1. **HEADINGS:** Paragraph headings are only for ready reference to the terms of this lease.
2. **CONDITION "AS IS":** Renter acknowledges inspecting the apartment prior to signing this lease and accepts the apartment in the condition it is in as of such inspection. Renter acknowledges that the apartment is free of defects. Owner warrants that the apartment and building are fit for habitation and there are no conditions dangerous to health, life or safety.
3. **USE AND OCCUPANCY OF APARTMENT:** The apartment is to be used and occupied for private residential purposes only, as the primary residence of Renter. The apartment may be occupied only by Renter named in this lease, Renter's immediate family, or other occupants in accordance with the applicable provisions of law. Renter agrees that the apartment will be occupied only by the following individuals, in addition to Renter:

NAME	DATE OF BIRTH	RELATIONSHIP TO RENTER

Renter is obligated to advise Owner, in writing, if any additional occupant moves into the apartment. Such notice must be furnished by Renter to Owner within 10 days of the date such additional occupant moves into the apartment. The apartment may not be occupied by more than the number of occupants permitted by §272075 of the Housing Maintenance Code. The apartment may be occupied by one roommate.

4. **RENTER'S POSSESSION OF APARTMENT:** Owner shall not be liable for failure to give Renter possession of the apartment on the beginning day of the lease term. Rent shall be payable as of the beginning of the term unless Owner is unable to give possession, in which case rent shall be payable as of the date possession is available. Owner must give possession within 30 days of the beginning day of the lease term. If not, Renter may cancel this lease and obtain a refund of money deposited. Owner will notify Renter as of the date possession is available. The ending date of the lease term will not change in the event Owner is unable to give possession as of the beginning of the lease term.
5. **RENT, ADDED RENT, RENT ADJUSTMENTS:** a. Rent payments for each month are due on or before the first day of each month at the address above or at a location designated by Owner in writing. Notice from Owner to Renter that rent is due is not required. The rent must be paid in full without deductions. The first month's rent and added rent must be paid when Renter signs this lease. b. Renter may be required to pay other charges and fees to Owner under the terms of this lease. They are called "added rent." This added rent will be payable as rent, together with the next monthly rent due. If Renter fails to pay the added rent on time, Owner shall have the same rights against Renter as if Renter failed to pay rent. c. If this apartment is subject to the rent stabilization laws, the rent and any surcharges to be paid during the term of this lease may be adjusted, prospectively or retroactively, pursuant to an order or directive of the New York State Division of Housing and Community Renewal (DHCR). Renter agrees to be bound by such determination, and to pay any increase in rent in the manner specified by the agency. In the event the applicable rent guideline has not been fixed by the Rent Guidelines Board (RGB) by the date the lease is executed, the rent provided for in this lease may be increased or decreased retroactively to the commencement date of the lease consistent with orders issued by the RGB. Added rent as defined herein shall include, but is not limited to:

Renter agrees to pay the following surcharges pursuant to §2522.9 and §2522.10 of the Rent Stabilization Code:

Air Conditioner:	\$0.00	Dishwasher:	\$0.00
Washer:	\$0.00	Dryer:	\$0.00

6. **FAILURE TO PAY RENT ON DUE DATE:** Rent is due by the first day of each month. Payment after the 15th day of each month shall be considered a "late payment." Renter expressly agrees and understands that three (3) or more late payments in any twelve month period shall be deemed to be a failure to comply with a substantial obligation of this lease and be grounds for the termination of this lease and eviction of Renter by Owner.
7. **FEE FOR LATE PAYMENT:** Due to administrative inconvenience and costs incurred due to late payment of rent, Renter agrees to pay the sum of ~~\$50.00~~ per month in any month in which the rent is tendered after the late payment date, as added rent. Although Owner is charging a late charge, Owner may commence any action or proceeding with regard to Renter's failure to pay timely rent. This paragraph is not a waiver of Owner's right to collect or demand rent.

- 8. DISHONORED CHECK FEE:** If Renter pays rent by check and such check is dishonored for any reason by the bank on which the check is drawn, Renter will be responsible to pay Owner a dishonored check fee of \$25.00 in addition to the fee for late payment. This fee is added rent.
- 9. SECURITY:** Renter has given a security deposit to Owner at the time of Renter's signing of this lease in the sum of \$2,860.49 which is equal to 1 Month's Rent. If required by law, the account will bear interest at the banking institution's prevailing rate. If Renter carries out all of Renter's obligations under the terms of this lease, an annual payment of accrued interest will be made by the banking institution to the Renter, less 1% interest of the security on deposit, to be tendered by the banking institution to Owner. Owner may use or apply all or any part of the deposit as may be required to pay for damage to the apartment during the term of this lease. If Renter carries out all of Renter's obligations under this lease, and if the apartment is returned to Owner at the expiration of the lease term in the same condition as when rented by Renter, ordinary wear and tear excepted, Renter's security deposit will be returned in full to Renter, with accrued interest thereon, within 14 days of Renter vacating. If this lease is renewed, and the amount of security deposit Owner is permitted to retain is increased above the amount deposited upon the commencement of this lease term, then Renter shall, upon such lease renewal, pay to the order of Owner such additional sum. If Owner sells or leases the building, Owner may remit the security deposit, as provided by law, to Renter or to the new Owner or lessee, at Owner's election. If Owner remits the security deposit to the new Owner or lessee, Renter agrees to seek the return of the security deposit from the new Owner or lessee, and releases Owner from any claim to the security deposit. Renter shall not use the security on deposit to pay the last month's rent of the lease term. Owner may use security deposit in full or in part if necessary to pay for unpaid rent, damage or loss due to rerenting over the course of this lease.
- 10. SUBLETTING/ASSIGNMENT:** Renter shall not assign the apartment in whole or in part. Renter shall not sublet the apartment in whole or in part without the written consent of Owner, nor permit anyone not specifically indicated in this lease to occupy the apartment subject to the provisions of the Rent Stabilization Law and Real Property Law §235f and §226b. A sublet without consent, or any assignment shall constitute a default of this lease.
- 11. SERVICES:** Owner will provide services which are required by law. The following services and utilities are the responsibility of Renter unless otherwise indicated below:
- | | | | |
|--------------|----------------------|--------------|----------------------|
| Electricity: | _____ | Cable TV: | _____ |
| Gas: | <u>Paid by Owner</u> | Hot Water: | <u>Paid by Owner</u> |
| Telephone: | _____ | Cooking Gas: | <u>Paid by Owner</u> |
| Heat: | <u>Paid by Owner</u> | Other: | _____ |
- 12. OWNER'S INABILITY TO PROVIDE SERVICE:** If Owner is unable to provide certain services as a result of circumstances which are not the fault of Owner, Renter's obligations under this lease, including the obligation to pay rent without abatement, shall remain in effect.
- 13. REPAIRS:** Renter is responsible for the proper maintenance of the apartment. Renter must, at its sole cost and expense, repair or replace anything in the apartment requiring repair replacement as a result of Renter's actions or neglect. If Renter fails to effectuate such repair or replacement Owner may do so at the Renter's expense. The cost of such repair or replacement shall be added rent. Renter will reimburse Owner all costs incurred by Owner to remedy damages to the apartment or the building caused by Renter, members of Renter's family, Renter's guests or Renter's household staff. Such sums shall be added rent.
- 14. ACCESS:** Owner shall be permitted to enter the apartment at all reasonable hours for the purposes of making repairs, showing the apartment to prospective renters, mortgagees, or buyers, making improvements to the building at Owner's sole discretion and for the inspection of the apartment. In the event of an emergency which affects the safety of the renters in the building or which may cause damage to the building, Owner may enter the premises without prior notice to Renter. Failure to provide access is a substantial violation of this lease.
- 15. LIABILITY OF RENTER:** Renter shall pay all sums incurred by Owner, in the event Owner is held liable for damages resulting from any act by Renter. Landlord recommends that tenant secure insurance to protect himself and his property.
- 16. FIRE AND CASUALTY DAMAGE:** Renter is required to advise Owner immediately in the event of fire or other casualty which renders the apartment partially or wholly unfit for occupancy. Owner shall repair the premises as soon as possible subject to any delays due to adjustment of insurance claims or any cause not under Owner's control. If part of the premises a usable, Renter must pay rent for the usable part. If the premises are damaged where Owner feels that the apartment is beyond repair, the term of this lease shall end and Renter must vacate the apartment. If the fire or casualty was caused by Renter's actions the costs of the repairs shall be repaid to Owner by Renter as added rent.
- 17. DEFAULT:** 1) You default under the Lease if You act in any of the following ways: a) You fail to carry out any agreement or provision of this Lease b) You or another occupant of the Apartment behaves in an objectionable manner; c) You do not take possession or move into the Apartment 15 days after the beginning of this Lease; d) You and other legal occupants of the Apartment move out permanently before this Lease ends; If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within 10 days. You must then either stop or correct the default within 10 days, or, if You need more than 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible. 2) If You do not stop or begin to correct a default within 10 days, Owner may give You a second written notice that this Lease will end seven days after the date of the second written notice is sent to You. At the end of the 7 day period, this Lease will end. You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 17. 3) If You do not pay your rent when this Lease requires after a personal demand for rent has been made, or within three days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: a) enter the apartment and retake possession of it if You have moved out; or b) go to court and ask that You and all other occupants in the Apartment be compelled to move out. Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.
- 18. EARLY TERMINATION OF LEASE:** If this lease is canceled as set forth in paragraph "17," Renter must pay "use and occupancy" (in an amount equivalent to monthly rent) until Renter vacates the apartment. If Renter vacates the apartment prior to the expiration of the lease term, Renter shall be liable for "use and occupancy" until the expiration of the lease term or until such time as the apartment is rerented, whichever is sooner. After Renter vacates, Owner may rerent the apartment for the remainder of the lease term, or for a period shorter than or greater than the term of this lease at a

monthly rental which may be more or less than the monthly rental specified on page one of this lease. If the apartment is rerented for less than the monthly rental specified above, Renter shall be liable for the difference between Renter's monthly rent and the new rental amount, until such time as the balance of the term of this lease expires. In addition, Renter shall be liable for all expenses incurred in connection with the rerented of the apartment, including but not limited to broker's fees, advertising costs and cleaning expenses.

19. LEGAL FEES (Owner's Option):

☐ In the event either Owner or Renter incurs legal fees and/or court costs in the enforcement of any of Owner's or Renter's rights under this lease or pursuant to law, neither party shall be entitled to the repayment of such legal fees and/or court costs.

If the above box is not checked, Renter shall be liable to Owner in the event Owner incurs legal fees in the enforcement of any of Owner's rights under this lease or pursuant to law. Renter shall be liable to Owner for such legal fees and/or court costs as added rent.

20. NO JURY TRIAL: In any legal proceeding arising under the terms of this lease, whether instituted by Owner or Renter, the parties agree to give up the right to a trial by a jury. **The right to a trial by jury is an important right of Renter, and Renter is agreeing not to demand a trial by jury.** The foregoing is not intended to prohibit a demand for a trial by jury in actions for personal injury or damage to property.

21. NO COUNTERCLAIMS: In any action by Owner seeking recovery of the apartment, Renter shall not make a counterclaim against Owner relating to any matter other than a claim that Owner has not properly maintained the condition of the building or apartment. Renter shall be required to bring an independent action on any other counterclaim.

22. REENTRY: If Renter is dispossessed by legal action Owner may enter the apartment without being liable for reentry, and may rent the apartment. Renter will be liable to Owner for any and all expenses related to the entering, repairing, redecorating and rerenting. Renter waives the right to reenter the apartment after a final order or judgment in any action is signed or after Renter is removed from the leased apartment.

23. ABANDONMENT: The removal of all or a substantial part of Renter's furniture from the apartment or any other indications that the apartment has been vacated shall be deemed an abandonment by Renter and Owner may then reenter and take possession of the apartment, repair and redecorate it for the purpose of rerenting, whether or not Renter has surrendered the keys. Such taking by Owner shall not be deemed to relieve Renter from liability to pay the rent. Renter releases Owner from any and all claims for damages by reason of such reentry.

24. WINDOW CLEANING: Renter shall not allow any windows to be cleaned from the outside unless such service is provided by Owner.

25. COMMON AREAS: Renter shall not place baby carriages, bicycles or any other property in or on fire escapes, sidewalks, entrances, driveways, elevators, stairways, halls or any other public areas. 27. KEYS: Renter must provide a key to any and all locks to Renter's apartment to Owner, and Owner must pay to Renter the reasonable cost of the keys. Renter shall not install a doublekeyed cylinder in any lock to Renter's apartment.

The rent increase is payable to Owner as added rent beginning on the first day of the month following installation.

Owner may make special rules for the terrace and balcony. Owner will notify Renter of such rules. Renter must keep the terrace or balcony in good repair and clean and free from snow, ice, leaves and garbage. No cooking is allowed on the terrace or balcony. Renter may not keep plants or install a fence or any addition on the terrace or balcony. If Renter does so, Owner has the right to remove and store them at Renter's expense. - 40. LAUNDRY:** Laundry machines if any, provided by Owner, shall be used by Renter in the manner and at the times that Owner may designate. Renter shall not dry or air clothes on the roof or on the terrace or balcony, if any. Renter may use laundry machines, if any, at their own risk.
- 41. OBJECTIONABLE CONDUCT:** Renter, their families, guests, employees, or visitors shall not engage in any conduct which makes the apartment or building less fit to live in for Renter or other occupants. Renter shall not make or permit any disturbing noises in the apartment or building or permit anything to be done that will interfere with the rights, comfort or convenience of other renters. Renter shall not play a musical instrument or operate or allow to be operated audio or video equipment so as to disturb or annoy any other occupant of the building.

- 47. FORMS:** Renter agrees to complete any and all forms that may be requested by Owner from time to time.
- 48. SUBORDINATION:** The rights of Renter, including all rights granted under the terms of this lease are, and shall be, subject to and subordinate to the terms of any mortgage on the building or the land under the building which now exists, or which may hereafter exist. The foregoing shall include but not be limited to any modification, consolidation or extension agreement of any existing mortgage on the land or building.

51. CONSTRUCTION/CONVENIENCE: Neighboring buildings may be the subject of construction, renovation or demolition. Owner will not be liable to Renter, nor shall Renter seek to hold Owner liable for interference with views, light, air flow, or ventilation, the covenant of quiet enjoyment, or breach of the warranty of habitability whether such interference is temporary or permanent, if such interference results from activities conducted on adjoining Owners'properties.

52. NO WAIVER: The failure of Owner to insist at any time upon strict performance of any clause in this lease shall not be construed as a waiver of Owner's rights. No waiver by Owner of any provision of this lease can be made unless made in writing by Owner. Acceptance of rent by Owner with knowledge of the breach of any condition or term of this lease is not a waiver of the breach.

53. CREDIT REPORTS: Renter authorizes Owner to use the Social Security number of Renter to obtain any and all credit reports for the purpose of the initial lease or any renewal thereof now and no more than five years after the expiration of this lease or any renewal thereof, and fully understands that these reports will be used by owner in connection with Renter's occupancy of the apartment.

54. GUARANTOR: If Renter has a Guarantor sign the initial lease, Renter agrees to have a Guarantor sign all renewal leases. The guarantee is a material term and condition of the lease. The failure to continue the guarantee negates Owner's obligation to enter into a renewal lease.

55. ENTIRE AGREEMENT: Owner and Renter have read this lease and agree that it contains the entire understanding of the parties regarding the rental of the subject apartment. The lease can only be changed in writing. The writing must be signed by both Owner and Renter.

If any part of this lease is determined to be unlawful, the remaining provisions of the lease will remain valid and in full force and effect.

However, if the tenant has reason to believe that this rent exceeds a “fair market rent”, the tenant may file a “Fair Market Rent Appeal” with DHCR. The owner is required to give the tenant notice, on DHCR Form RR-1, of the right to file such an appeal. The notice must be served by certified mail. A tenant only has 90 days, after such notice was mailed to the tenant by the owner by certified mail, to file an appeal. Section 3 - PROVISIONS

INTRODUCTION:

This Rider is issued by the New York State Division of Housing and Community Renewal (“DHCR”), pursuant to the Rent Stabilization Law (“RSL”) and Rent Stabilization Code (“RSC”). It generally informs tenants and owners about their basic rights and responsibilities under the RSL.

This Rider does not contain every rule applicable to rent stabilized apartments. It is only informational and its provisions are not part of and do not modify the lease. However, it must be attached as an addendum to the lease. It does not otherwise replace or modify more exact or complete sections of the RSL, the RSC, any order of DHCR or other government agency authorized to fix rents, or any order of the New York City Rent Guidelines Board that govern this tenancy. The owner must comply with all applicable state, federal and local fair housing laws and nondiscrimination requirements.

The Appendix lists organizations which can provide assistance to tenants and owners who have inquiries, complaints or requests relating to subjects covered in this Rider.

Tenants should keep a copy of this Rider and of any lease they sign and carefully review the summary of lawful rent increases described. Any tenant who believes that the rent they are being charged may be unlawful may consider requesting a rent history of their apartment from DHCR (www.hcr.ny.gov). After reviewing the rent history, the tenant can make an informed decision whether to file form RA-89 “Tenant’s Complaint of Rent and/or Other Specific Overcharges in a Rent Stabilized Apartment.”

1. RENEWAL LEASES

The owner is entitled to increase the rent when a tenant renews a lease (“renewal lease”). Each year, effective October 1, the New York City Rent Guidelines Board sets the percentage of maximum permissible adjustment over the immediately preceding September 30th rent for leases which will begin during the year for which the guidelines order is in effect. The date a lease starts determines which guidelines order applies.

Guidelines orders provide increases for Renewal Leases. The renewing tenant has the choice of the length of the lease. Different percentages are set for rent increases for leases of one or two years. For additional information see DHCR Fact Sheet #26.

2. VACANCY LEASES

The owner is entitled to increase the previous legal regulated rent when a new tenant enters into a lease for the first time and this is referred to as a vacancy lease. The tenant may choose between a one or two-year lease term. The allowable adjustment is set by the Rent Guidelines Board. However, no more than one guideline board adjustment may be added per calendar year. Lawful Major Capital Improvement and Individual Apartment Improvements may also be added to the rent.

3. SECURITY DEPOSITS

An owner may collect a security deposit no greater than one month’s rent. When the rent is increased, the owner may charge an additional amount to bring the security deposit up to the full amount of the increased rent to which the owner is entitled. If a preferential rent is being charged, the amount of the security deposit collected can be no higher than the preferential rent.

A security deposit must be deposited in an interest bearing trust account in a banking organization in New York State. The tenant has the option of applying the interest to the rent, leaving the interest in the bank or receiving the interest annually. For additional information see DHCR Fact Sheet #9.

4. OTHER RENT INCREASES

In addition to guideline increases, the rent may be permanently increased based upon the following:

(A)Individual Apartment Improvements (IAI) – When an owner installs a new appliance or makes an improvement to an apartment the owner may be entitled to an IAI rent Increase. Tenant written consent for the improvement and rent increase is only required if the apartment is occupied by a tenant. It is not required for a vacant apartment.

Effective October 17, 2024 there are two tiers of IAI rent increases. The IAI rent increase is now permanent and to obtain it, owners must file DHCR IAI Notification Form RN-19N electronically along with before and after photos. For additional details on IAI requirements, please see DHCR Operational Bulletin 2024-2.

The first tier establishes a \$30,000 limit. In a building with 35 or fewer apartments, the rent increase is 1/168th of the total cost of the improvements and the maximum rent increase is \$178.57. If the building has more than 35 apartments the rent increase is 1/180th of the total cost of the improvements and the maximum rent increase is \$166.67. In this tier, if a tenant is in occupancy when the improvement is made, the owner is required to obtain the tenant’s written consent on DHCR IAI Tenant’s Informed Consent Form RN-19C, which is available for completion in multiple languages.

The second tier establishes a \$50,000 limit and applies only to work done in vacant apartments and the owner must first get certification from DHCR for eligibility. In a building with 35 or fewer apartments, the rent increase is 1/144th of the total cost of the improvements and the maximum rent increase is \$347.22. If the building has more than 35 apartments the rent increase is 1/156th of the total cost of the improvements and the maximum rent increase is \$320.51.

The DHCR Lease Rider offered to vacancy lease tenants contain notification to the tenant of the right to request from the owner by certified mail Individual Apartment Improvements (IAI’s) supporting documentation at the time the lease is offered or within 60 days of the execution of the lease. The owner shall provide such documentation within 30 days of that request in person or by certified mail. A tenant who is not provided with that documentation upon demand may file form RA-90 “Tenant’s Complaint of Owner’s Failure to Renew Lease and/or Failure to Furnish a copy of a Signed Lease” to receive a DHCR Order that directs the furnishing of the IAI supporting documentation. (Refer to Rider Section 1, Individual Apartment Improvements.)

(B)Major Capital Improvements (MCI) – An owner is permitted a rental increase for building-wide major

capital improvements, such as the replacement of a boiler or new plumbing. Major Capital Improvement rent increases are prohibited in buildings that contain 35% or fewer rent regulated apartments. The owner must file an application with DHCR and all supporting documentation is audited.

DHCR may issue an order denying the increase or granting it in part or in whole and serve the order on the owner and all tenants in the building. The rent increase approved in the DHCR order is collectible prospectively, on the first day of the first month 60 days after issuance. There are no retroactive rent increases. The collection of the increase is limited to a 2% cap/yearly phase-in. The 2% cap also applies to MCI rent increases not yet collected that were approved on or after June 14, 2012. Upon vacancy, the remaining balance of the increase can be added to the legal rent. In buildings with 35 or fewer units, the cost is amortized over a 12-year period. In buildings with more than 35 units, the cost is amortized over 12 1/2 years. The building must be free and clear of any outstanding hazardous and immediately hazardous violations. The MCI rent increase is temporary and it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline adjustments that were previously compounded on a rent that included the MCI rent increase.

Vacancy lease tenants are to be notified in their lease about pending MCI applications.

(C)Hardship – An owner may apply to increase the rents of all rent stabilized apartments based on hardship when:

1. the rents are not sufficient to enable the owner to maintain approximately the same average annual net income for a current three-year period as compared with the annual net income which prevailed on the average over the period 1968 through 1970, or for the first three years of operation if the building was completed since 1968, or for the first three years the owner owned the building if the owner cannot obtain records for the years 1968-1970; or
2. where the annual gross rental income does not exceed the annual operating expenses by a sum equal to at least 5% of such gross income.

If an application for a rent increase based on a major capital improvement or hardship is granted, the owner may charge the increase during the term of an existing lease only if the lease contains a clause specifically authorizing the owner to do so.

5. RENT REGISTRATION

(A)Initial

An owner must register an apartment's rent and services with DHCR when the building first becomes subject to the RSL and in adherence to any related regulatory agreements and/or tax benefit programs.

(B)Annual

The annual registration must be filed with DHCR no earlier than April 1st of each year. At the time of such filing, the owner must provide each tenant with the tenant's copy.

(C)Penalties

Failure to register in a timely manner shall result in penalties, rent reductions, and other remedies as permitted by law.

6. RENEWAL LEASES

A tenant has a right to a renewal lease, with certain exceptions (see Provision 10 of this Rider, "When An Owner May Refuse To Renew A Lease").

At least 90 days and not more than 150 days before the expiration of a lease, the owner is required to notify the tenant in writing that the lease will soon expire. That notice must also offer the tenant the choice of a one or two-year lease at the permissible guidelines adjustment. After receiving the notice, the tenant always has 60 days to accept the owner's offer, whether or not the offer is made within the above time period, or even beyond the expiration of the lease term.

Any renewal lease, except for the amount of rent and duration of its term, is required to be on the same terms and conditions as the expired lease, and a fully executed copy of the same must be provided to the tenant within 30 days from the owner's receipt of the renewal lease or renewal form signed by the tenant. If the owner does not return a copy of such fully executed Renewal Lease Form to the tenant within 30 days of receiving the signed renewal lease from the tenant, the tenant is responsible for payment of the new lease rent and may file a "Tenant's Complaint of Owner's Failure to Renew Lease and/or Failure to Furnish a Copy of a Signed Lease" (DHCR Form RA-90). DHCR shall order the owner to furnish the copy of the renewal lease or form. If the owner does not comply within 20 days of such order, the owner shall not be entitled to collect a rent guideline adjustment until the lease or form is provided.

It is illegal for an owner to require a rent stabilized tenant to provide immigration status information or a Social Security number as a condition to renewing the lease. (For additional information on the rights of foreign-born tenants see DHCR Fact Sheet #45.)

If a tenant wishes to remain in occupancy beyond the expiration of the lease, the tenant may not refuse to sign a proper renewal lease. If the tenant does refuse to sign a proper renewal lease, he or she may be subject to an eviction proceeding.

An owner may add to a renewal lease the following clauses even if such clauses were not included in the tenant's prior lease:

- (A)**the rent may be adjusted by the owner on the basis of Rent Guidelines Board or DHCR Orders or orders of other government agencies authorized to fix rents;
- (B)**if the owner or the lease grants permission to sublet or assign, the owner may charge a sublet allowance for a sub-tenant or assignee, provided the prime lease is a renewal lease. However, this sublet allowance may be charged even if such clause is not added to the renewal lease. (Subletting is discussed in Provision 9 of this Rider);
- (C)(1)** if the building in which the apartment is located is receiving 421-a (1-15) tax benefits, a clause may be added providing for an annual or other periodic rent increase over the initial rent at an average rate of not more than 2.2 % of the amount of such initial rent per annum not to exceed nine 2.2 percent increases. Such charge shall not become part of the legal regulated rent; however, the cumulative 2.2 percent increases charged prior to the termination of tax benefits may continue to be collected as a

separate charge;

- (2) provisions for rent increases if authorized under Section 423 of the Real Property Tax Law: a clause may be added to provide for an annual or other periodic rent increase over the legal regulated rent if authorized by Section 423 of the Real Property Tax Law.

7. RENEWAL LEASE SUCCESSION RIGHTS

In the event that the tenant has permanently vacated the apartment at the time of the renewal lease offer, family members who have lived with the tenant in the apartment as a primary residence for at least two years immediately prior to such permanent vacating (one year for family members who are senior citizens and disabled persons), or from the inception of the tenancy or commencement of the relationship, if for less than such periods, are entitled to a renewal lease. A tenant shall be considered to have permanently vacated the apartment when the tenant has permanently ceased residing in the apartment.

“Family Member” includes the spouse, son, daughter, stepson, stepdaughter, father, mother, stepfather, stepmother, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law or daughter-in-law of the tenant.

“Family member” may also include any other person living with the tenant in the apartment as a primary residence who can prove emotional and financial commitment and interdependence between such person and the tenant. Examples of evidence which is considered in determining whether such emotional and financial commitment and interdependence existed are set forth in the Rent Stabilization Code. Renewal lease succession rights are also discussed in detail in DHCR Fact Sheet #30.

8. SERVICES

Written notification to the owner or managing agent should be given but is **NOT** required, before filing a decrease in service complaint with DHCR. Owners who have not received prior written notification from the tenant will however, be given additional time to respond to a complaint filed with DHCR. Applications based on a lack of heat or hot water must be accompanied by a report from the appropriate city agency.

All emergency conditions do not require prior written notification. These include but are not limited to: vacate order (5 day notification), fire (5 day notification), no water apartment wide, no operable toilet, collapsed or collapsing ceiling or walls, collapsing floor, no heat/hot water apartment wide (violation required), broken or inoperative apartment front door lock, all elevators inoperative, no electricity apartment wide, window to fire escape (does not open), water leak (cascading water, soaking electrical fixtures), window-glass broken (not cracked), broken/unusable fire escapes, air conditioner broken (summer season). Complaints to DHCR on the appropriate DHCR form that cite any of these emergency conditions will be treated as first priority and will be processed as quickly as possible. **It is recommended that tenants use a separate DHCR form for any problematic conditions that are not on this emergency condition list.**

Certain conditions, examples of which are set forth in the Rent Stabilization Code, which have only a minimal impact on tenants, do not affect the use and enjoyment of the premises, and may exist despite regular maintenance of services. These conditions do not rise to the level of a failure to maintain required services. The passage of time during which a disputed service was not provided without complaint may be considered in determining whether a condition is de minimis. For this purpose, the passage of 4 years or more will be considered presumptive evidence that the condition is de minimis.

The amount of any rent reduction ordered by DHCR shall be reduced by any credit, abatement or offset in rent which the tenant has received pursuant to Sec. 235-b of the Real Property Law (“Warranty of Habitability”) that relates to one or more conditions covered by the DHCR Order. For additional information see DHCR Fact Sheets #3, #14 and #37.

9. SUBLETTING AND ASSIGNMENT

A tenant has the right to sublet his/her apartment, even if subletting is prohibited in the lease, provided that the tenant complies strictly with the provisions of Real Property Law Section 226-b. Tenants who do not comply with these requirements may be subject to eviction proceedings. Compliance with Section 226-b is not determined by DHCR, but by a court of competent jurisdiction. If a tenant in occupancy under a renewal lease sublets his/her apartment, the owner may temporarily increase the rent by the current rent guidelines board adjustment, regardless of whether the owner has increased the rent by the guidelines board amount within the prior twelve months. This charge may be passed on to the sub-tenant. However, upon termination of the sublease, the Legal Regulated Rent shall revert to the Legal Regulated Rent without such temporary increase. The rent increase is the allowance provided by the NYC Rent Guidelines Board available when the tenant’s lease commenced, and it takes effect when the subletting takes place.

A tenant who sublets his/her apartment is entitled to charge the sub-tenant the rent permitted under the Rent Stabilization Law, and may charge a 10% surcharge payable to the tenant only if the apartment sublet is fully furnished. Where the tenant charges the sub-tenant any additional rent above such surcharge and sublet allowance, if applicable, the tenant shall be required to pay to the sub-tenant a penalty of three times the rent overcharge, and may also be required to pay interest and attorney’s fees. The tenant may also be subject to an eviction proceeding.

Assignment of Leases

In an assignment, a tenant transfers the entire remainder of his or her lease to another person (the assignee), and gives up all of his/her rights to reoccupy the apartment.

Pursuant to the provisions of Real Property Law Section 226-b, a tenant may not assign his/her lease without the written consent of the owner, unless the lease expressly provides otherwise. If the owner consents to the assignment of the lease, the owner may increase the rent as if the assignee was entering into a new lease following permanent vacancy. Such increase shall remain part of the Legal Regulated Rent for any subsequent renewal lease.

An owner is not required to have reasonable grounds to refuse to consent to the assignment. However, if the owner unreasonably refuses consent, the owner must release the tenant from the remainder of the lease, if the tenant, upon 30 days’ notice to the owner, requests to be released.

If the owner refuses to consent to an assignment and does have reasonable grounds for withholding consent,

the tenant cannot assign and the owner is not required to release the tenant from the lease. For additional information see, DHCR Fact Sheet #7.

10. WHEN AN OWNER MAY REFUSE TO RENEW A LEASE

As long as a tenant pays the lawful rent to which the owner is entitled, the tenant, except for the specific grounds stated in the Rent Stabilization Law and Rent Stabilization Code, is entitled to remain in the apartment. An owner may not harass a tenant by engaging in an intentional course of conduct intended to make the tenant move from his/ her apartment.

Below are listed some but not all grounds for eviction:

Without DHCR consent, the owner may refuse to renew a lease and bring an eviction action in Civil Court at the expiration of the lease on any of the following grounds:

- (A)the tenant refuses to sign a proper renewal lease offered by the owner;
- (B)the owner, because of immediate and compelling necessity, seeks to recover the apartment in good faith for personal use and occupancy as a primary residence or for the personal use and occupancy as a primary residence of members of the owner’s immediate family; Note that the owner is only permitted to do this for one apartment in a building subject to regulation.
- (C)the tenant does not occupy the apartment as his or her primary residence. The owner must notify the tenant in writing at least 90 and not more than 150 days prior to the expiration of the lease term of the owner’s intention not to renew the lease. However, the rent regulations and the Social Services Law provide added protection for victims of domestic violence.

With DHCR consent, the owner may refuse to renew a lease upon any of the following grounds:

- (A)the owner seeks in good faith to recover possession of the apartment for the purpose of demolishing the building and constructing a new building; or
- (B)the owner requires the apartment or the land for the owner’s own use in connection with a business which the owner owns and operates.

A tenant will be served with a copy of the owner’s application and has a right to object. If the owner’s application is granted, the owner may bring an eviction action in Civil Court.

11. EVICTION WHILE THE LEASE IS IN EFFECT

The owner may bring an action in Civil Court to evict a tenant during the term of the lease for the grounds stated in the Rent Stabilization Law and Rent Stabilization Code.

Below are listed some but not all grounds for eviction:

- (A)does not pay rent;
- (B)is violating a substantial obligation of the tenancy;
- (C)is committing or permitting a nuisance;
- (D)is illegally using or occupying the apartment;
- (E)has unreasonably refused the owner access to the apartment for the purpose of making necessary repairs or improvements required by law or authorized by DHCR, or for the purpose of inspection or showing. The tenant must be given at least 5 days’ notice of any such inspection or showing, to be arranged at the mutual convenience of the tenant and owner, so to enable the tenant to be present at the inspection or showing. A tenant cannot be required to permit access for inspection or showing if such requirement would be contrary to the lease.

Tenants are cautioned that causing violations of health, safety, or sanitation standards of housing maintenance laws, or permitting such violations by a member of the family or of the household or by a guest, may be the basis for a court action by the owner.

12. COOPERATIVE AND CONDOMINIUM CONVERSION

Tenants who do not purchase their apartments under a Non-Eviction Conversion Plan continue to be protected by Rent Stabilization. Conversions are regulated by the New York State Attorney General. Any cooperative or condominium conversion plan accepted for filing by the New York State Attorney General’s Office will include specific information about tenant rights and protections. An informational booklet about the general subject of conversion is available from the New York State Attorney General’s Office.

13. SENIOR CITIZENS AND DISABILITY RENT INCREASE EXEMPTION PROGRAM

Tenants or their spouses who are 62 years of age, or older, or are persons with a disability, and whose household income level does not exceed the established income level may qualify for an exemption from guideline adjustments, hardship rent increases, major capital improvement rent increases and rent reductions for DHCR approved electrical sub-metering conversions. This exemption will only be for a portion of the increase which causes the tenant’s rent to exceed one-third of the “net” household income, and is not available for increases based on new services or equipment within the apartment. Questions concerning the Senior Citizen Rent Increase Exemption (SCRIE) program and the Disability Rent Increase Exemption (DRIE) program can be addressed to the New York City Department of Finance.

When a senior citizen or person with a disability is granted a rent increase exemption, the owner may obtain a real estate tax credit from New York City equal to the amount of the tenant’s exemption. Notwithstanding any of the above, a senior citizen or person with a disability who receives a rent increase exemption is still required to pay a full month’s rent as a security deposit. For additional information see DHCR Fact Sheet #20 and #21.

14. SPECIAL CASES AND EXCEPTIONS

Some special rules relating to stabilized rents and required services may apply to newly constructed buildings subject to regulatory agreement and/or which receive tax abatement or exemption, and to buildings rehabilitated under certain New York City, New York State, federal financing, mortgage insurance programs, or project based vouchers. The supervising government agency that sets initial legal rents may also set preferential rents. Regulatory agreements issued and approved by a state or municipal agency or other designated party may provide for actual rents that are higher than legal rents and preferential rents, as long as a

government program provides rental assistance for the apartment. The tenant share is governed by the agency providing rental assistance and the regulatory agreement. The actual rent must also be separately registered. When the rental assistance ends, either during a tenancy or upon vacancy, the lesser of the lower legal rent or preferential rent plus any lawful adjustments or a lower rent established by the regulatory agreement must be charged. This requirement is stated in plain language in DHCR Notice RA-LR3, which must be attached to all leases when higher actual rents are being charged. The rules mentioned in this Rider do not necessarily apply to rent stabilized apartments located in hotels or permanent housing accommodations with government contracted services to vulnerable individuals or individuals with disabilities who are or were homeless or at risk of homelessness. A separate Hotel Rights Notice informing permanent hotel tenants and owners of their basic rights and responsibilities under the Rent Stabilization Law is available from DHCR.

15. AIR CONDITIONER SURCHARGES

Owners are authorized to collect surcharges from rent stabilized tenants for the use of air conditioners. DHCR issues an annual update to an Operational Bulletin in which the lawful surcharges are established for the year. A surcharge amount is established for tenants in buildings where electricity is included in the rent. These surcharges shall not become part of the legal regulated rent. Surcharges for tenants in buildings where the tenant pays for the electric utility service are prohibited. (See Operational Bulletin 84-4 and Fact Sheet #27).

16. SURCHARGES FOR TENANT INSTALLED WASHING MACHINES, DRYERS AND DISHWASHERS

Unless a lease provides otherwise, owners are not required to allow tenants to install washing machines, dryers or dishwashers. Where a tenant requests permission from the owner to install such appliance or appliances, whether permanently installed or portable, and the owner consents, the owner may collect a surcharge or surcharges. DHCR issues periodic updates to an Operational Bulletin that sets forth surcharges for washing machines, dryers and dishwashers. One set of surcharges is established for tenants in buildings where electricity is included in the rent. Another set of surcharges is established for tenants who pay their own electricity. Such surcharges shall not become part of the rent. (See Operational Bulletin 2005-1).

17. PREFERENTIAL RENT

A preferential rent is a rent which an owner agrees to charge that is lower than the legal regulated rent that the owner could lawfully collect. The legal regulated rent is required to be written into the vacancy lease and all subsequent renewal leases in order to be preserved. The HSTPA effective June 14, 2019 while continuing to allow for both preferential and legal rents to be raised at the time of a lease renewal additionally requires that any preferential rent already being collected must continue to be offered at the time of a lease renewal. The rent increase to be collected at a lease renewal on the preferential rent must be set by applying the applicable guideline adjustment to the preferential rent. The legal rent cannot be collected until a vacancy occurs and can be offered to the next new vacancy lease tenant, provided that both the legal rent and the preferential rent are listed in the initial lease offering the preferential rent and every subsequent lease offering the preferential rent until the vacancy. Exceptions to these requirements may apply to preferential rents established by regulatory agreements.

19. FEES

There are certain fees that owners may charge tenants separate and apart from the rent for the apartment. However, fees of any kind do not become part of the legal rent or preferential rent and cannot be added to it for the purpose of calculating lease renewal increases.

Lawful fees:

Late fees where a clause in the initial vacancy lease allows for them to be charged by a certain specific date and the late fees are no more than the lesser of \$50 or 5% of the monthly rent currently being charged and collected. Preferential rents, which may also be referred to as “on-time rent,” that are conditioned on prompt payment of rent or terminate upon late payment of rent are not allowed.

Legal fees can only be collected if ordered by a judge in court.

Reasonable fees for a background check when applying to be a tenant which cannot exceed \$20 per tenant subject to the background check.

Fees for window guards (\$10 per guard) are detailed in DHCR Fact Sheet #25.

Fees for smoke alarms, carbon monoxide detectors and natural gas detectors are established by the local municipality.

Actual fees/charges incurred for insufficient funds for a tenant's rent check that did not clear (bounced checks), if this was provided for in the initial lease.

Fees imposed by the NYC agency (Ex-HPD, HDC) that has oversight authority pursuant to a regulatory agreement.

Fees for Air Conditioners and Tenant-installed Washing Machines, Dryers and Dishwashers are detailed in DHCR's Operational Bulletin 84-4, Fact Sheet #27, and DHCR Operational Bulletin 2005-1.

Fees for Sub-Metering or other utility services. Fees for Sub-Metering are detailed in DHCR Operational Bulletin 2014-1.

Unlawful Fees:

Fees for background checks on rent stabilized tenants in occupancy.

Fees cannot be charged to the tenant for a background check on a prospective roommate or additional family member.

Pet security deposit or fees proposed for a service animal or that are in violation of fair housing law.

Effective November 21, 2022, fees (surcharges) for tenant-installed air conditioning units if the tenant pays for the electric utility service.

Fees for owner installed air conditioner brackets are prohibited.

Fees including but not limited to damage fees, repair fees of any kind including those incurred for removal of municipal violations, painting fees, cleaning fees and other fees not established by or in excess of the amount allowed by the rent regulations or other municipal regulations are prohibited. Please note that the inappropriateness of imposing these fees through the lease may not necessarily prevent an owner from independently seeking other relief in court for objectionable conduct or damages.

The \$20 fee that must be paid by owners to the municipality for each stabilized apartment can not be passed along as a fee to the tenant.

Tenants who have been billed for fees and/or surcharges that they may believe are unlawful or untimely, have the right to file a complaint of rent overcharge on DHCR form RA-89 and/or pursue remedies in court.

Rider to Lease: Submetering

1560 Fulton Street, Brooklyn, New York, NY 11213

1. The Resident acknowledges that while Consolidated Edison Company of New York, Inc. (Con Edison) or another local utility or energy services company will be the provider of electricity to this building (the Building) and that Owner will be paying the charges for such electricity directly to this entity (or its successor), the Resident will be required to pay Owner for the use of electricity at the Apartment on the basis of a separate (submetered) charge that will be billed to the Resident by Owner (or its agent) on a monthly basis. The charges to the Resident for electricity are due without offset or abatement on the first day of each and every month for which a bill is rendered. In the event of non-payment of electric charges, the Owner shall afford the Resident all notices and protections available pursuant to the Home Energy Fair Practices Act (HEFPA) before any action(s) based on such non-payment, including, but not limited to, termination of service is commenced.
2. The rate calculation to be used is the Con Edison Service Classification SC-1 for direct metered service. Specifically, the Resident's kilowatt hour (kWh) usage will be multiplied by the Con Edison Service Classification SC-1 rate for a billing period, then sales tax (currently 4.5 %) will be added to arrive at the total cost.

The Con Edison Service Classification SC-1 rate is a combination of various items, including:

- Basic Customer Charge:** This is a charge for basic system infrastructure and customer-related services, including customer accounting, meter reading, and meter maintenance.
- kWh Cost:** This energy charge is broken down into four separate components - market supply, monthly adjustment, delivery (transmission and distribution).
- Systems Benefit Charge (SBC)/Renewable Portfolio Standard (RPS):** This is an additional charge per kWh.
- Fuel Adjustment:** The sum of Market Supply Charge (MSC) and Monthly Adjustment Charge (MAC) adjustment factors.
- Utility Tax:** The sum of Commodity Gross Receipt Tax and Full Service Gross Receipt Tax.
- Sales Tax:** The current New York State (NYS) sales tax.

The following is an example of the formula that will be used to derive the Resident's electricity charges based on the current Con Edison Service Classification SC-1 rate and a monthly use of 250 kWh:

		Total
Basic Charge		\$YY.YY
kWh	.XXXXX times 250	\$YY.YY
Systems Benefit Charge	.XXXXX times 250	\$ Y.YY
Fuel Adjustment Charge	.XXXXX times 250	\$ Y.YY
	Subtotal	\$YY.YY
Utility Tax	.XXXXX times YY.YY	\$ Y.YY
	Subtotal	\$YY.YY
Sales Tax	YY.YY times .045000	\$ T.TT
	YY.YY plus T.TT	\$ZZ.ZZ
Resident Cost		\$ZZ.ZZ

All Con Edison rates by classification are available on its website (www.coned.com) under Rates and Tariffs. The electric Rates and Tariffs are listed under the heading "P.S.C. No. 10 - Electricity."

In no event will the total rate for a billing period (including any monthly administrative charge) exceed the rates and charges of the distribution utility for delivery and commodity in that billing period to similarly-situated, direct-metered residential customers (see16 NYCRR § 96.1 [i]).

Quadlogic, as the Owner's electric billing company, will read the meters and process a bill based on the resident's actual consumption. The meter reading data and billing calculations will be documented and maintained for a 6-year period for each unit (see16 NYCRR § 96.6 [j]).

3. If the Resident has a question about the electric bill or believes it is inaccurate, the following protocol will be followed: please contact the Owner through its property manager, Dillette Villa, by telephone at (718) 363-0009 or by mail at 767 Third Avenue, 33rdfloor, New York, NY 10017. The property manager shall investigate and respond to the Resident in writing within fifteen (15) days of the receipt of the complaint. As part of this response, the Resident shall be advised of the disposition of the complaint and the reason therefore.If the Resident and theproperty manager cannot reach an equitable agreement and the Resident continues to believe the complaint has not been adequately addressed, then the Resident may file a complaint with the Public Service Commission (PSC) through the Department of Public Service.Alternatively, the Resident may contact the Department of Public Service at any timeconcerning submetered service in writing at New York State Department of Public Service (DPS), 3 Empire State Plaza, Albany, New York 12223, by telephone at 800-342-3377, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.ny.gov.
4. The Resident will be afforded rights and protections available to residential energy consumers in New York State under HEFPA, including the ability to file a complaint with the PSC. The nearest office of the PSC is at: NYS Public Service Commission, 90 Church Street, New York, NY 10007, 212-417-2234, 800-342-3377, www.dps.ny.gov. The Resident may contact the PSC at any time if you are dissatisfied regarding the Owner's response to your complaint or at any time regarding submetered service.
5. The Resident may request balanced billing for your electric charges. Balanced billing divides the electric costs into equal monthly payments. Periodically, the balanced billing amounts will be reviewed and adjusted as necessary. At the end of one year, the Resident shall be responsible to pay for any electric costs in excess of the balanced billing amount paid.
6. If the Resident has difficulty paying the electric bill, you may contact the property manager by telephone or by letter in order to arrange for a deferred payment agreement, whereby you may be able to pay the balance owed over a period of time. If the Resident can show financial need, the property manager can work with you to determine the length of the agreement and the amount of each monthly payment.

7. Regardless of the Resident's payment history, the Owner will continue electric service if your health or safety is threatened. When the Resident becomes aware of such hardship, the property manager can refer you to the Department of Social Services. Please notify the property manager if the following conditions exist:
- 1. **Medical Emergencies.** The Resident must provide a medical certificate from a doctor or local board of health; or
 - 2. **Life Support Equipment.** If the Resident life support equipment and a medical certificate.
8. Special protections may be available if the Resident and/or those living with you are age eighteen (18) or younger or sixty-two (62) and older, blind, or disabled.
9. If the Resident is agesixty-two (62)or older, you may be eligible for quarterly billing for your electrical charges.
10. The Resident may designate a third party as an additional contact to receive notices of past due balances for your electrical charges.
11. As a residential customer for electricity, the Resident also has certain additional rights assured by HEFPA.
12. Any submetering refunds will be credited to a submetered Resident affected by the Owner's actions that led to such refunds provided that the Owner has such contact information for such Resident.
13. NYC Fair Chance Housing Notice: Criminal Records

As of January 1, 2025, in NYC, it is illegal for most housing providers to discriminate on the basis of a conviction history in rentals or sales, including co-ops and condos.

The protections of the NYC Fair Chance Housing Law apply to current tenants as well as applicants.

It is a violation of the Law for covered housing providers to:	
Make statements about criminal background checks or criminal records or express limitations on this basis in ads and applications	Treat applicants or tenants differently because of a conviction history except as allowed by the Fair Chance Housing Law.

Covered housing providers **may NEVER** change the terms of a sale or lease because of a conviction history. Covered housing providers **may** revoke a housing offer or decline to renew a lease **ONLY** based on limited kinds of convictions and **ONLY** when they follow the requirements of the Fair Chance Housing Law.

The NYC Fair Chance Housing Law does not require housing providers to run criminal background checks. Any housing provider can accept a renter or buyer without following the steps below. The steps below are only for covered housing providers that choose to run a background check.

If a Covered Housing Provider Chooses to Run a Criminal Background Check: You Have Rights.

Covered housing providers **must first** consider your general housing eligibility (ability to meet lease terms) AND make a conditional offer of housing. **Only after** this conditional offer is it lawful for a covered housing provider to run a criminal background check.

Before conducting a criminal background check, covered housing providers must:

- Make you a conditional offer of housing AND
- Give you a copy of this notice explaining your rights

Housing providers are also responsible for compliance with laws governing the collection and use of personal information, such as Federal and State Fair Credit Reporting Acts.

Conditional Offer of Housing

A conditional offer of housing is a **written lease, rental agreement, or agreement for a sale** that conditionally commits a unit(s) to a renter or buyer and can only be revoked in limited circumstances. Next a covered housing provider chooses either:

NOT to conduct a criminal background check	TO conduct a criminal background check
At this time, the housing provider can either finalize the offer or revoke it for a lawful, non-discriminatory purpose that is unrelated to conviction history.	It is illegal for the housing provider to seek or review your conviction history before you have a conditional offer.

Criminal Background Check

If a covered housing provider chooses to run a criminal background check after making you a conditional offer, they may only consider **very limited** categories of convictions:

- convictions that require registration on a sex offense registry at the time of the background check
- felony convictions from the last 5 years, except those below
- misdemeanor convictions from the last 3 years, except those below

The 3 or 5 years are measured from the **actual date of release OR the sentencing date** (if the sentence does not include jail or prison time), regardless of probation or parole status.

A covered housing provider can **NEVER** consider arrests or pending cases, or:

- convictions that were sealed, expunged, are under an executive pardon or certificate of relief from disabilities, or legally nullified or vacated
- convictions for violations, which are non-criminal offenses such as disorderly conduct
- convictions under federal law or another state's law for conduct related to reproductive or gender affirming care that is lawful in New York State
- convictions under federal law or another state's law for cannabis possession that does not constitute a felony in New York State
- Adjudgments in Contemplation of Dismissal (ACDs)
- adjudications as a youthful offender or for juvenile delinquency
- terminations in favor of an individual, including but not limited to, acquittals, reversals upon appeal, and exonerations)
- Dispositions of criminal matters under federal law or another state's law that are comparable to those listed here.

It is illegal for a covered housing provider to consider information in these categories. In addition, tenant screening companies may be held liable under federal fair housing laws for discriminatory decisions by housing providers.

Right to Provide Support for Your Application

After considering only reviewable convictions, a covered housing provider that wants to revoke a housing offer must **FOLLOW THE FAIR CHANCE HOUSING PROCESS** while holding a unit open. They must:

1. Give you a copy of all criminal history information they received and/or reviewed
2. Allow you 5 business days to respond by:
 - pointing out errors in the conviction history
 - identifying any information that should not have been considered (any information outside the lawfully reviewable convictions)
 - sharing information on your background, personal and professional references, and/or any information that supports your application.

You are not required to provide information to support your application at this stage. A housing provider must complete an individualized assessment even if you do not provide supporting information.

Right to an Individualized Assessment of Your Application

A covered housing provider must conduct an individualized assessment of the reviewable convictions, together with any other information that you have timely submitted.

A covered housing provider CANNOT revoke a conditional offer of housing after running a criminal background check except in two limited circumstances :	
After conducting an individualized assessment if they show in writing BOTH: • a legitimate business interest AND • how the legitimate business interest is linked to your individual history.	If they show <i>new information, unrelated to criminal history</i> , that impacts your qualifications for tenancy and that they did not know at the time of your conditional offer.

Legitimate Business Interest

A covered housing provider's legitimate business interest must be specific and objective. Compliance with a particular lease term is a permissible legitimate business interest. Purely discriminatory motives, stigma, stereotypes, or assumptions never constitute a legitimate business interest.

A covered housing provider that shows a legitimate business interest must also **explain** the link between that interest and your particular individual history in light of the individual information you shared to justify a decision to revoke your conditional offer of housing. **The existence of a conviction alone never creates that link.**

- The following are not legitimate business interests and do not establish a sufficient link to justify a housing provider's decision to revoke an offer:
- "I don't want a hot spot for law enforcement"
 - "The applicant seems likely to commit another crime and I want tenant safety"
 - "This is a family building"
 - "We don't want bad guys hanging around"
 - "My tenants don't want criminals"
 - "My insurance rates will go up"
 - "This will impact my property value"

Revoking a Conditional Offer of Housing

- Before a covered housing provider can revoke a conditional offer because of your criminal history, the housing provider **MUST** take the following steps:
1. Do an individualized assessment of your reviewable convictions **AND** the information you provided
 2. Give you copies of all documents that it received and/or reviewed
 3. Give you a written statement that explains:
 - the decision to revoke based on your conviction history **AND** the link to a legitimate business interest
 - how your individual information and circumstances were taken into account

Exemptions for Housing Providers

- Housing provider-occupied properties with 2 or fewer rooms or units are not covered by the NYC Fair Chance Housing Law .
- State or federally funded housing providers, including public housing authorities that are required or authorized to take specific actions related to criminal history **CAN** take such specific actions without violating the NYC Fair Chance Housing Law .

For additional information about tenants' and buyers' rights & housing providers' responsibilities under the NYC Fair Chance Housing Law, and to see this notice in multiple languages, visit [NYC.gov/FairChanceHousing](https://www.nyc.gov/fairchancehousing).

REMINDER: All New Yorkers have a right to be free from retaliation in housing. It is illegal for housing providers in NYC to punish you or treat you negatively for telling them about your rights or for reporting discrimination or harassment.

BASIC FIRE PREVENTION AND FIRE PREPAREDNESS MEASURES

These are fire safety tips that everybody should follow:

1. Every apartment should be equipped with at least one smoke detector. Check them periodically to make sure they work. Most smoke detectors can be tested by pressing the test button. Replace the batteries in the spring and fall when you move your clocks forward or back an hour, and whenever a smoke detector chirps to signal that its battery is low. The smoke detector should be replaced on a regular basis in accordance with the manufacturer's recommendation, but at least once every ten years.
2. Carelessly handled or discarded cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
3. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
4. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your oven is off and any coffeepot or teapot is unplugged.
5. Never overload electrical outlets. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
6. Keep all doorways and windows leading to fire escapes free of obstructions, and report to the owner any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
7. Install window gates only if it is absolutely necessary for security reasons. Install only approved window gates. Do not install window gates with key locks. A delay in finding or using the key could cost lives. Maintain the window gate's opening device so it operates smoothly. Familiarize yourself and the members of your household with the operation of the window gate.
8. Familiarize yourself and members of your household with the location of all stairwells, fire escapes and other means of egress.
9. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
10. Exercise care in the use and placement of fresh cut decorative greens, such as Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.

BUILDING INFORMATION

Building Construction

In a fire emergency, the decision to leave or to stay in your apartment will depend in part on the type of building you are in.

Residential buildings built before 1968 are generally classified either as "fireproof" or "non-fireproof." Residential buildings built in or after 1968 are generally classified either as "combustible" or "non-combustible". The type of building construction generally depends on the size and height of the building.

A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or space in which they start and less likely to spread inside the building walls to other apartments and floors. **THIS DOES NOT MEAN THAT THE BUILDING IS IMMUNE TO FIRE.** While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke, which can travel throughout the building, especially if apartment or stairwell doors are left open.

A "combustible" or "non-fireproof" building has structural components (such as wood) that will burn if exposed to fire and can contribute to the spread of the fire. In such buildings, the fire can spread inside the building walls to other apartments and floors, in addition to the flame, heat and smoke that can be generated by the burning of the contents of the building.

Be sure to check Part I (Building Information Section) of this fire safety plan to see what type of building you are in.

Means of Egress

All residential buildings have at least one means of egress (way of exiting the building), and most have at least two. There are several different types of egress:

Interior Stairs: All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed. Unenclosed stairwells (stairs that are not separated from the hallways by walls and doors) do not prevent the spread of flame, heat and smoke. Since flame, heat and smoke generally rise, unenclosed stairwells may not ensure safe egress in the event of a fire on a lower floor. Enclosed stairs are more likely to permit safe egress from the building, if the doors are kept closed. It is important to get familiar with the means of egress available in your building.

Exterior Stairs: Some buildings provide access to the apartments by means of stairs and corridors that are outdoors. The fact that they are outdoors and do not trap heat and smoke enhances their safety in the event of a fire, provided that they are not obstructed.

Fire Tower Stairs: These are generally enclosed stairwells in a "tower" separated from the building by air shafts open to the outside. The open air shafts allow heat and smoke to escape from the building.

Fire Escapes: Many older buildings are equipped with a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes are considered a "secondary" or alternative means of egress, and are to be used if the primary means of egress (stairwells) cannot be safely used to exit the building because they are obstructed by flame, heat or smoke.

Exits: Most buildings have more than one exit. In addition to the main entrance to the building, there may be separate side exits, rear exits, basement exits, roof exits and exits to the street from stairwells. Some of these exits may have alarms. Not all of these exits may lead to the street. Roof exits may or may not allow access to adjoining buildings.

Be sure to review Part I (Building Information Section) of this fire safety plan and familiarize yourself with the different means of egress from your building.

Fire Sprinkler Systems

A fire sprinkler system is a system of pipes and sprinkler heads that when triggered by the heat of a fire automatically discharges water that extinguishes the fire. The sprinkler system will continue to discharge water until it is turned off. When a sprinkler system activates, an alarm is sounded.

Sprinkler systems are very effective at preventing fire from spreading beyond the room in which it starts. However, the fire may still generate smoke, which can travel throughout the building.

Residential buildings are generally not required to have fire sprinkler systems. Some residential buildings are equipped with sprinkler systems, but only in compactor chutes and rooms or boiler rooms. All apartment buildings constructed or substantially renovated after March 1999 will be required by law to be equipped with fire sprinkler systems throughout the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with fire sprinkler systems.

Interior Fire Alarm Systems

Although generally not required, some residential buildings are equipped with interior fire alarm systems that are designed to warn building occupants of a fire in the building. Interior fire alarm systems generally consist of a panel located in a lobby or basement, with manual pull stations located near the main entrance and by each stairwell door. Interior fire alarm systems are usually manually-activated (must be pulled by hand) and do not automatically transmit a signal to the Fire Department, so a telephone call must still be made to 911 or the Fire Department dispatcher. Do not assume that the Fire Department has been notified because you hear a fire alarm or smoke detector sounding in the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with an interior fire alarm system and whether the alarm is transmitted to the Fire Department, and familiarize yourself with the location of the manual pull stations and how to activate them in the event of a fire.

Public Address Systems

Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually in the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with a public address system.

EMERGENCY FIRE SAFETY AND EVACUATION INSTRUCTIONS

IN THE EVENT OF A FIRE, FOLLOW THE DIRECTIONS OF FIRE DEPARTMENT PERSONNEL. HOWEVER, THERE MAY BE EMERGENCY SITUATIONS IN WHICH YOU MAY BE REQUIRED TO DECIDE ON A COURSE OF ACTION TO PROTECT YOURSELF AND THE OTHER MEMBERS OF YOUR HOUSEHOLD.

THIS FIRE SAFETY PLAN IS INTENDED TO ASSIST YOU IN SELECTING THE SAFEST COURSE OF ACTION IN SUCH AN EMERGENCY. PLEASE NOTE THAT NO FIRE SAFETY PLAN CAN ACCOUNT FOR ALL OF THE POSSIBLE FACTORS AND CHANGING CONDITIONS; YOU WILL HAVE TO DECIDE FOR YOURSELF WHAT IS THE SAFEST COURSE OF ACTION UNDER THE CIRCUMSTANCES.

General Emergency Fire Safety Instructions

1. Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
2. Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater risk to your safety than a fire on a floor above your apartment.
3. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
4. If you decide to exit the building during a fire, close all doors as you exit to confine the fire never use the elevator. It could stop between floors or take you to where the fire is.
5. Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl. Take short breaths, breathing through your nose.
6. If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

Evacuation Instructions If The Fire Is In Your Apartment

(All Types of Building Construction)

1. Close the door to the room where the fire is, and leave the apartment.
2. Make sure EVERYONE leaves the apartment with you.
3. Take your keys.
4. Close, but do not lock, the apartment door.
5. Alert people on your floor by knocking on their doors on your way to the exit.
6. Use the nearest stairwell to exit the building.
7. DO NOT USE THE ELEVATOR.
8. Call 911 once you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
9. Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

Evacuation Instructions if The Fire Is Not In Your Apartment

"NON-COMBUSTIBLE" OR "FIREPROOF" BUILDINGS:

1. Stay inside your apartment and listen for instructions from firefighters unless conditions become dangerous.
2. If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
3. If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
4. If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
5. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
6. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
7. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
8. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

"COMBUSTIBLE" OR "NON-FIREPROOF" BUILDINGS:

1. Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
2. Exit your apartment and building if you can safely do so, following the instructions above for a fire in your apartment.
3. If the hallway or stairwell is not safe because of smoke, heat or fire and you have access to a fire escape, use it to exit the building. Proceed cautiously on the fire escape and always carry or hold onto small children.
4. If you cannot use the stairs or fire escape, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
 - A. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
 - B. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
 - C. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
 - D. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

1. The owner of this building is required, under New York City Administrative Code section 27- 2017.1 et seq., to make an annual inspection for indoor allergen hazards (such as mold, mice, rats, and cockroaches) in your apartment and the common areas of the building. The owner must also inspect if you inform him or her that there is a condition in your apartment that is likely to cause an indoor allergen hazard, or you request an inspection, or the Department has issued a violation requiring correction of an indoor allergen hazard for your apartment. If there is an indoor allergen hazard in your apartment, the owner is required to fix it, using the safe work practices that are provided in the law. The owner must also provide new tenants with a pamphlet containing information about indoor allergen hazards.
2. The owner of this building is also required, prior to your occupancy as a new tenant, to fix all visible mold and pest infestations in the apartment, as well as any underlying defects, like leaks, using the safe work practices provided in the law. If the owner provides carpeting or furniture, he or she must thoroughly clean and vacuum it prior to occupancy. This notice must be signed by the owner or his or her representative, and state that he or she has complied with these requirements.

I, **UDC Gateway LLC** (owner or representative name in print), certify that I have complied with the requirements of the New York City Administrative Code section 27- 2017.5 by removing all visible mold and pest infestations and any underlying defects, and where applicable, cleaning and vacuuming any carpeting and furniture that I have provided to the tenant. I have performed the required work using the safe work practices provided in the law.

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants’ homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department’s Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building’s common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant’s lease that clearly states the landlord’s and tenant’s responsibilities to keep the building free of indoor allergens.

New York State Disclosure Form for Landlord and Tenant

THIS IS NOT A CONTRACT

New York State law requires real estate licensees who are acting as agents of landlords and tenants of real property to advise the potential landlords and tenants with whom they work of the nature of their agency relationship and the rights and obligations it creates. This disclosure will help you to make informed choices about your relationship with the real estate broker and its sales agents.

Throughout the transaction you may receive more than one disclosure form. The law may require each agent assisting in the transaction to present you with this disclosure form. A real estate agent is a person qualified to advise about real estate.

If you need legal, tax or other advice, consult with a professional in that field.

Disclosure Regarding Real Estate Agency Relationships

Landlord's Agent

A landlord's agent is an agent who is engaged by a landlord to represent the landlord's interest. The landlord's agent does this by securing a tenant for the landlord's apartment or house at a rent and on terms acceptable to the landlord. A landlord's agent has, without limitation, the following fiduciary duties to the landlord: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A landlord's agent does not represent the interests of the tenant. The obligations of a landlord's agent are also subject to any specific provisions set forth in an agreement between the agent and the landlord. In dealings with the tenant, a landlord's agent should (a) exercise reasonable skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the value or desirability of property, except as otherwise provided by law.

Tenant's Agent

A tenant's agent is an agent who is engaged by a tenant to represent the tenant's interest. The tenant's agent does this by negotiating the rental or lease of an apartment or house at a rent and on terms acceptable to the tenant. A tenant's agent has, without limitation, the following fiduciary duties to the tenant: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A tenant's agent does not represent the interest of the landlord. The obligations of a tenant's agent are also subject to any specific provisions set forth in an agreement between the agent and the tenant. In dealings with the landlord, a tenant's agent should (a) exercise reasonable

skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the tenant's ability and/or willingness to perform a contract to rent or lease landlord's property that are not consistent with the agent's fiduciary duties to the tenant.

Broker's Agents

A broker's agent is an agent that cooperates or is engaged by a listing agent or a tenant's agent (but does not work for the same firm as the listing agent or tenant's agent) to assist the listing agent or tenant's agent in locating a property to rent or lease for the listing agent's landlord or the tenant agent's tenant. The broker's agent does not have a direct relationship with the tenant or landlord and the tenant or landlord cannot provide instructions or direction directly to the broker's agent. The tenant and the landlord therefore do not have vicarious liability for the acts of the broker's agent. The listing agent or tenant's agent do provide direction and instruction to the broker's agent and therefore the listing agent or tenant's agent will have liability for the acts of the broker's agent.

Dual Agent

A real estate broker may represent both the tenant and the landlord if both the tenant and landlord give their informed consent in writing. In such a dual agency situation, the agent will not be able to provide the full range of fiduciary duties to the landlord and the tenant. The obligations of an agent are also subject to any specific provisions set forth in an agreement between the agent, and the tenant and landlord. An agent acting as a dual agent must explain carefully to both the landlord and tenant that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the landlord and tenant are giving up their right to undivided loyalty. A landlord and tenant should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation. A landlord or tenant may provide advance informed consent to dual agency by indicating the same on this form.

Dual Agent with Designated Sales Agents

If the tenant and the landlord provide their informed consent in writing, the principals and the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the tenant and another sales agent to represent the landlord. A sales agent works under the supervision of the real estate broker. With the informed consent in writing of the tenant and the landlord, the designated sales agent for the tenant will function as the

New York State Disclosure Form for Landlord and Tenant

tenant's agent representing the interests of and advocating on behalf of the tenant and the designated sales agent for the landlord will function as the landlord's agent representing the interests of and advocating on behalf of the landlord in the negotiations between the tenant and the landlord. A designated sales agent cannot provide the full range of fiduciary duties to the landlord or tenant. The designated sales agent must explain that like the dual agent under

whose supervision they function, they cannot provide undivided loyalty. A landlord or tenant should carefully consider the possible consequences of a dual agency relationship with designated sales agents before agreeing to such representation. A landlord or tenant may provide advance informed consent to dual agency with designated sales agents by indicating the same on this form.

As a residential customer for electricity, you have certain rights assured by New York’s Home Energy Fair Practices Act (“HEFPA”) and the order issued by the New York State Public Service Commission on July 25, 2013 in Case 13-E-0066-UDC Gateway, LLC Notice of Intent to Submeter Electricity at 1560 Fulton Street, Brooklyn, New York, Located in the Territory of Consolidated Edison Company of New York, Inc. (the “Submetering Order”). This notification is an overview of those rights and certain policies and procedures regarding the service and billing of your electricity.

The building at 1560 Fulton Street, Brooklyn, NY 11213, is a submetered facility. UDC Gateway, LLC (“UDC Gateway”) is the owner of this building. The administration of submetering will be performed by an outside vendor, Quadlogic Controls Corporation (“Quadlogic”), located at 33-00 Northern Blvd., Long Island City, NY 11101. Quadlogic is a third-party agent under contract with UDC Gateway to invoice tenants for their monthly electric usage. Tenants will receive monthly bills from Quadlogic for their respective electric usage, which amounts are payable to Metro Greenlight, LLC, an affiliate of UDC Gateway.

If you have any questions/complaints concerning your electric bill, please contact UDC Gateway through its property manager, Jennifer Almonte, by telephone at (212)488-1746 by mail at 767 Third Avenue, 33rd floor, New York, NY 10017, or by email at jalmonte@brpcompanies.com. UDC Gateway shall investigate and respond to you in writing within fifteen (15) days of the receipt of the complaint. As part of this response, you shall be advised of the disposition of the complaint and the reason therefore. Upon receiving this response, or at any time, you can also contact the Public Service Commission in writing at New York State Department of Public Service, 3 Empire State Plaza, Albany, New York 12223, by telephone at 800-342-3377 or 212-417-2223, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.ny.gov.

The electric bills that you receive show the amount of kilowatt hours (“kWh”) that you used. The bills you receive shall provide, in clear and understandable form and language, the charges for service. In no event will the total monthly charges (including any administrative charges) exceed the utility’s (Consolidated Edison Company of New York, Inc.) direct metered residential rate. UDC Gateway may terminate or disconnect service under certain condition (i.e., nonpayment of electric bills) pursuant to HEFPA.

You have the right to request messages on bills and notices in Spanish. To make such a request, contact UDC Gateway. Usted tiene el derecho de solicitar informacion en facturas e informativos en Espanol. Para solicitar informacion en Espanol, por favor contacte a un representante marcando UDC Gateway.

You may request balanced billing for the payment of electric charges. This plan shall be designed to reduce fluctuations in customers’ bills due to seasonal patterns of consumption. Balanced billing divides your electric costs into twelve (12) equal monthly payments. Periodically, UDC Gateway will review and adjust the balanced billing amount as necessary. At the end of one (1) year, you shall be responsible to pay for any electric costs in excess of your balanced billing amount paid. You may contact UDC Gateway to discuss the details of this plan, if you are interested.

Your meter is read because it measures and records the actual amount of electric you use; this enables an accurate bill to be sent to you. Making sure your electric bills are accurate and correct is important to UDC Gateway and to you. That is why every effort is made to read your meter regularly.

You may qualify for a rate reduction the equivalent of that which is provided by Con Edison to customers who are enrolled in its low-income program pursuant to its tariff (see P.S.C. No. 10 - Electricity, Leaf No. 388). If you receive benefits under Supplemental Security Income, Temporary Assistance to Needy Persons/Families, Safety Net Assistance, or Food Stamps, or have received a Home Energy Assistance Program grant in the preceding twelve (12) months, please alert UDC Gateway by telephone or in writing and we will work with you.

If you are having difficulty paying your electric bill, please contact UDC Gateway by telephone or in writing in order to arrange for a deferred payment agreement, whereby you may be able to pay the balance owed over a period of time. A deferred payment agreement is a written agreement for the payment of outstanding charges over a specific period of time, signed by both the submeterer and customer. If you can show financial need, UDC Gateway can work with you to determine the length of the agreement and the amount of each monthly payment. You may not have to make a down payment, and installment payments may be as little as \$10.00 per month. UDC Gateway will make reasonable efforts to help you find a way to pay your bill.

Regardless of your payment history relating to your electric bills, your electric service will be continued if your health or safety is threatened. When UDC Gateway becomes aware of such hardship, we can refer you to the Department of Social Services. Please notify UDC Gateway if the following conditions exist:

- (a) Medical Emergencies. You must provide a medical certificate from your doctor or local board of health; or
- (b) Life Support Equipment. If you have life support equipment and a medical certificate

Special protections may be available if you and/or those living with you are age eighteen (18) or younger or sixty-two (62) and older, blind, or disabled.

To ensure that you receive all of the protections that you are eligible for, please contact UDC Gateway and identify yourself.

You can also designate a third party as an additional contact to receive notices of past due balances.

Every submeterer shall permit a residential customer to designate a third party to receive all notifications relating to disconnection of service or other credit actions sent to such residential customer, provided that the designated third party agrees in writing to receive such notices. The submeterer shall inform the third party that the authorization to receive such notices does not constitute acceptance of any liability on the third party for service provided to the customer. The submeterer shall promptly notify the residential customer of the refusal or cancellation of such authorization by the third party. If you are interested in Voluntary Third-Party Notice, notify UDC Gateway with the party’s contact information and written agreement of the third party to receive copies of all notifications relating to disconnection of service or other credit actions sent to you.

Please review the attached “Special Protections Registration Form” relating to some of the rights discussed above. Although you are not required to do so, it is requested that you please fill it out if you qualify for any special protection described on the form. You may return the completed form to UDC Gateway.
