STANDARD FORM OF APARTMENT LEASE

FOR APARTMENTS NOT SUBJECT TO RENT STABILIZATION LAW

PREAMBLE: This lease contains the agreements between Tenant and Owner concerning the rights and obligations of each party. Tenant and Owner have other rights and obligations which are set forth in government laws and regulations.

Tenant should read this Lease carefully. If Tenant has any questions, or if Tenant does not understand any words or statements herein, obtain clarification from an attorney. Once Tenant and Owner sign this Lease, Tenant and Owner will be presumed to have read it and understood it completely. Tenant and Owner admit that all agreements between Tenant and Owner have been written into this Lease. Tenant understands that any agreements made before or after this Lease was signed and not written into it will not be enforceable.

THIS LEASE is made on **September 6, 2024**
between Owner, **RXR 2413 Third Owner LLC**
whose address is **777 Third Avenue, 6th floor New York, NY 10017**
and You, the Tenant, **Brandon Stroud**
whose address is **21c Liberty Place, Randolph , MA 02368**.

1. APARTMENT AND USE Owner agrees to lease to You Apartment **1704** (the "Apartment") in the building at **2413 Third Avenue, Bronx, NY 10451** (the "Building"), Borough of Bronx, City and State of New York. Tenant shall use the Apartment for living purposes only and for no other purpose (such restricted purposes include, but are not limited to, any commercial activity or illegal or dangerous activity).

The Apartment may only be occupied by Tenant and the following Permitted Occupants (and occupants as permitted in accordance with Real Property Law §235-f).

Tenant acknowledges that no other person other than Tenant and the Permitted Occupants may reside in the Apartment without the prior written consent of the Owner. If Tenant violates any of the terms of this provision, the Owner shall have the right to restrain the same by injunctive relief and/or any other remedies provided for under this Lease and at law and/or equity.

2. LENGTH OF LEASE The "Lease Commencement Date" is **September 15, 2024**. Except as may be provided for otherwise in this Lease, the term (that means the length) of this Lease will begin on the Lease Commencement Date and will end on **September 14, 2026** (the "Term").

3. RENT

A. "Rent" is defined as the base rent due under this Lease. Tenant's monthly Rent for the Apartment is **\$3,070.00** per month. Tenant must pay Owner the Rent, in equal monthly installments, on the first day of each month either to Owner at the above address or at another place that Owner may inform Tenant of by written notice.

B. When Tenant signs this Lease, Tenant must pay by bank or cashier's check (or by electronic fund transfer, if instructed by Owner as described below), the following:

(1) one (1) months' Rent (i.e., **\$3,070.00**);

(2) the Security Deposit (in the amount stated in Article 4)

C. If the Lease Commencement Date shall not occur on the first day of a calendar month, the Rent for such calendar month shall be prorated on a per diem basis. If the Lease begins after the first day of the month, Tenant must pay when it signs this Lease one (1) full months' Rent and for the next full calendar month Tenant shall pay a prorated Rent based on the number of days the Lease began after the first day of the month (for example, if the beginning date of this Lease is the 16 th day of the month, Tenant would pay for fifteen (15) out of thirty (30) days, or one-half (1/2), of a full months' Rent for the second calendar month). In any event, if the Lease Commencement Date shall not occur on the first day of a calendar month, the Term shall also include the remainder of the month in which the Lease Commencement Date occurred.

D. Within five (5) business days after the request of Owner, at Owner's option, Tenant shall return a document supplied by Owner in the form attached hereto as Exhibit A (a "Memorandum Confirming Term") confirming the Lease Commencement Date, the Rent Commencement Date (if different than the Lease Commencement Date) the Lease expiration date and any other material terms of this Lease, certifying that Tenant has accepted delivery of the Apartment and that the condition of the Apartment complies with Owner's obligations hereunder. Tenant's failure to deliver the Memorandum Confirming Term shall be considered a material default under this Lease, however, Tenant's failure to deliver the Memorandum Confirming Term shall not affect the Lease Commencement Date or the validity of this Lease or alter the terms and provisions contained in the Memorandum Confirming Term if so, delivered to Tenant by Owner.

E. Tenant may be required to pay other charges to Owner under the terms of this Lease, such additional charges shall be referred to as "Additional Rent". Any Additional Rent must be paid by Tenant to Owner upon the earlier of (i) the first day of the month immediately following the month said Additional Rent is billed to Tenant or (ii) fifteen (15) days from the date Tenant is billed for the Additional Rent. Said Rent and Additional Rent must be paid in full in accordance with the foregoing, without deduction or offset and without the need for demand or notice from Owner. Except as may be provided for otherwise in this Article 3, all Rent and Additional Rent shall be payable to Owner by _____ or such other form of payment as required by Owner only. If by direct deposit, Owner shall provide Tenant the necessary wiring instructions

F. Tenant shall be entitled to a five (5) day grace period for the payment of any sum of Rent and Additional Rent due under this Lease. Any sum of Rent or Additional Rent not paid within five (5) days of the date due shall be subject to a late fee of the lesser of (i) **\$50.00**, or (ii) five percent (5%) of the unpaid amount. There shall be a **seventy-five dollars (\$75.00)** fee for any check which is dishonored or returned. Any late charge or interest charge shall be considered Additional Rent.

G. Owner need not give notice to Tenant to pay Rent. Rent must be paid in full and no amount subtracted from it. Rent is due and payable as of the Lease Commencement Date.

4. SECURITY DEPOSIT Tenant is required to give Owner the sum of **\$1,000.00** (such amount not to exceed one (1) months' Rent pursuant to The Housing Stability and Tenant Protection Act of 2019) when Tenant signs this Lease as a security deposit (the "Security Deposit"). Owner will deposit the Security Deposit in **JP Morgan Chase** bank at **501**

Bellmore Avenue, East Meadow, NY 11554. This Security Deposit shall not bear interest, unless if otherwise required by applicable law. In the event that the Security Deposit shall earn interest, then in such event Owner shall be entitled to an administrative fee of 1% pursuant to applicable law.

If Tenant carries out all of Tenant's agreements in this Lease and if Tenant moves out of the Apartment and returns it to Owner vacant, broom clean and in the same condition it was in when Tenant first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty through no fault of Tenant, Owner will return to Tenant the full amount of the Security Deposit within fourteen (14) days after the later of (i) the date this Lease ends, or (ii) the date Tenant vacates the Apartment. However, if Tenant is in default of Tenant's obligations under this Lease and/or there are any damages to the Apartment beyond ordinary wear and tear or damage caused by fire or other casualty, Owner may keep all or part of the Security Deposit to cover reasonable repairs of such damage and Owner shall provide Tenant with an itemized statement indicating the basis for the amount of the Security Deposit retained within the aforementioned fourteen (14) day period. Furthermore, for sake of clarity and emphasis, (i) if Tenant does not carry out all of Tenant's obligations under this Lease, Owner may keep all or part of the Security Deposit necessary to pay Owner for any losses incurred, including missed payments and (ii) Owner's retention of the Security Deposit as allowable under this Lease shall not be deemed to be Owner's sole remedy for any default by Tenant of Tenant's obligations pursuant to the terms and conditions of this Lease.

TENANT ACKNOWLEDGES AND AGREES THAT THE SECURITY DEPOSIT CANNOT BE USED TOWARDS RENT OR ADDITIONAL RENT BY TENANT. Notwithstanding anything to the contrary contained in this Lease, if Owner shall apply all or any portion of the Security Deposit to cure a default by Tenant hereunder during the Term of this Lease, Tenant shall, within five (5) business days, deposit with Owner that sum which shall be necessary to maintain the security in an amount equal to the Security Deposit as so required in this Article 4. Failure to replenish the Security Deposit in a timely manner shall be deemed a default under this Lease.

If Owner sells the Apartment, Owner, at its sole option, will turn over Tenant's security either to Tenant or to the person buying the Apartment within five (5) days after the sale. Owner will then notify Tenant, by registered, certified or overnight mail by a nationally recognized overnight courier, of the name and address of the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to Tenant for the Security Deposit and the new owner will become responsible to Tenant for the Security Deposit.

5. IF TENANT IS UNABLE TO MOVE IN Except as otherwise provided herein, Owner shall not be liable for failure to give Tenant possession of the Apartment on the Lease Commencement Date. Rent shall be payable as of the beginning of this Lease Term unless Owner is unable to give Tenant possession. A situation could arise which might prevent Owner from letting Tenant move into the Apartment on the Lease Commencement Date. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Tenant's damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when possession is available, and the ending date of this Lease as specified in Article 2 will remain the same (unless otherwise mutually agreed to in writing by Tenant and Owner). Tenant will not have to pay Rent until the date possession is available, or the date Tenant moves in, whichever is earlier (however, in no event shall Tenant move in or take possession prior to the date Owner shall have given Tenant notice that Tenant may take possession of the Apartment). Owner will notify Tenant as to the date possession is available. If Owner does not give Tenant notice that possession is available within thirty (30) days after the Lease Commencement Date, provided that Owner's failure to deliver possession is not due to a Tenant delay, Tenant may send a fifteen (15) day written termination notice (the "Termination Notice") to Owner, and if Owner is unable to deliver possession within fifteen (15) days of receipt of Tenant's Termination Notice, this Lease shall terminate and be of no further force and effect and all prepaid Rent, the Security Deposit and any other fees paid by Tenant (except for non-refundable fees required in the Lease package) at the execution of this Lease shall be promptly returned to Tenant.

6. CAPTIONS In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

7. WARRANTY OF HABITABILITY

- A.** All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law. Under that law, Owner agrees that the Apartment is fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.
- B.** Tenant will do nothing to interfere with or make more difficult Owner's efforts to provide Tenant and all other occupants of the Building with the required facilities and services. Any condition caused by Tenant's misconduct or the misconduct of Tenant Parties (as hereinafter defined) or anyone else under Tenant's direction or control shall not be a breach by Owner.

8. CARE OF TENANT'S APARTMENT; END OF LEASE; MOVING OUT

- A.** At all times during the Term of this Lease, Tenant will take good care of the Apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. Tenant shall, at Tenant's own cost and expense, make all repairs caused or occasioned by Tenant or Tenant's agents, contractors, invitees, licensees, guests or servants (collectively hereinafter "Tenant Parties"). In addition, Tenant shall promptly notify Owner and/or the Building Superintendent/Building Manager in writing upon the occurrence of any problem, malfunction or damage to the Apartment. Tenant will move out on or before the ending date of this Lease and leave the Apartment in good order and in the same condition as it was when Tenant first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty through no fault of Tenant.
- B. CLEANING.** Tenant is required to use only non-abrasive cleaning agents in the Apartment. Tenant is responsible for damage done by use of any improper cleaning agents.
- C.** If Tenant fails to maintain the Apartment or make a needed repair or replacement as required hereunder, Owner may hire a professional and make such maintenance, repairs or replacements at Tenant's sole cost and expense. Owner's reasonable expense will be payable by Tenant to Owner as Additional Rent within ten (10) business days after Tenant receives a bill from Owner.
- D.** When this Lease ends, Tenant must remove all of Tenant's movable property. Tenant must also remove at Tenant's own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment Tenant may have installed in the Apartment, even if it was done with Owner's consent. Tenant must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. Tenant has not moved out until all persons, furniture and other property of Tenant's is also out of the Apartment. If Tenant's property remains in the Apartment after this Lease ends, Owner may either treat Tenant as still in occupancy and charge

Tenant for use or may consider that Tenant has given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at Tenant's expense. Tenant agrees to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.

- E. Except as provided for otherwise in Article 35 of this Lease, in the event that (i) Owner intends to offer to renew this Lease with a Rent increase equal to or greater than five (5%) percent above the then current Rent, or (ii) Owner does not intend to renew this Lease, Owner shall provide Tenant written notice as follows:
- (1) If Tenant has occupied the Apartment for less than one (1) year and does not have a Lease Term of at least one (1) year, Owner shall provide at least thirty (30) days' notice;
 - (2) If Tenant has occupied the Apartment for more than one (1) year but less than two (2) years, or has a Lease Term of at least one (1) year but less than two (2) years, Owner shall provide at least sixty (60) days' notice; or
 - (3) If Tenant has occupied the Apartment for more than two (2) years or has a Lease Term of at least two (2) years, Owner shall provide at least ninety (90) days' notice.
- F. Within a reasonable time after notification of either party's intention to terminate this Lease, unless Tenant provides less than two (2) weeks' notice of Tenant's intention to terminate, Owner shall notify Tenant in writing of Tenant's right to request an inspection before vacating the Apartment. Tenant shall have the right to be present at said inspection. Subject to the foregoing, if Tenant requests such inspection, the inspection shall be made no earlier than two (2) weeks and no later than one (1) week before the end of the tenancy. Owner shall provide at least forty-eight (48) hours written notice of the date and time of the inspection. After the inspection, Owner shall provide Tenant with an itemized statement specifying repairs, cleaning or other deficiencies that are proposed to be the basis of any deductions from the Security Deposit. If Tenant requests such inspection, Tenant shall be given an opportunity to remedy any identified deficiencies prior to the end of the tenancy (or, at Owner's sole option, if Tenant fails to remedy any such identified deficiencies, Owner may remedy such identified deficiencies at Tenant's sole cost and expense as described hereinafter). Any and all repairs or alterations made to the Apartment as a result of said inspection shall be at Tenant's sole cost and expense. Said repairs must be approved by Owner and shall be performed, at Owner's sole option by (i) licensed and adequately insured Tenant's contractors in a good and skillful manner with materials of quality and appearance comparable to existing materials and approved by Owner or (ii) by Owner's contractor(s).

9. CHANGES AND ALTERATIONS TO APARTMENT

- A. Tenant cannot build in, add to, change or alter, the Apartment in any way, including, but not limited to, installing, changing, or altering any paneling, wallpaper, flooring, "built in" decorations, partitions, railings, paint, carpeting, plumbing, ventilating, air conditioning, electric, or heating systems without first obtaining the prior written consent of Owner which may be withheld in Owner's sole discretion. If Owner's consent is given, the alterations and installations shall become the property of Owner when completed and paid for by Tenant. They shall remain with and as part of the Apartment at the end of the Term. Notwithstanding the foregoing, Owner has the right to demand that Tenant remove the alterations and installations at the end of the Lease Term, and in such case Tenant shall repair all damage resulting from said removal and restore the Apartment to its original condition, including any holes in the wall or damage caused by the removal of any pictures, artwork or TV mounts hung by Tenant on the walls. Any and all work shall be performed by Tenant in accordance with the terms and conditions of this Lease and in accordance with all applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity. Tenant's contractor shall also supply, before performing any such work, a certificate of insurance naming Owner and the Building's managing agent (if applicable) as additional insured.
- B. Without Owner's prior written consent, Tenant cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, Tenant cannot place in the Apartment water-filled furniture.
- C. If a lien is filed on the Apartment or Building due to Tenant's fault, Tenant must promptly pay or bond the amount stated in the lien. Owner may pay or bond the lien if Tenant fails to do so within ten (10) days after Tenant has written notice about the lien, in which case, Owner's costs shall be paid by Tenant as Additional Rent.

10. TENANT'S DUTY TO OBEY AND COMPLY WITH LAWS, REGULATIONS AND RULES

- A. **GOVERNMENT LAWS AND ORDERS.** Tenant will obey and comply (i) with all present and future city, state and federal laws rules, regulations and codes of any governmental or quasi-governmental entity or body which affect the Building or the Apartment, and (ii) with all orders and regulations of insurance rating organizations which affect the Apartment and the Building. Tenant will not allow any windows in the Apartment to be cleaned from the outside unless the prior written consent of the Owner is obtained.
- B. **OWNER'S RULES AFFECTING TENANT.** Tenant, its Permitted Occupants and Tenant Parties must obey all Owner's rules (the "Owner's Rules and Regulations") annexed hereto and made apart hereof as Exhibit B and all future reasonable rules of Owner or Owner's agent. Notice of all additional rules shall be delivered to Tenant in writing or posted in the lobby or other public place in the building. Owner shall not be responsible to Tenant for not enforcing any rules, regulations or provisions of any other tenant's lease except to the extent required by law.
- C. **TENANT'S RESPONSIBILITY.** Tenant is responsible for the behavior of Tenant, the Permitted Occupants of the Apartment, the Tenant Parties and any other people who are visiting the Apartment. Tenant will reimburse Owner as Additional Rent upon demand for the cost of all losses, damages, fines and reasonable legal expenses incurred by Owner because Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other people visiting the Apartment have not obeyed applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity or rules of this Lease.

- 11. OBJECTIONABLE CONDUCT** Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other people visiting the Apartment will not engage in objectionable conduct at the Apartment or the Building. Objectionable conduct ("Objectionable Conduct") means behavior which makes or will make the Apartment or the Building less fit to live in for Tenant or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their apartment, or causes conditions that are dangerous, hazardous, unsanitary or detrimental to other occupants of the Building. Objectionable Conduct by Tenant, the Tenant Parties, or any other people visiting the Apartment is a non-curable event and gives Owner the right to end this Lease on six (6) days' written notice to Tenant that this Lease will end.

12. SERVICES AND FACILITIES

- A. **REQUIRED SERVICES.** Owner will provide (i) cold and hot water and heat as required by law, (ii) repairs to the Apartment not caused by Tenant (subject to the terms and conditions of this Lease), the Tenant Parties or any other people visiting the Apartment, as required by law, (iii) elevator service if the Building has elevator equipment; and (iv) the utilities, if any, included in the Rent, as set forth in subparagraph B below. Tenant is not entitled to any Rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.
- B. The following utilities are included in the Rent: **Water, Sewer and Gas.**
- C. **ELECTRICITY AND OTHER UTILITIES.** Tenant acknowledges and understands that Owner has no obligation to supply, or liability in connection with, utilities or services in or to the Apartment (except as may be provided for otherwise in this Lease). Tenant shall be responsible, at Tenant's sole cost and expense, for securing, air conditioning, electricity, gas, cable, phone, and all other utilities and services (except as may be provided for otherwise in this Lease).
1. Tenant shall contract directly with the appropriate utility provider for all aforementioned services (not including the utilities included in the Rent as provided for in subparagraph B).
- D. Stopping or reducing of service(s) will not be reason for Tenant to stop paying Rent, to make a money claim or to claim constructive eviction. Damage to the equipment or appliances supplied by Owner, caused by Tenant's acts, omissions or neglect, or the act, omission or neglect of the Tenant Parties or any other person visiting the Apartment, shall be repaired at Tenant's sole cost and expense. In the event that Tenant fails to make such repairs within a reasonable period of time, Owner shall have the option to make such repairs at Tenant's expense and charge the same to Tenant as Additional Rent. Damage to the equipment or appliances supplied by the Owner, which are not caused by Tenant's negligence, acts or misuse or the negligence, acts or misuse of the Tenant Parties or any other people visiting the Apartment, shall be promptly repaired by the Owner at the Owner's sole cost and expense. Owner may stop service of the plumbing, heating, elevator, air cooling or electrical systems, because of accident, emergency, repairs, or changes until the work is complete. Notwithstanding the foregoing, except in emergency situations, Owner shall provide Tenant no less than twenty-four (24) hours prior written notice of any planned service stoppages. Owner shall take all necessary steps to ensure that service stoppages do not interfere with Tenant's use and enjoyment of the Apartment.
- E. **APPLIANCES.** Appliances supplied by Owner in the Apartment are for Tenant's use. They shall be in working order on the date hereof and will be maintained and repaired or replaced by Owner, except if repairs or replacement are made necessary because of Tenant's or the Tenant Parties' negligence or misuse, Tenant will pay Owner for the cost of such repair or replacement as Additional Rent. Notwithstanding anything to the contrary contained in this Lease, provided the appliance in need of repair has been delivered in working order on the Lease Commencement Date, Tenant shall be responsible for the cost of such appliance's repair or replacement. Tenant must not use a dishwasher, washing machine, dryer, freezer, heater, ventilator or other appliance unless installed by Owner or with Owner's prior written consent (in its sole discretion). Tenant must not use more electric than the wiring or feeders to the Building can safely carry.
- F. **FACILITIES AND AMENITIES** If Owner permits Tenant to use any storeroom, storage bin, laundry or any other facility located in the Building but outside of the Apartment (e.g., fitness center, resident lounge, roof deck, golf simulator, movie theater, swimming pool, spa, etc.), the use of any such facility will be furnished to Tenant for an additional charge and at Tenant's own risk. Tenant will operate at Tenant's expense any coin operated appliances located in any such facility. Owner shall have no obligation to provide any of the aforementioned facilities or any type of doorman, attendant, porter or any other type of similar service at the Building, and Owner may discontinue same without being liable to Tenant therefor or without in any way affecting this Lease or the liability of Tenant hereunder or causing a diminution of Rent and the same shall not be deemed to be a lessening or a diminution of facilities or services within the meaning of any law, rule or regulation now or hereafter enacted, promulgated or issued.

13. INABILITY TO PROVIDE SERVICES Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building. In any of these events, any rights Tenant may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

14. ENTRY TO APARTMENT During reasonable hours and with reasonable notice, except in emergencies, Owner and Owner's representatives, agents and employees may enter the Apartment for the following reasons:

- A. To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; inspect; exterminate; install or work on master antennas or other systems or equipment; and to perform other work and make any and all repairs, alterations, or changes Owner decides are necessary. Tenants Rent will not be reduced because of any of the foregoing.
- B. To show the Apartment to potential renters, buyers or lenders.
- C. For ninety (90) days before the end of the Lease Term, to show the Apartment to persons who wish to lease it.
- D. If, during the last month of the Lease, Tenant has moved out and removed all or almost all of Tenant's property from the Apartment, Owner may enter the Apartment to make changes, repairs, or redecorations. Tenant's Rent will not be reduced for that month and this Lease will not be ended by Owner's entry.
- E. If, at any time, Tenant is not personally present to permit Owner or Owner's representatives, agents or employees to enter the Apartment and entry is necessary or allowed by law or under this Lease, Owner or Owner's representatives, agents or employees may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner or Owner's representatives, agents or employees will not be responsible to Tenant, unless during such entry, any authorized party is negligent or misuses Tenant's property.

15. ASSIGNING; SUBLETTING; ABANDONMENT

- A. **ASSIGNING AND SUBLETTING.** Tenant cannot assign this Lease or sublet the Apartment without Owner's advance written consent in each instance to a request made by Tenant in the manner required by Real Property Law §226-b. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to the request for a Lease assignment properly made, at Tenants request in writing, Owner will end this Lease effective as of thirty days after Tenants request. The first and every other time Tenant wishes to sublet the Apartment, Tenant must get the written consent of Owner unless Owner unreasonably withholds consent following Tenants request to sublet in the manner provided by Real Property Law §226-b. Owner may impose a credit check fee on Tenant in connection with an application to assign or sublet. If Tenants fails to pay Tenants rent, Owner may collect

rent from subtenant or occupant without releasing Tenant from the Lease. Owner will credit the amount collected against the rent due from Tenant. However, Owner's acceptance of such rent does not change the status of the subtenant or occupants to that of direct tenant of Owner and does not release Tenant from this Lease. In addition to the above, Tenant also agrees to not engage in any illegal subletting activity that would result in a violation of McKinney's Multiple Dwelling Law 61-A, Section 4.

- B. ABANDONMENT.** If Tenant moves out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended. Tenant will remain responsible for each monthly payment of Rent and Additional Rent as it becomes due until the earlier of (i) the end of this Lease or (ii) the day the apartment is occupied by a new tenant. In case of abandonment, Tenant's responsibility for Rent and Additional Rent will end only if Owner chooses to end this Lease for default as provided in Article 16 as permitted by law.

16. DEFAULT

- A.** Tenant defaults under the Lease if Tenant acts in any of the following ways:

- (1)** Tenant fails to carry out any agreement or provision of this Lease;
- (2)** Tenant does not take possession or move into the Apartment fifteen (15) days after the beginning of this Lease; or
- (3)** Tenant and the Permitted Occupants of the Apartment move out permanently before this Lease ends;

If Tenant defaults in any one of these ways, other than a default in the agreement to pay Rent and/or Additional Rent, Owner may serve Tenant with a written notice to stop or correct the specified default within ten (10) days. Tenant must then either stop or correct the default within such ten (10) day period, or, if the nature of the default is not reasonably capable of being cured within such ten (10) day period, then Tenant must begin to take all steps necessary to correct the default within ten (10) days and thereafter diligently continue to do all that is necessary to correct the default as soon as possible (however, in no event shall any extension of the aforesaid ten (10) day period exceed thirty (30) days).

- B.** If Tenant does not stop, correct or begin to materially correct a default within ten (10) days as provided for above, or engages in Objectionable Conduct, Owner shall give Tenant a written notice that this Lease will end six (6) days after the date such written notice is sent to Tenant. At the end of the six (6) day period, this Lease will end and Tenant then must move out of the Apartment. Even though this Lease ends, Tenant will remain liable to Owner for unpaid Rent and/or Additional Rent until the earlier of (i) the end of this Lease or (ii) the day the apartment is occupied by a new tenant, and damages caused to Owner after that time as stated in Article 17.
- C.** If Owner does not receive the Rent and/or Additional Rent within five (5) days of when this Lease requires, Owner or Owner's agent shall send Tenant, via certified mail, a written notice stating the failure to receive such Rent and/or Additional Rent. Provided Owner has served Tenant with a fourteen (14) day written demand, and Owner does not receive the overdue Rent within fourteen (14) days after such written fourteen (14) demand for Rent has been made, Owner may commence an action or summary proceeding seeking the payment of all Rent. If the Lease ends, Owner may do the following: (i) enter the Apartment and retake possession of it if Tenant has moved out or (ii) go to court and ask that Tenant and all other occupants in the Apartment be compelled to move out.

Once this Lease has been ended, whether because of default or otherwise, Tenant gives up any right Tenant might otherwise have to reinstate this Lease.

17. REMEDIES OF OWNER AND TENANT'S LIABILITY If this Lease is ended by Owner because of Tenant's default, the following are the rights and obligations of Tenant and Owner.

- A.** Tenant must pay Rent and Additional Rent until this Lease has ended. Thereafter, Tenant must pay an equal amount for what the law calls "use and occupancy" until Tenant actually moves out.
- B.** Once Tenant is out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the Rent in this Lease. Notwithstanding the foregoing, if Tenant vacates the Apartment in violation of the terms of this Lease, then only as required by law, shall Owner use reasonable efforts to re-rent the Apartment at the lesser of the fair market value of the Apartment or the Rent paid hereunder.
- C.** Whether the Apartment is re-rented or not, Tenant must pay to Owner as damages:
- (1)** Owner's expenses for the cost of getting Tenant out and re-renting the Apartment, including, but not limited to, putting the Apartment in good condition, repairing damages, decorating and/or cleaning the Apartment for re-rental, advertising the Apartment and for real estate brokerage fees; and
 - (2)** Owner's expenses for attorney's fees (except in the event of a default judgment).
 - (3)** If the Owner used good faith efforts to re-rent the apartment as required by applicable law, Tenant must also pay the Rent in this Lease until apartment is rented for a rent that is the lesser of (a) fair market value or (b) the rent reserved in this Lease.
- D.** Tenant shall pay all aforementioned damages due in monthly installments on the Rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action.
- E.** If the Rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid Rent and damages which Tenant owes Owner, Tenant cannot receive the difference. Owner's willful failure to re-rent to another tenant will not release or change Tenant's liability for damages.

18. ADDITIONAL OWNER REMEDIES If Tenant does not do everything Tenant has agreed to do, or if Tenant does anything which shows that Tenant intends not to do what Tenant has agreed to do, Owner has the right to ask a Court to make Tenant carry out Tenant's agreements or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 16 and 17 of this Lease.

19. FEES AND EXPENSES (INCLUDING BUT NOT LIMITED TO LEGAL FEES)

- A.** Tenant must reimburse Owner for any of the following fees and expenses incurred by Owner:

- (1)** Making any repairs to the Apartment or the Building, including any appliances in the Apartment, which result from misuse, omissions or negligence by Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other visitors to the Apartment;
- (2)** Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organization concerning the Apartment or the Building which Tenant, the Permitted Occupants of the Apartment, the Tenant

Parties, or any other persons who visit the Apartment or work for Tenant have caused;

- (3) Preparing the Apartment for the next tenant if Tenant moves out of the Apartment before the Lease ending date without Owner's prior written consent;
- (4) Any legal fees and disbursements for the preparation and service of legal notices; legal actions or proceedings brought by Owner against Tenant because of a default by Tenant under this Lease; or for defending lawsuits brought against Owner because of the actions of Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment;
- (5) Removing any of Tenant's property from the Apartment after this Lease is ended;
- (6) Any miscellaneous charges payable to the Owner for services Tenant requested that are not required to be furnished Tenant under this Lease for which Tenant has failed to pay the Owner and which Owner has paid;
- (7) All other fees and expenses incurred by Owner because of the failure to obey any other provisions and agreements of this Lease by Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment or work for Tenant.

These fees and expenses shall be paid by Tenant to Owner as Additional Rent within ten (10) business days after Tenant receives Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, Tenant will still be liable to Owner for the same amount as damages. In the event Tenant does not reimburse Owner within such ten (10) business day period, Owner shall be entitled to deduct the fees and expenses from the Security Deposit as permitted by law.

- B.** Tenant has the right to collect reasonable legal fees and expenses incurred in a successful defense by Tenant of a lawsuit brought by Owner against Tenant or brought by Tenant against Owner to the extent provided by Real Property Law, Section 234.

20. PROPERTY LOSS, DAMAGES OR INCONVENIENCE Tenant understands and agrees that unless caused by the gross negligence or willful misconduct of Owner or Owner's representatives, agents or employees, none of these authorized parties are responsible to Tenant for any of the following (1) any loss of or damage to Tenant or Tenant's property in the Apartment or the Building due to any accidental or intentional cause, including a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to Tenant's property delivered to any employee of the Building (e.g., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to Tenant by actions, negligence or violations of their lease made by any other tenant or person in the Building except to the extent required by law. Tenant further understands and agrees that Owner's employees are not authorized by Owner to care for Tenant's personal property. Owner is not responsible for any loss, theft, damage to Tenant's personal property, or any injury caused by the property or its use by Building employees.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or on behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Owner will not be liable to Tenant for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the Rent or allow Tenant to cancel the Lease.

21. FIRE OR CASUALTY

- A.** Tenant shall give Owner immediate notice in case of fire or other damage to the Apartment. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under subparagraph C below or by Tenant under subparagraph D below. However, the Rent will be reduced as of the date of the fire, accident or other casualty. This reduction will be based upon the square footage of the Apartment which is unusable, as determined by Owner.
- B.** Owner will repair and restore the Apartment, unless Owner decides to take actions described in subparagraph C below. For the sake of clarity and emphasis, Owner is not required to repair or restore the Apartment or replace the furnishings, decorations or any of Tenant's property, and furthermore (unless otherwise agreed to by Owner in writing), Owner shall not be responsible for any delays due to settling insurance claims, obtaining cost estimates, labor, material, equipment and/or supply problems, force majeure or for any other delay beyond Owner's reasonable control. If the Lease is cancelled, Owner need not restore the Apartment.
- C.** After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving Tenant written notice of this decision within the later of sixty (60) days after the date when the damage occurred or ten (10) business days after Owner is advised by its insurance carrier as to the amount of insurance proceeds it will have available to restore the Apartment. If there is substantial damage to the Apartment or if the Apartment is completely unusable, Owner may cancel this Lease by giving Tenant written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is unusable when Owner gives Tenant such notice, this Lease will end sixty (60) days from the last day of the calendar month in which Tenant was given notice.
- D.** If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in thirty (30) days, Tenant may give Owner written notice that Tenant ends the Lease. If Tenant gives that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will promptly refund Tenant's Security Deposit and the pro-rata portion of Rent (and Additional Rent, as applicable) paid for the month in which the casualty happened.
- E.** Unless prohibited by the applicable policies, to the extent that such insurance is collected, Tenant and Owner release and waive all right of recovery against the other or anyone claiming through or under each by way of subrogation.
- F.** Tenant acknowledges that if fire, accident, or other casualty causes damage to any of Tenant's personal property in the Apartment, including, but not limited to Tenant's furniture and clothes, the Owner will not be responsible to Tenant for the repair or replacement of any such damaged personal property unless such damage was as a result of the Owner's negligence.

22. PUBLIC TAKING The entire Building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi- public use or purpose. If this happens, this Lease shall end on the date the government or agency take title. Tenant shall have no claim against Owner for any damage resulting; Tenant also agrees that by signing this Lease, Tenant assigns to Owner any claim against the government or government agency for the value of the unexpired portion of this Lease.

23. SUBORDINATION CERTIFICATES AND ACKNOWLEDGMENTS Notwithstanding any provisions to the contrary contained in this Lease, this Lease and Tenant's rights, are subject and subordinate to all present and future: (a) leases for the Building or the land on which it stands, (b) Owner's mortgage(s) now existing or hereinafter existing), (c) agreements securing money paid or to be paid by a lender, and (d) terms, conditions, renewals, changes of any kind and extensions of the mortgages, leases or lender agreements. If certain provisions of any such mortgage come into effect, the holder of any such mortgage can end this Lease and such parties may commence legal action to evict Tenant from the Apartment . If this happens, Tenant acknowledges that Tenant has no claim against Owner or such lease or mortgage holder. If Owner requests, Tenant will sign promptly any acknowledgment(s) of the "subordination" in the form that Owner may require. Tenant authorizes Owner to sign such acknowledgment(s) for Tenant if Tenant fails to do so within five (5) days of Owner's request.

Tenant also agrees to sign (if accurate) a written acknowledgment within ten (10) days of request to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that Tenant has no present claim against Owner.

24. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT If Tenant pays the Rent and any required Additional Rent on time and Tenant does everything Tenant has agreed to do in this Lease, Tenant's tenancy cannot be cut off before the ending date, except as provided for otherwise in this Lease, including, but not limited to, in Articles 21, 22, and 23.

25. BILLS AND NOTICE; ELECTRONIC SIGNATURES

(A) Notices to Tenant. Any notice from Owner or Owner's agent or attorney will be considered properly given to Tenant if it (1) is in writing; (2) is signed by or in the name of Owner or Owner's agent or attorney; and (3) is (a) addressed to Tenant at the Apartment and delivered to Tenant personally or sent by registered or certified mail to Tenant at the Apartment or (b) sent to Tenant electronically to an email address Tenant has provided to Owner or an email address from which Tenant communicated by email to Owner. The date of service of any written notice by Owner to Tenant under this Lease is the date of delivery or mailing of such notice.

(B) Notices to Owner. If Tenant wish to give a notice to Owner, Tenant must write it and deliver it or send it by registered, or certified mail to Owner at the address noted on page 1 of this Lease, or at another address of which Owner or Agent has given Tenant written notice.

(C) An electronic signature on this Lease, rider or any renewal of Owner or Tenant shall be deemed an original document and a binding signature pursuant to the Electronic Signatures and Records Act of the State Technology Law.

26. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

A. Both Tenant and Owner agree to give up the right to a trial by jury in a court action, proceeding or counterclaim (excluding compulsory counterclaims) on any matters concerning this Lease, the relationship of Tenant and Owner as lessee and lessor or Tenant's use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.

B. If Owner begins any court action or proceeding against Tenant which asks that Tenant be compelled to move out, Tenant cannot make a counterclaim unless Tenant is claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

27. NO WAIVER OF LEASE PROVISIONS

A. Even if Owner accepts Tenant's Rent and/or Additional Rent or fails once or more often to take action against Tenant when it has not done what Tenant has agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of Rent and/or Additional Rent does not prevent Owner from taking action at a later date if Tenant does not do what Tenant has agreed to do herein.

B. Only a written agreement between Tenant and Owner can waive any violation of this Lease.

C. If Tenant pays and Owner accepts an amount less than all the Rent and/or Additional Rent due, the amount received shall be considered in payment of all or part of the earliest Rent and/or Additional Rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the Rent and/or Additional Rent due unless there is a written agreement between Tenant and Owner.

D. Any agreement to end this Lease and also to end the rights and obligations of Tenant and Owner must be in writing, signed by Tenant and Owner or Owner's agent. Even if Tenant gives keys to the Apartment and they are accepted by Owner or Owner's representative, this Lease is not ended.

28. CONDITION OF THE APARTMENT; APARTMENT RENTED "AS IS" By signing this Lease Tenant acknowledges that Owner, Owner's representatives or superintendent has not made any representations or promises with respect to the Building or the Apartment except as herein expressly set forth. After signing this Lease but before Tenant begins occupancy, Tenant shall have the opportunity to inspect the Apartment with Owner or Owner's agent to determine the condition of the Apartment. If Tenant requests such inspection, the parties shall execute a written agreement before Tenant begins occupancy of the Apartment attesting to the condition of the Apartment and specifically noting any existing defects or damages. Before taking occupancy of the Apartment, Tenant has inspected the Apartment (or Tenant has waived such inspection) and Tenant accepts it in its present condition "as is," except for any condition which Tenant could not reasonably have seen during Tenant's inspection. Tenant agrees that Owner has not promised to do any work in the Apartment except as specified in Exhibit C annexed hereto (if any) and made apart hereof.

29. HOLDOVER

A. At the end of the Term, Tenant shall: (1) return the Apartment to the Owner in broom clean, vacant and in good condition, ordinary wear and tear excepted; (2) remove all of Tenant's property and all of Tenant's installations, alterations and decorations (if so directed by Owner); and (3) repair all damages to the Apartment and Building caused by moving; and restore the Apartment to its condition at the beginning of the Term ordinary wear and tear excepted.

B. Tenant hereby indemnifies and agrees to defend and hold Owner harmless from and against any loss, cost, liability, claim, damage, fine, penalty and expense (including reasonable attorneys' fees and disbursements but excluding consequential or punitive damages) resulting from delay by Tenant in surrendering the Apartment upon the termination of this Lease, including any claims made by any succeeding tenant or prospective tenant or successor landlord founded upon such delay.

C. If Tenant holds over possession after the expiration date of the Lease or earlier termination of the Lease term or any extended term of this Lease, such holding over shall not be deemed to extend the term of this Lease or renew this

Lease. Under no circumstances (1) will such holdover constitute a month-to-month tenancy, (2) shall this Article 29 imply any right of Tenant to remain in the Apartment after the expiration or earlier termination of this Lease, (3) will Owner be prohibited from exercising any rights permitted by law against a holdover tenant; or (4) will any monies paid by Tenant or accepted by Owner (e.g., Rent, Additional Rent, holdover rent or otherwise) after the expiration or earlier termination of this Lease be deemed to reinstate any form of tenancy between Tenant and Owner. In connection with such holdover, Tenant shall pay the following charges for the use and occupancy of the Apartment for each calendar month or part thereof (even if such part shall be a small fraction of a calendar month), which total sum Tenant agrees to pay to Owner per month promptly upon demand, in full, without set-off or deduction:

- i) Up to TWO (2) times the highest monthly Rent set forth in this Lease, plus
- ii) Items of Additional Rent that would have been payable monthly pursuant to this Lease, had this Lease not expired or terminated,

The aforesaid provisions of this Article 29 shall survive the expiration or earlier termination of this Lease.

30. DEFINITIONS

- A. Owner: The term "Owner" means the person or organization receiving or entitled to receive Rent and Additional Rent from Tenant for the Apartment at any particular time other than a rent collector or managing agent of Owner. Owner is the person or organization that owns legal title to the Apartment. It does not include a former owner, even if the former owner signed this Lease.
- B. Tenant: The Term "Tenant" means the person or persons signing this Lease as lessee and the respective heirs, distributes, executors, administrators, successors and assigns of the signer. This Lease has established a lessor-lessee relationship between Owner and Tenant.

31. SUCCESSOR INTERESTS The agreements in this Lease shall be binding on Owner and Tenant and on those who succeed to the interest of Owner or Tenant by law, by approved assignment or by transfer.

32. INSURANCE

- A. As a material inducement for Owner to enter into this Lease, owner may require Tenant to obtain (1) liability insurance insuring Tenant, the Permitted Occupants of the Apartment, the Tenant Parties and any other people visiting the Apartment, and (2) personal property insurance insuring Tenant's furniture and furnishings and other items of personal property located in the Apartment. Tenant may not maintain any insurance with respect to any furniture or furnishings belonging to Owner that are located in the Apartment unless otherwise directed by Owner. Tenant acknowledges that Owner may not be required to maintain any insurance with respect to the Apartment.
- B. Owner is not liable for loss, expense, or damage to any person or property, unless due to Owner's gross negligence or wrongful acts. Owner is not liable to Tenant for permitting or refusing entry of anyone into the Building. Tenant must pay for damages suffered and reasonable expenses of Owner relating to any claim arising from any act, omission or neglect by Tenant. If an action is brought against Owner arising from Tenant's acts, omissions or neglect, Tenant shall defend Owner at Tenant's sole cost and expense with an attorney reasonably acceptable to Owner. Tenant is responsible for all acts, omissions or neglect of the Tenant Parties.
- C. Tenant shall indemnify and save harmless Owner from and against any and all liability, penalties, losses, damages, expenses, suits and judgments arising from injury during the term of this Lease to person or property of any nature and also from any matter growing out of the occupation of the Apartment, provided however that such is not the result of Owner's gross negligence or wrongful acts or that of Owner's employees, or agents. Tenant agrees, at Tenant's sole cost and expense to procure and maintain at all times during the Lease term the following insurance:
 - (i) General Liability Insurance for an amount **not less than \$300,000.00** Dollars and
 - (ii) Renters Insurance, which covers any, and all personal property or belongings contained in the Apartment. Tenant agrees to hold Owner harmless regarding these personal belongings due to loss or damage except in cases of Owner's gross negligence.
- D. The aforementioned insurance policies shall name Owner and the property manager (if applicable) as additional insureds or interests, as applicable. If renters insurance is required, in the event of Tenant's failure to procure and/or maintain the aforementioned policies prior to the date possession of the Apartment is ready to be delivered to Tenant on the Lease Commencement Date, Owner may (i) refuse to deliver possession of the Apartment to Tenant until such time as evidence of such insurance is delivered by Tenant to Owner (however, Tenant shall nonetheless remain responsible for the payment of Rent and Additional Rent as of the Lease Commencement Date), and/or (ii) order such insurance policies, pay the premiums, and add the amount thereof to the Rent next coming due as Additional Rent, and the Owner shall have all rights and remedies for the collection thereof as is provided for collection of ordinary Rent. The abovementioned insurance policies shall provide for no less than thirty (30) days' notice of cancellation or modification to Owner, and Tenant shall provide Owner with a copy of such insurance policies. Evidence of the aforesaid coverage being in place shall be presented to the Owner on or before the first day of the term of this Lease and may be requested at any time during term of this Lease. Such insurance policies are to be written by a good and solvent company licensed to do business in the state of New York. Tenant shall immediately reimburse Owner for the cost of any insurance policy Owner obtains for the Apartment, including but not limited to insurance for Owner's furniture or furnishings in the Apartment. Tenant acknowledges that Owner may not be required to maintain any insurance with respect to the Apartment.

33. FURNITURE ~~If the Apartment is being leased as fully furnished, Tenant shall take good care of the Apartment Furniture during the tenancy of this Lease and shall be liable for any damages caused by Tenant or Tenant Parties to the Apartment Furniture. Tenant shall not be responsible for any damages to the Apartment Furniture not caused by Tenant or Tenant Parties or caused by ordinary wear and tear. Tenant shall surrender the Apartment Furniture when this Lease terminates in the same condition as on the date this Lease commenced, subject to ordinary wear and tear. If any repairs are required to the Apartment Furniture when this Lease terminates, Tenant shall pay Owner upon demand the cost of any required repairs.~~

~~Tenant may not remove the Apartment Furniture from the Apartment or change the location of the Apartment Furniture during the tenancy of this Lease without Owner's prior written consent.~~

34. TERRACES, BALCONIES AND BACKYARDS ~~All of the terms and conditions of this Lease apply to the terrace, balcony and/or backyard (as applicable). Tenant's use of the terrace or balcony must comply with any rules that may be provided to Tenant by Owner.~~

~~Tenant shall clean the terrace or balcony and keep the terrace or balcony free from snow, ice, garbage and other debris. No cooking is allowed on the terrace or balcony except as may be otherwise permitted by law. Tenant may not install a fence or any addition on the terrace or balcony. Tenant is responsible for making all repairs to the terrace or balcony if caused by Tenant, the Tenant Parties or any other visitor to the Apartment, at Tenant's sole expense.~~

35. LEAD PAINT DISCLOSURE ~~If applicable, simultaneously with the execution of this Lease, Tenant and Owner shall sign and complete the disclosure of information on lead-based paint and/or lead-based paint hazards annexed as a rider attached to this Lease. Tenant acknowledges receipt of the pamphlet, "Protect Your Family From Lead in Your Home" prepared by the United States Environmental Protection Administration.~~

36. PETS

A. Dogs or animals of any kind shall not be kept or harbored in the Apartment, unless in each instance it be expressly permitted in writing by Owner. This consent, if given, can be taken back by Owner at any time for good cause on reasonably given notice. Unless carried or on a leash, a dog shall not be permitted on any passenger elevator or in any public portion of the building. Also, dogs are not permitted on any grass or garden plot under any condition. BECAUSE OF THE HEALTH HAZARD AND POSSIBLE DISTURBANCE OF OTHER TENANTS WHICH ARISE FROM THE UNCONTROLLED PRESENCE OF ANIMALS, ESPECIALLY DOGS, IN THE BUILDING, THE STRICT ADHERENCE TO THE PROVISIONS OF THIS RULE BY EACH TENANT IS A MATERIAL REQUIREMENT OF EACH LEASE. TENANT'S FAILURE TO OBEY THIS RULE SHALL BE CONSIDERED A SERIOUS VIOLATION OF AN IMPORTANT OBLIGATION BY TENANT UNDER THIS LEASE. OWNER MAY ELECT TO END THIS LEASE BASED UPON THIS VIOLATION.

37. KEYS/SECURITY

A. Tenant shall not remove, alter, or change in any way the existing locks, security codes or keys that are provided for the Apartment or any part thereof. Tenant assumes liability for any person keys are entrusted to. The name, address and telephone number of any person with an additional set of keys to the Apartment are required to be furnished to Owner or its managing agent. Only Owner may make such additional sets of keys upon Tenant's written request with the abovementioned information. Owner will not refuse any such reasonable request. All extra sets of keys must be returned to Owner no later than one (1) day prior to move out unless agreed to by Owner. In the event that all keys are not returned to the Owner by or before the last day of tenancy, Tenant agrees to pay for the replacement cost as mentioned below (or part thereof if Owner deems it appropriate).

B. Tenant agrees and understands that Tenant will be charged a re-keying fee in the sum of \$350.00 for the entrance door each and every time a key replacement is required or deemed necessary by Owner if the need arises due to Tenant's loss of the key, employee changes, or request. Said charges shall be deemed Additional Rent.

38. WINDOW GUARDS Simultaneously with the execution of this Lease, Tenant shall complete and deliver to Owner a notice with respect to the installation of window guards in the Apartment in the form required by the City of New York annexed as a rider attached to this Lease. Tenant acknowledges that it is a violation of law to refuse, interfere with installation, or remove window guards where required.

39. BED BUG DISCLOSURE Tenant and Owner shall sign and complete the disclosure of bedbug infestation history annexed as a rider attached to this Lease.

40. SPRINKLER DISCLOSURE Tenant and Owner shall sign and complete the sprinkler disclosure annexed as a rider attached to this Lease.

41. OCCUPANCY NOTICE FOR INDOOR ALLERGEN HAZARDS Owner shall complete and deliver to Tenant the Occupancy Notice for Indoor Allergen Hazards annexed as a rider attached to this Lease. Owner acknowledges that it has delivered to Tenant "What Every Tenant Should Know About Indoor Allergens" and Tenant acknowledges receipt of such notice.

42. STOVE KNOB COVERS Simultaneously with the execution of this Lease, Tenant shall complete and deliver to Owner the Annual Notice for Tenants in Multiple Dwelling Units with gas-powered stoves annexed as a rider attached to this Lease.

43. NO SHORT-TERM RENTAL Under no circumstances are you permitted to rent space in the Premises to occupants on a short-term or transient basis, or for any short-term occupancy that may be governed by or prohibited by state or local laws, including, but not limited to, those applicable to transient housing, code violations or hotel taxes. You are specifically prohibited from advertising the Premises for rental by short-term or transient occupants on websites such as Airbnb, Craigslist, Expedia, [Hotels.com](https://www.hotels.com) or any other similar locator sites. It shall be considered a substantial and material breach of this Lease should we become aware of any violation of these short-term stay provisions or incur any loss as a result of your violation of this provision.

A breach of these covenants by the Tenant shall be grounds for immediate termination of the Lease by the Owner and Owner may serve a written ten (10) days' notice of cancellation of this Lease upon Tenant and, upon the expiration of said ten (10) days, this Lease and the Term shall end and expire as fully and completely as if the expiration of such ten (10) day period were the day herein definitely fixed for the end and expiration of this Lease and Tenant shall then quit and surrender the Apartment to Owner, but Tenant shall remain liable as elsewhere provided in this Lease. Owner may commence a summary proceeding to evict the Tenant from the Apartment upon the expiration of said ten (10) day period. Owner may also enforce these covenants and prohibitions in a court of competent jurisdiction by a decree of specific performance and by appropriate injunctive relief, all in accordance with applicable law.

TENANT AGREES TO INDEMNIFY AND HOLD OWNER HARMLESS FROM AND AGAINST ANY AND ALL LOSS OR DAMAGE WHICH OWNER MAY INCUR AS A RESULT OF THE BREACH BY TENANT OF ANY OF THE FOREGOING, INCLUDING, WITHOUT LIMITATION, ANY WITHHOLDING OF RENT BY TENANTS OF THE BUILDING, ANY AND ALL FINES OR PENALTIES IMPOSED ON OWNER BY ANY GOVERNMENTAL AGENCY AND ALL ATTORNEYS' FEES AND DISBURSEMENTS INCURRED BY OWNER IN CONNECTION WITH ANY LITIGATION OR NEGOTIATIONS WITH TENANT OR ANY OTHER TENANTS OF THE BUILDING, OR WITH ANY GOVERNMENTAL AGENCY, WITH RESPECT TO TENANT'S VIOLATION OF THE RESTRICTIONS AGAINST SHORT TERM RENTALS OR ADVERTISING THE APARTMENT FOR A SHORT TERM RENTAL. TENANT ACKNOWLEDGES BEING INFORMED THAT CURRENTLY THE PENALTY FOR ADVERTISING SHORT TERM RENTALS OR FOR RENTING AN APARTMENT AS A SHORT-TERM RENTAL AS DEFINED HEREIN CAN BE AS HIGH AS \$7,500.00 PER VIOLATION AND TENANT SHALL BE RESPONSIBLE TO PAY THE FULL AMOUNT OF THE PENALTY.

TENANT FURTHER AGREES TO INDEMNIFY AND HOLD OWNER HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, LOSS OR DAMAGE RESULTING FROM OWNER, ITS AGENTS OR EMPLOYEES, GRANTING ACCESS TO THE BUILDING TO ANYONE RENTING THE APARTMENT FROM TENANT ON A SHORT-TERM BASIS OR OTHERWISE.

- 44. INDEMNIFICATION** Tenant shall indemnify and save harmless Owner and Owner's agents and, at Owner's option, defend Owner and Owner's agents against and from any and all claims against Owner and Owner's agents arising wholly or in part from any act, omission or negligence of Tenant or the Tenant Parties. This indemnity and hold harmless agreement shall include indemnity from and against any and all liability, fines, suits, demands, costs, damages and expenses of any kind or nature (including without limitation attorney's and other professional fees and disbursements) incurred in or in connection with any such claims (including any settlement thereof) or proceeding brought thereon, and the defense thereof
- 45. NOISE** Tenant shall not create any unreasonable noise levels which shall interfere with the quiet enjoyment of the other tenants of the Building or the neighbors of the Building. Tenant agrees to promptly notify Owner in writing of all noise complaints or summons which Tenant receives in writing, and to submit a proposal reasonably satisfactory to Owner as to how to handle same and assure that such complaints shall not recur.
- 46. WAIVER OF LIABILITY** Anything contained in this Lease to the contrary notwithstanding, Tenant agrees that Tenant shall look solely to the estate and property of Owner in the Apartment or to any proceeds obtained by Owner as a result of a sale by Owner of the Apartment, for the collection of any judgment (or other judicial process) requiring the payment of money by Owner in the event of any default or breach by Owner with respect to any of the terms and provisions of this Lease to be observed and/or performed by Owner, subject, however, to the prior rights of any lessor under a superior lease or holder of a superior mortgage. **§ 421-A RIDER TO LEASE AGREEMENT
(35 YEAR 421-A FINAL BENEFITS)
MARKET RATE UNITS**

LEASE DATED: September 15, 2024 OWNER: RXR 2413 Third Owner LLC

APARTMENT: 1704 in BUILDING at 2413 Third Avenue, Bronx, NY 10451

TENANT: Brandon Stroud

Tenant ("You") are about to sign and deliver to Owner a Lease or a Lease Renewal (the "Lease") for the Apartment in the Building indicated above, dated as of the date shown above. In order to induce Owner to sign the Lease and rent the Apartment to You, You acknowledge and agree that:

I. NOTICE REGARDING EXPIRATION OF RENT STABILIZATION & § 421-A TAX BENEFITS

OWNER HAS OBTAINED OR EXPECTS TO OBTAIN REAL ESTATE TAX EXEMPTION BENEFITS PURSUANT TO REAL PROPERTY TAX LAW SECTION 421-A ("§ 421-A").

PLEASE BE ADVISED THAT THE APARTMENT IS NOT SUBJECT TO RENT STABILIZATION IF, ON THE DATE OF INITIAL OCCUPANCY OR THE DATE OF OCCUPANCY AFTER ANY VACANCY LEASE FOR THIS APARTMENT, THE AMOUNT OF MONTHLY RENT CHARGED FOR THE APARTMENT EXCEEDS THE DEREGULATION RENT THRESHOLD ("DRT") AS SET BY THE NEW YORK STATE DIVISION OF HOUSING AND COMMUNITY RENEWAL AND APPLICABLE AT THAT TIME. FOR THE PERIOD BETWEEN JANUARY 1, 2024 AND DECEMBER 31, 2024, THE DRT IS \$2,774.76 AND SHALL INCREASE EACH JANUARY 1ST THEREAFTER BY THE ONE YEAR RENEWAL LEASE GUIDELINE PERCENTAGE ISSUED THE PRIOR YEAR BY THE NEW YORK CITY RENT GUIDELINES BOARD.

NOTWITHSTANDING THE ABOVE, SOLELY AS A RESULT OF § 421-A, IF THE INITIAL RENT FALLS BELOW THE DRT, AS PREVIOUSLY DEFINED, THEN THE APARTMENT WILL BE SUBJECT TO THE RENT STABILIZATION LAW ("RSL") AND CODE ("CODE"). OWNER IN GOOD FAITH BELIEVES THAT THE § 421-A TAX BENEFITS WILL EXPIRE ON OR ABOUT OCTOBER 24, 2058.

§ 421-A PROVIDES THAT THE BUILDING WILL BE SUBJECT TO THE RSL FOR THIRTY-FIVE (35) YEARS, AND, UNLESS THE PRESENT LAWS ARE CHANGED, THE APARTMENT WILL ALSO BE SUBJECT TO STANDARD RENT INCREASES ON LEASE RENEWALS DURING SAID THIRTY-FIVE (35) YEAR PERIOD, AS APPROVED BY THE RENT GUIDELINES BOARD. ANY INCREASES GRANTED BY THE RENT GUIDELINES BOARD SHALL BE MADE TO THE RENT SHOWN IN THE ORIGINAL LEASE OR THE MOST RECENT LEASE RENEWAL NOTICE AS APPLICABLE.

THIS RIDER IS SUBORDINATE TO THE TERMS OF A CERTAIN § 421-A RESTRICTIVE DECLARATION TO BE EXECUTED BY OWNER (THE "§ 421-A RESTRICTIVE DECLARATION"). THE § 421-A RESTRICTIVE DECLARATION IMPOSES CERTAIN CONDITIONS ON OWNER UNTIL IT TERMINATES ON A DATE WHICH IS THIRTY-FIVE (35) YEARS FROM THE DATE OF COMPLETION OF CONSTRUCTION (COMMENCING ON THE ISSUANCE OF THE EARLIER OF (A) THE FIRST TEMPORARY CERTIFICATE OF OCCUPANCY FOR ALL RESIDENTIAL AREAS IN THE BUILDING OR (B) A PERMANENT CERTIFICATE OF OCCUPANCY FOR THE ENTIRE BUILDING). THIS PERIOD IS CALLED THE "RESTRICTION PERIOD." OWNER IN GOOD FAITH BELIEVES THAT THE RESTRICTION PERIOD WILL END ON OR ABOUT OCTOBER 24, 2058. IF ON THE DATE OF INITIAL OCCUPANCY AND THE DATE OF OCCUPANCY AFTER ALL VACANCY LEASES FOR THIS APARTMENT, THE AMOUNT OF MONTHLY RENT CHARGED FOR THE APARTMENT IS BELOW THE DRT, THEN UPON THE EXPIRATION OF THE LEASE IN EFFECT WHEN THE RESTRICTION PERIOD ENDS, THE APARTMENT WILL NO LONGER BE RENT STABILIZED. AFTER SUCH DATE, THE APARTMENT WILL NOT BE REGULATED AS TO THE AMOUNT OF RENT THAT MAY BE CHARGED FOR THE APARTMENT NOR WILL THE OWNER BE LEGALLY OBLIGATED TO RENEW THE LEASE. IF THE OWNER SHOULD ELECT TO RENEW THE LEASE AT THAT TIME, THE OWNER WILL NOT BE LEGALLY BOUND BY ANY GOVERNMENTAL RENT GUIDELINES AND MAY CHARGE AN UNREGULATED RENT.

HOWEVER, AS PREVIOUSLY INDICATED, IF ON THE DATE OF INITIAL OCCUPANCY OR OCCUPANCY AFTER ANY VACANCY LEASE FOR THIS APARTMENT, THE AMOUNT OF MONTHLY RENT CHARGED FOR THE APARTMENT EXCEEDS THE DRT, THIS APARTMENT IS NOT SUBJECT TO THE RSL AND CODE.

TENANT ACKNOWLEDGES THAT HE OR SHE HAS BEEN INFORMED OF OWNER'S RIGHT TO INCLUDE THIS PROVISION IN THE LEASE.

II. YOUR CONFIRMATION

By signing this Rider below, You confirm that You have read and understand this Rider, and that you agree to all of its terms and requirements. If more than one person is a tenant under the Lease, each of us signing below, acknowledges, represents and agrees with the foregoing.

ADDITIONAL CLAUSES attached to and forming a part of Lease dated **September 6, 2024** between **RXR 2413 Third Owner LLC** Owner/Agent and **Brandon Stroud** as Tenant(s), for Apartment **1704** in the premises located at **2413 Third Avenue, Bronx, NY 10451**.

In the event of any inconsistency between the provisions of this Rider and the provisions of The Standard Form of Apartment Lease, The Real Estate Board of New York, Inc. form, hereinafter referred to as the printed form, to which this Rider is annexed, the provisions of this Rider shall govern and be binding. The provisions of this Rider shall be construed to be in addition to and not in limitation of the rights of the Owner and the obligations of the Tenant.

62. Occupancy. It is understood that the above mentioned apartment is to be used for residential living purposes only. Further the Tenant understands and agrees that the Apartment shall be occupied by the Tenant or Tenants named above and by immediate family members of the Tenant or Tenants. So long as the Tenant(s) occupies the Apartment as his or her or their primary residence, if this lease has only one named Tenant named thereon, the Apartment may also be occupied by one additional occupant and the dependent children of said occupant. If this lease has two or more tenants named herein, the Apartment may be occupied by additional occupant(s) and the dependent children of said occupant(s), provided, however, that the total number of Tenants and occupants (exclusive of said occupant(s) dependent children) does not exceed the number of tenants named in the lease. In no event may any occupant occupy the apartment unless at least one person named in the lease as Tenant shall be in occupancy of the Apartment as his or her primary residence. Tenant agrees to inform the Owner, in writing, of the name of each immediate family member, occupant and their dependent children, if any, within thirty (30) days following the Owner's written request therefore. Tenant agrees that, absent express written consent by the Owner, no family member, occupant dependent child thereof or any other person other than the Tenant(s) shall acquire any right to occupancy rights to the Apartment. Neither the tender nor the acceptance of a rent payment by or on behalf of any person other than the Tenant(s) named on the lease shall constitute such express written consent. Occupancy which does not conform with this paragraph in all respects including timely response to owner's written request for the names of each individual family member-occupant and their dependent children, shall constitute a violation of a substantial obligation of the tenancy which may lead to a termination of th

63. Pet Rider. It is agreed between the parties that the Tenant will not harbor a dog or any other animal in the apartment, for any reason whatsoever, without the written permission of the Owner. The harboring of a dog or any other animal constitutes a material violation of a substantial obligation of this Lease, and of the Tenant's tenancy. Tenant understands, acknowledges, and agrees that the harboring of a dog or any other animal without the Owner's permission constitutes a default of the Tenant's Lease, and that the Owner may commence summary proceedings to evict the Tenant from the apartment. Owner's permission to other Tenants in the Building to harbor dogs or any other animals does not constitute a waiver of this provision.

If permission is given by the Owner to harbor a particular dog, this will not be construed as permission to harbor an additional dog or a different dog. This clause shall be applicable whether or not the permission is explicitly given or by reason of the New York City Pet Law.

64. Illegal Activity/Eviction. It is expressly agreed and understood that any Tenant, any member of Tenant's family, Tenant's employees, guests, or invitees who conduct any illegal trade, or manufacture, or other illegal business, or activity in the Building, the Apartment, common area or grounds surrounding the Building shall be subject to immediate eviction from the premises. In the event the objectionable conduct is deemed by Owner to be of a continuing nature, then Owner need only serve a six (6) day termination notice based upon the allegations of objectionable conduct.

65. Objectionable Conduct. Notwithstanding anything contained herein above to the contrary, and in particular, Article 16(1)(b), Owner is not required to serve a notice of default in the event of objectionable conduct on the part of the Tenant as described in the Article above. In the event the objectionable conduct is deemed by Owner to be of a continuing nature, then Owner need only serve a six (6) day termination notice based upon the allegations of objectionable conduct.

66. Noise.

- a. No Tenant shall make or permit any disturbing noises in the Building by him/herself, his/her family, friends, guests, employees, or servants, nor do or permit anything by such persons that will interfere with the rights, comforts, or convenience of other Tenants.
- b. No Tenant shall make or permit any disturbing noises or activity or permit anything to be done in Tenant's Apartment that will interfere with the rights, comforts or conveniences of other Tenants at any time. No Tenant shall play or suffer to be played any musical instruments, or operate or permit to be operated a stereo, radio, television or CD player, loud speakers or similar devices in Tenant's Apartment between the hours of 10:00 p.m. and the following 8:00 a.m. if the same shall disturb or annoy any other occupant of the Building. No construction, repair work or other installation by Tenant that involves noise or vibration shall be conducted in any Apartment except on weekdays, excluding legal holidays, and only between the hours of 9:00 a.m. and 5:00 p.m.

67. Electrical Appliances. Tenant shall not install, maintain or use any additional electrical appliances in the Apartment without first obtaining prior written consent of the Owner. Such electrical appliances include, but are not limited to, laundry machines, dishwashers, satellite dishes, air conditioners, ventilating equipment, garbage disposals, trash compactors, radio transmitters, and electric heating units.

68. Illegal Sublet. The Tenant's utilization of any service, or the listing by the Tenant on any internet website, or in any newspaper or periodical, or the posting or advertising in any manner of the Apartment for short term rental, short term license, short term occupancy or the short term use, of any type, of the Apartment or any portion thereof, by persons who are not related to the Tenant, shall be deemed a sublet of the apartment, which shall require the prior written approval of the Landlord and must comply with requirements of Section 226-b of the New York State Real Property Law. "Short term" shall mean any period of time which is less than thirty (30) days.

69. Patios, Terraces, and Balconies. Tenant shall keep its terrace or balcony, if any, and the drains located therein, free from all rubbish, dirt, debris or wind-blown materials, and Tenant shall be responsible for any water damage caused to Tenant's apartment or any other apartment or to the Building, resulting from clogged drains or from any other use of such patio, terrace, or balcony. The Tenant may not install a fence or any addition to the terrace or balcony. No plantings or other objects shall be placed on any terrace or balcony without the written permission of the Owner.

70. Public Areas. Tenant acknowledges and agrees that (i) the public halls or stairways of the Building shall not be obstructed or used for any purpose other than ingress to or egress from the apartments in the Building, (ii) no fire tower in the Building shall be obstructed in any way, (iii) no public hall shall be decorated or furnished by any person in any manner, (iv) children

shall not play in the public halls, courts, plaza, public terraces, lobby, elevators, or fire towers, (v) children shall not be fed or diapered in the lobby or in any other public areas of the Building, (vi) housekeepers and caregivers shall not congregate in the lobby or in other public areas of the Building, and (vii) children shall at all times be supervised by an adult while in the public areas of the Building.

- 71. Barbecuing Prohibited.** Tenant agrees that he/she shall not cook or barbecue on any balconies or terraces located in the building, regardless of whether such balcony or terrace is a part of the leased premises.
- 72. Walls.** This shall supplement paragraph 10 of this Lease Agreement. The tenant understands and agrees that no walls (ceiling height or below) including but not limited to pressure walls and temporary walls shall be allowed to be constructed in the leased premises. Any bookcase installed in the leased premises that subdivides a room is considered a wall. The subdivision of any room in the leased apartment is a substantial violation of this lease agreement.
- 73. Delay in Giving Possession.** This paragraph replaces paragraph 5 of this Lease. A situation could arise which might prevent Owner from letting Tenant move into the Apartment on the beginning date set in this Lease. If this happens from reasons beyond Owner's reasonable control, Owner will not be responsible for Tenant's damages or expenses and this Lease will remain in effect. Tenant agrees that these are examples of delays beyond Owner's reasonable control. However, in case of a delay, this Lease will start on the date when Owner is able to allow Tenant to move in. Tenant will not have to pay rent until the move-in date which Owner will give Tenant by written notice at least fourteen days in advance, or the date Tenant moves in, whichever is earlier. If Owner is not able to allow Tenant to move in until a day in a later calendar month, the ending date in Article 2 will be changed to the last day of the calendar month after Tenant is able to take possession plus the whole number of years of the original term without regard to any days which are only part of the initial month, except that if Tenant is not able to move in until a day in a later calendar month than the first day of that month, then the term will end on the day before plus the whole number of years of the original term without regard to any days which are only part of the initial month (For example, (a) if the beginning date in paragraph 2 is August 15, 2007 and the ending date is August 31, 2008 and the Owner is not able to allow Tenant to take possession until August 28, 2007 the ending date would remain unchanged at August 31, 2008; (b) if the beginning date in paragraph 2 is August 15, 2007 and the ending date in paragraph 2 is August 31, 2008, and the Owner is not able to allow Tenant to take possession until September 3, 2007, the ending date would be September 30, 2008; (c) if the beginning date in paragraph 2 is August 15, 2007, and the ending date in paragraph 2 is August 31, 2008, and the Owner is not able to allow Tenant to take possession until October 1, 2007, the ending date would be September 30, 2008. If Owner does not give Tenant written notice of the move-in date that is within 45 days of the beginning date of the term of the Lease as stated in Article 2, Tenant may tell Owner in writing that Owner has 15 additional days to let Tenant move in, or else the Lease will end. If Owner does not allow Tenant to move in within those additional 15 days, then the Lease is ended. Any money paid by Tenant on account of this Lease will then be refunded promptly by Owner.
- 74. Ceiling Heights.** Tenant acknowledges that the Tenant has been advised that bathroom, kitchen and some closets and hallways have ceiling heights of 7'11". Typical ceiling heights are between 8'9" except in a few floors where ceiling heights are higher. Tenant agrees that varying ceiling heights throughout the apartment have no effect upon the rental value of the apartment.
- 75. Carpeting Clause.** It is agreed that the Tenant will cover at least 80% of the wood floor area of the apartment with rugs or carpeting. The Tenant is also required to install at least 1/4 inch thick padding underneath such carpeting or rugs.
- 76. Late Payment Clause.** It is agreed that the rental under this Lease is due and payable in equal monthly installments in advance on the first day of each month during the entire Lease term.
- If an unpaid check is returned to the Owner, the Tenant will be charged \$75.00 or such greater amount charged to the Owner by its bank for the purpose of defraying the expenses incurred in handling the returned check.
- If rent is not received by the fifth day of the month, You shall pay an additional \$50.00 to the Owner as a late charge.
- 77. Remedies of Owner.** The Tenant agrees that any violation of the provisions of this Lease shall be deemed a material violation of a substantial obligation of this Lease and shall entitle the Owner to terminate this Lease.
- 78. Construction of Neighboring Buildings and Lot Line Windows.** In the event any windows, light, or view in the apartment shall become obstructed, in whole or in part, as a result of the erection of a building or structure or otherwise, such occurrences shall not be deemed a breach of this Lease or any of Owner's obligations hereunder and this Lease shall remain in full force and effect without any right by Tenant to make a claim for damages, nuisance, abatement of rent or otherwise. If Tenant's apartment contains one or more "lot line" window(s), Tenant is advised that a building or structure may be erected on adjacent property which may completely block the said lot line window(s).
- 79. No Oral Agreements.** It is agreed that this instrument cannot be changed orally and is subject to the review and approval of the Owner. The applicant hereby waives any claims against the Owner in the event this Lease is rejected for any reason. The Owner will in no event be bound, nor will possession be given unless and until this Lease is executed by the Owner and delivered to the Tenant. No representations other than those contained within this lease agreement have been made by Owner. All understandings and agreements heretofore made between the parties hereto are merged in this contract, which alone, fully and completely expresses the agreement between Owner and Tenant.
- 80. Tenant Misrepresentation.** Owner has reasonably relied upon all representations made by Tenant in applying to lease an apartment, absent which reliance Owner would neither have offered nor executed this lease. - 91. Failure to Pay Full Rent.** The receipt by the Owner of any amount which is less than that amount of rent or additional rent owed by Tenant shall not be deemed a waiver of the right to collect the balance in a summary proceeding for nonpayment of rent. Owner makes no representation as to what facilities are available and reserves the right to change the facilities at a future time and eliminate the facility completely. Owner shall have the right to eliminate the bicycle storage space assigned to Tenant, reduce the size of the bicycle storage facility, relocate the bicycle storage facility and limit and/or prohibit access to the bicycle storage facility in connection with repairs and/or maintenance to bicycle storage facility, any other bicycle storage space or to the adjoining area(s) of the Building. If Tenant defaults in connection with any obligation of Tenant with respect to the bicycle storage facility, including, but not limited to, a default under any separate agreement signed by Tenant in connection with the bicycle storage facility, then said default shall be deemed to be a default under this Lease and said default shall give Owner the right to terminate this Lease and the right to exercise any and all remedies available to Owner, under this Lease, at law, or in equity, in connection with any default under this Lease. If Owner eliminates the bicycle storage facility, then Owner shall have the right to terminate Tenant's right to use the bicycle storage facility by giving written notice thereof to Tenant. If Tenant's right to use the bicycle storage facility is terminated or if the bicycle storage facility space is diminished, relocated or eliminated or if Tenant's access to the bicycle storage facility is limited and/or prohibited to facilitate any repairs and/or maintenance, then Owner shall not have any liability to Tenant and Tenant shall not be entitled to any compensation or diminution of abatement of rent, and said termination, diminution, relocation, limitation, prohibition or elimination shall not be deemed to constitute a constructive, actual, or partial eviction. Tenant agrees and understands such use of the roof deck shall not be considered a required service under the Rent Stabilization Law. Tenant agrees and understands to be bound by any future rule changes, additions, or deletions with respect to the roof deck. Tenant agrees to sign any requisite liability waivers, which may be required for use of the roof deck. It is specifically agreed and understood that a breach of any of the rules contained herein with respect to the roof deck shall be deemed a breach of a substantial obligation of the tenancy and if Tenant fails to adhere to Owner's termination or revocation of the license to use or occupy the roof deck, then Owner shall have the right to terminate this Lease.

In the event that Tenant paints over or in any way damages a sprinkler head, Tenant shall be responsible for the full cost of replacement of the sprinkler head, which sum shall be collectible as additional rent. RIDER TO LEASE

Rider attached to and forming part of Lease dated **September 6, 2024**, between **RXR 2413 Third Owner LLC** with offices at, **777 THIRD AVENUE-6TH FLOOR, NEW YORK, NY 10017** (hereinafter referred to as "Owner"), and, **Brandon Stroud** (hereinafter referred to as "Tenant") for apartment number **1704** in the building located at **2413 Third Avenue, Bronx, NY 10451** (hereinafter referred to as the "apartment").

In the event of any inconsistency between the provisions of this Rider and the provisions of the printed form of Lease Agreement and the "Additional Clauses" attached thereto, to which this Rider is annexed, the provisions of this Rider shall govern and be binding.

1. Modifying and Supplement Paragraph 3 of the Printed Form of Lease.

- a) All payments other than the Rent to be made by You pursuant to this Lease shall be deemed "additional rent" or "added rent" and, in the event of any nonpayment thereof in paying said additional rent, Owner shall have all rights and remedies provided for herein or by law for nonpayment of rent. If such monies accrue after You vacate the apartment, they shall remain due after You vacate the apartment and shall be recoverable as contractual damages pursuant to the Lease.

2. Supplementing Paragraph 9 of the Printed Form of Lease.

- a) You may not paint or chemically treat or decorate with any wall covering the kitchen cabinets, bathroom tile, or exposed brick walls. You may not scrape, stain or refinish any floors. You must get prior written permission from the Owner for any painting or decorating.

3. Supplementing Paragraph 12 of the Printed Form of Lease.

- a) HVAC units have been installed in each apartment. These units will be individually operated and be connected to Your electric meter. You will be responsible for the electric charges but the Owner will be responsible for the maintenance of the equipment unless damaged by the fault or negligence of the Tenant, guests, staff or invitees. You will not be permitted to install any other air conditioning equipment in the premises nor shall Owner be responsible for any damages nor shall You be entitled to an abatement of rent due to the removal of or breakdown of the equipment.
- b) Security Systems. You acknowledge that the Owner makes no representation and assumes no responsibility whatsoever with respect to the functioning or operation of any of the human or mechanical security systems which the Owner does or may provide, including, without limitation, desk person, lobby attendants, or TV monitoring. You agree that the Owner shall not be responsible or liable for any bodily harm or property loss or damage of any kind or nature which You or any members of Your family, employees or guest may suffer or incur by reason of any claim that the Owner, his agents or employees or any mechanical or electronic system in the building has been negligent or has not functioned properly or that some other or additional security measure or system could have prevented the bodily harm or property loss or damage.

4. Supplementing Paragraph 15 of the Printed Form of Lease.

Short Term Rentals-

- a) Prohibition Against Short Term Rental. Tenant acknowledges and agrees that it is a violation of existing law to rent, sublease or license in any way the apartment for less than a period of thirty (30) days and Tenant covenants and agrees that Tenant shall not rent, sublease or license in any way the apartment for less than a period of thirty (30) days. Tenant further covenants and agrees not to advertise the apartment as being available for rent, sublease or license for a period less than thirty (30) days whether said advertisement be on the internet, in printed publications or in any other form of mass media. Nothing contained herein shall be deemed permission for Tenant to sublease the apartment for thirty (30) days or more without obtaining Owner's prior written consent as required by the Lease and/or Sec. 226-b of the Real Property Law.
- b) Effect of Breach and Owner's Remedies. A breach of this provision by the Tenant shall be a material breach of the Lease and grounds for immediate termination of the Lease by the Owner and the commencement of a summary proceeding to evict the Tenant from the subject premises. Tenant agrees that any breach of the covenants and agreements contained herein shall be a material breach of this Lease; that irreparable damage to Owner might result if these covenants and agreements are not specifically enforced; and therefore that in addition to all other rights and remedies of Owner as provided in this Lease such covenants and agreements shall be enforceable in a court of competent jurisdiction by a decree of specific performance and by appropriate injunctive relief, all in accordance with applicable law. In addition, Tenant agrees to indemnify and hold Owner harmless from and against any and all loss or damage which Owner may incur as a result of the breach by Tenant of any of the foregoing, including, without limitation, any withholding of rent by tenants of the Building, and reasonable attorneys' fees and disbursements incurred by Owner in connection with any litigation or negotiations with Tenant or any other tenants of the Building with respect to the foregoing.

5. Smoke Free Building Policy.

- a) Purpose of No-Smoking Policy. Owner and Tenant desire to mitigate (i) the irritation and known health effects of secondhand smoke; (ii) the increased maintenance, cleaning, and redecorating costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-smoke-free building;
- b) Definition of Smoking. The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted cigar, cigarette, or other tobacco product or similar lighted product in any manner or in any form.
- c) Smoke-Free Building. Tenant agrees and acknowledges that the apartment to be occupied by Tenant and members of Tenant's household have been designated as a smoke-free living environment. Tenant and members of Tenant's household shall not smoke anywhere in the apartment rented by Tenant, or in the building in which the apartment is a part, or in any of the common areas or adjoining grounds of such building or other parts of the rental community, nor shall Tenant permit any guests or visitors under the control of Tenant to do so.
- d) Tenant to Promote No-Smoking Policy and to Alert Owner of Violations. Tenant shall inform Tenant's guests of the no-smoking policy. Further, Tenant shall promptly give Owner a written statement of any incident where tobacco smoke is migrating into Tenant's apartment from outside of the apartment.
- e) Owner to Promote No- Smoking Policy. Owner shall post no-smoking and/or smoke free signs at entrances and exits,

common areas, hallways, and in conspicuous places adjoining the grounds of the apartment complex.

- f) Owner Not a Guarantor of Smoke-Free Environment. Tenant acknowledges that Owner's adoption of a smoke-free living environment, and the efforts to designate the building as smoke-free do not make the Owner or any of its managing agents the guarantor of Tenant's health or of the smoke-free condition of the apartment and the common areas. However, Owner shall take reasonable steps to enforce the smoke-free terms of its leases and to make the building smoke-free. Owner is not required to take steps in response to smoking unless Owner is put on actual notice of the presence of tobacco smoke, via agent, personal knowledge, and/or written notice by a Tenant.
- g) Third Party Beneficiaries. Tenant agrees that the other Tenants at the building are the third-party beneficiaries of Tenant's Smoke-Free Lease agreement with Owner, meaning that Tenant's commitments in this Rider are made to the other tenants in the building as well as to the Owner. A tenant may sue another tenant for an injunction to prohibit smoking or for damages, but does not have the right to evict another tenant. Any suit between tenants herein shall not create a presumption that the Owner breached this Rider.
- h) Effect of Breach and Right to Terminate Lease. A material breach of this Rider by the Tenant shall be a material breach of the Lease and grounds for immediate termination of the Lease by the Owner. The failure by Owner to respond to a complaint filed by a tenant regarding smoke shall not be construed as a breach of the warranty of habitability, or the covenant of quiet enjoyment, nor shall it be deemed to be a constructive eviction of the Tenant.
- i) Disclaimer by Owner. Tenant acknowledges that Owner's adoption of a smoke-free living environment, and the efforts to designate the building as smoke-free does not in any way change the standard of care that the Owner or managing agent would have to a Tenant or to the Tenant's household to render the building and the apartment designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Owner specifically disclaims any implied or express warranties that the building, common areas or the apartment will have any higher or improved air quality standards than any other rental property. Owner cannot and does not warranty or promise that the apartment or common areas will be free from secondhand smoke. Tenant acknowledges that Owner's ability to police, monitor, or enforce the agreements in this Rider is dependent in significant part on voluntary compliance by Tenant and Tenant's guests. Tenants with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that Owner does not assume any higher duty of care to enforce this Rider than any other Owner obligation under the Lease.

The Licensor reserves the right to close all or part of the Amenity spaces at any time, and/or to interrupt or discontinue the Amenities. There is no obligation on the part of the Landlord to continue to provide the Amenities. Landlord has the right to charge an amenity fee at any time. Licensor shall charge to a Licensee a fee of **\$100.00** to use the Amenities.
6. The term ("Term") of this License is commencing on **September 15, 2024** ("Commencement Date") and expiring on **September 14, 2026** ("Expiration Date"), unless the Term shall terminate pursuant to any of the terms of this License or pursuant to law. In no event shall the Term extend beyond the earlier of the date on which Licensee vacates the Apartment or the date on which the Lease terminates or expires.
7. The Licensee shall comply with all rules, regulations, and directives posted by the Licensor in the Amenity areas, which rules, regulations and directives may be changed from time to time by Licensor in its sole discretion. The Licensee shall ensure compliance with such rules, regulations, and directives by all of Licensee's guests. Failure to abide by any rules, regulations, and directives may result in ejection from the Amenity areas and/or suspension or termination of this License in the sole and absolute discretion of the Licensor.
8. The Licensor, its affiliates, agents and employees shall not be liable for loss, theft or damage to the property of Licensee or Licensee's guests. The Licensee shall be required to pay or reimburse any claim, cost, liability, fee, expense and/or attorney's fees arising from the Licensee's or Licensee's guests' negligence or misconduct, including expenses related to replacement or repair of personal property, equipment or machinery located in or about the building and/or the gym and/or roof deck.
9. Prior to Licensee's use of the Amenities, Licensor has advised Licensee to obtain insurance for their own protection. Use of the Amenities is at the Licensee's risk, and Licensor assumes no responsibility or risk of loss for loss or damage to Licensee's property or bodily injury or harm to Licensee.

To the fullest extent permitted by law, Licensee shall indemnify, defend, and hold harmless the Owner, the Managing Agent, the Licensor, and their agents and employees from and against all claims, damages losses and expenses, including attorney's fees, arising out of or resulting from use of the Amenities, attributed to bodily injury, sickness, disease or death or to injury to or destruction of tangible property including the loss of use resulting therefrom, or which is caused in whole or in part by any negligent act or omission of the Licensee and/or their guest(s) or anyone else.
11. Licensee assumes the liability for the use of the Amenities. Licensee expressly waives and releases Landlord from all claims against Landlord and agrees to hold Landlord harmless for any loss resulting from the use of the roof deck and/or gym, regardless of the cause. Landlord shall not be liable for any injury or damage to persons or property, or damages caused by other Licensees or persons in the Building, arising from the use of the Amenities.
12. Licensee covenants and agrees, at its sole cost and expense, to the fullest extent permitted by law, to indemnify, defend and hold Landlord, its partners, directors, officers, members, managers, employees, servants, representatives and agents harmless against any and all claims or loss (including attorney's fees, witnesses' fees and all courts costs), damages, expense and liability (including statutory liability) by or on behalf of any person, firm or corporation, resulting from, arising out of or in connection with the use of the Amenities, including, without limitation: (a) the conduct or management the premises by Licensee (or any person holding or claiming through or under Licensee) or anyone else; (b) the condition of the premises, or any use, nonuse, possession, management or maintenance of the premises; (c) any breach or default on the part of Licensee in the performance of any of Licensee's covenants or obligations under this Agreement; (d) any act, negligence or default or error or omission or breach of contract by or of Licensee, or any of its agents, servants, employees, contractors, invitees or licensees or of any person holding or claiming through or under Licensee; and (e) any accident, injury or damage whatsoever caused to any person, firm or corporation occurring as the result of any work or thing whatsoever done by Licensee (or person holding or claiming through or under Licensee) in or about the premises. Further, Licensee agrees to indemnify and hold Landlord harmless against and from all costs, counsel fees, expenses and liabilities incurred in or about any such claim or any action or proceeding brought thereon, and in case any action or proceeding shall be brought against Landlord by reason of any such claim, Licensee, upon notice from Landlord, agrees to resist and defend such action at Licensee's sole cost and expense.
13. The foregoing indemnity shall include claims or losses or damages arising out of any negligent or wrongful act, error or

omission, in connection with the use of the Amenities by the Licensee, and shall also include injury or death of any guest of the Licensee. Licensee's liability under this indemnification is not limited to the limits of insurance.

BEDBUG PREVENTION TIPS

Basics

The best part about proactive bedbug prevention is that it is mostly a matter of simple effort. You don't need any special knowledge or tools. Just keep the following things in mind and apply that knowledge when necessary. And if bedbug prevention seems difficult, remember that it's easier than bedbug treatment, which is a very involved, time-consuming process.

What are bedbugs? Bedbugs are small, wingless insects that feed on the blood of warm-blooded animals including humans and pets. Their eggs are very small, about the size of a poppy seed. Their larvae are the size of a grain of rice. Adult bedbugs are about a quarter of an inch long, reddish-brown in color, and fairly flat. They live in dark crevices, such as those in mattresses and bed frames. They can also live in other furniture, openings in the floor, or in carpeting.

Prevention

The following bedbug prevention tips will help you reduce your risk of bedbugs:

- Wash all bedding regularly in hot water. The water should be at least 120 degrees.
- Vacuum floors regularly. Use the brush tool of your vacuum to vacuum your mattress. Use the crevice tool to vacuum crevices in the mattress and your baseboards.
- Use a plastic cover over your mattress. Bedbugs can't hide on the plastic cover.
- If you purchase used furniture, examine it for bedbugs. Pay attention to used mattresses and bed frames.
- Keep your bed isolated. Make sure to pull the bed away from the wall. Move nightstands so that they don't touch any part of the bed or bedding. Don't let bedding touch the floor. And don't put things on the bed (clothes, bags, shoes).
- Check your own bed for bedbugs from time to time. Catching them early will make treatment easier.
- If you do see bedbugs or signs of bedbugs, notify your building's management immediately.

Protect Yourself While Traveling

Many times bedbugs get into peoples' homes after traveling. Whether you stay in a hotel or at a friend's house, you can bring bedbugs home with you. Here are a few tips of what to do while traveling to keep bedbugs from hitching a ride home with you:

- Look over the bed and bedding for any signs of bedbugs.
- Another sign of them, other than physically seeing them, is the detection of feces. The feces is usually light brown to black in color and has a peculiar smell similar to coriander.
- Do not leave clothes on the floor or lying out on your bed. Put your clothes in the closet, dresser drawers, or keep them inside your luggage.
- Keep your luggage zipped up at all times, with or without clothes inside.
- Keep luggage off of the floor. Put it on a luggage stand, a chair or in the closet.
- When you return home, immediately launder your clothes and vacuum your luggage. Immediately dispose of the vacuum bag.

Tenant has inspected the Apartment prior to leasing and acknowledges there is no visible evidence of the presence or infestation of insects or vermin including bedbugs. Tenant agrees to maintain Apartment and common areas in a manner that prevents the occurrence of an infestation of insects and vermin including bedbugs. If Tenant allows individuals or items carrying bedbugs into the Apartment or premises, or has repeated infestations that cannot be traced to another source, such will be deemed damage to the unit and Tenant will be responsible for the cost of treatment to the Apartment, personal belongings and surrounding units and common areas as necessary to eradicate the infestation.

THE PROVISIONS OF THIS RIDER SHALL BE CONSTRUED TO BE IN ADDITION TO AND NOT IN LIMITATION OF THE RIGHTS OF THE OWNER AND THE OBLIGATIONS OF THE TENANT.

RIDER TO LEASE: CONSTRUCTION

WHEREAS, Brandon Stroud (hereinafter "Tenant") has requested of RXR 2413 Third Owner LLC, the Owner of the premises known as and located at Maven, 2413 3RD AVE, Bronx, NY 10451, (the "Premises"), that Tenant be permitted to execute a lease (hereinafter "the Lease") and enter into occupancy of the above-referenced Apartment (hereinafter "the Apartment") at the Premises; and

WHEREAS, Tenant has been specifically advised prior to the execution of the Lease by Tenant, that the Owner shall be engaging in on-going construction activities at the Premises, which activities shall continue during the term of the Lease, and may include, but may not be limited to, the creation of noise, dust, debris, loss of use of portions of common areas during certain periods of time and other events normally associated with construction activities; and

WHEREAS, despite having been specifically advised as to the foregoing, Tenant, nonetheless, desires and has requested permission of Owner, that Tenant be permitted to execute the Lease and enter into the Premises and occupy the Apartment therein.

NOW THEREFORE, to induce the Owner of the Premises to grant Tenant's request for permission to be allowed execute the Lease and enter into occupancy of the Apartment:

Tenant understands that Owner has specifically relied upon the representations made by Tenant herein in determining to enter into the lease with Tenant. Tenant understands that Tenant's representations have served as a special inducement to Owner to execute the Lease with Tenant, such that absent Tenant's representations and inducement to Owner and Owner's specific reliance thereon, Owner would neither have offered the Lease to the Apartment to Tenant nor executed the Lease to the Apartment with Tenant. Accordingly, Tenant's breach of any of the foregoing shall constitute a material misrepresentation which may, among other remedies, entitle Owner to rescind this Lease. Tenant has made the above-described request and has executed this Agreement and the Lease freely, voluntarily and knowingly.

NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

To request a reasonable accommodation, you should contact your property manager by calling **(212) 210-6666** or _____, or by e-mailing **jemiller@rosepmg.com***. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:

- Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out).
- Changes to your housing provider's rules, policies, practices, or services.
- Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

- If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.
- If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.
- If you need grab bars in your bathroom, you can request that your housing provider install them. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.
- If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of a waiting list if no adjacent spot is available.
- If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

- Public and common areas must be readily accessible to and usable by persons with disabilities;
- All doors must be sufficiently wide to allow passage by persons in wheelchairs; and
- All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website.

** The Notice must include contact information when being provided under 466.15(d)(1), above. However, when being provided under (d)(2) and when this information is not known, the sentence may read "To request a reasonable accommodation, you should contact your property manager."*

† This Notice provides information about your rights under the New York State Human Rights Law, which applies to persons residing anywhere in New York State. Local laws may provide protections in addition to those described in this Notice, but local laws cannot decrease your protections.

ENERGY SAVING TIPS FOR YOUR APARTMENT HOME

LIGHTING

- Replacing 15 inefficient incandescent bulbs in your home with energy-saving bulbs could save you about \$50 per year.
- Keep your curtains or shades open to use daylight instead of turning on lights. For more privacy, use light-colored, loose-weave curtains to allow daylight into the room.
- Use timers to turn off lights when you're away from home.
- The following types of light bulbs are more energy efficient than the traditional incandescent light bulb:
 - **Energy-saving/halogen incandescent bulbs** are 25% more efficient and last three times longer.
 - **CFL bulbs** use about 75% less energy and last up to 10 times longer. These bulbs contain a small amount of mercury and should be handled carefully if broken, and recycled at the end of their lifespan.
 - **LED bulbs** use about 75% less energy and last up to 25 times longer.

KITCHEN APPLIANCES

- Your apartment is equipped with an ENERGY STAR dishwasher and refrigerator.
- Use your dishwasher efficiently, as it uses the same amount of energy whether full or mostly empty when a cycle is run.
- Let your dishes air dry; if you don't have an automatic air-dry switch, turn off the control knob after the final rinse and prop the door open slightly so the dishes will dry faster.
- Don't keep your refrigerator or freezer too cold. Recommended temperatures are 37°-40° F for the fresh food compartment and 5° F for the freezer section.
- Cover liquids and wrap foods stored in the refrigerator. Uncovered foods release moisture and make the compressor work harder.

HOME ELECTRONICS

- ENERGY STAR-labeled office equipment is widely available.
- Using an ENERGY STAR computer can save 30%-65% energy.
- Laptops consume less energy than desktop computers.
- Screen savers on your computers do not reduce energy in the way a sleeping or turned-off computer can.
- Turning off electronics when not in use, or plugging AC adapters into power strips that can be turned off, can result in significant energy savings.
- Use rechargeable batteries, as they are more cost effective than disposable batteries.

LAUNDRY

- Your apartment is equipped with an ENERGY STAR clothes washer.
- Dry towels and heavier cottons in a separate load from lighter-weight clothes.
- Don't over-dry your clothes. If your machine has a moisture sensor, use it.
- Clean the lint screen in the dryer after every load to improve air circulation and prevent fire hazards.
- Consider air-drying clothes on drying racks. Air drying is recommended by clothing manufacturers for some fabrics.

THERMOSTAT

- When you are home and awake, set your thermostat as low as is comfortable. When you are asleep or out of the house, turn your thermostat back 10°-15°. A programmable thermostat can make it easy to set back your temperature.
- We recommend you watch this ENERGY STAR podcast on thermostat operation: www.energystar.gov/index.cfm?c=products.pr_podcasts

BASIC FIRE PREVENTION AND FIRE PREPAREDNESS MEASURES

These are fire safety tips that everybody should follow:

1. Every apartment should be equipped with at least one smoke detector. Check them periodically to make sure they work. Most smoke detectors can be tested by pressing the test button. Replace the batteries in the spring and fall when you move your clocks forward or back an hour, and whenever a smoke detector chirps to signal that its battery is low. The smoke detector should be replaced on a regular basis in accordance with the manufacturer's recommendation, but at least once every ten years.
2. Carelessly handled or discarded cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
3. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
4. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your oven is off and any coffeepot or teapot is unplugged.
5. Never overload electrical outlets. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
6. Keep all doorways and windows leading to fire escapes free of obstructions, and report to the owner any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
7. Install window gates only if it is absolutely necessary for security reasons. Install only approved window gates. Do not install window gates with key locks. A delay in finding or using the key could cost lives. Maintain the window gate's opening device so it operates smoothly. Familiarize yourself and the members of your household with the operation of the window gate.
8. Familiarize yourself and members of your household with the location of all stairwells, fire escapes and other means of egress.
9. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
10. Exercise care in the use and placement of fresh cut decorative greens, such as Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.

BUILDING INFORMATION

Building Construction

In a fire emergency, the decision to leave or to stay in your apartment will depend in part on the type of building you are in.

Residential buildings built before 1968 are generally classified either as "fireproof" or "non-fireproof." Residential buildings built in or after 1968 are generally classified either as "combustible" or "non-combustible". The type of building construction generally depends on the size and height of the building.

A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or space in which they start and less likely to spread inside the building walls to other apartments and floors. **THIS DOES NOT MEAN THAT THE BUILDING IS IMMUNE TO FIRE.** While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke, which can travel throughout the building, especially if apartment or stairwell doors are left open.

A "combustible" or "non-fireproof" building has structural components (such as wood) that will burn if exposed to fire and can contribute to the spread of the fire. In such buildings, the fire can spread inside the building walls to other apartments and floors, in addition to the flame, heat and smoke that can be generated by the burning of the contents of the building.

Be sure to check Part I (Building Information Section) of this fire safety plan to see what type of building you are in.

Means of Egress

All residential buildings have at least one means of egress (way of exiting the building), and most have at least two. There are several different types of egress:

Interior Stairs: All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed. Unenclosed stairwells (stairs that are not separated from the hallways by walls and doors) do not prevent the spread of flame, heat and smoke. Since flame, heat and smoke generally rise, unenclosed stairwells may not ensure safe egress in the event of a fire on a lower floor. Enclosed stairs are more likely to permit safe egress from the building, if the doors are kept closed. It is important to get familiar with the means of egress available in your building.

Exterior Stairs: Some buildings provide access to the apartments by means of stairs and corridors that are outdoors. The fact that they are outdoors and do not trap heat and smoke enhances their safety in the event of a fire, provided that they are not obstructed.

Fire Tower Stairs: These are generally enclosed stairwells in a "tower" separated from the building by air shafts open to the outside. The open air shafts allow heat and smoke to escape from the building.

Fire Escapes: Many older buildings are equipped with a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes are considered a "secondary" or alternative means of egress, and are to be used if the primary means of egress (stairwells) cannot be safely used to exit the building because they are obstructed by flame, heat or smoke.

Exits: Most buildings have more than one exit. In addition to the main entrance to the building, there may be separate side exits, rear exits, basement exits, roof exits and exits to the street from stairwells. Some of these exits may have alarms. Not all of these exits may lead to the street. Roof exits may or may not allow access to adjoining buildings.

Be sure to review Part I (Building Information Section) of this fire safety plan and familiarize yourself with the different means of egress from your building.

Fire Sprinkler Systems

A fire sprinkler system is a system of pipes and sprinkler heads that when triggered by the heat of a fire automatically discharges water that extinguishes the fire. The sprinkler system will continue to discharge water until it is turned off. When a sprinkler system activates, an alarm is sounded.

Sprinkler systems are very effective at preventing fire from spreading beyond the room in which it starts. However, the fire may still generate smoke, which can travel throughout the building.

Residential buildings are generally not required to have fire sprinkler systems. Some residential buildings are equipped with sprinkler systems, but only in compactor chutes and rooms or boiler rooms. All apartment buildings constructed or substantially renovated after March 1999 will be required by law to be equipped with fire sprinkler systems throughout the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with fire sprinkler systems.

Interior Fire Alarm Systems

Although generally not required, some residential buildings are equipped with interior fire alarm systems that are designed to warn building occupants of a fire in the building. Interior fire alarm systems generally consist of a panel located in a lobby or basement, with manual pull stations located near the main entrance and by each stairwell door. Interior fire alarm systems are usually manually-activated (must be pulled by hand) and do not automatically transmit a signal to the Fire Department, so a telephone call must still be made to 911 or the Fire Department dispatcher. Do not assume that the Fire Department has been notified because you hear a fire alarm or smoke detector sounding in the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with an interior fire alarm system and whether the alarm is transmitted to the Fire Department, and familiarize yourself with the location of the manual pull stations and how to activate them in the event of a fire.

Public Address Systems

Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually in the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with a public address system.

EMERGENCY FIRE SAFETY AND EVACUATION INSTRUCTIONS

IN THE EVENT OF A FIRE, FOLLOW THE DIRECTIONS OF FIRE DEPARTMENT PERSONNEL. HOWEVER, THERE MAY BE EMERGENCY SITUATIONS IN WHICH YOU MAY BE REQUIRED TO DECIDE ON A COURSE OF ACTION TO PROTECT YOURSELF AND THE OTHER MEMBERS OF YOUR HOUSEHOLD.

THIS FIRE SAFETY PLAN IS INTENDED TO ASSIST YOU IN SELECTING THE SAFEST COURSE OF ACTION IN SUCH AN EMERGENCY. PLEASE NOTE THAT NO FIRE SAFETY PLAN CAN ACCOUNT FOR ALL OF THE POSSIBLE FACTORS AND CHANGING CONDITIONS; YOU WILL HAVE TO DECIDE FOR YOURSELF WHAT IS THE SAFEST COURSE OF ACTION UNDER THE CIRCUMSTANCES.

General Emergency Fire Safety Instructions

1. Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
2. Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater risk to your safety than a fire on a floor above your apartment.
3. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
4. If you decide to exit the building during a fire, close all doors as you exit to confine the fire never use the elevator. It could stop between floors or take you to where the fire is.
5. Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl. Take short breaths, breathing through your nose.
6. If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

Evacuation Instructions If The Fire Is In Your Apartment

(All Types of Building Construction)

1. Close the door to the room where the fire is, and leave the apartment.
2. Make sure EVERYONE leaves the apartment with you.
3. Take your keys.
4. Close, but do not lock, the apartment door.
5. Alert people on your floor by knocking on their doors on your way to the exit.
6. Use the nearest stairwell to exit the building.
7. DO NOT USE THE ELEVATOR.
8. Call 911 once you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
9. Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

Evacuation Instructions if The Fire Is Not In Your Apartment

"NON-COMBUSTIBLE" OR "FIREPROOF" BUILDINGS:

1. Stay inside your apartment and listen for instructions from firefighters unless conditions become dangerous.
2. If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
3. If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
4. If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
5. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
6. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
7. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
8. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

"COMBUSTIBLE" OR "NON-FIREPROOF" BUILDINGS:

1. Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
2. Exit your apartment and building if you can safely do so, following the instructions above for a fire in your apartment.
3. If the hallway or stairwell is not safe because of smoke, heat or fire and you have access to a fire escape, use it to exit the building. Proceed cautiously on the fire escape and always carry or hold onto small children.
4. If you cannot use the stairs or fire escape, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
 - A. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
 - B. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
 - C. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
 - D. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

NOTIFICATION OF RIGHTS AND PROCEDURES

As a residential customer for electricity, you have certain rights assured by New York's Home Energy Fair Practices Act ("HEFPA") and the order issued by the New York State Public Service Commission on **August 21, 2023**, in **Case 22-E-0664**: Notice of Intent to Submeter Electricity at **2413 Third Avenue, Bronx, NY 10451**, Located in the Territory of Consolidated Edison Company of New York, Inc. (the "Submetering Order"). This notification is an overview of those rights and certain policies and procedures regarding the service and billing of your electricity.

The building at **2413 Third Avenue, Bronx, NY 10451** [when approved, only had existing address - a new address has been secured to separate retail from residential; new address is **2413 3RD AVE**], is a submetered facility. **RXR 2413 Third Owner LLC** (the "Owner") is the owner of this building. The administration of submetering is performed by an outside vendor as a third-party billing company under contract with the Owner to invoice residents for their monthly utility usage. Residents receive monthly bills from the Owner or its third-party billing company for their respective electricity usage, which amounts are payable to the Owner.

If you have any questions/complaints concerning your electricity bill, please contact the Owner through the Management Office by mail at **2413 3RD AVE, Bronx, NY 10451**. The Owner shall investigate and respond to you in writing within fifteen (15) days of the receipt of the complaint. As part of this response, you shall be advised of the disposition of the complaint and the reason therefore. Upon receiving this response, or at any time, you can also contact the Public Service Commission in writing at New York State Department of Public Service, 3 Empire State Plaza, Albany, New York 12223, by telephone at (800) 342-3377 or (212) 417-2223, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.ny.gov.

The electricity bills that you receive show the amount of kilowatt hours ("kWh") that you used. The bills you receive shall provide, in clear and understandable form and language, the charges for service. In no event will the total monthly charges (including any administrative charges) exceed the utility's (Consolidated Edison Company of New York, Inc.) direct metered residential rate. The Owner may terminate or disconnect service under certain conditions (i.e., nonpayment of electricity bills) pursuant to HEFPA.

You have the right to request messages on bills and notices in Spanish. To make such a request, contact the Owner. Usted tiene el derecho de solicitar informacion en facturas e informativos en Espanol. Para solicitar informacion en Espanol, por favor contacte a un representante marcando.

You may request balanced billing for the payment of electricity charges. This plan shall be designed to reduce fluctuations in customer bills due to seasonal patterns of consumption. Balanced billing divides your electricity costs into twelve (12) equal monthly payments. Periodically, the Owner will review and adjust the balanced billing amount as necessary. At the end of one (1) year, you shall be responsible to pay for any electricity costs in excess of your balanced billing amount paid. You may contact the Owner to discuss the details of this plan, if you are interested.

Your meter is read because it measures and records the actual amount of electricity you use; this enables an accurate bill to be sent to you. Making sure your electricity bills are accurate and correct is important to the Owner and to you. That is why every effort is made to read your meter regularly.

You may qualify for a rate reduction the equivalent of that which is provided by Con Edison to customers who are enrolled in its low-income program pursuant to its tariff (see P.S.C. No. 10 - Electricity, Leaf No. 388). If you receive benefits under Supplemental Security Income, Temporary Assistance to Needy Persons/Families, Safety Net Assistance, or Food Stamps, or have received a Home Energy Assistance Program grant in the preceding twelve (12) months, please alert the Owner by telephone or in writing and we will work with you.

If you are having difficulty paying your electricity bill, please contact the Owner by telephone or in writing in order to arrange for a deferred payment agreement, whereby you may be able to pay the balance owed over a period of time. A deferred payment agreement is a written agreement for the payment of outstanding charges over a specific period of time, signed by both the submeterer and customer. If you can show financial need, the Owner can work with you to determine the length of the agreement and the amount of each monthly payment. You may not have to make a down payment, and installment payments may be as little as \$10.00 per month. The Owner will make reasonable efforts to help you find a way to pay your bill.

Regardless of your payment history relating to your electricity bills, your electricity service will be continued if your health or safety or the health or safety of someone living with you is threatened. When the Owner becomes aware of such hardship, the Owner can refer you to the Department of Social Services. Please notify the Owner if either of the following conditions exists:

- (a) Medical Emergencies.** You must provide a medical certificate from a doctor or local board of health.
- (b) Life Support Equipment.** You and/or those living with you suffer from a medical condition requiring electricity service to operate a life-sustaining device. You must provide a medical certificate from a doctor or local board of health.

Special protections may be available if you and/or those living with you are age eighteen (18) or younger or sixty-two (62) and older, blind, or disabled. To ensure that you receive all of the protections for which you are eligible, please contact the Owner and identify yourself.

You can also designate a third party as an additional contact to receive notices of past due balances. Every submeterer shall permit a residential customer to designate a third party to receive all notifications relating to disconnection of service or other credit actions sent to such residential customer, provided that the designated third party agrees in writing to receive such notices. The submeterer shall inform the third party that the authorization to receive such notices does not constitute acceptance of any liability on the third party for service provided to the customer. The submeterer shall promptly notify the residential customer of the refusal or cancellation of such authorization by the third party. If you are interested in Voluntary Third-Party Notice, notify the Owner with the party's contact information and written agreement of the third party to receive copies of all notifications relating to disconnection of service or other credit actions sent to you.

Please review the attached "Special Protections Registration Form" relating to some of the rights discussed above. Although you are not required to do so, please fill it out if you qualify for any special protection described on the form. You may return the completed form to the Owner.

LEASE/COMMENCEMENT OF OCCUPANCY NOTICE FOR INDOOR ALLERGEN HAZARDS

- 1. The owner of this building is required, under New York City Administrative Code section 27- 2017.1 et seq., to make an annual inspection for indoor allergen hazards (such as mold, mice, rats, and cockroaches) in your apartment and the common areas of the building. The owner must also inspect if you inform him or her that there is a condition in your apartment that is likely to cause an indoor allergen hazard, or you request an inspection, or the Department has issued a violation requiring correction of an indoor allergen hazard for your apartment. If there is an indoor allergen hazard in your apartment, the owner is required to fix it, using the safe work practices that are provided in the law. The owner must also provide new tenants with a pamphlet containing information about indoor allergen hazards.
- 2. The owner of this building is also required, prior to your occupancy as a new tenant, to fix all visible mold and pest infestations in the apartment, as well as any underlying defects, like leaks, using the safe work practices provided in the law. If the owner provides carpeting or furniture, he or she must thoroughly clean and vacuum it prior to occupancy. This notice must be signed by the owner or his or her representative, and state that he or she has complied with these requirements.

I, **RXR 2413 Third Owner LLC** (owner or representative name in print), certify that I have complied with the requirements of the New York City Administrative Code section 27- 2017.5 by removing all visible mold and pest infestations and any underlying defects, and where applicable, cleaning and vacuuming any carpeting and furniture that I have provided to the tenant. I have performed the required work using the safe work practices provided in the law.

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building’s common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant’s lease that clearly states the landlord’s and tenant’s responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for **indoor allergen hazards**.

MOLD ADDENDUM

This Addendum ("Addendum") is made part of the Residential Lease Contract ("Agreement") dated **September 6, 2024**, and is between the Owner of **Maven** ("Owner") and **Brandon Stroud**, (collectively and individually "Residents"), for the premises at **2413 Third Avenue #1704, Bronx, NY 10451** (the "Leased Premises"), which is located within **Maven** (the "Residential Community"). All capitalized terms used but not defined herein shall have the meaning set forth in the Agreement. Where the terms and conditions of this Addendum vary or conflict with the terms and conditions of the Agreement, the terms and conditions of this Addendum shall control.

Owner has inspected the Leased Premises prior to Residents' occupancy, and Owner knows of no damp or wet building materials and knows of no mold or mildew contamination. Residents are hereby notified that mold, however, can grow if the Leased Premises are not properly maintained or ventilated. If moisture is allowed to accumulate in the Leased Premises, it can cause mold and mildew growth. There are no established guidelines for unacceptable air quality caused by mold. Mold is a naturally occurring phenomenon. Mold and/or mildew should be cleaned as soon as it appears. Mold and/or mildew growth can often be seen in the form of discoloration. The different colors of mold range from white to black, including, but not limited to, green, gray, brown, orange, yellow and other colors.

Residents agree to maintain the Leased Premises in a manner that prevents the occurrence of mold or mildew growth within the Leased Premises. In furtherance of such obligation, Residents agree to perform the following:

- 1. Keep the Leased Premises free from moisture, dirt and debris that can harbor mold.
- 2. Inspect the Leased Premises regularly for the indications and sources of indoor moisture.
- 3. Immediately notify Owner, in writing of any discoloration evidenced on walls, floors, or ceiling and/or any water intrusion, such as roof leaks, window leaks, plumbing leaks, drips, flooding, or "sweating" walls or pipes.
- 4. Immediately notify Owner, in writing, of overflows from bathroom, kitchen or any other water source facilities, especially in cases where the overflow may have permeated walls, flooring or cabinets.
- 5. Immediately notify Owner, in writing, of the presence of any mold growth on surfaces inside the Leased Premises.
- 6. Allow Owner to enter the Leased Premises to inspect and make necessary repairs, in the event mold or water intrusion is present.
- 7. Utilize bathroom fans while showering or bathing, and notify Owner of any nonworking fans.
- 8. Utilize stove hood vents/exhaust fans whenever cooking, dishwashing, or cleaning.
- 9. Use all reasonable care to close all windows and other openings in the Leased Premises to prevent outdoor water from penetrating into the interior of the Leased Premises.
- 10. Clean and dry any visible condensation/moisture on windows and window tracks, walls, and any other surfaces, including personal property, as soon as reasonably possible.
- 11. Notify Owner of any problems with air conditioning or heating systems that are discovered by Residents.

NOTE: Mold can grow on damp surfaces within 24 to 48 hours. Condensation on windows indicates that fresh air is not being circulated in the Leased Premises. To prevent condensation/moisture buildup, open windows and air out the Leased Premises for short periods of time to keep fresh air present. Maximize the circulation of air by keeping furniture away from walls and out of corners. Residents may add a little dish soap to the water mixture to cut any dirt and oil on the surface that Residents are cleaning that may contain mold. Do not add other cleaning chemicals, especially ammonia. Dispose of any rags or sponges used to clean the mold in a sealed bag.

Residents agree to indemnify and hold harmless Owner and Owner's Agent from any suits, actions, claims, losses, damages, and expenses and any liability whatsoever that Owner and/or Owner's Agent may sustain or incur as a result of Residents' failure to comply or perform with the obligations set forth above or as the result of intentional or negligent action or failure to act on the part of Residents or any other person living in, occupying, or using the Leased Premises, except if the liability is based upon a negligent act or omission of Owner and/or Owner's Agent.

INTENDING TO BE BOUND, the parties hereto have executed this Addendum as of the day and year first above written.

This emergency preparedness guide has been developed by the New York City Fire Department for distribution to apartment building residents and staff.

It is designed to educate you about your building and what you and the members of your household can do to prepare for emergencies, prevent fires and protect yourselves during a fire or non-fire emergency.

If you receive this guide from the building owner or manager, it will include a Building Information Sheet prepared by the building owner describing the construction of your building, building fire protection systems and exits; an individual emergency preparedness/evacuation planning checklist; and other information that will inform your emergency planning.

1. EMERGENCY PREPAREDNESS BASICS

- A. Stay Informed/Emergency Notification Systems**
- B. Sheltering In Place/Emergency Supply Kit**
- C. When To Evacuate/Emergency Shelter**
- D. Reconnecting With Your Family**

A. Stay Informed/Emergency Notification Systems

- 1. Notify NYC is the City’s official source of emergency information, including weather emergencies and subway and road closures.
- 2. Sign up for free emergency alerts or to download the Notify NYC application for mobile applications.
- 3. Visit NYC.gov/notifynyc, call 311 (for Video Relay Service: 212-639-9675; for TTY: 212- 504-4115), or follow @NotifyNYC on Twitter
- 4. During an emergency, follow instructions from on-scene emergency responders or, if the emergency is not at your building, monitor NotifyNYC, local radio, television and internet news services for the latest information, including information about emergency shelter.

B. Sheltering in Place

- 1. During some emergencies, officials may advise you to stay where you are (shelter in place). Generally, this means that it is safest for you to remain in your apartment while firefighters put out a fire or emergency responders clear a nearby hazard.
- 2. The emergency procedures discussed in this Guide (see Section 6, What to Do in a Fire or Non-Fire Emergency) will explain when to leave and when to shelter in place. In all cases, follow the instructions of on-scene police, firefighters or other emergency responders.
- 3. If an emergency requires that you shelter in place, do not leave your place of safety to pick your children up from school until the danger has passed and shelter-in-place orders have been lifted. Schools have their own shelter-in-place procedures. You will only endanger yourself by leaving a safe area during the emergency.
- 4. For weather emergencies and other emergencies that may require that you stay at home for several days, keep an emergency supply kit. See Section 3(A), Home Emergency Supply Kit.

C. When to Evacuate/Emergency Shelter

- 1. Evacuate immediately when you:
 - Are in immediate danger.
 - Are in a type of building in which evacuation is recommended and you can safely do so. See Section 7(A).
 - Are instructed to do so by an on-scene emergency responder.
 - Are ordered to do so by the Mayor or other public authority.
- 2. If you must evacuate your building or are directed by authorities to evacuate, make arrangements to stay with friends or family. During a coastal storm evacuation, the City and/or its partners will open evacuation centers throughout the five boroughs. Know which evacuation center is closest to you by visiting NYC.gov/knowyourzone, or calling 311 (for Video Relay Service: 212-639-9675; TTY: 212-504-4115).

D. Reconnecting With Your Family

Discuss with your family and household members where to meet if you have to evacuate your building and cannot return.

- 1. Identify two places to meet: one near your home and one outside your neighborhood.
- 2. Designate an out-of-area friend or relative who household members can call if separated during a disaster. Long-distance calls may be easier to make than local calls. This out-of-area contact can help you communicate with others.

2. PEOPLE WHO NEED ASSISTANCE

A. If you need help

- 1. If you will have difficulty leaving the building (or going elsewhere once you are out of the building) without assistance, make a plan in advance and identify people who could help you.

- If you live alone, or your household members work or are not capable of assisting you, consider asking neighbors to help you down the stairs (in case of fire or power failure). Keep their telephone numbers and other contact information handy.
- If you rely on the elevator for evacuation, ask the building owner or manager if they will notify you in advance before they take the elevator out of service during an emergency (or for maintenance in normal circumstances).
- If your building has staff, ask your building owner or manager if the staff can alert emergency responders and/or assist you, if possible.
- Take into consideration the factors outlined in Section 6(A)(2) Evacuation Assistance.

- 2. Keep a whistle in your apartment or bang pots together in case you need to signal to neighbors or others that you need assistance.
- 3. Prepare and have ready a written note explaining your communication needs if you will need assistance understanding others or others will need assistance understanding you. If you communicate in writing, purchase

and keep a portable white board, chalk board or other personal communications device.

4. If you use a scooter or wheelchair, know the size and weight of your device, and whether it is collapsible, to assist in making transportation arrangements.

B. If you can provide help

1. Be a caring neighbor. During an emergency, if safe to do so, check on neighbors who may need assistance, especially seniors and persons with disabilities, who may need to be warned.
2. If you can safely do so and are physically able, assist a neighbor in evacuating a building. Do not use elevators during a fire. See Section 6(A), Evacuation Assistance.
3. When providing assistance, listen carefully to what your neighbor has to say about how they should be lifted or moved.

3. READINESS SUPPLIES (FOR HOME EMERGENCIES AND YOUR GO BAG)

A. Home Emergency Supply Kit

Keep enough supplies in your home to survive for up to seven days. Below are suggested items to keep in an easily accessible container (replace expired items from time to time):

- One gallon of drinking water per person per day
- Nonperishable, ready-to-eat canned foods and manual can opener
- First aid kit
- Flashlight
- Battery-operated AM/FM radio and extra batteries
- Whistle to signal for help from neighbors
- Personal hygiene items: soap, feminine hygiene products, toothbrush, toothpaste, etc.
- Cell phone charging cord and portable battery pack
- Child care supplies or other special care items
- Pet food and supplies
- At least a week's supply of any medication or medical supplies you use regularly
- Spare eyeglasses or contact lens supplies
- Extra batteries for hearing aids
- Back-up equipment or extra supplies for any other home medical or communication devices

B. Go Bag

Your Go Bag should be sturdy and easy to carry, like a backpack or a small suitcase on wheels. You'll need to customize your Go Bag for your personal needs, but some of the important things you need in your Go Bag include:

- Copies of your important documents in a waterproof and portable container (insurance cards, birth certificates, deeds, photo IDs, proof of address, etc.)
- Extra set of car and house keys
- Copies of credit/ATM cards
- Cash (in small bills)
- Bottled water and nonperishable food, such as energy or granola bars
- Flashlight
- Battery-operated AM/FM radio
- Extra batteries/chargers
- Medical items, including:
 - First-aid kit
 - At least a week's supply of any medication or medical supplies you use regularly
 - Medical insurance, Medicare and Medicaid cards
 - A list of medications (and dosages)
 - Names of physicians and contact information
 - Information about medical conditions, allergies and medical equipment.
- Toiletries
- Notepad and pen
- Contact and meeting place information for your household
- Lightweight raingear and blanket
- Items to comfort or distract you, such as a book or deck of cards
- Child care supplies, including games and small toys.
- For pets and service animals:
 - A current color photograph of your pet or service animal (or even better, one of you together, in case you are separated)
 - Name of veterinarian and contact information
 - Ownership, registration, microchip and vaccination information.
 - Food and water dishes
 - Leash and (if needed) muzzle
 - Cotton sheet to place over carrier to help keep your pet or service animal calm
 - Plastic bags for clean-up

4. HOME SAFETY AND FIRE PREVENTION

- Home Safety Devices
- Safe Home Heating
- Fire Prevention Tips
- Extinguishing Small Fires

You can prevent a fire or other emergency by making sure your home is protected by working home safety devices, by heating your home safely, and by preventing fires before they start.

A. Home Safety Devices

1. Smoke and carbon monoxide alarms

- Make sure you have smoke alarms (also called smoke detectors) and carbon monoxide alarms in your apartment. New York City law requires landlords and other owners to install smoke and carbon monoxide alarms within 15 feet of the entrance to each sleeping room and in the basement. (New buildings must also have one within each sleeping room.)
- Combined smoke/carbon monoxide alarms may be used.
- Make sure the alarms are still working. Tenants are responsible for maintaining the smoke and carbon monoxide alarms in their apartments.
- Test the devices at least once a month by pressing the test button.
- Newer models are powered by electricity or have a built-in 10-year battery.
- Older models have removable batteries. Replace the batteries at least twice a year (when you change the clocks in the spring and fall is a good time). Replace the battery right away if the alarm makes a sound that indicates that the battery is low.
- Smoke and carbon monoxide alarms must be replaced in accordance with the manufacturer's recommendation, but at least once every 10 years.

2. Assistive devices

- If you or a member of your household is deaf or has limited hearing, consult with the building owner or manager regarding installation of smoke/carbon monoxide detector devices that activate a visual (strobe) or tactile (vibration) alert.
- For more information, see Section 7, Emergency Preparedness Resources.

B. Safe Home Heating

1. Call 311 (for Video Relay Service: 212-639-9675; TTY: 212-504-4115) for a fire inspection if you are unsure your heat source is safe.
2. If you need a portable heater, only use portable electrical heaters approved for indoor use (with enclosed heating elements). Do NOT use your stove or oven to heat your apartment. Do NOT use kerosene or propane heaters, which are dangerous and illegal for indoor use in New York City.
3. Check the power current required to operate the portable heater. Make sure that it can safely operate on a standard household electrical circuit. See Section 4(C), Fire Prevention Tips.
4. Check the heater from time to time when it is on, and turn it off when you leave the apartment or when you go to sleep. Never leave children alone in a room when a portable space heater is on.
5. Keep all household materials that can catch on fire, including furniture, drapes, carpeting and paper, at least three feet away from the heat source. Never drape clothes over a space heater to dry.

C. Fire Prevention Tips

1. Discarded, accidentally left lit and carelessly handled cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa or other upholstered furniture. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
2. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
3. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your stove and oven are off.
4. Monitor coffee pots, hot plates and other electrical devices with heating elements. Don't leave them on when not needed. Make sure to turn them off at night or when no one is home.
5. Never plug too many devices into electrical outlets. Most household outlets provide 15 amperes of electrical current, except outlets designated for large household appliances or air conditioners. Do not operate household equipment, including microwaves, toasters, coffee pots, hot plates and other devices that use a significant amount of current on the same electrical outlet without first checking the amount of current they use.
6. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
7. Keep all doorways, and all windows leading to fire escapes, free of obstructions.
8. Report to the building owner or manager any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
9. Window gates should be installed only when absolutely necessary for security reasons. Install only Fire Department-approved window gates.
 - Do not install window gates with key or combination locks. A delay in finding or using the key or combination could cost lives.
 - Familiarize yourself and the members of your household with the operation of the window gate.
 - Maintain the window gate's operating mechanism so it opens smoothly. Don't place any furniture or personal items where they would prevent the window gates from opening.
10. Familiarize yourself and members of your household with the location of all building stairwells, fire escapes and

exits and the route to get to them.

11. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
12. Exercise care in the use and placement of fresh cut decorative greens, including Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including candles and fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.
13. Never use a propane, charcoal or other portable grill indoors.
14. Decorative fireplaces that use liquid alcohol or other flammable liquid are a potential fire hazard. The liquid is easy to spill and quick to ignite. See Section 7, Emergency Preparedness Resources, for more information.

D. Extinguishing a Small Fire

1. You are not expected to put out a fire once it has spread. Instead:
 - Get everyone out of the apartment.
 - Leave immediately and close the apartment door behind you. (**This is very important.**)
 - Report the fire by calling 911 as soon as you reach a safe location. (If your building has a fire alarm system, use the manual pull station to activate the fire alarm as you leave the building.)
 - Notify any building staff.
2. For a fire that has not spread, you can use a portable fire extinguisher. Standard ABC-type (dry chemical) portable fire extinguishers are designed for household fires, except for stove-top fires. Cover the pan or pot and/or use a baking soda or wet portable fire extinguisher (labeled Class K) for stove-top grease/oil fires.
3. To use a portable fire extinguisher, remember P.A.S.S.:
 - Pull
 - Aim
 - Squeeze
 - Sweep

5. KNOW YOUR BUILDING

Learn about your building's construction and types of fire protection systems. This will help you make informed decisions in the event of a fire or non-fire emergency in your building.

- Building construction: Is your building made of fireproof (non-combustible) material or non-fireproof (combustible) material?
- Building fire protection systems: Is your building protected by a sprinkler system? Does it have a fire alarm system or a building communications system?
- Getting out safely (means of egress): How can I get out of the building in case of emergency? Where do the stairwells and other exits leave me: on the street, in the lobby, in the rear yard or other location?

Review the Building Information Sheet you receive from your building owner. Owners of apartment buildings (three or more apartments) are required to prepare and distribute a Building Information Sheet and New York City Apartment Building Emergency Preparedness Guide to all residents and building staff. They are also required to post an Emergency Preparedness Notice on the inside of your apartment entrance door, and in the lobby or common area.

A. Building Construction

1. Non-Combustible Buildings. A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or part thereof in which they start and less likely to spread beyond the building walls to other apartments and floors.
 - THIS DOES NOT MEAN THAT A NON-COMBUSTIBLE BUILDING IS IMMUNE FROM FIRE. While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke and carbon monoxide, which can travel throughout the building, especially if apartment or stairwell doors are left open.
2. Combustible Buildings. A "combustible" or "non-fireproof" building has a wood or other structure that will burn if exposed to fire. A fire that spreads from the burning contents of an apartment into the building walls can spread within the walls and endanger the entire building.

Check the Building Information Sheet for your building to see whether it is combustible or non-combustible construction.

B. Fire Protection Systems

Regardless of the type of construction it is, your building may be protected by fire protection systems that detect and/or

help prevent fires, and provide early warning to building occupants.

1. **Fire Separations.** Most apartments have sheetrock walls and ceilings and fire-rated metal doors. Many buildings also have enclosed stairwells (enclosed within their own walls and doors). Sheetrock and fire-rated doors are “passive” fire protection systems designed to contain the fire for some amount of time, to allow the Fire Department to respond and extinguish the fire and rescue building occupants.
 - ALWAYS close the door to your apartment as you leave if there is a fire in the apartment. LEAVING THE APARTMENT DOOR OPEN WHEN THE APARTMENT IS ON FIRE ALLOWS THE FIRE TO SPREAD OUTSIDE OF THE APARTMENT.
 - NEVER block/chock open stairwell doors. Stairwell doors should be kept closed at all times.
2. **Sprinkler Systems.** A sprinkler system is designed to extinguish a fire by spraying water on it. A sprinkler head on the ceiling detects the heat of a fire and automatically releases the water from the pipe in the ceiling. It also sounds an alarm at street level, or, in most newer buildings, transmits an alarm to a fire alarm company central monitoring station.
 - Sprinklers are good at preventing a fire from spreading, but the fire may still generate a large quantity of smoke. Smoke spread can be life-threatening to other building occupants. Always close the apartment door as you leave.
 - Apartment buildings constructed since 2000 generally are protected by a sprinkler system. Earlier buildings generally do not have a sprinkler system throughout the building. Some have partial sprinkler systems in open stairwells, compactor rooms or other areas.

3. **Emergency Voice Communication Systems.** Most high-rise apartment buildings constructed since 2009 that are taller than 12 stories or 125 feet are equipped with a building-wide emergency voice communication system that allows Fire Department personnel to make announcements in the stairwells and in each dwelling unit from a central location, usually the building lobby.
4. **Fire Alarm Systems.** All apartment buildings have smoke alarms and carbon monoxide alarms in individual apartments (see Home Safety Devices, Section 4(a) above). These alarms are not connected to a building fire alarm system and do not automatically notify a fire alarm company central station; they only sound in the apartment.

Some buildings have fire alarm systems, but they may be limited in the areas they cover and may not activate an alarm throughout the building.

- Most apartment buildings built since 2009 have a building fire alarm system, but it is limited to smoke detection in mechanical and electrical rooms. Any alarm in those rooms is automatically transmitted to a fire alarm company central monitoring station, which notifies the Fire Department.
- Some older buildings have an interior fire alarm system with loudspeakers designed to warn building occupants of a fire in the building and manual pull stations that can be used to activate the fire alarm system. The manual pull stations are usually located near the main entrance and by each stairwell door. The manual pull stations generally do not automatically transmit a signal to a fire alarm company central monitoring station.

If you see or hear any of these devices sound an alarm, call 911. Do not assume that the Fire Department has been notified.

5. **Public Address Systems.** Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Check the Building Information Sheet for your building to see whether there is a sprinkler system, fire alarm system, emergency voice communication system or public address system in your building.

C. Getting Out Safely (Means of Egress)

Almost all residential apartment buildings have at least two means of egress (way of exiting the building). There are several different types of egress:

1. **Interior Stairs.** All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed.
 - Enclosed stairwells are more likely to allow safe egress from the building, if the doors are kept closed.
 - Unenclosed stairs do not prevent the spread of flame, heat and smoke. Flames, heat and smoke from a fire will rise up the stairs and prevent safe egress down the stairs from floors above the fire.
2. **Exterior Stairs.** Some buildings provide access to the apartments by means of outdoor stairs and corridors. The fact that they are outdoors and do not trap heat and smoke enhance their safety in the event of a fire, provided that they are not obstructed.
3. **Fire Tower Stairs.** These are generally enclosed stairwells in a “tower” separated from the building by air shafts open to the outside. The open air shafts allow the heat and smoke to escape, keeping the stairwell safe.

4. **Fire Escapes.** Older buildings may have a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes should be used only if the primary means of egress from the building (stairwells) have become unsafe because they are obstructed by flame, heat or smoke.
5. **Exits.** Almost all buildings have more than one exit to the outdoors. In addition to the main entrance to the building, there may be side exits, rear exits, basement exits, and exits to the street from stairwells. You should know which exits lead to the street or other safe place, and how to get to them from your apartment.
 - Some of these exits may have alarms and should only be used in an emergency.
 - Roof access doors are not exits and may or may not allow access to adjoining buildings. Roofs are dangerous places, especially at night or in a fire. They usually have limited or no lighting and often have tripping hazards and unprotected drop-offs. Do not use roof access as an exit except as a last resort and only if there is safe access to an adjoining building.

Check the Building Information Sheet for your building to see the different means of egress from your building and where they exit the building.

D. Apartment Identification and Fire Emergency Markings

All apartments are required to have the apartment number clearly marked at eye level on the main entrance door to the apartment, in the building corridor. This will help the Fire Department and other first responders quickly locate your apartment in an emergency.

In addition, many apartment buildings are now required to post or mark the apartment number on the door jamb, at floor level. These reflective or luminous “fire emergency markings” will help the Fire Department locate your apartment during a fire or smoke condition when the eye-level door numbers are not visible. All duplex and other multi-floor apartments, and all apartment buildings that are not protected by a sprinkler system and have more than 8 apartments on a floor, are required to install the fire emergency markings on apartment and stairwell door jambs. For more information, see Section 7, Emergency Preparedness Resources.

Make sure your apartment number is on your apartment door. Check whether fire emergency markings are required in your apartment building.

6. WHAT TO DO IN A FIRE OR NON-FIRE EMERGENCY

A. Fires

In the event of a fire, follow the directions of Fire Department personnel. However, there may be emergency situations in which you may be required to decide on a course of action to protect yourself and the other members of your household before Fire Department personnel arrive on scene or can provide guidance.

1. Emergency Fire Safety Instructions

The instructions below are intended to assist you in selecting the safest course of action. Please note that no instruction can account for all of the possible factors and changing conditions; you will have to decide for yourself what is the safest course of action under the circumstances.

- Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
- Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater threat to your safety than a fire on a floor above your apartment.
- Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
- If you decide to exit the building during a fire, close all doors as you exit to confine the fire. NEVER USE THE ELEVATOR. It could stop between floors or take you to where the fire is, and can become filled with smoke or heat.
- Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl, keeping your head close to the floor. Take short breaths, breathing through your nose.
- If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

If the fire is in your apartment:

- Close the door to the room where the fire is, and leave the apartment.
- Make sure EVERYONE leaves the apartment with you.
- Take your keys.
- Close, but do not lock, the apartment door.
- Use the nearest stairwell that is free of smoke to exit the building.
- DO NOT USE THE ELEVATOR.
- Call 911 as soon as you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
- Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

If the fire is not in your apartment (in NON-COMBUSTIBLE OR FIREPROOF BUILDINGS):

- Stay inside your apartment (shelter in place) and listen for instructions from firefighters unless conditions become dangerous.

- If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
- If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
- If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
- Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
- Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
- If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
- If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

If the fire is not in your apartment (in COMBUSTIBLE OR NON-FIREPROOF BUILDINGS):

- Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
- Exit your apartment and building if you can safely do so, following the instructions above for a fire in your apartment.
- Alert people on your floor by knocking on their doors on your way to the exit.
- If the hallway or stairwell(s) are not safe because of smoke, heat or fire and you have access to a fire escape; use it to exit the building. Proceed cautiously on the fire escape and always carry or hold onto small children.
- If you cannot use the stairs or fire escape, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
- Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings with plastic and duct tape where smoke may enter.
- Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
- If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet or blow on a whistle to attract the attention of firefighters.
- If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

2. Evacuation Assistance

If you will need assistance in evacuating the building, you should develop a plan in advance and arrange a network of supports to be sure that you will be able to get out. For more information, see Section 2, Persons Who Need Assistance.

In developing your plan, take the following factors into consideration:

- The most common problem in evacuating is inability to walk or difficulty walking. Elevators can be used to evacuate the building in most emergencies, but not during a fire or power outage.
- Relocating within the building below the fire floor or non-fire emergency may be sufficient to protect you from harm.
- If you use a wheelchair, scooter or other motorized device, consider keeping a lightweight travel wheelchair or evacuation chair in your apartment to make it easier for others to assist you when the elevator can't be used. Show how it works to those who will be helping you.
- Carrying a person down flights of stairs is difficult, at best. If you and those who may be helping you think it can be done, educate yourselves as to different ways persons can be carried. For more information, see Section 7, Emergency Preparedness Resources.

As a last resort, if you are unable to evacuate, retreat to the safest area from the fire or other emergency. This could be your apartment, a neighbor's apartment, or the stairwell itself. Some newer buildings may have a room near the stairwell designed as a shelter and equipped with a telephone. Call 911 (or have others call 911) to report your situation.

B. Medical Emergencies

Take a moment to plan ahead for a medical emergency. What should you do if you, a member of your family or a neighbor experience a medical condition that requires emergency ambulance transport to a hospital?

Familiarize yourself with the warning signs of a medical emergency and the information the 911 operator will ask you to provide. Keep handy the phone numbers of someone you can call to meet emergency responders and escort them directly to the patient.

1. Warning signs. The following are warning signs of a medical emergency:

- Burns or smoke inhalation
- Bleeding that will not stop
- Breathing problems, such as difficulty breathing or shortness of breath
- Change in mental status, such as unusual behavior, confusion, difficulty in waking
- Chest pain
- Choking
- Coughing up or vomiting blood
- Fainting or loss of consciousness
- Feeling of committing suicide or murder
- Head or spine injury
- Severe or persistent vomiting
- Sudden, severe pain anywhere in the body
- Sudden dizziness, weakness, or change in vision
- Swallowing a poisonous substance

- Upper abdominal pain
2. **Call 911.** Should you or a member of your household experience any of the above symptoms, immediately call 911. Be ready to provide the following information to the 911 operator:
 - The address of the building, including the nearest cross-street and apartment number.
 - The best building entrance to use to get to where you are.
 - The number of persons who are ill and your exact location inside or outside of the building.
 - Your chief complaint and/or present condition (e.g. bleeding, breathing/not breathing, conscious/unconscious, etc.).
 - Any disability of which emergency responders should be aware, such as hearing loss, blind or limited vision, or a cognitive disability that will affect the emergency responders ability to communicate with you.
 - Have a family/household member stay with you.
 3. **Notify Building Staff.** After calling 911, notify building staff that you have called 911 for an ambulance. Ask them to meet the emergency responders, let them into the building and assist them in finding your apartment. If you do not have or cannot reach building staff, ask a family member or neighbor to meet and assist the emergency responders.

C. Utility Emergencies

Utility disruptions include power outages, carbon dioxide releases, gas leaks and water leaks. They can affect a single apartment, building or block or the entire city.

1. Power Outages

Advance preparation:

- Keep flashlights and spare batteries in your apartment.
- Avoid the use of candles, which can start a fire. For more information about the safe use of candles, see Section 7, Emergency Preparedness Resources.
- If you rely on medical equipment that requires electric power, look into obtaining a back-up power source. Ask your utility company whether your medical equipment qualifies you to be listed as a life-sustaining equipment (LSE) customer who will be contacted in the event of power emergency. See Section 7, Emergency Preparedness Resources.
- Keep your cell phone charged. If you have a battery pack, keep it fully charged as well.

At time of the power disruption:

- Call your utility company immediately to report the outage. See Section 7, Emergency Preparedness Resources.
- Turn off all appliances that will turn on automatically when service is restored, to avoid a power surge that can damage your electrical circuits and appliances.
- Keep refrigerator and freezer doors closed as much as possible to avoid spoilage.
- Do not use generators indoors. They can create dangerous levels of carbon monoxide.
- Do not use propane or kerosene heaters or grills indoors.

2. Carbon Monoxide Release

Carbon monoxide (CO) is a colorless, odorless gas produced by fuel-burning appliances and equipment (such as stoves, furnaces and hot water heaters), fireplaces and vehicle exhaust pipes. The carbon monoxide generated by these appliances should be released outdoors through a chimney, vent pipe or other means. A blocked or cracked chimney or vent pipe can allow carbon monoxide to enter the building, sometimes many floors from the source.

Symptoms of carbon monoxide poisoning are flu-like. They may include headache, dizziness, fatigue, chest pain, vomiting. If not promptly addressed, it can cause death.

IF YOU SUSPECT CARBON MONOXIDE POISONING:

- Open windows.
- Evacuate the building.
- Call 911 as soon as you reach a safe location.
- Call your local utility company.

3. Gas Leaks

Many apartments use piped natural gas from the utility company for cooking and clothes drying. Natural gas is flammable and explosive. If it leaks and collects in an apartment or room, a spark can ignite it, causing an explosion and a fire.

Piped natural gas is given a distinctive, “rotten eggs” smell by the utility company. If you smell natural gas:

- Do not operate any light switches or electrical devices in the apartment, including your cell phone. Any spark could cause a fire.
- Do not smoke and immediately extinguish any smoking materials.
- Evacuate the building, taking all members of your family/household.
- Call 911 to report the emergency when outdoors.
- For more information about building explosions, see Section 6(F).

4. Water Leaks or Interruptions

Water leaking into electrical wiring can cause a fire.

- If water is leaking into your apartment (or from your apartment to others), immediately arrange for repairs or notify the building owner or manager to do so (as applicable).
- If water is entering electrical wiring in the ceiling or walls, call 911.
- If you have no water or very low water pressure, report the condition to 311 (for Video Relay Service: 212-639-9675; TTY: 212-504-4115).
- If you have a concern about drinking water quality, report the condition to 311. Monitor Notify NYC or local radio and TV stations for official guidance as to a widespread drinking water emergency.
- If you see water coming up from the ground or roadway, or suspect a water main break, call 311 (for Video

D. Weather Emergencies

1. Extreme Heat

During a heat wave your apartment may be unsafe if it is not air conditioned. Infants, the elderly and the ill are particularly vulnerable to the effects of extreme heat.

Monitor Notify NYC and local radio and TV stations for extreme heat warnings.

IN AN EXTREME HEAT EMERGENCY:

- With the approval of the building owner, purchase and install one or more air conditioners. Only install air conditioners if the apartment's electrical wiring can provide adequate power. Make sure that the air conditioners that you purchase do not require more power than your apartment's electrical wiring can provide. Air conditioners should be installed by a trained and knowledgeable person to make sure that they are securely affixed to the building and do not endanger others below.
- Spend as much time as possible, especially during the day, in an air conditioned place. This could be a friend or neighbor's apartment, a restaurant or store, or a cooling center.
- During heat emergencies, New York City operates cooling centers in air-conditioned public facilities. Public pools may also be available. Call 311 (for Video Relay Service: 212-639-9675; TTY: 212-504-4115) or access NYC.gov/emergencymanagement during a heat emergency to find a local cooling center or pool.
- Avoid strenuous activity.
- Drink plenty of water. Avoid alcohol and caffeinated beverages.
- Conserve power: if you have an air conditioner, set it no lower than 78 degrees during a heat wave when you are in your apartment, and turn off nonessential appliances.

2. Blizzards and Other Winter Weather Storms

The public is generally advised to shelter in place in their homes during a winter weather storm. Apartment buildings usually provide a safe environment during storms and persons can remain indoors for several days if necessary if they make adequate provision for food and other supplies.

3. Heavy Rain, Coastal Storms and Hurricanes

In some extreme weather emergencies, such as hurricanes, the City may order evacuations in areas. If you live in a high rise building, especially on the 10th floor or above, stay away from windows in case they break or shatter, or move to a lower floor.

Advance preparation:

- Before a coastal storm or hurricane, find out if you live in one of New York City's hurricane evacuation zones. See Section 7, Emergency Preparedness Resources, or NYC.gov/knowyourzone.
- Prepare your home. Secure outdoor objects, close windows and exterior doors securely, move valuable items to upper floors, and top off your generator with fuel.
- Have your Go Bag ready.
- Know where you will go in the event an evacuation order is issued. Stay with family or friends or call 311 for information before, during or after the storm.
- If ordered to evacuate, do so as directed. Use public transportation if possible. Keep in mind that public transportation may shut down several hours before the storm arrives.
- If you need to use the elevator to evacuate and are in an evacuation zone, be sure to evacuate before elevator service is discontinued to protect the elevators from flooding. Building owners are required to post signs in the building lobby or common area in advance (if possible) of a weather emergency if they will be discontinuing elevator service. Advance notification of the building owner/ management may help ensure you receive appropriate notification. See Section 2, People Needing Assistance.
- Be prepared for a power interruption by charging your cell phone and other portable devices and adjust the refrigerator setting to a colder temperature.

During the storm:

- Stay indoors. If you live in a basement apartment, be prepared to move to a higher floor during periods of heavy rain.
- Call 911 if you have a medical emergency or are in danger from physical damage to your building or apartment, but be aware that an emergency response may be delayed or unavailable during the storm.
- If you are trapped inside by rising waters, move to a higher floor, but don't retreat into an enclosed attic unless you have a saw or other tool to cut a hole in the roof if necessary. Call 911 and report your situation. Wait for help. Do NOT try to swim to safety. Do not enter a building if it is surrounded by floodwaters.
- Stay away from downed power lines. Water conducts electricity.

4. Earthquakes

Although earthquakes are not common in the New York City area, earthquakes can and have affected our area, and apartment building residents and staff should be prepared.

Depending on its location, even a small earthquake can cause buildings to shake, physically damage buildings (including cracks in walls), and cause objects to move or fall from shelves.

During an earthquake, “drop, cover and hold on”:

- Take cover under a sturdy piece of furniture (such as a table) and hold on.
- If you cannot take cover under a piece of furniture, take cover in a corner next to an inside (interior) wall.
- Drop to the floor.
- Cover your head and neck with your arms.
- If you use a wheelchair, take cover in a doorway or next to an interior wall and lock the wheels. Remove from the wheelchair any equipment that is not securely affixed to it. Cover yourself with whatever is available to protect yourself from falling objects.
- If you are unable to move from a bed or chair, protect yourself from falling objects with blankets or pillows.
- If you are outdoors, go to an open area away from trees, utility poles and buildings.
- Stay where you are until the shaking stops.

Be aware that there may be aftershocks, additional earthquake vibrations which often follow an earthquake.

5. Tornados

Although not common in the New York City area, a number of tornados (and microbursts, a similar wind condition) have touched down in New York City in recent years.

In the event of a tornado alert:

- If a tornado is approaching your neighborhood, immediately go to the basement of your building. If your building has no basement, go to the lowest floor of the building.
- Stay next to the wall in an interior room or area away from windows until the tornado has passed.
- Avoid interior spaces with roofs that span a large open space, such as atriums and auditoriums.
- If there is no suitable place to shelter in your building, evacuate your building for a safer location, but only if there is sufficient time to get there.

E. Hazardous Materials Emergencies

1. Chemical

A hazardous materials emergency can result from an accident, such as an overturned truck or an explosion in a factory, or as a result of criminal activity, such as a terrorist attack.

If the chemical is being dispersed through the air, every effort should be made to avoid breathing it in.

During the emergency:

- Shelter in place. Generally, it is safest to shelter in place in your apartment.
- Turn off all air conditioners and ventilation systems, close windows and seal up all ventilation grilles and other openings that will allow outside air to enter into your apartment.
- Monitor Notify NYC and local radio and TV stations for additional information.

If you are near the area of the chemical release or it has entered your apartment:

- Cover your nose, mouth and as much of your skin as possible.
- Evacuate your apartment and building if it is safe to do so. If not, move to an interior room, such as a bathroom and seal up the windows and doors.

Once the emergency has been resolved, if you have been exposed to, or contaminated by, the chemical:

- Listen for instructions from public authorities and/or first responders.
- Decontaminate yourself as soon as you reach a clean area. Obtain medical assistance if needed.

Monitor Notify NYC for guidance if the hazardous materials release affects the water or food supply.

2. Radiological Dispersal Device (RDD)

Radiological dispersal devices (RDDs) use conventional explosives with radioactive material. RDDs are not capable of creating a nuclear explosion: they are not nuclear weapons. They are meant to cause panic and disrupt daily life.

RDDs can cover a wide area with dangerous radioactive material. Radioactive material dispersed from an RDD can settle like dust on your clothing, your body, and other objects.

If you are outside, immediately take shelter in the nearest safe building and monitor Notify NYC (and local radio and TV stations, if available) for additional information and instructions.

If you or your family are near the location of a confirmed RDD explosion, follow the steps below to reduce any potential radiation exposure. Do not go to a hospital unless you have a medical emergency.

- Take off your outer layer of clothing and your shoes. This can remove up to 90% of any radioactive material. Do not shake or brush off the dust.
- Seal the clothing and shoes you were wearing in a plastic bag or other container and keep them away from people and pets, but do not place them in the garbage.
- Gently blow your nose and wipe your eyes and ears with a clean wet cloth.
- Take a shower with plenty of soap. Wash from your head down. Avoid scratching your skin. Wash your hair using shampoo only. Do not use conditioner because it may cause radioactive material to stick to your hair and skin.
- If you cannot shower, use a dry or wet cloth or wipe to clean skin that was uncovered, including your face and hands. Seal the used cloth or wipes in a bag or container like you did with your contaminated clothes.
- Put on whatever clothing and shoes you have that are not contaminated with dust. If necessary, borrow clothes from a neighbor.
- All personal devices and equipment that may have been exposed to radioactive material, especially wheelchairs and other mobility equipment, should be wiped down with a damp cloth or wipe. Make sure to clean the wheels. Wash your hands afterwards.
- Decontaminate pets and service animals by washing and shampooing them. It is not necessary to shave their fur.

F. Building Explosions/Collapse

The most common reason for a building explosion is a gas leak. See Section 6(C)(3), Gas Leaks.

Building explosions can also result from malfunctioning equipment or criminal activity.

Explosions can cause buildings, or portions of buildings, to collapse. Building collapses also result from unlawful or improperly performed alterations to the building structure.

Buildings of noncombustible construction (with concrete or steel structures) are less likely to collapse, except in extraordinary circumstances.

If there is an explosion in your apartment building:

- Attempt to determine the severity of the damage to the building (such as collapsed or cracked ceilings or walls, clouds of dust, or strong smell of gas) and whether you are in immediate danger.
- If conditions allow, evacuate the building as quickly and calmly as possible.
- Call 911 as soon as you are in a safe location.
- If you cannot safely evacuate or you are not certain it is safe to evacuate, call 911 and follow the instructions they provide.
- If there is a possibility of a collapse of walls or ceilings, take cover under a sturdy piece of furniture (such as a table).

If there is a collapse in your building and you are trapped by debris:

- Cover your nose and mouth with a dry cloth or clothing.
- Move around as little as possible to avoid generating dust, which may be harmful and make it difficult to breathe.
- Tap on a pipe or wall so rescuers can hear where you are. Use a whistle if one is available.

G. Terrorism

A terrorist's primary objective is to create fear. With accurate information and basic emergency preparedness, you can fight back. Visit PlanNowNYC, a website developed by NYC Emergency Management and the City's other emergency response agencies to help New Yorkers prepare for terrorist attacks. See Section 7, Emergency Preparedness Resources.

1. Know the Facts and Be Responsible

- Keep in mind that terrorism can take many different forms. By preparing for the fire and non-fire emergencies addressed above, you will also be preparing for terrorist attacks.
- Know the facts of a situation and think critically. Confirm reports using a variety of reliable sources of information, such as the government or media. Do not spread rumors.
- Do not accept packages from strangers, and do not leave luggage or bags unattended in public areas such as the subway.
- If you receive a suspicious package or envelope, do not touch it. Call 911 and alert City officials. If you have handled the package, wash your hands with soap and water immediately. Read the US Postal Service's tips for identifying suspicious packages. For more information, see Section 7, Emergency Preparedness Resources.

2. Active Shooter Emergencies

In an active shooter emergency, one or more armed individuals enter a building or other place with the intention of shooting multiple persons, typically at random.

Active shooter incidents are generally associated with public buildings and places, not apartment buildings. However, an active shooter emergency could occur in or around your apartment building, or where you work, shop, or spend recreational time. It is important that you understand how to respond to such emergencies.

DURING AN ACTIVE SHOOTER EMERGENCY, IT IS RECOMMENDED THAT YOU:

1. Avoid (Run). Get away from the shooter, if you can. Leave your personal belongings behind.
2. Barricade (Hide). If you can't safely leave the area, go into an apartment or other room. Lock the door and/or block it with large, heavy objects to make entry difficult. Hide behind a large, solid item if possible, in case shots are fired through the door or wall. Turn off any source of noise and remain still and quiet. Put your cell phone and other devices on silent, not vibrate.
3. Confront (Fight). If you and others cannot safely leave the area and there is nowhere to hide, or the shooter enters your apartment or hiding place, use whatever you can to defend yourself. Coordinate your actions with others, if possible. Commit to your actions and act aggressively. Improvise weapons and throw items. Yell.

© FDNY 2018

4. Call 911 as soon as it is safe to do so.

Law enforcement personnel responding to an active shooter incident will be focused on identifying and neutralizing

the shooter(s). Law enforcement officers will be looking at the hands of all persons they encounter, both to identify the shooter and for their own safety.

1. Keep your hands empty and above your head. Do not carry any items that could be confused with a weapon or a dangerous device.
2. Do not act in a manner that may cause a law enforcement officer to view you as a threat. Do not make any sudden movements. Keep your distance. Do not run towards law enforcement officers or grab them.
3. The law enforcement personnel you first encounter may not be designated to render medical assistance. If possible, proceed to a more secure area before requesting assistance.
4. You may not be allowed to immediately leave the scene of the incident. Be prepared to be detained for questioning.

3. IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW, KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE SERVES TO INFORM A TENANT THAT THE LANDLORD IS INCREASING THE RENT ABOVE THE THRESHOLD FOR PRESUMPTIVELY UNREASONABLE RENT INCREASES, WHAT IS THE LANDLORD'S JUSTIFICATION FOR INCREASING THE RENT ABOVE THE THRESHOLD FOR PRESUMPTIVELY UNREASONABLE RENT INCREASES? (A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent.)

(PLEASE MARK AND FILL OUT THE APPLICABLE RESPONSE)

A. The rent is not being increased above the threshold for presumptively unreasonable rent increases described above:

B. The rent is being increased above the threshold for presumptively unreasonable rent increases described above:

B-1: If the rent is being increased above the threshold for presumptively unreasonable rent increases described above, what is the justification for the increase:

4. IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW, KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE SERVES TO INFORM A TENANT THAT THE LANDLORD IS NOT RENEWING A LEASE, WHAT IS THE GOOD CAUSE FOR NOT RENEWING THE LEASE? (PLEASE MARK ALL APPLICABLE REASONS)

A. This unit is exempt from Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law, for the reasons stated in response to question 2, above (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED):

B. The tenant is receiving this notice in connection with a first lease or a renewal lease, so the landlord does not need to check any of the lawful reasons listed below for not renewing a lease under Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED):

C. The landlord is not renewing the lease because the unit is sublet and the sublessor seeks in good faith to recover possession of the unit for their own personal use and occupancy (exemption under subdivision 3 of section 214 of the Real Property Law):

D. The landlord is not renewing the lease because the possession, use or occupancy of the unit is solely incident to employment and the employment is being or has been lawfully terminated (exemption under subdivision 4 of section 214 of the Real Property Law):

E. The landlord is not renewing the lease because the tenant has failed to pay rent due and owing, and the rent due or owing, or any part there- of, did not result from a rent increase which is unreasonable. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent (good cause for eviction under paragraph a of subdivision 1 of section 216 of the Real Property Law):

F. The landlord is not renewing the lease because the tenant is violating a substantial obligation of their tenancy or breaching any of the landlord's rules and regulations governing the premises, other than the obligation to surrender possession of the premises, and the tenant has failed to cure the violation after written notice that the violation must cease within 10 days of receipt of the written notice. For this good cause to apply, the obligation the tenant violated cannot be an obligation that was imposed for the purpose of circumventing the intent of Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law. The landlord's rules or regulations that the tenant has violated also must be reasonable and have been accepted in writing by the tenant or made a part of the lease at the beginning of the lease term (good cause for eviction under paragraph b of subdivision 1 of section 216 of the Real Property Law):

G. The landlord is not renewing the lease because the tenant is either (a) committing or permitting a nuisance on the unit or the premises; (b) maliciously or grossly negligently causing substantial damage to the unit or the premises; (c)

interfering with the landlord's, another tenant's, or occupants of the same or an adjacent building or structure's comfort and safety (good cause for eviction under paragraph c of subdivision 1 of section 216 of the Real Property Law):

- H. The landlord is not renewing the lease because the tenant's occupancy of the unit violates law and the landlord is subject to civil or criminal penalties for continuing to let the tenant occupy the unit. For this good cause to apply, a state or municipal agency having jurisdiction must have issued an order requiring the tenant to vacate the unit. No tenant shall be removed from possession of a unit on this basis unless the court finds that the cure of the violation of law requires the removal of the tenant and that the landlord did not, through neglect or deliberate action or failure to act, create the condition necessitating the vacate order. If the landlord does not try to cure the conditions causing the violation of the law, the tenant has the right to pay or secure payment, in a manner satisfactory to the court, to cure the violation. Any tenant expenditures to cure the violation shall be applied against rent owed to the landlord. Even if removal of a tenant is absolutely essential to the tenant's health and safety, the tenant shall be entitled to resume possession at such time as the dangerous conditions have been removed. The tenant also retains the right to bring an action for monetary damages against the landlord or to otherwise compel the landlord to comply with all applicable state or municipal housing codes (good cause for eviction under paragraph d of subdivision 1 of section 216 of the Real Property Law):
- I. The landlord is not renewing the lease because the tenant is using or permitting the unit or premises to be used for an illegal purpose (good cause for eviction under paragraph e of subdivision 1 of section 216 of the Real Property Law):
- J. The landlord is not renewing the lease because the tenant has unreasonably refused the landlord access to the unit for the purposes of making necessary repairs or improvements required by law or for the purposes of showing the premises to a prospective purchaser, mortgagee, or other person with a legitimate interest in the premises (good cause for eviction under paragraph f of subdivision 1 of section 216 of the Real Property Law):
- K. The landlord is not renewing the lease because the landlord seeks in good faith to recover possession of the unit for the landlord's personal use and occupancy as the landlord's principal residence, or for the personal use and occupancy as a principal residence by the landlord's spouse, domestic partner, child, stepchild, parent, step-parent, sibling, grandparent, grandchild, parent-in-law, or sibling-in-law. The landlord can only recover the unit for these purposes if there is no other suitable housing accommodation in the building that is available. Under no circumstances can the landlord recover the unit for these purposes if the tenant is (a) 65 years old or older; or (b) a "disabled person" as defined in subdivision 6 of section 211 of the Real Property Law. To establish this good cause in an eviction proceeding, the landlord must establish good faith to recover possession of a housing accommodation for the uses described herein by clear and convincing evidence (good cause for eviction under paragraph g of subdivision 1 of section 216 of the Real Property Law);
- L. The landlord is not renewing the lease because the landlord in good faith seeks to demolish the housing accommodation. To establish this good cause in an eviction proceeding, the landlord must establish good faith to demolish the housing accommodation by clear and convincing evidence (good cause for eviction under paragraph h of subdivision 1 of section 216 of the Real Property Law):
- M. The landlord is not renewing the lease because the landlord seeks in good faith to withdraw the unit from the housing rental market. To establish this good cause in an eviction proceeding, the landlord must establish good faith to withdraw the unit from the rental housing market by clear and convincing evidence (good cause for eviction under paragraph i of subdivision 1 of section 216 of the Real Property Law):
- N. The landlord is not renewing the lease because the tenant has failed to agree to reasonable changes at lease renewal, including reasonable increases in rent, and the landlord gave written notice of the changes to the lease to the tenant at least 30 days, but no more than 90 days, before the current lease expired. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published by August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent (good cause for eviction under paragraph j of subdivision 1 of section 216 of the Real Property Law):

Information and Instructions

- Relevant Code Sections

Rent Stabilization Code 2520.11(u)

- This notice is required to be served, by the owner, on the first tenant of the 421-a (16) housing accommodation after the rent stabilized unit becomes exempt/deregulated from the rent laws. Although this form is promulgated by DHCR, the regulations do not require DHCR to review the accuracy of the contents of the completed form and the form is not required to be served on DHCR. However, DHCR on its own initiative may conduct audits of these notices.
- This notice is required to be sent by **certified mail** to the tenant, within 30 days after the tenancy commenced or after the signing of the lease by both parties, whichever occurs first, or shall be delivered to the tenant at the signing of the lease.
- In addition, the owner shall send and certify to the tenant a copy of a **registration** statement for such housing accommodation filed with DHCR indicating the exempt/deregulated status and the last legal regulated rent. It shall be sent within 30 days after the tenancy commences or the filing of said registration, whichever occurs later.
- The tenant may challenge the deregulation by filing an Overcharge complaint with DHCR within six years of the commencement date of the lease.
- In 421-a (16) buildings, apartments initially rented at an amount at or above the Market Rate Threshold qualify for permanent exemption from Rent Stabilization. In this situation, the filing of this form is not required. However, the registration statement referenced above does need to be served on the tenant.
- The Housing Stability and Tenant Protection Act (HSTPA) of 2019, with the exception of 421-a (16) apartments, eliminated High-Rent Vacancy Deregulation.
- Pursuant to HSTPA, in buildings with 35 units or less, the amount the rent can be increased for an IAI is limited to 1/168th of the cost of the improvement. In buildings with more than 35 units, the amount the rent can be increased for an IAI is limited to 1/180th of the cost of the improvement. No more than three IAI increases can be collected in a 15-year period and the total cost of the improvements eligible for a rent increase calculation cannot exceed \$15,000. (See Operational Bulletin 2016-1.)

NOTIFICATION OF RIGHTS AND PROCEDURES

As a residential customer for electricity, you have certain rights assured by New York's Home Energy Fair Practices Act ("HEFPA"). This notification is an overview of those rights and certain policies and procedures regarding the service and billing of your electricity. A copy of this notification of rights and procedures will be available in the management office for your convenience. For a full explanation of HEFPA, you can go to the Department of Public Service's website at www.dps.ny.gov, or you may review a copy of the regulations in the property manager's office.

The building at **2413 3RD AVE, Bronx, NY** (the "Building") will be a submetered facility. **RXR 2413 Third Owner LLC** is the owner of this building. The administration of submetering will be performed by an outside vendor as a third-party billing company under contract with the Owner to invoice residents for their monthly utility usage. Residents receive monthly bills from the Owner or its third-party billing company for their respective electricity usage, which amounts are payable to the Owner.

If a Residential customer has a problem or complaint with regard to electric service, or has a question about electric bill or believes the electric bill is inaccurate, the following protocol will be followed:

Residential customers should submit the complaint to the property manager of the Building, including the action or relief requested and/or the reason for a complaint about a submetering charge. The property manager shall investigate and respond to the complaint in writing within fifteen (15) days of the receipt of the complaint. **The Property Management can be contacted via telephone number (212) 210-6666 or at the management office 777 Third Avenue, 6th Floor, New York, NY 10017.** If the residential customers and the property manager cannot reach an equitable agreement and tenant continues to believe the complaint has not been adequately addressed, then the tenant may file a written complaint with the New York State Department of Public Service, 3 Empire State Plaza, Albany, New York 12223, by telephone at 1-800-342-3377, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.ny.gov The Department of Public Service Hotline may be reached by calling 1-800-342-3355

The electric bills that you receive show the amount of kilowatt hours ("kWh") that you used. The bills you receive shall provide, in clear and understandable form and language, the charges for service. In no event will the total monthly charges (including any administrative charges) exceed the utility's _____ direct metered residential rate.

You have the right to request messages on bills at **(212) 210-6666** or by mail at c/o **777 Third Avenue, 6th Floor, New York, NY 10017**. Usted tiene el derecho de solicitar informacion en facturas e informativos en Espanol. Para solicitar informacion en Espanol, por favor contacte a un representante marcando el telefono **(212) 210-6666** o por correo escrito a la siguiente direccion: c/o **777 Third Avenue, 6th Floor, New York, NY 10017**.

You may request balanced billing, also known as Budget Billing or Levelized Payment Plan, for the payment of electric charges. This plan shall be designed to reduce fluctuations in customers' bills due to seasonal patterns of consumption. Balanced billing divides your electric costs into twelve (12) equal monthly payments. Calculation of levelized electric sub meter monthly charges will be based on the individual tenant's most recent 12-month consumption history, adjusted for any known changes. If 12 months of billing data are not available for the tenant, then 12 months of billing data for the premises (apartment) will be used. If 12 months of billing data are not available for the premises (apartment) then submeterer shall estimate future consumption over the next 12-month period. The electric sub meter statements will clearly identify consumption and state the amounts that would be due without levelized or budget billing, as well as the current levelized monthly charges. The statements and format of the statement information will be subject to regular review for conformity with actual billings. Periodically, the Building will review and adjust the balanced billing amount as necessary. At the end of one (1) year, you shall be responsible to pay for any electric costs in excess of your balanced billing amount paid. Payment of levelized charges will be due each month as noted on the rent bill and defined on the sub meter billing statement. Balances or credits due based on a variance between the total of the budget/levelized payments and the accrued actual payments due based on measured electric consumption shall be trued up either once each year on the twelfth month of the billing plan or when the tenant vacates the premises (apartment), whichever occurs first. You may contact the Building to discuss the details of this plan, if you are interested.

Your meter is read because it measures and records the actual amount of electric you use; this enables an accurate bill to be sent to you. Making sure your electric bills are accurate and correct is important to the Building and to you. That is why every effort is made to read your meter regularly.

You may qualify for a rate reduction the equivalent of that which is provided by _____ to customers who are enrolled in its low-income program pursuant to its tariff (see P.S.C. No. 9 - Electricity, Thirtieth Revised Leaf No. 202). If you receive benefits under Supplemental Security Income, Temporary Assistance to Needy Persons/Families, Safety Net Assistance, or Food Stamps, or have received a Home Energy Assistance Program grant in the preceding twelve (12) months, please alert a Building representative by phone or in writing and he/she will work with you.

If a residential customer has a financial problem that prevented him or her from paying previous bills, the residential customer can request a deferred payment agreement, which will allow for the payment of the overdue amount in reasonable installments. However, the submeterer can refuse to offer a payment agreement when it believes the customer can pay the amount owed, and after its own investigation, the PSC also determines that the customer has the ability to pay the amount owed. Thus, if you are having difficulty paying your electric bill, please contact us by telephone or by letter in order to arrange for a deferred payment agreement, whereby you may be able to pay the balance owed over a period of time. A deferred payment agreement is a written agreement for the payment of outstanding charges over a specific period of time, signed by both the submeterer and customer. If you can show financial need, the Building can work with you to determine the length of the agreement and the amount of each monthly payment. You may not have to make a down payment, and installment payments may be as little as **\$0.00** per month. The Building will make reasonable efforts to help you find a way to pay your bill.

Regardless of your payment history relating to your electric bills, your electric service will be continued if your health or safety is threatened, and/or if any of the following "special protections" apply to you. When the Building becomes aware of such hardship, the Building can refer you to the Department of Social Services. Please notify the Building management.

1. Special Protections

Elderly, Blind or Disabled. If submeterer is aware that a residential customer and all adults living with him or her are 62 years of age or older, blind or disabled, it shall make special attempts to contact the customer by phone or, if necessary, in person, with regard to electric service. If a customer is unable to pay the additional rent which constitutes the bill for electric service, submeterer shall try to work out a payment agreement or obtain payment or a guarantee of payment for the local Department of Social Services or a private organization. If arrangements cannot be made, the

company shall notify the local Department of Social Services of the possibility of service shutoff. However, as stated above, electric service cannot be terminated, disconnected, or suspended at any time. Therefore, the possibility of service shutoff does not exist.

Medical Emergencies. Submeterer shall not terminate, disconnect, or suspend or refuse to restore service when a medical emergency, as certified by a medical doctor or local board of health, exists and/or you have life support equipment and a medical certificate. . However, as stated above, electric service cannot be terminated, disconnected, or suspended at any time.

Supplemental Security Income Benefits. POLICY ON SMOKING FOR RESIDENTIAL BUILDING

Building/Property Address: 2413 3RD AVE, Bronx, NY 10451

There is no safe amount of exposure to secondhand smoke. Adults exposed to secondhand smoke have higher risks of stroke, heart disease and lung cancer. Children exposed to secondhand smoke have higher risks of asthma attacks, respiratory illnesses, middle ear disease and sudden infant death syndrome (SIDS). For these reasons, and to help people make informed decisions on where to live, New York City requires residential building owners (referred to in this policy as the "Owner/Manager," which includes the owner of record, seller, manager, landlord, any agent thereof or governing body) in buildings with three or more residential units to create a policy on smoking and share it with all tenants. The building policy on smoking applies to any person on the property, including guests.

Definitions

- a. **Smoking:** inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non-tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke
- b. **Electronic Cigarette (e-cigarette):** a battery-operated device that heats a liquid, gel, herb or other substance and produces vapor for people to inhale

Smoke-Free Air Act

New York City law prohibits smoking and using e-cigarettes of any kind in indoor common areas, including but not limited to, lobbies, hallways, stairwells, mailrooms, fitness areas, storage areas, garages and laundry rooms in any building with three or more residential units. NYC Admin. Code, § 17-505.

Policy on Smoking

Smoking is not allowed in the locations checked below (check all boxes that apply). Even if no boxes are checked, the Smoke-Free Air Act bans smoking tobacco or non-tobacco products, and using e-cigarettes in indoor common areas.

- ☒ Inside of residential units*
- ☒ Outside of areas that are part of residential units, including balconies, patios and porches
- ☒ Outdoor common areas, including play areas, rooftops, pool areas, parking areas, and shared balconies, courtyards, patios, porches or yards
- ☒ Outdoors within 15 feet of entrances, exits, windows, and air intake units on property grounds
- ☐ Other areas/exceptions:

* Rent-stabilized and rent-controlled units may be exempt from a policy restricting smoking inside residential units unless the existing tenant consents to the policy in writing.

Complaint Procedure

Complaints about smoke drifting into a residential unit or common area should be made promptly to the Owner/Manager. Complaints should be made in writing and should be as specific as possible, including the date, approximate time, location where smoke was observed, building address, description of incident and apparent source of smoke.

Acknowledgment and Signatures:

I have read the policy on smoking described above, and I understand the policy applies to the property. I agree to comply with the policy described above.

For rental units, I understand that violating the smoking policy may be a violation of my lease. For condominiums, cooperatives or other owned units, I understand that violations of the policy on smoking may be addressed according to the building's governing rules.

RIDER TO LEASE: SUBMETERING

2413 3RD AVE, Bronx, NY 10451

1. Consolidated Edison Company of New York, Inc. ("Con Edison") or another local utility, energy services company, and/or local distributed energy resource(s) (individually or collectively, the "Distribution Utility") provides electricity to the building located at 2413 Third Avenue, Bronx, New York 10451 (the "Building").
2. You, the tenant ("you" and "your"), acknowledge that, on 8/21/2023, in Case 22-E-0664: Petition of RXR 2413 Third Owner LLC to Submeter Electricity at 2413 Third Avenue, Bronx, NY 10451, Located in the Territory of Consolidated Edison Company of New York, Inc. ("Con Edison"), the New York State Public Service Commission ("PSC") approved the Building to submeter electricity to the Building's residential units (individually, the "Unit" in which you reside and collectively, the "Units"). You further acknowledge that you will be required to pay RXR 2413 Third Owner LLC (the "Submeterer"), the owner of the Building, for the use of electricity at your Unit on the basis of a separate submetered charge that will be billed to you by the Owner, its managing agent, or its third-party billing company on a monthly basis.
3. In the event of non-payment of electric charges, the Submeterer shall afford you all notices and protections available pursuant to the Home Energy Fair Practices Act ("HEFPA") before any action(s) based on such non-payment, including, but not limited to, termination of service, is commenced. Initial: B.S
4. The Con Edison Service Classification No. 1 rate for direct metered service will be used to calculate submetered electric bills for individual residents. Specifically, your kilowatt hour ("kWh") usage will be multiplied by the Con Edison Service Classification SC-1 rate for a billing period, plus applicable taxes.

The Con Edison Service Classification No. 1 rate is a combination of various items, including, but not limited to:

- Basic Customer Charge: This is a charge for basic system infrastructure and customer-related services, including customer accounting, meter reading, and meter maintenance.
- kWh Cost: This energy charge is broken down into separate components, including market supply, monthly adjustment, and delivery (transmission and distribution).
- Systems Benefit Charge ("SBC"): This is an additional charge per kWh.
- Fuel Adjustment: The sum of Market Supply Charge ("MSC") and Monthly Adjustment Charge ("MAC") adjustment factors.

The following is a nonexclusive example of the formula that will be used to calculate Your electricity charges based on the current Con Edison Service Classification No. 1 rate and a monthly use of 250 kWh:

Type of Charge	Calculation	Total
Basic Charge		\$YY.YY
kWh	.XXXXX times 250 kWh	\$YY.YY
SBC	.XXXXX times 250 kWh	\$ Y.YY
Fuel Adjustment Charge	.XXXXX times 250 kWh	\$ Y.YY
Subtotal		\$YY.YY
Utility Tax	.XXXXX times Subtotal YY.YY	\$ Y.YY
New Subtotal		\$YY.YY
Sales Tax	New Subtotal YY.YY times .045000	\$ T.TT
	New Subtotal YY.YY plus T.TT	\$ZZ.ZZ
Total Tenant Cost		\$ZZ.ZZ

All Con Edison rates by classification are available on its website (www.coned.com) under "Rates and Tariffs." The applicable electric rates and tariffs are listed under the heading "P.S.C. No. 10 – Electricity."

In no event will the total rate for a billing period (including any monthly administrative charge but excluding sales tax) exceed the rates and charges of the distribution utility for delivery and commodity in that billing period to similarly-situated, direct-metered residential customers (see 16 NYCRR§ 96.1 [i]).

The Submeterer or its third-party billing company will read the meters and process a bill based on your actual consumption. The meter reading data and billing calculations will be documented and maintained for a 6-year period for each unit (see 16 NYCRR§ 96.6 [j]).

5. If you have a question or complaint about your electric bill, the following protocol will be followed: please contact the Submeter by telephone at (718) 691-0196 or mail at RXR 2413 Third Owner LLC. The Submeterer or its third-party billing company shall investigate and respond to you in writing within 15 days of the receipt of the complaint. As part of this response, you shall be advised of the disposition of the complaint and the reason therefore. Upon receiving this response,

or at any time, you can also contact the Public Service Commission in writing at New York State Department of Public Service, 3 Empire State Plaza, Albany, New York 12223, by telephone at (800) 342-3377, facsimile at (212) 417-2223, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.ny.gov.

6. You will be afforded rights and protections available to residential energy consumers in New York State under HEFPA, including the ability to file a complaint with the PSC through the Department of Public Service. The nearest PSC office is at: NYS Public Service Commission, 90 Church Street, New York, New York 10007. The PSC can also be contacted by telephone at (800) 342-3377, by facsimile at (212) 417-2234, or via the Internet at www.dps.ny.gov. You may contact the PSC at any time if you are dissatisfied regarding the Submeterer's response to your complaint or at any time regarding submetered service.
 7. You agree that the Submeterer, its agents and employees, and any other persons authorized by the Submeterer may enter the Unit during reasonable hours and with reasonable notice, in order to inspect, repair, test, replace, or access the electrical installations, including the submeter, serving the Unit. Such access may include, and is not limited to, taking such action(s) as may be necessary to terminate service to the Unit for nonpayment of electric charges. Reasonable times are weekdays from 8:30AM-7:00PM and weekends and/or holidays from 10:00AM-7:00PM. An oral demand for access shall be sufficient; written notice shall not be required. Notice shall be deemed sufficient upon delivery, but in no event shall notice be deemed insufficient if notice is at least 24 hours prior to the Submeterer's desired time of entry. If, at any time, the Submeterer requires entry to the Unit due to an emergency condition where, in Submeterer's sole discretion, prior notice of entry is not feasible, or where such entry is required under the Lease or allowed by law, if you are not personally present to permit the Submeterer or the Submeterer's representative to enter the Unit, the Submeterer may enter the Unit absent prior notice to you, and in the event you have failed to deliver a copy of the key to the Submeterer or the Submeterer's agent, the Submeterer may enter the Unit absent prior notice and by force if necessary. The Submeterer shall have the right to remove any lock installed by you, with such removal being at your sole cost, and the Submeterer will not be responsible to you for any damage that results. Initial: B.S
 8. You may request budgeted billing for your electric charges. Budgeted billing divides your electric costs into equal monthly payments. Periodically, the Submeterer or its third-party billing company will review your budget billing amount for conformity with actual billings and may adjust such monthly amount, as necessary. After those reviews, you may be responsible to pay for any electricity costs in excess of the budget billing amount(s) you previously paid. If you have overpaid, a credit will be issued to your account. You may contact the Submeterer to discuss the details of a budget billing plan.
 9. If you have difficulty paying you electric bill(s), you may contact the Submeterer by telephone or by letter in order to arrange for a deferred payment agreement, whereby you may be able to pay the balance owed over a period of time. If you can show financial need, the Submeterer can work with you to determine the length of the agreement, whether you have to make a down payment, and the amount of each monthly payment.
 10. Regardless of your payment history relating to your electric bills, your electricity service will be continued if your health or safety or the health or safety of any other resident is threatened. Specifically, please notify the Submeterer if either of the following conditions exist:
 - (a) **Medical Emergencies.** You must provide a medical certificate from a doctor or local board of health establishing that you and/or a resident living with you are suffering from a medical emergency.
 - (b) **Life Support Equipment.** You must provide a medical certificate from a doctor or local board of health establishing that you and/or a resident living with you are suffering from a medical condition requiring electricity service to operate a life-sustaining device.
- When the Submeterer becomes aware of any such hardship, the Submeterer can refer you to the local Department of Social Services.
11. Special protections may be available if you and those living with you are age eighteen (18) or younger or sixty-two (62) or older, blind, or disabled. If you are age sixty-two (62) or older, you may be eligible for quarterly billing for your electrical charges.
 12. You may designate a third party as an additional contact to receive notices of past due balances for your electrical charges, notifications relating to the disconnection of service, or other credit actions.
 13. If the Submeterer's actions lead to a submetering refund, the same will be credited to you provided that the Submeterer has your contact information.
 14. You agree that at all times the use of electricity in the Unit shall never exceed the capacity of existing feeders to the Building or the risers, wiring, or electrical installations serving the Unit. You shall not make any alterations, modifications, or additions to the electrical installations serving the Unit, including the Unit's submeter. Initial: B.S

To the extent, if any, that the terms of this Rider and the Lease conflict, the terms of this Rider shall prevail.

Tenant(s) has been advised that the Apartment being leased contains a stacked washer dryer unit ("W/D"). Related to this Apartment amenity, Tenant(s) understand that use of the W/D is governed by this special Lease Rider.

Tenant(s) will only use the equipment in accordance with the manufacturer's instruction manual which has been provided with the equipment. Tenant(s) agrees to familiarize any apartment occupants or other possible equipment users (housekeeper, nanny, etc.) with the proper operating procedures.

In the event the W/D is malfunctioning, Tenant shall be responsible for contacting Owner to arrange for such servicing.

The **Owner** will bear any cost(s) associated with regular maintenance as long as the Tenant(s) uses the equipment according to manufacturer's instructions. STOP BED BUGS SAFELY

WHAT ARE BED BUGS?

Bed bugs are small insects that feed on human blood. They are usually active at night when people are sleeping. Adult bed bugs have flat rusty-red-colored oval bodies. Adult bed bugs are about the size of an apple seed, they are big enough to be easily seen, but often hide in cracks in furniture, floors, or walls. When bed bugs feed, their bodies swell and become brighter red. They can live for several months without feeding on a host.

WHAT DOES A BED BUG BITE FEEL AND LOOK LIKE?

Most bed bug bites are initially painless, but later turn into large, itchy skin welts. These welts do *not* have a red spot in the center as do the bites from fleas.

ARE BED BUGS DANGEROUS?

Although bed bugs and their bites are a nuisance, they are not known to spread diseases.

HOW DOES A HOME BECOME INFESTED WITH BED BUGS?

In most cases, people carry bed bugs into their homes unknowingly, in infested luggage, furniture, bedding, or clothing. Bed bugs may also travel between apartments through small crevices and cracks in walls and floors.

HOW DO I KNOW IF MY HOME IS INFESTED WITH BED BUGS?

You may notice itchy skin welts. You may also see the bed bugs themselves, small bloodstains from crushed insects, or dark spots from their droppings. It is often hard to find them because they hide in or near beds, other furniture, and in cracks.

SHOULD I USE A PEST CONTROL COMPANY?

The Health Department recommends that homeowners hire pest control companies registered by the New York State Department of Environmental Conservation (DEC) to get rid of bed bugs.

The pest control company should:

- Inspect your home to confirm the presence of bed bugs.
- Find and eliminate their hiding places.
- Treat your home with special cleaning and/or pesticides if necessary.
- Make return visits to make sure bed bugs are gone.

Be sure your pest control company hires licensed pest management professionals. Ask to see a copy of their license or check directly with DEC by calling (718) 482-4994 or visiting <http://www.dec.ny.gov/permits/209.html>

IS IT NECESSARY TO USE PESTICIDES TO GET RID OF BED BUGS?

The best way to get rid of bed bugs is to clean, disinfect and eliminate their hiding places. Since young bed bugs (nymphs) can live for several months without feeding and the adults for more than a year, the pest control company may use a pesticide. Talk with the professional about safe use of pesticides and make sure he/she:

- Uses the least toxic pesticide.
- Follows instructions and warnings on product labels.
- Advises you about staying out of treated rooms and when it is safe to reenter.
- Treats mattresses and sofas by applying small amounts of pesticides on seams only. Pesticides should **never** be sprayed on top of mattresses or sofas.

HOW CAN I GET RID OF BED BUGS?

1. Find out where bed bugs are hiding in your home.

Use a bright flashlight to look for bed bugs or their dark droppings in bedroom furniture. Or use a hot hair dryer, a thin knife, an old subway card or a playing card to force them out of hiding spaces and cracks. Check:

- Behind your headboard.
- In the seams and tufts of your mattress and inside the box spring.
- Along bedroom baseboard cracks.
- In and around nightstands.
- Other bedroom items, including window and door casings, pictures, moldings, nearby furniture, loose wallpaper, cracks in plaster and partitions, and clutter.

2. Clean areas where bed bugs are likely to hide.

- Clean bedding, linens, curtains, rugs, carpets, and clothes. To kill bed bugs, wash items in hot water and dry them on the highest dryer setting. Soak delicate clothes in warm water with lots of laundry soap for several hours before rinsing. Wool items, plush toys, shoes, and many other items can be placed into a hot dryer for 30 minutes to get rid of bed bugs.
- Scrub mattress seams with a stiff brush to dislodge bed bugs and their eggs.
- Vacuum mattresses, bed frames, nearby furniture, floors and carpets. Pay special attention to cracks and open spaces. Immediately after vacuuming, put the vacuum cleaner bag in a sealed plastic bag, and dispose of it in an outdoor container.
- If you find bed bugs on a mattress, cover it with a waterproof, zippered mattress cover labeled “allergen rated,” or “for dust mites.” Keep the cover on for at least one year.
- If your box spring is infested, seal it inside a vinyl box spring cover for at least one year. If no cover is available, throw the box spring away.
- Dispose of infested items that cannot be cleaned and get rid of clutter. Seal tightly in a plastic garbage bag and discard in an outside container.
- Repair cracks in plaster and repair or remove loose wallpaper.

3. Be very cautious about using pesticides yourself.

Pesticides can be hazardous to people and pets. If you choose to use a pesticide, or a licensed pest control professional suggests you use one, follow these precautions:

- Only use pesticides clearly labeled for bed bug extermination. Never use a cockroach spray, ant spray, or any other pesticide that does not list bed bugs on the label.
- Follow label instructions exactly.
- Never spray pesticides on top of mattresses or sofas, or in areas where children or pets are present.
- Never purchase or use a product without a manufacturer’s label and never buy pesticides from street vendors.
- Avoid using “insecticide bombs” and “foggers” in your home. These products can spread hazardous chemicals throughout your home, and are not likely to be effective against bed bugs.

HOW CAN I KEEP BED BUGS OUT OF MY HOME?

- Wash clothing and inspect luggage immediately after returning from a trip.
- Inspect used furniture for bed bugs before bringing it into your home.
- Never bring discarded bed frames, mattresses, box springs, or upholstered furniture into your home.

HOW CAN I KEEP MY FURNITURE FROM INFESTING SOMEONE ELSE'S HOME?

- Never resell or donate infested furniture or clothing.
- If you throw infested furniture away, make it undesirable to others by cutting or poking holes in its upholstery or making it unusable. Tape a sign to it that says, “Infested with Bed Bugs.”
