To Whom It May Concern,

Based on my review of the information provided, I confirm that Autumn Gruber is the 100% owner of her business operating under the name Autumn Gruber, which functions as a self-employed business (sole proprietorship). Ms. Gruber is actively engaged in her business activities as a social media influencer.

In addition to her self-employment income, Ms. Gruber is also employed in a corporate position, earning \$107,000 annually. Her self-employment activities as a social media influencer generate \$180,000 annually, reflecting a diversified and stable income stream.

This letter is provided at the request of the client for verification purposes only and is based solely on the information made available. No audit or assurance engagement has been performed.

Should you have any questions or require additional information, please feel free to contact me at (706)-518-5691 or info@minimisetax.com
