STANDARD FORM OF APARTMENT LEASE

FOR APARTMENTS NOT SUBJECT TO RENT STABILIZATION LAW

PREAMBLE: This lease contains the agreements between Tenant and Owner concerning the rights and obligations of each party. Tenant and Owner have other rights and obligations which are set forth in government laws and regulations.

Tenant should read this Lease carefully. If Tenant has any questions, or if Tenant does not understand any words or statements herein, obtain clarification from an attorney. Once Tenant and Owner sign this Lease, Tenant and Owner will be presumed to have read it and understood it completely. Tenant and Owner admit that all agreements between Tenant and Owner have been written into this Lease. Tenant understands that any agreements made before or after this Lease was signed and not written into it will not be enforceable.

THIS LEASE is made on **March 19, 2024**
between Owner, **BRE FSC Multifamily Borrower LLC**
whose address is **777 Third Avenue, 6th Floor, New York, NY 10017**
and You, the Tenant, **Isiah L. Riley**
whose address is **89 Porter Ave, Brooklyn , NY 11237**.

1. APARTMENT AND USE Owner agrees to lease to You Apartment **1C** (the "Apartment") on the _____ floor in the building at **337 West 30th Street, New York, NY 10001** (the "Building"), Borough of Manhattan, City and State of New York. Tenant shall use the Apartment for living purposes only and for no other purpose (such restricted purposes include, but are not limited to, any commercial activity or illegal or dangerous activity).

The Apartment may only be occupied by Tenant and the following Permitted Occupants (and occupants as permitted in accordance with Real Property Law §235-f).

Tenant acknowledges that no other person other than Tenant and the Permitted Occupants may reside in the Apartment without the prior written consent of the Owner. If Tenant violates any of the terms of this provision, the Owner shall have the right to restrain the same by injunctive relief and/or any other remedies provided for under this Lease and at law and/or equity.

2. LENGTH OF LEASE The "Lease Commencement Date" is **April 1, 2024**. Except as may be provided for otherwise in this Lease, the term (that means the length) of this Lease will begin on the Lease Commencement Date and will end on **March 31, 2025** (the "Term").

3. RENT

A. "Rent" is defined as the base rent due under this Lease. Tenant's monthly Rent for the Apartment is **\$2,300.00** per month. Tenant must pay Owner the Rent, in equal monthly installments, on the first day of each month either to Owner at the above address or at another place that Owner may inform Tenant of by written notice.

B. When Tenant signs this Lease, Tenant must pay by bank or cashier's check (or by electronic fund transfer, if instructed by Owner as described below), the following:

(1) one (1) months' Rent (i.e., **\$2,300.00**);

(2) the Security Deposit (in the amount stated in Article 4)

C. If the Lease Commencement Date shall not occur on the first day of a calendar month, the Rent for such calendar month shall be prorated on a per diem basis. If the Lease begins after the first day of the month, Tenant must pay when it signs this Lease one (1) full months' Rent and for the next full calendar month Tenant shall pay a prorated Rent based on the number of days the Lease began after the first day of the month (for example, if the beginning date of this Lease is the 16 th day of the month, Tenant would pay for fifteen (15) out of thirty (30) days, or one-half (1/2), of a full months' Rent for the second calendar month). In any event, if the Lease Commencement Date shall not occur on the first day of a calendar month, the Term shall also include the remainder of the month in which the Lease Commencement Date occurred.

D. Within five (5) business days after the request of Owner, at Owner's option, Tenant shall return a document supplied by Owner in the form attached hereto as Exhibit A (a "Memorandum Confirming Term") confirming the Lease Commencement Date, the Rent Commencement Date (if different than the Lease Commencement Date) the Lease expiration date and any other material terms of this Lease, certifying that Tenant has accepted delivery of the Apartment and that the condition of the Apartment complies with Owner's obligations hereunder. Tenant's failure to deliver the Memorandum Confirming Term shall be considered a material default under this Lease, however, Tenant's failure to deliver the Memorandum Confirming Term shall not affect the Lease Commencement Date or the validity of this Lease or alter the terms and provisions contained in the Memorandum Confirming Term if so, delivered to Tenant by Owner.

E. Tenant may be required to pay other charges to Owner under the terms of this Lease, such additional charges shall be referred to as "Additional Rent". Any Additional Rent must be paid by Tenant to Owner upon the earlier of (i) the first day of the month immediately following the month said Additional Rent is billed to Tenant or (ii) fifteen (15) days from the date Tenant is billed for the Additional Rent. Said Rent and Additional Rent must be paid in full in accordance with the foregoing, without deduction or offset and without the need for demand or notice from Owner. Except as may be provided for otherwise in this Article 3, all Rent and Additional Rent shall be payable to Owner by _____ or such other form of payment as required by Owner only. If by direct deposit, Owner shall provide Tenant the necessary wiring instructions

F. Tenant shall be entitled to a five (5) day grace period for the payment of any sum of Rent and Additional Rent due under this Lease. Any sum of Rent or Additional Rent not paid within five (5) days of the date due shall be subject to a late fee of the lesser of (i) **\$50.00**, or (ii) five percent (5%) of the unpaid amount. There shall be a **twenty-five dollars (\$25.00)** fee for any check which is dishonored or returned. Any late charge or interest charge shall be considered Additional Rent.

G. Owner need not give notice to Tenant to pay Rent. Rent must be paid in full and no amount subtracted from it. Rent is due and payable as of the Lease Commencement Date.

4. SECURITY DEPOSIT Tenant is required to give Owner the sum of **\$2,300.00** (such amount not to exceed one (1) months' Rent pursuant to The Housing Stability and Tenant Protection Act of 2019) when Tenant signs this Lease as a security deposit (the "Security Deposit"). Owner will deposit the Security Deposit in **JP Morgan Chase** bank at **245 Park**

Avenue, 13th floor, New York, NY 10167. This Security Deposit shall not bear interest, unless if otherwise required by applicable law. In the event that the Security Deposit shall earn interest, then in such event Owner shall be entitled to an administrative fee of 1% pursuant to applicable law.

If Tenant carries out all of Tenant's agreements in this Lease and if Tenant moves out of the Apartment and returns it to Owner vacant, broom clean and in the same condition it was in when Tenant first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty through no fault of Tenant, Owner will return to Tenant the full amount of the Security Deposit within fourteen (14) days after the later of (i) the date this Lease ends, or (ii) the date Tenant vacates the Apartment. However, if Tenant is in default of Tenant's obligations under this Lease and/or there are any damages to the Apartment beyond ordinary wear and tear or damage caused by fire or other casualty, Owner may keep all or part of the Security Deposit to cover reasonable repairs of such damage and Owner shall provide Tenant with an itemized statement indicating the basis for the amount of the Security Deposit retained within the aforementioned fourteen (14) day period. Furthermore, for sake of clarity and emphasis, (i) if Tenant does not carry out all of Tenant's obligations under this Lease, Owner may keep all or part of the Security Deposit necessary to pay Owner for any losses incurred, including missed payments and (ii) Owner's retention of the Security Deposit as allowable under this Lease shall not be deemed to be Owner's sole remedy for any default by Tenant of Tenant's obligations pursuant to the terms and conditions of this Lease.

TENANT ACKNOWLEDGES AND AGREES THAT THE SECURITY DEPOSIT CANNOT BE USED TOWARDS RENT OR ADDITIONAL RENT BY TENANT. Notwithstanding anything to the contrary contained in this Lease, if Owner shall apply all or any portion of the Security Deposit to cure a default by Tenant hereunder during the Term of this Lease, Tenant shall, within five (5) business days, deposit with Owner that sum which shall be necessary to maintain the security in an amount equal to the Security Deposit as so required in this Article 4. Failure to replenish the Security Deposit in a timely manner shall be deemed a default under this Lease.

If Owner sells the Apartment, Owner, at its sole option, will turn over Tenant's security either to Tenant or to the person buying the Apartment within five (5) days after the sale. Owner will then notify Tenant, by registered, certified or overnight mail by a nationally recognized overnight courier, of the name and address of the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to Tenant for the Security Deposit and the new owner will become responsible to Tenant for the Security Deposit.

5. IF TENANT IS UNABLE TO MOVE IN Except as otherwise provided herein, Owner shall not be liable for failure to give Tenant possession of the Apartment on the Lease Commencement Date. Rent shall be payable as of the beginning of this Lease Term unless Owner is unable to give Tenant possession. A situation could arise which might prevent Owner from letting Tenant move into the Apartment on the Lease Commencement Date. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Tenant's damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when possession is available, and the ending date of this Lease as specified in Article 2 will remain the same (unless otherwise mutually agreed to in writing by Tenant and Owner). Tenant will not have to pay Rent until the date possession is available, or the date Tenant moves in, whichever is earlier (however, in no event shall Tenant move in or take possession prior to the date Owner shall have given Tenant notice that Tenant may take possession of the Apartment). Owner will notify Tenant as to the date possession is available. If Owner does not give Tenant notice that possession is available within thirty (30) days after the Lease Commencement Date, provided that Owner's failure to deliver possession is not due to a Tenant delay, Tenant may send a fifteen (15) day written termination notice (the "Termination Notice") to Owner, and if Owner is unable to deliver possession within fifteen (15) days of receipt of Tenant's Termination Notice, this Lease shall terminate and be of no further force and effect and all prepaid Rent, the Security Deposit and any other fees paid by Tenant (except for non-refundable fees required in the Lease package) at the execution of this Lease shall be promptly returned to Tenant.

6. CAPTIONS In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

7. WARRANTY OF HABITABILITY

- A.** All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law. Under that law, Owner agrees that the Apartment is fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.
- B.** Tenant will do nothing to interfere with or make more difficult Owner's efforts to provide Tenant and all other occupants of the Building with the required facilities and services. Any condition caused by Tenant's misconduct or the misconduct of Tenant Parties (as hereinafter defined) or anyone else under Tenant's direction or control shall not be a breach by Owner.

8. CARE OF TENANT'S APARTMENT; END OF LEASE; MOVING OUT

- A.** At all times during the Term of this Lease, Tenant will take good care of the Apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. Tenant shall, at Tenant's own cost and expense, make all repairs caused or occasioned by Tenant or Tenant's agents, contractors, invitees, licensees, guests or servants (collectively hereinafter "Tenant Parties"). In addition, Tenant shall promptly notify Owner and/or the Building Superintendent/Building Manager in writing upon the occurrence of any problem, malfunction or damage to the Apartment. Tenant will move out on or before the ending date of this Lease and leave the Apartment in good order and in the same condition as it was when Tenant first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty through no fault of Tenant.
- B. CLEANING.** Tenant is required to use only non-abrasive cleaning agents in the Apartment. Tenant is responsible for damage done by use of any improper cleaning agents.
- C.** If Tenant fails to maintain the Apartment or make a needed repair or replacement as required hereunder, Owner may hire a professional and make such maintenance, repairs or replacements at Tenant's sole cost and expense. Owner's reasonable expense will be payable by Tenant to Owner as Additional Rent within ten (10) business days after Tenant receives a bill from Owner.
- D.** When this Lease ends, Tenant must remove all of Tenant's movable property. Tenant must also remove at Tenant's own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment Tenant may have installed in the Apartment, even if it was done with Owner's consent. Tenant must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. Tenant has not moved out until all persons, furniture and other property of Tenant's is also out of the Apartment. If Tenant's property remains in the Apartment after this Lease ends, Owner may either treat Tenant as still in occupancy and charge

Tenant for use or may consider that Tenant has given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at Tenant's expense. Tenant agrees to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.

- E. Except as provided for otherwise in Article 35 of this Lease, in the event that (i) Owner intends to offer to renew this Lease with a Rent increase equal to or greater than five (5%) percent above the then current Rent, or (ii) Owner does not intend to renew this Lease, Owner shall provide Tenant written notice as follows:
- (1) If Tenant has occupied the Apartment for less than one (1) year and does not have a Lease Term of at least one (1) year, Owner shall provide at least thirty (30) days' notice;
 - (2) If Tenant has occupied the Apartment for more than one (1) year but less than two (2) years, or has a Lease Term of at least one (1) year but less than two (2) years, Owner shall provide at least sixty (60) days' notice; or
 - (3) If Tenant has occupied the Apartment for more than two (2) years or has a Lease Term of at least two (2) years, Owner shall provide at least ninety (90) days' notice.
- F. Within a reasonable time after notification of either party's intention to terminate this Lease, unless Tenant provides less than two (2) weeks' notice of Tenant's intention to terminate, Owner shall notify Tenant in writing of Tenant's right to request an inspection before vacating the Apartment. Tenant shall have the right to be present at said inspection. Subject to the foregoing, if Tenant requests such inspection, the inspection shall be made no earlier than two (2) weeks and no later than one (1) week before the end of the tenancy. Owner shall provide at least forty-eight (48) hours written notice of the date and time of the inspection. After the inspection, Owner shall provide Tenant with an itemized statement specifying repairs, cleaning or other deficiencies that are proposed to be the basis of any deductions from the Security Deposit. If Tenant requests such inspection, Tenant shall be given an opportunity to remedy any identified deficiencies prior to the end of the tenancy (or, at Owner's sole option, if Tenant fails to remedy any such identified deficiencies, Owner may remedy such identified deficiencies at Tenant's sole cost and expense as described hereinafter). Any and all repairs or alterations made to the Apartment as a result of said inspection shall be at Tenant's sole cost and expense. Said repairs must be approved by Owner and shall be performed, at Owner's sole option by (i) licensed and adequately insured Tenant's contractors in a good and skillful manner with materials of quality and appearance comparable to existing materials and approved by Owner or (ii) by Owner's contractor(s).

9. CHANGES AND ALTERATIONS TO APARTMENT

- A. Tenant cannot build in, add to, change or alter, the Apartment in any way, including, but not limited to, installing, changing, or altering any paneling, wallpaper, flooring, "built in" decorations, partitions, railings, paint, carpeting, plumbing, ventilating, air conditioning, electric, or heating systems without first obtaining the prior written consent of Owner which may be withheld in Owner's sole discretion. If Owner's consent is given, the alterations and installations shall become the property of Owner when completed and paid for by Tenant. They shall remain with and as part of the Apartment at the end of the Term. Notwithstanding the foregoing, Owner has the right to demand that Tenant remove the alterations and installations at the end of the Lease Term, and in such case Tenant shall repair all damage resulting from said removal and restore the Apartment to its original condition, including any holes in the wall or damage caused by the removal of any pictures, artwork or TV mounts hung by Tenant on the walls. Any and all work shall be performed by Tenant in accordance with the terms and conditions of this Lease and in accordance with all applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity. Tenant's contractor shall also supply, before performing any such work, a certificate of insurance naming Owner and the Building's managing agent (if applicable) as additional insured.
- B. Without Owner's prior written consent, Tenant cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, Tenant cannot place in the Apartment water-filled furniture.
- C. If a lien is filed on the Apartment or Building due to Tenant's fault, Tenant must promptly pay or bond the amount stated in the lien. Owner may pay or bond the lien if Tenant fails to do so within ten (10) days after Tenant has written notice about the lien, in which case, Owner's costs shall be paid by Tenant as Additional Rent.

10. TENANT'S DUTY TO OBEY AND COMPLY WITH LAWS, REGULATIONS AND RULES

- A. **GOVERNMENT LAWS AND ORDERS.** Tenant will obey and comply (i) with all present and future city, state and federal laws rules, regulations and codes of any governmental or quasi-governmental entity or body which affect the Building or the Apartment, and (ii) with all orders and regulations of insurance rating organizations which affect the Apartment and the Building. Tenant will not allow any windows in the Apartment to be cleaned from the outside unless the prior written consent of the Owner is obtained.
- B. **OWNER'S RULES AFFECTING TENANT.** Tenant, its Permitted Occupants and Tenant Parties must obey all Owner's rules (the "Owner's Rules and Regulations") annexed hereto and made apart hereof as Exhibit B and all future reasonable rules of Owner or Owner's agent. Notice of all additional rules shall be delivered to Tenant in writing or posted in the lobby or other public place in the building. Owner shall not be responsible to Tenant for not enforcing any rules, regulations or provisions of any other tenant's lease except to the extent required by law.
- C. **TENANT'S RESPONSIBILITY.** Tenant is responsible for the behavior of Tenant, the Permitted Occupants of the Apartment, the Tenant Parties and any other people who are visiting the Apartment. Tenant will reimburse Owner as Additional Rent upon demand for the cost of all losses, damages, fines and reasonable legal expenses incurred by Owner because Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other people visiting the Apartment have not obeyed applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity or rules of this Lease.

- 11. OBJECTIONABLE CONDUCT** Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other people visiting the Apartment will not engage in objectionable conduct at the Apartment or the Building. Objectionable conduct ("Objectionable Conduct") means behavior which makes or will make the Apartment or the Building less fit to live in for Tenant or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their apartment, or causes conditions that are dangerous, hazardous, unsanitary or detrimental to other occupants of the Building. Objectionable Conduct by Tenant, the Tenant Parties, or any other people visiting the Apartment is a non-curable event and gives Owner the right to end this Lease on six (6) days' written notice to Tenant that this Lease will end.

12. SERVICES AND FACILITIES

- A. REQUIRED SERVICES.** Owner will provide (i) cold and hot water and heat as required by law, (ii) repairs to the Apartment not caused by Tenant (subject to the terms and conditions of this Lease), the Tenant Parties or any other people visiting the Apartment, as required by law, (iii) elevator service if the Building has elevator equipment; and (iv) the utilities, if any, included in the Rent, as set forth in subparagraph B below. Tenant is not entitled to any Rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.
- B.** The following utilities are included in the Rent: **None.**
- C. ELECTRICITY AND OTHER UTILITIES.** Tenant acknowledges and understands that Owner has no obligation to supply, or liability in connection with, utilities or services in or to the Apartment (except as may be provided for otherwise in this Lease). Tenant shall be responsible, at Tenant's sole cost and expense, for securing, air conditioning, electricity, gas, cable, phone, and all other utilities and services (except as may be provided for otherwise in this Lease).
1. Tenant shall contract directly with the appropriate utility provider for all aforementioned services (not including the utilities included in the Rent as provided for in subparagraph B).
- D.** Stopping or reducing of service(s) will not be reason for Tenant to stop paying Rent, to make a money claim or to claim constructive eviction. Damage to the equipment or appliances supplied by Owner, caused by Tenant's acts, omissions or neglect, or the act, omission or neglect of the Tenant Parties or any other person visiting the Apartment, shall be repaired at Tenant's sole cost and expense. In the event that Tenant fails to make such repairs within a reasonable period of time, Owner shall have the option to make such repairs at Tenant's expense and charge the same to Tenant as Additional Rent. Damage to the equipment or appliances supplied by the Owner, which are not caused by Tenant's negligence, acts or misuse or the negligence, acts or misuse of the Tenant Parties or any other people visiting the Apartment, shall be promptly repaired by the Owner at the Owner's sole cost and expense. Owner may stop service of the plumbing, heating, elevator, air cooling or electrical systems, because of accident, emergency, repairs, or changes until the work is complete. Notwithstanding the foregoing, except in emergency situations, Owner shall provide Tenant no less than twenty-four (24) hours prior written notice of any planned service stoppages. Owner shall take all necessary steps to ensure that service stoppages do not interfere with Tenant's use and enjoyment of the Apartment.
- E. APPLIANCES.** Appliances supplied by Owner in the Apartment are for Tenant's use. They shall be in working order on the date hereof and will be maintained and repaired or replaced by Owner, except if repairs or replacement are made necessary because of Tenant's or the Tenant Parties' negligence or misuse, Tenant will pay Owner for the cost of such repair or replacement as Additional Rent. Notwithstanding anything to the contrary contained in this Lease, provided the appliance in need of repair has been delivered in working order on the Lease Commencement Date, Tenant shall be responsible for the cost of such appliance's repair or replacement. Tenant must not use a dishwasher, washing machine, dryer, freezer, heater, ventilator or other appliance unless installed by Owner or with Owner's prior written consent (in its sole discretion). Tenant must not use more electric than the wiring or feeders to the Building can safely carry.
- F. FACILITIES AND AMENITIES** If Owner permits Tenant to use any storeroom, storage bin, laundry or any other facility located in the Building but outside of the Apartment (e.g., fitness center, resident lounge, roof deck, golf simulator, movie theater, swimming pool, spa, etc.), the use of any such facility will be furnished to Tenant for an additional charge and at Tenant's own risk. Tenant will operate at Tenant's expense any coin operated appliances located in any such facility. Owner shall have no obligation to provide any of the aforementioned facilities or any type of doorman, attendant, porter or any other type of similar service at the Building, and Owner may discontinue same without being liable to Tenant therefor or without in any way affecting this Lease or the liability of Tenant hereunder or causing a diminution of Rent and the same shall not be deemed to be a lessening or a diminution of facilities or services within the meaning of any law, rule or regulation now or hereafter enacted, promulgated or issued.

13. INABILITY TO PROVIDE SERVICES Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building. In any of these events, any rights Tenant may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

14. ENTRY TO APARTMENT During reasonable hours and with reasonable notice, except in emergencies, Owner and Owner's representatives, agents and employees may enter the Apartment for the following reasons:

- A.** To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; inspect; exterminate; install or work on master antennas or other systems or equipment; and to perform other work and make any and all repairs, alterations, or changes Owner decides are necessary. Tenants Rent will not be reduced because of any of the foregoing.
- B.** To show the Apartment to potential renters, buyers or lenders.
- C.** For ninety (90) days before the end of the Lease Term, to show the Apartment to persons who wish to lease it.
- D.** If, during the last month of the Lease, Tenant has moved out and removed all or almost all of Tenant's property from the Apartment, Owner may enter the Apartment to make changes, repairs, or redecorations. Tenant's Rent will not be reduced for that month and this Lease will not be ended by Owner's entry.
- E.** If, at any time, Tenant is not personally present to permit Owner or Owner's representatives, agents or employees to enter the Apartment and entry is necessary or allowed by law or under this Lease, Owner or Owner's representatives, agents or employees may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner or Owner's representatives, agents or employees will not be responsible to Tenant, unless during such entry, any authorized party is negligent or misuses Tenant's property.

15. ASSIGNING; SUBLETTING; ABANDONMENT

- A. ASSIGNING AND SUBLETTING.** Tenant cannot assign this Lease or sublet the Apartment without Owner's advance written consent in each instance to a request made by Tenant in the manner required by Real Property Law §226-b. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to the request for a Lease assignment properly made, at Tenants request in writing, Owner will end this Lease effective as of thirty days after Tenants request. The first and every other time Tenant wishes to sublet the Apartment, Tenant must get the written consent of Owner unless Owner unreasonably withholds consent following Tenants request to sublet in the manner provided by Real Property Law §226-b. Owner may impose a credit check fee on Tenant in connection with an application to assign or sublet. If Tenants fails to pay Tenants rent, Owner may collect

rent from subtenant or occupant without releasing Tenant from the Lease. Owner will credit the amount collected against the rent due from Tenant. However, Owner's acceptance of such rent does not change the status of the subtenant or occupants to that of direct tenant of Owner and does not release Tenant from this Lease. In addition to the above, Tenant also agrees to not engage in any illegal subletting activity that would result in a violation of McKinney's Multiple Dwelling Law 61-A, Section 4.

- B. ABANDONMENT.** If Tenant moves out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended. Tenant will remain responsible for each monthly payment of Rent and Additional Rent as it becomes due until the earlier of (i) the end of this Lease or (ii) the day the apartment is occupied by a new tenant. In case of abandonment, Tenant's responsibility for Rent and Additional Rent will end only if Owner chooses to end this Lease for default as provided in Article 16 as permitted by law.

16. DEFAULT

- A.** Tenant defaults under the Lease if Tenant acts in any of the following ways:

- (1) Tenant fails to carry out any agreement or provision of this Lease;
- (2) Tenant does not take possession or move into the Apartment fifteen (15) days after the beginning of this Lease; or
- (3) Tenant and the Permitted Occupants of the Apartment move out permanently before this Lease ends;

If Tenant defaults in any one of these ways, other than a default in the agreement to pay Rent and/or Additional Rent, Owner may serve Tenant with a written notice to stop or correct the specified default within ten (10) days. Tenant must then either stop or correct the default within such ten (10) day period, or, if the nature of the default is not reasonably capable of being cured within such ten (10) day period, then Tenant must begin to take all steps necessary to correct the default within ten (10) days and thereafter diligently continue to do all that is necessary to correct the default as soon as possible (however, in no event shall any extension of the aforesaid ten (10) day period exceed thirty (30) days).

- B.** If Tenant does not stop, correct or begin to materially correct a default within ten (10) days as provided for above, or engages in Objectionable Conduct, Owner shall give Tenant a written notice that this Lease will end six (6) days after the date such written notice is sent to Tenant. At the end of the six (6) day period, this Lease will end and Tenant then must move out of the Apartment. Even though this Lease ends, Tenant will remain liable to Owner for unpaid Rent and/or Additional Rent until the earlier of (i) the end of this Lease or (ii) the day the apartment is occupied by a new tenant, and damages caused to Owner after that time as stated in Article 17.
- C.** If Owner does not receive the Rent and/or Additional Rent within five (5) days of when this Lease requires, Owner or Owner's agent shall send Tenant, via certified mail, a written notice stating the failure to receive such Rent and/or Additional Rent. Provided Owner has served Tenant with a fourteen (14) day written demand, and Owner does not receive the overdue Rent within fourteen (14) days after such written fourteen (14) demand for Rent has been made, Owner may commence an action or summary proceeding seeking the payment of all Rent. If the Lease ends, Owner may do the following: (i) enter the Apartment and retake possession of it if Tenant has moved out or (ii) go to court and ask that Tenant and all other occupants in the Apartment be compelled to move out.

Once this Lease has been ended, whether because of default or otherwise, Tenant gives up any right Tenant might otherwise have to reinstate this Lease.

17. REMEDIES OF OWNER AND TENANT'S LIABILITY If this Lease is ended by Owner because of Tenant's default, the following are the rights and obligations of Tenant and Owner.

- A.** Tenant must pay Rent and Additional Rent until this Lease has ended. Thereafter, Tenant must pay an equal amount for what the law calls "use and occupancy" until Tenant actually moves out.
- B.** Once Tenant is out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the Rent in this Lease. Notwithstanding the foregoing, if Tenant vacates the Apartment in violation of the terms of this Lease, then only as required by law, shall Owner use reasonable efforts to re-rent the Apartment at the lesser of the fair market value of the Apartment or the Rent paid hereunder.
- C.** Whether the Apartment is re-rented or not, Tenant must pay to Owner as damages:
- (1) Owner's expenses for the cost of getting Tenant out and re-renting the Apartment, including, but not limited to, putting the Apartment in good condition, repairing damages, decorating and/or cleaning the Apartment for re-rental, advertising the Apartment and for real estate brokerage fees; and
 - (2) Owner's expenses for attorney's fees (except in the event of a default judgment).
 - (3) If the Owner used good faith efforts to re-rent the apartment as required by applicable law, Tenant must also pay the Rent in this Lease until apartment is rented for a rent that is the lesser of (a) fair market value or (b) the rent reserved in this Lease.
- D.** Tenant shall pay all aforementioned damages due in monthly installments on the Rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action.
- E.** If the Rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid Rent and damages which Tenant owes Owner, Tenant cannot receive the difference. Owner's willful failure to re-rent to another tenant will not release or change Tenant's liability for damages.

18. ADDITIONAL OWNER REMEDIES If Tenant does not do everything Tenant has agreed to do, or if Tenant does anything which shows that Tenant intends not to do what Tenant has agreed to do, Owner has the right to ask a Court to make Tenant carry out Tenant's agreements or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 16 and 17 of this Lease.

19. FEES AND EXPENSES (INCLUDING BUT NOT LIMITED TO LEGAL FEES)

- A.** Tenant must reimburse Owner for any of the following fees and expenses incurred by Owner:

- (1) Making any repairs to the Apartment or the Building, including any appliances in the Apartment, which result from misuse, omissions or negligence by Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other visitors to the Apartment;
- (2) Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organization concerning the Apartment or the Building which Tenant, the Permitted Occupants of the Apartment, the Tenant

Parties, or any other persons who visit the Apartment or work for Tenant have caused;

- (3) Preparing the Apartment for the next tenant if Tenant moves out of the Apartment before the Lease ending date without Owner's prior written consent;
- (4) Any legal fees and disbursements for the preparation and service of legal notices; legal actions or proceedings brought by Owner against Tenant because of a default by Tenant under this Lease; or for defending lawsuits brought against Owner because of the actions of Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment;
- (5) Removing any of Tenant's property from the Apartment after this Lease is ended;
- (6) Any miscellaneous charges payable to the Owner for services Tenant requested that are not required to be furnished Tenant under this Lease for which Tenant has failed to pay the Owner and which Owner has paid;
- (7) All other fees and expenses incurred by Owner because of the failure to obey any other provisions and agreements of this Lease by Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment or work for Tenant.

These fees and expenses shall be paid by Tenant to Owner as Additional Rent within ten (10) business days after Tenant receives Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, Tenant will still be liable to Owner for the same amount as damages. In the event Tenant does not reimburse Owner within such ten (10) business day period, Owner shall be entitled to deduct the fees and expenses from the Security Deposit as permitted by law.

- B. Tenant has the right to collect reasonable legal fees and expenses incurred in a successful defense by Tenant of a lawsuit brought by Owner against Tenant or brought by Tenant against Owner to the extent provided by Real Property Law, Section 234.

20. PROPERTY LOSS, DAMAGES OR INCONVENIENCE Tenant understands and agrees that unless caused by the gross negligence or willful misconduct of Owner or Owner's representatives, agents or employees, none of these authorized parties are responsible to Tenant for any of the following (1) any loss of or damage to Tenant or Tenant's property in the Apartment or the Building due to any accidental or intentional cause, including a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to Tenant's property delivered to any employee of the Building (e.g., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to Tenant by actions, negligence or violations of their lease made by any other tenant or person in the Building except to the extent required by law. Tenant further understands and agrees that Owner's employees are not authorized by Owner to care for Tenant's personal property. Owner is not responsible for any loss, theft, damage to Tenant's personal property, or any injury caused by the property or its use by Building employees.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or on behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Owner will not be liable to Tenant for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the Rent or allow Tenant to cancel the Lease.

21. FIRE OR CASUALTY

- A. Tenant shall give Owner immediate notice in case of fire or other damage to the Apartment. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under subparagraph C below or by Tenant under subparagraph D below. However, the Rent will be reduced as of the date of the fire, accident or other casualty. This reduction will be based upon the square footage of the Apartment which is unusable, as determined by Owner.
- B. Owner will repair and restore the Apartment, unless Owner decides to take actions described in subparagraph C below. For the sake of clarity and emphasis, Owner is not required to repair or restore the Apartment or replace the furnishings, decorations or any of Tenant's property, and furthermore (unless otherwise agreed to by Owner in writing), Owner shall not be responsible for any delays due to settling insurance claims, obtaining cost estimates, labor, material, equipment and/or supply problems, force majeure or for any other delay beyond Owner's reasonable control. If the Lease is cancelled, Owner need not restore the Apartment.
- C. After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving Tenant written notice of this decision within the later of sixty (60) days after the date when the damage occurred or ten (10) business days after Owner is advised by its insurance carrier as to the amount of insurance proceeds it will have available to restore the Apartment. If there is substantial damage to the Apartment or if the Apartment is completely unusable, Owner may cancel this Lease by giving Tenant written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is unusable when Owner gives Tenant such notice, this Lease will end sixty (60) days from the last day of the calendar month in which Tenant was given notice.
- D. If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in thirty (30) days, Tenant may give Owner written notice that Tenant ends the Lease. If Tenant gives that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will promptly refund Tenant's Security Deposit and the pro-rata portion of Rent (and Additional Rent, as applicable) paid for the month in which the casualty happened.
- E. Unless prohibited by the applicable policies, to the extent that such insurance is collected, Tenant and Owner release and waive all right of recovery against the other or anyone claiming through or under each by way of subrogation.
- F. Tenant acknowledges that if fire, accident, or other casualty causes damage to any of Tenant's personal property in the Apartment, including, but not limited to Tenant's furniture and clothes, the Owner will not be responsible to Tenant for the repair or replacement of any such damaged personal property unless such damage was as a result of the Owner's negligence.

22. PUBLIC TAKING The entire Building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi- public use or purpose. If this happens, this Lease shall end on the date the government or agency take title. Tenant shall have no claim against Owner for any damage resulting; Tenant also agrees that by signing this Lease, Tenant assigns to Owner any claim against the government or government agency for the value of the unexpired portion of this Lease.

23. SUBORDINATION CERTIFICATES AND ACKNOWLEDGMENTS Notwithstanding any provisions to the contrary contained in this Lease, this Lease and Tenant's rights, are subject and subordinate to all present and future: (a) leases for the Building or the land on which it stands, (b) Owner's mortgage(s) now existing or hereinafter existing), (c) agreements securing money paid or to be paid by a lender, and (d) terms, conditions, renewals, changes of any kind and extensions of the mortgages, leases or lender agreements. If certain provisions of any such mortgage come into effect, the holder of any such mortgage can end this Lease and such parties may commence legal action to evict Tenant from the Apartment . If this happens, Tenant acknowledges that Tenant has no claim against Owner or such lease or mortgage holder. If Owner requests, Tenant will sign promptly any acknowledgment(s) of the "subordination" in the form that Owner may require. Tenant authorizes Owner to sign such acknowledgment(s) for Tenant if Tenant fails to do so within five (5) days of Owner's request.

Tenant also agrees to sign (if accurate) a written acknowledgment within ten (10) days of request to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that Tenant has no present claim against Owner.

24. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT If Tenant pays the Rent and any required Additional Rent on time and Tenant does everything Tenant has agreed to do in this Lease, Tenant's tenancy cannot be cut off before the ending date, except as provided for otherwise in this Lease, including, but not limited to, in Articles 21, 22, and 23.

25. BILLS AND NOTICE; ELECTRONIC SIGNATURES

(A) Notices to Tenant. Any notice from Owner or Owner's agent or attorney will be considered properly given to Tenant if it (1) is in writing; (2) is signed by or in the name of Owner or Owner's agent or attorney; and (3) is (a) addressed to Tenant at the Apartment and delivered to Tenant personally or sent by registered or certified mail to Tenant at the Apartment or (b) sent to Tenant electronically to an email address Tenant has provided to Owner or an email address from which Tenant communicated by email to Owner. The date of service of any written notice by Owner to Tenant under this Lease is the date of delivery or mailing of such notice.

(B) Notices to Owner. If Tenant wish to give a notice to Owner, Tenant must write it and deliver it or send it by registered, or certified mail to Owner at the address noted on page 1 of this Lease, or at another address of which Owner or Agent has given Tenant written notice.

(C) An electronic signature on this Lease, rider or any renewal of Owner or Tenant shall be deemed an original document and a binding signature pursuant to the Electronic Signatures and Records Act of the State Technology Law.

26. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

A. Both Tenant and Owner agree to give up the right to a trial by jury in a court action, proceeding or counterclaim (excluding compulsory counterclaims) on any matters concerning this Lease, the relationship of Tenant and Owner as lessee and lessor or Tenant's use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.

B. If Owner begins any court action or proceeding against Tenant which asks that Tenant be compelled to move out, Tenant cannot make a counterclaim unless Tenant is claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

27. NO WAIVER OF LEASE PROVISIONS

A. Even if Owner accepts Tenant's Rent and/or Additional Rent or fails once or more often to take action against Tenant when it has not done what Tenant has agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of Rent and/or Additional Rent does not prevent Owner from taking action at a later date if Tenant does not do what Tenant has agreed to do herein.

B. Only a written agreement between Tenant and Owner can waive any violation of this Lease.

C. If Tenant pays and Owner accepts an amount less than all the Rent and/or Additional Rent due, the amount received shall be considered in payment of all or part of the earliest Rent and/or Additional Rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the Rent and/or Additional Rent due unless there is a written agreement between Tenant and Owner.

D. Any agreement to end this Lease and also to end the rights and obligations of Tenant and Owner must be in writing, signed by Tenant and Owner or Owner's agent. Even if Tenant gives keys to the Apartment and they are accepted by Owner or Owner's representative, this Lease is not ended.

28. CONDITION OF THE APARTMENT; APARTMENT RENTED "AS IS" By signing this Lease Tenant acknowledges that Owner, Owner's representatives or superintendent has not made any representations or promises with respect to the Building or the Apartment except as herein expressly set forth. After signing this Lease but before Tenant begins occupancy, Tenant shall have the opportunity to inspect the Apartment with Owner or Owner's agent to determine the condition of the Apartment. If Tenant requests such inspection, the parties shall execute a written agreement before Tenant begins occupancy of the Apartment attesting to the condition of the Apartment and specifically noting any existing defects or damages. Before taking occupancy of the Apartment, Tenant has inspected the Apartment (or Tenant has waived such inspection) and Tenant accepts it in its present condition "as is," except for any condition which Tenant could not reasonably have seen during Tenant's inspection. Tenant agrees that Owner has not promised to do any work in the Apartment except as specified in Exhibit C annexed hereto (if any) and made apart hereof.

29. HOLDOVER

A. At the end of the Term, Tenant shall: (1) return the Apartment to the Owner in broom clean, vacant and in good condition, ordinary wear and tear excepted; (2) remove all of Tenant's property and all of Tenant's installations, alterations and decorations (if so directed by Owner); and (3) repair all damages to the Apartment and Building caused by moving; and restore the Apartment to its condition at the beginning of the Term ordinary wear and tear excepted.

B. Tenant hereby indemnifies and agrees to defend and hold Owner harmless from and against any loss, cost, liability, claim, damage, fine, penalty and expense (including reasonable attorneys' fees and disbursements but excluding consequential or punitive damages) resulting from delay by Tenant in surrendering the Apartment upon the termination of this Lease, including any claims made by any succeeding tenant or prospective tenant or successor landlord founded upon such delay.

C. If Tenant holds over possession after the expiration date of the Lease or earlier termination of the Lease term or any extended term of this Lease, such holding over shall not be deemed to extend the term of this Lease or renew this

Lease. Under no circumstances (1) will such holdover constitute a month-to-month tenancy, (2) shall this Article 29 imply any right of Tenant to remain in the Apartment after the expiration or earlier termination of this Lease, (3) will Owner be prohibited from exercising any rights permitted by law against a holdover tenant; or (4) will any monies paid by Tenant or accepted by Owner (e.g., Rent, Additional Rent, holdover rent or otherwise) after the expiration or earlier termination of this Lease be deemed to reinstate any form of tenancy between Tenant and Owner. In connection with such holdover, Tenant shall pay the following charges for the use and occupancy of the Apartment for each calendar month or part thereof (even if such part shall be a small fraction of a calendar month), which total sum Tenant agrees to pay to Owner per month promptly upon demand, in full, without set-off or deduction:

- i) Up to TWO (2) times the highest monthly Rent set forth in this Lease, plus
- ii) Items of Additional Rent that would have been payable monthly pursuant to this Lease, had this Lease not expired or terminated,

The aforesaid provisions of this Article 29 shall survive the expiration or earlier termination of this Lease.

30. DEFINITIONS

- A. Owner: The term "Owner" means the person or organization receiving or entitled to receive Rent and Additional Rent from Tenant for the Apartment at any particular time other than a rent collector or managing agent of Owner. Owner is the person or organization that owns legal title to the Apartment. It does not include a former owner, even if the former owner signed this Lease.
- B. Tenant: The Term "Tenant" means the person or persons signing this Lease as lessee and the respective heirs, distributes, executors, administrators, successors and assigns of the signer. This Lease has established a lessor-lessee relationship between Owner and Tenant.

31. SUCCESSOR INTERESTS The agreements in this Lease shall be binding on Owner and Tenant and on those who succeed to the interest of Owner or Tenant by law, by approved assignment or by transfer.

32. INSURANCE

- A. As a material inducement for Owner to enter into this Lease, owner may require Tenant to obtain (1) liability insurance insuring Tenant, the Permitted Occupants of the Apartment, the Tenant Parties and any other people visiting the Apartment, and (2) personal property insurance insuring Tenant's furniture and furnishings and other items of personal property located in the Apartment. Tenant may not maintain any insurance with respect to any furniture or furnishings belonging to Owner that are located in the Apartment unless otherwise directed by Owner. Tenant acknowledges that Owner may not be required to maintain any insurance with respect to the Apartment.
- B. Owner is not liable for loss, expense, or damage to any person or property, unless due to Owner's gross negligence or wrongful acts. Owner is not liable to Tenant for permitting or refusing entry of anyone into the Building. Tenant must pay for damages suffered and reasonable expenses of Owner relating to any claim arising from any act, omission or neglect by Tenant. If an action is brought against Owner arising from Tenant's acts, omissions or neglect, Tenant shall defend Owner at Tenant's sole cost and expense with an attorney reasonably acceptable to Owner. Tenant is responsible for all acts, omissions or neglect of the Tenant Parties.
- C. Tenant shall indemnify and save harmless Owner from and against any and all liability, penalties, losses, damages, expenses, suits and judgments arising from injury during the term of this Lease to person or property of any nature and also from any matter growing out of the occupation of the Apartment, provided however that such is not the result of Owner's gross negligence or wrongful acts or that of Owner's employees, or agents. Tenant agrees, at Tenant's sole cost and expense to procure and maintain at all times during the Lease term the following insurance:
 - (i) General Liability Insurance for an amount **not less than \$300,000.00** Dollars and
 - (ii) Renters Insurance, which covers any, and all personal property or belongings contained in the Apartment. Tenant agrees to hold Owner harmless regarding these personal belongings due to loss or damage except in cases of Owner's gross negligence.
- D. The aforementioned insurance policies shall name Owner and the property manager (if applicable) as additional insureds or interests, as applicable. If renters insurance is required, in the event of Tenant's failure to procure and/or maintain the aforementioned policies prior to the date possession of the Apartment is ready to be delivered to Tenant on the Lease Commencement Date, Owner may (i) refuse to deliver possession of the Apartment to Tenant until such time as evidence of such insurance is delivered by Tenant to Owner (however, Tenant shall nonetheless remain responsible for the payment of Rent and Additional Rent as of the Lease Commencement Date), and/or (ii) order such insurance policies, pay the premiums, and add the amount thereof to the Rent next coming due as Additional Rent, and the Owner shall have all rights and remedies for the collection thereof as is provided for collection of ordinary Rent. The abovementioned insurance policies shall provide for no less than thirty (30) days' notice of cancellation or modification to Owner, and Tenant shall provide Owner with a copy of such insurance policies. Evidence of the aforesaid coverage being in place shall be presented to the Owner on or before the first day of the term of this Lease and may be requested at any time during term of this Lease. Such insurance policies are to be written by a good and solvent company licensed to do business in the state of New York. Tenant shall immediately reimburse Owner for the cost of any insurance policy Owner obtains for the Apartment, including but not limited to insurance for Owner's furniture or furnishings in the Apartment. Tenant acknowledges that Owner may not be required to maintain any insurance with respect to the Apartment.

33. FURNITURE ~~If the Apartment is being leased as fully furnished, Tenant shall take good care of the Apartment Furniture during the tenancy of this Lease and shall be liable for any damages caused by Tenant or Tenant Parties to the Apartment Furniture. Tenant shall not be responsible for any damages to the Apartment Furniture not caused by Tenant or Tenant Parties or caused by ordinary wear and tear. Tenant shall surrender the Apartment Furniture when this Lease terminates in the same condition as on the date this Lease commenced, subject to ordinary wear and tear. If any repairs are required to the Apartment Furniture when this Lease terminates, Tenant shall pay Owner upon demand the cost of any required repairs.~~

~~Tenant may not remove the Apartment Furniture from the Apartment or change the location of the Apartment Furniture during the tenancy of this Lease without Owner's prior written consent.~~

~~Tenant shall clean the terrace or balcony and keep the terrace or balcony free from snow, ice, garbage and other debris. No cooking is allowed on the terrace or balcony except as may be otherwise permitted by law. Tenant may not install a fence or any addition on the terrace or balcony. Tenant is responsible for making all repairs to the terrace or balcony if caused by Tenant, the Tenant Parties or any other visitor to the Apartment, at Tenant's sole expense.~~

35. LEAD PAINT DISCLOSURE ~~If applicable, simultaneously with the execution of this Lease, Tenant and Owner shall sign and complete the disclosure of information on lead-based paint and/or lead-based paint hazards annexed as a rider attached to this Lease. Tenant acknowledges receipt of the pamphlet, "Protect Your Family From Lead in Your Home" prepared by the United States Environmental Protection Administration.~~

36. PETS

A. Dogs or animals of any kind shall not be kept or harbored in the Apartment, unless in each instance it be expressly permitted in writing by Owner. This consent, if given, can be taken back by Owner at any time for good cause on reasonably given notice. Unless carried or on a leash, a dog shall not be permitted on any passenger elevator or in any public portion of the building. Also, dogs are not permitted on any grass or garden plot under any condition. BECAUSE OF THE HEALTH HAZARD AND POSSIBLE DISTURBANCE OF OTHER TENANTS WHICH ARISE FROM THE UNCONTROLLED PRESENCE OF ANIMALS, ESPECIALLY DOGS, IN THE BUILDING, THE STRICT ADHERENCE TO THE PROVISIONS OF THIS RULE BY EACH TENANT IS A MATERIAL REQUIREMENT OF EACH LEASE. TENANT'S FAILURE TO OBEY THIS RULE SHALL BE CONSIDERED A SERIOUS VIOLATION OF AN IMPORTANT OBLIGATION BY TENANT UNDER THIS LEASE. OWNER MAY ELECT TO END THIS LEASE BASED UPON THIS VIOLATION.

37. KEYS/SECURITY

A. Tenant shall not remove, alter, or change in any way the existing locks, security codes or keys that are provided for the Apartment or any part thereof. Tenant assumes liability for any person keys are entrusted to. The name, address and telephone number of any person with an additional set of keys to the Apartment are required to be furnished to Owner or its managing agent. Only Owner may make such additional sets of keys upon Tenant's written request with the abovementioned information. Owner will not refuse any such reasonable request. All extra sets of keys must be returned to Owner no later than one (1) day prior to move out unless agreed to by Owner. In the event that all keys are not returned to the Owner by or before the last day of tenancy, Tenant agrees to pay for the replacement cost as mentioned below (or part thereof if Owner deems it appropriate).

B. Tenant agrees and understands that Tenant will be charged a re-keying fee in the sum of \$350.00 for the entrance door each and every time a key replacement is required or deemed necessary by Owner if the need arises due to Tenant's loss of the key, employee changes, or request. Said charges shall be deemed Additional Rent.

38. WINDOW GUARDS Simultaneously with the execution of this Lease, Tenant shall complete and deliver to Owner a notice with respect to the installation of window guards in the Apartment in the form required by the City of New York annexed as a rider attached to this Lease. Tenant acknowledges that it is a violation of law to refuse, interfere with installation, or remove window guards where required.

39. BED BUG DISCLOSURE Tenant and Owner shall sign and complete the disclosure of bedbug infestation history annexed as a rider attached to this Lease.

40. SPRINKLER DISCLOSURE Tenant and Owner shall sign and complete the sprinkler disclosure annexed as a rider attached to this Lease.

41. OCCUPANCY NOTICE FOR INDOOR ALLERGEN HAZARDS Owner shall complete and deliver to Tenant the Occupancy Notice for Indoor Allergen Hazards annexed as a rider attached to this Lease. Owner acknowledges that it has delivered to Tenant "What Every Tenant Should Know About Indoor Allergens" and Tenant acknowledges receipt of such notice.

42. STOVE KNOB COVERS Simultaneously with the execution of this Lease, Tenant shall complete and deliver to Owner the Annual Notice for Tenants in Multiple Dwelling Units with gas-powered stoves annexed as a rider attached to this Lease.

43. NO SHORT-TERM RENTAL Under no circumstances are you permitted to rent space in the Premises to occupants on a short-term or transient basis, or for any short-term occupancy that may be governed by or prohibited by state or local laws, including, but not limited to, those applicable to transient housing, code violations or hotel taxes. You are specifically prohibited from advertising the Premises for rental by short-term or transient occupants on websites such as Airbnb, Craigslist, Expedia, [Hotels.com](https://www.hotels.com) or any other similar locator sites. It shall be considered a substantial and material breach of this Lease should we become aware of any violation of these short-term stay provisions or incur any loss as a result of your violation of this provision.

A breach of these covenants by the Tenant shall be grounds for immediate termination of the Lease by the Owner and Owner may serve a written ten (10) days' notice of cancellation of this Lease upon Tenant and, upon the expiration of said ten (10) days, this Lease and the Term shall end and expire as fully and completely as if the expiration of such ten (10) day period were the day herein definitely fixed for the end and expiration of this Lease and Tenant shall then quit and surrender the Apartment to Owner, but Tenant shall remain liable as elsewhere provided in this Lease. Owner may commence a summary proceeding to evict the Tenant from the Apartment upon the expiration of said ten (10) day period. Owner may also enforce these covenants and prohibitions in a court of competent jurisdiction by a decree of specific performance and by appropriate injunctive relief, all in accordance with applicable law.

TENANT AGREES TO INDEMNIFY AND HOLD OWNER HARMLESS FROM AND AGAINST ANY AND ALL LOSS OR DAMAGE WHICH OWNER MAY INCUR AS A RESULT OF THE BREACH BY TENANT OF ANY OF THE FOREGOING, INCLUDING, WITHOUT LIMITATION, ANY WITHHOLDING OF RENT BY TENANTS OF THE BUILDING, ANY AND ALL FINES OR PENALTIES IMPOSED ON OWNER BY ANY GOVERNMENTAL AGENCY AND ALL ATTORNEYS' FEES AND DISBURSEMENTS INCURRED BY OWNER IN CONNECTION WITH ANY LITIGATION OR NEGOTIATIONS WITH TENANT OR ANY OTHER TENANTS OF THE BUILDING, OR WITH ANY GOVERNMENTAL AGENCY, WITH RESPECT TO TENANT'S VIOLATION OF THE RESTRICTIONS AGAINST SHORT TERM RENTALS OR ADVERTISING THE APARTMENT FOR A SHORT TERM RENTAL. TENANT ACKNOWLEDGES BEING INFORMED THAT CURRENTLY THE PENALTY FOR ADVERTISING SHORT TERM RENTALS OR FOR RENTING AN APARTMENT AS A SHORT-TERM RENTAL AS DEFINED HEREIN CAN BE AS HIGH AS \$7,500.00 PER VIOLATION AND TENANT SHALL BE RESPONSIBLE TO PAY THE FULL AMOUNT OF THE PENALTY.

TENANT FURTHER AGREES TO INDEMNIFY AND HOLD OWNER HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, LOSS OR DAMAGE RESULTING FROM OWNER, ITS AGENTS OR EMPLOYEES, GRANTING ACCESS TO THE BUILDING TO ANYONE RENTING THE APARTMENT FROM TENANT ON A SHORT-TERM BASIS OR OTHERWISE.

- 44. INDEMNIFICATION** Tenant shall indemnify and save harmless Owner and Owner's agents and, at Owner's option, defend Owner and Owner's agents against and from any and all claims against Owner and Owner's agents arising wholly or in part from any act, omission or negligence of Tenant or the Tenant Parties. This indemnity and hold harmless agreement shall include indemnity from and against any and all liability, fines, suits, demands, costs, damages and expenses of any kind or nature (including without limitation attorney's and other professional fees and disbursements) incurred in or in connection with any such claims (including any settlement thereof) or proceeding brought thereon, and the defense thereof
- 45. NOISE** Tenant shall not create any unreasonable noise levels which shall interfere with the quiet enjoyment of the other tenants of the Building or the neighbors of the Building. Tenant agrees to promptly notify Owner in writing of all noise complaints or summons which Tenant receives in writing, and to submit a proposal reasonably satisfactory to Owner as to how to handle same and assure that such complaints shall not recur.
- 46. WAIVER OF LIABILITY** Anything contained in this Lease to the contrary notwithstanding, Tenant agrees that Tenant shall look solely to the estate and property of Owner in the Apartment or to any proceeds obtained by Owner as a result of a sale by Owner of the Apartment, for the collection of any judgment (or other judicial process) requiring the payment of money by Owner in the event of any default or breach by Owner with respect to any of the terms and provisions of this Lease to be observed and/or performed by Owner, subject, however, to the prior rights of any lessor under a superior lease or holder of a superior mortgage. No other assets of Owner or any partner, officer, director or principal of Owner, shall be subject to levy, execution or other judicial process for the satisfaction of Tenant's claim hereunder.
- 47. OWNER'S APPROVAL** If Tenant shall request Owner's approval or consent and Owner shall fail or refuse to give such approval or consent, Tenant shall not be entitled to any damages for any withholding or delay of such approval or consent by Owner, it being intended that Tenant's sole remedy shall be an action for injunction without bond or specific performance (the rights to money damages or other remedies being hereby specifically waived. Furthermore, such remedy shall be available only in those cases where Owner shall have expressly agreed in writing not to unreasonably withhold its consent or approval (as applicable), or where as a matter of law, Owner may not unreasonably withhold its consent or approval. In such event, provided Tenant is successful therein, Owner shall be responsible to pay Tenant's actual costs and expenses incurred therein, including reasonable attorneys' fees.
- 48. NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

To request a reasonable accommodation, you should contact your property manager by calling **(212) 210-6666** or **(212) 416-4561**, or by e-mailing abradshaw@rosepmg.com. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:

Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out); Changes to your housing provider's rules, policies, practices, or services; Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.

If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.

If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.

If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of a waiting list if no adjacent spot is available.

If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

Public and common areas must be readily accessible to and usable by persons with disabilities;

All doors must be sufficiently wide to allow passage by persons in wheelchairs; and

All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York

State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website.

The owner of this building is required, under New York City Administrative Code section 27- 2017.1 et seq., to make an annual inspection for indoor allergen hazards (such as mold, mice, rats, and cockroaches) in your apartment and the common areas of the building. The owner must also inspect if you inform him or her that there is a condition in your apartment that is likely to cause an indoor allergen hazard, or you request an inspection, or the Department has issued a violation requiring correction of an indoor allergen hazard for your apartment. If there is an indoor allergen hazard in your apartment, the owner is required to fix it, using the safe work practices that are provided in the law. The owner must also provide new tenants with a pamphlet containing information about indoor allergen hazards.
- 2. The owner of this building is also required, prior to your occupancy as a new tenant, to fix all visible mold and pest infestations in the apartment, as well as any underlying defects, like leaks, using the safe work practices provided in the law. If the owner provides carpeting or furniture, he or she must thoroughly clean and vacuum it prior to occupancy. This notice must be signed by the owner or his or her representative, and state that he or she has complied with these requirements.

I, **BRE FSC Multifamily Borrower LLC** (owner or representative name in print), certify that I have complied with the requirements of the New York City Administrative Code section 27- 2017.5 by removing all visible mold and pest infestations and any underlying defects, and where applicable, cleaning and vacuuming any carpeting and furniture that I have provided to the tenant. I have performed the required work using the safe work practices provided in the law.

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building’s common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant’s lease that clearly states the landlord’s and tenant’s responsibilities to keep the building free of indoor allergens.

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

Protect Your Family From Lead in Your Home

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

Read this entire brochure to learn:

- How lead gets into the body
- How lead affects health
- What you can do to protect your family
- Where to go for more information

Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint or lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

- Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

Simple Steps to Protect Your Family
from Lead Hazards

If you think your home has lead-based paint:

- Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at epa.gov/lead.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods high in iron, calcium, and vitamin C.
- Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Women of childbearing age should know that lead is dangerous to a developing fetus.

- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

State and Local Health and Environmental Agencies

Some states, tribes, and cities have their own rules related to lead-based paint. Check with your local agency to see which laws apply to you. Most agencies can also provide information on finding a lead abatement firm in your area, and on possible sources of financial aid for reducing lead hazards. Receive up-to-date address and phone information for your state or local contacts on the Web at epa.gov/lead, or contact the National Lead Information Center at **1-800-424-LEAD**.

Other Sources of Lead, continued

- **Lead smelters** or other industries that release lead into the air.
- **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.⁴
- Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.
- Folk remedies, such as **“greta”** and **“azarcon,”** used to treat an upset stomach.

⁴ In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint. In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products.

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention-deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Other Sources of Lead

Lead in Drinking Water

The most common sources of lead in drinking water are lead pipes, faucets, and fixtures.

Lead pipes are more likely to be found in older cities and homes built before 1986.

You can't smell or taste lead in drinking water.

To find out for certain if you have lead in drinking water, have your water tested.

Remember older homes with a private well can also have plumbing materials that contain lead.

Important Steps You Can Take to Reduce Lead in Drinking Water

- Use only cold water for drinking, cooking and making baby formula. Remember, boiling water does not remove lead from water.
- Before drinking, flush your home's pipes by running the tap, taking a shower, doing laundry, or doing a load of dishes.
- Regularly clean your faucet's screen (also known as an aerator).
- If you use a filter certified to remove lead, don't forget to read the directions to learn when to change the cartridge. Using a filter after it has expired can make it less effective at removing lead.

Contact your water company to determine if the pipe that connects your home to the water main (called a service line) is made from lead. Your area's water company can also provide information about the lead levels in your system's drinking water.

For more information about lead in drinking water, please contact EPA's Safe Drinking Water Hotline at 1-800-426-4791. If you have other questions about lead poisoning prevention, call 1-800 424-LEAD.*

Call your local health department or water company to find out about testing your water, or visit epa.gov/safewater for EPA's lead in drinking water information. Some states or utilities offer programs to pay for water testing for residents. Contact your state or local water company to learn more.

* Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

Renovating, Repairing or Painting a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
 - Open-flame burning or torching
 - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment
 - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects, visit epa.gov/getleadsafe, or read *The Lead-Safe Certified Guide to Renovate Right*.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.¹

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.²

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at epa.gov/lead.

¹ "Lead-based paint" is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm²), or more than 0.5% by weight.

² "Lead-containing paint" is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorated lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors
- 250 $\mu\text{g}/\text{ft}^2$ for interior windows sills
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs

For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 14 and 15), or visit epa.gov/lead, or call 1-800-424-LEAD.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement contractor. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
 - Portable x-ray fluorescence (XRF) machine
 - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
 - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
 - Sample dust near painted surfaces and sample bare soil in the yard
 - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.³

³ Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron, and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

DISCLOSURE OF INFORMATION ON

LEAD-BASED PAINT AND LEAD-BASED PAINT HAZARDS

Lead Warning Statement

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, landlords must disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Lessees must also receive a Federally approved pamphlet on lead poisoning prevention. **NOTE: The existence of lead on the rental property is not, by itself, cause for termination of the tenancy. (Public Law 102-550 sec. 1018(c))**

There is no safe amount of exposure to secondhand smoke. Adults exposed to secondhand smoke have higher risks of stroke, heart disease and lung cancer. Children exposed to secondhand smoke have higher risks of asthma attacks, respiratory illnesses, middle ear disease and sudden infant death syndrome (SIDS). For these reasons, and to help people make informed decisions on where to live, New York City requires residential building owners (referred to in this policy as the "Owner/Manager," which includes the owner of record, seller, manager, landlord, any agent thereof or governing body) in buildings with three or more residential units to create a policy on smoking and share it with all tenants. The building policy on smoking applies to any person on the property, including guests.

Definitions

- a. **Smoking:** inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke
- b. **Electronic Cigarette (e-cigarette):** a battery-operated device that heats a liquid, gel, herb or other substance and produces vapor for people to inhale

Smoke-Free Air Act

New York City law prohibits smoking and using e-cigarettes of any kind in indoor common areas, including but not limited to, lobbies, hallways, stairwells, mailrooms, fitness areas, storage areas, garages and laundry rooms in any building with three or more residential units. NYC Admin. Code, § 17-505.

Policy on Smoking

Smoking is not allowed in the locations checked below (check all boxes that apply). Even if no boxes are checked, the Smoke-Free Air Act bans smoking tobacco or non-tobacco products, and using e-cigarettes in indoor common areas.

- ☐ Inside of residential units*
- ☒ Outside of areas that are part of residential units, including balconies, patios and porches
- ☒ Outdoor common areas, including play areas, rooftops, pool areas, parking areas, and shared balconies, courtyards, patios, porches or yards
- ☒ Outdoors within 15 feet of entrances, exits, windows, and air intake units on property grounds
- ☐ Other areas/exceptions:

* Rent-stabilized and rent-controlled units may be exempt from a policy restricting smoking inside residential units unless the existing tenant consents to the policy in writing.

Complaint Procedure

Complaints about smoke drifting into a residential unit or common area should be made promptly to the Owner/Manager. Complaints should be made in writing and should be as specific as possible, including the date, approximate time, location where smoke was observed, building address, description of incident and apparent source of smoke.

Acknowledgment and Signatures:

I have read the policy on smoking described above, and I understand the policy applies to the property. I agree to comply with the policy described above.

For rental units, I understand that violating the smoking policy may be a violation of my lease. For condominiums, cooperatives or other owned units, I understand that violations of the policy on smoking may be addressed according to the building's governing rules.

STOP BED BUGS SAFELY

WHAT ARE BED BUGS?

Bed bugs are small insects that feed on human blood. They are usually active at night when people are sleeping. Adult bed bugs have flat rusty-red-colored oval bodies. Adult bed bugs are about the size of an apple seed, they are big enough to be easily seen, but often hide in cracks in furniture, floors, or walls. When bed bugs feed, their bodies swell and become brighter red. They can live for several months without feeding on a host.

WHAT DOES A BED BUG BITE FEEL AND LOOK LIKE?

Most bed bug bites are initially painless, but later turn into large, itchy skin welts. These welts do *not* have a red spot in the center as do the bites from fleas.

ARE BED BUGS DANGEROUS?

Although bed bugs and their bites are a nuisance, they are not known to spread diseases.

HOW DOES A HOME BECOME INFESTED WITH BED BUGS?

In most cases, people carry bed bugs into their homes unknowingly, in infested luggage, furniture, bedding, or clothing. Bed bugs may also travel between apartments through small crevices and cracks in walls and floors.

HOW DO I KNOW IF MY HOME IS INFESTED WITH BED BUGS?

You may notice itchy skin welts. You may also see the bed bugs themselves, small bloodstains from crushed insects, or dark spots from their droppings. It is often hard to find them because they hide in or near beds, other furniture, and in cracks.

SHOULD I USE A PEST CONTROL COMPANY?

The Health Department recommends that homeowners hire pest control companies registered by the New York State Department of Environmental Conservation (DEC) to get rid of bed bugs.

The pest control company should:

- Inspect your home to confirm the presence of bed bugs.
- Find and eliminate their hiding places.
- Treat your home with special cleaning and/or pesticides if necessary.
- Make return visits to make sure bed bugs are gone.

Be sure your pest control company hires licensed pest management professionals. Ask to see a copy of their license or check directly with DEC by calling (718) 482-4994 or visiting <http://www.dec.ny.gov/permits/209.html>

IS IT NECESSARY TO USE PESTICIDES TO GET RID OF BED BUGS?

The best way to get rid of bed bugs is to clean, disinfect and eliminate their hiding places. Since young bed bugs (nymphs) can live for several months without feeding and the adults for more than a year, the pest control company may use a pesticide. Talk with the professional about safe use of pesticides and make sure he/she:

- Uses the least toxic pesticide.
- Follows instructions and warnings on product labels.
- Advises you about staying out of treated rooms and when it is safe to reenter.
- Treats mattresses and sofas by applying small amounts of pesticides on seams only. Pesticides should **never** be sprayed on top of mattresses or sofas.

HOW CAN I GET RID OF BED BUGS?

1. Find out where bed bugs are hiding in your home.

Use a bright flashlight to look for bed bugs or their dark droppings in bedroom furniture. Or use a hot hair dryer, a thin knife, an old subway card or a playing card to force them out of hiding spaces and cracks. Check:

- Behind your headboard.
- In the seams and tufts of your mattress and inside the box spring.
- Along bedroom baseboard cracks.
- In and around nightstands.
- Other bedroom items, including window and door casings, pictures, moldings, nearby furniture, loose wallpaper, cracks in plaster and partitions, and clutter.

2. Clean areas where bed bugs are likely to hide.

- Clean bedding, linens, curtains, rugs, carpets, and clothes. To kill bed bugs, wash items in hot water and dry them on the highest dryer setting. Soak delicate clothes in warm water with lots of laundry soap for several hours before rinsing. Wool items, plush toys, shoes, and many other items can be placed into a hot dryer for 30 minutes to get rid of bed bugs.
- Scrub mattress seams with a stiff brush to dislodge bed bugs and their eggs.
- Vacuum mattresses, bed frames, nearby furniture, floors and carpets. Pay special attention to cracks and open spaces. Immediately after vacuuming, put the vacuum cleaner bag in a sealed plastic bag, and dispose of it in an outdoor container.
- If you find bed bugs on a mattress, cover it with a waterproof, zippered mattress cover labeled “allergen rated,” or “for dust mites.” Keep the cover on for at least one year.
- If your box spring is infested, seal it inside a vinyl box spring cover for at least one year. If no cover is available, throw the box spring away.
- Dispose of infested items that cannot be cleaned and get rid of clutter. Seal tightly in a plastic garbage bag and discard in an outside container.
- Repair cracks in plaster and repair or remove loose wallpaper.

3. Be very cautious about using pesticides yourself.

Pesticides can be hazardous to people and pets. If you choose to use a pesticide, or a licensed pest control professional suggests you use one, follow these precautions:

- Only use pesticides clearly labeled for bed bug extermination. Never use a cockroach spray, ant spray, or any other pesticide that does not list bed bugs on the label.
- Follow label instructions exactly.
- Never spray pesticides on top of mattresses or sofas, or in areas where children or pets are present.
- Never purchase or use a product without a manufacturer’s label and never buy pesticides from street vendors.
- Avoid using “insecticide bombs” and “foggers” in your home. These products can spread hazardous chemicals throughout your home, and are not likely to be effective against bed bugs.

HOW CAN I KEEP BED BUGS OUT OF MY HOME?

- Wash clothing and inspect luggage immediately after returning from a trip.
- Inspect used furniture for bed bugs before bringing it into your home.
- Never bring discarded bed frames, mattresses, box springs, or upholstered furniture into your home.

HOW CAN I KEEP MY FURNITURE FROM INFESTING SOMEONE ELSE'S HOME?

- Never resell or donate infested furniture or clothing.
- If you throw infested furniture away, make it undesirable to others by cutting or poking holes in its upholstery or making it unusable. Tape a sign to it that says, “Infested with Bed Bugs.”

This fact sheet is available at nyc.gov/health. For more copies, call 311 and ask for “Stop Bed Bugs Safely.”
