You agree there's no content in either "Additional routing info" or "Message to recipient" that will forward this wire to an international bank or location. If your recipient's bank is outside the U.S., please go back and choose or add an international recipient.

We'll start processing your wire the same business day if we receive it before 4PM ET. If we receive your request after that time, we'll process it the following business day.

Before we send a wire, it goes through an internal review process, and in some cases we may need to contact you to verify your request. After we've sent the wire, the receiving bank may have its own review process, which could further delay delivery.
