1. APARTMENT AND USE Owner agrees to lease to Tenant Apartment **5A** (the "Apartment") in the building at **31 E. 31st Street, New York, NY 10016** (the "Building"), Borough of Manhattan, City and State of New York.

Tenant shall use the Apartment for living purposes only and for no other purpose (such restricted purposes includes, but are not limited to, any commercial activity or illegal or dangerous activity).

The Apartment may only be occupied by Tenant and the following Permitted Occupants (and occupants as permitted in accordance with Real Property Law §235-f):

Tenant acknowledges that no other person other than Tenant and the Permitted Occupants may reside in the Apartment without the prior written consent of the Owner. If Tenant violates any of the terms of this provision, the Owner shall have the right to restrain the same by injunctive relief and/or any other remedies provided for under this Lease and at law and/or equity.

2. LEASE COMMENCEMENT DATE; LENGTH OF LEASE The "Lease Effective Date" is the date a fully executed Lease is returned to Tenant or Tenant's representative by Owner or its representative. The "Lease Commencement Date" is **August 12, 2022**. Except as may be provided for otherwise in this Lease, the term (that means the length) of this Lease will begin on the Lease Commencement Date and will end on **August 31, 2023** (the "Term"). Tenant acknowledges that notwithstanding anything to the contrary contained in this Lease: (i) the Term of this Lease may be reduced provided for herein and (ii) the Term shall consist of the period beginning with the Lease Commencement Date through and including, the date that is the last day of the month in which the **[CHOOSE ONE AND CROSS OUT THE OTHER ALTERNATIVES]** ~~one (1)-year~~ ~~two (2)-year~~ **[thirteen (13) month(s)]** anniversary of the Lease Commencement Date occurs.

3. RENT

A. "Rent" is defined as the base rent due under this Lease. Tenant's monthly Rent for the Apartment is **\$4,650.00** per month. Tenant must pay Owner the Rent, in equal monthly installments, on the first day of each month either to Owner at the above address or at another place that Owner may inform Tenant of by written notice.

B. When Tenant signs this Lease, Tenant must pay by bank or cashier's check (or by electronic fund transfer, if instructed by Owner as described below) , the following:

(i) one (1) months' Rent (i.e., **\$4,650.00**);

(ii) the Security Deposit (in the amount stated in Article 4); and

(iii) any commission due by Tenant to the Brokers (as defined in Article 34 hereinafter) in connection with this Lease.

- C. If the Lease Commencement Date shall not occur on the first day of a calendar month, the Rent for such calendar month shall be prorated on a per diem basis. If the Lease begins after the first day of the month, Tenant must pay when it signs this Lease one (1) full months' Rent and for the next full calendar month Tenant shall pay a prorated Rent based on the number of days the Lease began after the first day of the month (for example, if the beginning date of this Lease is the 16 th day of the month, Tenant would pay for fifteen (15) out of thirty (30) days, or one-half (1/2), of a full months' Rent for the second calendar month). In any event, if the Lease Commencement Date shall not occur on the first day of a calendar month, the Term shall also include the remainder of the month in which the Lease Commencement Date occurred.
- D. Within five (5) business days after the request of Owner, at Owner's option, Tenant shall return a document supplied by Owner in the form attached hereto as Exhibit A (a "Memorandum Confirming Term") confirming the Lease Commencement Date, the Rent Commencement Date (if different than the Lease Commencement Date) the Lease expiration date and any other material terms of this Lease, certifying that Tenant has accepted delivery of the Apartment and that the condition of the Apartment complies with Owner's obligations hereunder. Tenant's failure to so deliver the Memorandum Confirming Term shall be considered a material default under this Lease, however, Tenant's failure to do so shall not affect the occurrence of the Lease Commencement Date or the validity of this Lease or alter the terms and provisions contained in the Memorandum Confirming Term if so delivered to Tenant by Owner.
- E. Tenant may be required to pay other charges to Owner under the terms of this Lease, such additional charges shall be referred to as "Additional Rent". Any Additional Rent must be paid by Tenant to Owner upon the earlier of (i) the first day of the month immediately following the month said Additional Rent is billed to Tenant or (ii) fifteen (15) days from the date Tenant is billed for the Additional Rent. If Tenant fails to pay the Additional Rent on time, Owner shall have the same rights against Tenant as if Tenant failed to pay Rent. Said Rent and Additional Rent must be paid in full in accordance with the foregoing, without deduction or offset and without the need for demand or notice from Owner. Except as may be provided for otherwise in this Article 3, all Rent and Additional Rent shall be payable to Owner by _____ **[CROSS OUT ANY FORM OF PAYMENT THAT IS INAPPLICABLE]** or such other form of payment as required by Owner only. If by direct deposit, Owner shall provide Tenant the necessary wiring instructions.
- F. Tenant shall be entitled to a five (5) day grace period for the payment of any sum of Rent or Additional Rent due under this Lease. Any sum of Rent or Additional Rent not paid within five (5) days of the date due shall be subject to a late fee of the lesser of (i) \$50.00, or (ii) five percent (5%) of the unpaid amount. Interest shall also be payable on the aforesaid late Rent or Additional Rent beginning thirty (30) days from the due date, such interest accruing at the lesser of (i) the maximum amount allowable by law, or (ii) one and one - half percent per month (1.5%), until the late Rent or Additional Rent is paid in full. There shall be a Fifty Dollar (\$50.00) fee for any check which is dishonored or returned. Any late charge or interest charge shall be considered Additional Rent.
- G. Owner need not give notice to Tenant to pay Rent. Rent must be paid in full and no amount subtracted from it. The whole amount of Rent is due and payable as of the Lease Commencement Date. Payment of Rent in installments is for Tenant's convenience only. If Tenant is in default under any of the terms and conditions of this Lease, Owner may give notice to Tenant that it may no longer pay Rent in installments and the entire Rent for the remaining part of the Term will then immediately be due and payable.
4. **SECURITY DEPOSIT** Tenant is required to give Owner the sum of **\$1,000.00** (such amount not to exceed one (1) months' Rent pursuant to The Housing Stability and Tenant Protection Act of 2019) when Tenant signs this Lease as a security deposit (the "Security Deposit"). Owner will deposit the Security Deposit in **JPMorgan Chase Bank** bank at **245 Park Ave Floor 13 New York, NY 10167**. This Security Deposit shall not bear interest, unless if otherwise required by applicable law. In the event that the Security Deposit shall earn interest, then in such event Owner shall be entitled to an administrative fee pursuant to applicable law.

If Tenant carries out all of Tenant's agreements in this Lease and if Tenant moves out of the Apartment and returns it to Owner vacant, broom clean and in the same condition it was in when Tenant first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty through no fault of Tenant, Owner will return to Tenant the full amount of the Security Deposit within fourteen (14) days after the later of (i) the date this Lease ends, or (ii) the date Tenant vacates the Apartment. However, if Tenant is in default of Tenant's obligations under this Lease and/or there are any damages to the Apartment beyond ordinary wear and tear or damage caused by fire or other casualty, Owner may keep all or part of the Security Deposit to cover reasonable repairs of such damage and Owner shall provide Tenant with an itemized statement indicating the basis for the amount of the Security Deposit retained within the aforementioned fourteen (14) day period. Furthermore, for sake of clarity and emphasis, (i) if Tenant does not carry out all of Tenant's obligations under this Lease, Owner may keep all or part of the Security Deposit necessary to pay Owner for any losses incurred, including missed payments and (ii) Owner's retention of the Security Deposit as allowable under this Lease shall not be deemed to be Owner's sole remedy for any default by Tenant of Tenant's obligations pursuant to the terms and conditions of this Lease.

TENANT ACKNOWLEDGES AND AGREES THAT THE SECURITY DEPOSIT CANNOT BE USED TOWARDS RENT OR

ADDITIONAL RENT BY TENANT. Notwithstanding anything to the contrary contained in this Lease, if Owner shall apply all or any portion of the Security Deposit to cure a default by Tenant hereunder during the Term of this Lease, Tenant shall, within five (5) business days, deposit with Owner that sum which shall be necessary to maintain the security in an amount equal to the Security Deposit as so required in this Article 4. Failure to replenish the Security Deposit in a timely manner shall be deemed a default under this Lease.

If Owner sells the Apartment, Owner, at its sole option, will turn over Tenant's security either to Tenant or to the person buying the Apartment within five (5) days after the sale. Owner will then notify Tenant, by registered, certified or overnight mail by a nationally recognized overnight courier, of the name and address of the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to Tenant for the Security Deposit and the new owner will become responsible to Tenant for the Security Deposit.

5. IF TENANT IS UNABLE TO MOVE IN Except as otherwise provided herein, Owner shall not be liable for failure to give Tenant possession of the Apartment on the Lease Commencement Date. Rent shall be payable as of the beginning of this Lease Term unless Owner is unable to give Tenant possession. A situation could arise which might prevent Owner from letting Tenant move into the Apartment on the Lease Commencement Date. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Tenant's damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when possession is available, and the ending date of this Lease as specified in Article 2 will remain the same (unless otherwise mutually agreed to in writing by Tenant and Owner). Tenant will not have to pay Rent until the date possession is available, or the date Tenant moves in, whichever is earlier (however, in no event shall Tenant move in or take possession prior to the date Owner shall have given Tenant notice that Tenant may take possession of the Apartment). Owner will notify Tenant as to the date possession is available. If Owner does not give Tenant notice that possession is available within thirty (30) days after the Lease Commencement Date, provided that Owner's failure to deliver possession is not due to a Tenant delay, Tenant may send a fifteen (15) day written termination notice (the "Termination Notice") to Owner, and if Owner is unable to deliver possession within fifteen (15) days of receipt of Tenant's Termination Notice, this Lease shall terminate and be of no further force and effect and all prepaid Rent, the Security Deposit and any other fees paid by Tenant (except for non-refundable fees required in the Lease package) at the execution of this Lease shall be promptly returned to Tenant.

6. CAPTIONS In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

7. WARRANTY OF HABITABILITY

- A.** All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law. Under that law, Owner agrees that the Apartment is fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.
- B.** Tenant will do nothing to interfere with or make more difficult Owner's efforts to provide Tenant and all other occupants of the Building with the required facilities and services. Any condition caused by Tenant's misconduct or the misconduct of Tenant Parties (as hereinafter defined) or anyone else under Tenant's direction or control shall not be a breach by Owner.

8. CARE OF TENANT'S APARTMENT; END OF LEASE; MOVING OUT

- A.** At all times during the Term of this Lease, Tenant will take good care of the Apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. Tenant shall, at Tenant's own cost and expense, make all repairs caused or occasioned by Tenant or Tenant's agents, contractors, invitees, licensees, guests or servants (collectively hereinafter "Tenant Parties"). In addition, Tenant shall promptly notify Owner and/or the Building Superintendent/Building Manager in writing upon the occurrence of any problem, malfunction or damage to the Apartment. Tenant will move out on or before the ending date of this Lease and leave the Apartment in good order and in the same condition as it was when Tenant first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty through no fault of Tenant.
- B.** **CLEANING.** Tenant is required to use only non-abrasive cleaning agents in the Apartment. Tenant is responsible for damage done by use of any improper cleaning agents.
- C.** If Tenant fails to maintain the Apartment or make a needed repair or replacement as required hereunder, Owner may hire a professional and make such maintenance, repairs or replacements at Tenant's sole cost and expense. Owner's reasonable expense will be payable by Tenant to Owner as Additional Rent within ten (10) business days after Tenant receives a bill from Owner.
- D.** When this Lease ends, Tenant must remove all of Tenant's movable property. Tenant must also remove at Tenant's own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment Tenant may have installed in the Apartment, even if it was done with Owner's consent. Tenant must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. Tenant has not

moved out until all persons, furniture and other property of Tenant's is also out of the Apartment. If Tenant's property remains in the Apartment after this Lease ends, Owner may either treat Tenant as still in occupancy and charge Tenant for use, or may consider that Tenant has given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at Tenant's expense. Tenant agrees to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.

- E. Except as provided for otherwise in Article 35 of this Lease, in the event that (i) Owner intends to offer to renew this Lease with a Rent increase equal to or greater than five (5%) percent above the then current Rent, or (ii) Owner does not intend to renew this Lease, Owner shall provide Tenant written notice as follows:
- i. If Tenant has occupied the Apartment for less than one (1) year and does not have a Lease Term of at least one (1) year, Owner shall provide at least thirty (30) days' notice;
 - ii. If Tenant has occupied the Apartment for more than one (1) year but less than two (2) years, or has a Lease Term of at least one (1) year but less than two (2) years, Owner shall provide at least sixty (60) days' notice; or
 - iii. If Tenant has occupied the Apartment for more than two (2) years or has a Lease Term of at least two (2) years, Owner shall provide at least ninety (90) days' notice.
- F. Within a reasonable time after notification of either party's intention to terminate this Lease, unless Tenant provides less than two (2) weeks' notice of Tenant's intention to terminate, Owner shall notify Tenant in writing of Tenant's right to request an inspection before vacating the Apartment. Tenant shall have the right to be present at said inspection. Subject to the foregoing, if Tenant requests such inspection, the inspection shall be made no earlier than two (2) weeks and no later than one (1) week before the end of the tenancy. Owner shall provide at least forty-eight (48) hours written notice of the date and time of the inspection. After the inspection, Owner shall provide Tenant with an itemized statement specifying repairs, cleaning or other deficiencies that are proposed to be the basis of any deductions from the Security Deposit. If Tenant requests such inspection, Tenant shall be given an opportunity to remedy any identified deficiencies prior to the end of the tenancy (or, at Owner's sole option, if Tenant fails to remedy any such identified deficiencies, Owner may remedy such identified deficiencies at Tenant's sole cost and expense as described hereinafter). Any and all repairs or alterations made to the Apartment as a result of said inspection shall be at Tenant's sole cost and expense. Said repairs must be approved by Owner and shall be performed, at Owner's sole option by (i) licensed and adequately insured Tenant's contractors in a good and skillful manner with materials of quality and appearance comparable to existing materials and approved by Owner or (ii) by Owner's contractor(s).

9. CHANGES AND ALTERATIONS TO APARTMENT

- A. Tenant cannot build in, add to, change or alter, the Apartment in any way, including, but not limited to, installing, changing, or altering any paneling, wallpaper, flooring, "built in" decorations, partitions, railings, paint, carpeting, plumbing, ventilating, air conditioning, electric, or heating systems without first obtaining the prior written consent of Owner which may be withheld in Owner's sole discretion. If Owner's consent is given, the alterations and installations shall become the property of Owner when completed and paid for by Tenant. They shall remain with and as part of the Apartment at the end of the Term. Notwithstanding the foregoing, Owner has the right to demand that Tenant remove the alterations and installations at the end of the Lease Term, and in such case Tenant shall repair all damage resulting from said removal and restore the Apartment to its original condition, including any holes in the wall or damage caused by the removal of any pictures, artwork or TV mounts hung by Tenant on the walls. Any and all work shall be performed by Tenant in accordance with the terms and conditions of this Lease and in accordance with all applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity. Tenant's contractor shall also supply, before performing any such work, a certificate of insurance naming Owner and the Building's managing agent (if applicable) as additional insured.
- B. Without Owner's prior written consent, Tenant cannot install or use in the Apartment any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, Tenant cannot place in the Apartment water-filled furniture.
- C. If a lien is filed on the Apartment or Building due to Tenant's fault, Tenant must promptly pay or bond the amount stated in the lien. Owner may pay or bond the Lien if Tenant fails to do so within ten (10) days after Tenant has written notice about the lien, in which case, Owner's costs shall be paid by Tenant as Additional Rent.
- D. [N/A]

10. TENANT'S DUTY TO OBEY AND COMPLY WITH LAWS, REGULATIONS AND RULES

- A. GOVERNMENT LAWS AND ORDERS. Tenant will obey and comply (i) with all present and future city, state and federal laws rules, regulations and codes of any governmental or quasi-governmental entity or body which affect the Building or the Apartment, and (ii) with all orders and regulations of insurance rating organizations which affect the

Apartment and the Building. Tenant will not allow any windows in the Apartment to be cleaned from the outside unless the prior written consent of the Owner is obtained.

- B. OWNER'S RULES AFFECTING TENANT.** Tenant, its Permitted Occupants and Tenant Parties must obey all Owner's rules (the "Owner's Rules and Regulations") annexed hereto and made apart hereof as Exhibit B and all future reasonable rules of Owner or Owner's agent. Notice of all additional rules shall be delivered to Tenant in writing or posted in the lobby or other public place in the building. Owner shall not be responsible to Tenant for not enforcing any rules, regulations or provisions of any other tenant's lease except to the extent required by law.
- C. TENANT'S RESPONSIBILITY.** Tenant is responsible for the behavior of Tenant, the Permitted Occupants of the Apartment, the Tenant Parties and any other people who are visiting the Apartment. Tenant will reimburse Owner as Additional Rent upon demand for the cost of all losses, damages, fines and reasonable legal expenses incurred by Owner because Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other people visiting the Apartment have not obeyed applicable laws, rules, regulations and codes of any governmental or quasi-governmental entity or rules of this Lease.

11. OBJECTIONABLE CONDUCT Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other people visiting the Apartment will not engage in objectionable conduct at the Apartment or the Building. Objectionable conduct ("Objectionable Conduct") means behavior which makes or will make the Apartment or the Building less fit to live in for Tenant or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their apartment, or causes conditions that are dangerous, hazardous, unsanitary or detrimental to other occupants of the Building. Objectionable Conduct by Tenant, the Tenant Parties, or any other people visiting the Apartment, gives Owner the right to end this Lease on six (6) days' written notice to Tenant that this Lease will end.

12. SERVICES AND FACILITIES

- A. REQUIRED SERVICES.** Owner will provide (i) cold and hot water and heat as required by law, (ii) repairs to the Apartment not caused by Tenant (subject to the terms and conditions of this Lease), the Tenant Parties or any other people visiting the Apartment, as required by law, (iii) elevator service if the Building has elevator equipment; and (iv) the utilities, if any, included in the Rent, as set forth in subparagraph B below. Tenant is not entitled to any Rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.
- B.** The following utilities are included in the rent: none.
[INSERT "NONE" IF NO UTILITIES ARE INCLUDED IN THE RENT]
- C. ELECTRICITY AND OTHER UTILITIES.** Tenant acknowledges and understands that Owner has no obligation to supply, or liability in connection with, utilities or services in or to the Apartment (except as may be provided for otherwise in this Lease). Tenant shall be responsible, at Tenant's sole cost and expense, for securing, air conditioning, electricity, gas, cable, phone, and all other utilities and services (except as may be provided for otherwise in this Lease).
- (i)** Tenant shall contract directly with the appropriate utility provider for all aforementioned services (not including the utilities included in the Rent as provided for in subparagraph B).
- (ii)** Notwithstanding anything to the contrary contained in this Lease, the Owner provides the following services none for a separate, sub-metered charge. It is covenanted and agreed by Tenant that all the aforesaid costs and expenses shall be paid by Tenant to Owner within five (5) days after rendition of any bill or statement to Tenant therefor **[DELETE IF INAPPLICABLE]**.
- D.** Stopping or reducing of service(s) will not be reason for Tenant to stop paying Rent, to make a money claim or to claim constructive eviction. Damage to the equipment or appliances supplied by Owner, caused by Tenant's acts, omissions or neglect, or the act, omission or neglect of the Tenant Parties or any other person visiting the Apartment, shall be repaired at Tenant's sole cost and expense. In the event that Tenant fails to make such repairs within a reasonable period of time, Owner shall have the option to make such repairs at Tenant's expense and charge the same to Tenant as Additional Rent. Damage to the equipment or appliances supplied by the Owner, which are not caused by Tenant's negligence, acts or misuse or the negligence, acts or misuse of the Tenant Parties or any other people visiting the Apartment, shall be promptly repaired by the Owner at the Owner's sole cost and expense. Owner may stop service of the plumbing, heating, elevator, air cooling or electrical systems, because of accident, emergency, repairs, or changes until the work is complete. Notwithstanding the foregoing, except in emergency situations, Owner shall provide Tenant no less than twenty-four (24) hours prior written notice of any planned service stoppages. Owner shall take all necessary steps to ensure that service stoppages do not interfere with Tenant's use and enjoyment of the Apartment.
- E. APPLIANCES.** Appliances supplied by Owner in the Apartment are for Tenant's use. They shall be in working order on the date hereof and will be maintained and repaired or replaced by Owner, except if repairs or replacement are made necessary because of Tenant's or the Tenant Parties' negligence or misuse, Tenant will pay Owner for the cost of such repair or replacement as Additional Rent. Tenant must not use a dishwasher, washing machine, dryer, freezer, heater, ventilator or other appliance unless installed by Owner or with Owner's prior written consent (in its sole discretion).

Tenant must not use more electric than the wiring or feeders to the Building can safely carry.

- F. FACILITIES AND AMENITIES.** If Owner permits Tenant to use any storeroom, storage bin, laundry or any other facility located in the Building but outside of the Apartment (e.g., fitness center, resident lounge, roof deck, golf simulator, movie theater, swimming pool, spa, etc.), the use of any such facility will be furnished to Tenant free of charge and at Tenant's own risk. Tenant will operate at Tenant's expense any coin operated appliances located in any such facility. Owner shall have no obligation to provide any of the aforementioned facilities or any type of doorman, attendant, porter or any other type of similar service at the Building, and Owner may discontinue same without being liable to Tenant therefor or without in any way affecting this Lease or the liability of Tenant hereunder or causing a diminution of Rent and the same shall not be deemed to be lessening or a diminution of facilities or services within the meaning of any law, rule or regulation now or hereafter enacted, promulgated or issued.

- 13. INABILITY TO PROVIDE SERVICES** Because of a strike, labor trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building. In any of these events, any rights Tenant may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

- 14. ENTRY TO APARTMENT** During reasonable hours and with reasonable notice, except in emergencies, Owner and Owner's representatives, agents and employees may enter the Apartment for the following reasons:

- A.** To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; inspect; exterminate; install or work on master antennas or other systems or equipment; and to perform other work and make any and all repairs, alterations, or changes Owner decides are necessary. Tenant Rent will not be reduced because of any of the foregoing.
- B.** To show the Apartment to potential buyers or lenders.
- C.** For ninety (90) days before the end of the Lease Term, to show the Apartment to persons who wish to lease it.
- D.** If, during the last month of the Lease, Tenant has moved out and removed all or almost all of Tenant's property from the Apartment, Owner may enter the Apartment to make changes, repairs, or redecorations. Tenant's Rent will not be reduced for that month and this Lease will not be ended by Owner's entry.
- E.** If, at any time, Tenant is not personally present to permit Owner or Owner's representatives, agents or employees to enter the Apartment and entry is necessary or allowed by law or under this Lease, Owner or Owner's representatives, agents or employees may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner or Owner's representatives, agents or employees will not be responsible to Tenant, unless during such entry, any authorized party is negligent or misuses Tenant's property.

15. ASSIGNING; SUBLETTING; ABANDONMENT

- A. ASSIGNING AND SUBLETTING.** Tenant cannot assign this Lease or sublet all or part of the Apartment or permit any other person to use the Apartment (other than a Permitted Occupant without the prior written consent of the Owner, which Tenant acknowledges may be withheld by Owner in its sole and absolute discretion, for any reason or no reason. If Tenant assigns this Lease or sublet all or part of the Apartment and fail to obtain Owner's prior written consent, in addition to any and all other rights of Owner under this Lease and at law and/or in equity, Owner has the right to cancel the Lease. Tenant must get Owner's written permission as provided for herein, each time Tenant wants to assign or sublet. Permission to assign or sublet is good only for that assignment or sublease. Tenant remains bound to the terms of this Lease after an assignment or sublet is permitted, even if Owner accepts money from the assignee or subtenant. The amount accepted will be credited toward money due from Tenant, as Owner shall determine. The assignee or subtenant does not become Owner's tenant. Tenant is responsible for acts and neglect of any person in the Apartment. Notwithstanding the foregoing, Owner expressly reserves the right to terminate this Lease with respect to the Apartment upon the receipt by Owner of any request for assignment or sublease ("Owner's Recapture Right"). Owner's Recapture Right, if exercised, must be sent to Tenant in writing within thirty (30) days after Tenant's request to assign or sublet the Apartment. In the event that Owner consents to an assignment and elects not to exercise Owner's Recapture Right, Tenant shall reimburse Owner for all of Owner's attorneys' fees in connection with the review of the assignment or sublease. In the event that Owner agrees to an assignment or sublease, subject to applicable law, Owner shall be entitled to one hundred percent (100%) of any consideration or rent over and above that Rent provided for in this Lease. The sublease shall provide that the subtenant shall, at Owner's option, attorn to Owner upon any termination of this Lease.
- B. ABANDONMENT.** If Tenant moves out of the Apartment (abandonment) before the end of this Lease without the consent of Owner, this Lease will not be ended. Tenant will remain responsible for each monthly payment of Rent and Additional Rent as it becomes due until the end of this Lease. In case of abandonment, Tenant's responsibility for Rent and Additional Rent will end only if Owner chooses to end this Lease for default as provided in Article 16.

16. DEFAULT

A. Tenant defaults under the Lease if Tenant acts in any of the following ways:

- (i)** Tenant fails to carry out any agreement or provision of this Lease;
- (ii)** Tenant does not take possession or move into the Apartment fifteen (15) days after the beginning of this Lease; or
- (iii)** Tenant and the Permitted Occupants of the Apartment move out permanently before this Lease ends;

If Tenant defaults in any one of these ways, other than a default in the agreement to pay Rent and/or Additional Rent, Owner may serve Tenant with a written notice to stop or correct the specified default within ten (10) days. Tenant must then either stop or correct the default within such ten (10) day period, or, if the nature of the default is not reasonably capable of being cured within such ten (10) day period, then Tenant must begin to take all steps necessary to correct the default within ten (10) days and thereafter diligently continue to do all that is necessary to correct the default as soon as possible (however, in no event shall any extension of the aforesaid ten (10) day period exceed thirty (30) days).

- B.** If Tenant does not stop, correct or begin to materially correct a default within ten (10) days as provided for above, or engages in Objectionable Conduct, Owner shall give Tenant a written notice that this Lease will end six (6) days after the date such written notice is sent to Tenant. At the end of the six (6) day period, this Lease will end and Tenant then must move out of the Apartment. Even though this Lease ends, Tenant will remain liable to Owner for unpaid Rent and/or Additional Rent up to the end of this Lease, and damages caused to Owner after that time as stated in Article 17.
- C.** If Owner does not receive the Rent and/or Additional Rent within five (5) days of when this Lease requires, Owner or Owner's agent shall send Tenant, via certified mail, a written notice stating the failure to receive such Rent and/or Additional Rent. Provided Owner has served Tenant with a fourteen (14) day written demand, and Owner does not receive the overdue Rent (and Additional Rent, as applicable) within fourteen (14) days after such written fourteen (14) demand for Rent (and Additional Rent, as applicable) has been made, Owner may commence an action or summary proceeding seeking the payment of all Rent and/or Additional Rent. If the Lease ends, Owner may do the following: (i) enter the Apartment and retake possession of it if Tenant has moved out or (ii) go to court and ask that Tenant and all other occupants in the Apartment be compelled to move out.

Once this Lease has been ended, whether because of default or otherwise, Tenant gives up any right Tenant might otherwise have to reinstate this Lease.

17. REMEDIES OF OWNER AND TENANT'S LIABILITY If this Lease is ended by Owner because of Tenant's default, the following are the rights and obligations of Tenant and Owner.

- A.** Tenant must pay Rent and Additional Rent until this Lease has ended. Thereafter, Tenant must pay an equal amount for what the law calls "use and occupancy" until Tenant actually moves out.
- B.** Once Tenant is out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the Rent in this Lease. Notwithstanding the foregoing, if Tenant vacates the Apartment in violation of the terms of this Lease, only then shall Owner use reasonable efforts to re-rent the Apartment at the lesser of the fair market value of the Apartment or the Rent paid hereunder.
- C.** Whether the Apartment is re-rented or not, Tenant must pay to Owner as damages:
- (i)** the difference between the Rent in this Lease and the amount, if any, of the rents collected in any later lease of the Apartment for what would have been the remaining period of this Lease; and
 - (ii)** Owner's expenses for the cost of getting Tenant out and re-renting the Apartment, including, but not limited to, putting the Apartment in good condition, repairing damages, decorating and/or cleaning the Apartment for re-rental, advertising the Apartment and for real estate brokerage fees; and
 - (iii)** Owner's expenses for attorney's fees (except in the event of a default judgment).
- D.** Tenant shall pay all aforementioned damages due in monthly installments on the Rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action.
- E.** If the Rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid Rent and damages which Tenant owes Owner, Tenant cannot receive the difference. Owner's failure to re-rent to another tenant will not release or change Tenant's liability for damages. Except as may be provided for otherwise in Article 17(B) of this Lease, Owner is not required to re-rent the Apartment.

18. ADDITIONAL OWNER REMEDIES; LEGAL FEES If Tenant does not do everything Tenant has agreed to do, or if Tenant does anything which shows that Tenant intends not to do what Tenant has agreed to do, Owner has the right to ask a Court to make Tenant carry out Tenant's agreements or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 16 and 17 of this Lease.

19. FEES AND EXPENSES (INCLUDING BUT NOT LIMITED TO LEGAL FEES)

- A. Tenant must reimburse Owner for any of the following fees and expenses incurred by Owner:
- (i) Making any repairs to the Apartment or the Building, including any appliances in the Apartment, which result from misuse, omissions or negligence by Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other visitors to the Apartment;
 - (ii) Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organization concerning the Apartment or the Building which Tenant, the Permitted Occupants of the Apartment, the Tenant Parties, or any other persons who visit the Apartment or work for Tenant have caused;
 - (iii) Preparing the Apartment for the next tenant if Tenant moves out of the Apartment before the Lease ending date without Owner's prior written consent;
 - (iv) Any legal fees and disbursements for the preparation and service of legal notices; legal actions or proceedings brought by Owner against Tenant because of a default by Tenant under this Lease; or for defending lawsuits brought against Owner because of the actions of Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment;
 - (v) Removing any of Tenant's property from the Apartment after this Lease is ended;
 - (vi) Any miscellaneous charges payable to the Owner for services Tenant requested that are not required to be furnished Tenant under this Lease for which Tenant has failed to pay the Owner and which Owner has paid;
 - (vii) All other fees and expenses incurred by Owner because of the failure to obey any other provisions and agreements of this Lease by Tenant, the Permitted Occupants of the Apartment, the Tenant Parties or any other persons who visit the Apartment or work for Tenant.

These fees and expenses shall be paid by Tenant to Owner as Additional Rent within ten (10) business days after Tenant receives Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, Tenant will still be liable to Owner for the same amount as damages. In the event Tenant does not reimburse Owner within such ten (10) business day period, Owner shall be entitled to deduct the fees and expenses from the Security Deposit.

- B. Tenant has the right to collect reasonable legal fees and expenses incurred in a successful defense by Tenant of a lawsuit brought by Owner against Tenant or brought by Tenant against Owner to the extent provided by Real Property Law, Section 234.

20. PROPERTY LOSS, DAMAGES OR INCONVENIENCE

Tenant understands and agrees that unless caused by the gross negligence or willful misconduct of Owner or Owner's representatives, agents or employees, none of these authorized parties are responsible to Tenant for any of the following (i) any loss of or damage to Tenant or Tenant's property in the Apartment or the Building due to any accidental or intentional cause, including a theft or another crime committed in the Apartment or elsewhere in the Building; (ii) any loss of or damage to Tenant's property delivered to any employee of the Building (e.g., doorman, superintendent, etc.); or (iii) any damage or inconvenience caused to Tenant by actions, negligence or violations of their lease made by any other tenant or person in the Building except to the extent required by law. Tenant further understands and agrees that Owner's employees are not authorized by Owner to care for Tenant's personal property. Owner is not responsible for any loss, theft, damage to Tenant's personal property, or any injury caused by the property or its use by Building employees.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or on behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Owner will not be liable to Tenant for such interference caused by the permanent closing, darkening or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the Rent or allow Tenant to cancel the Lease.

21. FIRE OR CASUALTY

- A. Tenant shall give Owner immediate notice in case of fire or other damage to the Apartment. If the Apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under subparagraph C below or by Tenant under subparagraph D below. However, the Rent will be reduced as of the date of the fire, accident or other casualty. This reduction will be based upon the square footage of the Apartment which is unusable, as determined by Owner.
- B. Owner will repair and restore the Apartment, unless Owner decides to take actions described in subparagraph C below. For the sake of clarity and emphasis, Owner is not required to repair or restore the Apartment or replace the furnishings, decorations or any of Tenant's property, and furthermore (unless otherwise agreed to by Owner in writing), Owner shall not be responsible for any delays due to settling insurance claims, obtaining cost estimates, labor, material, equipment and/or supply problems, force majeure or for any other delay beyond Owner's reasonable control. If the Lease is cancelled, Owner need not restore the Apartment.
- C. After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially

rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving Tenant written notice of this decision within the later of sixty (60) days after the date when the damage occurred or ten (10) business days after Owner is advised by its insurance carrier as to the amount of insurance proceeds it will have available to restore the Apartment. If there is substantial damage to the Apartment or if the Apartment is completely unusable, Owner may cancel this Lease by giving Tenant written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is unusable when Owner gives Tenant such notice, this Lease will end sixty (60) days from the last day of the calen dar month in which Tenant was given notice.

- D. If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in thirty (30) days, Tenant may give Owner written notice that Tenant ends the Lease. If Tenant gives that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will promptly refund Tenant's Security Deposit and the pro-rata portion of Rent (and Additional Rent, as applicable) paid for the month in which the casualty happened.
- E. Unless prohibited by the applicable policies, to the extent that such insurance is collected, Tenant and Owner release and waive all right of recovery against the other or anyone claiming through or under each by way of subrogation.
- F. Tenant acknowledges that if fire, accident, or other casualty causes damage to any of Tenant's personal property in the Apartment, including, but not limited to Tenant's furniture and clothes, the Owner will not be responsible to Tenant for the repair or replacement of any such damaged personal property unless such damage was as a result of the Owner's negligence.

22. PUBLIC TAKING The entire Building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi- public use or purpose. If this happens, this Lease shall end on the date the government or agency take title. Tenant shall have no claim against Owner for any damage resulting; Tenant also agrees that by signing this Lease, Tenant assigns to Owner any claim against the government or government agency for the value of the unexpired portion of this Lease.

23. SUBORDINATION CERTIFICATE AND ACKNOWLEDGEMENTS Notwithstanding any provisions to the contrary contained in this Lease, this Lease and Tenant's rights, are subject and subordinate to all present and future: (a) leases for the Building or the land on which it stands, (b) Owner's mortgage(s) now existing or hereinafter existing), (c) agreements securing money paid or to be paid by a lender, and (d) terms, conditions, renewals, changes of any kind and extensions of the mortgages, leases or lender agreements. If certain provisions of any such mortgage come into effect, the holder of any such mortgage can end this Lease and such parties may commence legal action to evict Tenant from the Apartment . If this happens, Tenant acknowledges that Tenant has no claim against Owner or such lease or mortgage holder. If Owner requests, Tenant will sign promptly any acknowledgment(s) of the "subordination" in the form that Owner may require. Tenant authorizes Owner to sign such acknowledgment(s) for Tenant if Tenant fails to do so within five (5) days of Owner's request.

Tenant also agrees to sign (if accurate) a written acknowledgment within ten (10) days of request to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that Tenant has no present claim against Owner.

24. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT If Tenant pays the Rent and any required Additional Rent on time and Tenant does everything Tenant has agreed to do in this Lease, Tenant's tenancy cannot be cut off before the ending date, except as provided for otherwise in this Lease, including, but not limited to, in Articles 21, 22, and 23.

25. BILLS AND NOTICE; ELECTRONIC SIGNATURES Any notice, statement, demand or other communication required or permitted to be given rendered or made by either party to the other, pursuant to this Lease or pursuant to any applicable law or requirement of public authority, shall be in writing (whether or not so stated elsewhere in this Lease) and shall be given by registered or certified mail, return receipt requested, or by overnight mail by a nationally recognized overnight carrier addressed to each of the following parties:

An electronic signature on this Lease, rider or any renewal of Owner or Tenant shall be deemed an original document and a binding signature pursuant to the Electronic Signatures and Records Act of the State Technology Law.

Notwithstanding anything to the contrary contained in this Lease, any notice from Owner or Owner's agent or attorney may be delivered to Tenant personally at the Apartment. Notices shall be deemed received the next business day if by overnight carrier, the date of delivery if by personal delivery, or three (3) business days after being mailed if by registered or certified mail.

26. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

- A. Both Tenant and Owner agree to give up the right to a trial by jury in a court action, proceeding or counterclaim (excluding compulsory counterclaims) on any matters concerning this Lease, the relationship of Tenant and Owner as lessee and lessor or Tenant's use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.
- B. If Owner begins any court action or proceeding against Tenant which asks that Tenant be compelled to move out, Tenant cannot make a counterclaim unless Tenant is claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

27. NO WAIVER OF LEASE PROVISIONS

- A. Even if Owner accepts Tenant's Rent and/or Additional Rent or fails once or more often to take action against Tenant when it has not done what Tenant has agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of Rent and/or Additional Rent does not prevent Owner from taking action at a later date if Tenant does not do what Tenant has agreed to do herein.
- B. Only a written agreement between Tenant and Owner can waive any violation of this Lease.
- C. If Tenant pays and Owner accepts an amount less than all the Rent and/or Additional Rent due, the amount received shall be considered to be in payment of all or part of the earliest Rent and/or Additional Rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the Rent and/or Additional Rent due unless there is a written agreement between Tenant and Owner.
- D. Any agreement to end this Lease and also to end the rights and obligations of Tenant and Owner must be in writing, signed by Tenant and Owner or Owner's agent. Even if Tenant gives keys to the Apartment and they are accepted by Owner or Owner's representative, this Lease is not ended.

28. CONDITION OF THE APARTMENT; APARTMENT RENTED "AS IS" By signing this Lease Tenant acknowledges that Owner, Owner's representatives or superintendent has not made any representations or promises with respect to the Building or the Apartment except as herein expressly set forth. After signing this Lease but before Tenant begins occupancy, Tenant shall have the opportunity to inspect the Apartment with Owner or Owner's agent to determine the condition of the Apartment. If Tenant requests such inspection, the parties shall execute a written agreement before Tenant begins occupancy of the Apartment attesting to the condition of the Apartment and specifically noting any existing defects or damages. Before taking occupancy of the Apartment, Tenant has inspected the Apartment (or Tenant has waived such inspection) and Tenant accepts it in its present condition "as is," except for any condition which Tenant could not reasonably have seen during Tenant's inspection. Tenant agrees that Owner has not promised to do any work in the Apartment except as specified in Exhibit C annexed hereto (if any) and made apart hereof.

29. HOLDOVER

- A. At the end of the Term, Tenant shall: (i) return the Apartment to the Owner in broom clean, vacant and in good condition, ordinary wear and tear excepted; (ii) remove all of Tenant's property and all of Tenant's installations, alterations and decorations (if so directed by Owner); and (iv) repair all damages to the Apartment and Building caused by moving; and restore the Apartment to its condition at the beginning of the Term ordinary wear and tear excepted.
- B. Tenant hereby indemnifies and agrees to defend and hold Owner harmless from and against any loss, cost, liability, claim, damage, fine, penalty and expense (including reasonable attorneys' fees and disbursements but excluding consequential or punitive damages) resulting from delay by Tenant in surrendering the Apartment upon the termination of this Lease, including any claims made by any succeeding tenant or prospective tenant or successor landlord founded upon such delay.
- C. If Tenant holds over possession after the expiration date of the Lease or earlier termination of the Lease term or any

extended term of this Lease, such holding over shall not be deemed to extend the term of this Lease or renew this Lease. Under no circumstances (i) will such holdover constitute a month-to-month tenancy, (ii) shall this Article 29 imply any right of Tenant to remain in the Apartment after the expiration or earlier termination of this Lease, (iii) will Owner be prohibited from exercising any rights permitted by law against a holdover tenant; or (iv) will any monies paid by Tenant or accepted by Owner (e.g., Rent, Additional Rent, holdover rent or otherwise) after the expiration or earlier termination of this Lease be deemed to reinstate any form of tenancy between Tenant and Owner. In connection with such holdover, Tenant shall pay the following charges for the use and occupancy of the Apartment for each calendar month or part thereof (even if such part shall be a small fraction of a calendar month), which total sum Tenant agrees to pay to Owner per month promptly upon demand, in full, without set-off or deduction:

- i) TWO (2) times the highest monthly Rent set forth in this Lease, plus
- ii) Items of Additional Rent that would have been payable monthly pursuant to this Lease, had this Lease not expired or terminated,

The aforesaid provisions of this Article 29 shall survive the expiration or earlier termination of this Lease.

The abovementioned insurance policies shall provide for no less than thirty (30) days' notice of cancellation or modification to Owner, and Tenant shall provide Owner with a copy of such insurance policies. Evidence of the aforesaid coverage being in place

shall be presented to the Owner on or before the first day of the term of this Lease and may be requested at any time during term of t his Lease. ADDITIONAL CLAUSES attached to and forming a part of Lease dated **August 5, 2022** between **BRE FSC MULTIFAMILY BORROWER LLC.** and **Grace T. Bricken** as Tenant(s), for Apartment **5A** in the premises located at **31 East 31st Street, New York, NY 10016**.

In the event of any inconsistency between the provisions of this Rider and the provisions of The Standard Form of Apartment Lease, The Real Estate Board of New York, Inc. form, hereinafter referred to as the printed form, to which this Rider is annexed, the provisions of this Rider shall govern and be binding. The provisions of this Rider shall be construed to be in addition to and not in limitation of the rights of the Owner and the obligations of the Tenant.

33. Construction Tenant acknowledges that the building, including but not limited to the lobby, common areas, public hallways, health club, lounge, outside deck and laundry facilities, will require construction work to be completed. Therefore, during the initial year of the lease term there will be a period where building and apartment services will be implemented, refined and corrected (the "refinement period") due to construction. It is understood and agreed that plywood may line the elevator cabs and walls in the lobby. Carpeting and wall covering may not be placed in the hallway until the building is fully occupied. Tenant further acknowledges that there is on-going construction and that all facilities such as, but not limited to, the health club, lounge, outside deck, laundry room, storage lockers, and bicycle storage may not be available upon initial occupancy. All construction shall be performed with all requisite approvals and pursuant to all applicable statutes, codes, laws, and ordinances. Tenant agrees that his/her reasonable expectation of the apartment and the building is that there will be construction work and workers in or about the premises that will result in noise, dust and other inconveniences and other problems associated with construction. Tenant acknowledges these conditions and agrees that the rental has been set taking these conditions into account. Tenant's acknowledgement of these conditions is a material inducement for the Owner of the building to enter into this lease. Therefore Tenant agrees that it shall not make any claim against Landlord as the rental provided herein reflects such annoyance, inconvenience and other problems that will or may occur during construction.

34. Occupancy It is understood that the above mentioned apartment is to be used for residential living purposes only. Further the Tenant understands and agrees that the Apartment shall be occupied by the Tenant or Tenants named above and by immediate family members of the Tenant or Tenants. So long as the Tenant(s) occupies the Apartment as his or her or their primary residence, if this lease has only one named Tenant named thereon, the Apartment may also be occupied by one additional occupant and the dependent children of said occupant. If this lease has two or more tenants and occupants named herein, the Apartment may be occupied by additional occupant(s) and the dependent children of said occupant(s), provided, however, that the total number of Tenants and occupants (exclusive of said occupant(s)' dependent children) does not exceed the number of tenants named in the lease. In no event may any occupant occupy the apartment unless at least one person named in the lease as Tenant shall be in occupancy of the Apartment as his or her primary residence. Tenant agrees to inform the Owner, in writing, of the name of each immediate family member, occupant and their dependant children, if any, within thirty (30) days following the Owner's written request therefore. Tenant agrees that, absent express written consent by the Owner, no family member, occupant dependant child thereof or any other person other than the Tenant(s) shall acquire any right to occupancy rights to the Apartment. Neither the tender nor the acceptance of a rent payment by or on behalf of any person other than the Tenant(s) named on the lease shall constitute such express written consent. Occupancy which does not conform with this paragraph in all respects including timely response to owner's written request for the names of each individual family member-occupant and their dependant children, shall constitute a violation of a substantial obligation of the tenancy which may lead to a termination of the lease.

35. Delay in Giving Possession This paragraph replaces paragraph 6 of this Lease. A situation could arise which might prevent Owner from letting Tenant move into the Apartment on the beginning date set in this Lease. If this happens from reasons beyond Owner's reasonable control, Owner will not be responsible for Tenant's damages or expenses and this Lease will remain in effect. Tenant understands that this Building is being newly constructed and that there may be a delay in the completion of construction, the issuance of a temporary or permanent certificate of occupancy, or in scheduling access to the service elevator required before Tenant may obtain possession of the Apartment. Tenant agrees that these are examples of delays beyond Owner's reasonable control. However, in case of a delay, this Lease will start on the date when Owner is able to allow Tenant to move in. Tenant will not have to pay rent until the move-in date which Owner will give Tenant by written notice at least fourteen days in advance, or the date Tenant moves in, whichever is earlier. If Owner is not able to allow Tenant to move in until a day in a later calendar month, the ending date in

Article 2 will be changed to the last day of the calendar month after Tenant is able to take possession plus the whole number of years of the original term without regard to any days which are only part of the initial month, except that if Tenant is not able to move in until a day in a later calendar month than the first day of that month, then the term will end on the day before plus the whole number of years of the original term without regard to any days which are only part of the initial month (For example, (a) if the beginning date in paragraph 2 is August 15, 2006 and the ending date is August 31, 2007 and the Owner is not able to allow Tenant to take possession until August 28, 2006 the ending date would remain unchanged at August 31, 2007; (b) if the beginning date in paragraph 2 is August 15, 2006 and the ending date in paragraph 2 is August 31, 2007, and the Owner is not able to allow Tenant to take possession until September 3, 2006, the ending date would be September 30, 2007; (c) if the beginning date in paragraph 2 is August 15, 2006, and the ending date in paragraph 2 is August 31, 2007, and the Owner is not able to allow Tenant to take possession until October 1, 2006, the ending date would be September 30, 2007. If Owner does not give Tenant written notice of the move-in date that is within 45 days of the beginning date of the term of the Lease as stated in Article 2, Tenant may tell Owner in writing that Owner has 15 additional days to let Tenant move in, or else the Lease will end. If Owner does not allow Tenant to move in within those additional 15 days, then the Lease is ended. Any money paid by Tenant on account of this Lease will then be refunded promptly by Owner.

36. Carpeting Clause It is agreed that the Tenant will cover at least 80% of the wood floor area of the apartment with rugs or carpeting. The Tenant is also required to install at least ½ inch thick padding underneath such carpeting or rugs.

37. Late Payment Clause It is agreed that the rental under this Lease is due and payable in equal monthly installments in advance on the first day of each month during the entire Lease term. In the event that any monthly installment of rent, or any other payment required to be made by the Tenant under this Lease shall be overdue, a late charge of \$0.00 for each dollar overdue may be charged by the Owner for each month, or fraction of each month, from its due date until paid for the purpose of defraying the expenses incurred in handling delinquent payments. The minimum fee for a late payment is **\$50.00**, for each month or fraction of each month the rent payment is late.

If an unpaid check is returned to the Owner, the Tenant will be charged **\$20.00** or such greater amount charged to Owner by its bank for the purpose of defraying the expenses incurred in handling the returned check.

38. Remedies of Owner The Tenant agrees that any violation of the provisions of this Lease shall be deemed a material violation of a substantial obligation of this Lease and shall entitle the Owner to terminate this Lease.

39. Construction of Neighboring Buildings and Lot Line Windows In the event any windows, light, or view in the apartment shall become obstructed, in whole or in part, as a result of the erection of a building or structure or otherwise, such occurrences shall not be deemed a breach of this Lease or any of Owner's obligations hereunder and this Lease shall remain in full force and effect without any right by Tenant to make a claim for damages, nuisance, abatement of rent or otherwise. If Tenant's apartment contains one or more "lot line" window(s), Tenant is advised that a building or structure may be erected on adjacent property which may completely block the said lot line window(s).

40. No Oral Agreements It is agreed that this instrument cannot be changed orally and is subject to the review and approval of the Owner. The applicant hereby waives any claims against the Owner in the event this Lease is rejected for any reason. The Owner will in no event be bound, nor will possession be given unless and until this Lease is executed by the Owner and delivered to the Tenant. No representations other than those contained within this lease agreement have been made by Owner. All understandings and agreements heretofore made between the parties hereto are merged in this contract, which alone, fully and completely expresses the agreement between Owner and Tenant.

41. Personal Property Tenant acknowledges that the Owner is not obligated to replace or maintain any personal property left in the apartment by a previous Tenant.

42. Waterbeds Tenant agrees not to keep furniture which contains water or other liquid, including but not limited to "water beds" in the apartment.

43. Patios, Terraces, and Balconies Tenant shall keep its terrace or balcony, if any, and the drains located therein, free from all rubbish, dirt, debris or wind blown materials, and Tenant shall be responsible for any water damage caused to Tenant's apartment or any other apartment or to the Building, resulting from clogged drains or from any other use of such patio, terrace, or balcony. The Tenant may not install a fence or any

addition to the terrace or balcony. No plantings or other objects shall be placed on any terrace or balcony without the written permission of the Owner.

44. Employees Misconduct In the event any employee of the Owner renders assistance in parking or delivery of an automobile or in the handling or delivery of any furniture, household goods, or other articles at the request of the Tenant or any lawful occupant, or at the request of any employee or guest of the Tenant, then said Owner's employee shall be deemed an agent of the person making such request and the Owner is expressly relieved from any and all loss or liability in connection therewith.

45. Pet Rider It is agreed between the parties that the Tenant will not harbor a dog or any other animal in the apartment, for any reason whatsoever, without the written permission of the Owner. The harboring of a dog or any other animal constitutes a material violation of a substantial obligation of this Lease, and of the Tenant's tenancy. Tenant understands, acknowledges, and agrees that the harboring of a dog or any other animal without the Owner's permission constitutes a default of the Tenant's Lease, and that the Owner may commence summary proceedings to evict the Tenant from the apartment. Owner's permission to other Tenants in the Building to harbor dogs or any other animals does not constitute a waiver of this provision.

If permission is given by the Owner to harbor a particular dog, this will not be construed as permission to harbor an additional dog or a different dog. This clause shall be applicable whether or not the permission is explicitly given or by reason of the New York City Pet Law.

46. Garbage Recycling The Tenant agrees at his sole cost and expense, to comply with all present and future laws, orders and regulations, commissions and boards regarding the collection, sorting, separation, and recycling of waste products, in accordance with the rules and regulations adopted by the Owner for the sorting and separation of such designated recyclable materials. Owner reserves the right, where permitted by law, to refuse to collect or accept from Tenant any waste products, garbage, refuse, or trash, which is not separated and sorted as required by law. Tenant shall pay all cost expenses, fines, penalties, or damages which may be imposed on Owner or Tenant by reason of Tenant's failure to comply with the provisions of this Article. Tenant's failure to comply with this Article shall constitute a violation of a substantial obligation of the tenancy, local statute and all of Owner's Rules listed in this Lease. Tenant shall be liable to the Owner for any costs, expenses, or disbursements, including attorney's fees, incurred by Owner in the commencement and/or prosecution of any action or proceedings by Owner against Tenant, predicated upon Tenant's breach of this Article.

47. Heating and Air Conditioning and Additional Services In addition to the other services provided by the Owner as written in this Lease and subject to all the terms and conditions of this Lease applicable to the furnishing of such other services, the Owner will install an air conditioning unit(s) in the Apartment. The Owner will maintain the equipment unless damaged by the fault or negligence of the Tenant, his guests, his servants or invitees. In consideration thereof the necessary electricity for the operating fan for distribution of warm and cool air and condenser for cool air will be on Tenant's electric meter and paid for by the Tenant. The Tenant will be responsible for the electric charges associated with both heating and air conditioning, as well as any other electric usage in the apartment. In addition electric space resistance heaters are located in some kitchens and bathrooms and will be on the Tenant's electric meter and paid for by the tenant. The Tenant will not be permitted to install any other air conditioning equipment in the Apartment nor shall Owner be responsible for any damages nor shall Tenant be entitled to an abatement of rent due to the removal for repairs if a breakdown of the equipment occurs.

48. Insurance It is recommended that during the term of this Lease Agreement, the Tenant shall maintain "Renters" insurance with minimum coverage of \$300,000 per occurrence for bodily or personal injury and minimum contents limit of \$35,000 per occurrence for property damage.

Tenant shall pay for damages suffered by and reasonable expenses of Owner relating to any claim arising from any act or neglect committed by Tenant.

49. Clothes Washers and Clothes Dryers Notwithstanding anything to the contrary contained herein, Tenant shall not install any clothes washing machine or clothes dryer machine in the apartment. The only clothes washing machine and dryers allowed in the apartment are those installed by the Owner in the Apartment.

50. Owner's Rules Listed in this Lease Owner reserves the right to rescind or amend any of the Owner's rules listed in this lease, and to institute such other rules from time to time as may be deemed necessary for the safety, care, or cleanliness of the Apartment Building and for securing the comfort and convenience of all Tenants. The Owner shall not be liable to Tenant for the violation of any of the Owner's rules or the breach of

any of the items in any Lease by any other Tenant or occupant of the Building.

51. Abandoned Property Whatever remains in the Apartment after Tenant vacates is considered abandoned by Tenant and at the election of the Owner, shall either be left in the Apartment or removed. Tenant shall be responsible for Owner's expenses and/or damages resulting from removal of abandoned property or restoration of the Apartment necessary to correct any damage caused by removal of Tenant's installation.

52. Notation on Checks Writing, notations, statement or otherwise, written on the front or back of any check, money order, or other form of payment given to the Owner will not be considered part of this Lease and will not be binding on the Owner. The Owner's acceptance, endorsement, deposit, or negotiation of the check, money order, or other form of payment will not be considered an acceptance of the conditions on the check and the Owner may accept the check as if the writing, statement, or notification did not exist. The Owner's acceptance of a check, money order, or other form of payment from a person or entity not on this Lease will not be considered acceptance of that party either as an occupant or a party to this Lease.

53. Failure to Pay Full Rent The receipt by the Owner of any amount which is less than that amount of rent or additional rent owed by Tenant shall not be deemed a waiver of the right to collect the balance in a summary proceeding for nonpayment of rent. Any payment of rent or additional rent which is less than the full amount owed, shall be deemed to be on account of and shall be applied to the earliest rent due.

54. Third Party Payment Tenant acknowledges that the Owner may not fully scrutinize and examine each check to see that the check submitted is the check of the Tenant. Accordingly, in the event a third party check is given for rental due and is accepted by the Owner, such acceptance shall not constitute a waiver of Owner's rights nor confer any rights upon the third party nor entitle the third party to make a claim as a Tenant or right to occupy the premises, or creates an Owner-Tenant relationship between the third party and Owner.

55. Noise

- a. No Tenant shall make or permit any disturbing noises in the Building by him/ herself, his/her family, friends, guests, employees, or servants, nor do or permit anything by such persons that will interfere with the rights, comforts, or convenience of other Tenants.
- b. No Tenant shall make or permit any disturbing noises or activity or permit anything to be done in Tenant's Apartment that will interfere with the rights, comforts or conveniences of other Tenants at any time. No Tenant shall play or suffer to be played any musical instruments, or operate or permit to be operated a stereo, radio, television or CD player, loud speakers or similar devices in Tenant's Apartment between the hours of 10:00 p.m. and the following 8:00 a.m. if the same shall disturb or annoy any other occupant of the Building. No construction, repair work or other installation by Tenant that involves noise or vibration shall be conducted in any Apartment except on weekdays, excluding legal holidays, and only between the hours of 9:00 a.m. and 5:00 p.m.

56. Moving Tenant can use the service elevator only to move furniture and possessions on designated days and hours that have been scheduled in advance and with prior approval from the Owner. Owner shall not be liable for any costs, expenses, or damages incurred by Tenant in moving because of delays caused by the unavailability of the elevator.

57. Invalidity of Any Provision If any term, covenant, condition, or provision of this Lease or Rider shall be invalid or unenforceable to any extent, the remaining terms, covenants, conditions, and provisions of this Lease or Rider other than those as to which any term, covenant, condition, or provision is held invalid or unenforceable, shall not be affected thereby and each remaining term, covenant, condition, and provision of this Lease and Rider shall be valid and shall be enforceable to the fullest extent permitted by law.

58. Fitness Center Facility To the extent such facilities are provided by owner during the term of this Lease, Tenant may join such Fitness Center and related facilities at an additional fee. Tenant agrees to sign any requisite liability waivers and membership application, which may be required for use of the Fitness Center and related facilities. Tenant shall be required to comply with all Rules established from time to time in connection with the Fitness Center and related facilities. If Tenant defaults in connection with any obligation of Tenant with respect to the Fitness Center and related facilities, then Tenant shall be prohibited from using the Fitness Center and related facilities. In addition, if Tenant defaults in connection with any obligation of Tenant with respect to the Fitness Center and related facilities, said default shall be deemed to be a default under this Lease and said default shall give Owner the right to terminate this Lease and to exercise any and all remedies available to Owner under this Lease, at law, or in equity, in connection with any default under this Lease. Owner makes no representation as to what facilities are available and reserves the right to change the

facilities at a future time and eliminate the facility completely. Notwithstanding anything to the contrary contained in this Lease, Tenant shall not have any right to use the fitness center and/or related facilities following the termination of this Lease and/or Tenant vacating the leased apartment.

59. Storage To the extent such facilities are provided by Owner, during the term of this Lease, Tenant may be provided with space for storage and shall be permitted to utilize such storage facilities during the term of this Lease. Owner makes no representation that storage space will be available, and if available that it will be available to all Tenants. If such storage space is available, Tenant's use will be pursuant to a separate License Agreement at an additional fee and the payment thereof shall be deemed to be additional rent. The applicable part of Provision 13F in the printed form of this Lease is hereby amended to conform to this Clause. Tenant shall be responsible for providing a lock for such storage unit. Owner shall bear no liability and shall be held harmless by Tenant regarding any property placed by the Tenant in such storage unit. It is expressly understood that Tenant shall bear the full risk in voluntarily electing to place any personal property in such unit. It is agreed and understood that any personal property not removed by Tenant from or on the storage unit (including the lock) within three (3) days after Tenant has vacated the apartment, shall be deemed abandoned by Tenant, such that such personal property (and the lock) may be removed and disposed of by the Owner without liability.

Owner shall have the right to eliminate the storage space assigned to Tenant, reduce the size of the storage space, relocate the storage space and limit and/or prohibit access to the storage space in connection with repairs and/or maintenance to Tenant's storage space, any other storage space or to the adjoining area(s) of the Building. If Tenant defaults in connection with any obligation of Tenant with respect to the storage space, including, but not limited to, a default under any separate agreement signed by Tenant in connection with the storage space, then said default shall be deemed to be a default under this Lease and said default shall give Owner the right to terminate this Lease and the right to exercise any and all remedies available to Owner, under this Lease, at law, or in equity, in connection with any default under this Lease. If Owner eliminates the storage space, then Owner shall have the right to terminate Tenant's right to use the storage space by giving written notice thereof to Tenant. If Tenant's right to use the storage space is terminated or if the amount of storage space is diminished, relocated or eliminated or if Tenant's access to the storage space is limited and/or prohibited to facilitate any repairs and/or maintenance, then Owner shall not have any liability to Tenant and Tenant shall not be entitled to any compensation or diminution of abatement of rent, and said termination, diminution, relocation, limitation, prohibition or elimination shall not be deemed to constitute a constructive, actual, or partial eviction. Notwithstanding anything to the contrary contained in this Lease, Tenant shall not have any right to use any storage space following the termination of this Lease and/or Tenant vacating the leased apartment.

60. Bicycle Storage Facility To the extent such facilities are provided by Owner, during the term of this Lease, Tenant may be provided with space for bicycle storage and shall be permitted to utilize such bicycle storage facility during the term of this Lease. Owner makes no representation that such bicycle storage facility will be available, and if available that it will be available to all Tenants. If such bicycle storage facility is available, Tenant's use will be pursuant to a separate License Agreement at an additional fee and the payment thereof shall be deemed to be additional rent. The applicable part of Provision 13F in the printed form of this Lease is hereby amended to conform to this Clause. Owner shall bear no liability and shall be held harmless by Tenant regarding any property placed by the Tenant in such bicycle storage facility. It is expressly understood that Tenant shall bear the full risk in voluntarily electing to place any personal property in such facility. It is agreed and understood that any personal property not removed by Tenant from or on the bicycle storage facility within three (3) days after Tenant has vacated the apartment, shall be deemed abandoned by Tenant, such that such personal property may be removed and disposed of by the Owner without liability.

Owner shall have the right to eliminate the bicycle storage space assigned to Tenant, reduce the size of the bicycle storage facility, relocate the bicycle storage facility and limit and/or prohibit access to the bicycle storage facility in connection with repairs and/or maintenance to bicycle storage facility, any other bicycle storage space or to the adjoining area(s) of the Building. If Tenant defaults in connection with any obligation of Tenant with respect to the bicycle storage facility, including, but not limited to, a default under any separate agreement signed by Tenant in connection with the bicycle storage facility, then said default shall be deemed to be a default under this Lease and said default shall give Owner the right to terminate this Lease and the right to exercise any and all remedies available to Owner, under this Lease, at law, or in equity, in connection with any default under this Lease. If Owner eliminates the bicycle storage facility, then Owner shall have the

right to terminate Tenant's right to use the bicycle storage facility by giving written notice thereof to Tenant. If Tenant's right to use the bicycle storage facility is terminated or if the bicycle storage facility space is diminished, relocated or eliminated or if Tenant's access to the bicycle storage facility is limited and/or prohibited to facilitate any repairs and/or maintenance, then Owner shall not have any liability to Tenant and Tenant shall not be entitled to any compensation or diminution of abatement of rent, and said termination, diminution, relocation, limitation, prohibition or elimination shall not be deemed to constitute a constructive, actual, or partial eviction. Notwithstanding anything to the contrary contained in this Lease, Tenant shall not have any right to use any storage space following the termination of this Lease and/or Tenant vacating the leased apartment.

61. Vacate Notice Tenant agrees to supply Owner with sixty (60) days written notice or as provided by law prior to the expiration of this Lease in the event Tenant does not desire to renew the term hereof.

4:00 P.M. - 8:00 A.M. (Monday through Friday): \$50.00

4:00 P.M. Friday through 8:00 A.M. Monday: \$50.00

64. Tenant Misrepresentation Owner has reasonably relied upon all representations made by Tenant in applying to lease an apartment, absent which reliance Owner would neither have offered nor executed this lease. It is agreed that in the event the Tenant shall in its application for an apartment which applications is incorporated by referenced herein, and made a part hereof, make any misrepresentation or untruthful statement, Owner may treat same as a violation of the covenant of this Lease, and the remedies provided under the terms of this Lease in the event of violation of the terms hereof shall become applicable thereto in addition to which Owner may seek rescission of this Lease by reason of such misrepresentation. In the event the Owner shall discover or ascertain such misrepresentation or untruthful statement before the commencement of the term hereunder, the Owner shall have the right to terminate this Lease and refuse occupancy to the Tenant.

65. Deliveries Notwithstanding anything contained in any other Article of this lease. The Tenant agrees not to deliver or cause to be delivered to Owner or Owner's authorized agent for delivery to the Tenant or to any other person any item of property (packaged or otherwise). The Tenant further agrees that in no event shall Owner be liable for loss or damage to any property (package or otherwise) which shall be delivered to Owner's authorized agent for delivery to the Tenant or to any other person and the Tenant hereby indemnify and agree to hold Owner harmless from any liability or claim for loss or damage to any such property which may be asserted by the Tenant or any consignor, deliverer, shipper, owner of such property or other person.

66. Laundry Facility The laundry facility is being operated and maintained by a separate vendor as an accommodation to tenants of the Building. The Owner is not responsible for the maintenance of the laundry facility, any damage to Tenant's personal property caused by such equipment, or the operations of the laundry service itself. The Tenant will operate at its own expense any laundry equipment.

67. Security Deposit It is expressly understood that Tenant may not use the security Deposit as rent payment for any months in which rent payment is due. If due, pursuant to the terms of this Lease, refunds of security deposits will be made only after all Tenants and occupants have vacated the premises and have fully complied with all of the terms conditions, and obligations of tenant contained in this lease agreement with respect to the application of the security deposit.

68. Illegal Activity/Eviction It is expressly agreed and understood that any Tenant, any member of Tenant's family, Tenant's employees, guests, or invitees who conduct any illegal trade, or manufacture, or other illegal business, or activity in the Building, the Apartment, common area or grounds surrounding the Building shall be subject to immediate eviction from the premises.

69. Objectionable Conduct Notwithstanding anything contained herein above to the contrary, and in particular, Article 17(1)(b), Owner is not required to serve a notice of default in the event of objectionable conduct on the part of the Tenant as described in the Article above. In the event the objectionable conduct is deemed by Owner to be of a continuing nature, then Owner need only serve a six (6) day termination notice based upon

the allegations of objectionable conduct.

70. Vehicles No vehicle belonging to the Tenant or to a member of the Tenant's family, guest, employee of the Tenant shall be parked in such manner to prevent ready access to any entrance or driveway of the Building.

71. Cooking Gas Owner will provide gas for certain units, for cooking purposes only, at no additional cost to Tenant. All other services such as telephone, electric, cable and satellite T.V., and internet service are not included in the rent and Tenant must pay the service.

72. Smoke Detector The Apartment shall be equipped with a smoke detector(s) and carbon monoxide detector(s) as required by applicable law. Tenant shall not disable, cover, remove, repair or otherwise tamper with any smoke detector(s) and carbon monoxide detector(s). Tenant shall give prompt written notice to Owner of any damage to the smoke detector(s) and carbon monoxide detector(s), and as to any defect or malfunction in the operation thereof.

73. Sprinkler Heads Tenant shall not paint over or in any way tamper with or cover any sprinkler heads in the Apartment because such activity may render the sprinkler inoperable. In the event that Tenant paints over or in any way damages a sprinkler head, Tenant shall be responsible for the full cost of replacement of the sprinkler head, which sum shall be collectible as additional rent. Tenant is advised that hot objects, if brought too close to a sprinkler head, may cause the sprinkler system to activate. In the event flooding should occur as the result of activation of any sprinkler head because of tampering, misuse, of the Apartment or negligent conduct therein, Owner will repair any damage to the Building and/or the Apartment at Tenant's sole cost and expense, which cost and expense shall be paid by Tenant as additional rent under this Lease.

74. Noxious Odors and Hazardous or Toxic Materials Tenant shall not permit any noxious odors or objectionable odors to emanate from Tenants Apartment or any area of the Building. Further Tenant shall not use, generate, store or dispose of any type of hazardous or toxic materials or substances at, from or in the Apartment or any area of the Building.

75. Noises, Odors, or Scents Tenant acknowledges that the Owner has not made any representations or promises with respect to noises or odors however arising and whether occurring inside or outside the Building, and Tenant waives and releases any claim, cause of action or set off by reason of or arising out of any noise, inconvenience, aromas, scents, or odors, however arising, and whether occurring inside or outside the Building. Tenant shall not rescind this Lease or be entitled to any compensation or diminution or abatement of rent, nor shall it fail to honor any other obligations under this Lease by virtue of any of the above mentioned items.

76. Electrical Appliances Tenant shall not install, maintain or use any additional electrical appliances in the Apartment without first obtaining prior written consent of the Owner. Such electrical appliances include, but are not limited to, laundry machines, dishwashers, satellite dishes, air conditioners, ventilating equipment, garbage disposals, trash compactors, radio transmitters, and electric heating units.

77. Broker Unless otherwise agreed to by Owner in writing, Tenant represents that no broker brought about this Lease or if a broker did, in fact bring about this Lease, Tenant has agreed with the broker to pay the broker's fee and Tenant agrees to hold Owner harmless from any claim for commission made by any broker in connection with this Lease including without limitation the costs of defense plus reasonable attorney's fees by an attorney selected by Owner to defend it. Owner shall not be subject to any liability nor shall Tenant be entitled to any compensation or diminution or abatement of rent, nor such revocation or diminution be deemed a constructive or actual eviction.

78. Public Areas Tenant acknowledges and agrees that (i) the public halls or stairways of the Building shall not be obstructed or used for any purpose other than ingress to or egress from the apartments in the Building, (ii) no fire tower in the Building shall be obstructed in any way, (iii) no public hall shall be decorated or furnished by any person in any manner, (iv) children shall not play in the public halls, courts, plaza, public terraces, lobby, elevators, or fire towers, (v) children shall not be fed or diapered in the lobby or in any other public areas of the Building, (vi) housekeepers and caregivers shall not congregate in the lobby or in other public areas of the Building, and (vii) children shall at all times be supervised by an adult while in the public areas of the Building.

79. Advertisement Tenant acknowledges and agrees that (i) no sign, notice, advertisement or illumination shall be inscribed, placed or displayed on or at any window of the Apartment, (ii) no sign, notice, or advertisement may be placed in any public area of the Building, and (iii) Tenant shall not peddle, distribute or solicit any merchandise, book, periodical, circular, handbills, pamphlets, advertising material or otherwise, or solicit

donations or contributions for or membership in any public or private organization in any public area of the Building.

80. Barbecuing Prohibited Tenant agrees that he/she shall not cook or barbecue on any balconies or terraces located in the building, regardless of whether such balcony or terrace is a part of the leased premises.

81. Preventing Moisture and Mildew

- a. Tenant acknowledges that it is necessary for Tenant to provide appropriate climate control in the Apartment and take other measures to retard and prevent mold and mildew from accumulating in the Apartment. Tenant shall: (i) maintain the Apartment in clean condition, dust the Apartment on a regular basis and remove any visible moisture accumulation in or on the leased premises, including on windows, walls, floors, ceilings, bathroom fixtures, and other surfaces; mop up spills and thoroughly dry affected area as soon as possible after occurrence; and (ii) not block or cover any of the heating, ventilation or air-conditioning ducts in the Apartment and keep climate and moisture in the Apartment at reasonable levels.
- b. Tenant shall promptly notify management in writing of the presence of the following conditions: (i) any evidence of a water leak or excessive moisture or standing water inside the Apartment or in any Common Area or the garage at the Building; (ii) any evidence of mold or mildew-like growth in the Apartment that persists after tenant has tried several times to remove it with a common household cleaner containing disinfectants and/or bleach, (iii) any failure or malfunction in the heating, ventilation and air conditioning systems or the laundry equipment, if any, in the Apartment; and, (iv) any inoperable doors or windows.
- c. If Tenant fails to comply with the provisions of this Article, then, in addition to Tenant's obligation to indemnify Owner in accordance with the terms of this Lease for all damage, loss, cost and expense, including attorneys fees and disbursements, suffered or incurred by Owner in connection with said failure to comply, Tenant shall also be responsible for all damage or loss to and all costs and/or expenses suffered or incurred by Tenant, Tenant's personal property and other occupants of the Building and their respective personal property.

BASIC FIRE PREVENTION AND FIRE PREPAREDNESS MEASURES

These are fire safety tips that everybody should follow:

1. Every apartment should be equipped with at least one smoke detector. Check them periodically to make sure they work. Most smoke detectors can be tested by pressing the test button. Replace the batteries in the spring and fall when you move your clocks forward or back an hour, and whenever a smoke detector chirps to signal that its battery is low. The smoke detector should be replaced on a regular basis in accordance with the manufacturer's recommendation, but at least once every ten years.
2. Carelessly handled or discarded cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
3. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
4. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your oven is off and any coffee pot or teapot is unplugged.
5. Never overload electrical outlets. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
6. Keep all doorways and windows leading to fire escapes free of obstructions, and report to the owner any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
7. Install window gates only if it is absolutely necessary for security reasons. Install only approved window

gates. Do not install window gates with key locks. A delay in finding or using the key could cost lives. Maintain the window gate's opening device so it operates smoothly. Familiarize yourself and the members of your household with the operation of the window gate.

8. Familiarize yourself and members of your household with the location of all stairwells, fire escapes and other means of egress.
9. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
10. Exercise care in the use and placement of fresh cut decorative greens, such as Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.

BUILDING INFORMATION

Building Construction

In a fire emergency, the decision to leave or to stay in your apartment will depend in part on the type of building you are in.

Residential buildings built before 1968 are generally classified either as "fireproof" or "non-fireproof." Residential buildings built in or after 1968 are generally classified either as "combustible" or "non-combustible". The type of building construction generally depends on the size and height of the building.

A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or space in which they start and less likely to spread inside the building walls to other apartments and floors. **THIS DOES NOT MEAN THAT THE BUILDING IS IMMUNE TO FIRE.** While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke, which can travel throughout the building, especially if apartment or stairwell doors are left open.

A "combustible" or "non-fireproof" building has structural components (such as wood) that will burn if exposed to fire and can contribute to the spread of the fire. In such buildings, the fire can spread inside the building walls to other apartments and floors, in addition to the flame, heat and smoke that can be generated by the burning of the contents of the building.

Be sure to check Part I (Building Information Section) of this fire safety plan to see what type of building you are in.

Means of Egress

All residential buildings have at least one means of egress (way of exiting the building), and most have at least two. There are several different types of egress:

Interior Stairs: All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed. Unenclosed stairwells (stairs that are not separated from the hallways by walls and doors) do not prevent the spread of flame, heat and smoke. Since flame, heat and smoke generally rise, unenclosed stairwells may not ensure safe egress in the event of a fire on a lower floor. Enclosed stairs are more likely to permit safe egress from the building, if the doors are kept closed. It is important to get familiar with the means of egress available in your building.

Exterior Stairs: Some buildings provide access to the apartments by means of stairs and corridors that are outdoors. The fact that they are outdoors and do not trap heat and smoke enhances their safety in the event of a fire, provided that they are not obstructed.

Fire Tower Stairs: These are generally enclosed stairwells in a "tower" separated from the building by air shafts open to the outside. The open air shafts allow heat and smoke to escape from the building.

Fire Escapes: Many older buildings are equipped with a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes are considered a "secondary" or alternative means of egress, and are to be used if the primary means of egress (stairwells) cannot be safely used to exit the building because they are obstructed by flame, heat or smoke.

Exits: Most buildings have more than one exit. In addition to the main entrance to the building, there may be separate side exits, rear exits, basement exits, roof exits and exits to the street from stairwells. Some of these exits may have alarms. Not all of these exits may lead to the street. Roof exits may or may not allow access to adjoining buildings.

Be sure to review Part I (Building Information Section) of this fire safety plan and familiarize yourself with the different means of egress from your building.

Fire Sprinkler Systems

A fire sprinkler system is a system of pipes and sprinkler heads that when triggered by the heat of a fire automatically discharges water that extinguishes the fire. The sprinkler system will continue to discharge water until it is turned off. When a sprinkler system activates, an alarm is sounded.

Sprinkler systems are very effective at preventing fire from spreading beyond the room in which it starts. However, the fire may still generate smoke, which can travel throughout the building.

Residential buildings are generally not required to have fire sprinkler systems. Some residential buildings are equipped with sprinkler systems, but only in compactor chutes and rooms or boiler rooms. All apartment buildings constructed or substantially renovated after March 1999 will be required by law to be equipped with fire sprinkler systems throughout the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with fire sprinkler systems.

Interior Fire Alarm Systems

Although generally not required, some residential buildings are equipped with interior fire alarm systems that are designed to warn building occupants of a fire in the building. Interior fire alarm systems generally consist of a panel located in a lobby or basement, with manual pull stations located near the main entrance and by each stairwell door. Interior fire alarm systems are usually manually-activated (must be pulled by hand) and do not automatically transmit a signal to the Fire Department, so a telephone call must still be made to 911 or the Fire Department dispatcher. Do not assume that the Fire Department has been notified because you hear a fire alarm or smoke detector sounding in the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with an interior fire alarm system and whether the alarm is transmitted to the Fire Department, and familiarize yourself with the location of the manual pull stations and how to activate them in the event of a fire.

Public Address Systems

Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually in the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with a public address system.

EMERGENCY FIRE SAFETY AND EVACUATION INSTRUCTIONS

IN THE EVENT OF A FIRE, FOLLOW THE DIRECTIONS OF FIRE DEPARTMENT PERSONNEL. HOWEVER, THERE MAY BE EMERGENCY SITUATIONS IN WHICH YOU MAY BE REQUIRED TO DECIDE ON A COURSE OF ACTION TO PROTECT YOURSELF AND THE OTHER MEMBERS OF YOUR HOUSEHOLD.

THIS FIRE SAFETY PLAN IS INTENDED TO ASSIST YOU IN SELECTING THE SAFEST COURSE OF ACTION IN SUCH AN EMERGENCY. PLEASE NOTE THAT NO FIRE SAFETY PLAN CAN ACCOUNT FOR ALL OF THE POSSIBLE FACTORS AND CHANGING CONDITIONS; YOU WILL HAVE TO DECIDE FOR YOURSELF WHAT IS THE SAFEST COURSE OF ACTION UNDER THE CIRCUMSTANCES.

General Emergency Fire Safety Instructions

1. Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
2. Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater risk to your safety than a fire on a floor above your apartment.
3. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
4. If you decide to exit the building during a fire, close all doors as you exit to confine the fire never use the elevator. It could stop between floors or take you to where the fire is.
5. Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl. Take short breaths, breathing through your nose.
6. If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

Evacuation Instructions If The Fire Is In Your Apartment

(All Types of Building Construction)

1. Close the door to the room where the fire is, and leave the apartment.
2. Make sure EVERYONE leaves the apartment with you.
3. Take your keys.
4. Close, but do not lock, the apartment door.
5. Alert people on your floor by knocking on their doors on your way to the exit.
6. Use the nearest stairwell to exit the building.
7. DO NOT USE THE ELEVATOR.
8. Call 911 once you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
9. Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

Evacuation Instructions if The Fire Is Not In Your Apartment

"NON-COMBUSTIBLE" OR "FIREPROOF" BUILDINGS:

1. Stay inside your apartment and listen for instructions from firefighters unless conditions become dangerous.
2. If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
3. If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
4. If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
5. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
6. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
7. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
8. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

"COMBUSTIBLE" OR "NON-FIREPROOF" BUILDINGS:

1. Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.

PROCEDURE FOR TENANTS REGARDING SUSPECTED GAS LEAKS

NOTICE DISCLOSING TENANTS' RIGHTS TO REASONABLE ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

Reasonable Accommodations

The New York State Human Rights Law requires housing providers to make reasonable accommodations or modifications to a building or living space to meet the needs of people with disabilities. For example, if you have a physical, mental, or medical impairment, you can ask your housing provider to make the common areas of your building accessible, or to change certain policies to meet your needs.

To request a reasonable accommodation, you should contact your property manager by going to the following website: <https://www.beamliving.com/accommodations>; calling 833-414-2779; or by e-mailing midtown31e31@greystar.com. You will need to inform your housing provider that you have a disability or health problem that interferes with your use of housing, and that your request for accommodation may be necessary to provide you equal access and opportunity to use and enjoy your housing or the amenities and services normally offered by your housing provider. A housing provider may request medical information, when necessary to support that there is a covered disability and that the need for the accommodation is disability related.

If you believe that you have been denied a reasonable accommodation for your disability, or that you were denied housing or retaliated against because you requested a reasonable accommodation, you can file a complaint with the New York State Division of Human Rights as described at the end of this notice.

Specifically, if you have a physical, mental, or medical impairment, you can request:

- Permission to change the interior of your housing unit to make it accessible (however, you are required to pay for these modifications, and in the case of a rental your housing provider may require that you restore the unit to its original condition when you move out);
- Changes to your housing provider's rules, policies, practices, or services;
- Changes to common areas of the building so you have an equal opportunity to use the building. The New York State Human Rights Law requires housing providers to pay for reasonable modifications to common use areas.

Examples of reasonable modifications and accommodations that may be requested under the New York State Human Rights Law include:

- If you have a mobility impairment, your housing provider may be required to provide you with a ramp or other reasonable means to permit you to enter and exit the building.
- If your healthcare provider provides documentation that having an animal will assist with your disability, you should be permitted to have the animal in your home despite a "no pet" rule.
- If you need grab bars in your bathroom, you can request permission to install them at your own expense. If your housing was built for first occupancy after March 13, 1991 and the walls need to be reinforced for grab bars, your housing provider must pay for that to be done.
- If you have an impairment that requires a parking space close to your unit, you can request your housing provider to provide you with that parking space, or place you at the top of the waiting list if no adjacent spot is available.
- If you have a visual impairment and require printed notices in an alternative format such as large print font, or need notices to be made available to you electronically, you can request that accommodation from your landlord.

Required Accessibility Standards

All buildings constructed for use after March 13, 1991, are required to meet the following standards:

- Public and common areas must be readily accessible to and usable by persons with disabilities;
- All doors must be sufficiently wide to allow passage by persons in wheelchairs; and
- All multi-family buildings must contain accessible passageways, fixtures, outlets, thermostats, bathrooms, and kitchens.

If you believe that your building does not meet the required accessibility standards, you can file a complaint with the New York State Division of Human Rights.

How to File a Complaint

A complaint must be filed with the Division within one year of the alleged discriminatory act or in court within three years of the alleged discriminatory act. You can find more information on your rights, and on the procedures for filing a complaint, by going to www.dhr.ny.gov, or by calling 1-888-392-3644. You can obtain a complaint form on the website, or one can be e-mailed or mailed to you. You can also call or e-mail a Division regional office. The regional offices are listed on the website

IMPORTANT!

Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

- FACT:** Lead exposure can harm young children and babies even before they are born.
- FACT:** Even children who seem healthy can have high levels of lead in their bodies.
- FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.
- FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

OWNERS, BUYERS, and RENTERS are encouraged to check for lead (see page 6) before renting, buying, or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

LANDLORDS have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

SELLERS have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure form about lead-based paint. Buyers have up to 10 days to check for lead.

RENOVATORS disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

Lead Gets in the Body in Many Ways

Childhood lead poisoning remains a major environmental health problem in the U.S.

People can get lead in their body if they:

- Breathe in lead dust (especially during renovations that disturb painted surfaces).
- Put their hands or other objects covered with lead dust in their mouths.
- Eat paint chips or soil that contains lead.

Even children who appear healthy can have dangerous levels of lead in their bodies.

Lead is even more dangerous to children under the age of 6:

- At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Lead is also dangerous to women of childbearing age:

- Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

In children, lead can cause:

- Nervous system and kidney damage.
- Learning disabilities, attention deficit disorder, and decreased intelligence.
- Speech, language, and behavior problems.
- Poor muscle coordination.
- Decreased muscle and bone growth.
- Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

In adults, lead can cause

- Increased chance of illness during pregnancy.
- Harm to a fetus, including brain damage or death.
- Fertility problems (in men and women).
- High blood pressure.
- Digestive problems.
- Nerve disorders.
- Memory and concentration problems.
- Muscle and joint pain.

Lead affects the body in many ways.

3

Where Lead-Based Paint Is Found

In general, the older your home, the more likely it has lead-based paint.

Many homes built before 1978 have lead-based paint. The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- In homes in the city, country, or suburbs.
- In apartments, single-family homes, and both private and public housing.
- Inside and outside of the house.
- In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

Checking Your Family for Lead

Get your children and home tested if you think your home has high levels of lead.

To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- Children at ages 1 and 2.
- Children or other family members who have been exposed to high levels of lead.
- Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

4

Identifying Lead Hazards

Lead-based paint is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged) is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- Windows and window sills.
- Doors and door frames.
- Stairs, railings, banisters, and porches.

Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors.
- 250 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills.

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- 400 parts per million (ppm) and higher in play areas or bare soil.
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

5

Checking Your Home for Lead

Just knowing that a home has lead-based paint may not tell you if there is a hazard.

You can get your home tested for lead in several different ways:

- A **paint inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
- A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.

Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.

- Visual inspection of paint condition and location.
- A portable x-ray fluorescence (XRF) machine.
- Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

Home test kits for lead are available, but studies suggest that they are not always accurate.

Consumers should not rely on these tests before doing renovations or to assure safety.

6

What You Can Do Now To Protect Your Family

If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Clean up paint chips immediately.
- Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.
- Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- Wash children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces.
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards In The Home

Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

Always use a professional who is trained to remove lead hazards safely.

In addition to day-to-day cleaning and good nutrition:

- You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called "interim controls") are not permanent solutions and will need ongoing attention.
- To **permanently** remove lead hazards, you must hire a certified lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent removal.

Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- 40 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors;
- 250 $\mu\text{g}/\text{ft}^2$ for interior window sills; and
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

7

8

Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovations that disturb painted surfaces (such as scraping off paint or tearing out walls):

- **Have the area tested for lead-based paint.**
- **Do not use a belt-sander, propane torch, heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can't move your family, at least completely seal off the work area.
- **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure "Reducing Lead Hazards When Remodeling Your Home." This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined in the section labeled "What you can do now to protect your family."

If not conducted properly, certain types of renovations can release lead from paint and dust into the air.

While paint, dust, and soil are the most common lead hazards, other lead sources also exist.

- **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
 - Use only cold water for drinking and cooking.
 - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- Old painted **toys** and **furniture**.
- Food and liquids stored in **lead crystal** or **lead-glazed pottery** or **porcelain**.
- **Lead smelters** or other industries that release lead into the air.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.

What Tenants Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

TENANTS SHOULD:

Keep homes clean and dry

Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)

Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags

Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors

Use garbage cans with tight-fitting lids

Let building staff into homes to make any needed repairs

Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes

Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call **311 to learn more.**

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments — or buildings of any size where a tenant has asthma — take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

LANDLORDS MUST:

Inspect every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.

Use integrated pest management (IPM) practices to safely control pests and fix building-related issues that lead to pest problems.

- Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
- Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
- Attach door sweeps to all doors that lead to hallways, basements or outside.
- Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
- Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation-licensed pest professional.

Remove indoor mold and safely fix the problems that cause mold.

- Remove any standing water, and fix leaks or moisture conditions.
- Move or cover furniture with plastic sheeting.
- Limit the spread of dust. Use methods such as sealing off openings (e.g., doorways, ventilation ducts) and gently misting the moldy area with soap or detergent and water before cleaning.
- Clean moldy area with soap or detergent and water. Dry the cleaned area completely.
- Clean any visible dust from the work area with wet mops or HEPA vacuums.
- Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
- To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** use a New York State Department of Labor-licensed mold assessor and remediator. These licensed workers must comply with New York City Administrative Code section 24-154 and New York State Labor Law Article 32.

Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.

Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

Local Law 1 - NYC Lead Poisoning Prevention Law Information for Tenants

The text below is a printer-friendly version of the New York City Department of Health and Mental Hygiene (DOHMH) brochure for tenants entitled, "Fix Lead Paint". For additional information on lead poisoning, go to www.nyc/lead or call 311.

Fix Lead Paint Hazards:

What Landlords Must Do and Every Tenant Should Know

Lead Can Cause Learning Problems

Lead is a poison often found in old paint. Peeling lead paint is the most common cause of lead poisoning in young children. Lead dust from peeling paint can land on window sills, floors, and toys. When children play on the floor and put their hands and toys in their mouths, they can swallow lead dust.

Preventing Lead Poisoning: What the Law Requires

In New York City, Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of young children. This law applies to your apartment if:

- The building was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint), and
- The building has 3 or more apartments, and
- A child under the age of 6 lives in your apartment.

What Are Lead Paint Hazards?

- Dust from lead paint.
- Peeling or damaged lead paint.
- Lead paint on:
 - o Crumbling plaster or rotted wood.
 - o Doors and windows that stick or rub together.
 - o Window sills and any other surfaces that have been chewed on by children.

Things Landlords Must Do

- In buildings covered by Local Law 1, landlords must find out if any children younger than 6 years live in the building and inspect those apartments for lead paint hazards **every year**.
- Landlords must use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Local Law 1 requires landlords to use firms certified by the U.S. Environmental Protection Agency when disturbing more than 100 square feet of lead paint, replacing windows, or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).
- Landlords must repair lead paint hazards **before** a new tenant moves into an apartment.
- Landlords must keep records of all notices, inspections, repairs of lead paint hazards, and other matters related to the law. HPD may ask the landlord for copies of this paperwork.

Before repair work begins, landlords must make sure that trained workers:

Local Law 1 - NYC Lead Poisoning Prevention Law

Information for Tenants

- Post warning signs outside the work area.
- Tell tenants to stay out of the work area.
- Clean the work area with wet mops or HEPA vacuums.
- Remove all items that can be moved from the work area.
- Cover furniture that cannot be moved.
- Seal floors, doors, and other openings with plastic and waterproof tape.

While repair work is going on, landlords must make sure trained workers clean the work area every day with wet mops and HEPA vacuums.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.

After repair work is finished, landlords must:

- Hire only trained workers to clean the work area with wet mops and HEPA vacuums.
- Hire a company or individual trained to take "clearance dust wipes" to make sure lead dust levels are below: 40 mcg/sf for floors, 250 mcg/sf for window sills, and 400 mcg/sf for window wells (mcg/sf = micrograms of lead per square foot). If levels are higher, clean-up must be repeated and the dust wipes taken again.
- Give a copy of clearance dust wipe results to the tenant.

Things Tenants Must Do

- Tenants must fill out and return the ANNUAL NOTICE form they receive each year from their landlord. This form tells your landlord if any children younger than 6 years live in your apartment.
- Wash floors, window sills, hands, toys, and pacifiers often.
- Remind your doctor to test your child for lead poisoning at ages 1 and 2. Ask the doctor about testing older children.
- If a child younger than 6 comes to live with you during the year or if you have a baby, you must notify your landlord in writing.

Tenants should also:

- Report peeling paint in your apartment to your landlord.
- Call 311 if your landlord does not fix peeling paint or if you think repair work is being done unsafely.

Call 311 to

- **Report unsafe work practices.**
- **Learn more about how to prevent lead poisoning.**
- **Find out where to get your child tested for lead poisoning, and for diagnosis and treatment information.**
- **Order more copies of this brochure or other materials on lead poisoning prevention.**

Owners of multiple dwellings (3 or more apartments) must give this brochure to tenants when they sign a lease or move into an apartment if the multiple dwelling was built before 1960, or was built between 1960 and 1978 if the owner knows that the building has lead paint. LEAD PAINT HAZARDS IN THE HOME

What tenants should know about
their rights and responsibilities

WHAT YOU SHOULD KNOW ABOUT LEAD PAINT

Lead is a poison often found in old paint. Lead paint, and the dust that it turns into, is the most common cause of childhood lead poisoning. Lead poisoning can cause learning and behavior problems in children. The use of lead paint in residential buildings was banned in New York City (NYC) in 1960. Buildings built before 1960 may still have lead paint on the walls, windows, windowsills, doors and other surfaces.

If paint begins to peel or home repairs are done unsafely, lead paint and dust can spread around your home. When children put their hands and toys in their mouths, they can swallow lead dust.

There are laws and services in NYC to help protect children from lead poisoning. Local Law 1 of 2004 requires landlords to identify and fix lead paint hazards in the apartments of children younger than age 6. This law applies if the building has three or more apartments and was built before 1960 (or between 1960 and 1978 if the owner knows that the building has lead paint).

WHAT YOU SHOULD KNOW ABOUT THE LAW

It's important to know your rights and responsibilities as a tenant.

LANDLORDS must:

- Find out if any children younger than age 6 live in the building. They must inspect those apartments for lead paint hazards every year.
- Repair lead paint hazards in all rental units, including one- and two-family homes, before a new tenant moves in.
- Use safe work practices and trained workers when fixing lead paint hazards and when doing general repair work that disturbs lead paint.
- Use firms certified by the United States Environmental Protection Agency (EPA) when disturbing more than 100 square feet of lead paint, replacing windows or fixing violations issued by the New York City Department of Housing Preservation and Development (HPD).

TENANTS must:

- Fill out and return the annual notice they receive from their landlord. This form tells the landlord if any children younger than age 6 live in the apartment.
- Notify the landlord in writing if the tenant has a baby or if a child younger than age 6 comes to live in the apartment.

SAFE WORK PRACTICES INCLUDE:

Posting warning signs outside the work area.

Moving or covering all furniture and sealing off floors, doors and other openings with plastic and waterproof tape.

Cleaning the work area daily with either wet mops or a HEPA vacuum, and cleaning with BOTH wet mops and a HEPA vacuum after the repair work is done.

Having a trained person take clearance dust wipes after the work is complete to make sure that lead dust levels are safe and give a copy of the results to the tenant.

Landlords and contractors must NEVER dry-scrape or dry-sand lead paint.
