The Landlord may withhold consent to assignment without cause.

9th FAILURE TO PAY RENT TIMELY: Rent is due by the first of each month. For purposes of this paragraph, payment after the tenth of each month shall be considered a "Late Payment". Late Payment more than three (3) times in any twelve month period shall be deemed to be a failure to comply with a substantial obligation of this lease and be grounds for the termination of this lease and eviction of the Tenant by the Landlord.

10th LATE CHARGE: Due to administrative inconvenience and costs to Landlord that may be incurred due to late payment of rent, Tenants agree to pay as additional rent the greater of \$25.00 or 2% of the past due balance in any month in which the rent is not paid in full by the 10th day of that month. 12th FIRE, DESTRUCTION: The Tenant shall give immediate notice to the Landlord in case of fire. The Landlord shall repair the premises as soon as is reasonably possible subject to any delays due to adjustment of insurance claims or any cause not under the Landlord's control. There shall be no abatement for rent. If the premises are damaged and the Landlord feels that the apartment is beyond repair within a reasonable period of time, the term of this lease shall end and the Tenant must vacate the apartment upon 30 days notice from Landlord. 13th CARE OF PREMISES: Tenant shall comply with all rules and regulations of all City Agencies and all City Ordinances relating to this property. The Tenant shall make all repairs required to the apartment, including ranges and refrigerators, whenever damage is a result of the misuse or negligence of the Tenant or any occupant or visitor. The Tenant shall reimburse the Landlord as additional rent, the cost of repairing any damage or for the removal of any violations caused by the Tenant or any occupant or visitor. This paragraph shall also include the public areas of the building.

14th FACILITIES: Storeroom and laundry facilities in the building and Cable TV & Master Antenna may be provided by the Landlord at the option of the Landlord. These services are not required services and the Landlord may discontinue them at anytime and shall not be liable for any damage, injury or loss from the use of these areas.

15th ADVERTISEMENT: The Tenant shall not place any sign or projection in or out of the windows or on the building.

16th ACCESS: The Landlord, its Agents, employees and mechanics shall be permitted to enter the apartment at all reasonable hours for the purposes of making repairs, showing the apartment to prospective tenants, mortgagees, or buyers or for the inspection of the apartment. In the event of an emergency which affects the safety of the tenants in the building or which may cause damage to the building the Landlord may enter the premises without prior notice to the Tenant.

17th DEFAULT: If the Tenant is dispossessed by legal action the Landlord may enter and take possession of the premises without being liable to prosecution for this action, and may re-rent the apartment. The Tenant will be liable to the Landlord for any and all expenses related to the entering, repairing redecorating and re-renting. In the event the Tenant fails to comply with any obligations of this lease or fails to comply with rules or regulations in this lease after 10 days notice to cure such failure or creates a nuisance or engages in conduct detrimental to the safety of other tenants or intentionally damages the property, or disturbs other tenants, then the Landlord may terminate the tenancy and lease on seven days written notice to the Tenant. Notwithstanding the foregoing, the Landlord shall not be required to give any preliminary notice to the Tenant prior to initiating a non-payment summary proceeding except such notice or notices as may be required by law. Any DEMAND for rent may be made orally or in writing at the option of the Landlord.

18th PAYMENT OF LANDLORD'S EXPENSES: Any expense incurred by landlord in connection with any performance by it for the account of Tenant and all costs and expenses, including reasonable attorneys' fees (whether or not legal proceedings are instituted), involved in collecting rents or enforcing the obligations of Tenant under this lease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the premises after default by Tenant or upon expiration or sooner termination of this lease, shall be due and payable by Tenant, on demand, as Additional Rent. In the event the Tenant does not defend any legal proceeding brought by the Landlord and there is no resolution of the matter by a Court, then in such event the legal fees incurred by the Landlord may be recovered in any subsequent legal proceeding involving the Landlord and Tenant. Notwithstanding the foregoing, neither landlord nor tenant shall be entitled to collect legal fees from the other with respect to any legal proceeding or action involving succession rights of any person.

19th SUBORDINATION: Any mortgage which is now in effect or which may be made after this lease or any lease on the land or building of which this apartment is part, or any extensions, modifications, consolidations or replacement of any lease or mortgages provided for in this article shall have priority over this lease. The Tenant agrees to sign any acknowledgment of this clause and hereby appoints the Landlord the Attorney-In-Fact for the Tenant to execute and deliver such acknowledgment on behalf of the Tenant. - a) Hot and cold water and heat as required by law

b) Elevator service if the building is equipped with an elevator.

c) The Landlord shall not be liable for the failure to supply any services by reasons of strikes, lockouts, accidents, delays in securing supplies or labor, or by reason of other causes beyond the control of the Landlord, and the Tenant shall not receive any allowance or abatement in rent.

21st NO TRIAL BY JURY: It is agreed by the Landlord and the Tenant that the right to trial by jury is hereby waived in any action or proceeding brought by any party to the lease against the other or any matter whatsoever, arising out of or in any way connected with this lease and/or any claim of injury or damage, unless such waiver is contrary to law. **THE RIGHT TO A TRIAL BY JURY IS AN IMPORTANT RIGHT OF THE TENANT, AND THE TENANT IS AGREEING NOT TO DEMAND A TRIAL BY JURY.**

22nd NO RIGHT OF RE-ENTRY: The Tenant waives the right to go back into the apartment by any existing law or under any future law after a final order or judgement in any action or legal proceeding has been signed or after the Tenant shall have been removed from the leased apartment.

23rd CONSTRUCTIVE EVICTION: No act of constructive eviction shall end this lease or release the Tenant from liability to pay rent or give the Tenant the right to claim any damages from the Landlord. The Landlord shall not be required to stop nuisances or noise created by other Tenants residing at the premises. Any disturbing acts of other Tenants shall not be constructive eviction and shall in no way affect the obligations of the Tenant under this lease.

24th ABANDONMENT: The removal of all or a substantial part of the Tenant's furniture from the apartment or any indications by other means that the apartment has been vacated shall be deemed an abandonment by the Tenant. The Landlord may then reenter and take possession of the apartment, repair and redecorate it for the purpose of re-renting whether or not the Tenant has surrendered the keys. Such taking by the Landlord shall not be deemed to relieve the Tenant from liability to pay the rent. The Tenant releases the Landlord from any and all claims for damages by reason of such re-entry.

25th WINDOW CLEANING: The Tenant shall not allow any windows to be cleaned from the outside.

26th CONDEMNATION: If the premises shall be taken or condemned, in whole or in part, by any authority, then the term of this lease shall be terminated from the date when possession shall be taken. The Tenant shall not be entitled to any portion of any award due to such condemnation or taking, however, the rent shall be apportioned.

27th RULES AND REGULATIONS: a) The Tenant shall not install a waterbed, laundry machine, dishwasher, air conditioner, refrigerator, sink, kitchen cabinets, stove or other mechanical equipment or an antenna, in or outside the apartment, without the written consent of the Landlord. If Tenant is permitted and does install a window air conditioner, the Landlord is entitled to receive a rent increase. The rent increase is payable to the Landlord on the first day of the month following installation, b) the Tenant shall not apply wallpaper or wall covering to the walls or ceilings. When the Tenant vacates the apartment, it shall be left painted in the same off-white color as when rented. The Tenant may not paste any carpet, tile or linoleum to the floors, c) the Tenant shall not have any dog, cat or other animal on the premises unless permitted in writing by the Landlord. In no event shall any dog, cat or other animal be permitted in any elevator or in any public portion of the building unless carried or on a leash, d) the sidewalks, entrances, passages, courts, elevators, vestibules, stairways or halls must not be blocked by any Tenant or used for any purpose other than as a means of passing to and from the premises. No garbage cans, carriages, supplies or other articles shall be placed in the halls or on the staircase landings. Nothing shall be hung from the windows or balconies or placed upon the window sills or fire-escapes. No rugs or mops shall be shaken from any window on the premises. No dumbwaiter service is provided, f) the Tenant must provide a key to any and all locks to the Tenant's apartment to the Landlord or his agent, if requested, and the Landlord must pay to the Tenant the reasonable cost of the keys. 29th SMOKE AND CARBON MONOXIDE ALARMS: The Tenant knows that the apartment being rented has smoke and carbon monoxide alarms in proper working order and that it is the Tenant's responsibility to maintain the alarms including replacing the battery when necessary and replacing any alarm that is missing, stolen or removed or broken during the Tenant's occupancy.

ABC In the event you utilize, in addition to the bedrooms, any other room in the apartment for sleeping, you will notify the Landlord and permit the Landlord access to determine if additional carbon monoxide alarms are required for the apartment. In the event additional alarms are required, you will be responsible to pay \$25.00 each, as the cost of installation and you will then have an obligation to maintain the alarm including battery replacement when necessary and replacing any alarm that is missing, stolen, removed or broken.

30th NO WAIVER: The failure of the Landlord to insist, at any time, upon strict performance of any clause in this lease shall not be construed as a waiver of the Landlord's rights. No waiver by the Landlord of any provision of this lease can be made unless in writing by the Landlord. Acceptance of rent by the Landlord with knowledge of a breach of any condition or term of this lease is not a waiver of the breach.

31st VACANCY BEFORE END OF LEASE: In the event the Tenant vacates the apartment prior to the expiration of this lease, there will be a \$100.00 service charge to the Tenant in addition to any other costs or charges that may be incurred. Payment of the service charge shall not act to release tenant from the balance of the term of the lease.

32nd WINDOW GUARDS: Tenant hereby agrees to notify Landlord if any child age 10 or under occupies this apartment so that Landlord may install window guards in each window of the apartment in accordance with the law.

33rd NO COUNTERCLAIMS: If the Landlord commences any legal proceeding or action against the Tenant, the Tenant shall NOT make any counterclaims in such action or proceeding unless it is based on a claim that Landlord has not properly maintained the building or the condition of your apartment. If the tenant has any claims against Landlord, tenant is required to bring an independent action rather than raise such claims as a counterclaim or offset in an action or proceeding commenced by Landlord. The tenant waives the right to put in a defense that tenant has given

up the apartment or was constructively evicted in any action or proceeding started for the recovery of rent or for a default under this lease.

34th SORTING AND SEPARATION OF REFUSE AND TRASH: Tenant shall comply with all present and future laws, orders, and regulations of all state, federal, municipal, and local governments, departments, commissions, and boards regarding the collection, sorting, separation, and recycling of waste products, garbage, and trash. Tenant shall sort and separate such waste products, garbage, and trash into such categories as provided by law. Each separately sorted category shall be placed in separate receptacles as provided by owner. Tenant shall pay, as additional rent, all costs, fines, penalties, or damages that may be imposed on owner or tenant by reason of tenant's failure to comply with the provisions of this article. Noncompliance by tenant is a breach of lease and grounds for termination.

35th PENDING RENT INCREASE (If applicable): Tenant is hereby notified by the Landlord that the Landlord has filed an application for an increase in the stabilized rent with the N.Y.S. Division of Housing and Community Renewal (DHCR) based on a major capital improvement. The application, dated _____ bearing Docket No. _____ is now pending before the DHCR.
