PREAMBLE: This lease contains the agreements between You and Owner concerning Your rights and obligations and the rights and obligations of Owner. You and Owner have other rights and obligations which are set forth in government laws and regulations.

You should read this Lease and all of its attached parts carefully. If You have any questions, or if You do not understand any words or statements, get clarification. Once You and Owner sign this Lease, You and Owner will be presumed to have read it and understood it. You and Owner admit that all agreements between You and Owner have been written into this Lease. You understand that any agreements made before or after this Lease was signed and not written into it will not be enforceable.

THIS LEASE is made on **November 29, 2022** between Owner, **KRE Bklyner 23 Menahan LLC** whose address is **23 Menahan, Brooklyn, NY 11221** and You, the Tenant, **Karina I. Acevedo and Kenneth Trejo** whose address is **650 Crown St, Brooklyn, NY 11213 ; 650 Crown Street #4D, Brooklyn, NY 11213** ; respectively.

- 1. APARTMENT AND USE** Owner agrees to lease to You Apartment **2E** in the Building at **23 Menahan Street, Brooklyn, NY 11221**, Borough of Brooklyn, City and State of New York.

You shall use the Apartment for living purposes only. The Apartment may be occupied by the tenant or tenants named above and by the immediate family of the tenant or tenants and by occupants as defined in and only in accordance with Real Property Law Section 235-f.

- 2. LENGTH OF LEASE** The term (that means the length) of this Lease is **1 year and 5 months**, beginning on **December 1, 2022** and ending on **April 30, 2024**. If You do not do everything You agree to do in this Lease, Owner may have the right to end it before the above date. If Owner does not do everything that Owner agrees to do in this Lease, You may have the right to end the Lease before the ending date.

- 3. RENT** Your monthly rent during the term of this Lease for the Apartment is **\$2,925.00**. You must pay Owner the rent, in advance, on the first day of each month, either at **134 West 25th Street - 5th Floor and New York, NY 10001** or at another place that Owner may inform You of by written notice. You must pay the first month's rent to Owner when You sign this Lease if the lease begins on the first day of the month. If the lease begins after the first day of the month, You must pay when you sign this lease (1) the part of the rent from the beginning date of this Lease until the last day of the month and (2) the full rent for the next full calendar month. If this Lease is a Renewal Lease, the rent for the first month of this Lease need not be paid until the first day of the month when the renewal term begins.

- 4. SECURITY DEPOSIT** You are required to give Owner the sum of **\$2,925.00** when You sign this Lease as a security deposit, which is called in law a trust.

If You carry out all of Your agreements in the Lease and if You move out of the Apartment and return it to Owner in the same condition it was in when You first occupied it, except for ordinary wear and tear or damage caused by fire or other casualty, Owner will return to You the full amount of Your security deposit and interest to which You are entitled within 60 days after this Lease ends. However, if You do not carry out all Your agreements in this Lease, Owner may keep all or part of Your security deposit and any interest which has not yet been paid to You necessary to pay Owner for any losses incurred, including missed payments.

If Owner sells or leases the building, Owner will turn over Your security, with interest, either to You or to the person buying or leasing (lessee) the building within 5 days after the sale or lease. Owner will then notify You, by registered or certified mail, of the name and address of the person or company to whom the deposit has been turned over. In such case, Owner will have no further responsibility to You for the security deposit. The new owner or lessee will become responsible to You for the security deposit.

- 5. IF YOU ARE UNABLE TO MOVE IN** A situation could arise which might prevent Owner from letting You move into the Apartment on the beginning date set in this Lease. If this happens for reasons beyond Owner's reasonable control, Owner will not be responsible for Your damages or expenses, and this Lease will remain in effect. However, in such case, this Lease will start on the date when You can move in, and the ending date in Article 2 will be changed to a date reflecting

the full term of years set forth in Article 2. You will not have to pay rent until the move-in date Owner gives You by written notice or the date You move in, whichever is earlier. If Owner does not give You notice that the move-in date is within 30 days after the beginning date of the term of this Lease as stated in Article 2, You may tell Owner in writing, that Owner has 15 additional days to let You move in, or else the Lease will end. If Owner does not allow You to move in within those additional 15 days, then the Lease is ended. Any money paid by You on account of this Lease will then be refunded promptly by Owner.

6. CAPTIONS In any dispute arising under this Lease, in the event of a conflict between the text and a caption, the text controls.

7. WARRANTY OF HABITABILITY

- A. All of the sections of this Lease are subject to the provisions of the Warranty of Habitability Law in the form it may have from time to time during this Lease. Nothing in this Lease can be interpreted to mean that You have given up any of Your rights under that law. Under that law, Owner agrees that the Apartment and the Building are fit for human habitation and that there will be no conditions which will be detrimental to life, health or safety.
- B. You will do nothing to interfere or make more difficult Owner's efforts to provide You and all other occupants of the Building with the required facilities and services. Any condition caused by Your misconduct or the misconduct of anyone under Your direction or control shall not be a breach by Owner.

8. CARE OF YOUR APARTMENT - END OF LEASE - MOVING OUT

- A. You will take good care of the apartment and will not permit or do any damage to it, except for damage which occurs through ordinary wear and tear. You will move out on or before the ending date of this lease and leave the Apartment in good order and in the same condition as it was when You first occupied it, except for ordinary wear and tear and damage caused by fire or other casualty.
- B. When this Lease ends, You must remove all of Your moveable property. You must also remove, at Your own expense, any wall covering, bookcases, cabinets, mirrors, painted murals or any other installation or attachment You may have installed in the Apartment, even if it was done with Owner's consent. You must restore and repair to its original condition those portions of the Apartment affected by those installations and removals. You have not moved out until all persons, furniture and other property of Yours is also out of the Apartment. If Your property remains in the Apartment after the Lease ends, Owner may either treat you as still in occupancy and charge You for use, or may consider that You have given up the Apartment and any property remaining in the Apartment. In this event, Owner may either discard the property or store it at Your expense. You agree to pay Owner for all costs and expenses incurred in removing such property. The provisions of this article will continue to be in effect after the end of this Lease.
- C. You must notify Owner or the Managing Agent in writing at least sixty (60) days prior to the expiration of your Lease if you plan not to renew. Failure to notify Owner or the Managing Agent in writing at least sixty (60) days prior to your expiration can result in forfeiture of your security deposit.

9. CHANGES AND ALTERATIONS TO APARTMENT You cannot build in, add to, change or alter, the Apartment in any way, including wallpapering, painting, repainting, or other decorating, without getting Owner's written consent before You do anything. Without Owner's prior written consent, You cannot install or use in the Apartment other than that which has been provided at lease signing or any of the following: dishwasher machines, clothes washing or drying machines, electric stoves, garbage disposal units, heating, ventilating or air conditioning units or any other electrical equipment which, in Owner's reasonable opinion, will overload the existing wiring installation in the Building or interfere with the use of such electrical wiring facilities by other tenants of the Building. Also, You cannot place in the Apartment water-filled furniture.

10. YOUR DUTY TO OBEY AND COMPLY WITH LAWS, REGULATIONS AND LEASE RULES

- A. **Government Laws and Orders.** You will obey and comply (1) with all present and future city, state and federal laws and regulations which affect the Building or the Apartment, and (2) with all orders and regulations of Insurance Rating Organizations which affect the Apartment and the Building. You will not allow any windows in the Apartment to be cleaned from the outside, unless the equipment and safety devices required by law are used.
- B. **Owner's Rules Affecting You.** You will obey all Owner's rules listed in this Lease and all future rules of Owner or Owner's agent. Notice of all additional rules shall be delivered to You in writing or posted in the lobby or other public place in the building. Owner shall not be responsible to You for not enforcing any rules, regulations or provisions of another tenant's lease except to the extent required by law.
- C. **Your Responsibility.** You are responsible for the behavior of Yourself, of Your immediate family, Your servants and people who are visiting You. You will reimburse Owner as additional rent upon demand for the cost of all losses, damages, fines and reasonable legal expenses incurred by Owner because You, members of Your immediate family, servants or people visiting You have not obeyed government laws and orders of the agreements or rules of this Lease.
- D. **Renter's Insurance.** You shall secure "renters" insurance to protect yourself against such loss or damage with minimum limits of **\$1,000,000.00** per occurrence for bodily or personal injury and **\$250,000.00** per occurrence with

respect to property damage and shall name the Owner as an "additional insured" on such policy. Proof of insurance ("Certificate of Insurance") shall be supplied to the Owner prior to the Lease's commencement date and shall be effective from the commencement date of the Lease throughout the term. Failure to supply such proof of insurance ("Certificate of Insurance") prior to the commencement of the term, constitutes a default of this Lease. Owner's failure to demand a copy of the Certificate of Insurance shall not be deemed Owner's waiver of this provision. You further agree that in the event You suffer any damage or loss to your property or for bodily or personal injury, You shall first file a claim and look to your insurance policy before making any claim against the Owner and You shall notify Owner of such damage, loss or injury.

11. OBJECTIONABLE CONDUCT As a tenant in the Building, You will not engage in objectionable conduct. Objectionable conduct means behavior which makes or will make the Apartment or the Building less fit to live in for You or other occupants. It also means anything which interferes with the right of others to properly and peacefully enjoy their Apartments, or causes conditions that are dangerous, hazardous, unsanitary and detrimental to other tenants in the Building or interferes with Owner's ability to manage the Building. Objectionable conduct by You gives Owner the right to end this Lease.

12. SERVICES AND FACILITIES

- A. Required Services.** Owner will provide cold water and hot water and heat as required by law, repairs to the Apartment, as required by law, elevator service if the Building has elevator equipment, and the utilities, if any, included in the rent, as set forth in sub-paragraph B. You are not entitled to any rent reduction because of a stoppage or reduction of any of the above services unless it is provided by law.
- B.** The following utilities are included in the rent: See Utilities Rider
- C. Electricity and Other Utilities.** If Owner provides electricity or gas and the charge is included in the rent on Page 1, or if You buy electricity or gas from Owner for a separate (submetered) charge, Your obligations are described in the Rider attached to this Lease. If electricity or gas is not included in the rent or is not charged separately by Owner, You must arrange for this service directly with the utility company. You must also pay directly for telephone service if it is not included in the rent.
- D. Appliances.** Appliances supplied by Owner in the Apartment are for Your use. They will be maintained and repaired or replaced by Owner, but if repairs or replacement are made necessary because of Your gross negligence or misuse, You will pay Owner for the cost of such repair or replacement as additional rent.
- E. Elevator Service.** If the elevator is the kind that requires an employee of Owner to operate it, Owner may end this service without reducing the rent if: (1) Owner gives You 10 days notice that this service will end; and (2) within a reasonable time after the end of this 10-day notice, Owner begins to substitute an automatic control type of elevator and proceeds diligently with its installation.
- F. Storeroom Use.** If Owner permits You to use any storeroom, laundry or any other facility located in the building but outside of the Apartment, the use of this storeroom or facility will be furnished to You for such fee as Owner determines in its sole discretion and at Your own risk, except for loss suffered by You due to Owner's negligence. You will operate at Your expense any coin operated appliances located in such storerooms or laundries.

13. INABILITY TO PROVIDE SERVICES Because of a strike, labor, trouble, national emergency, repairs, or any other cause beyond Owner's reasonable control, Owner may not be able to provide or may be delayed in providing any services or in making any repairs to the Building. In any of these events, any rights You may have against Owner are only those rights which are allowed by laws in effect when the reduction in service occurs.

14. ENTRY TO APARTMENT During reasonable hours and with reasonable notice, except in emergencies, Owner may enter the Apartment for the following reasons:

- A.** To erect, use and maintain pipes and conduits in and through the walls and ceilings of the Apartment; to inspect the Apartment and to make any necessary repairs or changes or improvements Owner decides are necessary. Your rent will not be reduced because of any of this work, unless required by Law;
- B.** To show the Apartment to persons who may wish to become owners or lessees of the entire Building or may be interested in lending money to Owner;
- C.** For four months before the end of the Lease, to show the Apartment to persons who wish to rent it;
- D.** If during the last month of the Lease You have moved out and removed all or almost all of Your property from the Apartment, Owner may enter to make changes, repairs, or redecorations. Your rent will not be reduced for that month and this Lease will not be ended by Owner's entry;
- E.** If at any time You are not personally present to permit Owner or Owner's representative to enter the Apartment and entry is necessary or allowed by law or under this lease, Owner or Owner's representatives may nevertheless enter the Apartment. Owner may enter by force in an emergency. Owner will not be responsible to You, unless during this entry, Owner or Owner's representative is negligent or misuses Your property.

15. ASSIGNING; SUBLETTING; ABANDONMENT

- A. Assigning and Subletting.** You cannot assign this Lease or sublet the Apartment without Owner's advance written

consent in each instance to a request made by You in the manner required by Real Property Law Section 226-b. Owner may refuse to consent to a lease assignment for any reason or no reason, but if Owner unreasonably refuses to consent to request for a lease assignment properly made, at Your request in writing, Owner will end this Lease effective as of thirty days after Your request. The first and every other time you wish to sublet the Apartment, You must get written consent of Owner unless Owner unreasonably withholds consent following Your request to sublet in the manner provided by Real Property Law section 226-b. Owner may impose a reasonable credit check fee on You in connection with an application to assign or sublet **and You hereby consent to that credit check as to You and the potential sublessee(s) or assignee(s)**. If you fail to pay Your rent, Owner may collect rent from subtenant or occupant without releasing You from the Lease. Owner will credit the amount collected against the rent due from You. However, Owner's acceptance of such rent does not change the status of the subtenant or occupant to that of direct tenant of Owner and does not release You from this Lease.

- B. Abandonment.** If You move out of the Apartment (abandonment) before the end of the Lease without the consent of Owner, this Lease will not be ended (except as provided by law following Owner's unreasonable refusal to consent to an assignment or subletting requested by You). You will remain responsible for each monthly payment of rent as it becomes due until the end of this Lease. In case of abandonment, Your responsibility for rent will end only if Owner chooses to end this Lease for default as provided in Article 16.

16. DEFAULT

1. You default under the Lease if You act in any of the following ways:
 - a. You fail to carry out any agreement or provision of this Lease;
 - b. You or another occupant **or invitee** of the Apartment behaves in an objectionable manner;
 - c. You do not take possession or move into Apartment fifteen (15) days after beginning of this Lease;
 - d. You and other legal occupants of the Apartment move out permanently before this Lease ends;

If You do default in any one of these ways, other than a default in the agreement to pay rent, Owner may serve You with a written notice to stop or correct the specified default within ten (10) days. You must then either stop or correct the default within 10 days, or, if **the default is such that it cannot be reasonably cured in** 10 days, You must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible.
2. If you do not stop or begin to correct a default within 10 days, Owner may **terminate the Lease**, this Lease will end, and You then must move out of the Apartment. Even though this Lease ends, You will remain liable to Owner for unpaid rent up to the end of this Lease, the value of Your occupancy, if any, after the Lease ends, and damages caused to Owner after that time as stated in Article 17.
3. If You do not pay Your rent when this Lease requires after a personal demand for rent has been made, or within three (3) days after a statutory written demand for rent has been made, or if the Lease ends, Owner may do the following: (a) enter the Apartment and retake possession of it if You have moved out; or (b) go to court and ask that You and all other occupants in the Apartment be compelled to move out.

Once this Lease has been ended, whether because of default or otherwise, You give up any right You might otherwise have to reinstate or renew the Lease.

17. REMEDIES OF OWNER AND YOUR LIABILITY

If this Lease is ended by Owner because of Your default, the following are the rights and obligations of You and Owner:

- A. You must pay Your rent until this Lease has ended. Thereafter, You must pay **the greater of** an equal amount **to the rent or the fair market value** for what the law calls "use and occupancy" until You actually move out.
- B. Once You are out, Owner may re-rent the Apartment or any portion of it for a period of time which may end before or after the ending date of this Lease. Owner may re-rent to a new tenant at a lesser rent or may charge a higher rent than the rent in this Lease.
- C. Whether the Apartment is re-rented or not, You must pay to Owner as damages:
 1. The difference between the rent in this Lease and the amount, if any, of the rents collected in any later lease or leases of the Apartment for what would have been the remaining period of this Lease; and
 2. Owner's expenses for advertisements, broker's fees and the cost of putting the Apartment in good condition for re-rental; and
 3. Owner's expenses for attorney's fees.
- D. You shall pay all damages due in monthly installments on the rent day established in this Lease. Any legal action brought to collect one or more monthly installments of damages shall not prejudice in any way Owner's right to collect the damages for a later month by a similar action. If the rent collected by Owner from a subsequent tenant of the Apartment is more than the unpaid rent and damages which You owe Owner, You cannot receive the difference. Owner's failure to re-rent to another tenant will not release or change Your liability for damages, unless the failure is due to Owner's deliberate inaction.

18. ADDITIONAL OWNER REMEDIES If You do not do everything You have agreed to do, or if You do anything which shows that You intend not to do what You have agreed to do, Owner has the right to ask a Court to make You carry out Your agreement or to give the Owner such other relief as the Court can provide. This is in addition to the remedies in Article 16 and 17 of this Lease.

19. FEES AND EXPENSES

A. Owner's Right. You must reimburse Owner for any of the following fees and expenses incurred by Owner:

1. Making any repairs to the Apartment or the Building which result from the misuse or negligence by You or persons who live with You, visit You, or work for You;
2. Repairing or replacing property damaged by Your misuse or negligence;
3. Correcting any violations of city, state or federal laws or orders and regulations of insurance rating organizations concerning the Apartment or the Building which You or persons who live with You, visit You, or work for You have caused;
4. Preparing the Apartment for the next tenant if You move out of Apartment before the Lease ending date;
5. Any legal fees and disbursements for legal actions or proceedings brought by Owner against You because of a Lease default by You or for defending lawsuits against Owner because of Your actions;
6. Removing all of Your property after this Lease is ended;
7. All other fees and expenses incurred by Owner because of Your failure to obey any other provisions and agreements of this Lease.

These fees and expenses shall be paid by You to Owner as additional rent within thirty (30) days after You receive Owner's bill or statement. If this Lease has ended when these fees and expenses are incurred, You will still be liable to Owner for the same amount as damages.

B. Tenant's Right. Owner agrees that unless sub-paragraph 5 of this Article 19 has been stricken out of this Lease. You have the right to collect reasonable legal fees and expenses incurred in a successful defense by You of a lawsuit brought by Owner against You or brought by You against Owner to the extent provided by Real Property Law, section 234.

20. PROPERTY LOSS, DAMAGES OR INCONVENIENCE Unless caused by the negligence or misconduct of Owner or Owner's agents or employees, Owner or Owner's agents and employees are not responsible to You for any of the following: (1) any loss of or damage to You or Your property in the Apartment or the Building due to any accidental or intentional cause, even a theft or another crime committed in the Apartment or elsewhere in the Building; (2) any loss of or damage to Your property delivered to any employee of the Building (i.e., doorman, superintendent, etc.); or (3) any damage or inconvenience caused to You by actions, negligence or violations of a Lease by any other tenant or person in the Building except to the extent required by law.

Owner will not be liable for any temporary interference with light, ventilation, or view caused by construction by or in behalf of Owner. Owner will not be liable for any such interference on a permanent basis caused by construction on any parcel of land not owned by Owner. Also, Owner will not be liable to You for such interference caused by the permanent closing, darkening, or blocking up of windows, if such action is required by law. None of the foregoing events will cause a suspension or reduction of the rent or allow You to cancel the Lease.

21. FIRE OR CASUALTY

- A.** If the apartment becomes unusable, in part or totally, because of fire, accident or other casualty, this Lease will continue unless ended by Owner under C below or by You under D below. But the rent will be reduced immediately. This reduction will be based upon the part of the Apartment which is unusable.
- B.** Owner will repair and restore the Apartment, unless Owner decides to take actions described in paragraph C below.
- C.** After a fire, accident or other casualty in the Building, Owner may decide to tear down the Building or to substantially rebuild it. In such case, Owner need not restore the Apartment but may end this Lease. Owner may do this even if the Apartment has not been damaged, by giving You written notice of this decision within 30 days after the date when the damage occurred. If the Apartment is usable when Owner gives You such notice, this Lease will end 60 days from the last day of the calendar month in which You were given the notice.
- D.** If the Apartment is completely unusable because of fire, accident or other casualty and it is not repaired in 30 days, You may give Owner written notice that You end the Lease, If You give that notice, this Lease is considered ended on the day that the fire, accident or casualty occurred. Owner will refund Your security deposit and the pro-rate portion of rents paid for the month in which the casualty happened.
- E.** Unless prohibited by the applicable insurance policies, to the extent that such insurance is collected, You and Owner release and waive all right of recovery against the other or anyone claiming through or under each by way of subrogation.

22. PUBLIC TAKING The entire building or a part of it can be acquired (condemned) by any government or government agency for a public or quasi-public use or purpose. If this happens, this Lease shall end on the date the government or agency take title. You shall have no claim against Owner for any damage resulting; You also agree that by signing this

Lease, You assign to Owner any claim against the Government or Government agency for the value of the unexpired portion of this Lease.

- 23. SUBORDINATION CERTIFICATE AND ACKNOWLEDGMENTS** All leases and mortgages of the Building or of the land on which the Building is located, now in effect or made after this Lease is signed, come ahead of this Lease. In other words, this Lease is "subject and subordinate to" any existing or future lease or mortgage on the Building or land, including any renewals, consolidations, modifications and replacements of these leases or mortgages. If certain provisions of any of these leases or mortgages come into effect, the holder of such lease or mortgage can end this Lease. If this happens, You agree that You have no claim against Owner or such lease or mortgage holder. If Owner requests, You will sign promptly an acknowledgment of the "subordination" in the form that Owner requires.

You also agree to sign (if accurate) a written acknowledgment to any third party designated by Owner that this Lease is in effect, that Owner is performing Owner's obligations under this Lease and that you have no present claim against Owner.

- 24. TENANT'S RIGHT TO LIVE IN AND USE THE APARTMENT** If You pay the rent and any required additional rent on time and You do everything You have agreed to do in this Lease, Your tenancy cannot be cut off before the ending date, except as provided for in Articles 21, 22, and 23.

25. BILLS AND NOTICE

- A. Notices to You.** Any notice from Owner or Owner's agent or attorney will be considered properly given to You if it (1) is in writing; (2) is signed by or in the name of Owner or Owner's agent; and (3) is addressed to You at the Apartment and delivered to You personally or sent by registered or certified mail or certified return receipt mail to You at the Apartment. The date of service of any written notice by Owner to you under this agreement is the date of delivery or mailing of such notice.
- B. Notices to Owner.** If You wish to give a notice to Owner, You must write it and deliver it or send it by registered or certified mail to Owner at the address noted on page 1 of this Lease or at another address of which Owner or Agent has given You written notice.

26. GIVING UP RIGHT TO TRIAL BY JURY AND COUNTERCLAIM

- A.** Both You and Owner agree to give up the right to a trial by jury in a court action, proceeding or counterclaim on any matters concerning this Lease, the relationship of You and Owner as Tenant and Landlord or Your use or occupancy of the Apartment. This agreement to give up the right to a jury trial does not include claims for personal injury or property damage.
- B.** If Owner begins any court action or proceeding against You which asks that You be compelled to move out, You cannot make a counterclaim unless You are claiming that Owner has not done what Owner is supposed to do about the condition of the Apartment or the Building.

27. NO WAIVER OF LEASE PROVISIONS

- A.** Even if Owner accepts Your rent or fails once or more often to take action against You when You have not done what You have agreed to do in this Lease, the failure of Owner to take action or Owner's acceptance of rent does not prevent Owner from taking action at a later date if You again do not do what You have agreed to do.
- B.** Only a written agreement between You and Owner can waive any violation of this Lease.
- C.** If You pay and Owner accepts an amount less than all the rent due, the amount received shall be considered to be in payment of all or a part of the earliest rent due. It will not be considered an agreement by Owner to accept this lesser amount in full satisfaction of all of the rent due.
- D.** Any agreement to end this Lease and also to end the rights and obligations of You and Owner must be in writing, signed by You and Owner or Owner's agent. Even if You give keys to the Apartment and they are accepted by any employee, or agent, or Owner, this Lease is not ended.

- 28. CONDITION OF THE APARTMENT** When You signed this Lease, You did not rely on anything said by Owner, Owner's agent or superintendent about the physical condition of the Apartment, the Building or the land on which it is built. You did not rely on any promises as to what would be done, unless what was said or promised is written in this Lease and signed by both You and Owner or found in Owner's floor plans or brochure shown to You before You signed the Lease. Before signing this Lease, You have inspected the Apartment and You accept it in its present condition "as is," except for any condition which You could not reasonably have seen during Your inspection. You agree that Owner has not promised to do any work in the Apartment except as specified in attached "Work Rider".

29. DEFINITIONS

- A. Owner:** The term "Owner" means the person or organization receiving or entitled to receive rent from You for the Apartment at any particular time other than a rent collector or managing agent of Owner. "Owner" includes the owner of the land or Building, a lessor, a sublessor of the land or Building and a mortgagee in possession. It does not include a former Owner, even if the former Owner signs this Lease.

B. You: The term "You" means the person or persons signing this Lease as Tenant and the successors and assigns of the signer. This Lease has established a tenant-landlord relationship between You and Owner.

30. SUCCESSOR INTERESTS The agreements in this Lease shall be binding on Owner and You and on those who succeed to the interest of Owner or You by law, by approved assignment or by transfer.

FIRE SAFETY PLAN

PART II - FIRE EMERGENCY INFORMATION

BUILDING: **23 Menahan**

ADDRESS: **23 Menahan Street #2E, Brooklyn, NY 11221**

THIS FIRE SAFETY PLAN IS INTENDED TO HELP YOU AND THE MEMBERS OF YOUR HOUSEHOLD PROTECT YOURSELVES IN THE EVENT OF FIRE. THIS FIRE SAFETY PLAN CONTAINS:

- Basic fire prevention and fire preparedness measures that will reduce the risk of fire and maximize your safety in the event of a fire.
- Basic information about your building, including the type of construction, the different ways of exiting the building, and the types of fire safety systems it may have.
- Emergency fire safety and evacuation instructions in the event of fire in your building.

PLEASE TAKE THE TIME TO READ THIS FIRE SAFETY PLAN AND TO DISCUSS IT WITH THE MEMBERS OF YOUR HOUSEHOLD. FIRE PREVENTION, PREPAREDNESS, AND AWARENESS CAN SAVE YOUR LIFE!

IN THE EVENT OF A FIRE,

CALL 911

OR THE FIRE DEPARTMENT DISPATCHER, AT

Manhattan	(212) 999-2222
Bronx	(718) 999-3333

OR TRANSMIT AN ALARM FROM THE NEAREST FIRE ALARM BOX

BASIC FIRE PREVENTION AND FIRE PREPAREDNESS MEASURES

These are fire safety tips that everybody should follow:

1. Every apartment should be equipped with at least one smoke detector. Check them periodically to make sure they work. Most smoke detectors can be tested by pressing the test button. Replace the batteries in the spring and fall when you move your clocks forward or back an hour, and whenever a smoke detector chirps to signal that its battery is low. The smoke detector should be replaced on a regular basis in accordance with the manufacturer's recommendation, but at least once every ten years.
2. Carelessly handled or discarded cigarettes are the leading cause of fire deaths. Never smoke in bed or when you are drowsy, and be especially careful when smoking on a sofa. Be sure that you completely extinguish every cigarette in an ashtray that is deep and won't tip over. Never leave a lit or smoldering cigarette on furniture.
3. Matches and lighters can be deadly in the hands of children. Store them out of reach of children and teach them about the danger of fire.
4. Do not leave cooking unattended. Keep stove tops clean and free of items that can catch on fire. Before you go to bed, check your kitchen to ensure that your oven is off and any coffeepot or teapot is unplugged.
5. Never overload electrical outlets. Replace any electrical cord that is cracked or frayed. Never run extension cords under rugs. Use only power strips with circuit-breakers.
6. Keep all doorways and windows leading to fire escapes free of obstructions, and report to the owner any obstructions or accumulations of rubbish in the hallways, stairwells, fire escapes or other means of egress.
7. Install window gates only if it is absolutely necessary for security reasons. Install only approved window

gates. Do not install window gates with key locks. A delay in finding or using the key could cost lives. Maintain the window gate's opening device so it operates smoothly. Familiarize yourself and the members of your household with the operation of the window gate.

8. Familiarize yourself and members of your household with the location of all stairwells, fire escapes and other means of egress.
9. With the members of your household, prepare an emergency escape route to use in the event of a fire in the building. Choose a meeting place a safe distance from your building where you should all meet in case you get separated during a fire.
10. Exercise care in the use and placement of fresh cut decorative greens, such as Christmas trees and holiday wreaths. If possible, keep them planted or in water. Do not place them in public hallways or where they might block egress from your apartment if they catch on fire. Keep them away from any flame, including fireplaces. Do not keep for extended period of time; as they dry, decorative greens become easily combustible.

BUILDING INFORMATION

Building Construction

In a fire emergency, the decision to leave or to stay in your apartment will depend in part on the type of building you are in.

Residential buildings built before 1968 are generally classified either as "fireproof" or "non-fireproof." Residential buildings built in or after 1968 are generally classified either as "combustible" or "non-combustible". The type of building construction generally depends on the size and height of the building.

A "non-combustible" or "fireproof" building is a building whose structural components (the supporting elements of the building, such as steel or reinforced concrete beams and floors) are constructed of materials that do not burn or are resistant to fire and therefore will not contribute to the spread of the fire. In such buildings, fires are more likely to be contained in the apartment or space in which they start and less likely to spread inside the building walls to other apartments and floors. **THIS DOES NOT MEAN THAT THE BUILDING IS IMMUNE TO FIRE.** While the structural components of the building may not catch fire, all of the contents of the building (including furniture, carpeting, wood floors, decorations and personal belongings) may catch on fire and generate flame, heat and large amounts of smoke, which can travel throughout the building, especially if apartment or stairwell doors are left open.

A "combustible" or "non-fireproof" building has structural components (such as wood) that will burn if exposed to fire and can contribute to the spread of the fire. In such buildings, the fire can spread inside the building walls to other apartments and floors, in addition to the flame, heat and smoke that can be generated by the burning of the contents of the building.

Be sure to check Part I (Building Information Section) of this fire safety plan to see what type of building you are in.

Means of Egress

All residential buildings have at least one means of egress (way of exiting the building), and most have at least two. There are several different types of egress:

Interior Stairs: All buildings have stairs leading to the street level. These stairs may be enclosed or unenclosed. Unenclosed stairwells (stairs that are not separated from the hallways by walls and doors) do not prevent the spread of flame, heat and smoke. Since flame, heat and smoke generally rise, unenclosed stairwells may not ensure safe egress in the event of a fire on a lower floor. Enclosed stairs are more likely to permit safe egress from the building, if the doors are kept closed. It is important to get familiar with the means of egress available in your building.

Exterior Stairs: Some buildings provide access to the apartments by means of stairs and corridors that are outdoors. The fact that they are outdoors and do not trap heat and smoke enhances their safety in the event of a fire, provided that they are not obstructed.

Fire Tower Stairs: These are generally enclosed stairwells in a "tower" separated from the building by air shafts open to the outside. The open air shafts allow heat and smoke to escape from the building.

Fire Escapes: Many older buildings are equipped with a fire escape on the outside of the building, which is accessed through a window or balcony. Fire escapes are considered a "secondary" or alternative means of egress, and are to be used if the primary means of egress (stairwells) cannot be safely used to exit the building because they are obstructed by flame, heat or smoke.

Exits: Most buildings have more than one exit. In addition to the main entrance to the building, there may be separate side exits, rear exits, basement exits, roof exits and exits to the street from stairwells. Some of these exits may have alarms. Not all of these exits may lead to the street. Roof exits may or may not allow access to adjoining buildings.

Be sure to review Part I (Building Information Section) of this fire safety plan and familiarize yourself with the different means of egress from your building.

Fire Sprinkler Systems

A fire sprinkler system is a system of pipes and sprinkler heads that when triggered by the heat of a fire automatically discharges water that extinguishes the fire. The sprinkler system will continue to discharge water until it is turned off. When a sprinkler system activates, an alarm is sounded.

Sprinkler systems are very effective at preventing fire from spreading beyond the room in which it starts. However, the fire may still generate smoke, which can travel throughout the building.

Residential buildings are generally not required to have fire sprinkler systems. Some residential buildings are equipped with sprinkler systems, but only in compactor chutes and rooms or boiler rooms. All apartment buildings constructed or substantially renovated after March 1999 will be required by law to be equipped with fire sprinkler systems throughout the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with fire sprinkler systems.

Interior Fire Alarm Systems

Although generally not required, some residential buildings are equipped with interior fire alarm systems that are designed to warn building occupants of a fire in the building. Interior fire alarm systems generally consist of a panel located in a lobby or basement, with manual pull stations located near the main entrance and by each stairwell door. Interior fire alarm systems are usually manually-activated (must be pulled by hand) and do not automatically transmit a signal to the Fire Department, so a telephone call must still be made to 911 or the Fire Department dispatcher. Do not assume that the Fire Department has been notified because you hear a fire alarm or smoke detector sounding in the building.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with an interior fire alarm system and whether the alarm is transmitted to the Fire Department, and familiarize yourself with the location of the manual pull stations and how to activate them in the event of a fire.

Public Address Systems

Although generally not required, some residential buildings are equipped with public address systems that enable voice communications from a central location, usually in the building lobby. Public address systems are different from building intercoms, and usually consist of loudspeakers in building hallways and/or stairwells.

Be sure to review Part I (Building Information Section) of this fire safety plan to learn whether your building is equipped with a public address system.

EMERGENCY FIRE SAFETY AND EVACUATION INSTRUCTIONS

IN THE EVENT OF A FIRE, FOLLOW THE DIRECTIONS OF FIRE DEPARTMENT PERSONNEL. HOWEVER, THERE MAY BE EMERGENCY SITUATIONS IN WHICH YOU MAY BE REQUIRED TO DECIDE ON A COURSE OF ACTION TO PROTECT YOURSELF AND THE OTHER MEMBERS OF YOUR HOUSEHOLD.

THIS FIRE SAFETY PLAN IS INTENDED TO ASSIST YOU IN SELECTING THE SAFEST COURSE OF ACTION IN SUCH AN EMERGENCY. PLEASE NOTE THAT NO FIRE SAFETY PLAN CAN ACCOUNT FOR ALL OF THE POSSIBLE FACTORS AND CHANGING CONDITIONS; YOU WILL HAVE TO DECIDE FOR YOURSELF WHAT IS THE SAFEST COURSE OF ACTION UNDER THE CIRCUMSTANCES.

General Emergency Fire Safety Instructions

1. Stay calm. Do not panic. Notify the Fire Department as soon as possible. Firefighters will be on the scene of a fire within minutes of receiving an alarm.
2. Because flame, heat and smoke rise, generally a fire on a floor below your apartment presents a greater risk to your safety than a fire on a floor above your apartment.
3. Do not overestimate your ability to put out a fire. Most fires cannot be easily or safely extinguished. Do not attempt to put the fire out once it begins to quickly spread. If you attempt to put a fire out, make sure you have a clear path of retreat from the room.
4. If you decide to exit the building during a fire, close all doors as you exit to confine the fire never use the elevator. It could stop between floors or take you to where the fire is.
5. Heat, smoke and gases emitted by burning materials can quickly choke you. If you are caught in a heavy smoke condition, get down on the floor and crawl. Take short breaths, breathing through your nose.
6. If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over to smother the flames.

Evacuation Instructions If The Fire Is In Your Apartment

(All Types of Building Construction)

1. Close the door to the room where the fire is, and leave the apartment.
2. Make sure EVERYONE leaves the apartment with you.
3. Take your keys.
4. Close, but do not lock, the apartment door.
5. Alert people on your floor by knocking on their doors on your way to the exit.
6. Use the nearest stairwell to exit the building.
7. DO NOT USE THE ELEVATOR.
8. Call 911 once you reach a safe location. Do not assume the fire has been reported unless firefighters are on the scene.
9. Meet the members of your household at a predetermined location outside the building. Notify responding firefighters if anyone is unaccounted for.

Evacuation Instructions if The Fire Is Not In Your Apartment

"NON-COMBUSTIBLE" OR "FIREPROOF" BUILDINGS:

1. Stay inside your apartment and listen for instructions from firefighters unless conditions become dangerous.
2. If you must exit your apartment, first feel the apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
3. If you can safely exit your apartment, follow the instructions above for a fire in your apartment.
4. If you cannot safely exit your apartment or building, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
5. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
6. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
7. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
8. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

"COMBUSTIBLE" OR "NON-FIREPROOF" BUILDINGS:

1. Feel your apartment door and doorknob for heat. If they are not hot, open the door slightly and check the hallway for smoke, heat or fire.
2. Exit your apartment and building if you can safely do so, following the instructions above for a fire in your apartment.
3. If the hallway or stairwell is not safe because of smoke, heat or fire and you have access to a fire escape, use it to exit the building. Proceed cautiously on the fire escape and always carry or hold onto small children.
4. If you cannot use the stairs or fire escape, call 911 and tell them your address, floor, apartment number and the number of people in your apartment.
 - A. Seal the doors to your apartment with wet towels or sheets, and seal air ducts or other openings where smoke may enter.
 - B. Open windows a few inches at top and bottom unless flames and smoke are coming from below. Do not break any windows.
 - C. If conditions in the apartment appear life-threatening, open a window and wave a towel or sheet to attract the attention of firefighters.
 - D. If smoke conditions worsen before help arrives, get down on the floor and take short breaths through your nose. If possible, retreat to a balcony or terrace away from the source of the smoke, heat or fire.

Section 12-12.1 of Chapter 12 of Title 28 of the Rules of the City of New York describes conditions under which a combined notice may be used, combining notice of suspected gas leak procedures with notice for smoke detectors and carbon monoxide detectors. A sample of a combined notice is below:

NOTICE FOR SUSPECTED GAS LEAKS, SMOKE DETECTING DEVICES, AND CARBON MONOXIDE ALARMS

The law requires the owner of the premises to notify tenants regarding the following:

Suspected Gas Leak Procedure: When a tenant suspects that a gas leak has occurred, the tenant should take the following actions:

1. Quickly open nearby doors and windows and then leave the building immediately; do not attempt to locate the leak. Do not turn on or off any electrical appliances, do not smoke or light matches or lighters, and do not use a house-phone or cell-phone within the building;
2. After leaving the building, from a safe distance away from the building, call 911 immediately to report the suspected gas leak;
3. After calling 911, call the gas service provider for this building as follows:

Provider **Con Edison**

Number **(800) 752-6633**

Smoke Detectors: The law requires the owner of the premises to provide and install one or more approved and operational smoke detectors in each apartment and to periodically replace such devices upon the expiration of their useful life in accordance with article 312 of chapter 3 of title 28 of the New York City Administrative Code. The tenant of each apartment is responsible for the maintenance and repair of the detectors installed in the apartment and for replacing any or all detectors which are stolen, removed, missing or become inoperable during the occupancy of the apartment with a device meeting the requirements of article 312 of chapter 3 of title 28 of the Administrative Code, unless a detector becomes inoperable within one year of being installed due to a manufacturing defect. The tenant of each apartment in this building in which a battery-operated smoke detector is provided and installed shall pay the owner a maximum of twenty-five dollars or a maximum of fifty dollars where a combined smoke and carbon monoxide detecting device is installed for the cost of providing and installing each detector. The tenant has one (1) year from the date of installation to make such payment to the owner.

Carbon Monoxide Detectors: The law requires the owner of the premises to provide a carbon monoxide alarm in each apartment in this building. The carbon monoxide alarm must be placed within 15 feet of the primary entrance to each sleeping room, must be equipped with an end of life alarm, and must be periodically replaced by the owner as necessary when the suggested useful life of the alarm expires. Tenants are responsible for the maintenance and repair of the alarms installed in the apartment and for replacing any or all alarms that are stolen, removed, missing, or become inoperable during the occupancy of the apartment, unless an alarm becomes inoperable within one year of being installed due to a manufacturing defect. The occupant of each apartment in which a carbon monoxide alarm is provided and installed must pay the owner **\$25.00** per alarm, or a maximum of **\$50.00** per device where a combined smoke and carbon monoxide detecting device is installed. This fee covers the cost of the work for the initial installation and each periodic replacement. The occupant has one year from the date of installation to pay the owner.

POLICY ON SMOKING FOR RESIDENTIAL BUILDING

Building/Property Address: **23 Menahan Street, 2E, Brooklyn, NY 11221**

There is no safe amount of exposure to secondhand smoke. Adults exposed to secondhand smoke have higher risks of stroke, heart disease and lung cancer. Children exposed to secondhand smoke have higher risks of asthma attacks, respiratory illnesses, middle ear disease and sudden infant death syndrome (SIDS). For these reasons, and to help people make informed decisions on where to live, New York City requires residential building owners (referred to in this policy as the "Owner/Manager," which includes the owner of record, seller, manager, landlord, any agent thereof or governing body) in buildings with three or more residential units to create a policy on smoking and share it with all tenants. The building policy on smoking applies to any person on the property, including guests.

I. Definitions

- a. **Smoking:** inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, little cigar, pipe, water pipe or hookah, herbal cigarette, non- tobacco smoking product (e.g., marijuana or non-tobacco shisha), or any similar form of lighted object or device designed for people to use to inhale smoke
- b. **Electronic Cigarette** (e-cigarette): a battery-operated device that heats a liquid, gel, herb or other substance and produces vapor for people to inhale

II. Smoke-Free Air Act

New York City law prohibits smoking and using e-cigarettes of any kind in indoor common areas, including but not limited to, lobbies, hallways, stairwells, mailrooms, fitness areas, storage areas, garages and laundry rooms in any building with three or more residential units. NYC Admin. Code, § 17-505.

III. Policy on Smoking

Smoking is not allowed in the locations checked below (check all boxes that apply). Even if no boxes are checked, the Smoke-Free Air Act bans smoking tobacco or non-tobacco products, and using e-cigarettes in indoor common areas.

- ☒ Inside of residential units*
- ☒ Outside of areas that are part of residential units, including balconies, patios and porches
- ☒ Outdoor common areas, including play areas, rooftops, pool areas, parking areas, and shared balconies, courtyards, patios, porches or yards
- ☒ Outdoors within 15 feet of entrances, exits, windows, and air intake units on property grounds
- ☐ Other areas/exceptions:

* Rent-stabilized and rent-controlled units may be exempt from a policy restricting smoking inside residential units unless the existing tenant consents to the policy in writing.

IV. Complaint Procedure

- a. Complaints about smoke drifting into a residential unit or common area should be made promptly to the Owner/Manager listed here: _____
 - b. Complaints should be made in writing and should be as specific as possible, including the date, approximate time, location where smoke was observed, building address, description of incident and apparent source of smoke.
-

Acknowledgment and Signatures:

I have read the policy on smoking described above, and I understand the policy applies to the property. I agree to comply with the policy described above.

For rental units, I understand that violating the smoking policy may be a violation of my lease. For condominiums, cooperatives or other owned units, I understand that violations of the policy on smoking may be addressed according to the building's governing rules.

If a legal action or proceeding is brought against Licensor's Entities arising from Licensee's act or neglect, Licensee shall defend Licensor's Entities at Licensee's expense with an attorney of Licensor's Entities' choosing. The obligations of Licensee contained in this Section shall survive the expiration or earlier termination of this License.

10. Relocation. Licensor shall have the right, upon seven (7) days' notice to Licensee and at Licensor's cost, to temporarily or permanently relocate the Designated Bicycle Rack to another location in the Building, without payment of any penalty to Licensee.

11. Default and Termination.

(a) Licensee defaults under the License if Licensee fails to carry out any agreement or provision of this License.

(b) If Licensee defaults under the License, other than a default in the agreement to pay the License Fee, Licensor may serve Licensee with a written notice to stop or correct the specified default within ten (10) days. Licensee must then either stop or correct the default within 10 days, or, if Licensee needs more than 10 days, Licensee must begin to correct the default within 10 days and continue to do all that is necessary to correct the default as soon as possible. If Licensee does not stop or begin to correct a default within 10 days, Licensor may give Licensee a second written notice that this License will end ten (10) days after the date the second written notice is sent to Licensee. At the end of this 10-day period, this License will end, and Licensee then must remove all property from the Designated Bicycle Rack. Licensor shall have the right to ask a Court give the Licensor such other relief as the Court can provide.

(c) If Licensee does not pay the License Fee when this License requires after a personal demand for the License Fee has been made, or within ten (10) days after a statutory written demand for the License Fee has been made, or if the License ends, Owner may do the following:

1. Enter the Designated Bicycle Rack and retake possession of it if Licensee has vacated; or

NO SMOKING RIDER

ADDITIONAL CLAUSES attached to and forming a part of that certain lease dated **November 29, 2022** between **23 Menahan** ("Owner"), and **Karina I. Acevedo and Kenneth Trejo** as Tenant(s) ("Tenant"), for Apartment **#2E** ("Apartment") in the premises located at **23 MENAHAN STREET, BROOKLYN, NY 11221** ("Building") (collectively, the "Lease").

WHEREAS, In the event of any inconsistency between the provisions of this Rider and the provisions of the Lease to which this Rider is annexed, the provisions of this Rider shall govern and be binding. The provisions of this Rider shall be construed to be in addition to and not in limitation of the rights of the Owner and the obligations of the Tenant.

1. Due to the health risk involved with smoking, and the difficulty in controlling the movement of smoke in a multiple floor apartment building, Owner has instituted a no-smoking policy at the Building.
2. The term "smoking" is defined as the inhaling, exhaling, burning or carrying of any lighted cigar, pipe, cigarette, other tobacco product, or cannabis, or any other similar product in any manner or in any form, as well as the use of any e-cigarette, vaporizer or similar product in any form.
3. Tenant acknowledges that smoking of any kind is not allowed in the Apartment, any common area of the Building and within a **20** foot radius around the Building. As a material inducement of Owner entering into the Lease and its riders, Tenant represents that Tenant will not smoke in the Apartment, any common area of the Building and within a **20** foot radius around the Building.
4. As a material inducement of Owner entering into the Lease and its riders, Tenant acknowledges that it is Tenant's responsibility to ensure that Tenant, Tenant's occupants, family members guests, agents, employees and anyone else in the Apartment or Building as a result of Tenant comply with the no smoking policy. As a material inducement of Owner entering into the Lease and its riders, Tenant represents it will advise any occupants, family members guests, agents, employees and anyone else in the Apartment or Building as a result of Tenant of the Apartment or Building of the no-smoking policy. Tenant understands that Tenant will be responsible for the actions of its occupants, family members guests, agents, employees and anyone else in the Apartment or Building as a result of Tenant should they violate the no smoking policy, as if it was Tenant who violated the no smoking policy.
5. Tenant further acknowledges that in the event of any violation of the Building's no smoking policy, then the Tenant shall be in violation of substantial obligations of its tenancy and of the Lease. Owner shall have all of the rights and remedies available to it as set forth in the Lease and any of its riders, including but not limited to the termination of the Lease and tenancy.
6. In addition to Owners' rights to terminate the lease and tenancy based on a violation of this clause, Owner, in its sole discretion, shall have the right to impose a penalty in the amount of **\$500.00** for a first offense and **\$1,000.00** for each subsequent offense.
7. Notwithstanding anything to the contrary contained herein, Tenant acknowledges that Tenant's obligations under this Lease are not contingent upon Owner maintaining the Building as a non-smoking building, nor shall Owner failure or inability to enforce or maintain the Building as a non-smoking building serve as a basis for Tenant to withhold or receive an abatement of any rent or additional rent or for Tenant to have a right to terminate the Lease.
8. Tenant understands that Owner may choose, in its sole discretion, to take action or not take action against a specific tenant, group of tenants, specific occupant or group of occupants.
9. The parties shall be deemed to have jointly drawn this Rider in order to avoid any negative inference against the preparer of the document.
10. The covenants, agreements, terms, provisions and conditions contained in this agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
11. No modifications to this Rider are permitted unless they are in writing and co-executed and dated by the Owner.

RIDER TO LEASE dated **November 29th, 2022**, by and between **23 Menahan** ("Owner") and **Karina I. Acevedo and Kenneth Trejo** ("Tenant"), for Apartment **2E** at the building known as and located at **23 Menahan Street, Brooklyn, NY 11221** (the "Premises").

Owner and Tenant hereby agree as follows:

1. **Class "A" Multiple Dwelling.** Tenant acknowledges and understands that the Premises is classified as a Class "A" multiple dwelling, as such term is defined in Section 4 of Article 1 of the New York State Multiple Dwelling Law.
2. **Purpose of Rider.** The parties acknowledge and understand that the State and City of New York have enacted legislation specifically recognizing the dangers inherent in allowing a Class "A" multiple dwelling to be used for transient and/or short term dwelling, and prohibiting the use of Class "A" multiple dwellings for other than permanent residence purposes.
3. **Definition of Permanent Residence Purposes.** Section 27-2004(8) (a) of the New York City Administrative Code provides that a Class "A" multiple dwelling may only be occupied for permanent residence purposes, which means occupancy by a tenant and/or other lawful occupant(s) for no less than thirty (30) consecutive days.

What Tenants Should Know About Indoor Allergens (Local Law 55 of 2018)

Allergens are things in the environment that make indoor air quality worse. They can cause asthma attacks or make asthma symptoms worse. Common indoor allergens, or triggers, include cockroaches and mice; mold and mildew; and chemicals with strong smells, like some cleaning products. Environmental and structural conditions, like leaks and cracks in walls often found in poorly maintained housing, lead to higher levels of allergens.

New York City law requires that landlords take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems. Tenants also play a role in preventing indoor allergens.

TENANTS SHOULD:

Keep homes clean and dry

Avoid using pesticides and chemicals with strong smells (e.g., cleaning products, air fresheners, etc.)

Place food in sealed containers, keep counters and sinks clean, and get rid of clutter such as newspapers and paper bags

Tell landlords right away if there are pests, water leaks, or holes or cracks in the walls and floors

Use garbage cans with tight-fitting lids

Let building staff into homes to make any needed repairs

Take garbage and recycling out every day, and tie up garbage bags before putting them in compactor chutes

Call **311** if landlords do not fix the problem or if repair work is being done unsafely

If you are a tenant and you or your child has asthma, and there are pests or mold in your home, your doctor can request a free home environmental inspection for you through the New York City Health Department's Online Registry. Talk to your doctor or call **311 to learn more.**

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, see the reverse side of this fact sheet.

For more information about safely controlling asthma, visit nyc.gov/health/asthma.

What Landlords Must Do to Keep Homes Free of Pests and Mold

New York City law requires that landlords of buildings with three or more apartments — or buildings of any size where a tenant has asthma — take steps to keep their tenants' homes free of pests and mold. This includes safely fixing the conditions that cause these problems.

LANDLORDS MUST:

Inspect every apartment and the building's common areas for cockroach and rodent infestations, mold and the conditions that lead to these hazards, at least once a year and more often if necessary. Landlords must also respond to tenant complaints or requests for an inspection.

Use integrated pest management (IPM) practices to safely control pests and fix building-related issues that lead to pest problems.

- Remove pest nests and thoroughly clean pest waste and other debris using a HEPA vacuum. Make sure to limit the spread of dust when cleaning.
- Repair and seal any holes, gaps or cracks in walls, ceilings, floors, molding, base boards, around pipes and conduits, and around and within cabinets.
- Attach door sweeps to all doors that lead to hallways, basements or outside.
- Remove all water sources for pests by repairing drains, faucets and other plumbing materials that collect water or leak.
- Use pesticides sparingly. If pesticides must be used to correct a violation, they must be applied by a New York State Department of Environmental Conservation-licensed pest professional.

Remove indoor mold and safely fix the problems that cause mold.

- Remove any standing water, and fix leaks or moisture conditions.
- Move or cover furniture with plastic sheeting.
- Limit the spread of dust. Use methods such as sealing off openings (e.g., doorways, ventilation ducts) and gently misting the moldy area with soap or detergent and water before cleaning.
- Clean moldy area with soap or detergent and water. Dry the cleaned area completely.
- Clean any visible dust from the work area with wet mops or HEPA vacuums.
- Throw away all cleaning-related waste in heavy-duty plastic bags and seal securely.
- To clean 10 or more square feet of mold in a building with 10 or more apartments, landlords **must** use a New York State Department of Labor-licensed mold assessor and remediator. These licensed workers must comply with New York City Administrative Code section 24-154 and New York State Labor Law Article 32.

Make sure vacant apartments are thoroughly **cleaned and free of pests and mold** before a new tenant moves in.

Provide a copy of this fact sheet and a notice with each tenant's lease that clearly states the landlord's and tenant's responsibilities to keep the building free of indoor allergens.

For more information about building owner and landlord responsibilities and safely fixing indoor allergen hazards, visit nyc.gov/hpd and search for **indoor allergen hazards**.

STOP BED BUGS SAFELY

WHAT ARE BED BUGS?

Bed bugs are small insects that feed on human blood. They are usually active at night when people are sleeping. Adult bed bugs have flat rusty-red-colored oval bodies. Adult bed bugs are about the size of an apple seed, they are big enough to be easily seen, but often hide in cracks in furniture, floors, or walls. When bed bugs feed, their bodies swell and become brighter red. They can live for several months without feeding on a host.

WHAT DOES A BED BUG BITE FEEL AND LOOK LIKE?

Most bed bug bites are initially painless, but later turn into large, itchy skin welts. These welts do *not* have a red spot in the center as do the bites from fleas.

ARE BED BUGS DANGEROUS?

Although bed bugs and their bites are a nuisance, they are not known to spread diseases.

HOW DOES A HOME BECOME INFESTED WITH BED BUGS?

In most cases, people carry bed bugs into their homes unknowingly, in infested luggage, furniture, bedding, or clothing. Bed bugs may also travel between apartments through small crevices and cracks in walls and floors.

HOW DO I KNOW IF MY HOME IS INFESTED WITH BED BUGS?

You may notice itchy skin welts. You may also see the bed bugs themselves, small bloodstains from crushed insects, or dark spots from their droppings. It is often hard to find them because they hide in or near beds, other furniture, and in cracks.

SHOULD I USE A PEST CONTROL COMPANY?

The Health Department recommends that homeowners hire pest control companies registered by the New York State Department of Environmental Conservation (DEC) to get rid of bed bugs.

The pest control company should:

- Inspect your home to confirm the presence of bed bugs.
- Find and eliminate their hiding places.
- Treat your home with special cleaning and/or pesticides if necessary.
- Make return visits to make sure bed bugs are gone.

Be sure your pest control company hires licensed pest management professionals. Ask to see a copy of their license or check directly with DEC by calling (718) 482-4994 or visiting

<http://www.dec.ny.gov/permits/209.html>

IS IT NECESSARY TO USE PESTICIDES TO GET RID OF BED BUGS?

The best way to get rid of bed bugs is to clean, disinfect and eliminate their hiding places. Since young bed bugs (nymphs) can live for several months without feeding and the adults for more than a year, the pest control company may use a pesticide. Talk with the professional about safe use of pesticides and make sure he/she:

- Uses the least toxic pesticide.
- Follows instructions and warnings on product labels.
- Advises you about staying out of treated rooms and when it is safe to reenter.
- Treats mattresses and sofas by applying small amounts of pesticides on seams only. Pesticides should **never** be sprayed on top of mattresses or sofas.

HOW CAN I GET RID OF BED BUGS?

1. Find out where bed bugs are hiding in your home.

Use a bright flashlight to look for bed bugs or their dark droppings in bedroom furniture. Or use a hot hair dryer, a thin knife, an old subway card or a playing card to force them out of hiding spaces and cracks. Check:

- Behind your headboard.
- In the seams and tufts of your mattress and inside the box spring.
- Along bedroom baseboard cracks.
- In and around nightstands.
- Other bedroom items, including window and door casings, pictures, moldings, nearby furniture, loose wallpaper, cracks in plaster and partitions, and clutter.

2. Clean areas where bed bugs are likely to hide.

- Clean bedding, linens, curtains, rugs, carpets, and clothes. To kill bed bugs, wash items in hot water and dry them on the highest dryer setting. Soak delicate clothes in warm water with lots of laundry soap for several hours before rinsing. Wool items, plush toys, shoes, and many other items can be placed into a hot dryer for 30 minutes to get rid of bed bugs.
- Scrub mattress seams with a stiff brush to dislodge bed bugs and their eggs.
- Vacuum mattresses, bed frames, nearby furniture, floors and carpets. Pay special attention to cracks and open spaces. Immediately after vacuuming, put the vacuum cleaner bag in a sealed plastic bag, and dispose of it in an outdoor container.
- If you find bed bugs on a mattress, cover it with a waterproof, zippered mattress cover labeled “allergen rated,” or “for dust mites.” Keep the cover on for at least one year.
- If your box spring is infested, seal it inside a vinyl box spring cover for at least one year. If no cover is available, throw the box spring away.
- Dispose of infested items that cannot be cleaned and get rid of clutter. Seal tightly in a plastic garbage bag and discard in an outside container.
- Repair cracks in plaster and repair or remove loose wallpaper.

3. Be very cautious about using pesticides yourself.

Pesticides can be hazardous to people and pets. If you choose to use a pesticide, or a licensed pest control professional suggests you use one, follow these precautions:

- Only use pesticides clearly labeled for bed bug extermination. Never use a cockroach spray, ant spray, or any other pesticide that does not list bed bugs on the label.
- Follow label instructions exactly.
- Never spray pesticides on top of mattresses or sofas, or in areas where children or pets are present.
- Never purchase or use a product without a manufacturer’s label and never buy pesticides from street vendors.
- Avoid using “insecticide bombs” and “foggers” in your home. These products can spread hazardous chemicals throughout your home, and are not likely to be effective against bed bugs.

HOW CAN I KEEP BED BUGS OUT OF MY HOME?

- Wash clothing and inspect luggage immediately after returning from a trip.
- Inspect used furniture for bed bugs before bringing it into your home.
- Never bring discarded bed frames, mattresses, box springs, or upholstered furniture into your home.

HOW CAN I KEEP MY FURNITURE FROM INFESTING SOMEONE ELSE'S HOME?

- Never resell or donate infested furniture or clothing.
- If you throw infested furniture away, make it undesirable to others by cutting or poking holes in its upholstery or making it unusable. Tape a sign to it that says, “Infested with Bed Bugs.”
