set! Here's what to expect next.

gmail.com>

Rhino

Welcome to Rhino!

Congratulations on skipping the security deposit and saving yourself some cash.

You'll now pay a much smaller nonrefundable fee toward your Rhino policy and eliminate your security deposit. As long as you pay your rent on time and keep your unit in good condition, you'll only pay your monthly fee and keep more of your hard-earned dollars. It's that simple.

Your landlord has been notified, your card ending in **8344** has been charged **\$3,107.00** and your service has begun.

So, what's next?

First, make sure your information is correct. If you're still waiting on lease dates, terms, etc. – don't worry. You can review and accept any changes requested by your leasing team until 12/27/22.
