- HEADINGS:** Paragraph headings are only for ready reference to the terms of this lease.
- CONDITION "AS IS":** Renter acknowledges inspecting the apartment prior to signing this lease and accepts the apartment in the condition it is in as of such inspection. Renter acknowledges that the apartment is free of defects. Owner warrants that the apartment and building are fit for habitation and there are no conditions dangerous to health, life or safety.
- USE AND OCCUPANCY OF APARTMENT:** The apartment is to be used and occupied for private residential purposes only, as the primary residence of Renter. The apartment may be occupied only by Renter named in this lease, Renter's immediate family, or other occupants in accordance with the applicable provisions of law. Renter agrees that the apartment will be occupied only by the following individuals, in addition to Renter:

NAME	DATE OF BIRTH	RELATIONSHIP TO RENTER

Renter is obligated to advise Owner, in writing, if any additional occupant moves into the apartment. Such notice must be furnished by Renter to Owner within 10 days of the date such additional occupant moves into the apartment. The apartment may not be occupied by more than the number of occupants permitted by §27-2075 of the Housing Maintenance Code. The apartment may be occupied by one roommate.

- RENTER'S POSSESSION OF APARTMENT:** Owner shall not be liable for failure to give Renter possession of the apartment on the beginning day of the lease term. Rent shall be payable as of the beginning of the term unless Owner is unable to give possession, in which case rent shall be payable as of the date possession is available. Owner must give possession within 30 days of the beginning day of the lease term. If not, Renter may cancel this lease and obtain a refund of money deposited. Owner will notify Renter as of the date possession is available. The ending date of the lease term will not change in the event Owner is unable to give possession as of the beginning of the lease term.
- RENT, ADDED RENT:**
 - Rent payments for each month are due on or before the first day of each month at the address above or at a location designated by Owner in writing. Notice from Owner to Renter that rent is due is not required. The rent must be paid in full without deductions. The first month's rent and added rent must be paid when Renter signs this lease.
 - Renter may be required to pay other charges and fees to Owner under the terms of this lease. They are called "added rent." This added rent will be payable as rent, together with the next monthly rent due. If Renter fails to pay the added rent on time, Owner shall have the same rights against Renter as if Renter failed to pay rent.
- FAILURE TO PAY RENT ON DUE DATE:** Rent is due by the first day of each month. Payment after the **6th** day of each month shall be considered a "late payment." Renter expressly agrees and understands that three (3) or more late

payments in any twelve month period shall be deemed to be a failure to comply with a substantial obligation of this lease and be grounds for the termination of this lease and eviction of Renter by Owner.

- 7. FEE FOR LATE PAYMENT:** Due to administrative inconvenience and costs incurred due to late payment of rent, Renter agrees to pay the sum of **\$50.00** per month in any month in which the rent is tendered after the late payment date, as added rent. Although Owner is charging a late charge, Owner may commence any action or proceeding with regard to Renter's failure to pay timely rent. This paragraph is not a waiver of Owner's right to collect or demand rent.
- 8. DISHONORED CHECK FEE:** If Renter pays rent by check and such check is dishonored for any reason by the bank on which the check is drawn, Renter will be responsible to pay Owner a dishonored check fee of **\$50.00** in addition to the fee for late payment. This fee is added rent.
- 9. SECURITY:** Renter has given a security deposit to Owner at the time of Renter's signing of this lease in the sum of **\$3,550.00** which is equal to **1 Month's Rent**. If required by law, the account will bear interest at the banking institution's prevailing rate. If Renter carries out all of Renter's obligations under the terms of this lease, an annual payment of accrued interest will be made by the banking institution to the Renter, less 1% interest of the security on deposit, to be tendered by the banking institution to Owner. Owner may use or apply all or any part of the deposit as may be required to pay for damage to the apartment during the term of this lease. If Renter carries out all of Renter's obligations under this lease, and if the apartment is returned to Owner at the expiration of the lease term in the same condition as when rented by Renter, ordinary wear and tear excepted, Renter's security deposit will be returned in full to Renter, with accrued interest thereon, within **14 days** of Renter vacating. If this lease is renewed, and the amount of security deposit Owner is permitted to retain is increased above the amount deposited upon the commencement of this lease term, then Renter shall, upon such lease renewal, pay to the order of Owner such additional sum. If Owner sells or leases the building, Owner may remit the security deposit, as provided by law, to Renter or to the new Owner or lessee, at Owner's election. If Owner remits the security deposit to the new Owner or lessee, Renter agrees to seek the return of the security deposit from the new Owner or lessee, and releases Owner from any claim to the security deposit. Renter shall not use the security on deposit to pay the last month's rent of the lease term. Owner may use security deposit in full or in part if necessary to pay for unpaid rent, damage or loss due to rerenting over the course of this lease.
- 10. SUBLETTING/ASSIGNMENT:** Renter shall not assign the apartment in whole or in part. Renter shall not sublet the apartment in whole or in part without the written consent of Owner, nor permit anyone not specifically indicated in this lease to occupy the apartment. A sublet without consent, or any assignment shall constitute a default of this lease.
- 11. SERVICES:** Owner will provide services which are required by law. The following services and utilities are the responsibility of Renter unless otherwise indicated below:

Electricity:	_____	Cable TV:	_____
Gas:	_____	Hot Water:	<u>Paid by Owner</u>
Telephone:	_____	Cooking Gas:	_____
Heat:	_____	Other:	_____
- 12. OWNER'S INABILITY TO PROVIDE SERVICE:** If Owner is unable to provide certain services as a result of circumstances which are not the fault of Owner, Renter's obligations under this lease, including the obligation to pay rent without abatement, shall remain in effect.
- 13. REPAIRS:** Renter is responsible for the proper maintenance of the apartment. Renter must, at its sole cost and expense, repair or replace anything in the apartment requiring repair replacement as a result of Renter's actions or neglect. If Renter fails to effectuate such repair or replacement Owner may do so at the Renter's expense. The cost of such repair or replacement shall be added rent. Renter will reimburse Owner all costs incurred by Owner to remedy damages to the apartment or the building caused by Renter, members of Renter's family, Renter's guests or Renter's household staff. Such sums shall be added rent.
- 14. ACCESS:** Owner shall be permitted to enter the apartment at all reasonable hours for the purposes of making repairs, showing the apartment to prospective renters, mortgagees, or buyers, making improvements to the building at Owner's sole discretion and for the inspection of the apartment. In the event of an emergency which affects the safety of the renters in the building or which may cause damage to the building, Owner may enter the premises without prior notice to Renter. Failure to provide access is a substantial violation of this lease.
- 15. LIABILITY OF RENTER:** Renter shall pay all sums incurred by Owner, in the event Owner is held liable for damages resulting from any act by Renter. Landlord recommends that tenant secure insurance to protect himself and his property.
- 16. FIRE AND CASUALTY DAMAGE:** Renter is required to advise Owner immediately in the event of fire or other casualty which renders the apartment partially or wholly unfit for occupancy. Owner shall repair the premises as soon as possible subject to any delays due to adjustment of insurance claims or any cause not under Owner's control. If part of the premises is usable, Renter must pay rent for the usable part. If the premises are damaged where Owner feels that the apartment is

beyond repair, the term of this lease shall end and Renter must vacate the apartment. If the fire or casualty was caused by Renter's actions the costs of the repairs shall be repaid to Owner by Renter as added rent.

17. DEFAULT: 1) You default under the Lease if You act in any of the following ways: a) You fail to carry out any agreement or provision of this Lease b) You or another occupant of the Apartment behaves in an objectionable manner; c) You do not take possession or move into the Apartment 15 days after the beginning of this Lease; d) You and other legal occupants of the Apartment move out permanently before this Lease ends; If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within 10 days. You must then either stop or correct the default within 10 days, or, if You need more than 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible. 2) If You do not stop or begin to correct a default within 10 days, Owner may give You a second written notice that this Lease will end seven days after the date of the second written notice is sent to You. At the end of the 7 day period, this Lease will end. You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 17. 3) If You do not pay your rent when this Lease requires after a personal demand for rent has been made, or within three days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: a) enter the apartment and retake possession of it if You have moved out; or b) go to court and ask that You and all other occupants in the Apartment be compelled to move out. Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

18. EARLY TERMINATION OF LEASE: If this lease is canceled as set forth in paragraph "17," Renter must pay "use and occupancy" (in an amount equivalent to monthly rent) until Renter vacates the apartment. If Renter vacates the apartment prior to the expiration of the lease term, Renter shall be liable for "use and occupancy" until the expiration of the lease term or until such time as the apartment is rerented, whichever is sooner. After Renter vacates, Owner may rerent the apartment for the remainder of the lease term, or for a period shorter than or greater than the term of this lease at a monthly rental which may be more or less than the monthly rental specified on page one of this lease. If the apartment is rerented for less than the monthly rental specified above, Renter shall be liable for the difference between Renter's monthly rent and the new rental amount, until such time as the balance of the term of this lease expires. In addition, Renter shall be liable for all expenses incurred in connection with the rerented of the apartment, including but not limited to broker's fees, advertising costs and cleaning expenses.

19. LEGAL FEES (Owner's Option):

☐ In the event either Owner or Renter incurs legal fees and/or court costs in the enforcement of any of Owner's or Renter's rights under this lease or pursuant to law, neither party shall be entitled to the repayment of such legal fees and/or court costs.

If the above box is not checked, Renter shall be liable to Owner in the event Owner incurs legal fees in the enforcement of any of Owner's rights under this lease or pursuant to law. Renter shall be liable to Owner for such legal fees and/or court costs as added rent.

20. NO JURY TRIAL: In any legal proceeding arising under the terms of this lease, whether instituted by Owner or Renter, the parties agree to give up the right to a trial by a jury. **The right to a trial by jury is an important right of Renter, and Renter is agreeing not to demand a trial by jury.** The foregoing is not intended to prohibit a demand for a trial by jury in actions for personal injury or damage to property.

21. NO COUNTERCLAIMS: In any action by Owner seeking recovery of the apartment, Renter shall not make a counterclaim against Owner relating to any matter other than a claim that Owner has not properly maintained the condition of the building or apartment. Renter shall be required to bring an independent action on any other counterclaim.

22. REENTRY: If Renter is dispossessed by legal action Owner may enter the apartment without being liable for reentry, and may rerent the apartment. Renter will be liable to Owner for any and all expenses related to the entering, repairing, redecorating and rerenting. Renter waives the right to reenter the apartment after a final order or judgment in any action is signed or after Renter is removed from the leased apartment.

23. ABANDONMENT: The removal of all or a substantial part of Renter's furniture from the apartment or any other indications that the apartment has been vacated shall be deemed an abandonment by Renter and Owner may then reenter and take possession of the apartment, repair and redecorate it for the purpose of rerenting, whether or not Renter has surrendered the keys. Such taking by Owner shall not be deemed to relieve Renter from liability to pay the rent. Renter releases Owner from any and all claims for damages by reason of such reentry.

24. WINDOW CLEANING: Renter shall not allow any windows to be cleaned from the outside unless such service is provided by Owner.

25. COMMON AREAS: Renter shall not place baby carriages, bicycles or any other property in or on fire escapes,

sidewalks, entrances, driveways, elevators, stairways, halls or any other public areas. Public access ways shall be used only for entering and leaving the apartment and the building. Only those elevators and passageways designated by Owner can be used for deliveries.

26. GARBAGE AND REFUSE:

- a.) Residents duties:** Resident agrees, at his sole cost and expense, to comply with all present and future laws, orders and regulations of all state, federal municipal and local governments, departments, commissions and boards regarding the collections sorting, separation and recycling of waste products, garbage, refuse and trash. Resident shall sort and separate such items into categories as provided by law, and in accordance with the rules and regulations adopted by Owner for the sorting and separating of such designated recycling material.
- b.) Owners rights if resident fails to comply:** Owner reserves the right, where permitted by law, to refuse to collect or accept from Resident any waste products, garbage, refuse or trash which is not separated and sorted as required by law, and to require Resident to arrange for such collection, at Resident's sole cost and expense, using contractor satisfactory to Owner.
- c.) Fines and penalties, indemnification of Owner:** Resident shall pay all costs, expenses, fines, penalties or damages imposed on Owner or Resident by reason of Residents' failure to comply with Paragraphs a and c above, and shall indemnify, defend, and hold Owner harmless from and against any actions, claims, and suits arising from such noncompliance, using counsel reasonably satisfactory to owner, if Owner so elects. Residents' noncompliance with Paragraphs a, b or c shall constitute a violation of a substantial obligation of the tenancy and Owners' rules and regulations. Resident shall be liable to owner for any costs or expenses, including attorneys' fees, of any actions or proceeding by Owner against Resident, based upon Residents' breach of Paragraphs a, b or c.

27. KEYS: Renter must provide a key to any and all locks to Renter's apartment to Owner, and Owner must pay to Renter the reasonable cost of the keys. Renter shall not install a doublekeyed cylinder in any lock to Renter's apartment.

28. NO PETS: Renter acknowledges that he shall not have any dog, cat or other animal on the premises unless permitted in writing by Owner. 30. WINDOW GUARDS: Renter hereby agrees to notify Owner if any child who is ten years of age or under occupies this apartment so that Owner may install window guards in each window of the apartment in accordance with law, which shall be at tenant's expense. Renter shall not install any gate or guard on any window without written permission of the Owner or remove any window guard installed by Owner. Renter shall be liable to Owner for any violations issued to Owner as a result of Renter's failure to permit Owner to install window guards.

31. PEELING PAINT: Renter hereby agrees to notify Owner of any paint within the apartment that is peeling, cracking, flaking, blistering or loose in any manner so that Owner may repair such conditions.

32. END OF TERM MOVING OUT: At the end of this lease term, Renter shall leave the apartment clean and in good order, reasonable wear and tear excepted. Renter shall remove all of Renter's personal possessions from the apartment after Renter has vacated. If any property remains in the apartment at the expiration of the term, it will be deemed by Owner to be abandoned property which Owner may discard or sell. Renter agrees to pay any expenses incurred by Owner as a result of Owner's disposition of said property.

33. FACILITIES: Storeroom, roof access, laundry facilities in the building or television master antenna may be provided by Owner at the option of Owner. Notices will be considered delivered on the date mailed.

Renter shall not install a waterbed, washing machine, dryer, dishwasher, air conditioner, refrigerator, sink, kitchen cabinets, stove, other mechanical equipment or an external antenna in an apartment without the written consent of Owner. accordance with law. The rent increase is payable to Owner as added rent beginning on the first day of the month following installation.

Renter must keep the terrace or balcony in good repair and clean and free from snow, ice, leaves and garbage. No cooking is allowed on the terrace or balcony. Renter may not keep plants or install a fence or any addition on the terrace or balcony. If Renter does so, Owner has the right to remove and store them at Renter's expense. - 41. OBJECTIONABLE CONDUCT:** Renter, their families, guests, employees, or visitors shall not engage in any conduct which makes the apartment or building less fit to live in for Renter or other occupants. Renter shall not make or permit any disturbing noises in the apartment or building or permit anything to be done that will interfere with the rights, comfort or convenience of other renters. Renter shall not play a musical instrument or operate or allow to be operated audio or video equipment so as to disturb or annoy any other occupant of the building.

SUBORDINATION:** The rights of Renter, including all rights granted under the terms of this lease are, and shall be, subject to and subordinate to the terms of any mortgage on the building or the land under the building which now exists, or which may hereafter exist. The foregoing shall include but not be limited to any modification, consolidation or extension agreement of any existing mortgage on the land or building.
- 49. SINGULAR/PLURAL and JOINT/SEVERAL:** The use of the singular shall be deemed to include the plural, and vice versa, whenever the context so requires. If more than one entity is renting the apartment, their obligations shall be joint and several.
- 50. CONDEMNATION/EMINENT DOMAIN:** If the building, or any part of the building, is taken or condemned by a public

authority or government agency, this lease will end on the date of such taking. In such event, Renter will have no claim for damages against Owner based upon such taking, and Renter will be required to surrender the apartment to Owner upon 30 days written notice from Owner to Renter of such government taking.

- 51. CONSTRUCTION/CONVENIENCE:** Neighboring buildings may be the subject of construction, renovation or demolition. Owner will not be liable to Renter, nor shall Renter seek to hold Owner liable for interference with views, light, air flow, or ventilation, the covenant of quiet enjoyment, or breach of the warranty of habitability whether such interference is temporary or permanent, if such interference results from activities conducted on adjoining Owners' properties.
- 52. NO WAIVER:** The failure of Owner to insist at any time upon strict performance of any clause in this lease shall not be construed as a waiver of Owner's rights. No waiver by Owner of any provision of this lease can be made unless made in writing by Owner. Acceptance of rent by Owner with knowledge of the breach of any condition or term of this lease is not a waiver of the breach.
- 53. CREDIT REPORTS:** Renter authorizes Owner to use the Social Security number of Renter to obtain any and all credit reports for the purpose of the initial lease or any renewal thereof now and no more than five years after the expiration of this lease or any renewal thereof, and fully understands that these reports will be used by owner in connection with Renter's occupancy of the apartment.
- 54. GUARANTOR:** If Renter has a Guarantor sign the initial lease, Renter agrees to have a Guarantor sign all renewal leases. The guarantee is a material term and condition of the lease. The failure to continue the guarantee negates Owner's obligation to enter into a renewal lease.
- 55. NO RIGHT TO RENEWAL:** Renter acknowledges that there is no automatic right to a renewal lease. If Owner, in its discretion, determines that it will issue a renewal lease, Owner may set a new rent.
- 56. NOTICES:** All notices, which include bills and/or other statements with respect to this lease, must be in writing. Notices to Renter shall be sent to Renter at the apartment by regular mail except that any notice alleging failure to comply with any terms of this lease shall be sent by certified mail. Notices to the Owner shall be sent to Owner by certified mail to the address on this lease, or to such other address as Owner shall advise Renter on writing. Notices will be considered delivered on the date mailed.
- 57. THIS APARTMENT IS NOT SUBJECT TO RENT STABILIZATION:** It is expressly understood that the apartment which is the subject of this lease is not subject to the Rent Stabilization Law or any other rent regulatory laws.
- 58. ENTIRE AGREEMENT:** Owner and Renter have read this lease and agree that it contains the entire understanding of the parties regarding the rental of the subject apartment. The lease can only be changed in writing. The writing must be signed by both Owner and Renter.

If any part of this lease is determined to be unlawful, the remaining provisions of the lease will remain valid and in full force and effect.

NOW THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

- 1. License Agreement Provisions Prevail.** Licensor and Licensee agree that, in the event of a conflict between the provisions contained in the Lease and this License, it shall be deemed to be the intent of the parties that the provisions contained in this License supersede any inconsistent provisions of the Lease and the Lease is deemed modified hereby.
- 2. License.** Subject to the terms and conditions hereinafter set forth, Licensor hereby grants to Licensee a license ("License") for the exclusive use of the Designated Bicycle Rack and Licensee hereby accepts such License from the Licensor.
- 3. Term.** The term ("Term") of this License shall be for a period of **1 year and 2 days**, commencing on **May 30, 2026** ("Commencement Date") and expiring on **May 31, 2027** ("Expiration Date"), unless the Term shall terminate pursuant to any of the terms of this License or pursuant to law. The Term is a period that is co-terminus with the duration of the Licensee's Lease, dated **May 30, 2026**. In no event shall the Term extend beyond the earlier of the date on which Licensee vacates the Apartment or the date on which the Lease terminates or expires.
- 4. Licensor may increase the License Fee on thirty (30) days prior notice to Licensee. The License Fee shall be deemed Additional Rent under the Lease. In the event that the License Fee is not received on or before the fifth business day of the commencement of the renewal term, a late charge shall be charged in accordance with the late payment provisions of the Lease.

 - (c)** Licensee shall not (i) store any property outside of the Designated Bicycle Rack, (ii) allow any other person to use the Designated Bicycle Rack, or (iii) alter, modify, or add signage to the Designated Bicycle Rack.
- 6. Condition of Premises, Maintenance, Alterations.**

- (b) It is required that Licensee obtain insurance with a duly licensed insurance company with respect to the Designated Bicycle Rack and any property therein, and maintain such policy for the duration of the Term. In the event of any claim by Licensee, Licensee agrees to look solely to any insurance policy maintained by Licensee, pursuant to this paragraph or otherwise, and Licensor shall not be liable to Licensee to the extent Licensee's claims are satisfied from such insurance policy.

9. Indemnification. Licensee hereby agrees to indemnify Licensor, its agents, and each aforementioned entity's members, officers, agents, and employees (collectively, "Licensor's Entities") from all liability, losses or damages with respect to the Designated Bicycle Rack, except to the extent it is due to Licensor's gross negligence. Licensee is liable for all losses, injury or damages to any person or property caused by Licensee, and any occupants, guests or invitees of Licensee. Licensee is responsible for all damages suffered and money spent by Licensor's Entities relating to any claim arising from any act or neglect of Licensee and for those persons for whom Licensee is responsible, and Licensee shall reimburse Licensor's Entities for any such money spent by Licensor's Entities. If a legal action or proceeding is brought against Licensor's Entities arising from Licensee's act or neglect, Licensee shall defend Licensor's Entities at Licensee's expense with an attorney of Licensor's Entities' choosing. The obligations of Licensee contained in this Section shall survive the expiration or earlier termination of this License.

10. Relocation. Licensor shall have the right, upon seven (7) days' notice to Licensee and at Licensor's cost, to temporarily or permanently relocate the Designated Bicycle Rack to another location in the Building, without payment of any penalty to Licensee.

11. Default and Termination.

- (a) Licensee defaults under the License if Licensee fails to carry out any agreement or provision of this License.

- (b) If Licensee defaults under the License, other than a default in the agreement to pay the License Fee, Licensor may serve Licensee with a written notice to stop or correct the specified default within ten (10) days. Licensee must then either stop or correct the default within 10 days, or, if Licensee needs more than 10 days, Licensee must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible. If Licensee does not stop or begin to correct a default within 10 days, Licensor may give Licensee a second written notice that this License will end ten (10) days after the date the second written notice is sent to Licensee. At the end of this 10-day period, this License will end, and Licensee then must remove all property from the Designated Bicycle Rack. Licensor shall have the right to ask a Court give the Licensor such other relief as the Court can provide.

- (c) If Licensee does not pay the License Fee when this License requires after a personal demand for the License Fee has been made, or within ten (10) days after a statutory written demand for the License Fee has been made, or if the License ends, Licensor may do the following:

1. Enter the Designated Bicycle Rack and retake possession of it if Licensee has vacated; or
2. Go to court and ask that Licensee be compelled to remove all items from the Designated Bicycle Rack. Licensor shall also have the right to ask a Court give the Licensor such other relief as the Court can provide.

- (d) The License shall immediately be revoked at such time as the Licensee vacates the Apartment or the Lease terminates or expires.

- (e) Licensee shall not assign or sublet this License or the Designated Bicycle Rack. In any such event, the License shall immediately be revoked.

- (f) Once this License has been ended, whether because of default or otherwise, Licensee gives up any right Licensee might otherwise have to reinstate or renew the License.

12. Renewal.

- (a) Unless this License is terminated by Licensor pursuant to ¶ 11 prior to its expiration, this Agreement shall be expire at the end of the License Period. This License shall be renewed only by permission of the Licensor for a period that is co-terminus with the Licensee's renewal lease.
- (b) If Licensee wishes to renew the License, Licensee shall execute a License Renewal form prior to the expiration of the License Period. Said License Renewal shall be included with Licensee's Renewal Lease package, and Licensee shall pay the annual fee upon execution of the renewal. It is a condition to renewal of this License Agreement that Licensee additionally renew the Amenities Agreement. If Licensee does not renew the Amenities Agreement, Licensee may not renew this License.

13. Notice

- (a) Notice to Licensee may be given by Licensor, at Licensor's election, by ordinary mail, by certified mail, return receipt requested or by hand delivery to the Apartment.
- (b) Notice to Licensor must be given by certified mail, return receipt requested, at Licensor/s address set forth above or such other address as Licensor may designate in writing.
- (c) Any notice shall be deemed given on the date it is posted if mailing is used.

14. Surrender.

- (a) Upon the expiration or earlier termination of this License, Licensee shall (i) remove Licensee's property from the Designated Bicycle Rack, and (ii) surrender the Designated Bicycle Rack in as good a condition as it was on the commencement date of the License, reasonable wear and tear excepted.
- (b) If Licensee fails to surrender possession of the Designated Bicycle Rack upon the expiration or earlier termination of this License, or if any property of Licensee remains in the Designated Bicycle Rack after the expiration or earlier termination of this License, (i) any property remaining in the Designated Bicycle Rack shall be deemed conclusively abandoned, and (ii) Licensor may, without any notice and without prejudice to any other remedy Licensor may have, enter the Designated Bicycle Rack and remove and dispose of any property in the Designated Bicycle Rack, at Licensee's sole cost and expense, without being liable for any claim for trespass, conversion, or damages.

- (d) If Licensee shall fail to surrender the Designated Bicycle Rack upon the expiration or earlier termination of this License, Licensee shall have the status of a holdover occupant of the Designated Bicycle Rack. Under no circumstances shall Licensee's occupancy of the Designated Bicycle Rack after the expiration or earlier termination of this License be deemed or construed to create any rights for Licensee in the Designated Bicycle Rack. In addition to any other rights and remedies which may be available to Landlord either pursuant to this License or applicable law, Licensor may charge Licensee **zero dollars (\$0.00)** per day during any such holdover period. The acceptance by Licensor of any payments from Licensee after the expiration or earlier termination of this License shall not be deemed or construed to create any rights for Licensee in the Designated Bicycle Rack, and shall be deemed to represent payment of use and occupancy by Licensee for the Designated Bicycle Rack. Nothing herein shall constitute Licensor's consent to any holdover by Licensee or to impair Licensor's right to remove and dispose of property in the Designated Bicycle Rack, or exercise Licensor's other rights and remedies under this License or under applicable law on account of any holdover.

- 15. No Estate Conveyed.** This License shall constitute a License only and shall not be construed under any circumstances to constitute (a) any right, title, estate or interest in the Designated Bicycle Rack (b) a landlord/tenant relationship between Licensor and Licensee, (c) a lease or a conveyance of personal or real property by Licensor to Licensee. This License grants to Licensee only a personal privilege revocable by Licensor on the terms set forth herein.

- 16. Exculpation of Licensor.** Licensee shall look solely to the estate and property of Licensor in the land and Building of which the Premises are a part, for the satisfaction of Licensee's remedies for the collection of a judgment (or other judicial process) requiring the payment of money by Licensor in the event of any default or breach by Licensor with respect to any of the terms, covenants and conditions of this License to be observed and/or performed by Licensor, and no other property or assets of Licensor or Licensor's Entities shall be subject to levy, execution or other enforcement procedure for the

- satisfaction of Licensee's remedies.
- 17. Brokerage.** Licensee represents and warrants that it has not dealt with any broker in connection with the execution of this License and agrees to indemnify and hold Licensors harmless from and against any and all liabilities from any claims of any broker (including, without limitation, the cost of attorneys' fees in connection with the defense of any such claims).
- 18. Subordination.** This License is and shall be subject and subordinate to all ground or underlying leases of the entire Building and to all mortgages, deeds of trust and similar security documents which may now or hereafter be secured upon the Building, and to all renewals, modifications, consolidations, replacements and extensions thereof. NYC Fair Chance Housing Notice: Criminal Records

As of January 1, 2025, in NYC, it is illegal for most housing providers to discriminate on the basis of a conviction history in rentals or sales, including co-ops and condos.

The protections of the NYC Fair Chance Housing Law apply to current tenants as well as applicants.

It is a violation of the Law for covered housing providers to:	
Make statements about criminal background checks or criminal records or express limitations on this basis in ads and applications	Treat applicants or tenants differently because of a conviction history except as allowed by the Fair Chance Housing Law.

Covered housing providers **may NEVER** change the terms of a sale or lease because of a conviction history. Covered housing providers **may** revoke a housing offer or decline to renew a lease **ONLY** based on limited kinds of convictions and **ONLY** when they follow the requirements of the Fair Chance Housing Law.

The NYC Fair Chance Housing Law does not require housing providers to run criminal background checks. Any housing provider can accept a renter or buyer without following the steps below. The steps below are only for covered housing providers that choose to run a background check.

If a Covered Housing Provider Chooses to Run a Criminal Background Check: You Have Rights.

Covered housing providers **must first** consider your general housing eligibility (ability to meet lease terms) AND make a conditional offer of housing. **Only after** this conditional offer is it lawful for a covered housing provider to run a criminal background check.

Before conducting a criminal background check, covered housing providers must:

- Make you a conditional offer of housing AND
- Give you a copy of this notice explaining your rights

Housing providers are also responsible for compliance with laws governing the collection and use of personal information, such as Federal and State Fair Credit Reporting Acts.

Conditional Offer of Housing

A conditional offer of housing is a **written lease, rental agreement, or agreement for a sale** that conditionally commits a unit(s) to a renter or buyer and can only be revoked in limited circumstances. Next a covered housing provider chooses either:

NOT to conduct a criminal background check	TO conduct a criminal background check
At this time, the housing provider can either finalize the offer or revoke it for a lawful, non-discriminatory purpose that is unrelated to conviction history.	It is illegal for the housing provider to seek or review your conviction history before you have a conditional offer.

Criminal Background Check

If a covered housing provider chooses to run a criminal background check after making you a conditional offer, they may only consider **very limited** categories of convictions:

- convictions that require registration on a sex offense registry at the time of the background check
- felony convictions from the last 5 years, except those below
- misdemeanor convictions from the last 3 years, except those below

The 3 or 5 years are measured from the **actual date of release OR the sentencing date** (if the sentence does not include jail or prison time), regardless of probation or parole status.

A covered housing provider can **NEVER** consider arrests or pending cases, or:

- convictions that were sealed, expunged, are under an executive pardon or certificate of relief from disabilities, or legally nullified or vacated
- convictions for violations, which are non-criminal offenses such as disorderly conduct
- convictions under federal law or another state's law for conduct related to reproductive or gender affirming care that is lawful in New York State
- convictions under federal law or another state's law for cannabis possession that does not constitute a felony in New York State
- Adjudgments in Contemplation of Dismissal (ACDs)
- adjudications as a youthful offender or for juvenile delinquency
- terminations in favor of an individual, including but not limited to, acquittals, reversals upon appeal, and exonerations)
- Dispositions of criminal matters under federal law or another state's law that are comparable to those listed here.

It is illegal for a covered housing provider to consider information in these categories. In addition, tenant screening companies may be held liable under federal fair housing laws for discriminatory decisions by housing providers.

Right to Provide Support for Your Application

After considering only reviewable convictions, a covered housing provider that wants to revoke a housing offer must **FOLLOW THE FAIR CHANCE HOUSING PROCESS** while holding a unit open. They must:

1. Give you a copy of all criminal history information they received and/or reviewed
2. Allow you 5 business days to respond by:
 - pointing out errors in the conviction history
 - identifying any information that should not have been considered (any information outside the lawfully reviewable convictions)
 - sharing information on your background, personal and professional references, and/or any information that supports your application.

You are not required to provide information to support your application at this stage. A housing provider must complete an individualized assessment even if you do not provide supporting information.

Right to an Individualized Assessment of Your Application

A covered housing provider must conduct an individualized assessment of the reviewable convictions, together with any other information that you have timely submitted.

A covered housing provider **CANNOT** revoke a conditional offer of housing after running a criminal background check except in two **limited circumstances**:

After conducting an individualized assessment if they show in writing BOTH:

- a legitimate business interest AND
- how the legitimate business interest is linked to your individual history.

If they show *new information, unrelated to criminal history*, that impacts your qualifications for tenancy and that they did not know at the time of your conditional offer.

Legitimate Business Interest

A covered housing provider's legitimate business interest must be specific and objective. Compliance with a particular lease term is a permissible legitimate business interest. Purely discriminatory motives, stigma, stereotypes, or assumptions never constitute a legitimate business interest.

A covered housing provider that shows a legitimate business interest must also **explain** the link between that interest and your particular individual history in light of the individual information you shared to justify a decision to revoke your conditional offer of housing. **The existence of a conviction alone never creates that link.**

The following are not legitimate business interests and do not establish a sufficient link to justify a housing provider's decision to revoke an offer:

- "I don't want a hot spot for law enforcement"
- "The applicant seems likely to commit another crime and I want tenant safety"
- "This is a family building"
- "We don't want bad guys hanging around"
- "My tenants don't want criminals"
- "My insurance rates will go up"
- "This will impact my property value"

Revoking a Conditional Offer of Housing

Before a covered housing provider can revoke a conditional offer because of your criminal history, the housing provider **MUST** take the following steps:

1. Do an individualized assessment of your reviewable convictions **AND** the information you provided
2. Give you copies of all documents that it received and/or reviewed
3. Give you a written statement that explains:
 - the decision to revoke based on your conviction history **AND** the link to a legitimate business interest
 - how your individual information and circumstances were taken into account

Exemptions for Housing Providers

- Housing provider-occupied properties with 2 or fewer rooms or units are not covered by the NYC Fair Chance Housing Law.
- State or federally funded housing providers, including public housing authorities that are required or authorized to take specific actions related to criminal history **CAN** take such specific actions without violating the NYC Fair Chance Housing Law.

For additional information about tenants' and buyers' rights & housing providers' responsibilities under the NYC Fair Chance Housing Law, and to see this notice in multiple languages, visit [NYC.gov/FairChanceHousing](https://www.nyc.gov/fairchancehousing).

REMINDER: All New Yorkers have a right to be free from retaliation in housing. It is illegal for housing providers in NYC to punish you or treat you negatively for telling them about your rights or for reporting discrimination or harassment.

OR TRANSMIT AN ALARM FROM THE NEAREST FIRE ALARM BOX

BASIC FIRE PREVENTION AND FIRE PREPAREDNESS MEASURES

These are fire safety tips that everybody should follow:

1. Every apartment should be equipped with at least one smoke detector. Check them periodically to make sure they work. Most smoke detectors can be tested by pressing the test button. Replace the batteries in the spring and fall when you move your clocks forward or back an hour, and whenever a smoke detector chirps to signal that its battery is low. The smoke detector should be replaced on a regular basis in accordance with the manufacturer's recommendation, but at least once every ten years.
2. Carelessly handled or discarded cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
3. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
4. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your oven is off and any coffeepot or teapot is unplugged.
5. Never overload electrical outlets. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
6. Keep all doorways and windows leading to fire escapes free of obstructions, and report to the owner any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
7. Install window gates only if it is absolutely necessary for security reasons. Install only approved window

gates. Do not install window gates with key locks. A delay in finding or using the key could cost lives. Maintain the window gate's opening device so it operates smoothly. Familiarize yourself and the members of your household with the operation of the window gate.

8. Familiarize yourself and members of your household with the location of all stairwells, fire escapes and other means of egress.
9. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
10. Exercise care in the use and placement of fresh cut decorative greens, such as Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.

BUILDING INFORMATION

Building Construction

In a fire emergency, the decision to leave or to stay in your apartment will depend in part on the type of building you are in.

Residential buildings built before 1968 are generally classified either as "fireproof" or "non-fireproof." Residential buildings built in or after 1968 are generally classified either as "combustible" or "non-combustible". The type of building construction generally depends on the size and height of the building.

A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or space in which they start and less likely to spread inside the building walls to other apartments and floors. **THIS DOES NOT MEAN THAT THE BUILDING IS IMMUNE TO FIRE.** While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke, which can travel throughout the building, especially if apartment or stairwell doors are left open.

A "combustible" or "non-fireproof" building has structural components (such as wood) that will burn if exposed to fire and can contribute to the spread of the fire. In such buildings, the fire can spread inside the building walls to other apartments and floors, in addition to the flame, heat and smoke that can be generated by the burning of the contents of the building.

Be sure to check Part I (Building Information Section) of this fire safety plan to see what type of building you are in.

Means of Egress

All residential buildings have at least one means of egress (way of exiting the building), and most have at least two. There are several different types of egress:

Interior Stairs: All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed. Unenclosed stairwells (stairs that are not separated from the hallways by walls and doors) do not prevent the spread of flame, heat and smoke. Since flame, heat and smoke generally rise, unenclosed stairwells may not ensure safe egress in the event of a fire on a lower floor. Enclosed stairs are more likely to permit safe egress from the building, if the doors are kept closed. It is important to get familiar with the means of egress available in your building.

Exterior Stairs: Some buildings provide access to the apartments by means of stairs and corridors that are outdoors. The fact that they are outdoors and do not trap heat and smoke enhances their safety in the event of a fire, provided that they are not obstructed.

Fire Tower Stairs: These are generally enclosed stairwells in a "tower" separated from the building by air shafts open to the outside. The open air shafts allow heat and smoke to escape from the building.

Fire Escapes: Many older buildings are equipped with a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes are considered a "secondary" or alternative means of egress, and are to be used if the primary means of egress (stairwells) cannot be safely used to exit the building because they are obstructed by flame, heat or smoke.

Exits: Most buildings have more than one exit. In addition to the main entrance to the building, there may be separate side exits, rear exits, basement exits, roof exits and exits to the street from stairwells. Some of these exits may have alarms. Not all of these exits may lead to the street. Roof exits may or may not allow access to adjoining buildings.

Be sure to review Part I (Building Information Section) of this fire safety plan and familiarize yourself with the different means of egress from your building.

Fire Sprinkler Systems

A fire sprinkler system is a system of pipes and sprinkler heads that when triggered by the heat of a fire automatically discharges water that extinguishes the fire. The sprinkler system will continue to discharge water until it is turned off. When a sprinkler system activates, an alarm is sounded.

Sprinkler systems are very effective at preventing fire from spreading beyond the room in which it starts. However, the fire may still generate smoke, which can travel throughout the building.

Residential buildings are generally not required to have fire sprinkler systems. Some residential buildings are equipped with sprinkler systems, but only in compactor chutes and rooms or boiler rooms. All apartment buildings constructed or substantially renovated after March 1999 will be required by law to be equipped with fire sprinkler systems throughout the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with fire sprinkler systems.

Interior Fire Alarm Systems

Although generally not required, some residential buildings are equipped with interior fire alarm systems that are designed to warn building occupants of a fire in the building. Interior fire alarm systems generally consist of a panel located in a lobby or basement, with manual pull stations located near the main entrance and by each stairwell door. Interior fire alarm systems are usually manually-activated (must be pulled by hand) and do not automatically transmit a signal to the Fire Department, so a telephone call must still be made to 911 or the Fire Department dispatcher. Do not assume that the Fire Department has been notified because you hear a fire alarm or smoke detector sounding in the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with an interior fire alarm system and whether the alarm is transmitted to the Fire Department, and familiarize yourself with the location of the manual pull stations and how to activate them in the event of a fire.

Public Address Systems

Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually in the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with a public address system.

EMERGENCY FIRE SAFETY AND EVACUATION INSTRUCTIONS

IN THE EVENT OF A FIRE, FOLLOW THE DIRECTIONS OF FIRE DEPARTMENT PERSONNEL. HOWEVER, THERE MAY BE EMERGENCY SITUATIONS IN WHICH YOU MAY BE REQUIRED TO DECIDE ON A COURSE OF ACTION TO PROTECT YOURSELF AND THE OTHER MEMBERS OF YOUR HOUSEHOLD.

THIS FIRE SAFETY PLAN IS INTENDED TO ASSIST YOU IN SELECTING THE SAFEST COURSE OF ACTION IN SUCH AN EMERGENCY. PLEASE NOTE THAT NO FIRE SAFETY PLAN CAN ACCOUNT FOR ALL OF THE POSSIBLE FACTORS AND CHANGING CONDITIONS; YOU WILL HAVE TO DECIDE FOR YOURSELF WHAT IS THE SAFEST COURSE OF ACTION UNDER THE CIRCUMSTANCES.

General Emergency Fire Safety Instructions

1. Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
2. Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater risk to your safety than a fire on a floor above your apartment.
3. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
4. If you decide to exit the building during a fire, close all doors as you exit to confine the fire never use the elevator. It could stop between floors or take you to where the fire is.
5. Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl. Take short breaths, breathing through your nose.
6. If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

Evacuation Instructions If The Fire Is In Your Apartment

(All Types of Building Construction)

1. Close the door to the room where the fire is, and leave the apartment.
2. Make sure EVERYONE leaves the apartment with you.
3. Take your keys.
4. Close, but do not lock, the apartment door.
5. Alert people on your floor by knocking on their doors on your way to the exit.
6. Use the nearest stairwell to exit the building.
7. DO NOT USE THE ELEVATOR.
8. Call 911 once you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
9. Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

Evacuation Instructions if The Fire Is Not In Your Apartment

"NON-COMBUSTIBLE" OR "FIREPROOF" BUILDINGS:

1. Stay inside your apartment and listen for instructions from firefighters unless conditions become dangerous.
2. If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
3. If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
4. If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
5. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
6. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
7. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
8. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

"COMBUSTIBLE" OR "NON-FIREPROOF" BUILDINGS:

1. Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
2. Exit your apartment and building if you can safely do so, following the instructions above for a fire in your apartment.
3. If the hallway or stairwell is not safe because of smoke, heat or fire and you have access to a fire escape, use it to exit the building. Proceed cautiously on the fire escape and always carry or hold onto small children.
4. If you cannot use the stairs or fire escape, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
 - A. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
 - B. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
 - C. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
 - D. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

Guarantor further agrees that its liability under this Guaranty shall be primary and that in any right of action which may accrue to Owner under the Lease, Owner may, at its option, proceed against Guarantor and Tenant, or may proceed against either Guarantor or Tenant without having commenced any action against or having obtained any judgment against Tenant or Guarantor.

LEASE/COMMENCEMENT OF OCCUPANCY NOTICE FOR INDOOR ALLERGEN HAZARDS

1. The owner of this building is required, under New York City Administrative Code section 27- 2017.1 et seq., to make an annual inspection for indoor allergen hazards (such as mold, mice, rats, and cockroaches) in your apartment and the common areas of the building. The owner must also inspect if you inform him or her that there is a condition in your apartment that is likely to cause an indoor allergen hazard, or you request an inspection, or the Department has issued a violation requiring correction of an indoor allergen hazard for your apartment. If there is an indoor allergen hazard in your apartment, the owner is required to fix it, using the safe work practices that are provided in the law. The owner must also provide new tenants with a pamphlet containing information about indoor allergen hazards.
2. The owner of this building is also required, prior to your occupancy as a new tenant, to fix all visible mold and pest infestations in the apartment, as well as any underlying defects, like leaks, using the safe work practices provided in the law. If the owner provides carpeting or furniture, he or she must thoroughly clean and vacuum it prior to occupancy. This notice must be signed by the owner or his or her representative, and state that he or she has complied with these requirements.

I, **19 Rockwell Place LLC** (owner or representative name in print), certify that I have complied with the requirements of the New York City Administrative Code section 27- 2017.5 by removing all visible mold and pest infestations and any underlying defects, and where applicable, cleaning and vacuuming any carpeting and furniture that I have provided to the tenant. I have performed the required work using the safe work practices provided in the law.

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for **indoor allergen hazards**.

New York State Disclosure Form for Landlord and Tenant

THIS IS NOT A CONTRACT

New York State law requires real estate licensees who are acting as agents of landlords and tenants of real property to advise the potential landlords and tenants with whom they work of the nature of their agency relationship and the rights and obligations it creates. This disclosure will help you to make informed choices about your relationship with the real estate broker and its sales agents.

Throughout the transaction you may receive more than one disclosure form. The law may require each agent assisting in the transaction to present you with this disclosure form. A real estate agent is a person qualified to advise about real estate.

If you need legal, tax or other advice, consult with a professional in that field.

Disclosure Regarding Real Estate Agency Relationships

Landlord's Agent

A landlord's agent is an agent who is engaged by a landlord to represent the landlord's interest. The landlord's agent does this by securing a tenant for the landlord's apartment or house at a rent and on terms acceptable to the landlord. A landlord's agent has, without limitation, the following fiduciary duties to the landlord: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A landlord's agent does not represent the interests of the tenant. The obligations of a landlord's agent are also subject to any specific provisions set forth in an agreement between the agent and the landlord. In dealings with the tenant, a landlord's agent should (a) exercise reasonable skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the value or desirability of property, except as otherwise provided by law.

Tenant's Agent

A tenant's agent is an agent who is engaged by a tenant to represent the tenant's interest. The tenant's agent does this by negotiating the rental or lease of an apartment or house at a rent and on terms acceptable to the tenant. A tenant's agent has, without limitation, the following fiduciary duties to the tenant: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A tenant's agent does not represent the interest of the landlord. The obligations of a tenant's agent are also subject to any specific provisions set forth in an agreement between the agent and the tenant. In dealings with the landlord, a tenant's agent should (a) exercise reasonable

skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the tenant's ability and/or willingness to perform a contract to rent or lease landlord's property that are not consistent with the agent's fiduciary duties to the tenant.

Broker's Agents

A broker's agent is an agent that cooperates or is engaged by a listing agent or a tenant's agent (but does not work for the same firm as the listing agent or tenant's agent) to assist the listing agent or tenant's agent in locating a property to rent or lease for the listing agent's landlord or the tenant agent's tenant. The broker's agent does not have a direct relationship with the tenant or landlord and the tenant or landlord cannot provide instructions or direction directly to the broker's agent. The tenant and the landlord therefore do not have vicarious liability for the acts of the broker's agent. The listing agent or tenant's agent do provide direction and instruction to the broker's agent and therefore the listing agent or tenant's agent will have liability for the acts of the broker's agent.

Dual Agent

A real estate broker may represent both the tenant and the landlord if both the tenant and landlord give their informed consent in writing. In such a dual agency situation, the agent will not be able to provide the full range of fiduciary duties to the landlord and the tenant. The obligations of an agent are also subject to any specific provisions set forth in an agreement between the agent, and the tenant and landlord. An agent acting as a dual agent must explain carefully to both the landlord and tenant that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the landlord and tenant are giving up their right to undivided loyalty. A landlord and tenant should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation. A landlord or tenant may provide advance informed consent to dual agency by indicating the same on this form.

Dual Agent with Designated Sales Agents

If the tenant and the landlord provide their informed consent in writing, the principals and the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the tenant and another sales agent to represent the landlord. A sales agent works under the supervision of the real estate broker. With the informed consent in writing of the tenant and the landlord, the designated sales agent for the tenant will function as the

New York State Disclosure Form for Landlord and Tenant

tenant's agent representing the interests of and advocating on behalf of the tenant and the designated sales agent for the landlord will function as the landlord's agent representing the interests of and advocating on behalf of the landlord in the negotiations between the tenant and the landlord. A designated sales agent cannot provide the full range of fiduciary duties to the landlord or tenant. The designated sales agent must explain that like the dual agent under

whose supervision they function, they cannot provide undivided loyalty. A landlord or tenant should carefully consider the possible consequences of a dual agency relationship with designated sales agents before agreeing to such representation. A landlord or tenant may provide advance informed consent to dual agency with designated sales agents by indicating the same on this form.

(A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or(b) 10 percent.)**

4. **IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW, KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE SERVES TO INFORM A TENANT THAT THE LANDLORD IS NOT RENEWING A LEASE, WHAT IS THE GOOD CAUSE FOR NOT RENEWING THE LEASE? (PLEASE MARK ALL APPLICABLE REASONS)**
- A. ☐ This unit is exempt from Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law, for the reasons stated in response to question 2, above (IF THIS ANSWER IS CHECKED, NO OTHER

ANSWERS TO THIS QUESTION SHOULD BE CHECKED):

- B.** ☐ The tenant is receiving this notice in connection with a first lease or a renewal lease, so the landlord does not need to check any of the lawful reasons listed below for not renewing a lease under Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED):
- C.** ☐ The landlord is not renewing the lease because the unit is sublet and the sublessor seeks in good faith to recover possession of the unit for their own personal use and occupancy (exemption under subdivision 3 of section 214 of the Real Property Law):
- D.** ☐ The landlord is not renewing the lease because the possession, use or occupancy of the unit is solely incident to employment and the employment is being or has been lawfully terminated (exemption under subdivision 4 of section 214 of the Real Property Law):
- E.** ☐ The landlord is not renewing the lease because the tenant has failed to pay rent due and owing, and the rent due or owing, or any part there- of, did not result from a rent increase which is unreasonable. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent (good cause for eviction under paragraph a of subdivision 1 of section 216 of the Real Property Law):
- F.** ☐ The landlord is not renewing the lease because the tenant is violating a substantial obligation of their tenancy or breaching any of the landlord's rules and regulations governing the premises, other than the obligation to surrender possession of the premises, and the tenant has failed to cure the violation after written notice that the violation must cease within 10 days of receipt of the written notice. For this good cause to apply, the obligation the tenant violated cannot be an obligation that was imposed for the purpose of circumventing the intent of Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law. The landlord's rules or regulations that the tenant has violated also must be reasonable and have been accepted in writing by the tenant or made a part of the lease at the beginning of the lease term (good cause for eviction under paragraph b of subdivision 1 of section 216 of the Real Property Law):
- G.** ☐ The landlord is not renewing the lease because the tenant is either (a) committing or permitting a nuisance on the unit or the premises; (b) maliciously or grossly negligently causing substantial damage to the unit or the premises; (c) interfering with the landlord's, another tenant's, or occupants of the same or an adjacent building or structure's comfort and safety (good cause for eviction under paragraph c of subdivision 1 of section 216 of the Real Property Law):
- H.** ☐ The landlord is not renewing the lease because the tenant's occupancy of the unit violates law and the landlord is subject to civil or criminal penalties for continuing to let the tenant occupy the unit. For this good cause to apply, a state or municipal agency having jurisdiction must have issued an order requiring the tenant to vacate the unit. No tenant shall be removed from possession of a unit on this basis unless the court finds that the cure of the violation of law requires the removal of the tenant and that the landlord did not, through neglect or deliberate action or failure to act, create the condition necessitating the vacate order. If the landlord does not try to cure the conditions causing the violation of the law, the tenant has the right to pay or secure payment, in a manner satisfactory to the court, to cure the violation. Any tenant expenditures to cure the violation shall be applied against rent owed to the landlord. Even if removal of a tenant is absolutely essential to the tenant's health and safety, the tenant shall be entitled to resume possession at such time as the dangerous conditions have been removed. The tenant also retains the right to bring an action for monetary damages against the landlord or to otherwise compel the landlord to comply with all applicable state or municipal housing codes (good cause for eviction under paragraph d of subdivision 1 of section 216 of the Real Property Law):
- I.** ☐ The landlord is not renewing the lease because the tenant is using or permitting the unit or premises to be used for an illegal purpose (good cause for eviction under paragraph e of subdivision 1 of section 216 of the Real Property Law):
- J.** ☐ The landlord is not renewing the lease because the tenant has unreasonably refused the landlord access to the unit for the purposes of making necessary repairs or improvements required by law or for the purposes of showing the premises to a prospective purchaser, mortgagee, or other person with a legitimate interest in the premises (good cause for eviction under paragraph f of subdivision 1 of section 216 of the Real Property Law):
- K.** ☐ The landlord is not renewing the lease because the landlord seeks in good faith to recover possession of the unit for the landlord's personal use and occupancy as the landlord's principal residence, or for the personal use and occupancy as a principal residence by the landlord's spouse, domestic partner, child, stepchild, parent, step-parent, sibling,

grandparent, grandchild, parent-in-law, or sibling-in-law. The landlord can only recover the unit for these purposes if there is no other suitable housing accommodation in the building that is available. Under no circumstances can the landlord recover the unit for these purposes if the tenant is (a) 65 years old or older; or (b) a "disabled person" as defined in subdivision 6 of section 211 of the Real Property Law. To establish this good cause in an eviction proceeding, the landlord must establish good faith to recover possession of a housing accommodation for the uses described herein by clear and convincing evidence(good cause for eviction under paragraph g of subdivision 1 of section 216 of the Real Property Law);

- L. ☐ The landlord is not renewing the lease because the landlord in good faith seeks to demolish the housing accommodation. To establish this good cause in an eviction proceeding, the landlord must establish good faith to demolish the housing accommodation by clear and convincing evidence (good cause for eviction under paragraph h of subdivision 1 of section 216 of the Real Property Law):
- M. ☐ The landlord is not renewing the lease because the landlord seeks in good faith to withdraw the unit from the housing rental market. To establish this good cause in an eviction proceeding, the landlord must establish good faith to withdraw the unit from the rental housing market by clear and convincing evidence (good cause for eviction under paragraph i of subdivision 1 of section 216 of the Real Property Law):
- N. ☐ The landlord is not renewing the lease because the tenant has failed to agree to reasonable changes at lease renewal, including reasonable increases in rent, and the landlord gave written notice of the changes to the lease to the tenant at least 30 days, but no more than 90 days, before the current lease expired. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published by August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent(good cause for eviction under paragraph j of subdivision 1 of section 216 of the Real Property Law):

Section 12-12.1 of Chapter 12 of Title 28 of the Rules of the City of New York describes conditions under which a combined notice may be used, combining notice of suspected gas leak procedures with notice for smoke detectors and carbon monoxide detectors. A sample of a combined notice is below:

NOTICE FOR SUSPECTED GAS LEAKS, SMOKE DETECTING DEVICES, AND CARBON MONOXIDE ALARMS

The law requires the owner of the premises to notify tenants regarding the following:

Suspected Gas Leak Procedure: When a tenant suspects that a gas leak has occurred, the tenant should take the following actions:

1. Quickly open nearby doors and windows and then leave the building immediately; do not attempt to locate the leak. Do not turn on or off any electrical appliances, do not smoke or light matches or lighters, and do not use a house-phone or cell-phone within the building;
2. After leaving the building, from a safe distance away from the building, call 911 immediately to report the suspected gas leak;
3. After calling 911, call the gas service provider for this building as follows:

Provider _____ Number _____

Smoke Detectors: The law requires the owner of the premises to provide and install one or more approved and operational smoke detectors in each apartment and to periodically replace such devices upon the expiration of their useful life in accordance with article 312 of chapter 3 of title 28 of the New York City Administrative Code. The tenant of each apartment is responsible for the maintenance and repair of the detectors installed in the apartment and for replacing any or all detectors which are stolen, removed, missing or become inoperable during the occupancy of the apartment with a device meeting the requirements of article 312 of chapter 3 of title 28 of the Administrative Code, unless a detector becomes inoperable within one year of being installed due to a manufacturing defect. The tenant of each apartment in this building in which a battery-operated smoke detector is provided and installed shall pay the owner a maximum of twenty-five dollars or a maximum of fifty dollars where a combined smoke and carbon monoxide detecting device is installed for the cost of providing and installing each detector. The tenant has one (1) year from the date of installation to make such payment to the owner.

Carbon Monoxide Detectors: The law requires the owner of the premises to provide a carbon monoxide alarm in each apartment in this building. The carbon monoxide alarm must be placed within 15 feet of the primary entrance to each sleeping room, must be equipped with an end of life alarm, and must be periodically replaced by the owner as necessary when the suggested useful life of the alarm expires. Tenants are responsible for the maintenance and repair of the alarms installed in the apartment and for replacing any or all alarms that are stolen, removed, missing, or become inoperable during the occupancy of the apartment, unless an alarm becomes inoperable within one year of being installed due to a manufacturing defect. The occupant of each apartment in which a carbon monoxide alarm is provided and installed must pay the owner **\$0.00** per alarm, or a maximum of **\$0.00** per device where a combined smoke and carbon monoxide detecting device is installed. This fee covers the cost of the work for the initial installation and each periodic replacement. The occupant has one year from the date of installation to pay the owner.

NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

*To request a reasonable accommodation, you should contact your property manager by calling **718-243-2889**, or by e-mailing office@plazaus.com*. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.*

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:+

Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out);

Changes to your housing provider's rules, policies, practices, or services;

Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.

If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.

If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.

If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of a waiting list if no adjacent spot is available.

If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

Public and common areas must be readily accessible to and usable by persons with disabilities;

All doors must be sufficiently wide to allow passage by persons in wheelchairs; and

All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website.

POLICY ON SMOKING FOR RESIDENTIAL BUILDING

Building/Property Address: **19 Rockwell Pl, 24F, Brooklyn, NY 11217**

There is no safe amount of exposure to secondhand smoke. Adults exposed to secondhand smoke have higher risks of stroke, heart disease and lung cancer. Children exposed to secondhand smoke have higher risks of asthma attacks, respiratory illnesses, middle ear disease and sudden infant death syndrome (SIDS). For these reasons, and to help people make informed decisions on where to live, New York City requires residential building owners (referred to in this policy as the "Owner/Manager," which includes the owner of record, seller, manager, landlord, any agent thereof or governing body) in buildings with three or more residential units to create a policy on smoking and share it with all tenants. The building policy on smoking applies to any person on the property, including guests.

I. Definitions

- a. **Smoking:** inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non- tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke
- b. **Electronic Cigarette** (e-cigarette): a battery-operated device that heats a liquid, gel, herb or other substance and produces vapor for people to inhale

II. Smoke-Free Air Act

New York City law prohibits smoking and using e-cigarettes of any kind in indoor common areas, including but not limited to, lobbies, hallways, stairwells, mailrooms, fitness areas, storage areas, garages and laundry rooms in any building with three or more residential units. NYC Admin. Code, § 17-505.

III. Policy on Smoking

Smoking is not allowed in the locations checked below (check all boxes that apply). Even if no boxes are checked, the Smoke-Free Air Act bans smoking tobacco or non-tobacco products, and using e-cigarettes in indoor common areas.

- ☐ Inside of residential units*
- ☐ Outside of areas that are part of residential units, including balconies, patios and porches
- ☐ Outdoor common areas, including play areas, rooftops, pool areas, parking areas, and shared balconies, courtyards, patios, porches or yards
- ☐ Outdoors within 15 feet of entrances, exits, windows, and air intake units on property grounds
- ☐ Other areas/exceptions:

* Rent-stabilized and rent-controlled units may be exempt from a policy restricting smoking inside residential units unless the existing tenant consents to the policy in writing.

IV. Complaint Procedure

- a. Complaints about smoke drifting into a residential unit or common area should be made promptly to the Owner/Manager listed here: _____
 - b. Complaints should be made in writing and should be as specific as possible, including the date, approximate time, location where smoke was observed, building address, description of incident and apparent source of smoke.
-

Acknowledgment and Signatures:

I have read the policy on smoking described above, and I understand the policy applies to the property. I agree to comply with the policy described above.

For rental units, I understand that violating the smoking policy may be a violation of my lease. For condominiums, cooperatives or other owned units, I understand that violations of the policy on smoking may be addressed according to the building's governing rules.

elapsed.

8. On the Termination Date, Tenant shall remove all property from the DSL and shall return the DSL to Landlord free of all property, broom clean, and in the same condition as it was on the date of commencement of this Agreement, reasonable wear and tear excepted. Any property not removed from the DSL by Tenant on the Termination Date shall be deemed abandoned and may be removed and disposed of by the Landlord at Tenant's sole cost and expense with no liability to Tenant or others. Landlord may affix an additional lock and hasp on the door of the DSL, thereby overriding Tenant's lock, and/or remove Tenant's lock on the door of the DSL and replace such lock with a lock belonging to Landlord, at Tenant's sole cost and expense. Any expenses incurred by Landlord for replacement of locks, removal or storage of Tenant's property, or repair of the DSL or Storage Area shall be charged to Tenant and shall be payable as additional rent pursuant to the terms of the Lease. Any attorney's fees and disbursements incurred as a result of legal action taken by Landlord or its agents to enforce this Agreement shall be charged to Tenant, and shall be payable as additional rent pursuant to the terms of the Lease.
9. Landlord and Tenant agree that no bailment relationship exists between them or is established by this Agreement, only a "Landlord-Tenant" relationship regarding the DSL and the Storage Area. Landlord is not and shall not become a "bailee". Tenant acknowledges that Landlord is not engaged in the business of storing property for hire and that Landlord has not issued and will not issue any warehouse receipt, bill of lading or other document of title for property stored in the DSL.
10. Tenant acknowledges that Landlord has no obligation to and in fact will not procure or provide insurance protection for the property Tenant stores in the DSL. Tenant agrees to procure and maintain his or her own insurance to protect the property stored in the DSL.
11. Neither Landlord nor their respective agents or employees shall be liable for any theft or damage to any property stored in the Storage Areas and/or the DSL. Landlord does not have and shall not be deemed to have custody, care and/or control of the contents of the DSL. Tenant's use of the DSL is at Tenant's own risk. Landlord shall not be liable for any loss, cost, expense or damage to any person or property of the Tenant arising out of Tenant's use of the DSL or the Storage Area, and under no circumstances shall Landlord be liable to Tenant or any others for any damage by reason of any cause whatsoever relating to the DSL or Tenant's property stored there. Tenant agrees that it is Tenant's responsibility to use his or her own lock to safeguard his or her stored goods, and that Tenant will at all times keep the DSL locked. Failure to keep the DSL locked at all times shall constitute a material breach of this Agreement.
12. Nothing contained herein shall be construed as limiting the rights and obligations of the parties under the Building Rules or the terms of the Lease. Any conflict between the provisions of this Agreement and the Lease shall be resolved in favor of the Lease.
13. If Tenant defaults in its obligations hereunder or under the terms of the Lease, Landlord may, in addition to the rights and remedies set forth in the Lease, (i) deny access to and use of the DSL until Tenant cures such default, (ii) terminate this Agreement upon written Notice to Tenant and/or (iii) take actions to cure any defaults and/or effects thereof as determined by Landlord in its sole discretion.
14. Landlord or its agents shall have the right (but not the obligation) to open the DSL in an emergency at any time, and, at other reasonable times upon prior notice to Tenant, to inspect and examine the DSL and to make such repairs, replacements and improvements as Landlord or its agents shall deem necessary.
15. This Agreement shall constitute a license only and shall not be construed under any circumstances to be a sale of DSL or conveyance of title thereto.
16. Tenant shall indemnify and hold the Landlord to their respective officers, Agents and employees, harmless from and against any and all liabilities, claims, penalties and judgments, together with any related costs and expenses including reasonable legal fees, asserted against or sustained by any of them in connection with the use of the DSL by Tenant or Tenant's family, servants, employees, agents, guests and invitees.
17. Tenant shall be obligated to reimburse Landlord for any legal fees and disbursements incurred by Landlord in defending the rights of the Landlord under this Agreement or, in the event Tenant defaults under this Agreement beyond any applicable grace period, enforcing Tenant's obligations hereunder.
18. Neither this Agreement nor any provision hereof may be waived, amended, discharged or terminated except by an instrument in writing signed by the Party against which the enforcement of such waiver, amendment, discharge or termination is sought and then only to the extent set forth in such instrument.
19. It is understood and agreed that all understandings and agreements heretofore had between the parties hereto are merged in this Agreement, which alone fully and completely express their agreement and that this Agreement supersedes any and all such understandings and agreements with respect to the subject matter hereof.
20. If any provision of this Agreement is invalid or unenforceable as against any party or under certain circumstance, the

remainder of this Agreement and the applicability of such provision to other parties or circumstances shall not be affected thereby. Each provision of this Agreement, except as otherwise herein or therein provided, shall be valid and enforced to the fullest extent permitted by Law.

- 21. Either party shall execute, acknowledge and deliver to the other party such instruments and take such actions in addition to the instruments and actions specifically provided for herein, as such other party may reasonably request in order to effectuate the provisions of this Agreement or of any transaction contemplated herein or to confirm or perfect any right to be created or transferred hereunder or pursuant to any such transaction.
- 22. Any failure by the Landlord to insist upon strict performance by Tenant of any of the provisions hereof, irrespective of the number of violations or breaches which may occur, and Landlord, notwithstanding any such failure, shall have the rights thereafter to insist upon strict performance by the Tenant of any and all of the provisions of this Agreement to be performed by Tenant.
- 23. Landlord reserves the right to limit hours of access to DSL area. Landlord's obligation under this Agreement shall be limited to providing the DSL and access thereto during such reasonable posted hours as Landlord shall from time to time establish, and Landlord shall not be required to furnish any guard, security or other services under this Agreement or otherwise.

Tenants and residents use of the DSL and/or Storage Area at their own risk. 840 Fulton, LLC assumes NO responsibility for lost, stolen or damaged personal items stored in the storage rooms.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the day and year fire above written.

ADDITIONAL CLAUSES ATTACHED TO AND FORMING A PART OF THE LEASE DATED APRIL 27, 2026 BETWEEN 19 ROCKWELL PLACE LLC (LANDLORD) AND IAN JOHN VAN DER WERFF (TENANT) REGARDING APARTMENT 24F IN THE PREMISES LOCATED AT 19 ROCKWELL PL, BROOKLYN, NY 11217. IN THE EVENT OF ANY INCONSISTENCY BETWEEN THE PROVISIONS OF THIS RIDER AND THE PROVISIONS OF THE LEASE TO WHICH THIS RIDER IS ANNEXED, THE PROVISIONS OF THIS RIDER SHALL GOVERN AND BE BINDING. THE PROVISIONS OF THIS RIDER SHALL BE CONSTRUED TO BE IN ADDITION TO AND NOT LIMITATION OF THE RIGHTS OF THE OWNER AND THE OBLIGATIONS OF THE TENANT.

SUBMETERING RIDER TO LEASE

Supplementing Section 13 of the Lease:

1. You acknowledge that while Consolidated Edison Company of New York (ConEd), or another local utility company, will be the provider of electricity for air conditioning and heating to the Building and that Owner will be paying the charges for such electricity directly to this entity (or its successor). You will be required to pay Owner for the use of electricity for the air conditioning and heating at the Apartment on the basis of a separate (submetered) charge that will be billed to You by Owner (or its agent) on a monthly basis. The charges to You for electricity for air conditioning and heating are due without offset or abatement on the first day of each and every month for which a bill is rendered. In the event of non-payment of electric charges, the Owner shall afford You all notices and protections available to You pursuant to the Home Energy Fair Practices Act (HEFPA) before any action(s) based on such non-payment, including termination of service, is commenced.
2. The rate calculation to be used is the Consolidated Edison Service Classification EL1 for direct metered service. Specifically a tenant's kilowatt hour (kWh) usage will be multiplied by the Consolidated Edison Service Classification EL1 rate for a billing period, then sales tax (currently 4.5%) will be added to arrive at the total tenant cost.

The Consolidated Edison Service Classification EL1 rate is a combination of various items, including:

Basic Charge: This is a charge for basic system infrastructure and customer-related services, including customer accounting, meter reading, and meter maintenance.

kWh Cost: This energy charge is broken down into four separate components- market supply, monthly adjustment, delivery (transmission and distribution).

Systems Benefit Charge (SBC)/Renewable Portfolio Standard (RPS): This is an additional charge per kWh.

Fuel Adjustment: The sum of Market Supply Charge (MSC) and Monthly Adjustment Charge (MAC) adjustment factors.

Utility Tax: The sum of Commodity Gross Receipt Tax and Full Service Gross Receipt Tax.

Sales Tax: The current NYS sales tax.

The following is an example of the formula that will be used to derive a tenant's electricity charges based on the current Consolidated Edison Service Classification EL1 rate and a monthly use of 250 kWh:

		Total
Basic Charge		\$YY.YY
kWh	XXXXX times 250	\$YY.YY
Systems Benefit Charge	XXXXX times 250	\$Y.YY
Fuel Adjustment Charge	XXXXX times 250	\$Y.YY
	Subtotal	\$YY.YY
Utility Tax	XXXXX times Subtotal YY.YY	\$Y.YY
	Subtotal	\$YY.YY
Sales Tax	YY.YY times 0.045000	\$T.TT
	YY.YY plus T.TT	\$ZZ.ZZ
Tenant Cost		\$ZZ.ZZ

In no event will the total monthly rates (including a monthly administrative charge) exceed the utility's tariff residential rate for direct metered service to such residents (see 16 NYCRR § 96.2 [b] [3]).

All Con Edison rates by classification are available on its website (www.coned.com) under Rates and Tariffs. The electric Rates and Tariffs are listed under the heading "PSC No. 9"- Electric: Full Service.

3. Owner may hire an outside electric billing company to read the meters monthly or may read the meters on its own and process a bill based on the actual consumption of each tenant. The meter reading data and billing calculations will be documented and maintained for a six (6) year period for each unit.

4. When a Tenant has a question about electric bill or believes the electric bill is inaccurate, the following protocol will be followed: Tenant should submit the complaint to the property manager of the Building, including the action or relief requested and/or the reason for a complaint about a submetering charge. The property manager shall investigate and respond to the complaint in writing with fifteen (15) days of the receipt of the complaint. If the Tenant is dissatisfied with the property manager's response, he or she may request a review of the outcome by filing a written protest with a supervisor of the property manager within fifteen (15) days from the date of the response from the property manager. If the Tenant and the property manager cannot reach an equitable agreement within fifteen (15) days of the Tenant's filing of this protest and Tenant continues to believe the complaint has not been adequately addressed, then the Tenant may file a complaint with the Public Service Commission (PSC) through the Department of Public Service. Alternatively, Tenants may contact the Department of Public Service at any time concerning submetered service in writing at New York State Department of Public Service, 3 Empire State Plaza, Albany, New York 12223, by telephone at 1-800-342-3377, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.state.ny.us.
5. You will be afforded rights and protections available to residential energy consumers in New York State under HEFPA, including the ability to file a complaint with the PSC. The nearest office of the PSC is at: NYS Public Service Commission, 90 Church Street, New York, New York 10007, 212-417-2234, 800-342-3377, www.dps.state.ny.us. You may contact the PSC at any time if you are dissatisfied regarding management's response to your complaint or at any time regarding submetered service.
6. You may request balanced billing for your electric charges. Balanced billing divides the electric costs into equal monthly payments. Periodically, the balanced billing amounts will be reviewed and adjusted as necessary. At the end of one year, you shall be responsible to pay for any electric costs in excess of the balanced billing amount paid, or you will be entitled to a credit for any electric costs less than the balanced billing amount paid.
7. If you have difficulty paying the electric bill, you may contact the management company for the Building by telephone or by letter in order to arrange for a deferred payment agreement, whereby you may be able to pay the balance owed over a period of time. If you can show financial need, the management company for the Building can work with you to determine the length of the agreement and the amount of each monthly payment.
8. Regardless of your payment history, the management company for the Building will continue electric service if your health or safety is threatened. When you become aware of such hardship, the management company for the Building can refer you to the Department of Social Services. Please notify the management company for the Building if the following conditions exist:
 - (a) **Medical Emergencies:** You must provide a medical certificate from a doctor or local board of health; or
 - (b) **Life Support Equipment:** If you have life support equipment and a medical certificate.
9. Special protections may be available if you and/or those living with you are age eighteen (18) or younger or sixty-two (62) or older, blind, or disabled.
10. If you are age sixty-two (62) or older, you may be eligible for quarterly billing for your electrical charges.
11. You can designate a third party as an additional contact to receive notices of past due balances for your electrical charges.
12. As a residential customer for electricity, you also have certain additional rights assured by HEFPA.
13. You agree that at all times the use of electricity in the Apartment shall never exceed the capacity of existing feeders to the Building or the risers, wiring or electrical installations serving the Apartment. You shall not make any alterations, modifications or additions to the electrical installations serving the Apartment.
14. Owner shall have the right to suspend electric service to the Apartment when necessary by reason of accident or for repairs, alterations, replacements or improvements necessary or desirable in Owner's judgment for as long as may be reasonably required by reason thereof and Owner shall not incur any liability for any damage or loss sustained by you or any other occupant of the Apartment as a result of such suspension. Owner shall not in any way be liable or responsible to you or any other occupant for any loss, damage, cost or expense that you or any occupant of the Apartment may incur if either the quantity or character of electric service is changed or is no longer available or suitable for your requirements or if the supply or availability of electricity is limited, reduced, interrupted, or suspended by the public utility company serving the Building or for any reason or circumstances beyond the control of Owner. Except as may be provided by applicable law, you shall not be entitled to any rent reduction because of a stoppage, modification, interruption, suspension, limitation, or reduction of electric service to the Apartment.

15. If Owner (or its agent) fails to deliver a bill to you for the use of electricity at the Apartment for any given month, then such failure shall not prejudice or impair Owner's right to subsequently deliver or cause its agent to deliver such a bill to you, nor shall any such failure relieve or excuse you from having to pay such bill except as may otherwise be provided by applicable law.
