Electronic Lease Offer: Tenant's Voluntary Consent

General Instructions

Pursuant to Chapter 74 of the Laws of 2022 and Section 309 of the State Technology Law, owners of buildings and apartments subject to rent stabilization must obtain the voluntary consent of the tenant prior to the use of electronic records to execute a lease or renewal lease. The use of electronic records and signatures is voluntary and cannot be required by an owner.

The information entered on the Consent form must be consistent with the information entered in the lease offering to the tenant. Inconsistencies in information provided on this form and any future submissions to DHCR may be referred for internal review and appropriate administrative action.

Please refer to the Operational Bulletin 2022-1 (hcr.ny.gov/operational-bulletin-2022-1) for additional detailed information.

Filing Instructions

General:

Owners and tenants choosing to execute leases electronically along with all lawful riders, including but not limited to the New York City Rent Stabilized Lease Rider and/or the ETPA Standard Lease Addenda, will still be bound by the timeframes stipulated by the regulations pertaining to the window periods to offer and respond to a lease offering. Both parties will be required to retain proof of service and response as described in the Operational Bulletin 2022-1 to the electronic lease offering. Additionally, proof may be required in a proceeding before DHCR and/or the courts. **For specifics on the window periods, see DHCR Fact Sheet #4: Lease Renewal in Rent Stabilized Apartments.**

Please Note: The consent given in this form will apply to all subsequent lease renewal offers during the tenant's tenancy. Both owners and tenants retain the right to opt out of future electronic lease offerings by providing written notice to the other party. Should either the owner or tenant information change, both owners and tenants are required to provide written notice to the other party, and a new consent form should be completed.

BEFORE YOU COMPLETE THE FORM AND SERVE ON TENANT

Owners: This document should be completed by the owner and provided to the tenant to obtain the tenant's voluntary consent prior to/or concurrent with the electronic lease offering. The consent form must be signed by both parties and a copy must be provided to the tenant. Please retain a copy of all documents for your records. The Consent Form is **NOT** required to be served on the Office of Rent Administration.

1. **HEADINGS:** Paragraph headings are only for ready reference to the terms of this lease.
2. **CONDITION "AS IS":** Renter acknowledges inspecting the apartment prior to signing this lease and accepts the apartment in the condition it is in as of such inspection. Renter acknowledges that the apartment is free of defects. Owner warrants that the apartment and building are fit for habitation and there are no conditions dangerous to health, life or safety.
3. **USE AND OCCUPANCY OF APARTMENT:** The apartment is to be used and occupied for private residential purposes only, as the primary residence of Renter. The apartment may be occupied only by Renter named in this lease, Renter's immediate family, or other occupants in accordance with the applicable provisions of law. Renter agrees that the apartment will be occupied only by the following individuals, in addition to Renter:

NAME	DATE OF BIRTH	RELATIONSHIP TO RENTER

Renter is obligated to advise Owner, in writing, if any additional occupant moves into the apartment. Such notice must be furnished by Renter to Owner within 10 days of the date such additional occupant moves into the apartment. The apartment may not be occupied by more than the number of occupants permitted by §27-2075 of the Housing Maintenance Code. The apartment may be occupied by one roommate.

4. **RENTER'S POSSESSION OF APARTMENT:** Owner shall not be liable for failure to give Renter possession of the apartment on the beginning day of the lease term. Rent shall be payable as of the beginning of the term unless Owner is unable to give possession, in which case rent shall be payable as of the date possession is available. Owner must give possession within 30 days of the beginning day of the lease term. If not, Renter may cancel this lease and obtain a refund of money deposited. Owner will notify Renter as of the date possession is available. The ending date of the lease term will not change in the event Owner is unable to give possession as of the beginning of the lease term.
5. **RENT, ADDED RENT, RENT ADJUSTMENTS:**
 - a. Rent payments for each month are due on or before the first day of each month at the address above or at a location designated by Owner in writing. Notice from Owner to Renter that rent is due is not required. The rent must be paid in full without deductions. The first month's rent and added rent must be paid when Renter signs this lease.
 - b. Renter may be required to pay other charges and fees to Owner under the terms of this lease. They are called "added rent." This added rent will be payable as rent, together with the next monthly rent due. If

Renter fails to pay the added rent on time, Owner shall have the same rights against Renter as if Renter failed to pay rent.

c. If this apartment is subject to the rent stabilization laws, the rent and any surcharges to be paid during the term of this lease may be adjusted, prospectively or retroactively, pursuant to an order or directive of the New York State Division of Housing and Community Renewal (DHCR). Renter agrees to be bound by such determination, and to pay any increase in rent in the manner specified by the agency. In the event the applicable rent guideline has not been fixed by the Rent Guidelines Board (RGB) by the date the lease is executed, the rent provided for in this lease may be increased or decreased retroactively to the commencement date of the lease consistent with orders issued by the RGB.

- 6. FAILURE TO PAY RENT ON DUE DATE:** Rent is due by the first day of each month. Payment after the 10th day of each month shall be considered a "late payment." Renter expressly agrees and understands that three (3) or more late payments in any twelve month period shall be deemed to be a failure to comply with a substantial obligation of this lease and be grounds for the termination of this lease and eviction of Renter by Owner.
- 7. FEE FOR LATE PAYMENT:** Due to administrative inconvenience and costs incurred due to late payment of rent, Renter agrees to pay the sum of \$50.00 per month in any month in which the rent is tendered after the late payment date, as added rent. Although Owner is charging a late charge, Owner may commence any action or proceeding with regard to Renter's failure to pay timely rent. This paragraph is not a waiver of Owner's right to collect or demand rent.
- 8. DISHONORED CHECK FEE:** If Renter pays rent by check and such check is dishonored for any reason by the bank on which the check is drawn, Renter will be responsible to pay Owner a dishonored check fee of \$25.00 in addition to the fee for late payment. This fee is added rent.
- 9. SECURITY:** Renter has given a security deposit to Owner at the time of Renter's signing of this lease in the sum of \$2,477.32 which is equal to 1 Month's Rent. If required by law, the account will bear interest at the banking institution's prevailing rate. If Renter carries out all of Renter's obligations under the terms of this lease, an annual payment of accrued interest will be made by the banking institution to the Renter, less 1% interest of the security on deposit, to be tendered by the banking institution to Owner. Owner may use or apply all or any part of the deposit as may be required to pay for damage to the apartment during the term of this lease. If Renter carries out all of Renter's obligations under this lease, and if the apartment is returned to Owner at the expiration of the lease term in the same condition as when rented by Renter, ordinary wear and tear excepted, Renter's security deposit will be returned in full to Renter, with accrued interest thereon, within 14 days of Renter vacating. If this lease is renewed, and the amount of security deposit Owner is permitted to retain is increased above the amount deposited upon the commencement of this lease term, then Renter shall, upon such lease renewal, pay to the order of Owner such additional sum. If Owner sells or leases the building, Owner may remit the security deposit, as provided by law, to Renter or to the new Owner or lessee, at Owner's election. If Owner remits the security deposit to the new Owner or lessee, Renter agrees to seek the return of the security deposit from the new Owner or lessee, and releases Owner from any claim to the security deposit. Renter shall not use the security on deposit to pay the last month's rent of the lease term. Owner may use security deposit in full or in part if necessary to pay for unpaid rent, damage or loss due to rerenting over the course of this lease.
- 10. SUBLETTING/ASSIGNMENT:** Renter shall not assign the apartment in whole or in part. Renter shall not sublet the apartment in whole or in part without the written consent of Owner, nor permit anyone not specifically indicated in this lease to occupy the apartment subject to the provisions of the Rent Stabilization Law and Real Property Law §235f and §226b. A sublet without consent, or any assignment shall constitute a default of this lease.
- 11. SERVICES:** Owner will provide services which are required by law. The following services and utilities are the responsibility of Renter unless otherwise indicated below:
- | | | | |
|--------------|----------------------|--------------|----------------------|
| Electricity: | _____ | Cable TV: | _____ |
| Gas: | _____ | Hot Water: | <u>Paid by Owner</u> |
| Telephone: | _____ | Cooking Gas: | _____ |
| Heat: | <u>Paid by Owner</u> | Other: | _____ |
- 12. OWNER'S INABILITY TO PROVIDE SERVICE:** If Owner is unable to provide certain services as a result of circumstances which are not the fault of Owner, Renter's obligations under this lease, including the obligation to pay rent without abatement, shall remain in effect.
- 13. REPAIRS:** Renter is responsible for the proper maintenance of the apartment. Renter must, at its sole cost and expense, repair or replace anything in the apartment requiring repair replacement as a result of Renter's actions or neglect. If Renter fails to effectuate such repair or replacement Owner may do so at the Renter's expense. The cost of such repair or replacement shall be added rent. Renter will reimburse Owner all costs incurred by Owner to remedy damages to the apartment or the building caused by Renter, members of Renter's family, Renter's guests or Renter's household staff. Such sums shall be added rent.
- 14. ACCESS:** Owner shall be permitted to enter the apartment at all reasonable hours for the purposes of making repairs, showing the apartment to prospective renters, mortgagees, or buyers, making improvements to the building at Owner's

sole discretion and for the inspection of the apartment. In the event of an emergency which affects the safety of the renters in the building or which may cause damage to the building, Owner may enter the premises without prior notice to Renter. Failure to provide access is a substantial violation of this lease.

15. LIABILITY OF RENTER: Renter shall pay all sums incurred by Owner, in the event Owner is held liable for damages resulting from any act by Renter. Landlord recommends that tenant secure insurance to protect himself and his property.

16. FIRE AND CASUALTY DAMAGE: Renter is required to advise Owner immediately in the event of fire or other casualty which renders the apartment partially or wholly unfit for occupancy. Owner shall repair the premises as soon as possible subject to any delays due to adjustment of insurance claims or any cause not under Owner's control. If part of the premises is usable, Renter must pay rent for the usable part. If the premises are damaged where Owner feels that the apartment is beyond repair, the term of this lease shall end and Renter must vacate the apartment. If the fire or casualty was caused by Renter's actions the costs of the repairs shall be repaid to Owner by Renter as added rent.

17. DEFAULT: 1) You default under the Lease if You act in any of the following ways: a) You fail to carry out any agreement or provision of this Lease b) You or another occupant of the Apartment behaves in an objectionable manner; c) You do not take possession or move into the Apartment 15 days after the beginning of this Lease; d) You and other legal occupants of the Apartment move out permanently before this Lease ends; If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within 10 days. You must then either stop or correct the default within 10 days, or, if You need more than 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible. 2) If You do not stop or begin to correct a default within 10 days, Owner may give You a second written notice that this Lease will end seven days after the date of the second written notice is sent to You. At the end of the 7 day period, this Lease will end. You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 17. 3) If You do not pay your rent when this Lease requires after a personal demand for rent has been made, or within three days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: a) enter the apartment and retake possession of it if You have moved out; or b) go to court and ask that You and all other occupants in the Apartment be compelled to move out. Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

18. EARLY TERMINATION OF LEASE: If this lease is canceled as set forth in paragraph "17," Renter must pay "use and occupancy" (in an amount equivalent to monthly rent) until Renter vacates the apartment. If Renter vacates the apartment prior to the expiration of the lease term, Renter shall be liable for "use and occupancy" until the expiration of the lease term or until such time as the apartment is rerented, whichever is sooner. After Renter vacates, Owner may rerent the apartment for the remainder of the lease term, or for a period shorter than or greater than the term of this lease at a monthly rental which may be more or less than the monthly rental specified on page one of this lease. If the apartment is rerented for less than the monthly rental specified above, Renter shall be liable for the difference between Renter's monthly rent and the new rental amount, until such time as the balance of the term of this lease expires. In addition, Renter shall be liable for all expenses incurred in connection with the rerented of the apartment, including but not limited to broker's fees, advertising costs and cleaning expenses.

19. LEGAL FEES (Owner's Option):

☐ In the event either Owner or Renter incurs legal fees and/or court costs in the enforcement of any of Owner's or Renter's rights under this lease or pursuant to law, neither party shall be entitled to the repayment of such legal fees and/or court costs.

If the above box is not checked, Renter shall be liable to Owner in the event Owner incurs legal fees in the enforcement of any of Owner's rights under this lease or pursuant to law. Renter shall be liable to Owner for such legal fees and/or court costs as added rent.

20. NO JURY TRIAL: In any legal proceeding arising under the terms of this lease, whether instituted by Owner or Renter, the parties agree to give up the right to a trial by a jury. **The right to a trial by jury is an important right of Renter, and Renter is agreeing not to demand a trial by jury.** The foregoing is not intended to prohibit a demand for a trial by jury in actions for personal injury or damage to property.

21. NO COUNTERCLAIMS: In any action by Owner seeking recovery of the apartment, Renter shall not make a counterclaim against Owner relating to any matter other than a claim that Owner has not properly maintained the condition of the building or apartment. Renter shall be required to bring an independent action on any other counterclaim.

22. REENTRY: If Renter is dispossessed by legal action Owner may enter the apartment without being liable for reentry, and may rerent the apartment. Renter will be liable to Owner for any and all expenses related to the entering, repairing, redecorating and rerenting. Renter waives the right to reenter the apartment after a final order or judgment in any action is

signed or after Renter is removed from the leased apartment.

23. ABANDONMENT: The removal of all or a substantial part of Renter's furniture from the apartment or any other indications that the apartment has been vacated shall be deemed an abandonment by Renter and Owner may then reenter and take possession of the apartment, repair and redecorate it for the purpose of rerenting, whether or not Renter has surrendered the keys. Such taking by Owner shall not be deemed to relieve Renter from liability to pay the rent. Renter releases Owner from any and all claims for damages by reason of such reentry.

24. WINDOW CLEANING: Renter shall not allow any windows to be cleaned from the outside unless such service is provided by Owner.

25. COMMON AREAS: Renter shall not place baby carriages, bicycles or any other property in or on fire escapes, sidewalks, entrances, driveways, elevators, stairways, halls or any other public areas. Public access ways shall be used only for entering and leaving the apartment and the building. Only those elevators and passageways designated by Owner can be used for deliveries.

26. GARBAGE AND REFUSE:

a.) Residents duties: Resident agrees, at his sole cost and expense, to comply with all present and future laws, orders and regulations of all state, federal municipal and local governments, departments, commissions and boards regarding the collections sorting, separation and recycling of waste products, garbage, refuse and trash. Resident shall sort and separate such items into categories as provided by law, and in accordance with the rules and regulations adopted by Owner for the sorting and separating of such designated recycling material.

b.) Owners rights if resident fails to comply: Owner reserves the right, where permitted by law, to refuse to collect or accept from Resident any waste products, garbage, refuse or trash which is not separated and sorted as required by law, and to require Resident to arrange for such collection, at Resident's sole cost and expense, using contractor satisfactory to Owner.

c.) Fines and penalties, indemnification of Owner: Resident shall pay all costs, expenses, fines, penalties or damages imposed on Owner or Resident by reason of Residents' failure to comply with Paragraphs a and c above, and shall indemnify, defend, and hold Owner harmless from and against any actions, claims, and suits arising from such noncompliance, using counsel reasonably satisfactory to owner, if Owner so elects. Residents' noncompliance with Paragraphs a, b or c shall constitute a violation of a substantial obligation of the tenancy and Owners' rules and regulations. Resident shall be liable to owner for any costs or expenses, including attorneys' fees, of any actions or proceeding by Owner against Resident, based upon Residents' breach of Paragraphs a, b or c.

27. KEYS: Tenant shall furnish a copy of all apartment keys to Owner for entrance in the event of emergency conditions. Tenant may not change apartment unit locks without Landlord's permission. If the Tenant wishes to change or add additional lock(s) to the apartment door, Tenant must obtain permission from Management, and provide Management with a duplicate key. Such new lock(s) shall become affixed to and shall form a part of the building and may not be removed when the Tenant vacates the apartment. At the end of this Lease, Tenants must return to Owner all keys either furnished or otherwise obtained. In no event may padlocks or clasps be installed on any door.

28. NO PETS: Renter acknowledges that he shall not have any dog, cat or other animal on the premises unless permitted in writing by Owner. In no event shall any dog, cat or other animal be permitted in any elevator or in any public portion of the building unless carried or on a leash. Failure to comply with this provision shall be grounds for termination of the tenancy and lease.

29. SMOKE ALARMS AND CARBON MONOXIDE DETECTORS: Renter acknowledges that the apartment being rented has smoke alarm(s) and carbon monoxide detector(s) in proper working order.

30. WINDOW GUARDS: Renter hereby agrees to notify Owner if any child who is ten years of age or under occupies this apartment so that Owner may install window guards in each window of the apartment in accordance with law, which shall be at tenant's expense. Renter shall not install any gate or guard on any window without written permission of the Owner or remove any window guard installed by Owner. Renter shall be liable to Owner for any violations issued to Owner as a result of Renter's failure to permit Owner to install window guards.

31. PEELING PAINT: Renter hereby agrees to notify Owner of any paint within the apartment that is peeling, cracking, flaking, blistering or loose in any manner so that Owner may repair such conditions.

32. END OF TERM MOVING OUT: At the end of this lease term, Renter shall leave the apartment clean and in good order, reasonable wear and tear excepted. Renter shall remove all of Renter's personal possessions from the apartment after Renter has vacated. If any property remains in the apartment at the expiration of the term, it will be deemed by Owner to be abandoned property which Owner may discard or sell. Renter agrees to pay any expenses incurred by Owner as a result of Owner's disposition of said property.

33. FACILITIES: Storeroom, roof access, laundry facilities in the building or television master antenna may be provided by

Owner at the option of Owner. Owner may discontinue the facilities at any time and shall not be liable for any damage, injury or loss from the use or discontinuance of these facilities.

- 34. NOTICES:** All notices, which include bills and/or other statements with respect to this lease, must be in writing. Notices to Renter shall be sent to Renter at the apartment by regular mail except that any notice alleging failure to comply with any terms of this lease shall be sent by certified mail. Notices to the Owner shall be sent to Owner by certified mail to the address on this lease, or to such other address as Owner shall advise Renter in writing. Notices will be considered delivered on the date mailed.
- 35. ALTERATIONS:** At least 80% of the floor area of each room, except for kitchens and bathrooms, shall be covered with rugs or carpeting. Renter may not paste or nail any carpet, tile or linoleum to the floors. Renter shall not apply wallpaper or other wall covering to the walls or ceilings. When Renter vacates the apartment, it shall be left painted in the same color as when rented. Renter shall not install a waterbed, washing machine, dryer, dishwasher, air conditioner, refrigerator, sink, kitchen cabinets, stove, other mechanical equipment or an external antenna in an apartment without the written consent of Owner. If Renter is permitted and does install a window air conditioner, Owner is entitled to receive a rent increase in accordance with law. The rent increase is payable to Owner as added rent beginning on the first day of the month following installation.
- 36. DEPOSIT OF RENT:** If Owner commences legal proceedings against Renter, Renter may be required to deposit rent into court. Failure to deposit such rent may result in the entry of a final judgment against Renter.
- 37. BATHROOM AND PLUMBING FIXTURES:** The bathrooms, toilets, wash closets and plumbing fixtures shall only be used for the purposes for which they were designed or built; sweepings, rubbish bags, acids or other substances shall not be placed in them.
- 38. ELEVATORS:** All nonautomatic passenger and service elevators shall be operated only by employees of Owner and must not in any event be interfered with by Renter. The service elevators, if any, shall be used by messengers and trades people for entering and leaving and the passenger elevators, if any, shall not be used by them for any purpose.
- 38. LAUNDRY:** Laundry machines if any, provided by Owner, shall be used by Renter in the manner and at the times that Owner may designate. Renter shall not dry or air clothes on the roof or on the terrace or balcony, if any. Renter may use laundry machines, if any, at their own risk.
- 39. FLOORS:** Apartment floors shall be covered with rugs or carpeting to the extent of at least 80% of the floor area of each room excepting only kitchens, pantries, bathrooms and hallways. The tacking strip for wall-to-wall carpeting will be glued, not nailed to the floor.
- 40. OBJECTIONABLE CONDUCT:** Renter, their families, guests, employees, or visitors shall not engage in any conduct which makes the apartment or building less fit to live in for Renter or other occupants. Renter shall not make or permit any disturbing noises in the apartment or building or permit anything to be done that will interfere with the rights, comfort or convenience of other renters. Renter shall not play a musical instrument or operate or allow to be operated audio or video equipment so as to disturb or annoy any other occupant of the building.
- 41. NO PROJECTIONS:** Renter may not install or cause to be installed anything on the roof or outside wall of the building or any balcony, terrace, or window.
- 42. MOVING:** Renter can use the elevator or service elevator, if any, to move furniture and possessions only on designated days and at designated hours. Owner shall not be liable for any costs, expenses or damages incurred by Renter in moving because of delays caused by unavailability of the elevator. Renter shall be liable for any damage caused to the building or the apartment during such move.
- 43. WAIVER OF FOREIGN SOVEREIGN AND DIPLOMATIC IMMUNITY:** Renter represents that he is not subject to foreign sovereign or diplomatic immunity. Renter expressly waives the doctrine of foreign sovereign immunity and diplomatic immunity and consents to the jurisdiction of the Housing Court and all other courts. Renter expressly represents that in the event a judgment is obtained against him, Owner may enforce the judgment against any property or assets of Renter, wherever they are located.
- 44. MILITARY STATUS:** Renter represents that he is not in the United States military, and is not dependent upon a member of the United States military. Renter must notify Owner within ten days of enlistment in the military.
- 45. PARTIES BOUND:** This lease agreement is binding on Owner and Renter, and on all those who claim a right, or have a right, to succeed to the legal interest of Owner and Renter.
- 46. FORMS:** Renter agrees to complete any and all forms that may be requested by Owner from time to time.
- 47. SUBORDINATION:** The rights of Renter, including all rights granted under the terms of this lease are, and shall be, subject to and subordinate to the terms of any mortgage on the building or the land under the building which now exists, or

which may hereafter exist. The foregoing shall include but not be limited to any modification, consolidation or extension agreement of any existing mortgage on the land or building.

- 48. SINGULAR/PLURAL and JOINT/SEVERAL:** The use of the singular shall be deemed to include the plural, and vice versa, whenever the context so requires. If more than one entity is renting the apartment, their obligations shall be joint and several.
- 49. CONDEMNATION/EMINENT DOMAIN:** If the building, or any part of the building, is taken or condemned by a public authority or government agency, this lease will end on the date of such taking. In such event, Renter will have no claim for damages against Owner based upon such taking, and Renter will be required to surrender the apartment to Owner upon 30 days written notice from Owner to Renter of such government taking.
- 50. CONSTRUCTION/CONVENIENCE:** Neighboring buildings may be the subject of construction, renovation or demolition. Owner will not be liable to Renter, nor shall Renter seek to hold Owner liable for interference with views, light, air flow, or ventilation, the covenant of quiet enjoyment, or breach of the warranty of habitability whether such interference is temporary or permanent, if such interference results from activities conducted on adjoining Owners' properties.
- 51. NO WAIVER:** The failure of Owner to insist at any time upon strict performance of any clause in this lease shall not be construed as a waiver of Owner's rights. No waiver by Owner of any provision of this lease can be made unless made in writing by Owner. Acceptance of rent by Owner with knowledge of the breach of any condition or term of this lease is not a waiver of the breach.
- 52. CREDIT REPORTS:** Renter authorizes Owner to use the Social Security number of Renter to obtain any and all credit reports for the purpose of the initial lease or any renewal thereof now and no more than five years after the expiration of this lease or any renewal thereof, and fully understands that these reports will be used by owner in connection with Renter's occupancy of the apartment.
- 53. GUARANTOR:** If Renter has a Guarantor sign the initial lease, Renter agrees to have a Guarantor sign all renewal leases. The guarantee is a material term and condition of the lease. The failure to continue the guarantee negates Owner's obligation to enter into a renewal lease.
- 54. END OF LEASE:** Tenant shall notify the Landlord in writing no later than forty-five (45) days prior to the last day of this Lease of their intent to either (i) surrender the Apartment as of the last date of this Lease or (ii) renew this Lease. The Tenant understands that this is a material term of this Lease and in the event that the Tenant does not provide the foregoing notice then the same shall be deemed a default under the Lease which is not subject to notice, grace or cure and, accordingly, the Landlord shall be entitled to retain the security deposit as Landlord's remedy for Tenant's breach under this provision.
- 55. ELECTRIC HEATING:** The landlord will maintain the internal temperature of the apartment as required by law. In some apartments, the Landlord has installed electric baseboard heating systems as an additional heating option should the tenant prefer temperatures above what is required by law. If baseboard heaters have been installed in the apartment, Tenant acknowledges they have been installed as a convenience to the Tenant, and usage is strictly at Tenant's discretion. If the tenant chooses to operate the electric baseboard heaters, usage will result in increased electricity charges. The exact cost resulting from usage thereof will be based on rates charged by Consolidated Edison Company of New York ("ConEd"), its successor, or another utility company providing electricity to the building. Tenant acknowledges his/her sole responsibility for any electric related expenses, including but not limited to the additional electric cost resulting from usage of the baseboard heaters.
- 56. ILLEGAL SUBLET/AIRBNB:** Any sublet or assignment of less than 30 days is prohibited and a material, non-curable violation of this lease. Any use of Airbnb.com or any other short-term illegal sublet website for the purpose of advertising this apartment for short term stay is strictly prohibited. Any illegal sublet is strictly prohibited by this lease. Landlord shall be entitled to retain the security deposit as Landlord's remedy for Tenant's breach under this provision.
- 57. CONTACT INFORMATION:** Tenant shall update Landlord with a current personal telephone number and email address in the event that contact information changes during the term of the lease.
- 58. THIRD PARTY GUARANTOR:** If applicable, the tenant renews or extends their Lease with the Landlord, and they do not execute a new Agreement with a third party guarantor with the respect to such renewal or extension term, a security deposit equal to the third party guarantor coverage amount must be paid to the Landlord at least 10 days prior to the first day of such renewal/extension term as a condition precedent to the effectiveness of such renewal (unless waived by Landlord in Landlord's sole and absolute discretion). If the Tenant fails to deliver such security deposit to the Landlord at least 10 days prior to the first day of such renewal/extension term, then, at the option of Landlord, Tenant will be deemed to have not renewed the Lease and if Tenant fails to vacate before the lease expiration date (without taking into account such renewal) then the Tenant shall be in default of the Lease and shall be deemed a holdover tenant. Third party guarantor may refer to companies such as Rhino, The Guarantors or Insurent.

59. ENTIRE AGREEMENT: Owner and Renter have read this lease and agree that it contains the entire understanding of the parties regarding the rental of the subject apartment. The lease can only be changed in writing. The writing must be signed by both Owner and Renter.

If any part of this lease is determined to be unlawful, the remaining provisions of the lease will remain valid and in full force and effect.

Section 3 - PROVISIONS

INTRODUCTION:

This Rider is issued by the New York State Division of Housing and Community Renewal (“DHCR”), pursuant to the Rent Stabilization Law (“RSL”) and Rent Stabilization Code (“RSC”). It generally informs tenants and owners about their basic rights and responsibilities under the RSL.

This Rider does not contain every rule applicable to rent stabilized apartments. It is only informational and its provisions are not part of and do not modify the lease. However, it must be attached as an addendum to the lease. It does not otherwise replace or modify more exact or complete sections of the RSL, the RSC, any order of DHCR, or any order of the New York City Rent Guidelines Board that govern this tenancy. The owner must comply with all applicable state, federal and local fair housing laws and nondiscrimination requirements.

The Appendix lists organizations which can provide assistance to tenants and owners who have inquiries, complaints or requests relating to subjects covered in this Rider.

Tenants should keep a copy of this Rider and of any lease they sign and carefully review the summary of lawful rent increases described. Any tenant who believes that the rent they are being charged may be unlawful may consider requesting a rent history of their apartment from DHCR (www.hcr.ny.gov). After reviewing the rent history, the tenant can make an informed decision whether to file form RA-89 “Tenant’s Complaint of Rent and/or Other Specific Overcharges in a Rent Stabilized Apartment.”

1. RENEWAL LEASES

The owner is entitled to increase the rent when a tenant renews a lease (“renewal lease”). Each year, effective October 1, the New York City Rent Guidelines Board sets the percentage of maximum permissible increase over the immediately preceding September 30th rent for leases which will begin during the year for which the guidelines order is in effect. The date a lease starts determines which guidelines order applies.

Guidelines orders provide increases for Renewal Leases. The renewing tenant has the choice of the length of the lease. Different percentages are set for rent increases for leases of one or two years. For additional information see DHCR Fact Sheet #26.

2. VACANCY LEASES

The owner is entitled to increase the previous legal regulated rent when a new tenant enters into a lease for the first time and this is referred to as a vacancy lease. The tenant may choose between a one or two-year lease term. The allowable increase is set by the Rent Guidelines Board. However, no more than one guideline board increase may be added per guideline year. Lawful Major Capital Improvement and Individual Apartment Improvements may also be added to the rent.

3. SECURITY DEPOSITS

An owner may collect a security deposit no greater than one month’s rent. When the rent is increased, the owner may charge an additional amount to bring the security deposit up to the full amount of the increased rent to which the owner is entitled. If a preferential rent is being charged, the amount of the security deposit collected can be no higher than the preferential rent.

A security deposit must be deposited in an interest bearing trust account in a banking organization in New York State. The tenant has the option of applying the interest to the rent, leaving the interest in the bank or receiving the interest annually. For additional information see DHCR Fact Sheet #9.

4. OTHER RENT INCREASES

In addition to guideline increases, the rent may be permanently increased based upon the following:

(A) Individual Apartment Improvements (IAI) – When an owner installs a new appliance or makes an improvement to an apartment the owner may be entitled to an IAI rent Increase. Tenant written consent for the improvement and rent increase is only required if the apartment is occupied by a tenant. It is not required for a vacant apartment.

In buildings with 35 units or less, the increase is limited to 1/168th of the cost of the improvement. In buildings with more than 35 units, the increase is limited to 1/180th of the cost of the improvement.

No more than three IAI increases can be collected in a 15-year period and the total cost of the improvements eligible for a rent increase calculation cannot exceed \$15,000. Work must be done by a licensed contractor and there is a prohibition on common ownership between the contractor and the owner. The apartment must be free and clear of any outstanding hazardous and immediately hazardous violations. The written consent provided by the tenant in occupancy must be on a DHCR form. A translated version in

the top 6 languages spoken other than English will be made available for review on the DHCR website. Owners are required to maintain supporting documentation and photographs for all IAI installations, which commencing June 14, 2020 will be submitted to and stored by DHCR in an electronic format. The IAI rent increase is temporary, as it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline increases that were previously compounded on a rent that included the IAI.

The DHCR Lease Rider offered to vacancy lease tenants contain notification to the tenant of the right to request from the owner by certified mail Individual Apartment Improvements (IAI's) supporting documentation at the time the lease is offered or within 60 days of the execution of the lease. The owner shall provide such documentation within 30 days of that request in person or by certified mail. A tenant who is not provided with that documentation upon demand may file form RA-90 "Tenant's Complaint of Owner's Failure to Renew Lease and/or Failure to Furnish a copy of a Signed Lease" to receive a DHCR Order that directs the furnishing of the IAI supporting documentation. (Refer to Rider Section 1, Individual Apartment Improvements.)

IAI rent increases cannot be collected if a DHCR order reducing rent for decreased services is in effect and has an earlier effective date. It can be collected prospectively on the effective date of a DHCR order restoring the rent.

(B)Major Capital Improvements (MCI) – An owner is permitted a rental increase for building-wide major capital improvements, such as the replacement of a boiler or new plumbing. Major Capital Improvement rent increases are prohibited in buildings that contain 35% or fewer rent regulated apartments. The owner must file an application with DHCR and all supporting documentation is audited.

DHCR may issue an order denying the increase or granting it in part or in whole and serve the order on the owner and all tenants in the building. The rent increase approved in the DHCR order is collectible prospectively, on the first day of the first month 60 days after issuance. There are no retroactive rent increases. The collection of the increase is limited to a 2% cap/yearly phase-in. The 2% cap also applies to MCI rent increases not yet collected that were approved on or after June 14, 2012. Upon vacancy, the remaining balance of the increase can be added to the legal rent. In buildings with 35 or fewer units, the cost is amortized over a 12-year period. In buildings with more than 35 units, the cost is amortized over 12 1/2 years. The building must be free and clear of any outstanding hazardous and immediately hazardous violations. The MCI rent increase is temporary and it must be removed from the rent in 30 years and the legal rent must be adjusted at that time for guideline increases that were previously compounded on a rent that included the MCI rent increase.

Vacancy lease tenants are to be notified in their lease about pending MCI applications.

(C)Hardship – An owner may apply to increase the rents of all rent stabilized apartments based on hardship when:

1. the rents are not sufficient to enable the owner to maintain approximately the same average annual net income for a current three-year period as compared with the annual net income which prevailed on the average over the period 1968 through 1970, or for the first three years of operation if the building was completed since 1968, or for the first three years the owner owned the building if the owner cannot obtain records for the years 1968-1970; or
2. where the annual gross rental income does not exceed the annual operating expenses by a sum equal to at least 5% of such gross income.

If an application for a rent increase based on a major capital improvement or hardship is granted, the owner may charge the increase during the term of an existing lease only if the lease contains a clause specifically authorizing the owner to do so.

5. RENT REGISTRATION

(A)Initial

An owner must register an apartment's rent and services with DHCR when the building first becomes subject to the RSL and in adherence to any related regulatory agreements and/or tax benefit programs.

(B)Annual

The annual registration must be filed with DHCR no earlier than April 1st of each year. At the time of such filing, the owner must provide each tenant with the tenant's copy.

(C)Penalties

Failure to register may result in such penalties, rent reductions, and other remedies as permitted by law.

6. RENEWAL LEASES

A tenant has a right to a renewal lease, with certain exceptions (see Provision 10 of this Rider, "When An

Owner May Refuse To Renew A Lease”).

At least 90 days and not more than 150 days before the expiration of a lease, the owner is required to notify the tenant in writing that the lease will soon expire. That notice must also offer the tenant the choice of a one or two- year lease at the permissible guidelines increase. After receiving the notice, the tenant always has 60 days to accept the owner’s offer, whether or not the offer is made within the above time period, or even beyond the expiration of the lease term.

Any renewal lease, except for the amount of rent and duration of its term, is required to be on the same terms and conditions as the expired lease, and a fully executed copy of the same must be provided to the tenant within 30 days from the owner’s receipt of the renewal lease or renewal form signed by the tenant. If the owner does not return a copy of such fully executed Renewal Lease Form to the tenant within 30 days of receiving the signed renewal lease from the tenant, the tenant is responsible for payment of the new lease rent and may file a “Tenant’s Complaint of Owner’s Failure to Renew Lease and/or Failure to Furnish a Copy of a Signed Lease” (DHCR Form RA-90). DHCR shall order the owner to furnish the copy of the renewal lease or form. If the owner does not comply within 20 days of such order, the owner shall not be entitled to collect a rent guideline increase until the lease or form is provided.

It is illegal for an owner to require a rent stabilized tenant to provide immigration status information or a Social Security number as a condition to renewing the lease. (For additional information on the rights of foreign-born tenants see DHCR Fact Sheet #45.)

If a tenant wishes to remain in occupancy beyond the expiration of the lease, the tenant may not refuse to sign a proper renewal lease. If the tenant does refuse to sign a proper renewal lease, he or she may be subject to an eviction proceeding.

An owner may add to a renewal lease the following clauses even if such clauses were not included in the tenant’s prior lease:

- (A)**the rent may be adjusted by the owner on the basis of Rent Guidelines Board or DHCR Orders;
- (B)**if the owner or the lease grants permission to sublet or assign, the owner may charge a sublet allowance for a sub-tenant or assignee, provided the prime lease is a renewal lease. However, this sublet allowance may be charged even if such clause is not added to the renewal lease. (Subletting is discussed in Provision 9 of this Rider);
- (C)(1)** if the building in which the apartment is located is receiving 421-a (1-15) tax benefits, a clause may be added providing for an annual or other periodic rent increase over the initial rent at an average rate of not more than 2.2 % of the amount of such initial rent per annum not to exceed nine 2.2 percent increases. Such charge shall not become part of the legal regulated rent; however, the cumulative 2.2 percent increases charged prior to the termination of tax benefits may continue to be collected as a separate charge;
- (2)** provisions for rent increases if authorized under Section 423 of the Real Property Tax Law: a clause may be added to provide for an annual or other periodic rent increase over the legal regulated rent if authorized by Section 423 of the Real Property Tax Law.

7. RENEWAL LEASE SUCCESSION RIGHTS

In the event that the tenant has permanently vacated the apartment at the time of the renewal lease offer, family members who have lived with the tenant in the apartment as a primary residence for at least two years immediately prior to such permanent vacating (one year for family members who are senior citizens and disabled persons), or from the inception of the tenancy or commencement of the relationship, if for less than such periods, are entitled to a renewal lease.

“Family Member” includes the spouse, son, daughter, stepson, stepdaughter, father, mother, stepfather, stepmother, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law or daughter-in-law of the tenant.

“Family member” may also include any other person living with the tenant in the apartment as a primary residence who can prove emotional and financial commitment and interdependence between such person and the tenant. Examples of evidence which is considered in determining whether such emotional and financial commitment and interdependence existed are set forth in the Rent Stabilization Code. Renewal lease succession rights are also discussed in detail in DHCR Fact Sheet #30.

8. SERVICES

Written notification to the owner or managing agent should be given but is **NOT** required, before filing a decrease in service complaint with DHCR. Owners who have not received prior written notification from the tenant will however, be given additional time to respond to a complaint filed with DHCR. Applications based

on a lack of heat or hot water must be accompanied by a report from the appropriate city agency.

All emergency conditions do not require prior written notification. These include but are not limited to: vacate order (5 day notification), fire (5 day notification), no water apartment wide, no operable toilet, collapsed or collapsing ceiling or walls, collapsing floor, no heat/hot water apartment wide (violation required), broken or inoperative apartment front door lock, all elevators inoperative, no electricity apartment wide, window to fire escape (does not open), water leak (cascading water, soaking electrical fixtures), window-glass broken (not cracked), broken/unusable fire escapes, air conditioner broken (summer season). Complaints to DHCR on the appropriate DHCR form that cite any of these emergency conditions will be treated as first priority and will be processed as quickly as possible. **It is recommended that tenants use a separate DHCR form for any problematic conditions that are not on this emergency condition list.**

Certain conditions, examples of which are set forth in the Rent Stabilization Code, which have only a minimal impact on tenants, do not affect the use and enjoyment of the premises, and may exist despite regular maintenance of services. These conditions do not rise to the level of a failure to maintain required services. The passage of time during which a disputed service was not provided without complaint may be considered in determining whether a condition is de minimis. For this purpose, the passage of 4 years or more will be considered presumptive evidence that the condition is de minimis.

The amount of any rent reduction ordered by DHCR shall be reduced by any credit, abatement or offset in rent which the tenant has received pursuant to Sec. 235-b of the Real Property Law ("Warranty of Habitability") that relates to one or more conditions covered by the DHCR Order. For additional information see DHCR Fact Sheets #3, #14 and #37.

9. SUBLETTING AND ASSIGNMENT

A tenant has the right to sublet his/her apartment, even if subletting is prohibited in the lease, provided that the tenant complies strictly with the provisions of Real Property Law Section 226-b. Tenants who do not comply with these requirements may be subject to eviction proceedings. Compliance with Section 226-b is not determined by DHCR, but by a court of competent jurisdiction. If a tenant in occupancy under a renewal lease sublets his/her apartment, the owner may temporarily increase the rent by the current rent guidelines board adjustment, regardless of whether the owner has increased the rent by the guidelines board amount within the prior twelve months. This charge may be passed on to the sub-tenant. However, upon termination of the sublease, the Legal Regulated Rent shall revert to the Legal Regulated Rent without such temporary increase. The rent increase is the allowance provided by the NYC Rent Guidelines Board available when the tenant's lease commenced, and it takes effect when the subletting takes place.

A tenant who sublets his/her apartment is entitled to charge the sub-tenant the rent permitted under the Rent Stabilization Law, and may charge a 10% surcharge payable to the tenant only if the apartment sublet is fully furnished with the tenant's furniture. Where the tenant charges the sub-tenant any additional rent above such surcharge and sublet allowance, if applicable, the tenant shall be required to pay to the sub-tenant a penalty of three times the rent overcharge, and may also be required to pay interest and attorney's fees. The tenant may also be subject to an eviction proceeding.

Assignment of Leases

In an assignment, a tenant transfers the entire remainder of his or her lease to another person (the assignee), and gives up all of his/her rights to reoccupy the apartment.

Pursuant to the provisions of Real Property Law Section 226-b, a tenant may not assign his/her lease without the written consent of the owner, unless the lease expressly provides otherwise. If the owner consents to the assignment of the lease, the owner may increase the rent as if the assignee was entering into a new lease following permanent vacancy. Such increase shall remain part of the Legal Regulated Rent for any subsequent renewal lease.

An owner is not required to have reasonable grounds to refuse to consent to the assignment. However, if the owner unreasonably refuses consent, the owner must release the tenant from the remainder of the lease, if the tenant, upon 30 days' notice to the owner, requests to be released.

If the owner refuses to consent to an assignment and does have reasonable grounds for withholding consent, the tenant cannot assign and the owner is not required to release the tenant from the lease. For additional information see, DHCR Fact Sheet #7.

10. WHEN AN OWNER MAY REFUSE TO RENEW A LEASE

As long as a tenant pays the lawful rent to which the owner is entitled, the tenant, except for the specific grounds stated in the Rent Stabilization Law and Rent Stabilization Code, is entitled to remain in the apartment. An owner may not harass a tenant by engaging in an intentional course of conduct intended to

make the tenant move from his/ her apartment.

Below are listed some but not all grounds for eviction:

Without DHCR consent, the owner may refuse to renew a lease and bring an eviction action in Civil Court at the expiration of the lease on any of the following grounds:

- (A) the tenant refuses to sign a proper renewal lease offered by the owner;
- (B) the owner, because of immediate and compelling necessity, seeks to recover the apartment in good faith for personal use and occupancy as a primary residence or for the personal use and occupancy as a primary residence of members of the owner's immediate family; Note that the owner is only permitted to do this for one apartment in a building subject to regulation.
- (C) the tenant does not occupy the apartment as his or her primary residence. The owner must notify the tenant in writing at least 90 and not more than 150 days prior to the expiration of the lease term of the owner's intention not to renew the lease.

With DHCR consent, the owner may refuse to renew a lease upon any of the following grounds:

- (D) the owner seeks in good faith to recover possession of the apartment for the purpose of demolishing the building and constructing a new building; or
- (E) the owner requires the apartment or the land for the owner's own use in connection with a business which the owner owns and operates.

A tenant will be served with a copy of the owner's application and has a right to object. If the owner's application is granted, the owner may bring an eviction action in Civil Court.

11. EVICTION WHILE THE LEASE IS IN EFFECT

The owner may bring an action in Civil Court to evict a tenant during the term of the lease for the grounds stated in the Rent Stabilization Law and Rent Stabilization Code.

Below are listed some but not all grounds for eviction:

- (A) does not pay rent;
- (B) is violating a substantial obligation of the tenancy;
- (C) is committing or permitting a nuisance;
- (D) is illegally using or occupying the apartment;
- (E) has unreasonably refused the owner access to the apartment for the purpose of making necessary repairs or improvements required by law or authorized by DHCR, or for the purpose of inspection or showing. The tenant must be given at least 5 days' notice of any such inspection or showing, to be arranged at the mutual convenience of the tenant and owner, so to enable the tenant to be present at the inspection or showing. A tenant cannot be required to permit access for inspection or showing if such requirement would be contrary to the lease.

Tenants are cautioned that causing violations of health, safety, or sanitation standards of housing maintenance laws, or permitting such violations by a member of the family or of the household or by a guest, may be the basis for a court action by the owner.

12. COOPERATIVE AND CONDOMINIUM CONVERSION

Tenants who do not purchase their apartments under a Non-Eviction Conversion Plan continue to be protected by Rent Stabilization. Conversions are regulated by the New York State Attorney General. Any cooperative or condominium conversion plan accepted for filing by the New York State Attorney General's Office will include specific information about tenant rights and protections. An informational booklet about the general subject of conversion is available from the New York State Attorney General's Office.

13. SENIOR CITIZENS AND DISABILITY RENT INCREASE EXEMPTION PROGRAM

Tenants or their spouses who are 62 years of age, or older, or are persons with a disability, and whose household income level does not exceed the established income level may qualify for an exemption from guideline rent increases, hardship rent increases, major capital improvement rent increases and rent reductions for DHCR approved electrical sub-metering conversions. This exemption will only be for a portion of the increase which causes the tenant's rent to exceed one-third of the "net" household income, and is not available for increases based on new services or equipment within the apartment. Questions concerning the Senior Citizen Rent Increase Exemption (SCRIE) program and the Disability Rent Increase Exemption (DRIE) program can be addressed to the New York City Department of Finance.

When a senior citizen or person with a disability is granted a rent increase exemption, the owner may obtain a real estate tax credit from New York City equal to the amount of the tenant's exemption. Notwithstanding any of the above, a senior citizen or person with a disability who receives a rent increase exemption is still required to pay a full month's rent as a security deposit. For additional information see DHCR Fact Sheet # 20 and # 21.

14. SPECIAL CASES AND EXCEPTIONS

Some special rules relating to stabilized rents and required services may apply to newly constructed buildings subject to regulatory agreement and/or which receive tax abatement or exemption, and to buildings rehabilitated under certain New York City, New York State, federal financing, mortgage insurance programs, or project based vouchers. The supervising government agency that sets initial legal rents may also set preferential rents. The rules mentioned in this Rider do not necessarily apply to rent stabilized apartments located in hotels or permanent housing accommodations with government contracted services to vulnerable individuals or individuals with disabilities who are or were homeless or at risk of homelessness. A separate Hotel Rights Notice informing permanent hotel tenants and owners of their basic rights and responsibilities under the Rent Stabilization Law is available from DHCR.

15. AIR CONDITIONER SURCHARGES

Owners are authorized to collect surcharges from rent stabilized tenants for the use of air conditioners. DHCR issues an annual update to an Operational Bulletin in which the lawful surcharges are established for the year. One surcharge amount is established for tenants in buildings where electricity is included in the rent. Another surcharge is established for tenants who pay for their own electricity. Such surcharges shall not become part of the legal regulated rent. (See Operational Bulletin 84-4 and Fact Sheet # 27).

16. SURCHARGES FOR TENANT INSTALLED WASHING MACHINES, DRYERS AND DISHWASHERS

Unless a lease provides otherwise, owners are not required to allow tenants to install washing machines, dryers or dishwashers. Where a tenant requests permission from the owner to install such appliance or appliances, whether permanently installed or portable, and the owner consents, the owner may collect a surcharge or surcharges. DHCR issues periodic updates to an Operational Bulletin that sets forth surcharges for washing machines, dryers and dishwashers. One set of surcharges is established for tenants in buildings where electricity is included in the rent. Another set of surcharges is established for tenants who pay their own electricity. Such surcharges shall not become part of the rent. (See Operational Bulletin 2005-1).

17. PREFERENTIAL RENT

A preferential rent is a rent which an owner agrees to charge that is lower than the legal regulated rent that the owner could lawfully collect. The legal regulated rent is required to be written into the vacancy lease and all subsequent renewal leases in order to be preserved. The HSTPA effective June 14, 2019 while continuing to allow for both preferential and legal rents to be raised at the time of a lease renewal additionally requires that any preferential rent already being collected must continue to be offered at the time of a lease renewal. The rent increase to be collected at a lease renewal on the preferential rent must be set by applying the applicable guideline increase to the preferential rent. The legal rent cannot be collected until a vacancy occurs and can be offered to the next new vacancy lease tenant, provided that both the legal rent and the preferential rent are listed in the initial lease offering the preferential rent and every subsequent lease offering the preferential rent until the vacancy. Exceptions to these requirements may apply to preferential rents established by regulatory agreements.

Copies of the Rider are available for informational purposes only, in languages required by DHCR's Language Access Plan and can be viewed at www.nyshcr.org. Форма продления срока аренды RTP-8 Жилищно-коммунальной администрации также должна быть предложена и подписана исключительно на английском языке.

19. FEES

There are certain fees that owners may charge tenants separate and apart from the rent for the apartment. However, fees of any kind do not become part of the legal rent or preferential rent and cannot be added to it for the purpose of calculating lease renewal increases.

Lawful fees:

Late fees where a clause in the initial vacancy lease allows for them to be charged by a certain specific date and the late fees are no more than the lesser of \$50 or 5% of the monthly rent currently being charged and collected. Preferential rents, which may also be referred to as “on-time rent,” that are conditioned on prompt payment of rent or terminate upon late payment of rent are not allowed.

Legal fees can only be collected if ordered by a judge in court.

Reasonable fees for a background check when applying to be a tenant which cannot exceed \$20 per tenant subject to the background check.

Fees for window guards (\$10 per guard) are detailed in DHCR Fact Sheet # 25.

Fees for smoke alarms, carbon monoxide detectors and natural gas detectors are established by the local municipality.

Actual Fees/charges incurred for insufficient funds for a tenant's rent check that did not clear (bounced checks), if this was provided for in the initial lease.

Fees imposed by the NYC agency (Ex-HPD, HDC) that has oversight authority pursuant to a regulatory agreement.

Fees for Air Conditioners and Tenant-installed Washing Machines, Dryers and Dishwashers are detailed in

DHCR's Operational Bulletin 84-4 and DHCR Operational Bulletin 2005-1. Fees for Sub-Metering or other utility services. Fees for Sub-Metering are detailed in DHCR Operational Bulletin 2014-1.

Unlawful Fees:

Fees for background checks on rent stabilized tenants in occupancy.

Fees cannot be charged to the tenant for a background check on a prospective roommate or additional family member.

Pet security deposit or fees proposed for a service animal or that are in violation of fair housing law. Fees for owner installed air conditioner brackets are prohibited.

Fees including but not limited to damage fees, repair fees of any kind including those incurred for removal of municipal violations, painting fees, cleaning fees and other fees not established by or in excess of the amount allowed by the rent regulations or other municipal regulations are prohibited. Please note that the inappropriateness of imposing these fees through the lease may not necessarily prevent an owner from independently seeking other relief in court for objectionable conduct or damages.

The \$20 fee that must be paid by owners to the municipality for each stabilized apartment can not be passed along as a fee to the tenant.

Tenants who have been billed for fees and/or surcharges that they may believe are unlawful or untimely, have the right to file a complaint of rent overcharge on DHCR form RA-89 and/or pursue remedies in court.

You are required by law to inform the owner if a child under six years of age resides or will reside in the dwelling unit (apartment) for which you are signing this lease/commencing occupancy. If such a child resides or will reside in the unit, the owner of the building is required to perform an annual visual inspection of the unit to determine the presence of lead-based paint hazards. IT IS IMPORTANT THAT YOU RETURN THIS FORM TO THE OWNER OR MANAGING AGENT OF YOUR BUILDING TO PROTECT THE HEALTH OF YOUR CHILD. If you do not respond to this notice, the owner is required to attempt to inspect your apartment to determine if a child under six years of age resides there.

If a child under six years of age does not reside in the unit now, but does come to reside in it at any time during the year, you must inform the owner in writing immediately. If a child under six years of age resides in the unit, you should also inform the owner immediately at the address below if you notice any peeling paint or deteriorated subsurfaces in the unit during the year.

Whether or not a child under age six will reside in the apartment, the owner of the building is also required to fix all lead-based paint hazards and underlying defects that may cause paint to peel, make floors, window sills and window wells smooth and cleanable, remove or cover all lead-based paint on friction surfaces of doors and door frames, and remove or cover all lead-based paint on friction surfaces of windows or install window channels or slides. This work should be performed before you move into the apartment, and the owner must properly clean the apartment after the work is completed.

Please complete this form and return one copy to the owner or his or her agent or representative when you sign the lease/commence occupancy of the unit. Keep one copy of this form for your records. MOVE-IN INSPECTION FORM

Dear Tenant:

Pursuant to the Housing Stability and Tenant Protection Act of 2019, you are entitled to an inspection of your new apartment prior to moving in. The result of this inspection will be used when you vacate the apartment to determine what, if any, damage has been caused during your tenancy that may result in a deduction from your security deposit.

Please indicate whether you wish to schedule your pre-move in inspection by checking the appropriate line below and signing this form. Please note that, if you choose not to schedule a pre-move in inspection this could impact your ability to claim a return of your full security deposit upon vacating if the landlord withholds a portion of your security deposit due to damage to the apartment.

Yes, I wish to schedule a pre-move in inspection ☐

No, I decline to schedule a pre-move in inspection ☐

Section 12-12.1 of Chapter 12 of Title 28 of the Rules of the City of New York describes conditions under which a combined notice may be used, combining notice of suspected gas leak procedures with notice for smoke detectors and carbon monoxide detectors. A sample of a combined notice is below:

NOTICE FOR SUSPECTED GAS LEAKS, SMOKE DETECTING DEVICES, AND CARBON MONOXIDE ALARMS

The law requires the owner of the premises to notify tenants regarding the following:

Suspected Gas Leak Procedure: When a tenant suspects that a gas leak has occurred, the tenant should take the following actions:

1. Quickly open nearby doors and windows and then leave the building immediately; do not attempt to locate the leak. Do not turn on or off any electrical appliances, do not smoke or light matches or lighters, and do not use a house-phone or cell-phone within the building;
2. After leaving the building, from a safe distance away from the building, call 911 immediately to report the suspected gas leak;
3. After calling 911, call the gas service provider for this building as follows:

Provider _____ Number _____

Smoke Detectors: The law requires the owner of the premises to provide and install one or more approved and operational smoke detectors in each apartment and to periodically replace such devices upon the expiration of their useful life in accordance with article 312 of chapter 3 of title 28 of the New York City Administrative Code. The tenant of each apartment is responsible for the maintenance and repair of the detectors installed in the apartment and for replacing any or all detectors which are stolen, removed, missing or become inoperable during the occupancy of the apartment with a device meeting the requirements of article 312 of chapter 3 of title 28 of the Administrative Code, unless a detector becomes inoperable within one year of being installed due to a manufacturing defect. The tenant of each apartment in this building in which a battery-operated smoke detector is provided and installed shall pay the owner a maximum of twenty-five dollars or a maximum of fifty dollars where a combined smoke and carbon monoxide detecting device is installed for the cost of providing and installing each detector. The tenant has one (1) year from the date of installation to make such payment to the owner.

Carbon Monoxide Detectors: The law requires the owner of the premises to provide a carbon monoxide alarm in each apartment in this building. The carbon monoxide alarm must be placed within 15 feet of the primary entrance to each sleeping room, must be equipped with an end of life alarm, and must be periodically replaced by the owner as necessary when the suggested useful life of the alarm expires. Tenants are responsible for the maintenance and repair of the alarms installed in the apartment and for replacing any or all alarms that are stolen, removed, missing, or become inoperable during the occupancy of the apartment, unless an alarm becomes inoperable within one year of being installed due to a manufacturing defect. The occupant of each apartment in which a carbon monoxide alarm is provided and installed must pay the owner **\$0.00** per alarm, or a maximum of **\$0.00** per device where a combined smoke and carbon monoxide detecting device is installed. This fee covers the cost of the work for the initial installation and each periodic replacement. The occupant has one year from the date of installation to pay the owner.

NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

*To request a reasonable accommodation, you should contact your property manager by calling **(718) 222-0211**, or by e-mailing ADA@bronsteinproperties.com*. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.*

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:+

Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out);

Changes to your housing provider's rules, policies, practices, or services;

Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.

If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.

If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.

If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of a waiting list if no adjacent spot is available.

If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

Public and common areas must be readily accessible to and usable by persons with disabilities;

All doors must be sufficiently wide to allow passage by persons in wheelchairs; and

All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website.

Protect Your Family From Lead In Your Home

United States Environmental Protection Agency

United States Consumer Product Safety Commission

United States Department of Housing and Urban Development

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children who seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

OWNERS, BUYERS, and RENTERS are encouraged to check for lead (see page 6) before renting, buying, or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure form about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

People can get lead in their body if they:

- Breathe in lead dust (especially during renovations that disturb painted surfaces).
- Put their hands or other objects covered with lead dust in their mouths.
- Eat paint chips or soil that contains lead.

Even children who appear healthy can have dangerous levels of lead in their bodies.

Lead is even more dangerous to children under the age of 6:

- At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead is also dangerous to women of childbearing age:

- Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

In children, lead can cause:

- Nervous system and kidney damage.
- Learning disabilities, attention deficit disorder, and decreased intelligence.
- Speech, language, and behavior problems.
- Poor muscle coordination.
- Decreased muscle and bone growth.
- Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

In adults, lead can cause

- Increased chance of illness during pregnancy.
- Harm to a fetus, including brain damage or death.
- Fertility problems (in men and women).
- High blood pressure.
- Digestive problems.
- Nerve disorders.
- Memory and concentration problems.
- Muscle and joint pain.

Lead affects the body in many ways.

3

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- In homes in the city, country, or suburbs.
- In apartments, single-family homes, and both private and public housing.
- Inside and outside of the house.
- In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- Children at ages 1 and 2.
- Children or other family members who have been exposed to high levels of lead.
- Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

4

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- Windows and window sills.
- Doors and door frames.
- Stairs, railings, banisters, and porches.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- 400 parts per million (ppm) and higher in play areas or bare soil.
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

5

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home tested for lead in several different ways:

- A **paint inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- Visual inspection of paint condition and location.
- A portable x-ray fluorescence (XRF) machine.
- Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

Home test kits for lead are available, but studies suggest that they are not always accurate.

Consumers should not rely on these tests before doing renovations or to assure safety.

6

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Clean up paint chips immediately.
- Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.
- Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- Wash children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces.
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called "interim controls") are not permanent solutions and will need ongoing attention.
- To **permanently** remove lead hazards, you must hire a certified lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- 250 $\mu\text{g}/\text{ft}^2$ for interior window sills; and
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

7

8

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovations that disturb painted surfaces (such as scraping off paint or tearing out walls):

- **Have the area tested for lead-based paint.**
- **Do not use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined in the section labeled "What you can do now to protect your family."

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

While paint, dust, and soil are the most common lead hazards, other lead sources also exist.

- **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- Old painted **toys** and **furniture**.
- Food and liquids stored in **lead crystal** or **lead-glazed pottery** or **porcelain**.
- **Lead smelters** or other industries that release lead into the air.

Simple Steps To Protect Your Family From Lead Hazards

If you think your home has high levels of lead:

- Get your young children tested for lead, even if they seem healthy.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods.
- Get your home checked for lead hazards.
- Regularly clean floors, window sills, and other surfaces.
- Wipe soil off shoes before entering house.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1-800-424-LEAD for guidelines).
- Don't use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper on painted surfaces that may contain lead.
- Don't try to remove lead-based paint yourself.

What Tenants Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

TENANTS SHOULD:

Keep homes clean and dry

Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)

Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags

Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors

Use garbage cans with tight-fitting lids

Let building staff into homes to make any needed repairs

Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes

Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call **311 to learn more.**

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this fact sheet.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments — or buildings of any size where a tenant has asthma — take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

LANDLORDS MUST:

Inspect every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.

Use integrated pest management (IPM) practices to safely control pests and fix building-related issues that lead to pest problems.

- Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
- Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
- Attach door sweeps to all doors that lead to hallways, basements or outside.
- Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
- Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation-licensed pest professional.

Remove indoor mold and safely fix the problems that cause mold.

- Remove any standing water, and fix leaks or moisture conditions.
- Move or cover furniture with plastic sheeting.
- Limit the spread of dust. Use methods such as sealing off openings (e.g., doorways, ventilation ducts) and gently misting the moldy area with soap or detergent and water before cleaning.
- Clean moldy area with soap or detergent and water. Dry the cleaned area completely.
- Clean any visible dust from the work area with wet mops or HEPA vacuums.
- Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
- To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** use a New York State Department of Labor-licensed mold assessor and remediator. These licensed workers must comply with New York City Administrative Code section 24-154 and New York State Labor Law Article 32.

Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.

Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

Local Law 1 - NYC Lead Poisoning Prevention Law Information for Tenants

The text below is a printer-friendly version of the New York City Department of Health and Mental Hygiene (DOHMH) brochure for tenants entitled, "Fix Lead Paint". For additional information on lead poisoning, go to www.nyc/lead or call 311.

Fix Lead Paint Hazards:

What Landlords Must Do and Every Tenant Should Know

Lead Can Cause Learning Problems

Lead is a poison often found in old paint. Peeling lead paint is the most common cause of lead poisoning in young children. Lead dust from peeling paint can land on window sills, floors, and toys. When children play on the floor and put their hands and toys in their mouths, they can swallow lead dust.

Preventing Lead Poisoning: What the Law Requires

In New York City, Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of young children. This law applies to your apartment if:

- The building was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint), and
- The building has 3 or more apartments, and
- A child under the age of 6 lives in your apartment.

What Are Lead Paint Hazards?

- Dust from lead paint.
- Peeling or damaged lead paint.
- Lead paint on:
 - o Crumbling plaster or rotted wood.
 - o Doors and windows that stick or rub together.
 - o Window sills and any other surfaces that have been chewed on by children.

Things Landlords Must Do

- In buildings covered by Local Law 1, landlords must find out if any children younger than 6 years live in the building and inspect those apartments for lead paint hazards **every year**.
- Landlords must use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Local Law 1 requires landlords to use firms certified by the U.S. Environmental Protection Agency when disturbing more than 100 square feet of lead paint, replacing windows, or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).
- Landlords must repair lead paint hazards **before** a new tenant moves into an apartment.
- Landlords must keep records of all notices, inspections, repairs of lead paint hazards, and other matters related to the law. HPD may ask the landlord for copies of this paperwork.

Before repair work begins, landlords must make sure that trained workers:

Local Law 1 - NYC Lead Poisoning Prevention Law

Information for Tenants

- Post warning signs outside the work area.
- Tell tenants to stay out of the work area.
- Clean the work area with wet mops or HEPA vacuums.
- Remove all items that can be moved from the work area.
- Cover furniture that cannot be moved.
- Seal floors, doors, and other openings with plastic and waterproof tape.

While repair work is going on, landlords must make sure trained workers clean the work area every day with wet mops and HEPA vacuums.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.

After repair work is finished, landlords must:

- Hire only trained workers to clean the work area with wet mops and HEPA vacuums.
- Hire a company or individual trained to take "clearance dust wipes" to make sure lead dust levels are below: 40 mcg/sf for floors, 250 mcg/sf for window sills, and 400 mcg/sf for window wells (mcg/sf = micrograms of lead per square foot). If levels are higher, clean-up must be repeated and the dust wipes taken again.
- Give a copy of clearance dust wipe results to the tenant.

Things Tenants Must Do

- Tenants must fill out and return the ANNUAL NOTICE form they receive each year from their landlord. This form tells your landlord if any children younger than 6 years live in your apartment.
- Wash floors, window sills, hands, toys, and pacifiers often.
- Remind your doctor to test your child for lead poisoning at ages 1 and 2. Ask the doctor about testing older children.
- If a child younger than 6 comes to live with you during the year or if you have a baby, you must notify your landlord in writing.

Tenants should also:

- Report peeling paint in your apartment to your landlord.
- Call 311 if your landlord does not fix peeling paint or if you think repair work is being done unsafely.

Call 311 to

- **Report unsafe work practices.**
- **Learn more about how to prevent lead poisoning.**
- **Find out where to get your child tested for lead poisoning, and for diagnosis and treatment information.**
- **Order more copies of this brochure or other materials on lead poisoning prevention.**

Owners of multiple dwellings (3 or more apartments) must give this brochure to tenants when they sign a lease or move into an apartment if the multiple dwelling was built before 1960, or was built between 1960 and 1978 if the owner knows that the building has lead paint. This brochure contains basic information about Local Law 1 of 2004 and is provided for your convenience only. For a copy of the law and applicable rules go to nyc.gov/hpd.
