenants are cautioned that causing violations of health, safety, or sanitation standards of housing maintenance laws, or permitting such violations by a member of the family or of the household or by a guest, may be the basis for a court action by the owner.

12. COOPERATIVE AND CONDOMINIUM CONVERSION

Tenants who do not purchase their apartments under a Non-Eviction Conversion Plan continue to be protected by Rent Stabilization. Conversions are regulated by the New York State Attorney General. Any cooperative or condominium conversion plan accepted for filing by the New York State Attorney General's Office will include specific information about tenant rights and protections. An informational booklet about the general subject of conversion is available from the New York State Attorney General's Office.

13. SENIOR CITIZENS AND DISABILITY RENT INCREASE EXEMPTION PROGRAM

Tenants or their spouses who are 62 years of age, or older, or are persons with a disability, and whose household income level does not exceed the established income level may qualify for an exemption from guideline rent increases, hardship rent increases, major capital improvement rent increases and rent reductions for DHCR approved electrical sub-metering conversions. This exemption will only be for a portion of the increase which causes the tenant's rent to exceed one-third of the "net" household income, and is not available for increases based on new services or equipment within the apartment. Questions concerning the Senior Citizen Rent Increase Exemption (SCRIE) program and the Disability Rent Increase Exemption (DRIE) program can be addressed to the New York City Department of Finance.

When a senior citizen or person with a disability is granted a rent increase exemption, the owner may obtain a real estate tax credit from New York City equal to the amount of the tenant's exemption. Notwithstanding any of the above, a senior citizen or person with a disability who receives a rent increase exemption is still required to pay a full month's rent as a security deposit. For additional information see DHCR Fact Sheet # 20 and # 21.

14. SPECIAL CASES AND EXCEPTIONS

Some special rules relating to stabilized rents and required services may apply to newly constructed buildings subject to regulatory agreement and/or which receive tax abatement or exemption, and to buildings rehabilitated under certain New York City, New York State, federal financing, mortgage insurance programs, or project based vouchers. The supervising government agency that sets initial legal rents may also set preferential rents. Regulatory agreements issued and approved by a state or municipal agency or other designated party may provide for actual rents that are higher than legal rents and preferential rents, as long as a government program provides rental assistance for the apartment. The tenant share is governed by the agency providing rental assistance and the regulatory agreement. The actual rent must also be separately registered. When the rental assistance ends, either during a tenancy or upon vacancy, the lesser of the lower legal rent or preferential rent plus any lawful adjustments or a lower rent established by the regulatory agreement must be charged. This requirement is stated in plain language in DHCR Notice RA-LR3, which must be attached to all leases when higher actual rents are being charged. The rules mentioned in this Rider do not necessarily apply to rent stabilized apartments located in hotels or permanent housing accommodations with government contracted services to vulnerable individuals or individuals with disabilities who are or were homeless or at risk of homelessness. A separate Hotel Rights Notice informing permanent hotel tenants and owners of their basic rights and responsibilities under the Rent Stabilization Law is available from DHCR.

15. AIR CONDITIONER SURCHARGES

Owners are authorized to collect surcharges from rent stabilized tenants for the use of air conditioners. DHCR issues an annual update to an Operational Bulletin in which the lawful surcharges are established for the year. A surcharge amount is established for tenants in buildings where electricity is included in the rent. These surcharges shall not become part of the legal regulated rent. Surcharges for tenants in buildings where the tenant pays for the electric utility service are prohibited. (See Operational Bulletin 84-4 and Fact Sheet # 27).

16. SURCHARGES FOR TENANT INSTALLED WASHING MACHINES, DRYERS AND DISHWASHERS

Unless a lease provides otherwise, owners are not required to allow tenants to install washing machines, dryers or dishwashers. Where a tenant requests permission from the owner to install such appliance or appliances, whether permanently installed or portable, and the owner consents, the owner may collect a surcharge or surcharges. DHCR issues periodic updates to an Operational Bulletin that sets forth surcharges for washing machines, dryers and dishwashers. One set of surcharges is established for tenants in buildings where electricity is included in the rent. Another set of surcharges is established for tenants who pay their own electricity. Such surcharges shall not become part of the rent. (See Operational Bulletin 2005-1).

17. PREFERENTIAL RENT

A preferential rent is a rent which an owner agrees to charge that is lower than the legal regulated rent that the owner could lawfully collect. The legal regulated rent is required to be written into the vacancy lease and all subsequent renewal leases in order to be preserved. The HSTPA effective June 14, 2019 while continuing to allow for both preferential and legal rents to be raised at the time of a lease renewal additionally requires that any preferential rent already being collected must continue to be offered at the time of a lease renewal. The rent increase to be collected at a lease renewal on the preferential rent must be set by applying the applicable guideline increase to the preferential rent. The legal rent cannot be collected until a vacancy occurs and can be offered to the next new vacancy lease tenant, provided that both the legal rent and the preferential rent are listed in the initial lease offering the preferential rent and every subsequent lease offering the preferential rent until the vacancy. Exceptions to these requirements may apply to preferential rents established by regulatory agreements.

19. FEES

There are certain fees that owners may charge tenants separate and apart from the rent for the apartment. However, fees of any kind do not become part of the legal rent or preferential rent and cannot be added to it for the purpose of calculating lease renewal increases.

Lawful fees:

Late fees where a clause in the initial vacancy lease allows for them to be charged by a certain specific date and the late fees are no more than the lesser of \$50 or 5% of the monthly rent currently being charged and collected. Preferential rents, which may also be referred to as “on-time rent,” that are conditioned on prompt payment of rent or terminate upon late payment of rent are not allowed.

Legal fees can only be collected if ordered by a judge in court.

Reasonable fees for a background check when applying to be a tenant which cannot exceed \$20 per tenant subject to the background check.

Fees for window guards (\$10 per guard) are detailed in DHCR Fact Sheet # 25.

Fees for smoke alarms, carbon monoxide detectors and natural gas detectors are established by the local municipality.

Actual Fees/charges incurred for insufficient funds for a tenant’s rent check that did not clear (bounced checks), if this was provided for in the initial lease.

Fees imposed by the NYC agency (Ex-HPD, HDC) that has oversight authority pursuant to a regulatory agreement.

Fees for Air Conditioners and Tenant-installed Washing Machines, Dryers and Dishwashers are detailed in DHCR’s Operational Bulletin 84-4, Fact Sheet # 27, and DHCR Operational Bulletin 2005-1.

Fees for Sub-Metering or other utility services. Fees for Sub-Metering are detailed in DHCR Operational Bulletin 2014-1.

Unlawful Fees:

Fees for background checks on rent stabilized tenants in occupancy.

Fees cannot be charged to the tenant for a background check on a prospective roommate or additional family member.

Pet security deposit or fees proposed for a service animal or that are in violation of fair housing law.

Effective November 21, 2022, fees (surcharges) for tenant-installed air conditioning units if the tenant pays for the electric utility service.

Fees for owner installed air conditioner brackets are prohibited.

Fees including but not limited to damage fees, repair fees of any kind including those incurred for removal of municipal violations, painting fees, cleaning fees and other fees not established by or in excess of the amount allowed by the rent regulations or other municipal regulations are prohibited. Please note that the inappropriateness of imposing these fees through the lease may not necessarily prevent an owner from independently seeking other relief in court for objectionable conduct or damages.

The \$20 fee that must be paid by owners to the municipality for each stabilized apartment can not be passed along as a fee to the tenant.

Tenants who have been billed for fees and/or surcharges that they may believe are unlawful or untimely, have the right to file a complaint of rent overcharge on DHCR form RA-89 and/or pursue remedies in court.

ADDITIONAL CLAUSES attached to and forming a part of Lease dated **December 20, 2023** between **BRE FSC MULTIFAMILY BORROWER LLC**, and **Jack Forbes** as Tenant(s), for Apartment **A1** in the premises located at **162 East 61st Street, New York, NY 10065**.

In the event of any inconsistency between the provisions of this Rider and the provisions of The Standard Form of Apartment Lease, The Real Estate Board of New York, Inc. form, hereinafter referred to as the printed form, to which this Rider is annexed, the provisions of this Rider shall govern and be binding. The provisions of this Rider shall be construed to be in addition to and not in limitation of the rights of the Owner and the obligations of the Tenant.

33. Construction Tenant acknowledges that the building, including but not limited to the lobby, common areas, public hallways, health club, lounge, outside deck and laundry facilities, will require construction work to be completed. Therefore, during the initial year of the lease term there will be a period where building and apartment services will be implemented, refined and corrected (the "refinement period") due to construction. It is understood and agreed that plywood may line the elevator cabs and walls in the lobby. Carpeting and wall covering may not be placed in the hallway until the building is fully occupied. Tenant further acknowledges that there is on-going construction and that all facilities such as, but not limited to, the health club, lounge, outside deck, laundry room, storage lockers, and bicycle storage may not be available upon initial occupancy. All construction shall be performed with all requisite approvals and pursuant to all applicable statutes, codes, laws, and ordinances. Tenant agrees that his/her reasonable expectation of the apartment and the building is that there will be construction work and workers in or about the premises that will result in noise, dust and other inconveniences and other problems associated with construction. Tenant acknowledges these conditions and agrees that the rental has been set taking these conditions into account. Tenant's acknowledgement of these conditions is a material inducement for the Owner of the building to enter into this lease. Therefore Tenant agrees that it shall not make any claim against Landlord as the rental provided herein reflects such annoyance, inconvenience and other problems that will or may occur during construction.

34. Occupancy It is understood that the above mentioned apartment is to be used for residential living purposes only. Further the Tenant understands and agrees that the Apartment shall be occupied by the Tenant or Tenants named above and by immediate family members of the Tenant or Tenants. So long as the Tenant(s) occupies the Apartment as his or her or their primary residence, if this lease has only one named Tenant named thereon, the Apartment may also be occupied by one additional occupant and the dependent children of said occupant. If this lease has two or more tenants and occupants named herein, the Apartment may be occupied by additional occupant(s) and the dependent children of said occupant(s), provided, however, that the total number of Tenants and occupants (exclusive of said occupant(s)' dependent children) does not exceed the number of tenants named in the lease. In no event may any occupant occupy the apartment unless at least one person named in the lease as Tenant shall be in occupancy of the Apartment as his or her primary residence. Tenant agrees to inform the Owner, in writing, of the name of each immediate family member, occupant and their dependant children, if any, within thirty (30) days following the Owner's written request therefore. Tenant agrees that, absent express written consent by the Owner, no family member, occupant dependant child thereof or any other person other than the Tenant(s) shall acquire any right to occupancy rights to the Apartment. Neither the tender nor the acceptance of a rent payment by or on behalf of any person other than the Tenant(s) named on the lease shall constitute such express written consent. Occupancy which does not conform with this paragraph in all respects including timely response to owner's written request for the names of each individual family member-occupant and their dependant children, shall constitute a violation of a substantial obligation of the tenancy which may lead to a termination of the lease.

35. Delay in Giving Possession This paragraph replaces paragraph 6 of this Lease. A situation could arise which might prevent Owner from letting Tenant move into the Apartment on the beginning date set in this Lease. If this happens from reasons beyond Owner's reasonable control, Owner will not be responsible for Tenant's damages or expenses and this Lease will remain in effect. Tenant understands that this Building is being newly constructed and that there may be a delay in the completion of construction, the issuance of a temporary or permanent certificate of occupancy, or in scheduling access to the service elevator required before Tenant may obtain possession of the Apartment. Tenant agrees that these are examples of delays beyond Owner's reasonable control. However, in case of a delay, this Lease will start on the date when Owner is able to allow Tenant to move in. Tenant will not have to pay rent until the move-in date which Owner will give Tenant by written notice at least fourteen days in advance, or the date Tenant moves in, whichever is earlier. If Owner is not able to allow Tenant to move in until a day in a later calendar month, the ending date in

Article 2 will be changed to the last day of the calendar month after Tenant is able to take possession plus the whole number of years of the original term without regard to any days which are only part of the initial month, except that if Tenant is not able to move in until a day in a later calendar month than the first day of that month, then the term will end on the day before plus the whole number of years of the original term without regard to any days which are only part of the initial month (For example, (a) if the beginning date in paragraph 2 is August 15, 2006 and the ending date is August 31, 2007 and the Owner is not able to allow Tenant to take possession until August 28, 2006 the ending date would remain unchanged at August 31, 2007; (b) if the beginning date in paragraph 2 is August 15, 2006 and the ending date in paragraph 2 is August 31, 2007, and the Owner is not able to allow Tenant to take possession until September 3, 2006, the ending date would be September 30, 2007; (c) if the beginning date in paragraph 2 is August 15, 2006, and the ending date in paragraph 2 is August 31, 2007, and the Owner is not able to allow Tenant to take possession until October 1, 2006, the ending date would be September 30, 2007. If Owner does not give Tenant written notice of the move-in date that is within 45 days of the beginning date of the term of the Lease as stated in Article 2, Tenant may tell Owner in writing that Owner has 15 additional days to let Tenant move in, or else the Lease will end. If Owner does not allow Tenant to move in within those additional 15 days, then the Lease is ended. Any money paid by Tenant on account of this Lease will then be refunded promptly by Owner.

36. Change in Rent Stabilization Law To the extent that any change in the Rent Stabilization Law (or any other applicable law) or the Rent Stabilization Code reduces any obligation of or increases any benefit for the Owner, such change shall be deemed applicable to this Lease on the effective date of such change.

37. Rent Stabilization Lease Rider Tenant acknowledges receipt of the Rent Stabilization Lease Rider - a copy of which is attached hereto.

38. Carpeting Clause It is agreed that the Tenant will cover at least 80% of the wood floor area of the apartment with rugs or carpeting. The Tenant is also required to install at least ½ inch thick padding underneath such carpeting or rugs.

39. Late Payment Clause It is agreed that the rental under this Lease is due and payable in equal monthly installments in advance on the first day of each month during the entire Lease term. In the event that any monthly installment of rent, or any other payment required to be made by the Tenant under this Lease shall be overdue, a late charge of 0 for each dollar overdue may be charged by the Owner for each month, or fraction of each month, from its due date until paid for the purpose of defraying the expenses incurred in handling delinquent payments. The minimum fee for a late payment is \$50.00, for each month or fraction of each month the rent payment is late.

If an unpaid check is returned to the Owner, the Tenant will be charged \$20.00 or such greater amount charged to Owner by its bank for the purpose of defraying the expenses incurred in handling the returned check.

40. Remedies of Owner The Tenant agrees that any violation of the provisions of this Lease shall be deemed a material violation of a substantial obligation of this Lease and shall entitle the Owner to terminate this Lease.

41. Construction of Neighboring Buildings and Lot Line Windows In the event any windows, light, or view in the apartment shall become obstructed, in whole or in part, as a result of the erection of a building or structure or otherwise, such occurrences shall not be deemed a breach of this Lease or any of Owner's obligations hereunder and this Lease shall remain in full force and effect without any right by Tenant to make a claim for damages, nuisance, abatement of rent or otherwise. If Tenant's apartment contains one or more "lot line" window(s), Tenant is advised that a building or structure may be erected on adjacent property which may completely block the said lot line window(s).

42. No Oral Agreements It is agreed that this instrument cannot be changed orally and is subject to the review and approval of the Owner. The applicant hereby waives any claims against the Owner in the event this Lease is rejected for any reason. The Owner will in no event be bound, nor will possession be given unless and until this Lease is executed by the Owner and delivered to the Tenant. No representations other than those contained within this lease agreement have been made by Owner. All understandings and agreements heretofore made between the parties hereto are merged in this contract, which alone, fully and completely expresses the agreement between Owner and Tenant.

43. Personal Property Tenant acknowledges that the Owner is not obligated to replace or maintain any personal property left in the apartment by a previous Tenant.

44. Waterbeds Tenant agrees not to keep furniture which contains water or other liquid, including but not

limited to "water beds" in the apartment.

45. Patios, Terraces, and Balconies Tenant shall keep its terrace or balcony, if any, and the drains located therein, free from all rubbish, dirt, debris or wind blown materials, and Tenant shall be responsible for any water damage caused to Tenant's apartment or any other apartment or to the Building, resulting from clogged drains or from any other use of such patio, terrace, or balcony. The Tenant may not install a fence or any addition to the terrace or balcony. No plantings or other objects shall be placed on any terrace or balcony without the written permission of the Owner.

46. Employees Misconduct In the event any employee of the Owner renders assistance in parking or delivery of an automobile or in the handling or delivery of any furniture, household goods, or other articles at the request of the Tenant or any lawful occupant, or at the request of any employee or guest of the Tenant, then said Owner's employee shall be deemed an agent of the person making such request and the Owner is expressly relieved from any and all loss or liability in connection therewith.

47. Pet Rider It is agreed between the parties that the Tenant will not harbor a dog or any other animal in the apartment, for any reason whatsoever, without the written permission of the Owner. The harboring of a dog or any other animal constitutes a material violation of a substantial obligation of this Lease, and of the Tenant's tenancy. Tenant understands, acknowledges, and agrees that the harboring of a dog or any other animal without the Owner's permission constitutes a default of the Tenant's Lease, and that the Owner may commence summary proceedings to evict the Tenant from the apartment. Owner's permission to other Tenants in the Building to harbor dogs or any other animals does not constitute a waiver of this provision.

If permission is given by the Owner to harbor a particular dog, this will not be construed as permission to harbor an additional dog or a different dog. This clause shall be applicable whether or not the permission is explicitly given or by reason of the New York City Pet Law.

48. Garbage Recycling The Tenant agrees at his sole cost and expense, to comply with all present and future laws, orders and regulations, commissions and boards regarding the collection, sorting, separation, and recycling of waste products, in accordance with the rules and regulations adopted by the Owner for the sorting and separation of such designated recyclable materials. Owner reserves the right, where permitted by law, to refuse to collect or accept from Tenant any waste products, garbage, refuse, or trash, which is not separated and sorted as required by law. Tenant shall pay all cost expenses, fines, penalties, or damages which may be imposed on Owner or Tenant by reason of Tenant's failure to comply with the provisions of this Article. Tenant's failure to comply with this Article shall constitute a violation of a substantial obligation of the tenancy, local statute and all of Owner's Rules listed in this Lease. Tenant shall be liable to the Owner for any costs, expenses, or disbursements, including attorney's fees, incurred by Owner in the commencement and/or prosecution of any action or proceedings by Owner against Tenant, predicated upon Tenant's breach of this Article.

49. Heating and Air Conditioning and Additional Services In addition to the other services provided by the Owner as written in this Lease and subject to all the terms and conditions of this Lease applicable to the furnishing of such other services, the Owner will install an air conditioning unit(s) in the Apartment. The Owner will maintain the equipment unless damaged by the fault or negligence of the Tenant, his guests, his servants or invitees. In consideration thereof the necessary electricity for the operating fan for distribution of warm and cool air and condenser for cool air will be on Tenant's electric meter and paid for by the Tenant. The Tenant will be responsible for the electric charges associated with both heating and air conditioning, as well as any other electric usage in the apartment. In addition electric space resistance heaters are located in some kitchens and bathrooms and will be on the Tenant's electric meter and paid for by the tenant. The Tenant will not be permitted to install any other air conditioning equipment in the Apartment nor shall Owner be responsible for any damages nor shall Tenant be entitled to an abatement of rent due to the removal for repairs if a breakdown of the equipment occurs.

50. Insurance It is recommended that during the term of this Lease Agreement, the Tenant shall maintain "Renters" insurance with minimum coverage of \$300,000 per occurrence for bodily or personal injury and minimum contents limit of \$35,000 per occurrence for property damage.

The Owner shall not be liable to Tenant for the violation of any of the Owner's rules or the breach of any of the items in any Lease by any other Tenant or occupant of the Building.

53. Abandoned Property Whatever remains in the Apartment after Tenant vacates is considered abandoned by Tenant and at the election of the Owner, shall either be left in the Apartment or removed. Tenant shall be responsible for Owner's expenses and/or damages resulting from removal of abandoned property or restoration of the Apartment necessary to correct any damage caused by removal of Tenant's installation.

54. Notation on Checks Writing, notations, statement or otherwise, written on the front or back of any check, money order, or other form of payment given to the Owner will not be considered part of this Lease and will not be binding on the Owner. The Owner's acceptance, endorsement, deposit, or negotiation of the check, money order, or other form of payment will not be considered an acceptance of the conditions on the check and the Owner may accept the check as if the writing, statement, or notification did not exist. The Owner's acceptance of a check, money order, or other form of payment from a person or entity not on this Lease will not be considered acceptance of that party either as an occupant or a party to this Lease.

55. Failure to Pay Full Rent The receipt by the Owner of any amount which is less than that amount of rent or additional rent owed by Tenant shall not be deemed a waiver of the right to collect the balance in a summary proceeding for nonpayment of rent. Any payment of rent or additional rent which is less than the full amount owed, shall be deemed to be on account of and shall be applied to the earliest rent due.

56. Third Party Payment Tenant acknowledges that the Owner may not fully scrutinize and examine each check to see that the check submitted is the check of the Tenant. Accordingly, in the event a third party check is given for rental due and is accepted by the Owner, such acceptance shall not constitute a waiver of Owner's rights nor confer any rights upon the third party nor entitle the third party to make a claim as a Tenant or right to occupy the premises, or creates an Owner-Tenant relationship between the third party and Owner.

57. Noise

- a. No Tenant shall make or permit any disturbing noises in the Building by him/ herself, his/her family, friends, guests, employees, or servants, nor do or permit anything by such persons that will interfere with the rights, comforts, or convenience of other Tenants.

If Tenant defaults in connection with any obligation of Tenant with respect to the Fitness Center and related facilities, then Tenant shall be prohibited from using the

Fitness Center and related facilities. In addition, if Tenant defaults in connection with any obligation of Tenant with respect to the Fitness Center and related facilities, said default shall be deemed to be a default under this Lease and said default shall give Owner the right to terminate this Lease and to exercise any and all remedies available to Owner under this Lease, at law, or in equity, in connection with any default under this Lease. Owner makes no representation as to what facilities are available and reserves the right to change the facilities at a future time and eliminate the facility completely. Notwithstanding anything to the contrary contained in this Lease, Tenant shall not have any right to use the fitness center and/or related facilities following the termination of this Lease and/or Tenant vacating the leased apartment.

Owner makes no representation that storage space will be available, and if available that it will be available to all Tenants. If such storage space is available, Tenant's use will be pursuant to a separate License Agreement at an additional fee and the payment thereof shall be deemed to be additional rent. The applicable part of Provision 13F in the printed form of this Lease is hereby amended to conform to this Clause. Tenant shall be responsible for providing a lock for such storage unit. Owner shall bear no liability and shall be held harmless by Tenant regarding any property placed by the Tenant in such storage unit. It is expressly understood that Tenant shall bear the full risk in voluntarily electing to place any personal property in such unit. It is agreed and understood that any personal property not removed by Tenant from or on the storage unit (including the lock) within three (3) days after Tenant has vacated the apartment, shall be deemed abandoned by Tenant, such that such personal property (and the lock) may be removed and disposed of by the Owner without liability.

62. Bicycle Storage Facility To the extent such facilities are provided by Owner, during the term of this Lease, Tenant may be provided with space for bicycle storage and shall be permitted to utilize such bicycle storage facility during the term of this Lease. The applicable part of Provision 13F in the printed form of this Lease is hereby amended to conform to this Clause. Owner shall bear no liability and shall be held harmless by Tenant regarding any property placed by the Tenant in such bicycle storage facility. It is expressly understood that Tenant shall bear the full risk in voluntarily electing to place any personal property in such facility. It is agreed and understood that any personal property not removed by Tenant from or on the bicycle storage facility within three (3) days after Tenant has vacated the apartment, shall be deemed abandoned by Tenant, such that such personal property may be removed and disposed of by the Owner without liability.

Owner shall have the right to eliminate the bicycle storage space assigned to Tenant, reduce the size of the bicycle storage facility, relocate the bicycle storage facility and limit and/or prohibit access to the bicycle storage facility in connection with repairs and/or maintenance to bicycle storage facility, any other bicycle storage space or to the adjoining area(s) of the Building. If Tenant defaults in connection with any obligation of

Tenant with respect to the bicycle storage facility, including, but not limited to, a default under any separate agreement signed by Tenant in connection with the bicycle storage facility, then said default shall be deemed to be a default under this Lease and said default shall give Owner the right to terminate this Lease and the right to exercise any and all remedies available to Owner, under this Lease, at law, or in equity, in connection with any default under this Lease. If Owner eliminates the bicycle storage facility, then Owner shall have the right to terminate Tenant's right to use the bicycle storage facility by giving written notice thereof to Tenant. In the event the Owner shall discover or ascertain such misrepresentation or untruthful statement before the commencement of the term hereunder, the Owner shall have the right to terminate this Lease and refuse occupancy to the Tenant.

In the event that Tenant paints over or in any way damages a sprinkler head, Tenant shall be responsible for the full cost of replacement of the sprinkler head, which sum shall be collectible as additional rent. Tenant is advised that hot objects, if brought too close to a sprinkler head, may cause the sprinkler system to activate. In the event flooding should occur as the result of activation of any sprinkler head because of tampering, misuse, of the Apartment or negligent conduct therein, Owner will repair any damage to the Building and/or the Apartment at Tenant's sole cost and expense, which cost and expense shall be paid by Tenant as additional rent under this Lease.

OR TRANSMIT AN ALARM FROM THE NEAREST FIRE ALARM BOX

BASIC FIRE PREVENTION AND FIRE PREPAREDNESS MEASURES

These are fire safety tips that everybody should follow:

1. Every apartment should be equipped with at least one smoke detector. Check them periodically to make sure they work. Most smoke detectors can be tested by pressing the test button. Replace the batteries in the spring and fall when you move your clocks forward or back an hour, and whenever a smoke detector chirps to signal that its battery is low. The smoke detector should be replaced on a regular basis in accordance with the manufacturer's recommendation, but at least once every ten years.
2. Carelessly handled or discarded cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
3. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
4. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your oven is off and any coffee pot or teapot is unplugged.
5. Never overload electrical outlets. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
6. Keep all doorways and windows leading to fire escapes free of obstructions, and report to the owner any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
7. Install window gates only if it is absolutely necessary for security reasons. Install only approved window

gates. Do not install window gates with key locks. A delay in finding or using the key could cost lives. Maintain the window gate's opening device so it operates smoothly. Familiarize yourself and the members of your household with the operation of the window gate.

8. Familiarize yourself and members of your household with the location of all stairwells, fire escapes and other means of egress.
9. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
10. Exercise care in the use and placement of fresh cut decorative greens, such as Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.

BUILDING INFORMATION

Building Construction

In a fire emergency, the decision to leave or to stay in your apartment will depend in part on the type of building you are in.

Residential buildings built before 1968 are generally classified either as "fireproof" or "non-fireproof." Residential buildings built in or after 1968 are generally classified either as "combustible" or "non-combustible". The type of building construction generally depends on the size and height of the building.

A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or space in which they start and less likely to spread inside the building walls to other apartments and floors. **THIS DOES NOT MEAN THAT THE BUILDING IS IMMUNE TO FIRE.** While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke, which can travel throughout the building, especially if apartment or stairwell doors are left open.

A "combustible" or "non-fireproof" building has structural components (such as wood) that will burn if exposed to fire and can contribute to the spread of the fire. In such buildings, the fire can spread inside the building walls to other apartments and floors, in addition to the flame, heat and smoke that can be generated by the burning of the contents of the building.

Be sure to check Part I (Building Information Section) of this fire safety plan to see what type of building you are in.

Means of Egress

All residential buildings have at least one means of egress (way of exiting the building), and most have at least two. There are several different types of egress:

Interior Stairs: All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed. Unenclosed stairwells (stairs that are not separated from the hallways by walls and doors) do not prevent the spread of flame, heat and smoke. Since flame, heat and smoke generally rise, unenclosed stairwells may not ensure safe egress in the event of a fire on a lower floor. Enclosed stairs are more likely to permit safe egress from the building, if the doors are kept closed. It is important to get familiar with the means of egress available in your building.

Exterior Stairs: Some buildings provide access to the apartments by means of stairs and corridors that are outdoors. The fact that they are outdoors and do not trap heat and smoke enhances their safety in the event of a fire, provided that they are not obstructed.

Fire Tower Stairs: These are generally enclosed stairwells in a "tower" separated from the building by air shafts open to the outside. The open air shafts allow heat and smoke to escape from the building.

Fire Escapes: Many older buildings are equipped with a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes are considered a "secondary" or alternative means of egress, and are to be used if the primary means of egress (stairwells) cannot be safely used to exit the building because they are obstructed by flame, heat or smoke.

Exits: Most buildings have more than one exit. In addition to the main entrance to the building, there may be separate side exits, rear exits, basement exits, roof exits and exits to the street from stairwells. Some of these exits may have alarms. Not all of these exits may lead to the street. Roof exits may or may not allow access to adjoining buildings.

Be sure to review Part I (Building Information Section) of this fire safety plan and familiarize yourself with the different means of egress from your building.

Fire Sprinkler Systems

A fire sprinkler system is a system of pipes and sprinkler heads that when triggered by the heat of a fire automatically discharges water that extinguishes the fire. The sprinkler system will continue to discharge water until it is turned off. When a sprinkler system activates, an alarm is sounded.

Sprinkler systems are very effective at preventing fire from spreading beyond the room in which it starts. However, the fire may still generate smoke, which can travel throughout the building.

Residential buildings are generally not required to have fire sprinkler systems. Some residential buildings are equipped with sprinkler systems, but only in compactor chutes and rooms or boiler rooms. All apartment buildings constructed or substantially renovated after March 1999 will be required by law to be equipped with fire sprinkler systems throughout the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with fire sprinkler systems.

Interior Fire Alarm Systems

Although generally not required, some residential buildings are equipped with interior fire alarm systems that are designed to warn building occupants of a fire in the building. Interior fire alarm systems generally consist of a panel located in a lobby or basement, with manual pull stations located near the main entrance and by each stairwell door. Interior fire alarm systems are usually manually-activated (must be pulled by hand) and do not automatically transmit a signal to the Fire Department, so a telephone call must still be made to 911 or the Fire Department dispatcher. Do not assume that the Fire Department has been notified because you hear a fire alarm or smoke detector sounding in the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with an interior fire alarm system and whether the alarm is transmitted to the Fire Department, and familiarize yourself with the location of the manual pull stations and how to activate them in the event of a fire.

Public Address Systems

Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually in the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with a public address system.

EMERGENCY FIRE SAFETY AND EVACUATION INSTRUCTIONS

IN THE EVENT OF A FIRE, FOLLOW THE DIRECTIONS OF FIRE DEPARTMENT PERSONNEL. HOWEVER, THERE MAY BE EMERGENCY SITUATIONS IN WHICH YOU MAY BE REQUIRED TO DECIDE ON A COURSE OF ACTION TO PROTECT YOURSELF AND THE OTHER MEMBERS OF YOUR HOUSEHOLD.

THIS FIRE SAFETY PLAN IS INTENDED TO ASSIST YOU IN SELECTING THE SAFEST COURSE OF ACTION IN SUCH AN EMERGENCY. PLEASE NOTE THAT NO FIRE SAFETY PLAN CAN ACCOUNT FOR ALL OF THE POSSIBLE FACTORS AND CHANGING CONDITIONS; YOU WILL HAVE TO DECIDE FOR YOURSELF WHAT IS THE SAFEST COURSE OF ACTION UNDER THE CIRCUMSTANCES.

General Emergency Fire Safety Instructions

1. Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
2. Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater risk to your safety than a fire on a floor above your apartment.
3. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
4. If you decide to exit the building during a fire, close all doors as you exit to confine the fire never use the elevator. It could stop between floors or take you to where the fire is.
5. Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl. Take short breaths, breathing through your nose.
6. If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

Evacuation Instructions If The Fire Is In Your Apartment

(All Types of Building Construction)

1. Close the door to the room where the fire is, and leave the apartment.
2. Make sure **EVERYONE** leaves the apartment with you.
3. Take your keys.
4. Close, but do not lock, the apartment door.
5. Alert people on your floor by knocking on their doors on your way to the exit.
6. Use the nearest stairwell to exit the building.
7. **DO NOT USE THE ELEVATOR.**
8. Call 911 once you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
9. Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

Evacuation Instructions if The Fire Is Not In Your Apartment

"NON-COMBUSTIBLE" OR "FIREPROOF" BUILDINGS:

1. Stay inside your apartment and listen for instructions from firefighters unless conditions become dangerous.
2. If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
3. If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
4. If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
5. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
6. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
7. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
8. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

"COMBUSTIBLE" OR "NON-FIREPROOF" BUILDINGS:

1. Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
2. Exit your apartment and building if you can safely do so, following the instructions above for a fire in your apartment.
3. If the hallway or stairwell is not safe because of smoke, heat or fire and you have access to a fire escape, use it to exit the building. Proceed cautiously on the fire escape and always carry or hold onto small children.
4. If you cannot use the stairs or fire escape, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
 - A. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
 - B. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
 - C. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
 - D. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

PROCEDURE FOR TENANTS REGARDING SUSPECTED GAS LEAKS

The law requires the owner of the premises to advise tenants that when they suspect that a gas leak has occurred, they should take the following actions:

1. Quickly open nearby doors and windows and then leave the building immediately; do not attempt to locate the leak. Do not turn on or off any electrical appliances, do not smoke or light matches or lighters, and do not use a house-phone or cell-phone within the building;
2. After leaving the building, from a safe distance away from the building, call 911 immediately to report the suspected gas leak;
3. After calling 911, call the gas service provider for this building as follows:

PROHIBITION OF SHORT-TERM RENTAL RIDER

IT IS HEREBY AGREED by and between **BRE FSC MULTIFAMILY BORROWER LLC**, (hereinafter "Owner"), Owner of the premises known as and located at **162 E. 61st Street, New York, NY 10065** ("subject premises") and **Jack Forbes** hereinafter "Tenant"), Tenant of Apartment **A1** in the subject premises (hereinafter "subject apartment") as follows:

- 1. Purpose of Rider.** The parties acknowledge and understand that the State and City of New York have enacted legislation and rules specifically recognizing the dangers inherent in allowing an apartment in a class A multiple dwelling to be used for transient short-term dwelling and prohibiting the use of class A multiple dwellings for other than permanent residence purposes. This Rider serves to outline the tenant's obligations under these laws.

Definition of Permanent Residence Purposes.** Section 27-2004(8) (a) of the New York City Administrative Code provides that a class A multiple dwelling shall only be occupied for permanent residence purposes which means occupancy by the tenant or tenant's family for no less than thirty (30) consecutive days.

Nothing contained herein shall be deemed permission for Tenant to sublease the subject premises, whether for thirty (30) days or more or not, without obtaining Landlord's prior written consent as required by the Lease and/or Sec. 226-b of the Real Property Law. Nothing contained herein shall be deemed permission for Tenant to permit occupancy of the subject premises, whether for thirty (30) days or more or not, as required by the Lease and/or Sec. 235-f of the Real Property Law.
- 5. Effect of Breach and Landlord's Remedies.** In addition to the penalties set forth above, a breach of this Rider by the Tenant shall be a material breach of the Lease and grounds for immediate termination of the Lease by the Landlord and commencing a summary proceeding to evict the Tenant from the subject premises. Tenant agrees that any breach of the covenants and agreements contained herein shall be a material breach of this Lease; that irreparable damage to Landlord might result if these covenants and agreements are not specifically enforced; and therefore in addition to all other rights and remedies of Landlord as provided in this Lease such covenants and agreements shall be enforceable in a court of competent jurisdiction by a decree of specific performance and by appropriate injunctive relief, all in accordance with applicable law. NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

To request a reasonable accommodation, you should contact your property manager by going to the following website: <https://www.beamliving.com/accommodations>; calling 833-414-2779; or by e-mailing uppereastsidemgr@greystar.com. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:

- Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out);
- Changes to your housing provider's rules, policies, practices, or services;
- Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

- If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.
- If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.
- If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.
- If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of the waiting list if no adjacent spot is available.
- If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

- Public and common areas must be readily accessible to and usable by persons with disabilities;
- All doors must be sufficiently wide to allow passage by persons in wheelchairs; and
- All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children who seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

OWNERS, BUYERS, and RENTERS are encouraged to check for lead (see page 6) before renting, buying, or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure form about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

People can get lead in their body if they:

- Breathe in lead dust (especially during renovations that disturb painted surfaces).
- Put their hands or other objects covered with lead dust in their mouths.
- Eat paint chips or soil that contains lead.

Even children who appear healthy can have dangerous levels of lead in their bodies.

Lead is even more dangerous to children under the age of 6:

- At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead is also dangerous to women of childbearing age:

- Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

In children, lead can cause:

- Nervous system and kidney damage.
- Learning disabilities, attention deficit disorder, and decreased intelligence.
- Speech, language, and behavior problems.
- Poor muscle coordination.
- Decreased muscle and bone growth.
- Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

In adults, lead can cause

- Increased chance of illness during pregnancy.
- Harm to a fetus, including brain damage or death.
- Fertility problems (in men and women).
- High blood pressure.
- Digestive problems.
- Nerve disorders.
- Memory and concentration problems.
- Muscle and joint pain.

Lead affects the body in many ways.

3

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- In homes in the city, country, or suburbs.
- In apartments, single-family homes, and both private and public housing.
- Inside and outside of the house.
- In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- Children at ages 1 and 2.
- Children or other family members who have been exposed to high levels of lead.
- Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

4

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- Windows and window sills.
- Doors and door frames.
- Stairs, railings, banisters, and porches.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- 400 parts per million (ppm) and higher in play areas or bare soil.
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

5

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home tested for lead in several different ways:

- A **paint inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- Visual inspection of paint condition and location.
- A portable x-ray fluorescence (XRF) machine.
- Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

Home test kits for lead are available, but studies suggest that they are not always accurate.

Consumers should not rely on these tests before doing renovations or to assure safety.

6

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Clean up paint chips immediately.
- Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.
- Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- Wash children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces.
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called "interim controls") are not permanent solutions and will need ongoing attention.
- To **permanently** remove lead hazards, you must hire a certified lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- 250 $\mu\text{g}/\text{ft}^2$ for interior window sills; and
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

7

8

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovations that disturb painted surfaces (such as scraping off paint or tearing out walls):

- **Have the area tested for lead-based paint.**
- **Do not use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined in the section labeled "What you can do now to protect your family."

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

While paint, dust, and soil are the most common lead hazards, other lead sources also exist.

- **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- Old painted **toys** and **furniture**.
- Food and liquids stored in **lead crystal** or **lead-glazed pottery** or **porcelain**.
- **Lead smelters** or other industries that release lead into the air.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

What Tenants Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

TENANTS SHOULD:

Keep homes clean and dry

Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)

Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags

Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors

Use garbage cans with tight-fitting lids

Let building staff into homes to make any needed repairs

Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes

Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call **311 to learn more.**

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this fact sheet.

For more information about safely controlling asthma, visit nyc.gov/health/asthma.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments — or buildings of any size where a tenant has asthma — take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

LANDLORDS MUST:

Inspect every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.

Use integrated pest management (IPM) practices to safely control pests and fix building-related issues that lead to pest problems.

- Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
- Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
- Attach door sweeps to all doors that lead to hallways, basements or outside.
- Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
- Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation-licensed pest professional.

Remove indoor mold and safely fix the problems that cause mold.

- Remove any standing water, and fix leaks or moisture conditions.
- Move or cover furniture with plastic sheeting.
- Limit the spread of dust. Use methods such as sealing off openings (e.g., doorways, ventilation ducts) and gently misting the moldy area with soap or detergent and water before cleaning.
- Clean moldy area with soap or detergent and water. Dry the cleaned area completely.
- Clean any visible dust from the work area with wet mops or HEPA vacuums.
- Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
- To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** use a New York State Department of Labor-licensed mold assessor and remediator. These licensed workers must comply with New York City Administrative Code section 24-154 and New York State Labor Law Article 32.

Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.

Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

Local Law 1 - NYC Lead Poisoning Prevention Law Information for Tenants

The text below is a printer-friendly version of the New York City Department of Health and Mental Hygiene (DOHMH) brochure for tenants entitled, "Fix Lead Paint". For additional information on lead poisoning, go to www.nyc/lead or call 311.

Fix Lead Paint Hazards:

What Landlords Must Do and Every Tenant Should Know

Lead Can Cause Learning Problems

Lead is a poison often found in old paint. Peeling lead paint is the most common cause of lead poisoning in young children. Lead dust from peeling paint can land on window sills, floors, and toys. When children play on the floor and put their hands and toys in their mouths, they can swallow lead dust.

Preventing Lead Poisoning: What the Law Requires

In New York City, Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of young children. This law applies to your apartment if:

- The building was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint), and
- The building has 3 or more apartments, and
- A child under the age of 6 lives in your apartment.

What Are Lead Paint Hazards?

- Dust from lead paint.
- Peeling or damaged lead paint.
- Lead paint on:
 - o Crumbling plaster or rotted wood.
 - o Doors and windows that stick or rub together.
 - o Window sills and any other surfaces that have been chewed on by children.

Things Landlords Must Do

- In buildings covered by Local Law 1, landlords must find out if any children younger than 6 years live in the building and inspect those apartments for lead paint hazards **every year**.
- Landlords must use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Local Law 1 requires landlords to use firms certified by the U.S. Environmental Protection Agency when disturbing more than 100 square feet of lead paint, replacing windows, or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).
- Landlords must repair lead paint hazards **before** a new tenant moves into an apartment.
- Landlords must keep records of all notices, inspections, repairs of lead paint hazards, and other matters related to the law. HPD may ask the landlord for copies of this paperwork.

Before repair work begins, landlords must make sure that trained workers:

Information for Tenants

- Post warning signs outside the work area.
- Tell tenants to stay out of the work area.
- Clean the work area with wet mops or HEPA vacuums.
- Remove all items that can be moved from the work area.
- Cover furniture that cannot be moved.
- Seal floors, doors, and other openings with plastic and waterproof tape.

While repair work is going on, landlords must make sure trained workers clean the work area every day with wet mops and HEPA vacuums.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.

After repair work is finished, landlords must:

- Hire only trained workers to clean the work area with wet mops and HEPA vacuums.
- Hire a company or individual trained to take "clearance dust wipes" to make sure lead dust levels are below: 40 mcg/sf for floors, 250 mcg/sf for window sills, and 400 mcg/sf for window wells (mcg/sf = micrograms of lead per square foot). If levels are higher, clean-up must be repeated and the dust wipes taken again.
- Give a copy of clearance dust wipe results to the tenant.

Things Tenants Must Do

- Tenants must fill out and return the ANNUAL NOTICE form they receive each year from their landlord. This form tells your landlord if any children younger than 6 years live in your apartment.
- Wash floors, window sills, hands, toys, and pacifiers often.
- Remind your doctor to test your child for lead poisoning at ages 1 and 2. Ask the doctor about testing older children.
- If a child younger than 6 comes to live with you during the year or if you have a baby, you must notify your landlord in writing.

Tenants should also:

- Report peeling paint in your apartment to your landlord.
- Call 311 if your landlord does not fix peeling paint or if you think repair work is being done unsafely.

LEAD PAINT HAZARDS IN THE HOME

What tenants should know about
their rights and responsibilities

WHAT YOU SHOULD KNOW ABOUT LEAD PAINT

Lead is a poison often found in old paint. Lead paint, and the dust that it turns into, is the most common cause of childhood lead poisoning. Lead poisoning can cause learning and behavior problems in children. The use of lead paint in residential buildings was banned in New York City (NYC) in 1960. Buildings built before 1960 may still have lead paint on the walls, windows, windowsills, doors and other surfaces.

If paint begins to peel or home repairs are done unsafely, lead paint and dust can spread around your home. When children put their hands and toys in their mouths, they can swallow lead dust.

There are laws and services in NYC to help protect children from lead poisoning. Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of children younger than age 6. This law applies if the building has three or more apartments and was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint).

WHAT YOU SHOULD KNOW ABOUT THE LAW

It's important to know your rights and responsibilities as a tenant.

LANDLORDS must:

- Find out if any children younger than age 6 live in the building. They must inspect those apartments for lead paint hazards every year.
- Repair lead paint hazards in all rental units, including one- and two-family homes, before a new tenant moves in.
- Use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Use firms certified by the United States Environmental Protection Agency (EPA) when disturbing more than 100 square feet of lead paint, replacing windows or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).

TENANTS must:

- Fill out and return the annual notice they receive from their landlord. This form tells the landlord if any children younger than age 6 live in the apartment.
- Notify the landlord in writing if the tenant has a baby or if a child younger than age 6 comes to live in the apartment.

SAFE WORK PRACTICES INCLUDE:

Posting warning signs outside the work area.

Moving or covering all furniture and sealing off floors, doors and other openings with plastic and waterproof tape.

Cleaning the work area daily with either wet mops or a HEPA vacuum, and cleaning with BOTH wet mops and a HEPA vacuum after the repair work is done.

Having a trained person take clearance dust wipes after the work is complete to make sure that lead dust levels are safe and give a copy of the results to the tenant.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.
