This paragraph shall also include the public areas of the building.

17th DEFAULT: If the Tenant is dispossessed by legal action the Landlord may enter and take possession of the premises without being liable to prosecution for this action, and may re-rent the apartment. The Tenant will be liable to the Landlord for any and all expenses related to the entering, repairing, redecorating and re-renting. In the event the Tenant fails to comply with any obligations of this lease or fails to comply with rules or regulations in this lease after 10 days notice to cure such failure or creates a nuisance or engages in conduct detrimental to the safety of other tenants or intentionally damages the property, or disturbs other tenants, then the Landlord may terminate the tenancy and lease on seven days written notice to the Tenant. Notwithstanding the foregoing, the Landlord shall not be required to give any preliminary notice to the Tenant prior to initiating a non-payment summary proceeding except such notice or notices as may be required by law. Any DEMAND for rent may be made orally or in writing at the option of the Landlord.

18th PAYMENT OF LANDLORD'S EXPENSES: Any expense incurred by landlord in connection with any performance by it for the account of Tenant and all costs and expenses, including reasonable attorneys' fees (whether or not legal proceedings are instituted), involved in collecting rents or enforcing the obligations of Tenant under this lease, including the cost and expense of instituting and prosecuting legal proceedings or recovering possession of the premises after default by Tenant or upon expiration or sooner termination of this lease, shall be due and payable by Tenant, on demand, as Additional Rent. In the event the Tenant does not defend any legal proceeding brought by the Landlord and there is no resolution of the matter by a Court, then in such event the legal fees incurred by the Landlord may be recovered in any subsequent legal proceeding involving the Landlord and Tenant. Notwithstanding the foregoing, neither landlord nor tenant shall be entitled to collect legal fees from the other with respect to any legal proceeding or action involving succession rights of any person.

19th SUBORDINATION: Any mortgage which is now in effect or which may be made after this lease or any lease on the land or building of which this apartment is part, or any extensions, modifications, consolidations or replacement of any lease or mortgages provided for in this article shall have priority over this lease. The Tenant agrees to sign any acknowledgment of this clause and hereby appoints the Landlord the Attorney-In-Fact for the Tenant to execute and deliver such acknowledgment on behalf of the Tenant. This lease shall be "subordinate" to any lease or financing as provided for in this paragraph.

20th SERVICES: The Landlord will provide the following services provided that the Tenant is not in default under the terms of this lease:

- a) Hot and cold water and heat as required by law

- b) Elevator service if the building is equipped with an elevator.

The Landlord shall have the right to change operator elevators to self-service elevators and may dispense with the services of doormen, elevator operators and attendants which shall in no way affect or impair the obligations of the Landlord or hold the Landlord liable for prosecution for any damage, and the Tenant shall not receive any abatement in rent if any change is made.

- c) The Landlord shall not be liable for the failure to supply any services by reasons of strikes, lockouts, accidents, delays in securing supplies or labor, or by reason of other causes beyond the control of the Landlord, and the Tenant shall not receive any allowance or abatement in rent.

21st NO TRIAL BY JURY: It is agreed by the Landlord and the Tenant that the right to trial by jury is hereby waived in any action or proceeding brought by any party to the lease against the other or any matter whatsoever, arising out of or in any way connected with this lease and/or any claim of injury or damage, unless such waiver is contrary to law. **THE RIGHT TO A TRIAL BY JURY IS AN IMPORTANT RIGHT OF THE TENANT, AND THE TENANT IS AGREEING NOT TO DEMAND A TRIAL BY JURY.**

22nd NO RIGHT OF RE-ENTRY: The Tenant waives the right to go back into the apartment by any existing law or under any future law after a final order or judgment in any action or legal proceeding has been signed or after the Tenant shall have been removed from the leased apartment.

23rd CONSTRUCTIVE EVICTION: No act of constructive eviction shall end this lease or release the Tenant from liability to pay rent or give the Tenant the right to claim any damages from the Landlord. The Landlord shall not be required to stop nuisances or noise created by other Tenants residing at the premises. Any disturbing acts of other Tenants shall not be constructive eviction and shall in no way affect the obligations of the Tenant under this lease.

24th ABANDONMENT: The removal of all or a substantial part of the Tenant's furniture from the apartment or any indications by other means that the apartment has been vacated shall be deemed an abandonment by the Tenant. The Landlord may then reenter and take possession of the apartment, repair and redecorate it for the purpose of re-renting whether or not the Tenant has surrendered the keys. Such taking by the Landlord shall not be deemed to relieve the Tenant from liability to pay the rent. The Tenant releases the Landlord from any and all claims for damages by reason of such re-entry.

25th WINDOW CLEANING: The Tenant shall not allow any windows to be cleaned from the outside.

26th CONDEMNATION: If the premises shall be taken or condemned, in whole or in part, by any authority, then the term of this lease shall be terminated from the date when possession shall be taken. The Tenant shall not be entitled to any portion of any award due to such condemnation or taking, however, the rent shall be apportioned.

27th RULES AND REGULATIONS: a) The Tenant shall not install a waterbed, laundry machine, dishwasher, air conditioner, refrigerator, sink, kitchen cabinets, stove or other mechanical equipment or an antenna, in or outside the apartment, without the written consent of the Landlord. If Tenant is permitted and does install a window air conditioner, the Landlord is entitled to receive a rent increase. The rent increase is payable to the Landlord on the first day of the month following installation, b) the Tenant shall not apply wallpaper or wall covering to the walls or ceilings. When the Tenant vacates the apartment, it shall be left painted in the same off-white color as when rented. The Tenant may not paste any carpet, tile or linoleum to the floors, c) the Tenant shall not have any dog, cat or other animal on the premises unless permitted in writing by the Landlord. In no event shall any dog, cat or other animal be permitted in any elevator or in any public portion of the building unless carried or on a leash, d) the sidewalks, entrances, passages, courts, elevators, vestibules, stairways or halls must not be blocked by any Tenant or used for any purpose other than as a means of passing to and from the premises. No garbage cans, carriages, supplies or other articles shall be placed in the halls or on the staircase landings. Nothing shall be hung from the windows or balconies or placed upon the window sills or fire-escapes. No rugs or mops shall be shaken from any window on the premises. Fire escapes shall not be obstructed in any manner, e) garbage and refuse must be brought to the basement or elsewhere in such a manner that the Landlord may direct. No dumbwaiter service is provided, f) the Tenant must provide a key to any and all locks to the Tenant's apartment to the Landlord or his agent, if requested, and the Landlord must pay to the Tenant the reasonable cost of the keys. Tenant shall not install a double-keyed cylinder on any lock, g) No tenant shall conduct or permit to be conducted vocal or instrumental instructions, h) all deliveries must be made through the basement of the building, i) Tenant shall not install any gate on any window unless the gate shall be the type approved by the law, j) Tenant shall make no alterations to the apartment, structural or otherwise.

28th NO PETS: Dogs, Cats or other animals shall not be harbored in the apartment or building. Failure to comply with this legal provision is sufficient reason for termination of the tenancy and lease.

29th SMOKE AND CARBON MONOXIDE ALARMS: The Tenant knows that the apartment being rented has smoke and carbon monoxide alarms in proper working order and that it is the Tenant's responsibility to maintain the alarms including replacing the battery when necessary and replacing any alarm that is missing, stolen or removed or broken during the Tenant's occupancy.

In the event you utilize, in addition to the bedrooms, any other room in the apartment for sleeping, you will notify the Landlord and permit the Landlord access to determine if additional carbon monoxide alarms are required for the apartment. In the event additional alarms are required, you will be responsible to pay \$25.00 each, as the cost of installation and you will then have an obligation to maintain the alarm including battery replacement when necessary and replacing any alarm that is missing, stolen, removed or broken.

30th NO WAIVER: The failure of the Landlord to insist, at any time, upon strict performance of any clause in this lease shall not be construed as a waiver of the Landlord's rights. No waiver by the Landlord of any provision of this lease can be made unless in writing by the Landlord. Acceptance of rent by the Landlord with knowledge of a breach of any condition or term of this lease is not a waiver of the breach.

31st VACANCY BEFORE END OF LEASE: In the event the Tenant vacates the apartment prior to the expiration of this lease, there will be a \$100.00 service charge to the Tenant in addition to any other costs or charges that may be incurred. Payment of the service charge shall not act to release tenant from the balance of the term of the lease.

32nd WINDOW GUARDS: Tenant hereby agrees to notify Landlord if any child age 10 or under occupies this apartment so that Landlord may install window guards in each window of the apartment in accordance with the law.

33rd NO COUNTERCLAIMS: If the Landlord commences any legal proceeding or action against the Tenant, the Tenant shall NOT make any counterclaims in such action or proceeding unless it is based on a claim that Landlord has not properly maintained the building or the condition of your apartment. The first rent charged to the first rent stabilized tenant becomes the initial legal regulated rent for the apartment under the rent stabilization system. However, if the tenant has reason to believe that this rent exceeds a "fair market rent", the tenant may file a "Fair Market Rent Appeal" with DHCR. The owner is required to give the tenant notice, on DHCR Form RR-1, of the right to file such an appeal. The notice must be served by certified mail. A tenant only has 90 days, after such notice was mailed to the tenant by the owner by certified mail, to file an appeal. Otherwise, the rent set forth on the registration form becomes the initial legal regulated rent.

Section 3 - PROVISIONS

INTRODUCTION:

This Rider is issued by the New York State Division of Housing and Community Renewal ("DHCR"), pursuant to the Rent Stabilization Law ("RSL") and Rent Stabilization Code ("RSC"). It generally informs tenants and owners about their basic rights and responsibilities under the RSL.

This Rider does not contain every rule applicable to rent stabilized apartments. It is only informational and its provisions are not part of and do not modify the lease. However, it must be attached as an addendum to the lease. It does not otherwise replace or modify more exact or complete sections of the RSL, the RSC, any order of DHCR, or any order of the New York City Rent Guidelines Board that govern this tenancy. The owner must comply with all applicable state, federal and local fair housing laws and nondiscrimination requirements.

The Appendix lists organizations which can provide assistance to tenants and owners who have inquiries, complaints or requests relating to subjects covered in this Rider.

Tenants should keep a copy of this Rider and of any lease they sign and carefully review the summary of lawful rent increases described. Any tenant who believes that the rent they are being charged may be unlawful may consider requesting a rent history of their apartment from DHCR (www.hcr.ny.gov). After reviewing the rent history, the tenant can make an informed decision whether to file form RA-89 "Tenant's Complaint of Rent and/or Other Specific Overcharges in a Rent Stabilized Apartment."

1. RENEWAL LEASES

The owner is entitled to increase the rent when a tenant renews a lease ("renewal lease"). Each year, effective October 1, the New York City Rent Guidelines Board sets the percentage of maximum permissible increase over the immediately preceding September 30th rent for leases which will begin during the year for which the guidelines order is in effect. The date a lease starts determines which guidelines order applies.

Guidelines orders provide increases for Renewal Leases. The renewing tenant has the choice of the length of the lease. Different percentages are set for rent increases for leases of one or two years. For additional information see DHCR Fact Sheet #26.

2. VACANCY LEASES

The owner is entitled to increase the previous legal regulated rent when a new tenant enters into a lease for the first time and this is referred to as a vacancy lease. The tenant may choose between a one or two-year lease term. The allowable increase is set by the Rent Guidelines Board. However, no more than one guideline board increase may be added per guideline year. Lawful Major Capital Improvement and Individual Apartment Improvements may also be added to the rent.

3. SECURITY DEPOSITS

An owner may collect a security deposit no greater than one month's rent. When the rent is increased, the owner may charge an additional amount to bring the security deposit up to the full amount of the increased rent to which the owner is entitled. If a preferential rent is being charged, the amount of the security deposit collected can be no higher than the preferential rent.

A security deposit must be deposited in an interest bearing trust account in a banking organization in New York State. The tenant has the option of applying the interest to the rent, leaving the interest in the bank or receiving the interest annually. For additional information see DHCR Fact Sheet #9.

4. OTHER RENT INCREASES

In addition to guideline increases, the rent may be permanently increased based upon the following:

- (A) **Individual Apartment Improvements (IAI)** – When an owner installs a new appliance or makes an improvement to an apartment the owner may be entitled to an IAI rent Increase. Tenant written consent for the improvement and rent increase is only required if the apartment is occupied by a tenant. It is not required for a vacant apartment.

In buildings with 35 units or less, the increase is limited to 1/168th of the cost of the improvement. In buildings with more than 35 units, the increase is limited to 1/180th of the cost of the improvement.

No more than three IAI increases can be collected in a 15-year period and the total cost of the improvements eligible for a rent increase calculation cannot exceed \$15,000. Work must be done by a licensed contractor and there is a prohibition on common ownership between the contractor and the owner. The apartment must be free and clear of any outstanding hazardous and immediately hazardous violations. The written consent provided by the tenant in occupancy must be on a DHCR form. A translated version in the top 6 languages spoken other than English will be made available for review on the DHCR website. Owners are required to maintain supporting documentation and photographs for all IAI installations, which commencing June 14, 2020 will be submitted to and stored by DHCR in an electronic format. The IAI rent increase is temporary, as it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline increases that were previously compounded on a rent that included the IAI.

The DHCR Lease Rider offered to vacancy lease tenants contain notification to the tenant of the right to request from the owner by certified mail Individual Apartment Improvements (IAI's) supporting documentation at the time the lease is offered or within 60 days of the execution of the lease. The owner shall provide such documentation within 30 days of that request in person or by certified mail. A tenant who is not provided with that documentation upon demand may file form RA-90 "Tenant's Complaint of Owner's Failure to Renew Lease and/or Failure to Furnish a copy of a Signed Lease" to receive a DHCR Order that directs the furnishing of the IAI supporting documentation. (Refer to Rider Section 1, Individual Apartment Improvements.)

IAI rent increases cannot be collected if a DHCR order reducing rent for decreased services is in effect and has an earlier effective date. It can be collected prospectively on the effective date of a DHCR order restoring the rent.

- (B) **Major Capital Improvements (MCI)** – An owner is permitted a rental increase for building-wide major capital improvements, such as the replacement of a boiler or new plumbing. Major Capital Improvement rent increases are prohibited in buildings that contain 35% or fewer rent regulated apartments. The owner must file an application with DHCR and all supporting documentation is audited.

DHCR may issue an order denying the increase or granting it in part or in whole and serve the order on the owner and all tenants in the building. The rent increase approved in the DHCR order is collectible prospectively, on the first day of the first month 60 days after issuance. There are no retroactive rent increases. The collection of the increase is limited to a 2% cap/yearly phase-in. The 2% cap also applies to MCI rent increases not yet collected that were approved on or after June 14, 2012. Upon vacancy, the remaining balance of the increase can be added to the legal rent. In buildings with 35 or fewer units, the cost is amortized over a 12-year period. In buildings with more than 35 units, the cost is amortized over 12 ½ years. The building must be free and clear of any outstanding hazardous and immediately hazardous violations. The MCI rent increase is temporary and it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline increases that were previously compounded on a rent that included the MCI rent increase.

Vacancy lease tenants are to be notified in their lease about pending MCI applications.

- (C) **Hardship** – An owner may apply to increase the rents of all rent stabilized apartments based on hardship when:

1. the rents are not sufficient to enable the owner to maintain approximately the same average annual net income for a current three-year period as compared with the annual net income which prevailed on the average over the period 1968 through 1970, or for the first three years of operation if the building was completed since 1968, or for the first three years the owner owned the building if the owner cannot obtain records for the years 1968-1970; or
2. where the annual gross rental income does not exceed the annual operating expenses by a sum equal to at least 5% of such gross income.

If an application for a rent increase based on a major capital improvement or hardship is granted, the owner may charge the increase during the term of an existing lease only if the lease contains a clause specifically authorizing the owner to do so.

5. RENT REGISTRATION

(A) Initial

An owner must register an apartment's rent and services with DHCR when the building first becomes subject to the RSL and in adherence to any related regulatory agreements and/or tax benefit programs.

(B) Annual

The annual registration must be filed with DHCR no earlier than April 1st of each year. At the time of such filing, the owner must provide each tenant with the tenant's copy.

(C) Penalties

Failure to register may result in such penalties, rent reductions, and other remedies as permitted by law.

6. RENEWAL LEASES

A tenant has a right to a renewal lease, with certain exceptions (see Provision 10 of this Rider, "When An Owner May Refuse To Renew A Lease").

At least 90 days and not more than 150 days before the expiration of a lease, the owner is required to notify the tenant in writing that the lease will soon expire. That notice must also offer the tenant the choice of a one or two-year lease at the permissible guidelines increase. After receiving the notice, the tenant always has 60 days to accept the owner's offer, whether or not the offer is made within the above time period, or even beyond the expiration of the lease term.

Any renewal lease, except for the amount of rent and duration of its term, is required to be on the same terms and conditions as the expired lease, and a fully executed copy of the same must be provided to the tenant within 30 days from the owner's receipt of the renewal lease or renewal form signed by the tenant. If the owner does not return a copy of such fully executed Renewal Lease Form to the tenant within 30 days of receiving the signed renewal lease from the tenant, the tenant is responsible for payment of the new lease rent and may file a "Tenant's Complaint of Owner's Failure to Renew Lease and/or Failure to Furnish a Copy of a Signed Lease" (DHCR Form RA-90). DHCR shall order the owner to furnish the copy of the renewal lease or form. If the owner does not comply within 20 days of such order, the owner shall not be entitled to collect a rent guideline increase until the lease or form is provided.

It is illegal for an owner to require a rent stabilized tenant to provide immigration status information or a Social Security number as a condition to renewing the lease. (For additional information on the rights of foreign-born tenants see DHCR Fact Sheet #45.)

If a tenant wishes to remain in occupancy beyond the expiration of the lease, the tenant may not refuse to sign a proper renewal lease. If the tenant does refuse to sign a proper renewal lease, he or she may be subject to an eviction proceeding.

An owner may add to a renewal lease the following clauses even if such clauses were not included in the tenant's prior lease:

- (A) the rent may be adjusted by the owner on the basis of Rent Guidelines Board or DHCR Orders;
- (B) if the owner or the lease grants permission to sublet or assign, the owner may charge a sublet allowance for a sub-tenant or assignee, provided the prime lease is a renewal lease. However, this sublet allowance may be charged even if such clause is not added to the renewal lease. (Subletting is discussed in Provision 9 of this Rider);
- (C) (1) if the building in which the apartment is located is receiving 421-a (1-15) tax benefits, a clause may be added providing for an annual or other periodic rent increase over the initial rent at an average rate of not more than 2.2 % of the amount of such initial rent per annum not to exceed nine 2.2 percent increases. Such charge shall not become part of the legal regulated rent; however, the cumulative 2.2 percent increases charged prior to the termination of tax benefits may continue to be collected as a separate charge;
- (2) provisions for rent increases if authorized under Section 423 of the Real Property Tax Law: a clause may be added to provide for an annual or other periodic rent increase over the legal regulated rent if authorized by Section 423 of the Real Property Tax Law.

7. RENEWAL LEASE SUCCESSION RIGHTS

In the event that the tenant has permanently vacated the apartment at the time of the renewal lease offer, family members who have lived with the tenant in the apartment as a primary residence for at least two years immediately prior to such permanent vacating (one year for family members who are senior citizens and disabled persons), or from the inception of the tenancy or commencement of the relationship, if for less than such periods, are entitled to a renewal lease.

"Family Member" includes the spouse, son, daughter, stepson, stepdaughter, father, mother, stepfather, stepmother, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law or daughter-in-law of the tenant.

"Family member" may also include any other person living with the tenant in the apartment as a primary residence who can prove emotional and financial commitment and interdependence between such person and the tenant. Examples of evidence which is considered in determining whether such emotional and financial commitment and interdependence existed are set forth in the Rent Stabilization Code. Renewal lease succession rights are also discussed in detail in DHCR Fact Sheet #30.

8. SERVICES

Written notification to the owner or managing agent should be given but is **NOT** required, before filing a decrease in service complaint with DHCR. Owners who have not received prior written notification from the tenant will however, be given additional time to respond to a complaint filed with DHCR. Applications based on a lack of heat or hot water must be accompanied by a report from the appropriate city agency.

All emergency conditions do not require prior written notification. These include but are not limited to: vacate order (5 day notification), fire (5 day notification), no water apartment wide, no operable toilet, collapsed or collapsing ceiling or walls, collapsing floor, no heat/hot water apartment wide (violation required), broken or inoperative apartment front door lock, all elevators inoperative, no electricity apartment wide, window to fire escape (does not open), water leak (cascading water, soaking electrical fixtures), window-glass broken (not cracked), broken/unusable fire escapes, air conditioner broken (summer season). Complaints to DHCR on the appropriate DHCR form that cite any of these emergency conditions will be treated as first priority and will be processed as quickly as possible. It is recommended that tenants use a separate DHCR form for any problematic conditions that are not on this emergency condition list.

Certain conditions, examples of which are set forth in the Rent Stabilization Code, which have only a minimal impact on tenants, do not affect the use and enjoyment of the premises, and may exist despite regular maintenance of services. These conditions do not rise to the level of a failure to maintain required services. The passage of time during which a disputed service was not provided without complaint may be considered in determining whether a condition is de minimis. For this purpose, the passage of 4 years or more will be considered presumptive evidence that the condition is de minimis.

The amount of any rent reduction ordered by DHCR shall be reduced by any credit, abatement or offset in rent which the tenant has received pursuant to Sec. 235-b of the Real Property Law ("Warranty of Habitability") that relates to one or more conditions covered by the DHCR Order. For additional information see DHCR Fact Sheets #3, #14 and #37.

9. SUBLETTING AND ASSIGNMENT

A tenant has the right to sublet his/her apartment, even if subletting is prohibited in the lease, provided that the tenant complies strictly with the provisions of Real Property Law Section 226-b. Tenants who do not comply with these requirements may be subject to eviction proceedings. Compliance with Section 226-b is not determined by DHCR, but by a court of competent jurisdiction. If a tenant in occupancy under a renewal lease sublets his/her apartment, the owner may temporarily increase the rent by the current rent guidelines board adjustment, regardless of whether the owner has increased the rent by the guidelines board amount within the prior twelve months. This charge may be passed on to the sub-tenant. However, upon termination of the sublease, the Legal Regulated Rent shall revert to the Legal Regulated Rent without such temporary increase. The rent increase is the allowance provided by the NYC Rent Guidelines Board available when the tenant's lease commenced, and it takes effect when the subletting takes place.

A tenant who sublets his/her apartment is entitled to charge the sub-tenant the rent permitted under the Rent Stabilization Law, and may charge a 10% surcharge payable to the tenant only if the apartment sublet is fully furnished with the tenant's furniture. Where the tenant charges the sub-tenant any additional rent above such surcharge and sublet allowance, if applicable, the tenant shall be required to pay to the sub-tenant a penalty of three times the rent overcharge, and may also be required to pay interest and attorney's fees. The tenant may also be subject to an eviction proceeding.

Assignment of Leases

In an assignment, a tenant transfers the entire remainder of his or her lease to another person (the assignee), and gives up all of his/her rights to reoccupy the apartment.

Pursuant to the provisions of Real Property Law Section 226-b, a tenant may not assign his/her lease without the written consent of the owner, unless the lease expressly provides otherwise. If the owner consents to the assignment of the lease, the owner may increase the rent as if the assignee was entering into a new lease following permanent vacancy. Such increase shall remain part of the Legal Regulated Rent for any subsequent renewal lease.

An owner is not required to have reasonable grounds to refuse to consent to the assignment. However, if the owner unreasonably refuses consent, the owner must release the tenant from the remainder of the lease, if the tenant, upon 30 days' notice to the owner, requests to be released.

If the owner refuses to consent to an assignment and does have reasonable grounds for withholding consent, the tenant cannot assign and the owner is not required to release the tenant from the lease. For additional information see, DHCR Fact Sheet #7.

10. WHEN AN OWNER MAY REFUSE TO RENEW A LEASE

As long as a tenant pays the lawful rent to which the owner is entitled, the tenant, except for the specific grounds stated in the Rent Stabilization Law and Rent Stabilization Code, is entitled to remain in the apartment. An owner may not harass a tenant by engaging in an intentional course of conduct intended to make the tenant move from his/her apartment.

Below are listed some but not all grounds for eviction:

Without DHCR consent, the owner may refuse to renew a lease and bring an eviction action in Civil Court at the expiration of the lease on any of the following grounds:

- (A) the tenant refuses to sign a proper renewal lease offered by the owner;
- (B) the owner, because of immediate and compelling necessity, seeks to recover the apartment in good faith for personal use and occupancy as a primary residence or for the personal use and occupancy as a primary residence of members of the owner's immediate family; Note that the owner is only permitted to do this for one apartment in a building subject to regulation.
- (C) the tenant does not occupy the apartment as his or her primary residence. The owner must notify the tenant in writing at least 90 and not more than 150 days prior to the expiration of the lease term of the owner's intention not to renew the lease.

With DHCR consent, the owner may refuse to renew a lease upon any of the following grounds:

- (A) the owner seeks in good faith to recover possession of the apartment for the purpose of demolishing the building and constructing a new building; or
- (B) the owner requires the apartment or the land for the owner's own use in connection with a business which the owner owns and operates.

A tenant will be served with a copy of the owner's application and has a right to object. If the owner's application is granted, the owner may bring an eviction action in Civil Court.

11. EVICTION WHILE THE LEASE IS IN EFFECT

The owner may bring an action in Civil Court to evict a tenant during the term of the lease for the grounds stated in the Rent Stabilization Law and Rent Stabilization Code.

Below are listed some but not all grounds for eviction:

- (A) does not pay rent;
- (B) is violating a substantial obligation of the tenancy;
- (C) is committing or permitting a nuisance;
- (D) is illegally using or occupying the apartment;
- (E) has unreasonably refused the owner access to the apartment for the purpose of making necessary repairs or improvements required by law or authorized by DHCR, or for the purpose of inspection or showing. The tenant must be given at least 5 days' notice of any such inspection or showing, to be arranged at the mutual

convenience of the tenant and owner, so to enable the tenant to be present at the inspection or showing. A tenant cannot be required to permit access for inspection or showing if such requirement would be contrary to the lease.

Tenants are cautioned that causing violations of health, safety, or sanitation standards of housing maintenance laws, or permitting such violations by a member of the family or of the household or by a guest, may be the basis for a court action by the owner.

12. COOPERATIVE AND CONDOMINIUM CONVERSION

Tenants who do not purchase their apartments under a Non-Eviction Conversion Plan continue to be protected by Rent Stabilization. Conversions are regulated by the New York State Attorney General. Any cooperative or condominium conversion plan accepted for filing by the New York State Attorney General's Office will include specific information about tenant rights and protections. An informational booklet about the general subject of conversion is available from the New York State Attorney General's Office.

13. SENIOR CITIZENS AND DISABILITY RENT INCREASE EXEMPTION PROGRAM

Tenants or their spouses who are 62 years of age, or older, or are persons with a disability, and whose household income level does not exceed the established income level may qualify for an exemption from guideline rent increases, hardship rent increases, major capital improvement rent increases and rent reductions for DHCR approved electrical sub-metering conversions. This exemption will only be for a portion of the increase which causes the tenant's rent to exceed one-third of the "net" household income, and is not available for increases based on new services or equipment within the apartment. Questions concerning the Senior Citizen Rent Increase Exemption (SCRIE) program and the Disability Rent Increase Exemption (DRIE) program can be addressed to the New York City Department of Finance.

When a senior citizen or person with a disability is granted a rent increase exemption, the owner may obtain a real estate tax credit from New York City equal to the amount of the tenant's exemption. Notwithstanding any of the above, a senior citizen or person with a disability who receives a rent increase exemption is still required to pay a full month's rent as a security deposit. For additional information see DHCR Fact Sheet # 20 and # 21.

14. SPECIAL CASES AND EXCEPTIONS

Some special rules relating to stabilized rents and required services may apply to newly constructed buildings subject to regulatory agreement and/or which receive tax abatement or exemption, and to buildings rehabilitated under certain New York City, New York State, federal financing, mortgage insurance programs, or project based vouchers. The supervising government agency that sets initial legal rents may also set preferential rents. The rules mentioned in this Rider do not necessarily apply to rent stabilized apartments located in hotels or permanent housing accommodations with government contracted services to vulnerable individuals or individuals with disabilities who are or were homeless or at risk of homelessness. A separate Hotel Rights Notice informing permanent hotel tenants and owners of their basic rights and responsibilities under the Rent Stabilization Law is available from DHCR.

15. AIR CONDITIONER SURCHARGES

Owners are authorized to collect surcharges from rent stabilized tenants for the use of air conditioners. DHCR issues an annual update to an Operational Bulletin in which the lawful surcharges are established for the year. One surcharge amount is established for tenants in buildings where electricity is included in the rent. Another surcharge is established for tenants who pay for their own electricity. Such surcharges shall not become part of the legal regulated rent. (See Operational Bulletin 84-4 and Fact Sheet # 27).

16. SURCHARGES FOR TENANT INSTALLED WASHING MACHINES, DRYERS AND DISHWASHERS

Unless a lease provides otherwise, owners are not required to allow tenants to install washing machines, dryers or dishwashers. Where a tenant requests permission from the owner to install such appliance or appliances, whether permanently installed or portable, and the owner consents, the owner may collect a surcharge or surcharges. DHCR issues periodic updates to an Operational Bulletin that sets forth surcharges for washing machines, dryers and dishwashers. One set of surcharges is established for tenants in buildings where electricity is included in the rent. Another set of surcharges is established for tenants who pay their own electricity. Such surcharges shall not become part of the rent. (See Operational Bulletin 2005-1).

17. PREFERENTIAL RENT

A preferential rent is a rent which an owner agrees to charge that is lower than the legal regulated rent that the owner could lawfully collect. The legal regulated rent is required to be written into the vacancy lease and all subsequent renewal leases in order to be preserved. The HSTPA effective June 14, 2019 while continuing to allow for both preferential and legal rents to be raised at the time of a lease renewal additionally requires that any preferential rent already being collected must continue to be offered at the time of a lease renewal. The rent increase to be collected at a lease renewal on the preferential rent must be set by applying the applicable guideline increase to the preferential rent. The legal rent cannot be collected until a vacancy occurs and can be offered to the next new vacancy lease tenant, provided that both the legal rent and the preferential rent are listed in the initial lease offering the preferential rent and every subsequent lease offering the preferential rent until the vacancy. Exceptions to these requirements may apply to preferential rents established by regulatory agreements.

18. LANGUAGE ACCESS

Copies of the Rider are available for informational purposes only, in languages required by DHCR's Language Access Plan and can be viewed at www.hcr.ny.gov. However, the Rider is required to be offered and executed in English only, at the issuance of a vacancy lease or renewal lease. 19. FEES

There are certain fees that owners may charge tenants separate and apart from the rent for the apartment. However, fees of any kind do not become part of the legal rent or preferential rent and cannot be added to it for the purpose of calculating lease renewal increases.

Lawful fees:

Late fees where a clause in the initial vacancy lease allows for them to be charged by a certain specific date and the late fees are no more than the lesser of \$50 or 5% of the monthly rent currently being charged and collected. Preferential rents, which may also be referred to as "on-time rent," that are conditioned on prompt payment of rent or terminate upon late payment of rent are not allowed.

Legal fees can only be collected if ordered by a judge in court.

Reasonable fees for a background check when applying to be a tenant which cannot exceed \$20 per tenant subject to the background check.

Fees for window guards (\$10 per guard) are detailed in DHCR Fact Sheet # 25.

Fees for smoke alarms, carbon monoxide detectors and natural gas detectors are established by the local municipality.

Actual Fees/charges incurred for insufficient funds for a tenant's rent check that did not clear (bounced checks), if this was provided for in the initial lease.

Fees imposed by the NYC agency (Ex-HPD, HDC) that has oversight authority pursuant to a regulatory agreement.

Fees for Air Conditioners and Tenant-installed Washing Machines, Dryers and Dishwashers are detailed in DHCR's Operational Bulletin 84-4 and DHCR Operational Bulletin 2005-1.

Fees for Sub-Metering or other utility services. Fees for Sub-Metering are detailed in DHCR Operational Bulletin 2014-1.

Unlawful Fees:

Fees for background checks on rent stabilized tenants in occupancy.

Fees cannot be charged to the tenant for a background check on a prospective roommate or additional family member.

Pet security deposit or fees proposed for a service animal or that are in violation of fair housing law. Fees for owner installed air conditioner brackets are prohibited.

Fees including but not limited to damage fees, repair fees of any kind including those incurred for removal of municipal violations, painting fees, cleaning fees and other fees not established by or in excess of the amount allowed by the rent regulations or other municipal regulations are prohibited. Please note that the inappropriateness of imposing these fees through the lease may not necessarily prevent an owner from independently seeking other relief in court for objectionable conduct or damages.

The \$20 fee that must be paid by owners to the municipality for each stabilized apartment can not be passed along as a fee to the tenant.

Tenants who have been billed for fees and/or surcharges that they may believe are unlawful or untimely, have the right to file a complaint of rent overcharge on DHCR form RA-89 and/or pursue remedies in court.

Withdrawal usually takes approximately four weeks to be received from the bank.

After the security is received from the bank, we will deduct the cost of repairing any damages to the apartment.

If the present lease has not expired, we will also deduct from the security any rent that is lost between the last rent that the tenant has paid and the start of the new tenant's lease.

If the lease that the tenant had signed provided for a \$100 charge upon vacating the apartment prior to the expiration of the lease, this \$100 fee will also be deducted from the security.

The balance of the lease security will be mailed to the tenant at their new address.

PROTECT YOUR POSSESSIONS

Rental apartment tenants who suffer a disaster like a fire or a flood, often find out too late that they should have had insurance for their belongings.

Your building owner insures his property - the building itself. Your property isn't covered under that policy. To replace your valuables (even your non-valuables) you need to purchase your own renter's insurance.

If you are like most renters, you probably think insurance is too expensive - but a basic policy from most major companies, providing \$20,000 worth of coverage usually costs only about \$15 a month.

Just think about the expense of replacing all your clothing, your furniture, your children's toys, the stereo, TV, VCR, computer, etc. due to fire, water damage or theft.

Call a licensed insurance broker today and purchase a renter's insurance policy. We hope you never need to use it.

Inquilinos de apartamentos que sufren un desastre como fuego o inundacion casi siempre se encuentran sin seguro para sus pertenencias.

El dueño de su edificio asegura su propiedad que es el edificio. La propiedad suya no está cubierta en el seguro del edificio. Para reemplazar sus pertenencias usted puede comprar un seguro que cubra sus propiedades.

Quizas usted piensa que asegurar sus cosas es muy caro pero no es cierto. Un seguro basico que le puede proveer \$20,000 cuesta mas o menos \$15 mensual.

Piense en el gasto de reemplazar todas sus ropas o muebles, sistema electronico, televisor, VCR, computadora etc. por causa de fuego, inundacion de agua o robo.

Llame a un seguro licenciado hoy y compre su seguro. Esperamos que nunca tenga que usarlo.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments – or buildings of any size where a tenant has asthma – take steps to keep tenant homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

Landlords must:

- **Inspect** every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.
- **Use integrated pest management (IPM) practices** to safely control pests and fix building-related issues that lead to pest problems.
 - ✓ Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
 - ✓ Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
 - ✓ Attach door sweeps to all doors that lead to hallways, basements or outside.
 - ✓ Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
 - ✓ Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation–licensed pest professional.
- **Remove indoor mold** and safely fix the problems that cause mold.
 - ✓ Remove any standing water, and fix leaks or moisture conditions.
 - ✓ Move or cover furniture, and seal off doorways, ventilation ducts and other openings securely with plastic sheeting.
 - ✓ Gently spray the moldy area with soap or detergent and water before cleaning to limit the spread of dust.
 - ✓ Clean the work area with wet mops or HEPA vacuums before work starts, at the end of each day and after all repair work is completed.
 - ✓ Dry the cleaned area completely.
 - ✓ Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
 - ✓ To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** hire a New York State Department of Labor–licensed mold assessor and remediator. Per New York City Administrative Code section 24-154 and New York State Labor Law Article 32, assessors and remediators must submit paperwork to the New York City Department of Environmental Protection.
- Make sure vacant apartments are thoroughly cleaned and free of pests and mold before a new tenant moves in.
- Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

What Every Tenant Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

Tenants should:

- Keep homes clean and dry
- Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags
- Use garbage cans with tight-fitting lids
- Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes
- Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)
- Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors
- Let building staff into homes to make any needed repairs
- Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call 311 to learn more.
