# NYC Fair Chance Housing Notice: Criminal Records

As of January 1, 2025, in NYC, it is illegal for most housing providers to discriminate on the basis of a conviction history in rentals or sales, including co-ops and condos.

The protections of the NYC Fair Chance Housing Law apply to current tenants as well as applicants.

| It is a violation of the Law for covered housing providers to:                                                                    |                                                                                                                           |
|-----------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Make statements about criminal background checks or criminal records or express limitations on this basis in ads and applications | Treat applicants or tenants differently because of a conviction history except as allowed by the Fair Chance Housing Law. |

Covered housing providers **may NEVER** change the terms of a sale or lease because of a conviction history. Covered housing providers **may** revoke a housing offer or decline to renew a lease **ONLY** based on limited kinds of convictions and **ONLY** when they follow the requirements of the Fair Chance Housing Law.

The NYC Fair Chance Housing Law does not require housing providers to run criminal background checks. Any housing provider can accept a renter or buyer without following the steps below. The steps below are only for covered housing providers that choose to run a background check.

## If a Covered Housing Provider Chooses to Run a Criminal Background Check: You Have Rights.

Covered housing providers **must first** consider your general housing eligibility (ability to meet lease terms) AND make a conditional offer of housing. **Only after** this conditional offer is it lawful for a covered housing provider to run a criminal background check.

**Before** conducting a criminal background check, covered housing providers must:

- Make you a conditional offer of housing AND
- Give you a copy of this notice explaining your rights

Housing providers are also responsible for compliance with laws governing the collection and use of personal information, such as Federal and State Fair Credit Reporting Acts.

### Conditional Offer of Housing

A conditional offer of housing is a **written lease, rental agreement, or agreement for a sale** that conditionally commits a unit(s) to a renter or buyer and can only be revoked in limited circumstances. Next a covered housing provider chooses either:

| NOT to conduct a criminal background check                                                                                                                      | TO conduct a criminal background check                                                                                |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| At this time, the housing provider can either finalize the offer or revoke it for a lawful, non-discriminatory purpose that is unrelated to conviction history. | It is illegal for the housing provider to seek or review your conviction history before you have a conditional offer. |

**Criminal Background Check**

If a covered housing provider chooses to run a criminal background check after making you a conditional offer, they may only consider **very limited** categories of convictions:

- convictions that require registration on a sex offense registry at the time of the background check
- felony convictions from the last 5 years, except those below
- misdemeanor convictions from the last 3 years, except those below

The 3 or 5 years are measured from the **actual date of release OR the sentencing date** (if the sentence does not include jail or prison time), regardless of probation or parole status.

A covered housing provider can **NEVER** consider arrests or pending cases, or:

- convictions that were sealed, expunged, are under an executive pardon or certificate of relief from disabilities, or legally nullified or vacated
- convictions for violations, which are non-criminal offenses such as disorderly conduct
- convictions under federal law or another state's law for conduct related to reproductive or gender affirming care that is lawful in New York State
- convictions under federal law or another state's law for cannabis possession that does not constitute a felony in New York State
- Adjudgments in Contemplation of Dismissal (ACDs)
- adjudications as a youthful offender or for juvenile delinquency
- terminations in favor of an individual, including but not limited to, acquittals, reversals upon appeal, and exonerations)
- Dispositions of criminal matters under federal law or another state's law that are comparable to those listed here.

It is illegal for a covered housing provider to consider information in these categories. In addition, tenant screening companies may be held liable under federal fair housing laws for discriminatory decisions by housing providers.

**Right to Provide Support for Your Application**

After considering only reviewable convictions, a covered housing provider that wants to revoke a housing offer must **FOLLOW THE FAIR CHANCE HOUSING PROCESS** while holding a unit open. They must:

1. Give you a copy of all criminal history information they received and/or reviewed
2. Allow you 5 business days to respond by:
  - pointing out errors in the conviction history
  - identifying any information that should not have been considered (any information outside the lawfully reviewable convictions)
  - sharing information on your background, personal and professional references, and/or any information that supports your application.

You are not required to provide information to support your application at this stage. A housing provider must complete an individualized assessment even if you do not provide supporting information.

**Right to an Individualized Assessment of Your Application**

**A covered housing provider must conduct an individualized assessment of the reviewable convictions, together with any other information that you have timely submitted.**

| A covered housing provider CANNOT revoke a conditional offer of housing after running a criminal background check except in two <b>limited circumstances</b> :                                                                                        |                                                                                                                                                                                     |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| After conducting an individualized assessment if they show in writing BOTH: <ul style="list-style-type: none"><li>• a legitimate business interest AND</li><li>• how the legitimate business interest is linked to your individual history.</li></ul> | If they show <i>new information, unrelated to criminal history</i> , that impacts your qualifications for tenancy and that they did not know at the time of your conditional offer. |

**Legitimate Business Interest**

A covered housing provider’s legitimate business interest must be specific and objective. Compliance with a particular lease term is a permissible legitimate business interest. Purely discriminatory motives, stigma, stereotypes, or assumptions never constitute a legitimate business interest.

A covered housing provider that shows a legitimate business interest must also **explain** the link between that interest and your particular individual history in light of the individual information you shared to justify a decision to revoke your conditional offer of housing. **The existence of a conviction alone never creates that link.**

The following are not legitimate business interests and do not establish a sufficient link to justify a housing provider’s decision to revoke an offer:

- |                                                                                 |                                           |
|---------------------------------------------------------------------------------|-------------------------------------------|
| • "I don't want a hot spot for law enforcement"                                 | • "We don't want bad guys hanging around" |
| • "The applicant seems likely to commit another crime and I want tenant safety" | • "My tenants don't want criminals"       |
| • "This is a family building"                                                   | • "My insurance rates will go up"         |
|                                                                                 | • "This will impact my property value"    |

**Revoking a Conditional Offer of Housing**

Before a covered housing provider can revoke a conditional offer because of your criminal history, the housing provider **MUST** take the following steps:

1. Do an individualized assessment of your reviewable convictions **AND** the information you provided
2. Give you copies of all documents that it received and/or reviewed
3. Give you a written statement that explains:
  - the decision to revoke based on your conviction history **AND** the link to a legitimate business interest
  - how your individual information and circumstances were taken into account

**Exemptions for Housing Providers**

- Housing provider-occupied properties with 2 or fewer rooms or units are not covered by the NYC Fair Chance Housing Law .
- State or federally funded housing providers, including public housing authorities that are required or authorized to take specific actions related to criminal history **CAN** take such specific actions without violating the NYC Fair Chance Housing Law .

#### A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under FCRA. **For more information, including information about additional rights, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your "file disclosure"). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore)
- **You may limit "prescreened" offers of credit and insurance you get based on information in your credit report.** Unsolicited "prescreened" offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- The following FCRA right applies with respect to nationwide consumer reporting agencies:

#### CONSUMERS HAVE THE RIGHT TO OBTAIN A SECURITY FREEZE

**You have a right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization.** The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).

**States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:**

You have a right to place a "security freeze" on your credit report, which will prohibit a consumer credit reporting agency from releasing information in your credit report without your express authorization. A security freeze must be requested in writing by certified or overnight mail. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent.

To place a security freeze on your credit report, you must contact each of these credit reporting agencies:

### **Equifax Security Freeze**

P.O. Box 105788

Atlanta, GA 30348

(800) 685-1111

<https://www.freeze.equifax.com>

### **Experian Security Freeze**

P.O. Box 9554

Allen, TX 75013

(888) 397-3742

### **TransUnion LLC**

P.O. Box 2000

Chester, PA 19022-2000

(888) 909-8872

[www.transunion.com/personal-credit/credit-disputes/credit-freezes.page](http://www.transunion.com/personal-credit/credit-disputes/credit-freezes.page)

However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit mortgage, government services or payments, insurance, rental housing, employment, investment, license, cellular phone, utilities, digital signature, Internet credit card transaction, or other services, including an extension of credit at point of sale. When you place a security freeze on your credit report, you will be provided a personal identification number or password to use if you choose to remove the freeze on your credit report or authorize the release of your credit report to a specific party or for a period of time after the freeze is in place. To provide that authorization you must contact the consumer credit reporting agency and provide all of the following:

1. The personal identification number or password;
2. Proper identification to verify your identity;
3. The proper information regarding the party or parties who are to receive the credit report or the period of time for which the report shall be available to users of the credit report; and
4. Payment of any applicable fee.

A consumer reporting agency must authorize the release of your credit report no later than three business days after receiving the above information.

A security freeze does not apply to circumstances in which you have an existing account relationship and a copy of your report is requested by your existing creditor or its agents or affiliates for certain types of account review, collection, fraud control or similar activities.

If you are actively seeking credit, you should understand that the procedures involved in lifting a security freeze may slow your application for credit. You should plan ahead and lift a freeze, either completely if you are shopping around, or specifically for a certain creditor, before applying for new credit.

Additional rights under your state's law, which are also in the federal Fair Credit Reporting Act, are explained in the enclosed Summary of Your Rights under the Fair Credit Reporting Act.

# Important Information

## SoFi Insured Deposit Program

For participants in the SoFi Insured Deposit Program (the "Program"), SoFi Bank may place your cash balances, including amounts below the Standard Maximum Deposit Insurance Amount (the "SMDIA," currently \$250,000 for individual accounts and \$500,000 for joint accounts), into deposit accounts at multiple FDIC-insured participating banks, as set forth in the Program Terms and Conditions, which can be found at <https://www.sofi.com/banking/fdic/sidpterm>. The maximum FDIC insurance coverage available through the Program is \$3.0 million per depositor per legal category of account ownership (including balances retained at SoFi Bank).

If you have designated Payable on Death ("POD") beneficiaries to your Checking and Savings accounts, your FDIC insurance coverage may be increased. For individual accounts, deposits will be insured up to \$250,000 per unique primary beneficiary, up to a maximum of \$1,250,000 if five or more beneficiaries are named. For joint accounts, deposits will be insured up to \$500,000 per unique primary beneficiary, up to a maximum of \$1,250,000 per account owner, subject to FDIC rules. If you have designated only secondary beneficiaries (i.e., no primary beneficiaries), SoFi Bank will treat these secondary beneficiaries as primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances placed into the Program.

On May 1, 2026, we moved balances over \$250000 into the participating banks. Below is the breakdown of how those funds were distributed based on data from the previous business day:

## SoFi Insured Deposit Program

For participants in the SoFi Insured Deposit Program (the "Program"), SoFi Bank may place your cash balances, including amounts below the Standard Maximum Deposit Insurance Amount (the "SMDIA," currently \$250,000 for individual accounts and \$500,000 for joint accounts), into deposit accounts at multiple FDIC-insured participating banks, as set forth in the Program Terms and Conditions, which can be found at <https://www.sofi.com/banking/fdic/sidpterm>. The maximum FDIC insurance coverage available through the Program is \$3.0 million per depositor per legal category of account ownership (including balances retained at SoFi Bank).

If you have designated Payable on Death ("POD") beneficiaries to your Checking and Savings accounts, your FDIC insurance coverage may be increased. For individual accounts, deposits will be insured up to \$250,000 per unique primary beneficiary, up to a maximum of \$1,250,000 if five or more beneficiaries are named. For joint accounts, deposits will be insured up to \$500,000 per unique primary beneficiary, up to a maximum of \$1,250,000 per account owner, subject to FDIC rules. If you have designated only secondary beneficiaries (i.e., no primary beneficiaries), SoFi Bank will treat these secondary beneficiaries as primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances placed into the Program.

On May 1, 2026, we moved balances over \$250000 into the participating banks. Below is the breakdown of how those funds were distributed based on data from the previous business day:

# Important Information

## SoFi Insured Deposit Program

For participants in the SoFi Insured Deposit Program (the "Program"), SoFi Bank may place your cash balances, including amounts below the Standard Maximum Deposit Insurance Amount (the "SMDIA," currently \$250,000 for individual accounts and \$500,000 for joint accounts), into deposit accounts at multiple FDIC-insured participating banks, as set forth in the Program Terms and Conditions, which can be found at <https://www.sofi.com/banking/fdic/sidpterm>. The maximum FDIC insurance coverage available through the Program is \$3.0 million per depositor per legal category of account ownership (including balances retained at SoFi Bank).

If you have designated Payable on Death ("POD") beneficiaries to your Checking and Savings accounts, your FDIC insurance coverage may be increased. For individual accounts, deposits will be insured up to \$250,000 per unique primary beneficiary, up to a maximum of \$1,250,000 if five or more beneficiaries are named. For joint accounts, deposits will be insured up to \$500,000 per unique primary beneficiary, up to a maximum of \$1,250,000 per account owner, subject to FDIC rules. If you have designated only secondary beneficiaries (i.e., no primary beneficiaries), SoFi Bank will treat these secondary beneficiaries as primary beneficiaries for purposes of calculating FDIC insurance coverage and determining the amount of your cash balances placed into the Program.

On Jun 1, 2026, we moved balances over \$250000 into the participating banks. Below is the breakdown of how those funds were distributed based on data from the previous business day:
