1. APARTMENT AND USE

Owner agrees to lease to You Apartment F1E on the 6th floor in the Building at 326 Bedford Avenue (aka 136 South 2nd Street) in the Borough of Brooklyn, City and State of New York.

You shall use the Apartment for living purposes only. The Apartment may be occupied by the tenant or tenants named above and by the immediate family of the tenant or tenants and by occupants as defined in and only in accordance with Real Property Law §235-f.

2. LENGTH OF LEASE

The term (that means the length) of this Lease is 1 years, 0 months, 16 days, beginning on 02/13/2026 and ending on 02/28/2027.

If you do not do everything You agree to do in this Lease, Owner may have the right to end it before the above date. If Owner does not do everything that owner agrees to do in this Lease, You may have the right to end the Lease before ending date.

3. RENT

Your monthly rent for the Apartment is \$ 4,046.19 until adjusted pursuant to Article 4 below in addition to the monthly or weekly charge in consideration for Your use and occupation of the of building as set forth on any rider annexed to this Lease. You must pay Owner the rent, in advance, on the first day of each month either at Owner’s office or at another place that Owner may inform You of by written notice. You must pay the first month’s rent to Owner when You sign this Lease if the lease begins on the first day of the month. If the Lease begins after the first day of the month, Tenant must pay when Tenant signs this Lease one (1) full months’ rent and for the next full calendar month Tenant shall pay a prorated rent based on the number of days the Lease began after the first day of the month (for example, if the beginning date of this Lease is the 16th day of the month, Tenant would pay for fifteen (15) out of thirty (30) days, or one-half (1/2), of a full months’ rent for the second calendar month). In any event, if the lease commencement date shall not occur on the first day of a calendar month, the term shall also include the remainder of the month in which the lease commencement date occurred. If this Lease is a Renewal Lease, the rent for the first month of this Lease need not be paid until the first day of the month when the renewal term begins. Owner need not give notice each month to Tenant to pay the rent. Rent must be paid in full and no amount subtracted from it.

4. RENT ADJUSTMENTS

If this Lease is for a Rent Stabilized apartment, the rent shall be adjusted up or down during the Lease term, including retroactively, to conform to the Rent Guidelines. Where Owner, upon application to the State Division of Housing and Community Renewal (“authorized agency”) is found to be entitled to an increase in rent or other relief, You and Owner agree: a. to be bound by such determination; b. where the authorized agency has granted an increase in rent, You shall pay such increase in the manner set forth by the authorized agency; c. except that in the event that an order is issued increasing the stabilization rent because of Owner hardship, You may, within (30) days of your receipt of a copy of the order, cancel your lease on sixty (60) days written notice to Owner. During said period You may continue in occupancy at no increase in rent.

Pursuant to Real Property Law Section 238-a(2), You shall be obligated to pay a late fee if payment of rent has not been received within five days of the first day of each month. Late fee shall be the lesser of \$50.00 or five percent of the monthly rent in addition to legal interest at the maximum amount allowable at law. You will also be liable to pay all bank fees and charges for any check which is dishonored or returned.

5. SECURITY DEPOSIT

You are required to give Owner the sum of \$ 4,046.19 (such amount not to exceed one (1) months’ rent pursuant to The Housing Stability and Tenant Protection Act of 2019) when You sign this Lease as a security deposit, which is called in law a trust. Owner will deposit this security at Flagstar Bank N.A. bank at 261 Madison Avenue, 21st Floor, New York, NY 10016

If the Building contains six or more apartments, the bank account will earn interest. If You carry out all of your agreements in this Lease, at the end of each calendar year Owner or the bank will pay to Owner 1% interest on the deposit for administrative costs and to You all other interest earned on the security deposit.

If You carry out all of your agreements in this Lease and if You move out of the Apartment and return it to Owner in the same condition it was in when You first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty, Owner will return to You the full amount of the Security Deposit and interest where applicable, within fourteen (14) days after the later of (i) the date this Lease ends, or (ii) the date You vacate the Apartment. However, if You are in default of Your obligations under this Lease and/or there are any damages to the Apartment beyond ordinary wear and tear or damage caused by fire or other casualty, Owner may keep all or part of the Security Deposit to cover missed rent payments, other loses or expenses incurred and reasonable repairs of such damage and Owner shall provide You with an itemized statement indicating the basis for the amount of the Security Deposit retained within the aforementioned fourteen (14) day period.

If Owner sells or leases the building, Owner will turn over your security, with interest, either to You or to the person buying or leasing (lessee) the building within 5 days after the sale or lease. Owner will then notify You, by registered or certified mail, of the name and address of

the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to You for the security deposit. The new owner or lessee will become responsible to You for the security deposit.

6. IF YOU ARE UNABLE TO MOVE IN

A situation could arise which might prevent Owner from letting You move into the Apartment on the beginning date set in this Lease. If this happens for reasons beyond Owner’s reasonable control, Owner will not be responsible for Your damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when You can move in, and the ending date in Article 2 will be changed to a date reflecting the full term of years set forth in Article 2. You will not have to pay rent until the move-in date Owner gives You by written notice, or the date You move in, whichever is earlier. If Owner does not give You notice that the move-in date is within 30 days after the beginning date of the term of this Lease as stated in Article 2, You may tell Owner in writing, that Owner has 15 additional days to let You move in, or else the Lease will end. If Owner does not allow You to move in within those additional 15 days, then the Lease is ended. Any money paid by You on account of this Lease will then be refunded promptly by Owner.

7. CAPTIONS

In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

8. WARRANTY OF HABITABILITY

A. All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law in the form it may have from time to time during this Lease. Nothing in this Lease can be interpreted to mean that You have given up any of your rights under that law. Under that law, Owner agrees that the Apartment and the Building are fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.

B. You will do nothing to interfere or make more difficult Owner’s efforts to provide You and all other occupants of the Building with the required facilities and services. Any condition caused by your misconduct or the misconduct of anyone under your direction or control shall not be a breach by Owner.

9. CARE OF YOUR APARTMENT; END OF LEASE; MOVING OUT

A. At all times during the Term of this Lease, Tenant will take good care of the Apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. Tenant shall, at Tenant’s own cost and expense, make all repairs caused or occasioned by Tenant or Tenant’s agents, contractors, invitees, licensees, guests or servants (collectively hereinafter “Tenant Parties”). In addition, Tenant shall promptly notify Owner and/or the Building Superintendent/Building Manager in writing upon the occurrence of any problem, malfunction or damage to the Apartment. Tenant will move out on or before the ending date of this Lease and leave the Apartment in good order and in the same condition as it was when Tenant first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty through no fault of Tenant.

B. **Cleaning.** Tenant is required to use only non-abrasive cleaning agents in the Apartment. Tenant is responsible for damage done by use of any improper cleaning agents.

C. If Tenant fails to maintain the Apartment or make a needed repair or replacement as required hereunder, Owner may hire a professional and make such maintenance, repairs or replacements at Tenant’s sole cost and expense. Owner’s reasonable expense will be payable by Tenant to Owner as additional rent within ten (10) business days after Tenant receives a bill from Owner

D. When this Lease ends, Tenant must remove all of Tenant’s movable property. Tenant must also remove at Tenant’s own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment Tenant may have installed in the Apartment, even if it was done with Owner’s consent. Tenant must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. Tenant has not moved out until all persons, furniture and other property of Tenant’s is also out of the Apartment. If Tenant’s property remains in the Apartment after this Lease ends, Owner may either treat Tenant as still in occupancy and charge Tenant for use, or may consider that Tenant has given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at Tenant’s expense. Tenant agrees to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.

E. Within a reasonable time after notification of either party’s intention to terminate this Lease, unless Tenant provides less than two (2) weeks’ notice of Tenant’s intention to terminate, Owner shall notify Tenant in writing of Tenant’s right to request an inspection before vacating the Apartment. Tenant shall have the right to be present at said inspection. Subject to the foregoing, if Tenant requests such inspection, the inspection shall be made no earlier than two (2) weeks and no later than one (1) week before the end of the tenancy. Owner shall provide at least forty-eight (48) hours written notice of the date and time of the inspection. After the inspection, Owner shall provide Tenant with an itemized statement specifying repairs, cleaning or other deficiencies that are proposed to be the basis of any deductions from the Security Deposit. If Tenant requests such inspection, Tenant shall be given an opportunity to remedy any identified deficiencies prior to the end of the tenancy (or, at Owner’s sole option, if Tenant fails to remedy any such identified deficiencies, Owner may remedy such identified deficiencies at Tenant’s sole cost and expense as described hereinafter). Any and all repairs or alterations made to the Apartment as a result of said inspection shall be at Tenant’s sole cost and expense. Said repairs must be approved by Owner and shall be performed, at Owner’s sole option by (i) licensed and adequately insured Tenant’s contractors in a good and skillful manner with materials of quality and appearance comparable to existing materials and approved by Owner or (ii) by Owner’s contractor(s).

10. CHANGES AND ALTERATIONS TO APARTMENT

A. Tenant cannot build in, add to, change or alter, the Apartment in any way, including, but not limited to, installing, changing, or altering any paneling, wallpaper, flooring, “built in” decorations, partitions, railings, paint, carpeting, plumbing, ventilating, air conditioning, electric, or heating systems without first obtaining the prior written consent of Owner which may be withheld in Owner’s sole discretion. If Owner’s consent is given, the alterations and installations shall become the property of Owner when completed and paid for by Tenant. They shall remain with and as part of the Apartment at the end of the Term. Notwithstanding the foregoing, Owner has the right to demand that Tenant remove the alterations and installations at the end of the Lease Term, and in such case Tenant shall repair all damage resulting from said removal and restore the Apartment to its original condition, including any holes in the wall or damage caused by the removal of any pictures, artwork or TV mounts hung by Tenant on the walls. Any and all work shall be performed by Tenant in accordance with the terms and conditions of this Lease and in accordance with all applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity. Tenant’s contractor shall also supply, before performing any such work, a certificate of insurance naming Owner and the Building’s managing agent (if applicable) as additional insured.

B. Without Owner’s prior written consent, Tenant cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner’s reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, Tenant cannot place in the Apartment water-filled furniture.

C. If a lien is filed on the Apartment or Building due to Tenant’s fault, Tenant must promptly pay or bond the amount stated in the lien. Owner may pay or bond the Lien if Tenant fails to do so within ten (10) days after Tenant has written notice about the lien, in which case, Owner’s costs shall be paid by Tenant as Additional Rent.

11. YOUR DUTY TO OBEY AND COMPLY WITH LAWS; REGULATIONS AND LEASE RULES

A. **Government Laws and Orders.** You will obey and comply (1) with all present and future city, state and federal laws and regulations, including the Rent Stabilization Code and Law, which affect the Building or the Apartment, and (2) with all orders and regulations of Insurance Rating Organizations which affect the Apartment and the Building. You will not allow any windows in the Apartment to be cleaned from the outside, unless the equipment and safety devices required by law are used.

B. **Owner’s Rules Affecting You.** You will obey all Owner’s rules listed in this Lease and all future reasonable rules of Owner or Owner’s agent. Notice of all additional rules shall be delivered to You in writing or posted in the lobby or other public place in the building, Owner shall not be responsible to You for not enforcing any rules, regulations or provisions of another tenant’s lease except to the extent required by law.

C. **Your Responsibility.** You are responsible for the behavior of yourself, of your immediate family, your servants and people who are visiting You. You will reimburse Owner as additional rent upon demand for the cost of all losses, damages, fines, penalties and reasonable legal expenses incurred by Owner because You, members of your immediate family, servants or people visiting You have not obeyed government laws and orders or the provisions and rules of this Lease.

12. OBJECTIONABLE CONDUCT

As a tenant in the Building, You will not engage in nor permit family members, guests or invitees to engage in objectionable conduct. Objectionable conduct means behavior which makes or will make the Apartment or the Building less fit to live in for You or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their Apartments, or causes conditions that are dangerous, hazardous, unsanitary and detrimental to other tenants in the Building. Objectionable conduct by You gives Owner the right to end this Lease.

13. SERVICES AND FACILITIES

A. **Required Services.** Owner will provide cold and hot water and heat as required by law, repairs to the Apartment, as required by law, elevator service if the Building has elevator equipment, and the utilities, if any, included in the rent, as set forth in sub-paragraph B. You are not entitled to any rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.

B. The following utilities are included in the rent: Heat and Hot Water

C. **Electricity and Other Utilities.** If Owner provides electricity or gas and the charge is included in the rent on Page 1, or if You buy electricity or gas from Owner for a separate (sub metered) charge, your obligations are described in the Rider attached to this Lease. If electricity or gas is not included in the rent or is not charged separately by Owner, You must arrange for this service directly with the utility company. You must also pay directly for telephone service if it is not included in the rent.

D. **Appliances.** Appliances supplied by Owner in the Apartment are for your use. They will be maintained and repaired or replaced by Owner, but if repairs or replacement are made necessary because of your negligence or misuse, You will pay Owner for the cost of such repair or replacement as additional rent.

E. **Elevator Service.** If the elevator is the kind that requires an employee of Owner to operate it, Owner may end this service without reducing the rent if: (1) Owner gives You 10 days notice that this service will end; and (2) within a reasonable time after the end of this 10-day notice, Owner begins to substitute an automatic control type of elevator and proceeds diligently with its installation. All non-automatic passenger and service elevators shall be operated only by employees of Owner and must not in any event be interfered with by Tenants. The service elevators, if any, shall be used by servants, messengers and trades people for entering and leaving, and the passenger elevators, if any, shall not be used by them for any purpose. Nurses with children, however, may use the passenger elevators.

F. **Storeroom Use.** If Owner permits You to use any storeroom, laundry or any other facility located in the building but outside of the Apartment, the use of this storeroom or facility will be furnished to You free of charge and at your own risk, except for loss suffered by You due to Owner's negligence. You will operate at your expense any coin operated appliances located in such storerooms or laundries.

14. INABILITY TO PROVIDE SERVICES

Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner’s reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building.

In any of these events, any rights You may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

15. ENTRY TO APARTMENT

During reasonable hours and with reasonable notice, except in emergencies, Owner may enter the Apartment for the following reasons:

A. To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; to inspect the Apartment and to make any necessary repairs or changes Owner decides are necessary. Your rent will not be reduced because of any of this work, unless required by law.

B. To show the Apartment to persons who may wish to become owners or lessees of the entire Building or may be interested in lending money to Owner;

C. For four months before the end of the Lease, to show the Apartment to persons who wish to rent it;

D. If during the last month of the Lease You have moved out and removed all or almost all of your property from the Apartment, Owner may enter to make changes, repairs, or redecorations. Your rent will not be reduced for that month and this Lease will not be ended by Owner’s entry.

E. If at any time You are not personally present to permit Owner or Owner’s representative to enter the Apartment and entry is necessary or allowed by law or under this lease, Owner or Owner’s representatives may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner will not be responsible to You, unless during this entry, Owner or Owner's representative is negligent or misuses your property.

16. ASSIGNING; SUBLETTING; ABANDONMENT

A. Assigning and Subletting. You cannot assign this Lease or sublet the Apartment without Owner’s advance written consent in each instance to a request made by You in the manner required by Real Property Law §226-b. and in accordance with the provisions of the Rent

Stabilization Code and Law, relating to subletting. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to request for a Lease assignment properly made, at your request in writing, Owner will end this Lease effective as of thirty days after your request. The first and every other time you wish to sublet the Apartment, You must get the written consent of Owner unless Owner unreasonably withholds consent following your request to sublet in the manner provided by Real Property Law §226-b. Owner may impose a reasonable credit check fee on You in connection with an application to assign or sublet. If You fail to pay your rent Owner may collect rent from subtenant or occupant without releasing You from the Lease. Owner will credit the amount collected against the rent due from You. However, Owner’s acceptance of such rent does not change the status of the subtenant or occupant to that of direct tenant of Owner and does not release You from this Lease.

B. Abandonment. If You move out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended (except as provided by law following Owner’s unreasonable refusal to con- sent to an assignment or subletting requested by You.) You will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease subject to Real Property Law §227-e.

17. DEFAULT

You default under the Lease if You act in any of the following ways:

- A. You fail to carry out any agreement or provision of this Lease other than Article 12 of this Lease;
- B. You do not take possession or move into the Apartment 15 days after the beginning of this Lease;
- C. You and other legal occupants of the Apartment move out permanently before this Lease ends.

If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within ten days (the “Cure Period”). You must then either stop or correct the default within the Cure Period, or, if You need more than the Cure Period, You must begin to correct the default within the Cure Period and continue to do all that is necessary to correct the default as soon as possible.

If You do not stop or begin to correct a default in the Cure Period or if You or other legal occupants or guests engage in Objectionable Conduct as defined in this Lease, Owner shall give You a written notice that this Lease will end seven (7) days after the date the written notice is sent to You. At the end of the seven (7) day period, this Lease will end and You then must move out of the Apartment. If you fail to vacate on the date set forth in the termination notice, Owner shall commence an action or proceeding to recover possession. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of the term of this Lease set forth in Article 2 or any renewal thereof, the fair market value of your occupancy, if any, after the end of the Lease, and damages caused to Owner after that time as stated in Article 18 and as permitted by law.

If You do not pay your rent when this Lease requires, Owner or Owner’s agent shall send you by certified mail a written notice stating the Owner or Owner’s agent did not receive payment for rent within five (5) days of the date specified in the Lease. This does not waive, impair or modify Your obligation to pay rent by the first day of each month. If You fail to pay Owner the rent as demanded in a 14 day statutory written rent demand, Owner may commence an action or summary nonpayment eviction proceeding based upon the non-payment of rent.

Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

18. REMEDIES OF OWNER AND YOUR LIABILITY

If this Lease is ended by Owner because of your default, the following are the rights and obligations of You and Owner:

- A. You must pay your rent until this Lease has ended. Thereafter, You must pay an equal amount for what the law calls “use and occupancy” until You actually move out.
- B. Once You are out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the rent in this Lease. Notwithstanding the foregoing, if You vacate the Apartment in violation of the terms of this Lease, only then shall Owner use reasonable efforts to re-rent the Apartment at the lesser of the fair market value of the Apartment or the rent paid under this Lease pursuant to Real Property Law §227-e.
- C. Whether the Apartment is re-rented or not, You must pay to Owner as damages:
 - 1. the difference between the rent in this Lease and the amount, if any, of the rents collected in any later lease or leases of the Apartment for what would have been the remaining period of this Lease except to the extent limited by Real Property Law §227-e if applicable; and
 - 2. Owner’s expenses for advertisements, broker’s fees and the cost of putting the Apartment in good condition for re-rental; and
 - 3. Owner’s expenses for attorney’s fees except in the event of a default judgment.
- D. You shall pay all damages due in monthly installments on the rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner’s right to collect the damages for a later month by a similar action. If the rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid rent and damages which You owe Owner, You cannot receive the difference. Owner’s failure to re-rent to another tenant will not release or change your liability for damages, unless the failure is due to Owner’s deliberate inaction.

19. ADDITIONAL OWNER REMEDIES

If You do not do everything You have agreed to do, or if You do anything which shows that You intend not to do what You have agreed to do, Owner has the right to ask a court to make You carry out your agreement or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 17 and 18 of this lease.

20. FEES AND EXPENSES

- A. **Owner’s Right.** You must reimburse Owner for any of the following fees and expenses incurred by Owner:
 - 1. Making any repairs to the Apartment or the Building, including any appliances in the Apartment, which result from misuse, omissions or negligence by Tenant, the permitted occupants of the Apartment, the Tenant Parties or any other visitors to the Apartment;
 - 2. Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organization concerning the Apartment or the Building which Tenant, the permitted occupants of the Apartment, the Tenant Parties, or any other persons who visit the Apartment or work for Tenant have caused;
 - 3. Preparing the Apartment for the next tenant if Tenant moves out of the Apartment before the Lease ending date without Owner’s prior written consent;
 - 4. Any legal fees and disbursements for the preparation and service of legal notices; legal actions or proceedings brought by Owner against Tenant because of a default by Tenant under this Lease; or for defending lawsuits brought against Owner because of the actions of Tenant, the permitted occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment;
 - 5. Removing any of Tenant’s property from the Apartment after this Lease is ended;
 - 6. Any miscellaneous charges payable to the Owner for services Tenant requested that are not required to be furnished Tenant under this Lease for which Tenant has failed to pay the Owner and which Owner has paid;

7. All other fees and expenses incurred by Owner because of the failure to obey any other provisions and agreements of this Lease by Tenant, the permitted occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment or work for Tenant.

These fees and expenses shall be paid by You to Owner as additional rent within 30 days after You receive Owner’s bill or statement. If this Lease has ended when these fees and expenses are incurred, You will still be liable to Owner for the same amount as damages.

B. **Tenant’s Right.** Owner agrees that unless sub-paragraph 4 of this Article 20 has been stricken out of this Lease You have the right to collect reasonable legal fees and expenses incurred in a successful defense by You of a lawsuit brought by Owner against You or brought by You against Owner to the extent provided by Real Property Law§ 234.

21. PROPERTY LOSS, DAMAGES OR INCONVENIENCE

Unless caused by the negligence or misconduct of Owner or Owner’s agents or employees, Owner or Owner’s agents and employees are not responsible to You for any of the following: (1) any loss of or damage to You or your property in the Apartment or the Building due to any accidental or intentional cause, even a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to your property delivered to any employee of the Building (i.e., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to You by actions, negligence or violations of a Lease by any other tenant or person in the Building except to the extent required by law.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or in behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Also, Owner will not be liable to You for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the rent or allow You to cancel the Lease.

22. FIRE OR CASUALTY

- A. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under C below or by You under D below. But the rent will be reduced immediately. This reduction will be based upon the part of the Apartment which is unusable.
- B. Owner will repair and restore the Apartment, unless Owner decides to take actions described in paragraph C below.
- C. After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving You written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is usable when Owner gives You such notice, this Lease will end 60 days from the last day of the calendar month in which You were given the notice.
- D. If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in 30 days, You may give Owner written notice that You end the Lease. If You give that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will refund your security deposit and the pro-rata portion of rents paid for the month in which the casualty happened.
- E. Unless prohibited by the applicable insurance policies, to the extent that such insurance is collected, You and Owner release and waive all right of recovery against the other or anyone claiming through or under each by way of subrogation.

23. PUBLIC TAKING

The entire building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi-public use or purpose. If this happens, this Lease shall end on the date the government or agency take title, You shall have no claim against Owner for any damage resulting; You also agree that by signing this Lease, You assign to Owner any claim against the Government or Government agency for the value of the unexpired portion of this Lease.

24. SUBORDINATION CERTIFICATE AND ACKNOWLEDGEMENTS

All leases and mortgages of the Building or of the land on which the Building is located, now in effect or made after this Lease is signed, come ahead of this Lease. In other words, this Lease is “subject and subordinate to” any existing or future lease or mortgage on the Building or land, including any renewals, consolidations, modifications and replacements of these leases or mortgages. If certain provisions of any of these leases or mortgages come into effect, the holder of such lease or mortgage can end this Lease. If this happens, You agree that You have no claim against Owner or such lease or mortgage holder. If Owner requests, You will sign promptly an acknowledgement of the “subordination” in the form that Owner requires.

You also agree to sign (if accurate) a written acknowledgement to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that you have no present claim against Owner.

25. TENANT’S RIGHT TO LIVE IN AND USE THE APARTMENT

If You pay the rent and any required additional rent on time and You do everything You have agreed to do in this Lease, your tenancy cannot be cut off before the ending date, except as provided for in Articles 22, 23, and 24.

26. BILLS AND NOTICE; ELECTRONIC SIGNATURES

- A. **Notices to You.** Any notice from Owner or Owner’s agent or attorney will be considered properly given to You if it (1) is in writing; (2) is signed by or in the name of Owner or Owner’s agent; and (3) is (a) addressed to You at the Apartment and delivered to You personally or sent by registered or certified mail to You at the Apartment or (b) sent to You electronically to an email address You have provided to Owner or an email address from which You communicated by email to Owner. The date of service of any written notice by Owner to You under this Lease is the date of delivery or mailing of such notice.
- B. **Notices to Owner.** If You wish to give a notice to Owner, You must write it and deliver it or send it by registered, or certified mail to Owner at the address noted on page 1 of this Lease, or at another address of which Owner or Agent has given You written notice.
- C. An electronic signature on this Lease, rider or any renewal of Owner or Tenant shall be deemed an original document and a binding signature pursuant to the Electronic Signatures and Records Act of the State Technology Law.

27. NO SHORT-TERM RENTAL

Under no circumstances shall Tenant put a listing for the Apartment on Airbnb or for other similar short term rental (i.e., a rental for less than thirty (30) days), or use the Apartment for same. If Tenant does so, Owner has the right to immediately terminate this Lease.

TENANT ACKNOWLEDGES AND AGREES THAT THE FOREGOING IS A MATERIAL INDUCEMENT FOR OWNER TO ENTER INTO THIS LEASE, AND BUT FOR SAID COVENANT, OWNER WOULD NOT HAVE EXECUTED THIS LEASE AGREEMENT. IF TENANT DISREGARDS THIS AGREEMENT, IN ADDITION TO THE RIGHT OF INJUNCTION, AND THE RIGHT TO TERMINATE THIS LEASE ON SEVEN (7) DAYS’ WRITTEN NOTICE TO TENANT WITHOUT ANY RIGHT TO A CURE PERIOD, AND ANY AND ALL REMEDIES AVAILABLE UNDER THIS LEASE AND AT LAW OR EQUITY, TENANT SHALL ALSO BE RESPONSIBLE FOR ANY AND ALL FINES AND PENALTIES IMPOSED BY ANY GOVERNMENTAL OR QUASI-GOVERNEMENTAL AGENCY OR BODY.

28. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

Both You and Owner agree to give up the right to a trial by jury in a court action, proceeding or counter claim on any matters concerning this Lease, the relationship of You and Owner as Tenant and Landlord or your use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.

If Owner begins any court action or proceeding against You which asks that You be compelled to move out, You cannot make a counterclaim unless You are claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

29. NO WAIVER OF LEASE PROVISIONS

- A. Even if Owner accepts your rent or fails once or more often to take action against You when You have not done what You have agreed to do in this Lease, the failure of Owner to take action or Owner’s acceptance of rent does not prevent Owner from taking action at a later date if You again do not do what You have agreed to do.
- B. Only a written agreement between You and Owner can waive any violation of this Lease.
- C. If You pay and Owner accepts an amount less than all the rent due, the amount received shall be considered to be in payment of all or a part of the earliest rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the rent due.
- D. Any agreement to end this Lease and also to end the rights and obligations of You and Owner must be in writing, signed by You and Owner or Owner’s agent. Even if You give keys to the Apartment and they are accepted by any employee, or agent, or Owner, this Lease is not ended.

30. CONDITION OF THE APARTMENT; APARTMENT RENTED “AS IS”

By signing this Lease Tenant acknowledges that Owner, Owner’s representatives or superintendent has not made any representations or promises with respect to the Building or the Apartment except as herein expressly set forth. After signing this Lease but before Tenant begins occupancy, Tenant shall have the opportunity to inspect the Apartment with Owner or Owner’s agent to determine the condition of the Apartment. If Tenant requests such inspection, the parties shall execute a written agreement before Tenant begins occupancy of the Apartment attesting to the condition of the Apartment and specifically noting any existing defects or damages. Before taking occupancy of the Apartment, Tenant has inspected the Apartment (or Tenant has waived such inspection) and Tenant accepts it in its present condition "as is," except for any condition which Tenant could not reasonably have seen during Tenant’s inspection. Tenant agrees that Owner has not promised to do any work in the Apartment except as specified in a rider to be annexed hereto (if any) and made apart hereof.

31. RENT INCREASE FOR MAJOR CAPITAL IMPROVEMENT

Owner advises you that an application for increase in stabilized rent on the ground of a building-wide major capital improvement dated _____ Docket No. _____ is now pending before the State Division of Housing and Community Renewal (“Agency”). Such application involves the following major capital improvements which are now completed or in progress:

You agree that the stabilized rent herein may be increased during the term of this lease by reason of such improvement as of a date and in the amount permitted by an order from the Agency.

32. DEFINITIONS

If changes are made to the locks or mechanism installed by Tenant, Tenant must deliver keys to Owner. At the end of this Lease, Tenant must return to Owner all keys either furnished or otherwise obtained. If Tenant loses or fails to return any keys which were furnished to Tenant, Tenant shall pay to Owner the cost of replacing them.

Unless carried or on a leash, a dog shall not be permitted on any passenger elevator or in any public portion of the building. Also, dogs are not permitted on any grass or garden plot under any condition. BECAUSE OF THE HEALTH HAZARD AND POSSIBLE DISTURBANCE OF OTHER TENANTS WHICH ARISE FROM THE UNCONTROLLED PRESENCE OF ANIMALS, ESPECIALLY DOGS, IN THE BUILDING, THE STRICT ADHERENCE TO THE PROVISIONS OF THIS RULE BY EACH TENANT IS A MATERIAL REQUIREMENT OF EACH LEASE. TENANT’S FAILURE TO OBEY THIS RULE SHALL BE CONSIDERED A SERIOUS VIOLATION OF AN IMPORTANT OBLIGATION BY TENANT UNDER THIS LEASE. OWNER MAY ELECT TO END THIS LEASE BASED UPON THIS VIOLATION.

Tenant shall clean the terrace or balcony and keep the terrace or balcony free from snow, ice, garbage and other debris. **Annual Notice to Tenant or Occupant in Buildings with 3 or More Apartments
Protect Your Child from Window Falls and Lead Poisoning**

You are required by law to complete and return this form to your landlord before **February 15** each year. If you do not return the form, your landlord is required to visit your apartment to find out the ages of children living with you. Call **311** for more information on preventing window falls and lead poisoning.

Window Guards

- Your landlord is required by law to install window guards in all your windows if a child age **10** years or younger lives with you, **or** if you ask for them (even if no children live with you). However, windows that open to fire escapes and windows on the first floor used as fire exits should not have window guards.
- Window Guards should be installed so there is no space greater than 4 ½ inches above or below the guard, on the side of the guard, or between the bars.
- It is against the law for you to refuse, interfere with installation, or remove window guards where they are required.

The above requirements apply to all buildings with 3 or more apartments regardless of when they were built.

Peeling Lead Paint

- Your landlord is required by law to inspect your apartment for peeling paint and other lead paint hazards at least once a year if a child age **6** years or younger lives with you.
- Always report peeling paint to your landlord. If a child age **6** years or younger lives with you, your landlord must inspect your apartment. Your landlord must provide you with the results of these paint inspections.
- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.
- If you have a baby or if a child age **6** years or younger comes to live with you during the year, you must notify your landlord in writing.

The above requirements apply to buildings with 3 or more apartments built before 1960, or built between 1960 and 1978 if the landlord knows that lead paint is present in the building.

Fill Out and Detach the bottom part of this form and return in envelope.

No Smoking/Smoke-Free Building. Tenant acknowledges and agrees that Owner has adopted a smoke free living policy for the building in an effort to designate the building as smoke free. Tenant covenants and agrees that Tenant shall not smoke or allow smoking, or permit Tenant's household members, relatives, guests, employees or servicepersons to smoke in any area of the building, including within Tenants apartment, any other apartment(s) in the building, and/or in common areas of the building, whether enclosed or outdoors, including, but not limited to, within 15 feet of the Building's entrance and/or adjoining grounds, and/or on or within 15 feet of any balcony or terrace of any apartment ("Common Areas"). The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted cigar, cigarette, e-cigarette, e-cigar, e-pipe, in any form. Smoking also means inhaling, exhaling, and breathing any object, lighted or otherwise, aimed at delivering any substance, including but not limited to nicotine, cannabis, cannabis derived products, cannabinoids, in any manner or in any form.

Effect of Breach/Right to Terminate Lease. Tenant acknowledges and understands that smoking by Tenant and/or Tenant's household members, relatives, guests, employees or servicepersons within Tenant's apartment and/or any other apartment(s) in the building and/or in Common Areas is a breach of a material obligation of the Lease which may entitle the Landlord to commence a summary proceeding or other litigation to terminate the Lease and/or evict the Tenant from the Apartment. In addition, Tenant's covenants contained in this Rider shall be enforceable in a court of competent jurisdiction by a decree of specific performance and/or by appropriate injunctive relief, all in accordance with applicable law. Further, Tenant agrees that the other tenants in the building are third-

party beneficiaries of Tenants smoke free Rider with Owner and that any dispute or lawsuit between tenants in the building against one another shall not create a presumption that the Owner or managing agent or building employees or other agents breached any term or condition of this Rider. Tenant agrees to indemnify and hold Landlord harmless from and against any and all loss and/or damage which Landlord may incur as a result of the breach by Tenant of any of the foregoing restrictions, including, without limitation, any withholding of rent by other tenants of the building, and reasonable attorneys' fees and disbursements incurred by Landlord in connection with any litigation, mediation and/or negotiations with Tenant or any other tenants of the building due to Tenant's breach of any term or condition contained in this Rider. Any and all of Tenant's monetary obligations to Landlord resulting from Tenant's agreement to indemnify and hold Landlord harmless shall be collectible as additional rent.

Tenant to Promote No-Smoking Policy and to Alert Landlord of Violations. Tenant shall inform Tenant's household members, relatives, guests, employees or servicepersons of the no-smoking policy. Tenant shall promptly give Landlord a written statement of any incident where smoke from tobacco products or other lighted products/substances is migrating into Tenant's Apartment from outside of the Apartment and, to the best of Tenants' knowledge, the source or location of such smoke. The failure by Landlord to respond to a complaint by Tenant regarding smoke shall not be construed as a breach of the warranty of habitability, or the covenant of quiet enjoyment, nor shall it be deemed to be a constructive eviction of the Tenant.

Landlord Not a Guarantor of Smoke-Free Environment. Tenant acknowledges that Landlord's adoption of a smoke-free initiative for the building and the efforts to convert the building over time to a smoke-free environment does not make the Landlord, or any of its managing agents and/or employees, guarantor(s) of Tenant's health and/or of the smoke-free condition of the Apartment and/or the building. However, Landlord shall take reasonable steps to enforce the smoke-free terms of its leases. Landlord is not required to take steps in response to smoke from smoking and/or smoking unless and/or until

Landlord is put on actual notice of the presence of smoke from smoking and/or smoking, based upon personal knowledge and/or written notice by a tenant.

Disclaimer by Landlord. Tenant acknowledges that Landlord's adoption of a smoke-free initiative/policy for the building does not, in any way, change or increase the standard of care that the Landlord and/or the managing agent has, may have or would have to Tenant or to Tenant's household members, relatives, guests, employees or servicepersons to render the building and the subject premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Landlord specifically disclaims any implied or express warranties that the building, Common Areas and/or the Apartment will have any higher or improved air quality standards than any other rental property. Landlord cannot and does not warranty or promise that the Apartment or Common Areas will be free from smoke and/or secondhand smoke. Tenant acknowledges that Landlord's ability to police, monitor, or enforce the agreements in this Rider is dependent, in significant part, on voluntary compliance by Tenant and Tenant's household members, relatives, guests. Tenants with respiratory ailments, allergies, and/or any other physical or mental conditions relating to smoke/smoking are put on notice that Landlord does not assume any higher duty of care to enforce this Rider than any other landlord obligation under the Lease.

Existing Tenants. Tenant is hereby advised that all new tenants moving into the building are obligated not to smoke in their apartment(s) and/or in Common Areas. New tenant(s) acknowledge(s) that existing tenants residing in the building under an existing lease may not currently be required to comply with this smoke free rider and will not be required to do so until such time that the existing tenant renews his/her lease, and then, only if Landlord is legally permitted to include such a Rider to the existing tenant's renewal lease.

Waiver. The failure or omission by Landlord to enforce, for any period of time, any provision of this Rider shall not be deemed or construed as a waiver of that provision or

any other provision of this Rider, shall not constitute an agreement, express or otherwise, to modify, change or alter the terms of this Rider, and/or shall not constitute a waiver by or estoppel against Landlord to insist upon full and complete performance of the terms and conditions of this Rider, as written.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be duly executed and acknowledged as of the day and year first above written.

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building’s common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant’s lease that clearly states the landlord’s and tenant’s responsibilities to keep the building free of indoor allergens.

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

Read this entire brochure to learn:

- How lead gets into the body
- About health effects of lead
- What you can do to protect your family
- Where to go for more information

Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

- Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

Simple Steps to Protect Your Family from Lead Hazards

If you think your home has lead-based paint:

- Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at [epa.gov/lead](https://www.epa.gov/lead).
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children avoid fatty (or high fat) foods and eat nutritious meals high in iron and calcium.
- Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Women of childbearing age should know that lead is dangerous to a developing fetus.

- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and, in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.¹

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.²

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at epa.gov/lead.

¹ "Lead-based paint" is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm), or more than 0.5% by weight.

² "Lead-containing paint" is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorating lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors
- 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
 - Portable x-ray fluorescence (XRF) machine
 - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
 - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
 - Sample dust near painted surfaces and sample bare soil in the yard
 - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.³

³ Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8399.

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children avoid fatty (or high fat) foods and eat nutritious meals high in iron and calcium. Children with good diets absorb less lead.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement professional. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors
- 250 $\mu\text{g}/\text{ft}^2$ for interior windows sills
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs

For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 14 and 15), or visit epa.gov/lead, or call 1-800-424-LEAD.

Renovating, Remodeling, or Repairing (RRP) a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
 - Open-flame burning or torching
 - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment and
 - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects visit epa.gov/getleadsafe, or read *The Lead-Safe Certified Guide to Renovate Right*.

Other Sources of Lead

While paint, dust, and soil are the most common sources of lead, other lead sources also exist:

- **Drinking water.** Your home might have plumbing with lead or lead solder. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might contain lead:

- Use only cold water for drinking and cooking.
- Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.

Call your local health department or water supplier to find out about testing your water, or visit [epa.gov/lead](https://www.epa.gov/lead) for EPA's lead in drinking water information.

- **Lead smelters** or other industries that release lead into the air.
- **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.⁴
- Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.
- Folk remedies, such as "**greta**" and "**azarcon**," used to treat an upset stomach.

⁴ In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint (16 CFR 1303). In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products (76 FR 44463).

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).
