Investing involves risk. There is always the potential of losing money when you invest in securities. Asset allocation, diversification, and rebalancing do not ensure a profit or protect against loss in declining markets.

Bank of America, Merrill, their affiliates and advisors do not provide legal, tax or accounting advice. Clients should consult their legal and/or tax advisors before making any financial decisions.

Merrill offers a broad range of brokerage, investment advisory (including financial planning) and other services. Additional information is available in our [Client Relationship Summary](#).
