and You, the Tenant, Kayla Pineda, Radhika Jindal, Navita Gupta

whose address is 200 Bolinas Rd., Apt 36, Fairfax CA 94930

1. APARTMENT AND USE

 Owner agrees to lease to You Apartment 5A on the 5th floor in the building at 416 West 49th Street Borough of Manhattan, City and State of New York.

You shall use the Apartment for living purposes only. The Apartment may be occupied by the tenant or tenants named above and by the immediate family of the tenant or tenants and by occupants as defined in and only in accordance with Real Property Law § 235-f.

2. LENGTH OF LEASE

 The term (that means the length) of this Lease is 1 years, 0 months
0 days, beginning on 07/01/2026

and ending on 06/30/2027. If You do not do everything You agree to do in this Lease, Owner may have the right to end it before the above date. If Owner does not do everything that owner agrees to do in this Lease, You may have the right to end the Lease before ending date.

3. RENT

 Your monthly rent for the Apartment is \$ 6,400.00

SixThousand Four Hundred Dollars

You must pay Owner the rent, in advance, on the first day of each month either at Owner's office or at another place that Owner may inform You of by written notice. You must pay the first month's rent to Owner when You sign this Lease if the lease begins on the first day of the month. If the Lease begins after the first day of the month, You must pay when you sign this lease (1) the part of the rent from the beginning date of this Lease until the last day of the month and (2) the full rent for the next full calendar month. If this Lease is a Renewal Lease, the rent for the first month of this Lease need not be paid until the first day of the month when the renewal term begins.

4. SECURITY DEPOSIT

 You are required to give Owner the sum of \$ 6,400.00 when You Sign this Lease as a security deposit, which is called in law a trust. Owner will deposit this security in Santander Bank

bank at 200 Liberty Street, New York, NY 10028. If the Building contains six or more apartments, the bank account will earn interest. If You carry out all of your agreements in this Lease, at the end of each calendar year Owner or the bank will pay to Owner 1% interest on the deposit for administrative costs and to You all other interest earned on the security deposit.

If You carry out all of your agreements in this Lease and if You move out of the Apartment and return it to Owner in the same condition it was in when You first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty, Owner will return to You the full amount of your security deposit and interest to which You are entitled within 60 days after this Lease ends. However, if You do not carry out all your agreements in this Lease, Owner may keep all or part of your security deposit and any interest which has not yet been paid to You necessary to pay Owner for any losses incurred, including missed payments.

If Owner sells or leases the building, Owner will turn over your security, with interest, either to You or to the person buying or leasing (lessee) the building within 5 days after the sale or lease. Owner will then notify You, by registered or certified mail, of the name and address of the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to You for the security deposit. The new owner or lessee will become responsible to You for the security deposit.

5. IF YOU ARE UNABLE TO MOVE IN

A situation could arise which might prevent Owner from letting You move into the Apartment on the beginning date set in this Lease. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Your damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when You can move in, and the ending date in Article 2 will be changed to a date reflecting the full term of years set forth in Article 2. You will not have to pay rent until the move-in date Owner gives You by written notice, or the date You move in, whichever is earlier. If Owner does not give You notice that the move-in date is within 30 days after the beginning date of the term of this Lease as stated in Article 2, You may tell Owner in writing, that Owner has 15 additional days to let You move in, or else the Lease will end. If Owner does not allow You to move in within those additional 15 days, then the Lease is ended. Any money paid by You on account of this Lease will then be refunded promptly by Owner.

6. CAPTIONS

In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

7. WARRANTY OF HABITABILITY

A. All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law in the form it may have from time to time during this Lease. Nothing in this Lease can be interpreted to mean that You have given up any of your rights under that law. Under that law, Owner agrees that the Apartment and the Building are fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.

B. You will do nothing to interfere or make more difficult Owner's efforts to provide You and all other occupants of the Building with the required facilities and services. Any condition caused by your misconduct or the misconduct of anyone under your direction or control shall not be a breach by Owner.

8. CARE OF YOUR APARTMENT-END OF LEASE-MOVING OUT

A. You will take good care of the apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. You will move out on or before the ending date of this lease and leave the Apartment in good order and in the same condition as it was when You first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty.

B. When this Lease ends, You must remove all of your movable property. You must also remove at your own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment You may have installed in the Apartment, even if it was done with Owner's consent. You must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. You have not moved out until all persons, furniture and other property of yours is also out of the Apartment. If your property remains in the Apartment after the Lease ends, Owner may either treat You as still in occupancy and charge You for use, or may consider that You have given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at your expense. You agree to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.

9. CHANGES AND ALTERATIONS TO APARTMENT

You cannot build in, add to, change or alter, the Apartment in any way, including wallpapering, painting, repainting, or other decorating, without getting Owner's written consent before You do anything. Without Owner's prior written consent, You cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, You cannot place in the Apartment water-filled furniture.

10. YOUR DUTY TO OBEY AND COMPLY WITH LAWS, REGULATIONS AND LEASE RULES

A. **Government Laws and Orders.** You will obey and comply (1) with all present and future city, state and federal laws and regulations, which affect the Building or the Apartment, and (2) with all orders and regulations of Insurance Rating Organizations which affect the Apartment and the Building. You will not allow any windows in the Apartment to be cleaned from the outside, unless the equipment and safety devices required by law are used.

B. **Owner's Rules Affecting You.** You will obey all Owner's rules listed in this Lease and all future reasonable rules of Owner or Owner's agent. Notice of all additional rules shall be delivered to You in writing or posted in the lobby or other public place in the building. Owner shall not be responsible to You for not enforcing any rules, regulations or provisions of another tenant's lease except to the extent required by law.

C. **Your Responsibility.** You are responsible for the behavior of yourself, of your immediate family, your servants and people who are visiting You. You will reimburse Owner as additional rent upon demand for the cost of all losses, damages, fines and reasonable legal expenses incurred by Owner because You, members of your immediate family, servants or people visiting You have not obeyed government laws and orders or the agreements or rules of this Lease.

11. OBJECTIONABLE CONDUCT

As a tenant in the Building, You will not engage in objectionable conduct. Objectionable conduct means behavior which makes or will make the Apartment or the Building less fit to live in for You or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their Apartments, or causes conditions that are dangerous, hazardous, unsanitary and detrimental to other tenants in the Building. Objectionable conduct by You gives Owner the right to end this Lease.

12. SERVICES AND FACILITIES

A. **Required Services.** Owner will provide cold and hot water and heat as required by law, repairs to the Apartment as required by law, elevator service if the Building has elevator equipment, and the utilities, if any, included in the rent, as set forth in sub-paragraph B. You are not entitled to any rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.

 B. The following utilities are included in the rent Water and Sewer

 C. **Electricity and Other Utilities.** If Owner provides electricity or gas and the charges is included in the rent on Page 1, or if You buy electricity or gas from Owner for a separate (submetered) charge, your obligations are described in the Rider attached to this Lease. If electricity or gas is not included in the rent or is not charged separately by Owner, You must arrange for this service directly with the utility company. You must also pay directly for telephone service if it is not included in the rent.

D. **Appliances.** Appliances supplied by Owner in the Apartment are for your use. They will be maintained and repaired or replaced by Owner, but if repairs or replacement are made necessary because of your negligence or misuse, You will pay Owner for the cost of such repair or replacement as additional rent.

E. **Elevator Service.** If the elevator is the kind that requires an employee of Owner to operate it, Owner may end this service without reducing the rent if: (1) Owner gives You 10 days notice that this service will end; and (2) within a reasonable time

 Space to be filled in.

 Rider to be added, if necessary.

after the end of this year 10-day notice, Owner begins to substitute an automatic control type of elevator and proceeds diligently with its installation.

F. Storeroom Use. If Owner permits You to use any storeroom, laundry or any other facility located in the building but outside of the Apartment, the use of this storeroom or facility will be furnished to You free of charge and at your own risk, except for loss suffered by You due to Owner's negligence. You will operate at your expense any coin operated appliances located in such storeroom or laundries.

13. INABILITY TO PROVIDE SERVICES

Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building. In any of these events, any rights You may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

14. ENTRY TO APARTMENT

During reasonable hours and with reasonable notice, except in emergencies, Owner may enter the Apartment for the following reasons:

(A) To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; to inspect the Apartment and to make any necessary repairs or changes Owner decides are necessary. Your rent will not be reduced because of any of this work, unless required by Law.

(B) To show the Apartment to persons who may wish to become owners or lessees of the entire Building or may be interested in lending money to Owner;

(C) For four months before the end of the Lease, to show the Apartment to persons who wish to rent it;

(D) If during the last month of the Lease You have moved out and removed all or almost all of your property from the Apartment, Owner may enter to make changes, repairs, or redecorations. Your rent will not be reduced for that month and this Lease will not be ended by Owner's entry.

(E) If at any time You are not personally present to permit Owner or Owner's representative to enter the Apartment and entry is necessary or allowed by law or under this lease, Owner or Owner's representatives may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner will not be responsible to You, unless during this entry, Owner or Owner's representative is negligent or misuses your property.

15. ASSIGNING; SUBLETTING; ABANDONMENT

(a) **Assigning and Subletting.** You cannot assign this Lease or sublet the Apartment without Owner's advance written consent in each instance to a request made by You in the manner required by Real Property Law § 226-b. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to request for a Lease assignment properly made, at your request in writing, Owner will end this Lease effective as of thirty days after your request. The first and every other time you wish to sublet the Apartment, You must get the written consent of Owner unless Owner unreasonably withholds consent following your request to sublet in the manner provided by Real Property Law § 226-b. Owner may impose a reasonable credit check fee on You in connection with an application to assign or sublet. If You fail to pay your rent Owner may collect rent from subtenant or occupant without releasing You from the Lease. Owner will credit the amount collected against the rent due from You. However, Owner's acceptance of such rent does not change the status of the subtenant or occupant to that of direct tenant of Owner and does not release You from this Lease.

(b) **Abandonment.** If You move out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended (except as provided by law following Owner's unreasonable refusal to consent to an assignment or subletting requested by You.) You will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease. In case of abandonment, your responsibility for rent will end only if Owner chooses to end this Lease for default as provided in Article 16.

16. DEFAULT

(1) You default under the Lease if You act in any of the following ways:

(a) You fail to carry out any agreement or provision of this Lease;

(b) You or another occupant of the Apartment behaves in an objectionable manner;

(c) You do not take possession or move into the Apartment 15 days after the beginning of this Lease;

(d) You and other legal occupants of the Apartment move out permanently before this Lease ends;

If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within 10 days. You must then either stop or correct the default within 10 days, or, if You need more than 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible.

(2) If You do not stop or begin to correct a default within 10 days, Owner may give You a second written notice that this Lease will end six days after the date the second written notice is sent to You. At the end of the 6-day period, this Lease will end and You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 18.

(3) If You do not pay your rent when this Lease requires after a personal demand for rent has been made, or within three days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: (a) enter the apartment and retake possession of it if You have moved out or (b) go to court and ask that You and all other occupants in the Apartment be compelled to move out.

Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

17. REMEDIES OF OWNER AND YOUR LIABILITY

If this Lease is ended by Owner because of your default, the following are the rights and obligations of You and Owner.

(a) You must pay your rent until this Lease has ended. Thereafter, You must pay an equal amount for what the law calls "use and occupancy" until You actually move out.

(b) Once You are out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the rent in this Lease.

(c) Whether the Apartment is re-rented or not, You must pay to Owner as damages:

(1) the difference between the rent in this Lease and the amount, if any, of the rents collected in any later lease or leases of the Apartment for what would have been the remaining period of this Lease; and

(2) Owner's expenses for advertisements, broker's fees and the cost of putting the Apartment in good condition for re-rental; and

*** (3) Owner's expenses for attorney's fees.

(d) You shall pay all damages due in monthly installments on the rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action.

***This may be deleted.

Initial KP RJ NG

If the rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid rent and damages which You owe Owner, You cannot receive the difference. Owner's failure to re-rent to another tenant will not release or change your liability for damages, unless the failure is due to Owner's deliberate inaction.

18. ADDITIONAL OWNER REMEDIES

If You do not do everything You have agreed to do, or if You do anything which shows that You intend not to do what You have agreed to do, Owner has the right to ask a Court to make You carry out your agreement or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 16 and 17 of this lease.

19. FEES AND EXPENSES

A. Owner's Right. You must reimburse Owner for any of the following fees and expenses incurred by Owner:

- (1) Making any repairs to the Apartment or the Building which result from misuse or negligence by You or persons who live with You, visit You, or work for You;
- (2) Repairing or replacing property damaged by Your misuse or negligence;
- (3) Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organizations concerning the Apartment or the Building which You or persons who live with You, visit You, or work for You have caused;
- (4) Preparing the Apartment for the next tenant if You move out of your Apartment before the Lease ending date;
- *** (5) Any legal fees and disbursements for legal actions or proceedings brought by Owner against You because of a Lease default by You or for defending lawsuits brought against Owner because of your actions;
- (6) Removing all of your property after this Lease is ended;
- (7) All other fees and expenses incurred by Owner because of your failure to obey any other provisions and agreements of this Lease;

These fees and expenses shall be paid by You to Owner as additional rent within 30 days after You receive Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, You will still be liable to Owner for the same amount as damages.

B. Tenant's Right. Owner agrees that unless sub-paragraph 5 of this Article 19 has been stricken out of this Lease You have the right to collect reasonable legal fees and expenses incurred in a successful defense by You of a lawsuit brought by Owner against You or brought by You against Owner to the extent provided by Real Property Law, section 234.

20. PROPERTY LOSS, DAMAGES OR INCONVENIENCE

Unless caused by the negligence or misconduct of Owner or Owner's agents or employees, Owner or Owner's agents and employees are not responsible to You for any of the following (1) any loss of or damage to You or your property in the Apartment or the Building due to any accidental or intentional cause, even a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to your property delivered to any employee of the Building (i.e., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to You by actions, negligence or violations of a Lease by any other tenant or person in the Building except to the extent required by law.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or in behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Also, Owner will not be liable to You for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the rent or allow You to cancel the Lease.

21. FIRE OR CASUALTY

A. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under C below or by You under D below. But the rent will be reduced immediately. This reduction will be based upon the part of the Apartment which is unusable.

B. Owner will repair and restore the Apartment, unless Owner decides to take actions described in paragraph C below.

C. After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving You written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is usable when Owner gives You such notice, this Lease will end 60 days from the last day of the calendar month in which You were given the notice.

D. If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in 30 days, You may give Owner written notice that You end the Lease. If You give that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will refund your security deposit and the pro-rata portion of rents paid for the month in which the casualty happened.

E. Unless prohibited by the applicable insurance policies, to the extent that such insurance is collected, You and Owner release and waive all right of recovery against the other or anyone claiming through or under each applicable policy by way of subrogation.

22. PUBLIC TAKING

The entire building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi-public use or purpose. If this happens, this Lease shall end on the date the government or agency take title and You shall have no claim against Owner for any damage resulting; You also agree that by signing this Lease, You assign to Owner any claim against the Government or Government agency for the value of the unexpired portion of this Lease.

23. SUBORDINATION CERTIFICATE AND ACKNOWLEDGMENTS

All leases and mortgages of the Building or of the land on which the Building is located, now in effect or made after this Lease is signed, come ahead of this Lease. In other words, this Lease is "subject and subordinate to" any existing or future lease or mortgage on the Building or land, including any renewals, consolidations, modifications and replacements of these leases or mortgages. If certain provisions of any of these leases or mortgages come into effect, the holder of such lease or mortgage can end this lease. If this happens, You agree that You have no claim against Owner or such lease or mortgage holder. If Owner requests, You will sign promptly an acknowledgment of the "subordination" in the form that Owner requires.

You also agree to sign (if accurate) a written acknowledgment to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that you have no present claim against Owner.

24. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT

If You pay the rent and any required additional rent on time and You do everything You have agreed to do in this Lease, your tenancy cannot be cut off before the ending date, except as provided for in Article 21, 22, and 23.

25. BILLS AND NOTICE

A. Notices to You. Any notice from Owner or Owner's agent or attorney will be considered properly given to You if it (1) is in writing; (2) is signed by or in the name of Owner or Owner's agent; and (3) is addressed to You at the Apartment and delivered to You personally or sent by registered or certified mail to You at the Apartment. The date of service of any written notice by Owner to you under this agreement is the date of delivery or mailing of such notice.

***This may be deleted.

B. Notices to Owner. If You wish to give a notice to Owner, you must write it and deliver it or send it by registered or certified mail to Owner at the address noted on page 1 of this Lease or at another address of which Owner or Agent has given You written notice.

26. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

A. Both You and Owner agree to give up the right to a trial by jury in a court action, proceeding or counterclaim on any matters concerning this Lease, the relationship of You and Owner as Tenant and Landlord or your use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.

B. If Owner begins any court action or proceeding against You which asks that You be compelled to move out, You cannot make a counterclaim unless You are claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

27. NO WAIVER OF LEASE PROVISIONS

A. Even if Owner accepts your rent or fails once or more often to take action against You when You have not done what You have agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of rent does not prevent Owner from taking action at a later date if You again do not do what You have agreed to do.

B. Only a written agreement between You and Owner can waive any violation of this Lease.

C. If You pay and Owner accepts an amount less than all the rent due, the amount received shall be considered to be in payment of all or a part of the earliest rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the rent due.

D. Any agreement to end this Lease and also to end the rights and obligations of You and Owner must be in writing, signed by You and Owner or Owner's agent. Even if You give keys to the Apartment and they are accepted by any employee, or agent, or Owner, this Lease is not ended.

28. CONDITION OF THE APARTMENT

When You signed this Lease, You did not rely on anything said by Owner, Owner's agent or superintendent about the physical condition of the Apartment, the Building or the land on which it is built. You did not rely on any promises as to what would be done, unless what was said or promised is written in this Lease and signed by both You and Owner or found in Owner's floor plans or brochure shown to You before You signed the Lease. Before signing this Lease, You have inspected the apartment and You accept it in its present condition "as is," except for any condition which You could not reasonably have seen during your inspection. You agree that Owner has not promised to do any work in the Apartment except as specified in attached "Work" rider.

29. DEFINITIONS

A. Owner: The term "Owner" means the person or organization receiving or entitled to receive rent from You for the Apartment at any particular time other than a rent collector or managing agent of Owner. "Owner" includes the owner of the land or Building, a lessor, or sublessor of the land or Building and a mortgagee in possession. It does not include a former owner, even if the former owner signed this Lease.

Noise

7. Tenants, their families, guests, employees, or visitors shall not make or permit any disturbing noises in the Apartment or Building or permit anything to be done that will interfere with the rights, comforts or convenience of other tenants. Also, Tenants shall not play a musical instrument or operate or allow to be operated a phonograph, CD player, radio or television set so as to disturb or annoy any other occupant of the Building.

Unless carried or on a leash, a dog shall not be permitted on any passenger elevator or in any public portion of the building. Also, dogs are not permitted on any grass or garden plot under any condition. BECAUSE OF THE HEALTH HAZARD AND POSSIBLE DISTURBANCE OF OTHER TENANTS WHICH ARISE FROM THE UNCONTROLLED PRESENCE OF ANIMALS, ESPECIALLY DOGS, IN THE BUILDING, THE STRICT ADHERENCE TO THE PROVISIONS OF THIS RULE BY EACH TENANT IS A MATERIAL REQUIREMENT OF EACH LEASE. TENANTS' FAILURE TO OBEY THIS RULE SHALL BE CONSIDERED A SERIOUS VIOLATION OF AN IMPORTANT OBLIGATION BY TENANT UNDER THIS LEASE. OWNER MAY ELECT TO END THIS LEASE BASED UPON THIS VIOLATION.

1. No Rent Regulation. Tenant and Owner acknowledge that both, the Tenant and the Owner in entering into this lease, expressly relied on the fact that this lease, Tenant's tenancy, and the apartment itself are not registered or subject to or intended to be subject to "Rent Stabilization" under the administrative code of the City of New York or any federal, state or New York City statute, code, rule or regulation governing rents and tenancies. Accordingly, Tenant has no right to have this lease renewed and a renewal lease, if agreed upon by the Tenant and the Owner, can be at any rent agreed upon without limitation. Tenant hereby waives any claim, defense or action that this lease, the Tenant's tenancy and/or the apartment are subject to any form of governmental supervision or regulation.

2. Tenant Holdover. (a) Tenant acknowledges that possession of the demised premises must be surrendered to Owner on the expiration or earlier termination of this Lease. Tenant agrees to indemnify and save Owner harmless from and against all claims, losses, damages (including, without limitation, consequential damages), liabilities, cost and expenses (including, without limitation, reasonable attorneys' fees and disbursements (whether or not litigation has commenced) attributable to delay by Tenant in so surrendering the demised premises. Such indemnified matters shall be payable by Tenant on Owner's demand thereof. The provisions of this paragraph 2 shall survive the termination of the Lease.
 (b) If Tenant shall default in surrendering the demised premises upon the expiration or earlier termination of the Term of this Lease, the following shall occur:
 - (i) Tenancy-at-Will. Owner, in Owner's sole discretion, may elect to treat Tenant's occupancy beyond the tenancy on this Lease as a revocable license extended by Owner to Tenant to use the demised premises. Tenant's occupancy subsequent to such expiration or termination, whether or not with the consent or acquiescence of Owner, shall be deemed to be that of a tenancy-at-will and in no event from month to month or from year to year, and it shall be subject to all terms, covenants and conditions of this Lease applicable thereto, including without limitation, those set forth in this holdover provision. In the event that Tenant defaults or remains in possession of the Premises or any part thereof after the expiration of the tenancy-at-will created hereby, then Tenant's occupancy shall be deemed a tenancy-at-sufferance and not a tenancy-at-will.
 - (ii) Fixed Annual Rent Increase. During any period in which Tenant holds over the Fixed Annual Rent shall be two times the monthly amount payable during the last month of the expired lease.
 - (iii) Additional Rent. During the period in which Tenant holds over, Tenant shall pay, in addition to the increased Fixed Annual Rent as set forth above in subparagraph (ii) hereof, all Additional Rent as set forth in this Lease, except that any provisions that limit the amount or defer the payment of such Additional Rent shall be null and void.
 - (iv) No Renewal. No option to extend or renew this Lease shall have been deemed to have occurred by Tenant's holdover. Any and all options to extend or renew set forth in this Lease shall be deemed terminated and shall be of no further effect as of the first date the Tenant holds over.
 - (v) Tenant liable for Damages. In addition to the payment of the increased Fixed Annual Rent as set forth above and all Additional Rent, Tenant shall be liable to Owner for all costs, losses, claims or liabilities (including, without limitation, reasonable attorney's fees) which Owner may incur as a result of Tenant's failure to surrender possession of the demised premises to Owner upon the expiration or earlier termination of this Lease.
 - (vi) Minimum Legal Fees. If Owner shall commence proceedings to dispossess Tenant by reason of Tenant's 'holdover after the expiration of the tenancy hereby created, then Tenant shall pay as Additional Rent, in addition to costs and disbursements, minimum legal fees of \$1,500.00 for each proceeding, so commenced.
 - (vii) No Owner consent. Nothing contained herein shall be construed to constitute Owner's consent to Tenant holding over at the expiration or earlier termination of this Lease term or to give Tenant the right to hold over after the expiration or earlier termination of the Lease term.

(viii) In the event the Tenant or his/her occupant remain in the apartment beyond the expiration date of the Lease, rent for the period shall accrue monthly with no provision for prorating the rent.

3. Assigning, Subletting, Abandonment

(i) Assigning and Subletting. Tenant cannot assign this Lease or sublet the Apartment without the Owner's advance written consent, in each instance, to a request made by Tenant in the manner required by Real Property Law Section 226-b relating to subletting. The Owner may refuse to consent to a lease assignment for any reason or no reason, but if the Owner unreasonably refuses to consent to a request for a Lease assignment properly made, at Tenant's request in writing, this Lease will end effective as of thirty (30) days after the denial of Tenant's request and Tenant's liability, if any, pursuant to this contract shall then cease. The first and every other time Tenant wishes to sublet the Apartment, Tenant must obtain the written consent of the Owner unless the Owner unreasonably withholds consent following Tenant's request to sublet in the manner provided by Real Property Law section 226-b. The Owner may impose a reasonable credit check fee on Tenant in connection with an application to assign or sublet. If Tenant fails to pay Tenant's rent, the Owner may collect rent from Subtenant or occupant without releasing Tenant from the Lease. The Owner will credit the amount collected against the rent due from Tenant. However, the Owner's acceptance of such rent does not change the status of the Subtenant or occupant to that of direct Tenant of the Owner and does not release Tenant from this Lease.

- a. The Owner and Tenant agree that in the event that the Tenant requests permission to assign or sublet apartment the Owner will be entitled to a non-refundable fee of \$750.00 for reviewing the documents which the Tenant may be required to provide to the Owner pursuant to the statute or lease. More importantly, in the event that the Tenant makes such a request to sublet or assign and said request is accepted by the Owner, the Owner shall continue to collect rent from the Tenant (in case of a sublet) and not the sub-tenant in the case of a subletting or from the assignee for the remainder of the term of the lease and, additionally, the Tenant will be required to pay a Fifteen percent (15%) increase in the rent each month (beginning at the commencement date) over and above the current rent due to the Owner pursuant to the terms of the within lease.
- b. In the case of a requested and granted assignment of lease, the lease rent shall increase Fifteen percent (15%) per month (beginning at the commencement date).

(ii) Abandonment. If Tenant moves out of the Apartment (abandonment) before the end of this Lease without the consent of the Owner, this Lease will not be ended (except as provided by law following the Owner's unreasonable refusal to consent to an assignment or subletting requested by Tenant). Tenant will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease. In case of abandonment, Tenant's liability for rent will end only if the Owner chooses to end this Lease for a negotiated consideration and releases Tenant in writing.

(iii) Tenant acknowledges and agrees that the Apartment may be occupied for permanent residence purposes only by the Tenant. By way of example, and without limitation to the foregoing, Tenant covenants, warrants and agrees that the Apartment shall not be occupied as a "bed and breakfast," rooming house, boarding house or as a dwelling occupied by transient boarders, roomers, or lodgers (airbnb, booking.com, VRBO, Homeaway, etc.). The Apartment shall at all times be occupied as a "Class A" multiple dwelling in full compliance with the Multiple Dwelling Law. Tenant acknowledges that Owner has entered into this Lease in reliance on Tenant's agreement to fully comply with the preceding paragraph and that Owner would not have otherwise entered into this Lease but-for the foregoing covenants from Tenant. Accordingly, Tenant acknowledges and agrees that Tenant's failure to comply with the terms of this provision shall be a default under and material breach of this Lease which is not curable under any circumstance, and that in the event Tenant breaches this provision, notwithstanding any other provision contained in this Lease, Owner may terminate this Lease upon service of a 15-day notice of termination upon Tenant and result in the forfeiture of Tenant's Security Deposit. At the expiration of the 15 day notice, this Lease shall cease and determine as though the date set in the afore-said notice were the date upon which the within Lease would naturally terminate. Tenant's liability pursuant to the Lease shall continue until the subject premises is re-rented for the

same or a higher amount of rent per month. In the event that Owner is found in violation of and fined or levied any penalty by any governing authority as a result of Tenant's failure to comply with or default under this section or any other section in this Lease then Tenant shall pay as Additional Rent, in addition to costs, fines, penalties and disbursements, all legal fees incurred by Owner associated with each and any proceeding.

4. No Smoking: Smoking shall include the carrying, combustion, inhaling, exhaling or breathing of any cigarette, e-cigarette, cigar, pipe tobacco, roll-your-own tobacco, other product containing any amount of tobacco, or other like substance, including, but not limited to, marijuana. No Tenant shall smoke in his/her unit or anywhere in or on the property. Tenant shall not allow his/her family members, occupants, invitees or guests to smoke in the Tenant's unit or anywhere on the property. Smoking shall be prohibited throughout the entire building and grounds, including but not limited to, inside all tenants' units, hallways, stairways, foyers, common rooms and facilities, decks, patios, exterior landings, front steps, entrance ways, roof tops, fire escapes, basements, storage areas, parking areas, driveways, walkways, lawns, gardens, adjoining grounds and building facilities. Tenant further acknowledges and agrees to the following:

- (i) that the implementation and/or enforcement of the no smoking rule shall not make the Owner a guarantor of Tenant's health;
- (ii) the implementation and/or enforcement of the no smoking rule shall not, in any way, change the warranty of habitability, the covenant of quiet enjoyment, or other duty of care owed to the Tenant;
- (iii) that Owner's ability to police, monitor, or enforce the no smoking rule is dependent in significant part on compliance by the Tenant.

Owner specifically disclaims any implied or express warranties that the building, common areas, or Tenant's premises will have any higher or improved air quality standards than any other rental property. Owner cannot and does not warranty or promise that the unit or common areas will be free from secondhand smoke during implementation and enforcement efforts by Owner or based on the migration of secondhand originating from areas located off of the property. Any violation of this provision shall constitute a default under this Lease and in addition and without limiting Owner's rights and remedies in consequence of such default, entitle Owner to assess a monetary fine against Tenant for each violation.

5. Late fees: It is agreed and understood by and between the Owner and Tenant herein that the payment of rent to the Owner when due, in the amount due and where same is to be paid to the Owner are of a unique and specific performance to the Owner. Thus, in the event that the Tenant's rent is paid later than the fifth (5th) day of any month in which rent and or additional rent is due hereunder then, and in that event, Tenant shall pay to the Owner, as additional rent with the next rental payment due hereunder or, if this lease is terminated or the lease naturally terminates, within thirty (30) days after same has been billed, a late charge equal to five (5%) percent of the monthly rent.
6. For any non-payment of rent or additional rent payments under this Lease through no faults of the Owner, the Tenant agrees to pay all legal fees and expenses when litigation for collection of rent payment become necessary.
7. In the event that any unforeseen circumstances arise, Owner reserves the right to delay the commencement date of the Lease. In such event, Tenant will be reimbursed on a pro-rata basis for each day that the Lease is deferred.
8. Owner is not responsible to Tenant for Tenant(s) personal property in any event. Tenant understands that it is his/her/their responsibility to obtain apartment insurance for his/her/their own personal property. Tenant shall provide his/her/their own insurance for any theft or damage within the Apartment.
9. Owner has provided One (1) electric heating and air conditioning unit in the Apartment for Tenant's use. The cost of operating this unit, as well as heating and cooling the Apartment is not included in the rent. Tenant shall bear the cost of, and pay for, heating and cooling the Apartment, and must contact Con Edison directly. Tenant shall be responsible for annual cleaning of filters and re-charging of Freon in the air conditioning unit(s) provided within his/her/their Apartment. It is Tenant's responsibility to protect the air conditioning unit from physical damage besides the normal wear and tear.

(A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent.)

4. IF THIS UNIT IS SUBJECT TO ARTICLE 6-A OF THE REAL PROPERTY LAW, KNOWN AS THE NEW YORK STATE GOOD CAUSE EVICTION LAW, AND THIS NOTICE SERVES TO INFORM A TENANT THAT THE LANDLORD IS NOT RENEWING A LEASE, WHAT IS THE GOOD CAUSE FOR NOT RENEWING THE LEASE?

(PLEASE MARK ALL APPLICABLE REASONS)

- A. This unit is exempt from Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law, for the reasons stated in response to question 2, above (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED): _____;
- B. The tenant is receiving this notice in connection with a first lease or a renewal lease, so the landlord does not need to check any of the lawful reasons listed below for not renewing a lease under Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law (IF THIS ANSWER IS CHECKED, NO OTHER ANSWERS TO THIS QUESTION SHOULD BE CHECKED) _____;
- C. The landlord is not renewing the lease because the unit is sublet and the sublessor seeks in good faith to recover possession of the unit for their own personal use and occupancy (exemption under subdivision 3 of section 214 of the Real Property Law): _____;
- D. The landlord is not renewing the lease because the possession, use or occupancy of the unit is solely incident to employment and the employment is being or has been lawfully terminated (exemption under subdivision 4 of section 214 of the Real Property Law): _____;
- E. The landlord is not renewing the lease because the tenant has failed to pay rent due and owing, and the rent due or owing, or any part thereof, did not result from a rent increase which is unreasonable. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published not later than August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent (good cause for eviction under paragraph a of subdivision 1 of section 216 of the Real Property Law): _____;
- F. The landlord is not renewing the lease because the tenant is violating a substantial obligation of their tenancy or breaching any of the landlord's rules and regulations governing the premises, other than the obligation to surrender possession of the premises, and the tenant has failed to cure the violation after written notice that the violation must cease within 10 days of receipt of the written notice. For this good cause to apply, the obligation the tenant violated cannot be an obligation that was imposed for the purpose of circumventing the intent of Article 6-A of the Real Property Law, known as the New York State Good Cause Eviction Law. The landlord's rules or regulations that the tenant has violated also must be reasonable and have been accepted in writing by the tenant or made a part of the lease at the

beginning of the lease term (good cause for eviction under paragraph b of subdivision 1 of section 216 of the Real Property Law): _____;

- G. The landlord is not renewing the lease because the tenant is either (a) committing or permitting a nuisance on the unit or the premises; (b) maliciously or grossly negligently causing substantial damage to the unit or the premises; (c) interfering with the landlord's, another tenant's, or occupants of the same or an adjacent building or structure's comfort and safety (good cause for eviction under paragraph c of subdivision 1 of section 216 of the Real Property Law): _____;
- H. The landlord is not renewing the lease because the tenant's occupancy of the unit violates law, and the landlord is subject to civil or criminal penalties for continuing to let the tenant occupy the unit. For this good cause to apply, a state or municipal agency having jurisdiction must have issued an order requiring the tenant to vacate the unit. No tenant shall be removed from possession of a unit on this basis unless the court finds that the cure of the violation of law requires the removal of the tenant and that the landlord did not, through neglect or deliberate action or failure to act, create the condition necessitating the vacate order. If the landlord does not try to cure the conditions causing the violation of the law, the tenant has the right to pay or secure payment, in a manner satisfactory to the court, to cure the violation. Any tenant expenditures to cure the violation shall be applied against rent owed to the landlord. Even if removal of a tenant is absolutely essential to the tenant's health and safety, the tenant shall be entitled to resume possession at such time as the dangerous conditions have been removed. The tenant also retains the right to bring an action for monetary damages against the landlord or to otherwise compel the landlord to comply with all applicable state or municipal housing codes (good cause for eviction under paragraph d of subdivision 1 of section 216 of the Real Property Law): _____;
- I. The landlord is not renewing the lease because the tenant is using or permitting the unit or premises to be used for an illegal purpose (good cause for eviction under paragraph e of subdivision 1 of section 216 of the Real Property Law): _____;
- J. The landlord is not renewing the lease because the tenant has unreasonably refused the landlord access to the unit for the purposes of making necessary repairs or improvements required by law or for the purposes of showing the premises to a prospective purchaser, mortgagee, or other person with a legitimate interest in the premises (good cause for eviction under paragraph f of subdivision 1 of section 216 of the Real Property Law): _____;
- K. The landlord is not renewing the lease because the landlord seeks in good faith to recover possession of the unit for the landlord's personal use and occupancy as the landlord's principal residence, or for the personal use and occupancy as a principal residence by the landlord's spouse, domestic partner, child, stepchild, parent, step-parent, sibling, grandparent, grandchild, parent-in-law, or sibling-in-law. The landlord can only recover the unit for these purposes if there is no other suitable housing accommodation in the building that is available. Under no circumstances can the landlord recover the unit for these purposes if the tenant is: (a) 65 years old or older; or (b) a "disabled person" as defined in subdivision 6 of section 211 of the Real Property Law. To establish this good cause in an eviction proceeding, the landlord must establish good faith to recover possession of a housing accommodation for the

- L. The landlord is not renewing the lease because the landlord in good faith seeks to demolish the housing accommodation. To establish this good cause in an eviction proceeding, the landlord must establish good faith to demolish the housing accommodation by clear and convincing evidence (good cause for eviction under paragraph h of subdivision 1 of section 216 of the Real Property Law): _____;
- M. The landlord is not renewing the lease because the landlord seeks in good faith to withdraw the unit from the housing rental market. To establish this good cause in an eviction proceeding, the landlord must establish good faith to withdraw the unit from the rental housing market by clear and convincing evidence (good cause for eviction under paragraph i of subdivision 1 of section 216 of the Real Property Law): _____;
- N. The landlord is not renewing the lease because the tenant has failed to agree to reasonable changes at lease renewal, including reasonable increases in rent, and the landlord gave written notice of the changes to the lease to the tenant at least 30 days, but no more than 90 days, before the current lease expired. A rent increase is presumptively unreasonable if the increase from the prior rent is greater than the lower of: (a) 5 percent plus the annual percentage change in the consumer price index for all urban consumers for all items as published by the United States Bureau of Labor Statistics for the region in which the housing accommodation is located, as published by August 1st of each year by the Division of Housing and Community Renewal; or (b) 10 percent (good cause for eviction under paragraph j of subdivision 1 of section 216 of the Real Property Law):_____.

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

Read this entire brochure to learn:

- How lead gets into the body
- About health effects of lead
- What you can do to protect your family
- Where to go for more information

Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

- Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

Simple Steps to Protect Your Family from Lead Hazards

If you think your home has lead-based paint:

- Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at [epa.gov/lead](https://www.epa.gov/lead).
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children avoid fatty (or high fat) foods and eat nutritious meals high in iron and calcium.
- Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Women of childbearing age should know that lead is dangerous to a developing fetus.

- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and, in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.¹

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.²

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at epa.gov/lead.

Initial Initial Initial

¹ “Lead-based paint” is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm), or more than 0.5% by weight.

² “Lead-containing paint” is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorating lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors
- 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this

Initial KP Initial RJ Initial NG

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
 - Portable x-ray fluorescence (XRF) machine
 - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
 - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
 - Sample dust near painted surfaces and sample bare soil in the yard
 - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.³

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children avoid fatty (or high fat) foods and eat nutritious meals high in iron and calcium. Children with good diets absorb less lead.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement professional. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors
- 250 $\mu\text{g}/\text{ft}^2$ for interior windows sills
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs

For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 14 and 15), or visit epa.gov/lead, or call 1-800-424-LEAD.

Renovating, Remodeling, or Repairing (RRP) a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
 - Open-flame burning or torching
 - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment and
 - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

Other Sources of Lead

While paint, dust, and soil are the most common sources of lead, other lead sources also exist:

- **Drinking water.** Your home might have plumbing with lead or lead solder. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might contain lead:

- Use only cold water for drinking and cooking.
- Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.

Call your local health department or water supplier to find out about testing your water, or visit epa.gov/lead for EPA's lead in drinking water information.

- **Lead smelters** or other industries that release lead into the air.
- **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.⁴
- Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.
- Folk remedies, such as "**greta**" and "**azarcon,**" used to treat an upset stomach.

⁴ In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint (16 CFR 1303). In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products (76 FR 44463).

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this handout.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building’s common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant’s lease that clearly states the landlord’s and tenant’s responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for **indoor allergen hazards**.

**RIDER ANNEXED TO AND FORMING PART OF
LEASE DATED 5/26/2026 MADE BY
City Urban Midtown LLC / THG West 49 LLC, AS OWNER,
AND Kayla Pineda, Radhika Jindal, Navita Gupta TENANT(S),
PERTAINING TO APARTMENT # 5A AT
416 West 49th Street, New York, NY 10019**

No Smoking/Smoke-Free Building. Tenant acknowledges and agrees that Owner has adopted a smoke free living policy for the building in an effort to designate the building as smoke free. Tenant covenants and agrees that Tenant shall not smoke or allow smoking, or permit Tenant's household members, relatives, guests, employees or servicepersons to smoke in any area of the building, including within Tenants apartment, any other apartment(s) in the building, and/or in common areas of the building, whether enclosed or outdoors, including, but not limited to, within 15 feet of the Building's entrance and/or adjoining grounds, and/or on or within 15 feet of any balcony or terrace of any apartment ("Common Areas"). The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted cigar, cigarette, e-cigarette, e-cigar, e-pipe, in any form. Smoking also means inhaling, exhaling, and breathing any object, lighted or otherwise, aimed at delivering any substance, including but not limited to nicotine, cannabis, cannabis derived products, cannabinoids, in any manner or in any form.

Effect of Breach/Right to Terminate Lease. Tenant acknowledges and understands that smoking by Tenant and/or Tenant's household members, relatives, guests, employees or servicepersons within Tenant's apartment and/or any other apartment(s) in the building and/or in Common Areas is a breach of a material obligation of the Lease which may entitle the Landlord to commence a summary proceeding or other litigation to terminate the Lease and/or evict the Tenant from the Apartment. In addition, Tenant's covenants contained in this Rider shall be enforceable in a court of competent jurisdiction by a decree of specific performance and/or by appropriate injunctive relief, all in accordance with applicable law. Further, Tenant agrees that the other tenants in the building are third-

party beneficiaries of Tenants smoke free Rider with Owner and that any dispute or lawsuit between tenants in the building against one another shall not create a presumption that the Owner or managing agent or building employees or other agents breached any term or condition of this Rider. Tenant agrees to indemnify and hold Landlord harmless from and against any and all loss and/or damage which Landlord may incur as a result of the breach by Tenant of any of the foregoing restrictions, including, without limitation, any withholding of rent by other tenants of the building, and reasonable attorneys' fees and disbursements incurred by Landlord in connection with any litigation, mediation and/or negotiations with Tenant or any other tenants of the building due to Tenant's breach of any term or condition contained in this Rider. Any and all of Tenant's monetary obligations to Landlord resulting from Tenant's agreement to indemnify and hold Landlord harmless shall be collectible as additional rent.

Tenant to Promote No-Smoking Policy and to Alert Landlord of Violations. Tenant shall inform Tenant's household members, relatives, guests, employees or servicepersons of the no-smoking policy. Tenant shall promptly give Landlord a written statement of any incident where smoke from tobacco products or other lighted products/substances is migrating into Tenant's Apartment from outside of the Apartment and, to the best of Tenants' knowledge, the source or location of such smoke. The failure by Landlord to respond to a complaint by Tenant regarding smoke shall not be construed as a breach of the warranty of habitability, or the covenant of quiet enjoyment, nor shall it be deemed to be a constructive eviction of the Tenant.

Landlord Not a Guarantor of Smoke-Free Environment. Tenant acknowledges that Landlord's adoption of a smoke-free initiative for the building and the efforts to convert the building over time to a smoke-free environment does not make the Landlord, or any of its managing agents and/or employees, guarantor(s) of Tenant's health and/or of the smoke-free condition of the Apartment and/or the building. However, Landlord shall take reasonable steps to enforce the smoke-free terms of its leases. Landlord is not required to take steps in response to smoke from smoking and/or smoking unless and/or until

Landlord is put on actual notice of the presence of smoke from smoking and/or smoking, based upon personal knowledge and/or written notice by a tenant.

Disclaimer by Landlord. Tenant acknowledges that Landlord's adoption of a smoke-free initiative/policy for the building does not, in any way, change or increase the standard of care that the Landlord and/or the managing agent has, may have or would have to Tenant or to Tenant's household members, relatives, guests, employees or servicepersons to render the building and the subject premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Landlord specifically disclaims any implied or express warranties that the building, Common Areas and/or the Apartment will have any higher or improved air quality standards than any other rental property. Landlord cannot and does not warranty or promise that the Apartment or Common Areas will be free from smoke and/or secondhand smoke. Tenant acknowledges that Landlord's ability to police, monitor, or enforce the agreements in this Rider is dependent, in significant part, on voluntary compliance by Tenant and Tenant's household members, relatives, guests. Tenants with respiratory ailments, allergies, and/or any other physical or mental conditions relating to smoke/smoking are put on notice that Landlord does not assume any higher duty of care to enforce this Rider than any other landlord obligation under the Lease.

Existing Tenants. Tenant is hereby advised that all new tenants moving into the building are obligated not to smoke in their apartment(s) and/or in Common Areas. New tenant(s) acknowledge(s) that existing tenants residing in the building under an existing lease may not currently be required to comply with this smoke free rider and will not be required to do so until such time that the existing tenant renews his/her lease, and then, only if Landlord is legally permitted to include such a Rider to the existing tenant's renewal lease.

Waiver. The failure or omission by Landlord to enforce, for any period of time, any provision of this Rider shall not be deemed or construed as a waiver of that provision or

any other provision of this Rider, shall not constitute an agreement, express or otherwise, to modify, change or alter the terms of this Rider, and/or shall not constitute a waiver by or estoppel against Landlord to insist upon full and complete performance of the terms and conditions of this Rider, as written.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be duly executed and acknowledged as of the day and year first above written.
