5. IF YOU ARE UNABLE TO MOVE IN

A situation could arise which might prevent Owner from letting You move into the Apartment on the beginning date set in this Lease. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Your damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when You can move in, and the ending date in Article 2 will be changed to a date reflecting the full term of years set forth in Article 2. You will not have to pay rent until the move-in date Owner gives You by written notice, or the date You move in, whichever is earlier. If Owner does not give You notice that the move-in date is within 30 days after the beginning date of the term of this Lease as stated in Article 2, You may tell Owner in writing, that Owner has 15 additional days to let You move in, or else the Lease will end. If Owner does not allow You to move in within those additional 15 days, then the Lease is ended. Any money paid by You on account of this Lease will then be refunded promptly by Owner.

6. CAPTIONS

In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

7. WARRANTY OF HABITABILITY

A. All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law in the form it may have from time to time during this Lease. Nothing in this Lease can be interpreted to mean that You have given up any of your rights under that law. Under that law, Owner agrees that the Apartment and the Building are fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.

B. You will do nothing to interfere or make more difficult Owner's efforts to provide You and all other occupants of the Building with the required facilities and services. Any condition caused by your misconduct or the misconduct of anyone under your direction or control shall not be a breach by Owner.

8. CARE OF YOUR APARTMENT-END OF LEASE-MOVING OUT

A. You will take good care of the apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. You will move out on or before the ending date of this lease and leave the Apartment in good order and in the same condition as it was when You first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty.

B. When this Lease ends, You must remove all of your movable property. You must also remove at your own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment You may have installed in the Apartment, even if it was done with Owner's consent. You must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. You have not moved out until all persons, furniture and other property of yours is also out of the Apartment. If your property remains in the Apartment after the Lease ends, Owner may either treat You as still in occupancy and charge You for use, or may consider that You have given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at your expense. You agree to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.

9. CHANGES AND ALTERATIONS TO APARTMENT

You cannot build in, add to, change or alter, the Apartment in any way, including wallpapering, painting, repainting, or other decorating, without getting Owner's written consent before You do anything. Without Owner's prior written consent, You cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, You cannot place in the Apartment water-filled furniture.

10. YOUR DUTY TO OBEY AND COMPLY WITH LAWS, REGULATIONS AND LEASE RULES

A. **Government Laws and Orders.** You will obey and comply (1) with all present and future city, state and federal laws and regulations, which affect the Building or the Apartment, and (2) with all orders and regulations of Insurance Rating Organizations which affect the Apartment and the Building. You will not allow any windows in the Apartment to be cleaned from the outside, unless the equipment and safety devices required by law are used.

B. **Owner's Rules Affecting You.** You will obey all Owner's rules listed in this Lease and all future reasonable rules of Owner or Owner's agent. Notice of all additional rules shall be delivered to You in writing or posted in the lobby or other public place in the building. Owner shall not be responsible to You for not enforcing any rules, regulations or provisions of another tenant's lease except to the extent required by law.

C. **Your Responsibility.** You are responsible for the behavior of yourself, of your immediate family, your servants and people who are visiting You. You will reimburse Owner as additional rent upon demand for the cost of all losses, damages, fines and reasonable legal expenses incurred by Owner because You, members of your immediate family, servants or people visiting You have not obeyed government laws and orders or the agreements or rules of this Lease.

11. OBJECTIONABLE CONDUCT

As a tenant in the Building, You will not engage in objectionable conduct. Objectionable conduct means behavior which makes or will make the Apartment or the Building less fit to live in for You or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their Apartments, or causes conditions that are dangerous, hazardous, unsanitary and detrimental to other tenants in the Building. Objectionable conduct by You gives Owner the right to end this Lease.

12. SERVICES AND FACILITIES

A. **Required Services.** Owner will provide cold and hot water and heat as required by law, repairs to the Apartment as required by law, elevator service if the Building has elevator equipment, and the utilities, if any, included in the rent, as set forth in sub-paragraph B. You are not entitled to any rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.

 B. The following utilities are included in the rent Water and Sewer

 C. **Electricity and Other Utilities.** If Owner provides electricity or gas and the charges is included in the rent on Page 1, or if You buy electricity or gas from Owner for a separate (submetered) charge, your obligations are described in the Rider attached to this Lease. If electricity or gas is not included in the rent or is not charged separately by Owner, You must arrange for this service directly with the utility company. You must also pay directly for telephone service if it is not included in the rent.

D. **Appliances.** Appliances supplied by Owner in the Apartment are for your use. They will be maintained and repaired or replaced by Owner, but if repairs or replacement are made necessary because of your negligence or misuse, You will pay Owner for the cost of such repair or replacement as additional rent.

E. **Elevator Service.** If the elevator is the kind that requires an employee of Owner to operate it, Owner may end this service without reducing the rent if: (1) Owner gives You 10 days notice that this service will end; and (2) within a reasonable time

 Space to be filled in.

 Rider to be added, if necessary.

after the end of this year 10-day notice, Owner begins to substitute an automatic control type of elevator and proceeds diligently with its installation.

F. Storeroom Use. If Owner permits You to use any storeroom, laundry or any other facility located in the building but outside of the Apartment, the use of this storeroom or facility will be furnished to You free of charge and at your own risk, except for loss suffered by You due to Owner's negligence. You will operate at your expense any coin operated appliances located in such storeroom or laundries.

13. INABILITY TO PROVIDE SERVICES

Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building. In any of these events, any rights You may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

14. ENTRY TO APARTMENT

During reasonable hours and with reasonable notice, except in emergencies, Owner may enter the Apartment for the following reasons:

(A) To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; to inspect the Apartment and to make any necessary repairs or changes Owner decides are necessary. Your rent will not be reduced because of any of this work, unless required by Law.

(B) To show the Apartment to persons who may wish to become owners or lessees of the entire Building or may be interested in lending money to Owner;

(C) For four months before the end of the Lease, to show the Apartment to persons who wish to rent it;

(D) If during the last month of the Lease You have moved out and removed all or almost all of your property from the Apartment, Owner may enter to make changes, repairs, or redecorations. Your rent will not be reduced for that month and this Lease will not be ended by Owner's entry.

(E) If at any time You are not personally present to permit Owner or Owner's representative to enter the Apartment and entry is necessary or allowed by law or under this lease, Owner or Owner's representatives may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner will not be responsible to You, unless during this entry, Owner or Owner's representative is negligent or misuses your property.

15. ASSIGNING; SUBLETTING; ABANDONMENT

(a) **Assigning and Subletting.** You cannot assign this Lease or sublet the Apartment without Owner's advance written consent in each instance to a request made by You in the manner required by Real Property Law § 226-b. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to request for a Lease assignment properly made, at your request in writing, Owner will end this Lease effective as of thirty days after your request. The first and every other time you wish to sublet the Apartment, You must get the written consent of Owner unless Owner unreasonably withholds consent following your request to sublet in the manner provided by Real Property Law § 226-b. Owner may impose a reasonable credit check fee on You in connection with an application to assign or sublet. If You fail to pay your rent Owner may collect rent from subtenant or occupant without releasing You from the Lease. Owner will credit the amount collected against the rent due from You. However, Owner's acceptance of such rent does not change the status of the subtenant or occupant to that of direct tenant of Owner and does not release You from this Lease.

(b) **Abandonment.** If You move out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended (except as provided by law following Owner's unreasonable refusal to consent to an assignment or subletting requested by You.) You will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease. In case of abandonment, your responsibility for rent will end only if Owner chooses to end this Lease for default as provided in Article 16.

16. DEFAULT

(1) You default under the Lease if You act in any of the following ways:

(a) You fail to carry out any agreement or provision of this Lease;

(b) You or another occupant of the Apartment behaves in an objectionable manner;

(c) You do not take possession or move into the Apartment 15 days after the beginning of this Lease;

(d) You and other legal occupants of the Apartment move out permanently before this Lease ends;

If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within 10 days. You must then either stop or correct the default within 10 days, or, if You need more than 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible.

(2) If You do not stop or begin to correct a default within 10 days, Owner may give You a second written notice that this Lease will end six days after the date the second written notice is sent to You. At the end of the 6-day period, this Lease will end and You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 18.

(3) If You do not pay your rent when this Lease requires after a personal demand for rent has been made, or within three days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: (a) enter the apartment and retake possession of it if You have moved out or (b) go to court and ask that You and all other occupants in the Apartment be compelled to move out.

Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

17. REMEDIES OF OWNER AND YOUR LIABILITY

If this Lease is ended by Owner because of your default, the following are the rights and obligations of You and Owner.

(a) You must pay your rent until this Lease has ended. Thereafter, You must pay an equal amount for what the law calls "use and occupancy" until You actually move out.

(b) Once You are out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the rent in this Lease.

(c) Whether the Apartment is re-rented or not, You must pay to Owner as damages:

(1) the difference between the rent in this Lease and the amount, if any, of the rents collected in any later lease or leases of the Apartment for what would have been the remaining period of this Lease; and

(2) Owner's expenses for advertisements, broker's fees and the cost of putting the Apartment in good condition for re-rental; and

*** (3) Owner's expenses for attorney's fees.

(d) You shall pay all damages due in monthly installments on the rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action.

***This may be deleted.

If the rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid rent and damages which You owe Owner, You cannot receive the difference. Owner's failure to re-rent to another tenant will not release or change your liability for damages, unless the failure is due to Owner's deliberate inaction.

18. ADDITIONAL OWNER REMEDIES

If You do not do everything You have agreed to do, or if You do anything which shows that You intend not to do what You have agreed to do, Owner has the right to ask a Court to make You carry out your agreement or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 16 and 17 of this lease.

19. FEES AND EXPENSES

A. Owner's Right. You must reimburse Owner for any of the following fees and expenses incurred by Owner:

- (1) Making any repairs to the Apartment or the Building which result from misuse or negligence by You or persons who live with You, visit You, or work for You;
- (2) Repairing or replacing property damaged by Your misuse or negligence;
- (3) Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organizations concerning the Apartment or the Building which You or persons who live with You, visit You, or work for You have caused;
- (4) Preparing the Apartment for the next tenant if You move out of your Apartment before the Lease ending date;
- *** (5) Any legal fees and disbursements for legal actions or proceedings brought by Owner against You because of a Lease default by You or for defending lawsuits brought against Owner because of your actions;
- (6) Removing all of your property after this Lease is ended;
- (7) All other fees and expenses incurred by Owner because of your failure to obey any other provisions and agreements of this Lease;

These fees and expenses shall be paid by You to Owner as additional rent within 30 days after You receive Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, You will still be liable to Owner for the same amount as damages.

B. Tenant's Right. Owner agrees that unless sub-paragraph 5 of this Article 19 has been stricken out of this Lease You have the right to collect reasonable legal fees and expenses incurred in a successful defense by You of a lawsuit brought by Owner against You or brought by You against Owner to the extent provided by Real Property Law, section 234.

20. PROPERTY LOSS, DAMAGES OR INCONVENIENCE

Unless caused by the negligence or misconduct of Owner or Owner's agents or employees, Owner or Owner's agents and employees are not responsible to You for any of the following (1) any loss of or damage to You or your property in the Apartment or the Building due to any accidental or intentional cause, even a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to your property delivered to any employee of the Building (i.e., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to You by actions, negligence or violations of a Lease by any other tenant or person in the Building except to the extent required by law.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or in behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Also, Owner will not be liable to You for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the rent or allow You to cancel the Lease.

21. FIRE OR CASUALTY

A. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under C below or by You under D below. But the rent will be reduced immediately. This reduction will be based upon the part of the Apartment which is unusable.

B. Owner will repair and restore the Apartment, unless Owner decides to take actions described in paragraph C below.

C. After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving You written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is usable when Owner gives You such notice, this Lease will end 60 days from the last day of the calendar month in which You were given the notice.

D. If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in 30 days, You may give Owner written notice that You end the Lease. If You give that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will refund your security deposit and the pro-rata portion of rents paid for the month in which the casualty happened.

E. Unless prohibited by the applicable insurance policies, to the extent that such insurance is collected, You and Owner release and waive all right of recovery against the other or anyone claiming through or under each applicable policy by way of subrogation.

22. PUBLIC TAKING

The entire building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi-public use or purpose. If this happens, this Lease shall end on the date the government or agency take title and You shall have no claim against Owner for any damage resulting; You also agree that by signing this Lease, You assign to Owner any claim against the Government or Government agency for the value of the unexpired portion of this Lease.

23. SUBORDINATION CERTIFICATE AND ACKNOWLEDGMENTS

All leases and mortgages of the Building or of the land on which the Building is located, now in effect or made after this Lease is signed, come ahead of this Lease. In other words, this Lease is "subject and subordinate to" any existing or future lease or mortgage on the Building or land, including any renewals, consolidations, modifications and replacements of these leases or mortgages. If certain provisions of any of these leases or mortgages come into effect, the holder of such lease or mortgage can end this lease. If this happens, You agree that You have no claim against Owner or such lease or mortgage holder. If Owner requests, You will sign promptly an acknowledgment of the "subordination" in the form that Owner requires.

You also agree to sign (if accurate) a written acknowledgment to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that you have no present claim against Owner.

24. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT

If You pay the rent and any required additional rent on time and You do everything You have agreed to do in this Lease, your tenancy cannot be cut off before the ending date, except as provided for in Article 21, 22, and 23.

25. BILLS AND NOTICE

A. Notices to You. Any notice from Owner or Owner's agent or attorney will be considered properly given to You if it (1) is in writing; (2) is signed by or in the name of Owner or Owner's agent; and (3) is addressed to You at the Apartment and delivered to You personally or sent by registered or certified mail to You at the Apartment. The date of service of any written notice by Owner to you under this agreement is the date of delivery or mailing of such notice.

***This may be deleted.

B. **Notices to Owner.** If You wish to give a notice to Owner, you must write it and deliver it or send it by registered or certified mail to Owner at the address noted on page 1 of this Lease or at another address of which Owner or Agent has given You written notice.

26. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

A. Both You and Owner agree to give up the right to a trial by jury in a court action, proceeding or counterclaim on any matters concerning this Lease, the relationship of You and Owner as Tenant and Landlord or your use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.

B. If Owner begins any court action or proceeding against You which asks that You be compelled to move out, You cannot make a counterclaim unless You are claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

27. NO WAIVER OF LEASE PROVISIONS

A. Even if Owner accepts your rent or fails once or more often to take action against You when You have not done what You have agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of rent does not prevent Owner from taking action at a later date if You again do not do what You have agreed to do.

B. Only a written agreement between You and Owner can waive any violation of this Lease.

C. If You pay and Owner accepts an amount less than all the rent due, the amount received shall be considered to be in payment of all or a part of the earliest rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the rent due.

D. Any agreement to end this Lease and also to end the rights and obligations of You and Owner must be in writing, signed by You and Owner or Owner's agent. Even if You give keys to the Apartment and they are accepted by any employee, or agent, or Owner, this Lease is not ended.

28. CONDITION OF THE APARTMENT

When You signed this Lease, You did not rely on anything said by Owner, Owner's agent or superintendent about the physical condition of the Apartment, the Building or the land on which it is built. You did not rely on any promises as to what would be done, unless what was said or promised is written in this Lease and signed by both You and Owner or found in Owner's floor plans or brochure shown to You before You signed the Lease. Before signing this Lease, You have inspected the apartment and You accept it in its present condition "as is," except for any condition which You could not reasonably have seen during your inspection. You agree that Owner has not promised to do any work in the Apartment except as specified in attached "Work" rider.

29. DEFINITIONS

A. Owner: The term "Owner" means the person or organization receiving or entitled to receive rent from You for the Apartment at any particular time other than a rent collector or managing agent of Owner. "Owner" includes the owner of the land or Building, a lessor, or sublessor of the land or Building and a mortgagee in possession. It does not include a former owner, even if the former owner signed this Lease.

B. You: The Term "You" means the person or persons signing this Lease as Tenant and the successors and assigns of the signer. This Lease has established a tenant-landlord relationship between You and Owner.

30. SUCCESSOR INTERESTS

The agreements in this Lease shall be binding on Owner and You and on those who succeed to the interest of Owner or You by law, by approved assignment or by transfer.

Owners Rules - a part of this lease - see page 6

AS PROVIDED BY ARTICLE 10

1. (a) Tenants shall not block or leave anything in or on fire escapes, the sidewalks, entrances, driveways, elevators, stairways, or halls. Public access ways shall be used only for entering and leaving the Apartment and the Building. Only those elevators and passageways designated by Owner can be used for deliveries.

(b) Baby carriages, bicycles or other property of Tenants shall not be allowed to stand in the halls, passageways, public areas or courts of the Building.

Bathroom and Plumbing Fixtures

2. The bathrooms, toilets and wash closets and plumbing fixtures shall only be used for the purposes for which they were designed or built; sweepings, rubbish bags, acids or other substances shall not be placed in them.

Refuse

3. Carpets, rugs or other articles shall not be hung or shaken out of any window of the Building. Tenants shall not sweep or throw or permit to be swept or thrown any dirt, garbage or other substances out of the windows or into any of the halls, elevators or elevator shafts. Tenants shall not place any articles outside of the Apartments or outside of the building except in safe containers and only at places chosen by Owner.

Elevators

4. All non-automatic passenger and service elevators shall be operated only by employees of Owner and must not in any event be interfered with by Tenants. The service elevators, if any, shall be used by servants, messengers and trades people for entering and leaving, and the passenger elevators, if any, shall not be used by them for any purpose. Nurses with children, however, may use the passenger elevators.

Laundry

5. Laundry and drying apparatus, if any, shall be used by Tenants in the manner and at the times that the superintendent or other representative of Owner may direct. Tenants shall not dry or air clothes on the roof.

Keys and Locks

6. Owner may retain a pass key to the apartment. Tenants may install on the entrance of the Apartment an additional lock of not more than three inches in circumference. Tenants may also install a lock on any window but only in the manner provided by law. Immediately upon making any installation of either type, Tenants shall notify Owner or Owner's agent and shall give Owner or Owner's agent a duplicate key. If changes are made to the locks or mechanism installed by Tenants, Tenants must deliver keys to Owner. At the end of this Lease, Tenants must return to Owner all keys either furnished or otherwise obtained. If Tenants lose or fail to return any keys which were furnished to them, Tenants shall pay to Owner the cost of replacing them.

Noise

7. Tenants, their families, guests, employees, or visitors shall not make or permit any disturbing noises in the Apartment or Building or permit anything to be done that will interfere with the rights, comforts or convenience of other tenants. Also, Tenants shall not play a musical instrument or operate or allow to be operated a phonograph, CD player, radio or television set so as to disturb or annoy any other occupant of the Building.

No Projections

8. An aerial may not be erected on the roof or outside wall of the Building without the written consent of Owner. Also, awnings or other projections shall not be attached to the outside walls of the Building or to any balcony or terrace.

No Pets

9. Dogs or animals of any kind shall not be kept or harbored in the Apartment, unless in each instance it be expressly permitted in writing by Owner. This consent, if given, can be taken back by Owner at any time for good cause on reasonably given notice. Unless carried or on a leash, a dog shall not be permitted on any passenger elevator or in any public portion of the building. Also, dogs are not permitted on any grass or garden plot under any condition. BECAUSE OF THE HEALTH HAZARD AND POSSIBLE DISTURBANCE OF OTHER TENANTS WHICH ARISE FROM THE UNCONTROLLED PRESENCE OF ANIMALS, ESPECIALLY DOGS, IN THE BUILDING, THE STRICT ADHERENCE TO THE PROVISIONS OF THIS RULE BY EACH TENANT IS A MATERIAL REQUIREMENT OF EACH LEASE. TENANTS' FAILURE TO OBEY THIS RULE SHALL BE CONSIDERED A SERIOUS VIOLATION OF AN IMPORTANT OBLIGATION BY TENANT UNDER THIS LEASE. OWNER MAY ELECT TO END THIS LEASE BASED UPON THIS VIOLATION.

Moving

10. Tenants can use the elevator to move furniture and possessions only on designated days and hours. Owner shall not be liable for any costs, expenses or damages incurred by Tenants in moving because of delays caused by the unavailability of the elevator.

Floors

11. Apartment floors shall be covered with rugs or carpeting of at least 80% of the floor area of each room excepting only kitchens, pantries, bathrooms and hallways. The tacking strip for wall-to-wall carpeting will be glued, not nailed to the floor.

Smoking also means inhaling, exhaling, and breathing any object, lighted or otherwise, aimed at delivering any substance, including but not limited to nicotine, cannabis, cannabis derived products, cannabinoids, in any manner or in any form.

Effect of Breach/Right to Terminate Lease. Tenant acknowledges and understands that smoking by Tenant and/or Tenant's household members, relatives, guests, employees or servicepersons within Tenant's apartment and/or any other apartment(s) in the building and/or in Common Areas is a breach of a material obligation of the Lease which may entitle the Landlord to commence a summary proceeding or other litigation to terminate the Lease and/or evict the Tenant from the Apartment. In addition, Tenant's covenants contained in this Rider shall be enforceable in a court of competent jurisdiction by a decree of specific performance and/or by appropriate injunctive relief, all in accordance with applicable law. Further, Tenant agrees that the other tenants in the building are third-party beneficiaries of Tenants smoke free Rider with Owner and that any dispute or lawsuit between tenants in the building against one another shall not create a presumption that the Owner or managing agent or building employees or other agents breached any term or condition of this Rider. Tenant agrees to indemnify and hold Landlord harmless from and against any and all loss and/or damage which Landlord may incur as a result of the breach by Tenant of any of the foregoing restrictions, including, without limitation, any withholding of rent by other tenants of the building, and reasonable attorneys' fees and disbursements incurred by Landlord in connection with any litigation, mediation and/or negotiations with Tenant or any other tenants of the building due to Tenant's breach of any term or condition contained in this Rider. Any and all of Tenant's monetary

obligations to Landlord resulting from Tenant's agreement to indemnify and hold Landlord harmless shall be collectible as additional rent.

Tenant to Promote No-Smoking Policy and to Alert Landlord of Violations. Tenant shall inform Tenant's household members, relatives, guests, employees or servicepersons of the no-smoking policy. Tenant shall promptly give Landlord a written statement of any incident where smoke from tobacco products or other lighted products/substances is migrating into Tenant's Apartment from outside of the Apartment and, to the best of Tenants' knowledge, the source or location of such smoke. The failure by Landlord to respond to a complaint by Tenant regarding smoke shall not be construed as a breach of the warranty of habitability, or the covenant of quiet enjoyment, nor shall it be deemed to be a constructive eviction of the Tenant.

Landlord Not a Guarantor of Smoke-Free Environment. Tenant acknowledges that Landlord's adoption of a smoke-free initiative for the building and the efforts to convert the building over time to a smoke-free environment does not make the Landlord, or any of its managing agents and/or employees, guarantor(s) of Tenant's health and/or of the smoke-free condition of the Apartment and/or the building. However, Landlord shall take reasonable steps to enforce the smoke-free terms of its leases. Landlord is not required to take steps in response to smoke from smoking and/or smoking unless and/or until Landlord is put on actual notice of the presence of smoke from smoking and/or smoking, based upon personal knowledge and/or written notice by a tenant.

Disclaimer by Landlord. Tenant acknowledges that Landlord's adoption of a smoke-free initiative/policy for the building does not, in any way, change or increase the standard of care that the Landlord and/or the managing agent has, may have or would have to Tenant or to Tenant's household members, relatives, guests, employees or servicepersons to render the building and the subject premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Landlord specifically disclaims any implied or express warranties that the building, Common Areas and/or the Apartment will have any higher or improved air quality standards than any other rental property. Landlord cannot and does not warranty or promise that the Apartment or Common Areas will be free from smoke and/or secondhand smoke. Tenant acknowledges that Landlord's ability to police, monitor, or enforce the agreements in this Rider is dependent, in significant part, on voluntary compliance by Tenant and Tenant's household members, relatives, guests. Tenants with respiratory ailments, allergies, and/or any other physical or mental conditions relating to smoke/smoking are put on notice that Landlord does not assume any higher duty of care to enforce this Rider than any other landlord obligation under the Lease.

Existing Tenants. Tenant is hereby advised that all new tenants moving into the building are obligated not to smoke in their apartment(s) and/or in Common Areas. New

tenant(s) acknowledge(s) that existing tenants residing in the building under an existing lease may not currently be required to comply with this smoke free rider and will not be required to do so until such time that the existing tenant renews his/her lease, and then, only if Landlord is legally permitted to include such a Rider to the existing tenant's renewal lease.

Waiver. The failure or omission by Landlord to enforce, for any period of time, any provision of this Rider shall not be deemed or construed as a waiver of that provision or any other provision of this Rider, shall not constitute an agreement, express or otherwise, to modify, change or alter the terms of this Rider, and/or shall not constitute a waiver by or estoppel against Landlord to insist upon full and complete performance of the terms and conditions of this Rider, as written.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be duly executed and acknowledged as of the day and year first above written.

Additional Articles not provided for in the Standard Form of Lease of Apartment but forming a part hereof for the Lease dated May 13, 2025 by and between 421E12 Holdings LLC as Owner and Vincent Damron & Sebastian Stolytik as Tenant for Apartment #8 at 421 East 12th Street, New York, NY 1009 stating that:

1. No Rent Regulation. Tenant and Owner acknowledge that both, the Tenant and the Owner in entering into this lease, expressly relied on the fact that this lease, Tenant's tenancy, and the apartment itself are not registered or subject to or intended to be subject to "Rent Stabilization" under the administrative code of the City of New York or any federal, state or New York City statute, code, rule or regulation governing rents and tenancies. Accordingly, Tenant has no right to have this lease renewed and a renewal lease, if agreed upon by the Tenant and the Owner, can be at any rent agreed upon without limitation. Tenant hereby waives any claim, defense or action that this lease, the Tenant's tenancy and/or the apartment are subject to any form of governmental supervision or regulation.

2. Tenant Holdover. (a) Tenant acknowledges that possession of the demised premises must be surrendered to Owner on the expiration or earlier termination of this Lease. Tenant agrees to indemnify and save Owner harmless from and against all claims, losses, damages (including, without limitation, consequential damages), liabilities, cost and expenses (including, without limitation, reasonable attorneys' fees and disbursements (whether or not litigation has commenced) attributable to delay by Tenant in so surrendering the demised premises. Such indemnified matters shall be payable by Tenant on Owner's demand thereof. The provisions of this paragraph 2 shall survive the termination of the Lease.
 (b) If Tenant shall default in surrendering the demised premises upon the expiration or earlier termination of the Term of this Lease, the following shall occur:
 - (i) Tenancy-at-Will. Owner, in Owner's sole discretion, may elect to treat Tenant's occupancy beyond the tenancy on this Lease as a revocable license extended by Owner to Tenant to use the demised premises. Tenant's occupancy subsequent to such expiration or termination, whether or not with the consent or acquiescence of Owner, shall be deemed to be that of a tenancy-at-will and in no event from month to month or from year to year, and it shall be subject to all terms, covenants and conditions of this Lease applicable thereto, including without limitation, those set forth in this holdover provision. In the event that Tenant defaults or remains in possession of the Premises or any part thereof after the expiration of the tenancy-at-will created hereby, then Tenant's occupancy shall be deemed a tenancy-at-sufferance and not a tenancy-at-will.
 - (ii) Fixed Annual Rent Increase. During any period in which Tenant holds over the Fixed Annual Rent shall be two times the monthly amount payable during the last month of the expired lease.
 - (iii) Additional Rent. During the period in which Tenant holds over, Tenant shall pay, in addition to the increased Fixed Annual Rent as set forth above in subparagraph (ii) hereof, all Additional Rent as set forth in this Lease, except that any provisions that limit the amount or defer the payment of such Additional Rent shall be null and void.
 - (iv) No Renewal. No option to extend or renew this Lease shall have been deemed to have occurred by Tenant's holdover. Any and all options to extend or renew set forth in this Lease shall be deemed terminated and shall be of no further effect as of the first date the Tenant holds over.
 - (v) Tenant liable for Damages. In addition to the payment of the increased Fixed Annual Rent as set forth above and all Additional Rent, Tenant shall be liable to Owner for all costs, losses, claims or liabilities (including, without limitation, reasonable attorney's fees) which Owner may incur as a result of Tenant's failure to surrender possession of the demised premises to Owner upon the expiration or earlier termination of this Lease.
 - (vi) Minimum Legal Fees. If Owner shall commence proceedings to dispossess Tenant by reason of Tenant's 'holdover after the expiration of the tenancy hereby created, then Tenant shall pay as Additional Rent, in addition to costs and disbursements, minimum legal fees of \$1,500.00 for each proceeding, so commenced.
 - (vii) No Owner consent. Nothing contained herein shall be construed to constitute Owner's consent to Tenant holding over at the expiration or earlier termination of this Lease term or to give Tenant the right to hold over after the expiration or earlier termination of the Lease term.

(viii) In the event the Tenant or his/her occupant remain in the apartment beyond the expiration date of the Lease, rent for the period shall accrue monthly with no provision for prorating the rent.

3. Assigning, Subletting, Abandonment

(i) Assigning and Subletting. Tenant cannot assign this Lease or sublet the Apartment without the Owner's advance written consent, in each instance, to a request made by Tenant in the manner required by Real Property Law Section 226-b relating to subletting. The Owner may refuse to consent to a lease assignment for any reason or no reason, but if the Owner unreasonably refuses to consent to a request for a Lease assignment properly made, at Tenant's request in writing, this Lease will end effective as of thirty (30) days after the denial of Tenant's request and Tenant's liability, if any, pursuant to this contract shall then cease. The first and every other time Tenant wishes to sublet the Apartment, Tenant must obtain the written consent of the Owner unless the Owner unreasonably withholds consent following Tenant's request to sublet in the manner provided by Real Property Law section 226-b. The Owner may impose a reasonable credit check fee on Tenant in connection with an application to assign or sublet. If Tenant fails to pay Tenant's rent, the Owner may collect rent from Subtenant or occupant without releasing Tenant from the Lease. The Owner will credit the amount collected against the rent due from Tenant. However, the Owner's acceptance of such rent does not change the status of the Subtenant or occupant to that of direct Tenant of the Owner and does not release Tenant from this Lease.

- a. The Owner and Tenant agree that in the event that the Tenant requests permission to assign or sublet apartment the Owner will be entitled to a non-refundable fee of \$750.00 for reviewing the documents which the Tenant may be required to provide to the Owner pursuant to the statute or lease. More importantly, in the event that the Tenant makes such a request to sublet or assign and said request is accepted by the Owner, the Owner shall continue to collect rent from the Tenant (in case of a sublet) and not the sub-tenant in the case of a subletting or from the assignee for the remainder of the term of the lease and, additionally, the Tenant will be required to pay a Fifteen percent (15%) increase in the rent each month (beginning at the commencement date) over and above the current rent due to the Owner pursuant to the terms of the within lease.
- b. In the case of a requested and granted assignment of lease, the lease rent shall increase Fifteen percent (15%) per month (beginning at the commencement date).

(ii) Abandonment. If Tenant moves out of the Apartment (abandonment) before the end of this Lease without the consent of the Owner, this Lease will not be ended (except as provided by law following the Owner's unreasonable refusal to consent to an assignment or subletting requested by Tenant). Tenant will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease. In case of abandonment, Tenant's liability for rent will end only if the Owner chooses to end this Lease for a negotiated consideration and releases Tenant in writing.

(iii) Tenant acknowledges and agrees that the Apartment may be occupied for permanent residence purposes only by the Tenant. By way of example, and without limitation to the foregoing, Tenant covenants, warrants and agrees that the Apartment shall not be occupied as a "bed and breakfast," rooming house, boarding house or as a dwelling occupied by transient boarders, roomers, or lodgers (airbnb, booking.com, VRBO, Homeaway, etc.). The Apartment shall at all times be occupied as a "Class A" multiple dwelling in full compliance with the Multiple Dwelling Law. Tenant acknowledges that Owner has entered into this Lease in reliance on Tenant's agreement to fully comply with the preceding paragraph and that Owner would not have otherwise entered into this Lease but-for the foregoing covenants from Tenant. Accordingly, Tenant acknowledges and agrees that Tenant's failure to comply with the terms of this provision shall be a default under and material breach of this Lease which is not curable under any circumstance, and that in the event Tenant breaches this provision, notwithstanding any other provision contained in this Lease, Owner may terminate this Lease upon service of a 15-day notice of termination upon Tenant and result in the forfeiture of Tenant's Security Deposit. At the expiration of the 15 day notice, this Lease shall cease and determine as though the date set in the afore-said notice were the date upon which the within Lease would naturally terminate. Tenant's liability pursuant to the Lease shall continue until the subject premises is re-rented for the

same or a higher amount of rent per month. In the event that Owner is found in violation of and fined or levied any penalty by any governing authority as a result of Tenant's failure to comply with or default under this section or any other section in this Lease then Tenant shall pay as Additional Rent, in addition to costs, fines, penalties and disbursements, all legal fees incurred by Owner associated with each and any proceeding.

4. No Smoking: Smoking shall include the carrying, combustion, inhaling, exhaling or breathing of any cigarette, e-cigarette, cigar, pipe tobacco, roll-your-own tobacco, other product containing any amount of tobacco, or other like substance, including, but not limited to, marijuana. No Tenant shall smoke in his/her unit or anywhere in or on the property. Tenant shall not allow his/her family members, occupants, invitees or guests to smoke in the Tenant's unit or anywhere on the property. Smoking shall be prohibited throughout the entire building and grounds, including but not limited to, inside all tenants' units, hallways, stairways, foyers, common rooms and facilities, decks, patios, exterior landings, front steps, entrance ways, roof tops, fire escapes, basements, storage areas, parking areas, driveways, walkways, lawns, gardens, adjoining grounds and building facilities. Tenant further acknowledges and agrees to the following:
 - (i) that the implementation and/or enforcement of the no smoking rule shall not make the Owner a guarantor of Tenant's health;
 - (ii) the implementation and/or enforcement of the no smoking rule shall not, in any way, change the warranty of habitability, the covenant of quiet enjoyment, or other duty of care owed to the Tenant;
 - (iii) that Owner's ability to police, monitor, or enforce the no smoking rule is dependent in significant part on compliance by the Tenant.

Owner specifically disclaims any implied or express warranties that the building, common areas, or Tenant's premises will have any higher or improved air quality standards than any other rental property. Owner cannot and does not warranty or promise that the unit or common areas will be free from secondhand smoke during implementation and enforcement efforts by Owner or based on the migration of secondhand originating from areas located off of the property. Any violation of this provision shall constitute a default under this Lease and in addition and without limiting Owner's rights and remedies in consequence of such default, entitle Owner to assess a monetary fine against Tenant for each violation.

5. Late fees: It is agreed and understood by and between the Owner and Tenant herein that the payment of rent to the Owner when due, in the amount due and where same is to be paid to the Owner are of a unique and specific performance to the Owner. Thus, in the event that the Tenant's rent is paid later than the fifth (5th) day of any month in which rent and or additional rent is due hereunder then, and in that event, Tenant shall pay to the Owner, as additional rent with the next rental payment due hereunder or, if this lease is terminated or the lease naturally terminates, within thirty (30) days after same has been billed, a late charge equal to five (5%) percent of the monthly rent.
6. For any non-payment of rent or additional rent payments under this Lease through no faults of the Owner, the Tenant agrees to pay all legal fees and expenses when litigation for collection of rent payment become necessary.
7. In the event that any unforeseen circumstances arise, Owner reserves the right to delay the commencement date of the Lease. In such event, Tenant will be reimbursed on a pro-rata basis for each day that the Lease is deferred.
8. Owner is not responsible to Tenant for Tenant(s) personal property in any event. Tenant understands that it is his/her/their responsibility to obtain apartment insurance for his/her/their own personal property. Tenant shall provide his/her/their own insurance for any theft or damage within the Apartment.

If any provisions in the Lease shall contradict the language in this Rider than the language in this Rider shall supersede and uphold.

LEASE/COMMENCEMENT OF OCCUPANCY NOTICE FOR PREVENTION OF LEAD BASED PAINT HAZARDS—INQUIRY REGARDING CHILD

You are required by law to inform the owner if a child under six years of age resides or will reside in the dwelling or dwelling unit (dwelling/unit) for which you are signing this lease/commencing occupancy. Beginning on January 1, 2020, the term "resides" means that a child under six routinely spends 10 or more hours per week in the dwelling/unit. If such a child resides or will reside in the dwelling/unit, the owner of the building is required to perform an annual visual inspection of the dwelling/unit to determine the presence of lead-based paint hazards. IT IS IMPORTANT THAT YOU RETURN THIS FORM TO THE OWNER OR MANAGING AGENT OF YOUR BUILDING TO PROTECT THE HEALTH OF YOUR CHILD. If you do not respond to this notice, the owner is required to attempt to inspect your dwelling/unit to determine if a child under six years of age resides there.

If a child under six years of age does not reside in the dwelling/unit now, but does come to reside in it at any time during the year, you must inform the owner in writing immediately. If a child under six years of age resides in the dwelling/unit, you should also inform the owner immediately at the address below if you notice any peeling paint or deteriorated subsurfaces in the dwelling/unit during the year.

Whether or not a child under age six will reside in the dwelling/unit apartment, the owner of the building is also required to fix all lead-based paint hazards and underlying defects that may cause paint to peel, make floors, window sills and window wells smooth and cleanable, remove or cover all lead-based paint on friction surfaces of doors and door frames, and remove or cover all lead-based paint on friction surfaces of windows or install window channels or slides. This work should be performed before you move into the dwelling/unit, and the owner must properly clean the dwelling/unit after the work is completed.

Please complete this form and return one copy to the owner or his or her agent or representative when you sign the lease/commence occupancy of the dwelling/unit. Keep one copy of this form for your records. You should also receive a copy of a pamphlet developed by the New York City Department of Health explaining about lead based paint hazards when you sign your lease/commence occupancy.

The building policy on smoking applies to any person on the property, including guests.

The owner must also provide new tenants with a pamphlet containing information about indoor allergen hazards.

2. What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building’s common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant’s lease that clearly states the landlord’s and tenant’s responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for **indoor allergen hazards**.

Local Law 1 - NYC Lead Poisoning Prevention Law Information for Tenants

The text below is a printer-friendly version of the New York City Department of Health and Mental Hygiene (DOHMH) brochure for tenants entitled, "Fix Lead Paint". For additional information on lead poisoning, go to www.nyc/lead or call 311.

Fix Lead Paint Hazards:

What Landlords Must Do and Every Tenant Should Know

Lead Can Cause Learning Problems

Lead is a poison often found in old paint. Peeling lead paint is the most common cause of lead poisoning in young children. Lead dust from peeling paint can land on window sills, floors, and toys. When children play on the floor and put their hands and toys in their mouths, they can swallow lead dust.

Preventing Lead Poisoning: What the Law Requires

In New York City, Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of young children. This law applies to your apartment if:

- The building was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint), and
- The building has 3 or more apartments, and
- A child under the age of 6 lives in your apartment.

What Are Lead Paint Hazards?

- Dust from lead paint.
- Peeling or damaged lead paint.
- Lead paint on:
 - Crumbling plaster or rotted wood.
 - Doors and windows that stick or rub together.
 - Window sills and any other surfaces that have been chewed on by children.

Things Landlords Must Do

- In buildings covered by Local Law 1, landlords must find out if any children younger than 6 years live in the building and inspect those apartments for lead paint hazards **every year**.
- Landlords must use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Local Law 1 requires landlords to use firms certified by the U.S. Environmental Protection Agency when disturbing more than 100 square feet of lead paint, replacing windows, or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).
- Landlords must repair lead paint hazards **before** a new tenant moves into an apartment.
- Landlords must keep records of all notices, inspections, repairs of lead paint hazards, and other matters related to the law. HPD may ask the landlord for copies of this paperwork.

Before repair work begins, landlords must make sure that trained workers:

Local Law 1 - NYC Lead Poisoning Prevention Law Information for Tenants

- Post warning signs outside the work area.
- Tell tenants to stay out of the work area.
- Clean the work area with wet mops or HEPA vacuums.
- Remove all items that can be moved from the work area.
- Cover furniture that cannot be moved.
- Seal floors, doors, and other openings with plastic and waterproof tape.

While repair work is going on, landlords must make sure trained workers clean the work area every day with wet mops and HEPA vacuums.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.

After repair work is finished, landlords must:

- Hire only trained workers to clean the work area with wet mops and HEPA vacuums.
- Hire a company or individual trained to take "clearance dust wipes" to make sure lead dust levels are below: 40 mcg/sf for floors, 250 mcg/sf for window sills, and 400 mcg/sf for window wells (mcg/sf = micrograms of lead per square foot). If levels are higher, clean-up must be repeated and the dust wipes taken again.
- Give a copy of clearance dust wipe results to the tenant.

Things Tenants Must Do

- Tenants must fill out and return the ANNUAL NOTICE form they receive each year from their landlord. This form tells your landlord if any children younger than 6 years live in your apartment.
- Wash floors, window sills, hands, toys, and pacifiers often.
- Remind your doctor to test your child for lead poisoning at ages 1 and 2. Ask the doctor about testing older children.
- If a child younger than 6 comes to live with you during the year or if you have a baby, you must notify your landlord in writing.

Tenants should also:

- Report peeling paint in your apartment to your landlord.
- Call 311 if your landlord does not fix peeling paint or if you think repair work is being done unsafely.

Call 311 to

- **Report unsafe work practices.**
- **Learn more about how to prevent lead poisoning.**
- **Find out where to get your child tested for lead poisoning, and for diagnosis and treatment information.**
- **Order more copies of this brochure or other materials on lead poisoning prevention.**

Owners of multiple dwellings (3 or more apartments) must give this brochure to tenants when they sign a lease or move into an apartment if the multiple dwelling was built before 1960, or was built between 1960 and 1978 if the owner knows that the building has lead paint. This brochure contains basic information about Local Law 1 of 2004 and is provided for your convenience only. For a copy of the law and applicable rules go to nyc.gov/hpd.

STOP BED BUGS SAFELY

WHAT ARE BED BUGS?

Bed bugs are small insects that feed on human blood. They are usually active at night when people are sleeping. Adult bed bugs have flat rusty-red-colored oval bodies. Adult bed bugs are about the size of an apple seed, they are big enough to be easily seen, but often hide in cracks in furniture, floors, or walls. When bed bugs feed, their bodies swell and become brighter red. They can live for several months without feeding on a host.

WHAT DOES A BED BUG BITE FEEL AND LOOK LIKE?

Most bed bug bites are initially painless, but later turn into large, itchy skin welts. These welts do *not* have a red spot in the center as do the bites from fleas.

ARE BED BUGS DANGEROUS?

Although bed bugs and their bites are a nuisance, they are not known to spread diseases.

HOW DOES A HOME BECOME INFESTED WITH BED BUGS?

In most cases, people carry bed bugs into their homes unknowingly, in infested luggage, furniture, bedding, or clothing. Bed bugs may also travel between apartments through small crevices and cracks in walls and floors.

HOW DO I KNOW IF MY HOME IS INFESTED WITH BED BUGS?

You may notice itchy skin welts. You may also see the bed bugs themselves, small bloodstains from crushed insects, or dark spots from their droppings. It is often hard to find them because they hide in or near beds, other furniture, and in cracks.

SHOULD I USE A PEST CONTROL COMPANY?

The Health Department recommends that homeowners hire pest control companies registered by the New York State Department of Environmental Conservation (DEC) to get rid of bed bugs.

The pest control company should:

- Inspect your home to confirm the presence of bed bugs.
- Find and eliminate their hiding places.
- Treat your home with special cleaning and/or pesticides if necessary.
- Make return visits to make sure bed bugs are gone.

Be sure your pest control company hires licensed pest management professionals. Ask to see a copy of their license or check directly with DEC by calling (718) 482-4994 or visiting

<http://www.dec.ny.gov/permits/209.html>

IS IT NECESSARY TO USE PESTICIDES TO GET RID OF BED BUGS?

The best way to get rid of bed bugs is to clean, disinfect and eliminate their hiding places. Since young bed bugs (nymphs) can live for several months without feeding and the adults for more than a year, the pest control company may use a pesticide. Talk with the professional about safe use of pesticides and make sure he/she:

- Uses the least toxic pesticide.
- Follows instructions and warnings on product labels.
- Advises you about staying out of treated rooms and when it is safe to reenter.
- Treats mattresses and sofas by applying small amounts of pesticides on seams only. Pesticides should **never** be sprayed on top of mattresses or sofas.

HOW CAN I GET RID OF BED BUGS?

1. Find out where bed bugs are hiding in your home.

Use a bright flashlight to look for bed bugs or their dark droppings in bedroom furniture. Or use a hot hair dryer, a thin knife, an old subway card or a playing card to force them out of hiding spaces and cracks. Check:

- Behind your headboard.
- In the seams and tufts of your mattress and inside the box spring.
- Along bedroom baseboard cracks.
- In and around nightstands.
- Other bedroom items, including window and door casings, pictures, moldings, nearby furniture, loose wallpaper, cracks in plaster and partitions, and clutter.

2. Clean areas where bed bugs are likely to hide.

- Clean bedding, linens, curtains, rugs, carpets, and clothes. To kill bed bugs, wash items in hot water and dry them on the highest dryer setting. Soak delicate clothes in warm water with lots of laundry soap for several hours before rinsing. Wool items, plush toys, shoes, and many other items can be placed into a hot dryer for 30 minutes to get rid of bed bugs.
- Scrub mattress seams with a stiff brush to dislodge bed bugs and their eggs.
- Vacuum mattresses, bed frames, nearby furniture, floors and carpets. Pay special attention to cracks and open spaces. Immediately after vacuuming, put the vacuum cleaner bag in a sealed plastic bag, and dispose of it in an outdoor container.
- If you find bed bugs on a mattress, cover it with a waterproof, zippered mattress cover labeled “allergen rated,” or “for dust mites.” Keep the cover on for at least one year.
- If your box spring is infested, seal it inside a vinyl box spring cover for at least one year. If no cover is available, throw the box spring away.
- Dispose of infested items that cannot be cleaned and get rid of clutter. Seal tightly in a plastic garbage bag and discard in an outside container.
- Repair cracks in plaster and repair or remove loose wallpaper.

3. Be very cautious about using pesticides yourself.

Pesticides can be hazardous to people and pets. If you choose to use a pesticide, or a licensed pest control professional suggests you use one, follow these precautions:

- Only use pesticides clearly labeled for bed bug extermination. Never use a cockroach spray, ant spray, or any other pesticide that does not list bed bugs on the label.
- Follow label instructions exactly.
- Never spray pesticides on top of mattresses or sofas, or in areas where children or pets are present.
- Never purchase or use a product without a manufacturer’s label and never buy pesticides from street vendors.
- Avoid using “insecticide bombs” and “foggers” in your home. These products can spread hazardous chemicals throughout your home, and are not likely to be effective against bed bugs.

HOW CAN I KEEP BED BUGS OUT OF MY HOME?

- Wash clothing and inspect luggage immediately after returning from a trip.
- Inspect used furniture for bed bugs before bringing it into your home.
- Never bring discarded bed frames, mattresses, box springs, or upholstered furniture into your home.

HOW CAN I KEEP MY FURNITURE FROM INFESTING SOMEONE ELSE'S HOME?

- Never resell or donate infested furniture or clothing.
- If you throw infested furniture away, make it undesirable to others by cutting or poking holes in its upholstery or making it unusable. Tape a sign to it that says, “Infested with Bed Bugs.”

What Tenants Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

TENANTS SHOULD:

Keep homes clean and dry

Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)

Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags

Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors

Use garbage cans with tight-fitting lids

Let building staff into homes to make any needed repairs

Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes

Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call **311 to learn more.**

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this fact sheet.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments — or buildings of any size where a tenant has asthma — take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

LANDLORDS MUST:

Inspect every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.

Use integrated pest management (IPM) practices to safely control pests and fix building-related issues that lead to pest problems.

- Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
- Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
- Attach door sweeps to all doors that lead to hallways, basements or outside.
- Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
- Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation-licensed pest professional.

Remove indoor mold and safely fix the problems that cause mold.

- Remove any standing water, and fix leaks or moisture conditions.
- Move or cover furniture with plastic sheeting.
- Limit the spread of dust. Use methods such as sealing off openings (e.g., doorways, ventilation ducts) and gently misting the moldy area with soap or detergent and water before cleaning.
- Clean moldy area with soap or detergent and water. Dry the cleaned area completely.
- Clean any visible dust from the work area with wet mops or HEPA vacuums.
- Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
- To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** use a New York State Department of Labor-licensed mold assessor and remediator. These licensed workers must comply with New York City Administrative Code section 24-154 and New York State Labor Law Article 32.

Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.

Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for indoor allergen hazards.

Section 12-12.1 of Chapter 12 of Title 28 of the Rules of the City of New York describes conditions under which a combined notice may be used, combining notice of suspected gas leak procedures with notice for smoke detectors and carbon monoxide detectors. A sample of a combined notice is below:

Notice for Suspected Gas Leaks, Smoke Detecting Devices, and Carbon Monoxide Alarms

The law requires the owner of the premises to notify tenants regarding the following:

Suspected Gas Leak Procedure: When a tenant suspects that a gas leak has occurred, the tenant should take the following actions:

1. Quickly open nearby doors and windows and then leave the building immediately; do not attempt to locate the leak. Do not turn on or off any electrical appliances, do not smoke or light matches or lighters, and do not use a house-phone or cell-phone within the building;
2. After leaving the building, from a safe distance away from the building, call 911 immediately to report the suspected gas leak;
3. After calling 911, call the gas service provider for this building as follows:

Con-Edison

Provider

1 (800) 752-6633

Number

Smoke Detectors: The law requires the owner of the premises to provide and install one or more approved and operational smoke detectors in each apartment and to periodically replace such devices upon the expiration of their useful life in accordance with article 312 of chapter 3 of title 28 of the New York City Administrative Code. The tenant of each apartment is responsible for the maintenance and repair of the detectors installed in the apartment and for replacing any or all detectors which are stolen, removed, missing or become inoperable during the occupancy of the apartment with a device meeting the requirements of article 312 of chapter 3 of title 28 of the Administrative Code, unless a detector becomes inoperable within one year of being installed due to a manufacturing defect. The tenant of each apartment in this building in which a battery-operated smoke detector is provided and installed shall pay the owner a maximum of twenty-five dollars or a maximum of fifty dollars where a combined smoke and carbon monoxide detecting device is installed for the cost of providing and installing each detector. The tenant has one (1) year from the date of installation to make such payment to the owner.

Carbon Monoxide Detectors: The law requires the owner of the premises to provide a carbon monoxide alarm in each apartment in this building. The carbon monoxide alarm must be placed within 15 feet of the primary entrance to each sleeping room, must be equipped with an end of life alarm, and must be periodically replaced by the owner as necessary when the suggested useful life of the alarm expires. Tenants are responsible for the maintenance and repair of the alarms installed in the apartment and for replacing any or all alarms that are stolen, removed, missing, or become inoperable during the occupancy of the apartment, unless an alarm becomes inoperable within one year of being installed due to a manufacturing defect. The occupant of each apartment in which a carbon monoxide alarm is provided and installed must pay the owner \$25.00 per alarm, or a maximum of \$50.00 per device where a combined smoke and carbon monoxide detecting device is installed. This fee covers the cost of the work for the initial installation and each periodic replacement. The occupant has one year from the date of installation to pay the owner.

New York State Disclosure Form for Landlord and Tenant

THIS IS NOT A CONTRACT

New York State law requires real estate licensees who are acting as agents of landlords and tenants of real property to advise the potential landlords and tenants with whom they work of the nature of their agency relationship and the rights and obligations it creates. This disclosure will help you to make informed choices about your relationship with the real estate broker and its sales agents.

Throughout the transaction you may receive more than one disclosure form. The law may require each agent assisting in the transaction to present you with this disclosure form. A real estate agent is a person qualified to advise about real estate.

If you need legal, tax or other advice, consult with a professional in that field.

Disclosure Regarding Real Estate Agency Relationships

Landlord's Agent

A landlord's agent is an agent who is engaged by a landlord to represent the landlord's interest. The landlord's agent does this by securing a tenant for the landlord's apartment or house at a rent and on terms acceptable to the landlord. A landlord's agent has, without limitation, the following fiduciary duties to the landlord: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A landlord's agent does not represent the interests of the tenant. The obligations of a landlord's agent are also subject to any specific provisions set forth in an agreement between the agent and the landlord. In dealings with the tenant, a landlord's agent should (a) exercise reasonable skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the value or desirability of property, except as otherwise provided by law.

Tenant's Agent

A tenant's agent is an agent who is engaged by a tenant to represent the tenant's interest. The tenant's agent does this by negotiating the rental or lease of an apartment or house at a rent and on terms acceptable to the tenant. A tenant's agent has, without limitation, the following fiduciary duties to the tenant: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A tenant's agent does not represent the interest of the landlord. The obligations of a tenant's agent are also subject to any specific provisions set forth in an agreement between the agent and the tenant. In dealings with the landlord, a tenant's agent should (a) exercise reasonable

skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the tenant's ability and/or willingness to perform a contract to rent or lease landlord's property that are not consistent with the agent's fiduciary duties to the tenant.

Broker's Agents

A broker's agent is an agent that cooperates or is engaged by a listing agent or a tenant's agent (but does not work for the same firm as the listing agent or tenant's agent) to assist the listing agent or tenant's agent in locating a property to rent or lease for the listing agent's landlord or the tenant agent's tenant. The broker's agent does not have a direct relationship with the tenant or landlord and the tenant or landlord cannot provide instructions or direction directly to the broker's agent. The tenant and the landlord therefore do not have vicarious liability for the acts of the broker's agent. The listing agent or tenant's agent do provide direction and instruction to the broker's agent and therefore the listing agent or tenant's agent will have liability for the acts of the broker's agent.

Dual Agent

A real estate broker may represent both the tenant and the landlord if both the tenant and landlord give their informed consent in writing. In such a dual agency situation, the agent will not be able to provide the full range of fiduciary duties to the landlord and the tenant. The obligations of an agent are also subject to any specific provisions set forth in an agreement between the agent, and the tenant and landlord. An agent acting as a dual agent must explain carefully to both the landlord and tenant that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the landlord and tenant are giving up their right to undivided loyalty. A landlord and tenant should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation. A landlord or tenant may provide advance informed consent to dual agency by indicating the same on this form.

Dual Agent with Designated Sales Agents

If the tenant and the landlord provide their informed consent in writing, the principals and the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the tenant and another sales agent to represent the landlord. A sales agent works under the supervision of the real estate broker. With the informed consent in writing of the tenant and the landlord, the designated sales agent for the tenant will function as the

New York State Disclosure Form for Landlord and Tenant

tenant's agent representing the interests of and advocating on behalf of the tenant and the designated sales agent for the landlord will function as the landlord's agent representing the interests of and advocating on behalf of the landlord in the negotiations between the tenant and the landlord. A designated sales agent cannot provide the full range of fiduciary duties to the landlord or tenant. The designated sales agent must explain that like the dual agent under

whose supervision they function, they cannot provide undivided loyalty. A landlord or tenant should carefully consider the possible consequences of a dual agency relationship with designated sales agents before agreeing to such representation. A landlord or tenant may provide advance informed consent to dual agency with designated sales agents by indicating the same on this form.
